[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

The Boise City Housing Authority (BCHA) continually strives to fulfill its mission to assist eligible families and individuals including the elderly, disabled and the disadvantaged in obtaining safe and affordable housing and to provide opportunities and incentives for program participants to become more self-sufficient. BCHA has made steady progress in meeting the goals set for in its 2000 Five-Year Plan by the following:

- BCHA continues to implement the ongoing PHA wide safety and security activities with the cooperation of the local law enforcement officials. BCHA maintains ongoing contracts for property patrols by Boise Security Company. In addition, the BCHA has installed exterior lighting, key Fob security system, security cameras and security screen doors on all first floor units.
- BCHA is continually upgrading/modernizing the PH units as residents move-out. With the inception of the Capitol Fund Program we are now able to better plan and implement physical improvements.
- BCHA has rehabilitated 60 affordable housing units for families and developed 106 new affordable housing units through construction or acquisition.
- BCHA has implemented the Section 8 Homeownership program for FSS and disabled families.
- BCHA currently has 100 FSS program participants. During the past 5 years there have been 64 graduates from FSS and approximately 36 purchasing a home. FSS will continue to add to its FSS caseload to achieve maximum participation with the available resources.
- BCHA was successful in its application for a Family Self Sufficiency Homeownership grant in the amount of \$51,632.00.
- BCHA maintains its payment standards from 95% to 104% and analyzes the need to change voucher payment standards annually.
- BCHA continues to ensure equal opportunity and affirmatively further fair housing by providing information during participant briefings, referrals to Fair Housing when appropriate and providing necessary forms. BCHA attempts to identify accessible units and includes those in our list whose owners participate in the Section 8 program that is made available to voucher holders.
-

The BCHA has received ratings as “high performer” in both the Public Housing Management Assessment (PHAS) and under the Section 8 Management Assessment Program (SEMAP). Occupancy of all assisted housing programs has remained high.

Implementing a Housing Development Advanced Planning System which includes zoning, environmental, regulatory, soils testing, due diligence,

standards for feasible proformas, vacancy projections, contract, leverage rates, etc. for future developments.

To expand economic opportunities for all residents; particularly for persons of low and moderate income – BCHA supports this strategy through:

Transition from rental to homeownership through the Housing Choice Voucher Homeownership Option (HCVHO) which is designed to promote

and support homeownership by families that have members who are disabled or are participating in the BCHA's FSS program;
