|                                | PHA Object                   | Goal: Expand the supply of assisted housing tives:  Apply for additional rental vouchers: to meet the needs of families, senior citizens and the disabled population.  Reduce public housing vacancies: by continuing to improve by further decreasing the vacant unit turnaround days.  Leverage private or other public funds to create additional housing opportunities: The HAJ is investigating the feasibility of leveraging Capital Funds, using LIHTC, Bonding Authority, etc. in our financial strategies to develop mixed-income Housing developments.  Acquire or build units or developments: The HAJ is hoping to purchase large parcels, one adjacent to an existing family housing development to facilitate mixed-income housing. The Goal is to replace, on a one-for-one basis, each conventional public housing unit demolished in the family housing redevelopment initiative.  Other: Conversion of up to 20% of its Housing Choice tenant-based vouchers to project-based vouchers to further assist in the expansion of quality assisted housing. |
|                                |                              | Assisted Living Facility:  The HAJ plans to convert and/or develop an Assisted Living Facility to assist low-income elderly populations within Public Housing and outside Public Housing to live independently longer by not having to be placed in a nursing home or related facility prematurely.  |

### Other PHA Goals and Objectives: (list below)

- To increase the occupancy rate, thereby maximizing utilization of the Authority's housing stock.
- To encourage self-sufficiency of Low-Rent and Section 8 families by providing opportunities that address educational, socio-economic, recreational and other human services needs of the family.
- To enhance positive public awareness and expand the level of resident, government and community support in accomplishing the PHA's mission.
- To maintain a high level of standards and professionalism in the operation of all programs, services and activities.
- To remain a Public Housing and Section 8 Housing High-Performing agency through continuous improvement of the Authority's support systems, departmental operations and training of staff.
- To provide decent, safe, and sanitary housing that exceeds Housing Quality Standards by completing comprehensive modernization and revitalization of sites.
- To provide Home-ownership opportunities for Low-Rent and Section 8 program families within the City of Joliet and other communities in Will County.
- To promote fair housing and the opportunity for low-income families of all ethnic backgrounds to experience freedom of housing choice anywhere within Will County.
- Utilizing resources of the Authority, encourage private and not-for-profit developers to provide supplemental affordable, mixed-income housing in our community.

### PROGRESS REPORT ON MEETING 5 YEAR PLAN MISSION AND GOALS

PHA Goal: Expand the supply of assisted housing.

Report: The Authority did not increase the supply of assisted housing during the last five (5) year plan period

FY 2000 - FY 2004.

PHA Goal: Improve the quality of assisted housing.

Report: During the past five (5) year plan period FY 2000 – FY 2004, the Authority implemented an Energy

Savings Performance Contract, wherein Energy Conservation improvements totaling \$2.1 million were installed at IL06-P024-004, IL06-P024-005, and IL06-P024-006; Basketball Court improvements were made at the Family Sites; the Authority completed the Highrise Window Replacement at IL06-P024-005, Riverside Center (John C. Murphy Building) and at Il06-P024-006, John F. Kennedy Terrace and Aldai Stevenson Gardens; Refrigerator and Stove Replacement at all sites; Roof Replacement at all highrise buildings; Installation of Security System and Card Access Entry System at IL06-P024-004; Removal & Resurfacing of existing driveways & parking lots, additional parking spaces created and site landscaping at IL06-P024-004; Townhome Window, Exterior Doors & Siding/Soffit/Fascia Replacement at IL06-P024-004; Installation of Dog Runs at all sites; comprehensive rehabilitation at 12 family dwelling units at IL06-P024-003; a Master Plan for the Revitalization of IL06-P024-001 (Murray Downey Homes) and IL06-P024-002 (Van Horn Homes) was developed with the assistance of Eastlake Development Corp. / Gilmore Kean, LLC; we amended our FY2003 Agency Plan to include participation in the Illinois Capital Fund Bond Pool for implementation of the proposed improvements to the Senior / Disabled Highrise Buildings – the Bond Issue is now pending HUD approval; a 20-Year Capital Plan / Physical Needs Assessment of all Public Housing properties was completed; the Authority has entered into a purchase agreement for a 51.08 acre parcel of vacant land adjacent to Poole Gardens (IL06-P024-003) and is awaiting HUD approval for the acquisition; and the Authority has applied to the Illinois Department of Public Aid for Supportive Living Vouchers for the proposed 400 N. Bluff Street building conversion to Supportive Living.

PHA Goal: Increase assisted housing choices.

Report: Through comprehensive counseling and education Section 8 Program participants are locating units in non-impacted areas of the City of Joliet. Statistics are as follows:

January 31, 2000 January 31, 2002 June 30, 2003 June 30, 2004 No. Units No. Units % No. Units %. No. Units % % East Side 383 403 39% 386 44% 44% 416 32% West Side 237 27% 254 27% 309 30% 306 26% Out of Town 249 29% 270 29% 330 31% <u>503</u> 42% **Totals** 927 869 1,055 1,195

PHA Goal: Improve community quality of life.

Report: During FY 2004, the Authority renewed its Neighborhood Oriented Policing Contract with the

City of Joliet; we aggressively evicted 15 residents for anti-social/drug activities; we denied occupancy to 34 applicants due to involvement with anti-social activities; and we provide mentoring, tutoring, life skills, sports and recreation, as well as parent involvement programs

and activities for youth at Community Centers.

PHA Goal: Promote self-sufficiency and assist development of families and individuals.

Report: Through the FY2002 ROSS-RSDM Program, the housing Authority will provide 50 adults with

an opportunity to obtain a 2-year college degree or a trade certificate. Eligible participants may receive tuition, book and fees assistance of \$750.00 per semester, a monthly transportation stipend of \$35.00 to obtain reliable transportation to and from an educational institution, and supportive services through a pre-arranged network of area providers. The program is designed

to promote upward mobility and self-sufficiency of public housing program households.

PHA Goal: Ensure Equal Opportunity in housing for all Americans.

