## B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Authority's primary focus over the coming year is to redevelop Groop/Townview Tower, our only HUD funded public housing development, into an affordable assisted living facility. This action repositions Groop/Townview Tower in the marketplace, finding a new use for the underutilized conventional elderly housing units in this property.

In addition the will work to manage its current Housing Choice Voucher Program funding (Section 8) to maximize the number of units under lease within the available budget authority.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction

- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

**9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

**A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.*

Review of Public Housing Goals – Reduce public housing vacancies to 2% or less, improve PHAS score to 90% or higher, modernize Groop/Townview Tower, and provide supportive services.

For its sole HUD funded public housing development, Groop/Townview Tower, the Authority established goals to complete Capital Fund renovation, reduce the vacancy rate to 2% or less and increase the Authority's PHAS score to 90% or better. While the renovations were completed on time and on budget in June of 2003, the Authority has been unable to reduce the vacancy rate to 2% or less. This issue is due to an

overabundance of other subsidized, conventional elderly housing that is better located and better funded along with a reduction in the demand in the greater Fitchburg area for this type of housing. Absent a reduction in the vacancy rate of 2% or lower the Authority is unable to increase its PHAS score to 90% or above. Based on a detailed analysis of the elderly housing market in its area, the Authority is in the process of repositioning this building in the marketplace by converting it to an affordable assisted living facility. This conversion will give the Authority the only affordable assisted living facility in its market area in a market segment that has more than sufficient demand to completely fill the property.

The Authority has partnered with its local home care corporation, Montachusett Home Care Corporation (MHCC), to provide enhanced services at Groop/Townview Tower. Using \$50,000 in funding provided by the City of Fitchburg's Community Development Block Grant funds, MHCC has placed a nurse in the building to assist with medication management and service coordination for the building's residents.

Review of Housing Choice Voucher (Section 8) Goals – Improve SEMAP score to 90% or better, strengthen voucher mobility counseling and outreach to landlords.

Increasing its SEMAP score to 90% or higher was initially impacted by problems with the electronic transmission of the 50058 forms. The Authority installed a new computer system in the spring of 2003 and has now resolved the reporting issues. To increase program utilization, the Authority entered into a partnership with the local branch of the Salvation Army to provide housing search, rental unit lease up, and short term household stabilization. The Authority had been able to increase its program utilization rate to 98% or better until this year's uncertain with budget authority caused the Authority to put in a place a moratorium in reissuing vouchers that became available. Now that there is some stability with that situation, the Authority is once again issuing vouchers and anticipates maintaining a 98% or better utilization rate.

The Authority's Director and its Leased Housing Coordinator continue to speak at community forums to recruit additional landlords. In addition, the Authority is a member of the Northern Worcester County Landlord Association. Recently the Authority has begun to write articles about the Housing Choice Voucher Program for publication in the Association's monthly newsletter.

Equal Opportunity Goals - Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, nation origin, sex, family status and disability, and undertake affirmative measures to ensure access to accessible housing.

The Authority has participated in housing forums sponsored by the Twin Cities Community Development Corporation, the local community action agency, and the North Central Mass Affordable Housing Coalition (the FHA is also an active member of the coalition). The Authority was also a featured presenter and sponsor of the City of Fitchburg's Housing Resource Fair in 2003, which was attended by over 150 people. The Authority's director has also appeared on a local radio show to promote the Housing Resource Fair.

The Authority's staff has regular contact with staff from the Department of Mental Health, Department of Mental Retardation, Spanish American Center, Fitchburg Disability Commission, Montachusett Opportunity Council, and other advocate agencies about the availability of its housing programs.
