Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Ozarks Area Community Action Corporation (OACAC), a non-profit community action agency, has administered the Section 8 Tenant Based Programs on behalf of the Dallas County PHA since 1978. The geographical area served includes ten counties in Southwest Missouri: Barry, Christian, Dade, Dallas, Greene (excluding Springfield), Lawrence, Polk, Stone, Taney and Webster. The PHA will continue addressing the housing needs of its lowest income renter households as a top priority. On February 16, 2005 there were 1,737 households on the PHA waiting list for Section 8. A Section 8 Homeownership Program is not being developed at this time due to lack of staff capacity and unstable federal funding. Administrative policies will generally remain the same. The primary objective of the PHA is to assist the maximum number of households possible with the HUD annual funding, and to apply for additional funds if it becomes available. At fiscal year end 6/30/04 the Utilization Rate of baseline units was 94% due to HUD imposed cost constraints; and utilization of Annual Budget Authority was 99%. Based on 2004 calendar year data, 22% of the families initially selected from the Waiting List (Offer of Assistance) resulted in an Issued Housing Voucher. Of those Voucher-Holders 71% were successful in being admitted to the program. In summary, 15% of families who were initially selected from the Waiting List to receive a Housing Voucher result in admission to the program – approximately one out of six. Elderly/Disabled households comprise 53% of current program participants. The Dallas County PHA SEMAP score was 100% for the fiscal year ending 6/30/04.

B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The PHA maintains an open waiting list and households are selected to receive assistance by the date and time order of their application only, in full compliance of Fair Housing Law. With due consideration of staff capacity and funding restraints, the PHA strives to serve the greatest number of households as quickly as possible. Subsequent to maximum utilization of existing PHA funds, the PHA shall apply for new funding if available. All households who port to this PHA from another jurisdiction (except City of Springfield) will be immediately assisted, but not absorbed. The Dallas County PHA will bill other PHA's for incoming portable households. The Dallas County PHA annual budget authority will be reserved to assist applicants currently on the local waiting lists.

(If “No”, skip to the next component; if “yes”, complete each program description below (copy and complete questions for each program identified.)

COMMENT: We do not have the staff capacity to launch the homeownership initiative at this time. 9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.

Previous submissions of the Annual Plans for 2001, 2002, 2003, 2004 contained progress reports on the goals and objectives initially reported in the 2000-2004 Five Year Plan. Please refer to these documents.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

- a. Substantial Deviation from the 5-Year Plan
Federal loss of funding for Section 8 Housing Choice Voucher Program.
- b. Significant Amendment or Modification to the Annual Plan
Federal loss of funding for Section 8 Housing Choice Voucher Program.

C. Other Information

[24 CFR Part 903.13, 903.15]

(1) Resident Advisory Board Recommendations

- a. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?
If yes, provide the comments below:

DALLAS COUNTY PHA/OACAC RESIDENT ADVISORY BOARD COMMENTS FEBRUARY 25, 2005

Continued federal funding for the Section 8 Housing Choice Voucher Program was their greatest concern, as it was last year. Residents rely on the continuation of the Section 8 program to assist them. They are afraid that they would be homeless without the program.

FIVE YEAR PLAN

Discussed the new Five Year Plan for 2005-2009 Mission and Goals.

STREAMLINED ANNUAL PLAN 2005

1. STATEMENT OF HOUSING NEEDS.

- Reviewed Table on Housing Needs of Families on PHA's Waiting List.
- Reviewed Strategies for Addressing Needs and discussed Portability issues.
- Continue support of policy to serve Families with income \leq 50% Area Median Income to serve federal targeting requirement to serve 75% \leq 30% AMI is achieved.

2. STATEMENT OF FINANCIAL RESOURCES.

- Discussed HUD funding formula for Calendar Year 2005 and how it is presently unknown how much funding will be appropriated beyond December 31, 2005.
- Discussed reductions in Administrative Funding and how staff hours have been reduced.

3. PHA POLICIES GOVERNING ELIGIBILITY, SELECTION, ADMISSIONS.

- Support program screening for criminal or illegal drug related activity, but recognizing the constraints imposed because of administrative resources. Support enforcement of rules governing family and owner responsibilities as required by regulation.
- Discussed Waiting List and how the length of wait has increased to 3-4 years.
- Discussed liberal Search Time granted to eligible families to find housing
- Continue Selection Criteria based on date and time order of Application without other preferences.

4. PHA RENT DETERMINATION POLICIES.

- Discussed PHA action to reduce Payment Standards because of HUD fiscal constraints based on Per Unit Cost (PUC) for Housing Assistance Payments. Most Payment Standards across the ten county region are now at or above 90% but below 100% of FMR. HUD increased the Fair Market Rents dramatically effective 10-1-04, at the same time HUD reduced funding.
- Residents voted to increase Minimum Rent from \$ 25.00 to \$ 50.00 as long as the PHA retains the right to waive the Minimum Rent in hardship cases.

