[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.

Goal: Provide or attract supportive services to increase independence for the elderly or families with disabilities.

Progress: The HRA applied for a grant from the Minnesota Department of Human Services and was awarded \$49,000 to use as start up funds for an Assisted Living Program. The program will serve two highrises that house elderly and disabled individuals. One building is a Public

Housing project and the other building was funded under the Section 8 New Construction Program. The grant funds allowed us to bring Assisted Living into the tenants homes starting in August of 2003; by March of 2004 the program was self sustaining. Over 200 residents living in the buildings find comfort in knowing that services are available allowing them to remain living in their home even if they should need additional help.

Goal: Reduce turnover time for vacated public housing units

Progress:

Goal: Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program

Progress: In 2003 the

Goal: Leverage affordable housing resources in the community through the creation of mixed - finance housing

Progress: Groundbreaking was held in September of 2004 for Eagle Ridge Apartments to be built in Red Wing. Minnesota Housing Finance Agency, the Greater Minnesota Housing Fund, local contributors and tax credits made this project possible. The HRA contributed \$25,000 in match financing. The 48 units under construction will be the first rental units built in the community in approximately 10 years. Five of the units will be reserved for Extremely Low income tenants; the remainder of the units will be available for households with incomes below 60% of area median.
