24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it

defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

+ The Muskegon Housing Commission will make every reasonable attempt to achieve goals and objectives stated in its (5) Year Annual Plan.

+ A shortfall of anticipated Capital Fund monies from HUD will certainly impact work items to be done. However, in such cases, staff will assess work items identified in the Annual Plan for the corresponding fiscal year and will encourage Board and HUD approval on having the most critical items addressed based on funds available. If the Agency is awarded additional Capital Fund monies for timely obligations, other critical items, which were deleted, will be addressed and completed based on monies awarded.

+ In situations where unforeseen and unscheduled Capital improvements or emergency work items occur, which would significantly impact identified work items for a specified Capital Fund year, both HUD and Board approval to modify work items will be solicited before undertaking such a project. A Public comments period will be afforded for residents affected by the change, if time permits.
