[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Annual Plan was developed by the Scottsboro Housing Authority (SHA) in accordance with the Rules and Regulations promulgated by HUD.

The goals and objectives of the SHA are contained in the Five-Year Plan and the ACOP/Section 8 Administrative Plan. These were written to comply with the HUD guidelines, rules, regulations, and Federal Law. The basic goals and objectives are:

1. Increase the availability of decent, safe and affordable housing in Scottsboro, Alabama.
2. To insure equal opportunity in housing for all Americans.
3. To promote self-sufficiency and asset development of families and individuals.
4. To help improve community quality of life and economic vitality.

This plan was written after consultation with necessary parties and entities as provided in the guidelines issued by HUD. All necessary accompanying documents are attached to the document, or are available upon request.

The PHA plans to make as many affordable housing units, that are suitable for living, and that will meet the economic needs of families, available to as many families as possible in the jurisdiction it serves. We intend to make capital improvements to our existing housing stock with available funds to improve living conditions. We further plan to improve our vacancies by improving our turn-around time for vacant units, and lease up capability to ensure more families in occupancy.

The PHA has set a discretionary minimum rent for public and Section 8 housing, and has adopted a minimum rent hardship policy.

REQUIRED ATTACHMENT A:

Scottsboro Housing Authority Deconcentration Policy

A. Objective:

The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the HA is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the HA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. The HA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the HA's computer system.

B. Exemptions:

The following are exempt from this rule.

- Public housing development with fewer than 100 public housing units. A covered development is defined as any single development or contiguous developments that total over 100 units.
- Public housing developments, which house only elderly persons or persons with disabilities, or both.
- Public housing developments, which consist of only one general occupancy family public housing development.
- Public housing developments approved for demolition or conversion to resident-based assistance.
- Mixed financing developments.

C. Actions:

To accomplish the deconcentration goals, the HA will take the following actions:

1. At the beginning of each HA fiscal year, the HA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous HA fiscal year.

2. To accomplish the goals of deconcentration:
 - (a) Not less than 40% of the HA admissions on an annual basis shall be to families that have incomes at or below 30% of area median income (extremely low-income), and
 - (b) The HA shall determine the average income of all families residing in all the HA's covered developments. The HA shall determine the average income of all families residing in each covered development. In determining average income for each development, this HA has adjusted its income analysis for unit size in accordance with procedures prescribed by HUD. The HA shall determine whether each of its covered developments falls above, within or below the established income range. The established income range is from 85 to 115 percent (inclusive) of the average family income, except that the upper limit (115 percent) shall never be less than the income at which a family would be defined an extremely low-income family.

NOTE: To calculate the extremely low-income figure: Find the average family size (HA wide) of the covered developments and extrapolate the amount from the HUD published extremely low-income limits. For example, if the average family size is 2.6, the two-person limit may be \$12,400 and the three-person limit may be \$13,950. Therefore, the figure will be \$12,400 plus 60% of the difference between the two figures, which is \$13,330. This figure will be recalculated upon receipt of new HUD determined income limits.

NOTE: Fair housing requirements. All admission and occupancy policies for public housing programs must comply with Fair Housing Act requirements and with regulations to affirmatively, further fair housing. The HA may not impose any specific income or racial quotas for any development or developments

Policy on Pet Ownership: Scottsboro Housing Authority (SHA)

The Scottsboro Housing Authority's policy on pet ownership is a verbatim adoption of the recommended pet-ownership policy prepared by the joint HUD/AAHRA Policy Task Force. The full text of this policy is available as a supporting document to the SHA plan. Further, the pet policy is available for review at the SHA office and is included as an addendum to SHA leases.

The policy is in two sections. Section I documents what type and size of pets tenants can and cannot have in SHA dwellings. All pets must be housed within the unit, identification is required, and pets must be leashed and under control at all times when outside the unit. Pets cannot be left unattended for more than 24 hours, and the policy stipulates the handling of pet wastes and related issues. Certain specific animals are prohibited if they have a potentially vicious nature. Owners are responsible for obeying all ordinances, ensuring that their pets do not bother other tenants, and ensuring that their pets are not destructive or threatening to people or property. The policy outlines in detail pet restraint to allow proper maintenance to be performed in the apartment.

Section II outlines the deposit policy and the annual fee schedule for various types of pets (dog, cat, fish aquarium, fish bowl, and caged pet). The requirements for lease renewals are covered in this section. The Resident Acknowledgment Form is signed by the resident and a SHA representative. The resident certifies that she/he will abide by all stipulations in the lease addendum (pet policy), agrees to the deposit and fee requirements, and indemnifies the SHA for any claims of injury resulting from the resident's pet or pets. Finally, the form indicates the serious sanctions that could result from not complying with the pet policy in all aspects.

Progress in Meeting the Five-Year Plan Mission and Goals Scottsboro Housing Authority (SHA)

The authority has initiated several plans to reduce the vacancy rates in order to expand the supply of existing housing.. Both internal and external changes have been made to achieve the goal of 97% occupancy. The SHA has reached this goal, with 98%+ occupancy at present.

In reference to qualitative issues, SHA has achieved the PHAS score objective, and we scored a 94 on our last PHAS assessment. Voucher management has improved and we have maintained High Performer Status.

In customer satisfaction, SHA has and will continue to have resident meetings and will continue to publish a quarterly newsletter to facilitate communication with our residents. Direct dialog with residents is always encouraged.

In reference to renovation and modernization of facilities, we are continuing with the ongoing projects that are funded by HUD through the Capital Funding Program.

On deconcentration, we are continuing to follow our policy and continue our efforts. We practice and will continue to practice 100% income mixing in all developments.

Outreach efforts: our goal is to have as many voucher landlords and potential landlords as possible. With the addition of 100 vouchers additional owners had to be identified.

Improved and increased security measures have included additional lighting and maintaining good relations with the Scottsboro Police Department. We are now housing three policemen in two different developments, and there is a special liaison officer assigned to the SHA.

The SHA continues to aggressively pursue measures to ensure equal opportunity and to affirmatively further fair housing.
