ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Sioux City Housing Authority will focus on two areas during the next year. Currently the PHA is in the process of selling our scattered site, single-family Public Housing homes under our 5 (h) Public Housing Home Ownership Plan. At the inception of the Plan, we had seventy-five Public Housing units--sixty-three single family structures and six duplex structures containing twelve units. We have sold fifty-seven of the single family structures to eligible low-income families and have used the proceeds from the sales to fund an Affordable Home Ownership Program, which provides down payments assistance to qualified low-income homebuyers (150 families have become home owners to date under this program). There are six single family homes left to sell under our 5 (h) Plan.

The six duplex structures containing twelve units will be the only remaining Public Housing units. We will be submitting an application for the disposition of these remaining units along with this Plan. It is staff's reasoning that maintaining such a small Public Housing Program is not in the best interest of HUD, the Housing Authority or the City of Sioux City. To solve this problem, we are proposing to dispose of (sell) the duplex structures to a (single or partnered) non-profit agency that submits the best proposal for utilizing the units as transitional housing. Our consolidated planning process identified an urgent need in our community for transitional housing with intensive support services. Selling the duplexes for this purpose will ensure that the units remain available for the purpose of providing low-income AND transitional housing. At the same time, it encourages non-profits

within the community to get more involved in meeting some of the community's affordable and supportive housing needs.

Our other area of focus this year will be on internal operational improvements. We will be utilizing staff training to increase our knowledge and understanding of Fair Housing laws, to improve customer satisfaction, and to increase both the quality and the amount of communication with the clients we serve. We will be utilizing the Resident Advisory Board as a means of getting more constant and reliable feedback on how well we are serving our clients.

In summary, this year will be one of rebuilding. We have been focused during the past year in leasing up an additional hundred and fifty families. Much time and effort is required to address all the normal day-to-day operations, so adding such a substantial number of new families has had staff stretched to their maximum capacity. In our ordering of priorities, some things simply could not be accomplished with the high standards at which we prefer performing. This year we will look at all our procedures in light of our additional families and strive to improve all aspects of our operation.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources

- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

The City of Sioux City, with its HOME dollars, is developing approximately 85 additional units of affordable housing at the Call Terminal Building, the Warrior Hotel and Century Plaza.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Meet HUD federal targeting requirements for families at or below 30% of AIM in tenant-based section 8 assistance. Exceeding federal targeting requirements is difficult to do in an area that has an excellent welfare-to-work program.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Educate participants about the current 40% rule and use it as an incentive for families to increase their choices in housing by increasing their income.

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

Refer elderly in need of immediate placement to the several privately administered housing projects within the community.

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below) We have recently received 50 Mainstream Disability Vouchers and will be focusing on administering these, addressing turnover to maintain 100% lease-up.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- Funding constraints
- Staffing constraints
- Limited availability of sites for assisted housing
- Extent to which particular housing needs are met by other organizations in the community
