**A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2004 - 2008.)*

The Malvern Housing Authority has the goal of expanding the supply of assisted housing by reducing public housing vacancies. We have worked to maintain a good unit turnaround. Another goal was to improve the quality of assisted housing by improving our PHAS score and renovating public housing units. We have worked with previously approved Capital Fund Programs to renovate our units. It is our own goal to renovate up

to 12 units completely each year. These renovations along with other improvements to the units should enable us to improve our REAC score as well as the PHAS score. The Housing Authority also wants to provide an improved living environment by implementing public housing security improvements and keeping our developments de-concentrated. We have continued to provide security for our residents and our two developments are almost equal in average income. Our final goal was to ensure equal opportunity and affirmatively further fair housing by undertaking affirmative measures to provide a suitable living environment for families living in assisted housing regardless of race, color, religion, national origin, sex, familial status and disability; undertaking affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability; and to undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required. We have met and will continue to meet this goal.

## **B. Criteria for Substantial Deviations and Significant Amendments**

### **(1) Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **a. Substantial Deviation from the 5-Year Plan.**

The Malvern Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a 30 day review by all participants before a corresponding change in the Agency Plan can be adopted:

1. Any alteration of the PHA's Mission Statement.
2. Any change or amendment to a stated Strategic Goal.
3. Any change or amendment to a stated Strategic Objective except in cases where the change results from the objective having been met.
4. Any introduction of a new Strategic Goal or new Strategic Objective.
5. Any alteration in the Capital Fund Program (CFP) that affects an expenditure greater than twenty percent (20%) of the CFP Annual Budget for that year.

In defining the above, the Malvern Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan.

#### **b. Significant Amendment or Modification to the Annual Plan.**

Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these times are "significant amendments or modifications" to the Agency Plan:

1. Changes to rent or admissions policies or organization of the waiting list.
2. Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.
3. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.
