B. Strategy for Addressing Needs

For the upcoming year, provided adequate funding is available, SJHA will continue to concentrate on marketing the Section 8 HCV and Public Housing programs to achieve above 98% lease-up through advertisements in local

newspapers and newsletters, posters, flyers, and briefing sessions held throughout the community. SJHA will also continue to work with local community action agencies and schools to circulate flyers with their program mailings. As of November 2004 the Section 8 HCV Program was at 100% lease-up with a waiting list of 450 people. As of November 2004, the Public Housing Program was at 77% lease-up. SJHA chooses the above strategy in order to assist as many families as possible with the available funds.