Report: In cooperation with Cornerstone Services, Inc. and the will County Center for Independent

Living, the Housing Authority submitted applications for Section 8 Housing Vouchers targeted to the handicapped/disabled population. Also in cooperation with the Will County Community Development Department, we provided emergency Section 8 assistance to thirty-one (31)

Cornerstone clients when funding had expired.

The Housing Authority of Joliet received 200 Fair Share Vouchers.

70% were designated to Handicapped/Disabled;

5% were designated to Handicapped/Disabled individuals residing in Nursing Homes because they do not have adequate housing elsewhere;

25% were designated to other waiting list applicants.

The Authority is currently in the process of completing the issuing of these vouchers and assisting the families in locating affordable housing.

### 1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

### A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

According to the City of Joliet's 2005 – 2010 Consolidated Plan, the following numbers are based on 2000 census figures and 1999 median income determinations. The HUD adjusted median household income (MFI) in 1999 for Joliet was \$47,761 for a family of four.

### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

### (1) Strategies

Need: Shortage of affordable housing for all eligible populations

## Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

| Select a    | Il that apply   |
|-------------|---|
| $\boxtimes$ | Employ effective maintenance and management policies to minimize the number of public housing units off-line  |

|             | Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction   |
|             | Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required  |
|             | Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration   |
|             | Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program  Participate in the Consolidated Plan development process to ensure coordination with broader |

### **Statement of Financial Resources**

[24 CFR Part 903.7 9 (b)]

List the financial resources that are anticipated to be available to the PHA for the support of Federal public housing and tenant-based Section 8 assistance programs administered by the PHA during the Plan year. Note: the table assumes that Federal public housing or tenant based Section 8 assistance grant funds are expended on eligible purposes; therefore, uses of these funds need not be stated. For other funds, indicate the use for those funds as one of the following categories: public housing operations, public housing capital improvements, public housing safety/security, public housing supportive services, Section 8 tenant-based assistance, Section 8 supportive services or other.

 December 1, 2003, the Housing Authority of Joliet published a Notice of Request for Proposals for a 20-Year Capital Plan/Physical Needs Assessment to be performed and has since awarded a contract. The 20-Year Assessment was delivered to the Department of Housing and Urban Development Chicago Field Office on March 23, 2004 for review and approval.

### • Rationale for financing activities verses funding activities with annual grant: <u>Statement of Need</u>

The Housing Authority of Joliet receives an average of \$2.3 million dollars annually for the capital improvement needs of its 1,099 conventional public housing units. From 1991 through 2001, the HAJ spent a large percentage of its capital fund rehabilitating the Fairview Homes, one of three (3) family housing developments under IL024-003, through a resident initiative Step-Up Program. Thus, limited capital improvements have been made to the senior/disabled housing developments. Utilizing the Illinois Capital Fund Bond Pool will allow the Authority to implement numerous health and safety, security, and cosmetic capital improvements at the senior/disabled developments that the Authority would not otherwise be able to immediately afford. This initiative will compliment the Energy Performance Contract improvements, currently nearing completion, at these senior / disabled housing developments. In fact, the Authority will be able to implement all work items in the previously approved CFP 5-Year Action Plan with the Bond Issue. We estimate all Bond Pool work items will be completed by September 2006.

#### **Adequacy of Capital Funds after Debt Service**

The improvements the Authority intends to implement through the Illinois Capital Fund Bond Pool supplemented with Energy Performance contract improvements, will address most of the needs of the senior/disabled developments for the next twenty (20) years. One hundred sixty eight (168) units of family housing at the Fairview housing development, one of three (3) sites under IL06-P024-003, has undergone substantial rehabilitation over the years; therefore, limited need will exist to renovate same in the foreseeable future. However, the Authority's remaining 228 family dwelling units have been determined "distressed" and have been targeted for redevelopment, representing 20.7% of the Authority's housing units (76 d.u. at IL06-P024-001, 46 d.u. at IL06-P024-002, and 168 d.u. at IL06-P024-003). Redevelopment of IL-06-P024-001 and IL06-P024-002 is projected to start within 2006, if funding has been secured; however, redevelopment of one (1) of the scattered sites under IL06-P024-003 is projected to start in 2007. This will be achieved utilizing funding from other sources (i.e.: LIHTC, HOME, loans, etc.).

Through the Bond Pool, the Authority plans to implement major capital improvements for its senior / disabled units located on four (4) sites and under three (3) project numbers IL06-P024-004 John O. Holmes Complex, IL06-P024-005, Riverside Terrace (John C. Murphy Building), and IL06-P024-006 John Kennedy Terrace and Adlai Stevenson Gardens. Once we have completed these improvements, the Authority will have sufficient Capital Funds to address life cycle needs, as well as health and safety and cosmetic needs that may arise.

Between 1991 and 2001 the Authority totally renovated its 168 unit Fairview Housing Development, one site under project number IL06-P024-003, through it modernization program. Specifically, the total renovation consisted of the complete demolition of units including all mechanics (plumbing, HVAC, electrical, etc.) & roofing, siding, windows, doors, tile, etc. updated floor plan, relocation of laundry facilities & enlarging the bathrooms, new mechanical systems, insulation, drywall, tile, cabinets, etc., new efficient windows, doors, siding, roofing, and front porches. After Debt Service, the Authority anticipates sufficient funds within the Capital Fund Program and will plan for life cycle improvements, as identified through the Physical Needs Assessment, as well as health and safety and cosmetic needs through its Capital Fund Program.

The Authority's Desplaines Gardens development - one site under IL06-P024-003, of 40 units, 12 of which were completely rehabilitated in 2002 - After Debt Service, the Authority anticipates sufficient funds within the Capital Fund Program and will plan for life cycle improvements, as identified through the Physical Needs Assessment, as well as health and safety and cosmetic needs through its Capital Fund Program.

As above stated, the three (3) remaining family housing developments IL06-P024-001 (76 units), IL06-P024-002 (46 units), and one (1) of three (3) scattered sites under IL06-P024-003 (106 units), are targeted for redevelopment. The Authority will continue to maintain these sites through its Maintenance and Capital Fund Program to ensure compliance with the Uniform Physical Condition Standards until such time as outside financing has been secured and redevelopment begins.

