ATTACHMENT A-Admissions Policy for Deconcentration

The Mishawaka Housing Authority has only one (1) development site that is appropriate for the placement of families. There are no other options for a family other than Barbee Creek Village. The apartment sizes vary from efficiencies to five (5) bedrooms and offers of housing consider the size of the family in relation to the unit size available. Having only this one (1) location limits the ability of this Housing Authority to take additional steps related to HUD's efforts at deconcentration.
