24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

In defining the above, the Housing Authority intends by "Strategic Goal" and Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan.

#### b. Significant Amendment or Modification to the Annual Plan

1. Changes to rent or admissions policies or organization of the waiting list.

3. Additions of new activities not included in any PHDEP Plan.