After the debt service payment on the Bonds, the remaining CFP Grant funds will be sufficient to address the needs of the Authority's housing stock and will be targeted to addressing life cycle, health and safety, and cosmetic improvements, as identified through its Physical Needs Assessment, and will be reflected in the Agency's future Five Year Plans, beginning 2005 – 2010, in addition to the Authority's administrative and management needs.

Development Activities will be funded through outside sources (i.e. Low Income Housing Tax Credits, HOME, etc) but Capital Funds may be used to fill minor financing gaps.

Analysis as to adequacy of Capital Funds is based on a 20 Year Capital Plan/Physical Needs Assessment prepared in the first quarter 2004 by Architectural Consulting Group, Ltd.

## HOUSING AUTHORITY OF JOLIET IL06-P024

#### **Targeting Redevelopment Statement**

The Authority has targeted 228 family housing units identified by three (3) project numbers for demolition and redevelopment.

Our goal is to demolish and redevelop the 228 family dwelling units located within IL06-P024-001, IL06-P024-002, and a portion of IL06-P024-003, as delineated below:

| Project<br><u>No.</u>                   | Year<br><u>Built</u> | No. of<br><u>Units</u> | No. of<br>Bldgs. | Name and Location  |

These units are distressed, as determined by Borrell Technology Incorporated (BTI) in the Authority's 2000 Asset Management Plan; in a 2003 HOPE VI Feasibility Study performed by Gilmore Kean, LLC; and in the 2004 Physical Needs Assessment completed by Architectural Consulting Group, LLC. These 228 units do not meet Mandatory Conversion requirements, pursuant to 24 CFR Part 971; however, the Authority has exercised it discretionary authority to demolish and redevelop said sites into mixed-income communities.

It is the philosophy and the desire of the Housing Authority of Joliet's Board of Commissioners, as well as that of the City of Joliet, to maintain the same number of conventional public housing units in our portfolio – 1,099 units. That being said, **before** any residents are relocated and **before** any units are demolished, financing must be in place for the redevelopment project. Demolition will only occur when financing is secured. If no financing, then we will shift our focus from redevelopment to maintaining the 228 dwelling units and addressing the health and safety, energy efficiency, and cosmetic needs identified within the Physical Needs Assessment with on-going Capital Funds.

The Authority, together with Gilmore Kean, LLC, in 2004, developed a Master Plan for the redevelopment of IL024-001 and IL024-002. We have since contracted with a Financial Consultant to seek funding sources such as Low Income Housing Tax Credits and HOME funds for the redevelopment project. The Authority will not rely on Capital Funds for the redevelopment project, but may use Capital Funds to fill funding gaps. At any rate, we will balance on-going life cycle needs identified in the Physical Needs Assessment with gap financing and management needs of the Authority.

In essence, on-going Capital Funds will be targeted to Health and Safety, Energy Conservation, and cosmetic work items whose life cycles have ended and, as such, require replacement at 663 senior units; the 40 Desplaines Gardens units (portion of IL06-P024-003); the 168 Fairview family units (portion of IL06-P024-003); and the 228 family units at IL06-P024-001, IL06-P024-002, and Spring Bluff (portion of IL06-P024-003), if required.

The Authority has executed an agreement for the purchase of a 51.08 acre parcel of vacant land on which we hope to develop mixed income housing and will be following up with a Site Acquisition Proposal to the Chicago Field Office.

### **Initial Assessment for Mandatory Conversion**

As described in 24 CFR Part 971.3 and 24 CFR Part 972, the following initial assessments have been made regarding the Housing Authority of Joliet public housing stock as it relates to both mandatory conversion and voluntary conversion.

1. The development is subject to required conversion under 24 CFR part 971:

Standards to follow for identifying developments subject to section 202's requirement for the removal from public housing inventory:

#### Initial Assessment for Mandatory Conversion:

a. Be on same or contiguous sites:

All of IL24-001 Murray/Downey Homes - 76 family dwelling units - contiguous

All of IL24-002 VanHorne Homes - 46 family dwelling units - same

Part of IL24-003 – Desplaines Gardens – 12 family dwelling units and contiguous 28 elderly dwelling units

- Fairview Homes 168 family dwelling units not contiguous
- Spring Bluff Homes 106 family dwelling units not contiguous

All of IL24-004 – John O. Holmes Complex – 174 elderly/disabled dwelling units

All of IL24-005 - Riverside Center - 139 elderly/disabled dwelling units

All of IL24-006 – John Kennedy Terrace – 173 elderly/disabled dwelling units & Adlai Stevenson Terrace – 177 elderly/disabled dwelling units

b. Total more than 300 dwelling units:

None of the above total more than 300 dwelling units.

c. Vacancy Rate of at least 10% for dwelling units not in funded, on-schedule modernization:

None of the above has a vacancy rate of more than 10%.

It is the HAJ's initial assessment that based on the above, none of our housing stock qualifies for mandatory conversion.

- 2. The development is the subject of an application for demo or dispo that has not been disapproved by HUD. N/A
- 3. The development has been awarded a HOPE VI revitalization grant.

N/A

4. The development is designated for occupancy by the elderly/disabled.

IL24-004 John O. Holmes
IL24-005 Riverside Center
IL24-006 John F. Kennedy Bldg. and Adlai Stevenson Bldg.

Not Subject to Conversion due to elderly/disabled designation.

**B. Voluntary Conversions:** As stated in Notice PIH 2001-26, beginning with FY 2002, all PHAs must address the following questions about their Required Initial Assessments and include the information as a required attachment to the PHA Plan.

A PHA must certify that it has reviewed each covered development's operations as public housing; considered the implications of converting the public housing to tenant-based assistance; and concluded that the conversion of the development may be: (i) appropriate because removal of the development would meet the necessary conditions for voluntary conversion; or (ii) inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion.

1. How many of the PHA's developments are subject to the Required Initial Assessments?

Three (3) developments are subject to the Assessment: IL24-001 Murray Downey Homes IL24-002 VanHorne Homes IL24-003 Scattered Family Sites

2. How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)?

Three (3) developments **are not** subject to the Assessment due to elderly/disabled classification. IL24-004 John O. Holmes Complex

IL24-005 Riverside Center IL24-006 Scattered Senior Sites

3. How many Assessments were conducted for the PHA's covered developments?

The Housing Authority of Joliet has conducted one (1) Initial Assessment of each family development.

4. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments:

| Development Name  | <b>Number of Units</b> |
|-------------------|------------------------|
|                   |                        |
| NONE AT THIS TIME | -0-                    |

5. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments.

## Housing Authority of Joliet Community Service Requirement Statement

The Quality Housing and Work Responsibility Act of 1998 mandates the Housing Authority of Joliet to require that all adults living in public housing contribute 8 hours of community service (not including political activities) per month within the community in which the adult resides; or participate in an economic self-sufficiency program for 8 hours per month; or perform/participate in 8 hours of combined community service and economic self-sufficiency activities/programs.

Exempt from the community service requirement is any adult who:

- Is 62 years of age or older;
- Is an individual with a disability, as defined under section 216[i][i] or 1614 of the Social Security Act, and who is unable to comply with this section, or is a primary caretaker of an individual;
- Is an individual engaged in a work activity as defined in section 407[d] of the Social Security Act;
- Is an individual that is exempted from having to engage in a work activity under the State program funded under Part A
  of Title IV of the Social Security Act, or under any other welfare program of the State in which the public housing
  agency is located, including a State-administered welfare-to-work program;
- Is in a family receiving assistance under a State program funded under Part A of Title IV of the Social Security Act, or
  under any other welfare program of the State in which the public housing agency is located, including a Stateadministered welfare-to-work program, and has not been found by the State or other administering entity to be in
  noncompliance with such program.

For purposes of satisfying the community service requirement, participating in an economic self-sufficiency program is also defined as participating in a Family Self-Sufficiency Program and being current in the steps outlined in the Individual Training and Services Plan; participating in the Housing Authority of Joliet's Step-Up Employment and Training Program and being current in the steps outlined within the Training and Services Plan; participating in an educational or vocational training program designed to lead to employment; improving the physical environment of the resident's development; volunteer work with a local school, hospital, child care center, homeless shelter, or other community service organization; working with area youth organizations; working with local neighborhood groups on special projects; raising young (pre-school) children at home where a spouse is working; participation in programs that develop and strengthen resident self-responsibility such as drug and alcohol abuse counseling and treatment, household finance/budgeting, credit counseling, English language proficiency; or other activities approved by the PHA on a case-by-case basis.

The Housing Authority shall provide all adult residents with a brochure listing of local agencies and organizations that offer community service and volunteer opportunities. It is the personal responsibility of all adult household members who are required to comply with the community service requirement to locate an agency or organization and to comply with the community service requirement. It shall be the responsibility of the Housing Authority to annually verify resident compliance with this community service requirement.

The Housing Authority shall ensure that all community service programs are accessible for persons with disabilities. The Housing Authority shall also ensure that the conditions under which the work is to be performed are not hazardous; the work is not labor that would be performed by the Housing Authority's employees responsible for essential maintenance and property services; or the work is not otherwise unacceptable.

The Housing Authority shall review resident compliance with the community service requirement 30 days before the expiration of each lease term. All activities undertaken by the resident to comply with the requirement shall require a certification letter from the organization/agency where the service/activity was performed.

If the Housing Authority determines that a household is not in compliance with the community service requirement, the Housing Authority may not renew or extend a the household's lease upon expiration of the lease term and shall initiate action to terminate the tenancy of the household, unless the Housing Authority enters into an agreement with the household, prior to the expiration of the lease term. The agreement shall provide an opportunity for a household to cure noncompliance with the community service requirement, by allowing the non-compliant resident to participate in economic self-sufficiency programs or by contributing hours of community services for as many additional hours as the resident needs in order to fully comply in the aggregate with the community service requirement over the 12-month term of the lease.

The Housing Authority shall not renew or extend a lease or provide any new lease for a dwelling unit to any household that includes an adult member subject to the community service requirement and who failed to comply with it.

### D. Additional information as required by PHDEP/PHDEP Plan

With the signing of the 2002 HUD/VA Appropriations Act, drug elimination grants for low-income housing are not funded as a separate set aside through the PHDEP account. With respect to the PHA Plan, for the FY2002 Plan cycle, PHAs will no longer be required to complete Subcomponent 13D of the Annual Plan or the PHDEP template. With the exception of high performers and small PHAs, housing authorities must complete Subcomponents 13A-C of the Plan.

No longer Required

### 14. RESERVED FOR PET POLICY

[24 CFR Part 903.7 9 (n)]

#### Housing Authority of Joliet Pet Policy Statement

The Housing Authority allows tenants to own one type of a common household pet, defined as a dog, cat, bird, fish, or turtle. Weight limitations, a spay/neuter requirement, State license requirements, and inoculation requirements are placed on the owner of a dog or cat. Households must first register a pet and pay a refundable pet deposit to the Housing Authority prior to bringing the animal on the premises. Number and enclosure requirements are placed on owners of fish and turtles.

The Housing Authority shall refuse to register a pet if (1) the pet is not a common household pet as defined within the Pet Policy; (2) keeping the pet would violate any established House Pet Rules; (3) the pet owner fails to provide complete pet registration information, or fails to update their registration annually with the Housing Authority; and/or (4) the Housing Authority reasonably determines that the pet owner is unable to keep the pet in compliance with the Pet Policy or lease obligations.

A temporary visiting pet is considered by the Housing Authority as a <u>common household pet not owned by a tenant</u> that is brought onto the premises. A temporary visiting pet is prohibited on Housing Authority property and subjects the tenant household to termination of tenancy. Housing Authority tenants are prohibited from feeding or harboring stray animals.

