Executive Summary (optional)

[903.7(r)].

As a Section 8 Only Public Housing Agency (PHA), the Community Development Commission of National City (CDC) has limited authority or financial resources to expand and preserve the affordable housing opportunities in the City. However, the CDC serves also as the City's Redevelopment Agency (RA). As the RA, the CDC aggressively pursues the construction and rehabilitation of affordable housing, and provides affordable homeownership opportunities to low and moderate income households using redevelopment housing set-aside, HOME, and CDBG funds. This Annual Plan describes the CDC's efforts as a PHA in providing rental assistance to low income households. To present a comprehensive picture of the City's housing activities, the Annual Plan also highlights key programs administered by the CDC using non-PHA resources.

1. Statement of Housing Needs [24 CFR Part 903.12 (b), 903.7(a)]

The PHA has analyzed the housing needs of low-income and very low-income families who reside in the PHA's jurisdiction. The housing needs of these groups continue to be great considering the high cost of rental housing in the PHA's jurisdiction, and the ongoing low vacancy rate. According to the 2000 census, over 3,000 families have income at or below 30% of the area median income and almost 9,000 families have income above 30% and at or below 50% of the area median income.

B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- X Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- X Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- X Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- X Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Restrict increases in program costs by strictly limiting increases in initial voucher size, therefore, ensuring that families at or below 30% of AMI can be targeted and served within available funding levels.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Encourage alternative living arrangements, such as shared housing, and restrict increases in program costs by strictly limiting increases in initial voucher size, therefore, ensuring that families at or below 50% of AMI can be targeted and served within available funding levels.

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- X Apply for special-purpose vouchers targeted to the elderly, should they become available
- X Other: (list below)

The City has assisted in the development of two senior housing projects, Morgan-Kimball Towers and TELACU South. Morgan-Kimball Towers were developed with a HUD Section 231 (HODAG) loan with project-based Section 8 Assistance. TELACU South was developed with a Section 202/811 loan and CDC redevelopment housing set-aside funds. Combined, Morgan-Kimball Towers and TELACU South provide affordable to more than 400 low income seniors. Discussions are currently undergoing regarding constructing another senior tower adjacent to the Morgan-Kimball Towers.

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- X Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- X Affirmatively market to races/ethnicities shown to have disproportionate housing needs

The CDC works with community-based organizations (CBO's) to affirmatively market the Section 8 program to minority households. Specifically, the CDC works with two organizations – the Metropolitan Area Advisory Project (MAAC) and Samahan Clinic – to outreach to minority households.

X Other: (list below)

Evaluate program waiting list to determine the necessity of affirmative marketing to races/ethnicities that have disproportionate housing needs. If a need is indicated, develop an affirmative marketing campaign.

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- X Counsel Section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- X Market the Section 8 program to owners outside of areas of poverty /minority concentrations
- X Other: (list below)

Provide information to Section 8 participants regarding units available in areas of low-poverty/low-minority concentration and recruit rental units in these lower poverty/minority concentration areas, if available funds are sufficient to support assistance in these higher cost areas.

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:
