### A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000-2004.

Presque Isle Housing Authority has achieved our PHA Goal of expanding the supply of assisted housing by adding 24 units (12 duplexes) to our inventory. We substantially rehabilitated a section of former base housing to offer four (two and three bedroom) wheelchair accessible and 20 one, two and three bedroom apartments to very low, low and moderate-income individuals/families. CDBG (Community Development Block Grant) Funds and private funding was leveraged. The Everett Heights Development was available for lease up in December 2003.

Presque Isle Housing Authority is continually working on the PHA Goal to improve the quality of assisted housing by remaining a high performer under the PHAS (Public Housing Assessment System) and achieving a score of 100% on the SEMAP (Section 8 Management Assessment Program). We are improving customer satisfaction with resident notifications, newsletters, bulletin boards and improved communications.

Under the HUD Strategic Goal to provide an improved living environment, 20% of Presque Isle Housing Authority's Public Housing residents are moderate income individuals/families that pay a flat rent and live in very low to low income developments.