Pets are not permitted in common areas including building lobbies, community rooms, community centers, playground areas, common outdoor green/recreation spaces, office spaces and laundry facilities except for those common areas which are designated entrances and exits to and from a building. Pets are not to roam free in highrise buildings or on Housing Authority property nor are pets to be exercised in hallways, stairways or lobby areas. An area of each housing development's grounds is designated as the area in which to exercise animals and to permit dogs to relieve themselves of bodily wastes. Tenants are responsible for the proper removal and disposal of all bodily waste originating from their pet. Pet owners must agree to control the noise of pets so that such noise does not constitute a nuisance to other tenants or interrupt their peaceful enjoyment of their housing unit or premises.

Pet owners shall not alter the dwelling unit, patio, storage shed or any structure on the PHA premises or common area to create an enclosure for any animal, or create or provide any outside shelter or enclosure for any animal on the premises. This includes the building, construction and purchase of any outside dog "house/shelter" on the premises. The installation of a pet door is prohibited. Any tenant alteration to the dwelling unit is considered a violation of the Lease.

The Pet Policy shall be incorporated by reference into the Lease and must be signed by the tenant. The household must adhere to all requirements contained within the Pet Policy. Violation of the Pet Policy shall be grounds for the removal of the pet and/or tenancy termination. If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.

Pet Policy rules will not be applied to animals that assist persons with disabilities. Pet owners shall be required to qualify animals that assist persons with disabilities for exclusion from the Pet Policy. To be excluded, the pet owner must certify: (1) a person with disabilities resides within the household; (2) the animal has been trained to assist with the specified disability; and (3) the animal actually assists the person with the disability.

#### March 15, 2005:

- Pleased with the HAJ's goal of mixed-income housing.
- Believe current resident will truly benefit from Assisted Living.
- Have been pleased with the interaction with the youth programs.
- Major Concern: Security at the Senior Buildings:
   Residents are letting in people they don't know;
   Residents are propping open the community room door;
   No emergency phone in the common areas or on the first floor.

The Authority will look into the installation of a public (pay) telephone on the first floor and also for other major common areas at the senior buildings.

 Concerns regarding the conversion of 400 N. Bluff Street into an Assisted Living Facility, primarily center around relocation of the current residents.

The residents who do not qualify for Supportive Living services, will be relocated to another building. The Authority will give current 400 N. Bluff residents priority in filling future vacant units and they will be offered as much of a choice as possible. Relocation timeline will not be certain until after State of Illinois approval.

 Concerns regarding the upgrading of the elevators project: While one elevator is being worked on, will the other elevator work? What about buildings with only one elevator?

During the elevator upgrade project, in buildings with 2 elevators, the second elevator should be able to sustain calls while work is in progress. Special arrangements will be made by the Housing Authority to ensure safety for the residents. In buildings with only one elevator, special arrangements will be made for those residents who cannot use the stairs.

• Are the John O. Holmes residents getting their shower stalls improved?

Not at this time. Currently the shower stalls at the Stevenson and Kennedy Buildings are being re-done do to crumbling cement.

The water at the 400 N. Bluff building is bad and smells like eggs.

The Authority will arrange to have the water tested.

 Also at Bluff, barges hit or scrape against the retaining wall near our building and parts of the wall appear to be crumbling.

The Authority will contact the Water Reclamation and may have an engineer assess the damage to the wall.

Parking lots are to be re-done at Oneida Street?

Yes. We are planning to re-surface and re-stripe which should gain 9 – 10 spaces at Oneida by better planning the spaces. This will hopefully accommodate requests received over the years for additional spaces for visitors.

### **April 9, 2005**

- Residents are pleased with new windows, air conditioners, lighting, toilets, and boilers in the highrise buildings.
- High rises need additional security.
- Recommend all new Resident Councils be taken on a bus tour of the sites.

The Housing Authority of Joliet understands that security is a primary concern, especially for the residents of the senior / disabled housing developments. Budgets are tighter this year than ever, but we will look into alternative methods to help residents feel more secure. The Housing Authority agrees a bus tour would be very helpful.

#### 4. Membership:

### RESIDENT ADVISORY BOARD

Originally, on November 29, 2000, the Housing Authority of Joliet submitted correspondence to each Public Housing and Section 8 Housing Program Resident inviting them to submit a resume for the Resident Advisory Board. By the deadline date of December 15, 2000, eight (8) persons had submitted letters of interest and resumes. All eight (8) candidates were recommended for Resident Advisory Board membership. The Presidents of each Resident Council were also invited to become members of the Resident Advisory Board. A total of thirteen (13) residents were, therefore, included as the original

Resident Advisory Board members. The Board of Commissioners approved the Resident Advisory Board members on March 15, 2001.

Only seven (7) of the original thirteen (13) Resident Advisory Board members displayed interest in participating of the Resident Advisory Board. These Resident Advisory Board members had their terms renewed by the Board of Commissioners on February 11, 2003.

On January 26, 2005, the Housing Authority again submitted correspondence to Public Housing and Section 8 Housing Program participants inviting them to submit a resume and/or letter of interest for the Resident Advisory Board. By the deadline of February 7, 2005, six (6) persons had submitted letters of interest and/or resume. All five candidates were recommended for Resident Advisory Board membership. The Presidents of each Resident Council have also been invited to participate in the Resident Advisory Board. Current members include the following:

|             | Other: (list below)  |
|             |  |

2. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments:

The City of Joliet proposes to utilize its annual HUD entitlement to address its jurisdictional priority needs of Affordable Housing; Elimination of Slum and Blight; and Public Service. Federal funds will be used to leverage private sector funds. The information contained in the Consolidated Plan (2005 – 2010) demonstrates the critical need for safe, decent, and affordable housing; especially for existing and first-time homeowners.

