ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 ®]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

This document serves as the Lafayette Housing Authority's (LHA's) annual plan for the City of Lafayette for fiscal year 2001.

The 1998 Quality Housing and Work Responsibility Act (QHWRA) requires all public housing authorities (PHAs) to prepare five year plans. This is the first five-year plan prepared by the agency.

The LHA administers no units of public housing and 756 units of Section 8 tenant-based housing.

Established in 1975, the agency is overseen by a five-member board that is appointed by the Mayor. Board members serve for four-year year terms. The chairperson is elected annually among the board members.

The five-year plan includes the mission and long-range goals of the agency. The annual plan includes the goals and objectives for the coming year. These plans must be submitted to HUD at least 75 days prior to the start of the PHA's fiscal year. Additionally, the PHA conducted a public hearing to discuss the five-year plan and not later than 45 days before that public hearing, the agency made the proposed plan available to the public. Finally, the agency took into consideration any comments received before adoption of the final plan.

In compliance with these public notice requirements, the LHA made its draft five-year plan available by September 24, 1999, and held a public hearing on November 9, 1999.

In brief, the LHA has determined that the Agency administers the Section 8 program in an efficient and well-managed manner. Overall goals that the Agency plans to work on include, but are not limited to, increasing the visibility of the Agency. This will include doing more public relations efforts, such as establishing a website where interested parties can find out the basics of the program and get their answers to FAQ. Efforts will also include public presentations and looking for opportunities to obtain positive press. The Agency will also work closer with other community agencies to enhance the level of service for the low-income population. The LHA will continue to participate on a community wide basis to provide input in community planning.

The Lafayette Housing Authority plans to look at the prospect of using Section 8 funds to assist a small number of households with homeownership. As required by the QWRHA, the LHA will also begin criminal record checks on all applicants 18 years of age and older. The LHA also plans to renew and strengthen its cooperative relationships with other community service agencies to enhance communication and ultimately better serve the low-income population and enhance the public trust.
