9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000-2004).

The following goals and objectives were adopted in the 2000-2004 Five Year Plan:

- 1. Stabilize and enhance the Agency's financial condition.*
- 2. Provide adequate affordable housing within Washington County.*
- 3. Enhance communication and collaboration with other agencies and jurisdictions.*
- 4. "Spark" new development opportunities within Washington County.*
- 5. Enhance the Agency's public image and credibility.*

Stabilize and enhance the Agency's financial condition. *The Board of Commissioners has successfully stabilized the financial condition of the Authority. Improved property operations and financial management has resulted in the Authority's financial growth in three areas. First, the Authority's net assets increased \$1.9 million to \$2.6 million in 2003 partly as a result of adding ten public housing units to the Authority's portfolio in 2003. Second, the Authority has restructured all of its property debt resulting in significant debt service savings for the future. Third, the Authority has established operating reserves and a long-term capital reserve, which at 2003-year end totaled about \$1.8 million.*

Provide adequate affordable housing within Washington County. *The Authority several activities toward providing "adequate affordable housing"; however the need is overwhelming for any one entity to provide an "adequate" amount of affordable housing:*

- Completed ten year market study for county*
- Allocated tax credits for three mixed income developments in 2000 and 2001 totaling 114 units*
- Acquired ten additional public housing units in 2003.*
- Successfully finance 14 permanent supportive housing units to be attached to existing Authority owned transitional housing.*
- Obtained Shelter + Care funding for homelessness projects*

Enhance communication and collaboration. *The Authority participates in the County's Continuum of Care planning, sponsors Home Stretch home buying education workshops, produces informative videos about housing topics, and regularly meets with its residents. The Authority has also created a Community Liaison/Resident Resource Coordinator who communicates regularly with neighborhood citizens, homeowner associations, Authority*

residents, and community police departments. The Coordinator provides service referrals when necessary and also assists with programming for the Resident Advisory Board.

Spark new development opportunities. *The Authority acts as a resource for developers and local jurisdictions to find out information pertaining to all aspects of affordable housing. The Authority is a suballocator of Low Income Housing Tax Credits and has funded at least 114 units of affordable housing in the last five years. The Authority also works with cities in the county on various redevelopment projects to create additional affordable housing. The Authority assisted the City of Newport with creating 39 units of affordable senior and family owner occupied housing.*

Enhance the image and credibility. *Stabilizing the financial status of the agency and improving the management operations has restored the Authority's image and credibility. Examples of improved operations include the adoption of an Administrative plan for the public housing units, completion of a RFP process and contract for property management, hiring a Community Liaison/Resident Resource Coordinator, and receiving a Standard performer score in the Authority's first year of PHAS scoring for 2002.*

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The Washington County Housing and Redevelopment Authority defines a substantial deviation of the 5-year Plan as follows:

- c. A complete revision or abandonment of one or more of the components of a PHA's five year plan.*

a. Significant Amendment or Modification to the Annual Plan

The Washington County Housing and Redevelopment Authority defines a significant amendment or modification to the Annual Plan as a change in the plans or policies of the PHA that require formal approval by the Washington County Housing and Redevelopment Authority Board of Commissioners. It is understood that the Washington County housing and Redevelopment Authority may not adopt the amendment or modification until the PHA has duly called a meeting of its Board of Director and the meetings, at which the amendment or modification is adopted, is open to the public. Further, the HRA understand that it may not implement the amendment or modification until notification of the amendment or modification is provided to HUD and

approved by HUD in accordance with HUD's plan review procedures, as provided in Statute 903.23.