### **18D.** Other Information Required by HUD Use this section to provide any additional information requested by

1. The Housing Authority of Joliet adopts the definition of <u>"significant amendment"</u> and "substantial deviation/modification" as provided in Notice PIH-99-51:

To be a significant amendment or substantial deviation/modification of the Agency Plan, one (1) or more of the following criteria must occur:

- Changes to rent or admissions policies or organization of the waiting list;
- Additions of non-emergency work items (items not included in the current Annual Statement of Five-year Action Plan) or change in the use of replacement reserve funds under the Capital Fund; and
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.
- 2. The Housing Authority of Joliet shall also pursue the development, implementation and operation of the following programs:
- Establishment of wholly owned or controlled subsidy to purchase Private Sector Housing to rent or sell to the HAJ under the Section 8 or Public Housing Programs.
- Pursue non-HUD funding (loans, bonds, etc.) by granting a security interest in the
  development to modernize and upgrade Senior Citizen High-rises to make them more
  marketable and competitive with newly constructed senior facilities.
- Establishment of wholly owned or controlled subsidiary to construct and/or rehabilitate housing for sale to low-income families.
- Establish a Partnership for the Development of a Supportive Living Facility
- Establish partnership to own, operate or assist in the development of mixed-finance and mixed-income developments.

### 18E. Section 8 Homeownership Capacity Statement

The Housing Authority of Joliet provides a Homeownership Program to help low-income families become homeowners. The program hired a Homeownership Program Specialist on February 12, 2003. The program utilizes the following participation criteria:

Any active and qualified Section 8 Housing Choice Voucher Program family may be considered for participation in the program.

Under the Homeownership Program, families may choose a single-family unit, townhouse, condo, or one side of a duplex for purchase anywhere within Will County. Families will receive financial assistance with their homeownership expenses (mortgage payments) for up to fifteen (15) years. There is no assistance time limitation for elderly or disabled individuals or families.

#### Who is eligible to apply?

- Individuals must currently reside within Will County and be in possession of a valid Housing Choice Voucher.
- Individuals must be a first-time homebuyer, a displaced homeowner, or not have owned their own home within the immediate past three (3) year period.
- Individuals must maintain continuous and uninterrupted full-time employment during the past one (1) year period.
- Households must maintain a minimum annual income of at least \$10,300; households classified as elderly and/or disabled must maintain a minimum annual income limit of at least \$6,624.
- Households must be able to make a minimum contribution of one (1%) percent of the purchase price toward the down payment from personal resources. The total down payment required for the program is three (3%) percent.
- Households must complete a 12-hour educational course in homeownership before the purchase of the home and 6 hours after the purchase of the home. The pre- and post purchase programs are provided through the Housing Authority of Joliet.
- Households must be credit qualified and able to obtain mortgage financing; and Households must be willing to obtain and pay for a home/property inspection by an independent professional building inspector.

The Housing Authority of Joliet will work in cooperation with the City of Joliet's Community Development Department's First Time Home Buyers Program; the Illinois Housing Development Authority (IHDA); the Will County Community Development Department's First Time Home Buyers Program; and various community financial/social institutions to develop and implement a comprehensive Section 8 Homeownership Program.

As of December 31, 2004, the Housing Authority of Joliet has two (2) participant families who are homeowners in the Section 8 Housing Choice Voucher Program Homeownership Program.

### 18F. Supportive Living Facility Strategy

The Housing Authority of Joliet plans to convert its 49-unit 400 N. Bluff Street Building (one of seven buildings within IL06-P024-004) to a Supportive Living Facility and has applied for a Supporting Living Facility license and waivers through the Illinois Bureau of Long Term Care, Department of Public Aid. This will enable our frail and aging elderly to live independently for a longer period of time. This will also enable us to provide a limited commodity to frail, low-income seniors who, without access to *affordable* assisted / supportive living, may be forced to move into a nursing home prematurely.

The Housing Authority of Joliet (HAJ) will enter into a contract with Management Innovative Associates (MIA), Inc. for the management of the Supportive Living Facility for a period of three (3) to five (5) years.

The Authority will be involved in the initial employment process of all positions, with the understanding that qualified residents and current employees are given the highest priority for positions.

During this three (3) to five (5) year period MIA, Inc. will work cooperatively with the HAJ in training designated Management level staff to assume full responsibilities of management. Perhaps management duties can be phase in as follows:

| 1 <sup>st</sup> year                         | 0%   |

The energy conservation improvements, listed above, at the Authority's senior / disabled developments, are part of a \$2.1 million contract with Citizens Conservation Services which was approved by the U.S. Department of Housing and Urban Development in November of 2003. Implementation of all energy saving measures was substantially complete February 15, 2005 and savings will now be closely monitored.

## Housing Authority of Joliet Resident Satisfaction Survey – FY2004 Follow Up Plan

#### **Background Information**

As part of the FY2004 Public Housing Assessment System (PHAS) evaluation of the Housing Authority of Joliet, the U.S. Department of Housing and Urban Development (HUD) randomly selected 356 Housing Authority of Joliet resident households to receive the Resident Service and Satisfaction Survey (RASS). Of the HUD random sample, 151 resident households (45%) returned the survey to the Real Estate Assessment Center (REAC) for scoring purposes. The response rate exceeded the national response rate of 24 percent. The survey assisted HUD in determining resident perception of the Housing Authority in five operation areas:

#### **FY2004 Results**

|                         | PHA Results | National Results |
|-------------------------|-------------|------------------|
| Maintenance and Repair  | 90.4%       | 83.6%            |
| Communication           | 72.8%       | 72.9%            |
| Safety                  | 75.1%       | 78.1%            |
| Resident Services       | 94.3%       | 90.5%            |
| Neighborhood Appearance | 74.6%       | 73.0%            |

In comparison to survey data obtained in prior Fiscal Years, the Housing Authority of Joliet has again increased the overall resident satisfaction percentage score. This should clearly demonstrate to HUD the commitment of the Housing Authority in attempting to provide low-income housing that is safe, decent and sanitary for the residents of the City of Joliet.

Pursuant to a HUD PHAS program requirement to prepare a follow-up plan for categories that receive a score below 75.0%, the Housing Authority of Joliet has prepared a follow-up plan for the categories of Communication (72.8%) and Neighborhood Appearance (74.6%) for inclusion into the FY2005 Agency Plan. The following narrative outlines the current programs and services the Housing Authority of Joliet has in place that addresses the concerns highlighted within the Resident Service and Satisfaction Survey.

