Progress on Meeting 5 Year Plan Mission and Goals established in 2000 as reported in the 2005 PHA plan
Plumas County Housing Authority CA070

Goal

Objective

Progress

Expand Supply of Assisted Housing

Reduce public housing vacancies:

Due to aggressive marketing that has produced a healthy waiting list and continued improvement in the efficiency of the maintenance department that has resulted in decreased turn around times, the number of turnaround days has decreased for four of the five years.

Leverage private or other public funds to create additional housing opportunities

The Agency is working with private non-profit to develop a senior housing congregate and assisted living facility. Construction financing has been provided by a private lender with permanent financing to be provided by both USDA Rural Development and a private lender. Construction has begun and is scheduled to be completed by the end of 2005.

Acquire or build units or developments

Agency has acquired a 221 (d)(3) Sec 8 complex in Quincy through the Mark to Market Program and has preserved 49 units of affordable housing.

Agency is also assisting a community effort to develop a senior congregate and assisted living housing facility to be located in Quincy.

Discussions are being held with affordable housing developers for the possible creation of family rental projects. A number of potential low and moderate-income housing projects are in the feasibility stage.

Improve the Quality of Assisted Housing

Improve public housing management (PHAS score)

Agency scores for the five-year period are 80.9 (6/30/2000); 91 (6/30/2001); 90 (6/30/2002); 90(6/30/2003). The Agency was not scored for the fiscal year ending 6/30/2004. Consequently, we are currently a high performer.

Increase customer satisfaction

Agency still intends to prepare an internal customer satisfaction survey to complement the RASS survey. We have received 9 out of 10 points for the Resident Indicator (RASS) for the last four years. The Agency was not scored for the fiscal year ending 6/30/04.

Renovate or modernize public housing units

Plumas is considered a small PHA, consequently HUD allows Capital Fund allocations to be drawn down and placed into operating revenues. The majority of the funds are earmarked for capital improvement projects.

Projects completed over the five-year period include Phase I of a landscaping and drainage improvement project, a comprehensive window replacement project, Phase II landscaping, installing additional outside lighting, and enhancements to handicapped units.

Increase Assisted Housing Choices

Conduct outreach efforts to potential voucher landlords

The Agency has enjoyed a sufficient pool of landlords willing to participate in the Sec 8 program. Marketing efforts have been informal one-on-one contacts.

Conduct housing rehabilitation activities and determine homeownership program feasibility (including Sec 8)

The Agency administers the county and the one incorporated City (Portola) CDBG programs that include an active housing rehabilitation program.

Due to the recent Section 8 budgetary limitations, the Agency is not in a position to implement a homeownership program.

Provide an Improved Living Environment

Implement procedures to bring in higher income families to both programs; lease up Welfare-to-Work Voucher holders; counsel residents on new policies.

Promote self-sufficiency and asset development of assisted households

Although the Welfare work program is no longer functional, the Agency continues to support and partner with job development and training agencies. The Agency works closely with the Department of Social Services and the local job training organization, the Alliance for Work Force Development, to bring employment support services to tenants.

Increase the number and percentage of employed persons in assisted families

As stated above, PHA works closely with Department of Social Services and the Alliance for Workforce Development.

Provide or attract supportive services to improve assistance to recipients' employability

PHA has provided computer and Internet availability to tenants and continues to work with a number of community-based organizations to bring additional technological resources for education and training.

Develop one-stop shopping areas for services

PHA continues to examine the possibilities of additional collaboration with the AFWD, the local job-training agency that provides one stop employment development services

Ensure equal opportunity and affirmatively further fair housing.

Through effective administration of assisted housing programs, the living environment of all participants is well within community standards.

Provide decent, safe, and sanitary housing for very low-income families while maintaining rent payments at an affordable level.

Both PHAS and SEMAP scores are evidence of the PHA achieving this goal.

Ensure that all units meet Housing Quality Standards and families pay fair and reasonable rents.

Sec 8 staff conducts an inspection and performs a rent reasonableness test on each unit prior to lease-up to assure HSQ quality and reasonable rents.

Promote a housing program that maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.

PHA staff is effectively administering an active fully leased Sec 8 program, utilizing a wide variety of owners.
