Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Advertising Section 8 and Public Housing county-wide will be a major strategy to inform prospective Applicants with housing needs as well as prospective landlords who have available housing for Lease in The Section 8 Program.

During the upcoming year we will continue to modernize 60 Public Housing units in Geneva making them more adequate and more energy efficient. Air conditioning, security windows, screens, storm doors, better outside lighting, and a security fence are new features which will provide a healthier, safer and more secure environment in which to live. These improved, enhancing features will make our Public Housing much more appealing to prospective applicants who cannot afford to rent in the private sector.

In order to provide for the growing need for handicapped accessible units for our disabled residents and

Waiting List applicants we will be converting three units in Geneva—one unit in each site—Bryant Avenue, Choctaw Street and Riverside Homes, which will make our PHA compliant with Section 504 requirements.
