[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.

Despite the lack of new funds available to increase our Section 8 slots over the past five years, the Monmouth County PHA has expanded our number of subsidized slots by partnering with other PHA's as well as private non-profit Social Service Agencies. In 2004, the Freehold Boro Section 8 program transferred their 20 Section 8 slots to Monmouth County, effectively expanding our available units by 20. In 2003, The Monmouth County PHA successfully partnered with mental health providers to secure funds for the "Homeward Bound" program. This program will provide subsidies to approximately 40 homeless individuals/families with the dual diagnosis of mental illness and chemical abuse. In 2004, the Monmouth County PHA successfully partnered with social services agencies to provide for: (a) 25 project – based units at Center House and (b) 7 subsidized units for Manna House graduates who have a history of drug abuse.

Since 2001, the Monmouth County PHA has successfully renewed annual funding for the Shelter + Care "Housing with Dignity Program" which provides rental assistance to homeless individuals/families with AIDS. In addition, Monmouth County successfully partnered with Woodbridge Township for the transfer HOPWA funds from Dover Township to Woodbridge. These slots provide subsidy funding for approximately 70 individuals with HIV/AIDS. Over the past 5 years, our program has also successfully renewed HOME funds through the Monmouth County Community Development office. These HOME funds provide rental assistance for approximately 60 individuals/families.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

The Monmouth County Public Housing Agency adopts the following definition of standard deviation for Section 8 rental Assistance Programs.

- a. Substantial Deviation from the 5-Year Plan A substantianal (over 25%) funding cut, combined with major changes in program regulations, which requires the Monmouth County PHA to change the goals and objectives of the Rental Assistance Program.
- b. Significant Amendment or Modification to the Annual Plan
 Loss of over 25% of program funding, which would require substantial
 program adjustments in the administration of the Rental Assistance Program
