Other PHA Goals and Objectives: (list below)

The Westbrook Housing Authority (WHA) is still interested in seeking funding for the modernization of its oldest senior community, Riverview Terrace (30 years in December 2004). This updating is needed for a variety of reasons and will bear many positive end results. It is our wish to take the 20 efficiency side-by-side units and over time to combine two efficiencies into one, one bedroom unit, thus, in time reducing the total units from 60 to 50. As part of this process, the new units would take on a universal design, meeting general accessibility requirements. The lesser number of households would establish a lesser demand for parking spaces, solving a current parking problem (no more available spots to assign and no room to expand the lot). The redesign would also allow for the reconfiguration of some extra common space which is in short supply at this community. A redesign of the major community area is also being considered, utilizing some wasted space, reconfiguring two bathrooms into one handicapped accessible bathroom and creating a more private office space for the nurse, mental health professionals and other support service providers to be stationed. The overall utility or function of the redesign warrants serious consideration of this goal.

With HUD funds becoming more and more scarce, WHA is seeking alternative funding mechanisms to continue to provide affordable housing options to the residents of the community. Having just completed a 29 unit tax credit project for seniors in a partnership with the City, WHA is looking to expand opportunities for workforce housing. WHA currently is in the process of renovating 10 – 12 assisted rental units on Main Street in Westbrook, and has just received confirmation from City Hall on the purchase of an old elementary school that will be turned into one and two bedroom affordable condominium units.

A closer working relationship with the City is helping to create more opportunities for WHA to partner up with the City, or with referrals received through the City to be on the cutting edge of the affordable housing market in our area.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous

5-Year Plan for the period FY 2000 - 2004.

Westbrook Housing Authority accomplished a variety of goals stated in its FY 2000 – FY 2004 Five year plan, including:

- adding vouchers to our portfolio – 84 units 8/1/01
- improving our PHAS scores to 94% in FY 2003
- improving our SEMAP scores – FY 2000 = 89% FY 2004 – 98%
- actively marketing our programs and increasing customer satisfaction:
 - WHA began having semi-annual meetings with landlords
 - WHA improved our resident newsletters and consistency of distribution
 - The WHA website was improved to better market the availability of units
- increasing the numbers of seniors/disabled we can assist with supportive services, through a ROSS grant received 7/24/02, allowing residents to remain independent longer; and finally,
- maintaining our commitment to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, or disability.

One goal yet to be accomplished is to address an older property (Riverview Terrace – 30 years in 12/04) that could desperately use some upgrades. It was constructed during the big “0” bedroom thinking, with half of the 60 units or 30 “0” bedrooms, and has very limited and unfriendly common areas. We had hoped to secure funding for the transition of this property to less total units, by combining 2 efficiencies into one, one bedroom unit. Further, we planned to work on adding and refining some of the common space, to make the area more functional. We will continue to creatively seek funding for this endeavor.

Westbrook Housing Authority continues to maintain the goals accomplished during the last 5 year plan period as it moves forward into the new goals established in this 5-year plan.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. a. Substantial Deviation from the 5-Year Plan

Substantial deviation from the 5-year Plan may occur when the Board of Commissioners deems it necessary to change the intent of the mission statement or goals of the Five Year Plan.

b. Significant Amendment or Modification to the Annual Plan

Significant amendments or modifications to the Annual Plan are defined as discretionary changes in the plans or policies of the Housing Authority that fundamentally change the plans of the agency and which require formal approval of the Board of Commissioners.