It is the Housing Authority of Joliet's goal to provide residents with affordable housing that is considered safe, decent, and sanitary. To ensure this concept, the Housing Authority of Joliet has been active in the identification of programs, professional partnerships and community resources to assist in providing residents with a quality living environment. With the assumption of continued funding streams, the Housing Authority of Joliet is committed to expanding the programs contained within this follow-up plan.

#### Communication

This category's score increased by +1.5% in comparison to the established category baseline in FY2000. The lowest rating of 64.9% originated from housing development IL24-002, which is unusual in that the housing development is built on and shares the same land as all of IL24-001, which rated the communication component at 75.0%.

To address this category area, the Housing Authority of Joliet offers the following:

#### Dwelling Lease Agreement and Public Housing Program Policies

- Originally planned for FY2004, the Housing Authority of Joliet delayed the implementation of a new dwelling lease agreement and Admission and Continued Occupancy Policy (ACOP) to Fall of FY2005. The release of the documents is scheduled for December 01, 2004. This delay will allow the agency to conduct area surveys regarding policies and procedures in place at other Housing Authorities and to create a better dwelling lease agreement and Admission and Continued Occupancy Policy (ACOP). Housing Managers will be discussing the new dwelling lease agreement and ACOP with household members throughout FY2005 to ensure all public housing households hear the same information regarding public housing program policies and procedures. Additionally, new agency occupancy staff will be trained to review new dwelling lease agreement requirements and ACOP changes with new and existing tenants during FY2005.
- The Housing Authority of Joliet maintains a Property Bar List of individuals prohibited from entering onto agency property or visiting public housing units. This list is posted at each housing development property and in each on-site Housing Management Office for resident and guest review. The list is updated on a quarterly basis and is also issued to the Will County State's Attorney's Office for prosecuting criminal trespass cases and the City of Joliet's Police Department to assist in on-site arrests of individuals in deliberate non-compliance with the visitor's and no-trespass policy.

### Monthly Housing Manager and Resident Council Meetings

• Housing Managers hold monthly on-site late-afternoon and/or early evening hour resident meetings. Housing Managers address issues related to lease compliance, litter and trash, vehicle policies, social service program community needs, resident responsibility, pest extermination practices, pet policies, dwelling unit housekeeping inspections, reported noise violations, garbage pick-up policies and procedures, personal safety and security, and dwelling unit or common grounds maintenance. Residents electing to attend these monthly meetings are provided with several opportunities during the meetings to voice their concerns and address other issues they consider important to their household. Each family site community center advertises the meeting within the monthly newsletter and on the lighted marquee of the community center for all residents to see.

#### Monthly Resident Council - Housing Authority Staff Meetings

 On a monthly basis, the Public Housing Department holds a meeting with active Resident Council members. The purpose of this meeting is to listen to resident concerns and complaints and to provide immediate feedback to the Resident Council and its population with current and up-to-date information regarding the operation of the Housing Authority. The departments of Public Housing, Maintenance, Social Services, and Modernization attend this monthly meeting.

#### Other Resident Communication Notices

- If the Housing Authority of Joliet is notified in advance of any planned water shutoffs by the City of Joliet or electricity interruptions by Commonwealth Edison, a written notice is provided to residents of the affected housing development at least 24 hours in advance of the water shutoff period. With regard to Housing Authority of Joliet scheduled service interruptions, i.e. boiler, electricity, elevator shutdowns etc., a written notice is provided to residents of the affected housing development at least 24 hours in advance of the shutdown period.
- The Housing Authority of Joliet provides residents with written notice regarding meetings, hearings, gatherings, public forums, i.e. the Capital Fund Program, Illinois Department of Human Services Teen REACH Program, social service programs, grant program applications, etc. in advance of the scheduled event. Since Summer 2001, the Housing Authority of Joliet's Housing Management Division began publishing a monthly newsletter and community calendar for distribution to public housing program residents. The newsletter is designed for each housing development and contains the dates and times of regularly scheduled Housing Authority events, meetings, and other important dates along with articles of interest for the season or month, and identifies resident programs available within the community, agency policies/procedures, and information regarding safety, budgeting, etc.

### Resident Council and Organization Support

- The Housing Authority of Joliet provides funding in the amount of \$1,500 to each active and registered housing development Resident Council. Resident Councils are encouraged to spend funds to support activities at the site level, such as the implementation of youth and/or adult community parties/picnics/dinners, resident training, seed money to support a resident operated store for housing development residents, refreshments for regularly scheduled Resident Council meetings, etc.
- The Housing Authority provides agency staff to assist residents in establishing a Resident Council, writing and adopting by-laws, and to provide technical assistance in preparing budgets to expend the Housing Authority's annual Resident Council \$1,500 award and the new HUD Resident Participation Fund set-aside.
- In August 2004, the Housing Authority of Joliet will be sponsoring five (5) Resident Council officers so that they may attend the Philadelphia Housing Authority's 3<sup>rd</sup> Annual Resident Empowerment Conference. The conference offered workshops regarding job training, strategic planning, meeting the needs of elderly residents, resident businesses, youth activities, entrepreneurial activities, insurance and retirement planning, homeownership, credit repair, and a presentation regarding the state of public and assisted housing programs,
- The Housing Authority of Joliet provided a half-day seminar for Resident Council members regarding budgeting and expenditure of FY2004 HUD Resident Participation Funds. This seminar will be repeated in October 2004 for FY2005 HUD Resident Participation Funds.

• In FY2005, the Housing Authority of Joliet's Modernization Department will periodically begin to send out flyers to residents when a modernization project is about to begin. The flyer will offer a detailed description of the work to be done as well as any instructions or information regarding how the residents might be affected. Additionally, the Modernization Department will also periodically attend Housing Manager monthly meetings to further explain the status of pending and/or on-going modernization projects.

