Expand supply of assisted housing - We did not apply for additional vouchers. We reduced the number of vacancies in public housing. We purchased two Rural Development family projects.

Improve quality of assisted housing - We did not improve our PHAS score. The quality of our SEMAP improved considerably.

Increase assisted housing choices – Applicants and participants can rent in either project.

Promote self-sufficiency – We promote employment through our FSS program.

Ensure equal opportunity in housing – We consider all requests for reasonable accommodation. Our briefings instruct applicants on rights and availability of suitable and accessible housing. Reps are trained on methods of ensuring equal housing opportunity.
