10.4 Deconcentration Policy

It is Massac County Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Massac County Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000-2004.

1. Management goal to maintain at least standard performer level was exceeded each year by reaching high performer status.
2. Some segments of the waiting list have increased. One bedroom applicants may wait as much as a year prior to being housed.
3. Unit turn around time has improved for units with waiting lists.
4. The Authority has not met its goal of collecting 97% of rental income.
5. Occupancy rate is currently 96.8 percent.
6. Staff changes were made that improved customer relations. There are other improvements to be made.
7. The goal to renovate 72 units was exceeded.

HA Code: IL 041

2. **There has not been a resident survey during the past three years. The feeling is that some developments are happier, but there is no quantifiable proof. Ironically, the addition of pets has caused anger among residents who, in turn, resent the fact that management cannot always solve pet-related problems within a short time. Pet problems and much tighter control of accounts receivable do not improve management's popularity.**
3. **All graffiti is removed within the goal time of 24 hours.**
4. **Curb appeal has improved by contracting for mowing all units. Employees pick grounds up twice weekly, and outside clutter has decreased.**
5. **Employees assist the elderly by completing paperwork in the homes of all ill or disabled residents. More interim certification work is performed at scattered locations.**

Maintenance

6. **There are no units that do not meet standards required by REAC.**
7. **Despite reduced Capital Program Funds, Massac County Housing Authority has replaced siding, repaired walks, added fences, camouflaged Dumpsters, and, in general, improved all developments.**
8. **All emergency work orders are responded to within two hours or less.**
9. **All work orders are addressed in less than 24 hours. Most are addressed within one hour.**

Public Image

Specific goals outlined for the improvement of public image have not been met. There have been positive newspaper stories, community recognition, public presentations, and community outreach. However, the number specified has not been reached.

Supportive Services

During the time frame addressed in the original 5-year plan, money has decreased and the workload has increased. In spite of these unforeseen changes, the housing authority has made progress toward its goals in this area.

A close association with Reaching for Kids and Youth of Massac County, Inc. has increased the availability of both after school and summer programs for residents. An association with Shawnee Community College provides on-site alternative high school for both housing residents and the community at large. This same association provides adult education classes on housing property.

Usage of two of the three community centers has increased. One center is used 11 months of the years for classes, making the center a focal point of both day and evening education for housing residents.

Housing personnel has worked with all school districts in the county in an effort to improve attendance by residents of the housing authority.