### Neighborhood Appearance

This category's score increased by 5.3% in comparison to the established category baseline in FY2000. The lowest rating of 55.4% and 52.9% originated from housing developments IL24-001 and 002. The remaining four housing developments rated the Housing Authority somewhere within the range of 63.2% to 86.0%, with the HUD PHAS national rating level at 73.0%.

The Housing Authority of Joliet continues to improve the appearance of its public housing developments. This category rating has steadily increased over the past five year rating period. Agency staff is diligent in receiving and following-up on resident generated complaints regarding abandoned and inoperable vehicles, graffiti and vandalism to the property, pest infestation, reported tenant and/or guest noise levels and problems, adequate recreation facilities, and other similar issues. Since the Housing Authority's housing developments were not originally built as private-gated communities which offer a highly secured environment for its residents and prohibits exterior traffic flow from entering the community, the Housing Authority of Joliet has very little control over the neighboring non-public housing community and any of its nuisance crimes and issues that overflow onto agency properties. This response is therefore prepared by the Housing Authority based on the perception that neighborhood appearance pertains to property owned and operated by the Housing Authority, and not the surrounding community.

To address this category area, the Housing Authority of Joliet offers the following:

#### Common Areas

• It is the responsibility of a Maintenance Department Live-in Custodian and/or Site Leader to routinely inspect all common areas and make corrections as needed. The Technical Services Division will add a Quality Control measure to ensure that all common areas are kept in good condition.

#### **Building Exteriors**

• The Housing Authority of Joliet is nearing the completion of window replacement at the highrise housing developments of John Kennedy Terrace and Adlai Stevenson Gardens (IL24-006). The project is funded through Capital Fund Program IL06-P024-50102 and 50103. Last fiscal year a window replacement project was completed at the John C. Murphy Building (IL24-005) through Capital Fund Program IL06-P024-50101 and 50103. The total replacement of windows, installation of new mini blinds and air conditioning units has

brought uniformity to the sites and gives the buildings a more aesthetically pleasing exterior appearance. In FY2005, the Housing Authority of Joliet is planning to request proposals for the same type of project at the John O. Holmes housing development (IL24-004). This project will be funded through the Illinois Capital Fund Bond Pool.

- The Des Plaines Gardens Homes (II24-001, 002 and 003) and Poole Garden Homes (IL24-003) housing developments are anticipated to undergo major redevelopment within the next 3 to 5 years. Building exterior improvements needed at these 2 housing developments will therefore be of a cosmetic and temporary nature and will be completed in house by the Housing Authority of Joliet's Maintenance Department.
- Lawn Maintenance Services at all housing development sites is a contracted service. The services provided include mowing, weed control, edging, turf fertilization, and Fall season aeration. This service is re-evaluated and re-advertised for service proposals every two (2) years. During the interim period, the results of the survey will be shared with the current service provider for improved performance.

#### **Parking Areas**

- The parking areas at Des Plaines Gardens Homes (IL24-001, 002, and 003) were resurfaced in 2000. All parking areas associated with highrise housing development sites (IL24-004, 005 and 006) were seal coated and re-striped in 2001. In 2002, the parking areas at the John O. Holmes Complex (IL24-004) were completely resurfaced and additional parking spaces were created for residents, guests and service providers. In Fall of 2005, parking area improvements at John C. Murphy Building, Kennedy Terrace, and Adlai Stevenson Gardens housing developments (IL24-005 and 006) are scheduled for replacement along with sidewalk improvements. The estimated cost of \$280,000 will be funded through the Illinois Capital Fund Bond Pool.
- The Poole Garden Homes housing development (IL24-003) is anticipated to undergo major redevelopment within the next 3 to 5 years. Parking area improvements needed at this housing development will be of a temporary nature and will be completed in house by the Housing Authority of Joliet's Maintenance Department.

#### Adequacy of On-Site Recreation Facilities

• The Housing Authority provides on-site computer labs at each public housing development, including at all senior housing developments. Additional space is needed at all three family site community facilities, however modernization funding is not available to support the expansion of any community facility based on the prioritized modernization needs associated with the other housing developments. However, with major redevelopment pending at the housing developments of IL24-001, 002 and 003 within the next 3 to 5 years, all community center facilities will be rebuilt and expanded for practical use.

• Based on the results of this Resident Assessment Survey, modernization will be done on all playground areas in early Spring 2005. The Modernization Department will bid out the repair and cleaning of all playground areas and award a contract to a professional playground service contractor. The estimated cost of \$20,000 will be funded through Capital Fund Program IL06-P024-50104.

#### Tenant and/or Guest Noise Levels

• Tenants and guests are to limit noise between the hours of 10:00pm and 7:00am. Noise must not be heard outside the dwelling unit during this time period. Any violation that is reported is referred to the Housing Manger for follow-up with the tenant household. Continued violation of this lease clause is grounds for lease termination. The new Admission and Continued Occupancy Policy (ACOP) and/or dwelling lease agreement, scheduled for implementation and release in December 2004, will specifically address noise levels and the resident complaint filing process.

#### Pest Extermination

- Pest extermination is a top priority within the Housing Authority of Joliet. Existing tenant dwelling units are exterminated every month. All new tenant households are pre-scheduled to receive an immediate extermination service once all of their possessions have been relocated to the public housing address. This practice eliminates the potential of a new tenant bringing in pests and re-infesting the unit or building prior to the next regularly scheduled building/unit extermination. All units undergoing modernization are exterminated to prevent re-infestation of a building/unit.
- Pest Control Services are contracted with a professional exterminating company. Resident
  feedback regarding this particular exterminating contractor has been very good; however, this
  service is re-evaluated and re-advertised for service proposals every two (2) years. During
  the interim period, the results of the survey will be shared with the current service provider
  for improved performance.
- All tenants are required within the dwelling lease agreement to maintain their unit in a sanitary manner. Housing Managers conduct housekeeping inspections on a quarterly basis. Continued citation by the Housing Manager for housekeeping violations is grounds for lease termination. This inspection practice helps reduce pest problems within assisted units.
