B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction

- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy.

10.3 SELECTION FROM THE WAITING LIST

The Carroll County Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.12 (b), 903.7 (b)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy describes our process for verification of eligibility.

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

525 Third Street,
Savanna, IL 61074

Office hours are Mondays through Fridays between the hours of 8:00 a.m. and 4:00 p.m.

Applications are taken to compile a waiting list. Due to the demand for housing in the Carroll County Housing Authority jurisdiction, the Carroll County Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Carroll County Housing Authority will verify the information.

Applications may be made in person on Mondays through Fridays between the hours of 8:00 a.m. and 4:00 p.m. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Carroll County Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Carroll County Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf at the Savanna Public Library. The TDD telephone number is 815-273-3714.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e. family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family's placement on the waiting list.

Upon receipt of the family's pre-application, the Carroll County Housing Authority will make a preliminary determination of eligibility. The Carroll County Housing Authority will notify the apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Carroll County Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes

in family composition, income, or preference factors. The Carroll County Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Carroll County Housing Authority will ensure that verification of all preferences, if any, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

Prior to leasing a unit, the family's eligibility will be verified.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy describes our suitability criteria.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Carroll County Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Carroll County Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Carroll County Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payments;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the

health, safety, or welfare of other tenants;

3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
4. History of disturbing neighbors or destruction of property;
5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Carroll County Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Carroll County Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. History of meeting financial obligations, especially rent and any utility payments;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Carroll County Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Carroll County Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Carroll County Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it

was requested has been accomplished and the period for filing a challenge to the Carroll County Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Carroll County Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

The following extract from our adopted Admissions and Continued Occupancy Policy describes the management of our waiting list.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Carroll County Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;

Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Carroll County Housing Authority will be notified of termination of the process for eligibility.

The Carroll County Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Carroll County Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

10.5 OFFER OF A UNIT

When the Carroll County Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the income targeting goal.

The Carroll County Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the family was contacted by telephone or from the date the letter was mailed to contact the Carroll County Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

The family will be offered the opportunity to view the unit. The family will have three (3) business days to view and accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Carroll County Housing Authority will send the family a letter documenting the offer and the rejection.

b. Yes No: Is this policy consistent across all waiting list types?

c. If answer to b is no, list variations for any other than the primary public housing waiting list/s for the PHA:

(4) Admissions Preferences

a. Income targeting:

Yes No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 40% of all new admissions to public housing to families at or below 30% of median area income?

b. Transfer policies:

In what circumstances will transfers take precedence over new admissions? (list below)

- Emergencies
- Over-housed
- Under-housed
- Medical justification
- Administrative reasons determined by the PHA (e.g., to permit modernization work)
- Resident choice: (state circumstances below)
- Other: (list below)

The following extract from our adopted Admissions and Continued Occupancy Policy outlines our policy regarding unit transfers.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Carroll County Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and

composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Carroll County Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every two admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Carroll County Housing Authority and the family rejects two offers without good cause, the Carroll County Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Carroll County Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

Since the date of the application is not the sole factor in determining the order of selection, the applicant with the greatest number of preference points qualifying for the vacancy will be housed in proper sequence. In the case of ties, the earlier application date and time will take precedence.

To select eligible applicants to fill vacancies, the Carroll County Housing Authority will give consideration to the following factors in the order shown. The Housing Authority will follow its verification procedures as to special circumstances concerning an applicant before assigning preference points to the application.

POINTS 25 LOCALLY MANDATED PREFERENCES

A unit is considered substandard if any of the following are present:

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.

Statement of Progress in Meeting the FY 2000 – 2004 5-Year Plan Goals and Objectives

The following table reflects the progress we have made in achieving our goals and objectives:

| GOAL: EXPAND THE SUPPLY OF ASSISTED HOUSING | |
|--|--|
| Objective | Progress |
| Reduce public housing vacancies | Our vacancy rate over the past five years continues to fluctuate from full occupancy to five vacancies. We continually run ads in the local and county papers; periodically advise the area TANF agency; the Township office in Savanna; Tri County Opportunities Council; and churches, etc. In spite of our efforts, we currently have five vacancies. |

| GOAL: IMPROVE THE QUALITY OF ASSISTED HOUSING | |
|--|---|
| Objective | Progress |
| Renovate or modernize public housing units | This is an ongoing objective and the Housing Authority obligates and expends its capital funds in a timely manner for the upgrading of its dwelling units, building structures, equipment, site improvements, and management improvements as appropriate. |

| GOAL: PROMOTE SELF-SUFFICIENCY AND ASSET DEVELOPMENT OF ASSISTED HOUSEHOLDS | |
|---|--|
| Objective | Progress |
| Provide or attract supportive services to improve assistance recipients' employability | Residents are referred to Highland College where they can obtain their GED. The Department of Human Services provides assistance to residents for child care, employment training, and job search. |

| | |
|---|--|
| <p>Provide or attract supportive services to increase independence for the elderly or families with disabilities</p> | <p>Residents participate in Golden Meals, a food service program six days a week; the Senior Center provides transportation to elderly residents; Tri County Opportunities Council provides homemaker assistance, transportation, food stamps, food vouchers, prescriptions at reduced rates, energy payment assistance.</p> |
|---|--|

| <p>GOAL: ENSURE EQUAL OPPORTUNITY AND AFFIRMATIVELY FURTHER FAIR HOUSING</p> | |
|--|--|
| <p>Objective</p> | <p>Progress</p> |
| <p>Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability</p> | <p>It is the policy of the Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the HUD regulations governing Fair Housing and Equal Opportunity. The Housing Authority affirmatively furthers fair housing in the administration of its public housing program.</p> <p>The objective of our outreach policy is to develop a waiting list that is representative of our low-income community. A particular emphasis is placed on attracting eligible individuals and families least likely to apply for public housing through contacts with service providers in the community so they can make proper referrals.</p> |
| <p>Undertake affirmative measures to provide a suitable living environment for families living in assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability</p> | <p>In addition to our eligibility criteria, it is our policy to evaluate applicant families to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Housing Authority looks at past conduct as an indicator of future conduct. Emphasis is placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other residents, Housing Authority employees, or other people residing in the Immediate vicinity of the property. Otherwise eligible families are denied admission if they fail to meet the suitability criteria.</p> <p>We utilize our capital funds to the extent necessary and appropriate to provide physical improvements that enhance the security, safety, and overall well being of the residents.</p> |