5. CAPITAL IMPROVEMENT NEEDS. Not applicable to Section 8.

6. DEMOLITION AND DISPOSITION. Not applicable to Section 8.

7. SECTION 8 HOMEOWNERSHIP PROGRAM.

- Discussed the fact that with the reductions in Section 8 Administrative Fees, recent reductions in staff hours, the Dallas County PHA currently lacks the staff capacity to develop a homeownership program. One Resident suggested that perhaps Rural Development could administer it.
- The number of very low income households needing rental assistance remains at a high level and remain a top priority.
- The unstable funding climate for Section 8 is another barrier to further development of a homeownership program.

8. CIVIL RIGHTS CERTIFICATIONS. Required HUD forms to be submitted with the PHA Plan.

9. ADDITIONAL INFORMATION.

- A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan.
In 2006, the PHA will evaluate their progress on meeting the goals.
- B. Criteria for Substantial Deviations and Significant Amendments which would require a full Public Hearing and HUD review before implementation:
The Residents agreed to define "Substantial Deviation from the 5-Year Plan" and

“Significant Amendment or Modification to the Annual Plan” to mean Federal Loss of Funding for Section 8 Housing Choice Voucher Program.

10. PROJECT-BASED VOUCHER PROGRAM.

- The Residents agreed that the Dallas County PHA should not “project-base” any tenant-based Section 8 vouchers in the coming year. To “project-base” vouchers means that the rental subsidy remains with the physical property rather than with the tenant.

11. LIST OF SUPPORTING DOCUMENTS AVAILABLE FOR REVIEW.

The following documents are available for public viewing:

- (1) PHA Certifications of Compliance with the PHA Plans and Related Regulations and Board Resolution to Accompany the Streamlined Five-Year Pla/Annual Plans.
- (2) State Government Certification of Consistency with the Consolidated Plan.
- (3) Fair Housing Documentation Supporting Fair Housing Certifications.
- (4) Housing Needs Statement of the Consolidated Plan for the State and any additional backup data to support statement of housing needs for families on the waiting list.
- (5) Section 8 Administrative Plan.
- (6) Section 8 Rent determination (payment standard) policies.
- (7) Results of latest Section 8 Management Assessment System (SEMAP).
- (8) Section 8 informal review and hearing procedures.
- (9) Results of the most recent fiscal year audit. (6/30/04)

12. CAPITAL FUND PERFORMANCE/EVALUATION. Not applicable to Section 8.

13. MISCELLANEOUS. UP-FRONT INCOME VERIFICATION SYSTEM (UIV)

The Resident Advisory Board reviewed a draft UIV Policy. Initial reaction was positive from residents to learn that the PHA has access to income information and that HUD is matching Social Security income and State Wage information on our Section 8 participants. There was a consensus among the residents that any improvement in the PHA’s ability to obtain third party verification of their income without them having to provide documents would be appreciated. The Program Director explained that the UIV system is not designed to be a stand alone income verification system, but rather another tool available to the PHA to identify any discrepancies between what the participant is reporting and what the UIV system identifies. It is up to the PHA to reconcile any discrepancies. This UIV system does not replace the normal third party verification procedures. Its purpose is to identify individuals who are not reporting income. The Resident Advisory Board recommended that the PHA board adopt the draft policy as amended.

14. MISCELLANEOUS. FEDERAL FUNDING FOR SECTION 8.

The Program Director explained the history of Section 8 funding and the challenges it has posed for program administration.

- **2004 HUD funding** was granted on a Per Unit Cost basis. HUD set a maximum average housing assistance payment per household for the Dallas County PHA at \$ 266.35. In

September, 2004 the PHA adopted a policy change to require families to report increases in income within 10 days and the PHA lowered the Payment Standard in select counties and bedroom sizes to reduce cost.

- **2005 HUD funding** is based on the calendar year of 2005. It is estimated that the funds granted to this PHA will support assisting approximately 553 households, which is a reduction in HUD's commitment to provide Baseline assistance to 572 households. The Administrative Fees were reduced by approximately \$ 10,000 since HUD will not pay for the Audit and is not promising to pay the Hard to House fee.
- **2006 HUD funding.** On February 7 President Bush released his budget which calls for an increase in the Section 8 Housing Assistance payments and a slight increase in Administrative Fees. Each house of congress must debate the budget and come to agreement on all federal appropriations before September 30, 2005.
- President Bush has proposed the elimination of the Community Services Block Grant (CSBG) which is the core funding for community action agencies across the country like OACAC. He also proposed to move it from HHS to Dept. of Commerce.
- HUD plans to introduce two pieces of legislation in 2005, the Flexible Voucher Program and Rent Reform. One resident expressed her concern that Congress will decide they only what to help families with Section 8 and that single elderly people won't get any help.

Meeting concluded at 12:30 p.m.

Residents: Marjorie Lingerfelt - Dallas County
Carol Trimble - Lawrence County
Norma Hancock - Greene County
