### **Section 8 Homeownership Program Capacity Statement**

It is the HACLC's intent to proceed with the development of a Section 8 Homeownership program for this fiscal year beginning July 2005.

The Housing Authority of the City of Las Cruces (HACLC) is successful on administrating the (5)h Homeownership program and has the capacity to develop and administer a Section 8 Homeownership Program. The HACLC has the expertise and the commitment to make this program a success, refer below:

Presently the HACLC has the staff and the experience to proceed with the Section 8 Homeownership Plan. The HACLC managers that will be working directly with this program have an average of 18 years of HUD related experience. The HACLC is presently administering its successful HOME Choice Program, which is a 5(h) Homeownership Program. Home sale proceeds have been used for: seed money to rehab a 24-unit complex and build 24 elderly apartments; to gap finance a new 84-unit apartment complex; down payment towards the purchase of a 20 unit apartment complex; the purchase of a home that was foreclosed and sold by HUD; and the purchase of vacant property adjacent to the HACLC administrative office.

The HOME Partnership Investments Program Funds will be used by New Mexico Mortgage Finance Authority (MFA) of Albuquerque, New Mexico to provide low-interest loans and down payment assistance to our potential homebuyers. The MFA's mission is to help on providing affordable homeownership. Other agencies working with the HACLC to make the plan possible are several local banks, Las Cruces Affordable Housing, Inc., which provide home buyers education; local title companies, and the Las Cruces City government, which provide down payment assistance funds.

Based upon the HACLC's experience on administrating the 5(h) Homeownership Program and the attendance of S8 Homeownership training the HACLC is confident it has the ability to develop and administer a successful Section 8 Homeownership Program.

### **DECONCENTRATION AND INCOME MIXING**

#### ***DECONCENTRATION POLICY***

It is Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

#### ***DECONCENTRATION INCENTIVES***

The Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

#### ***OFFER OF A UNIT***

When the Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income-targeting goal.

The Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given three (3) business days from the date the letter was mailed to contact the Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have twenty-four (24) hours to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Housing Authority will send the family a letter documenting the offer and the rejection.

### ***REJECTION OF UNIT***

If in making the offer to the family the Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.
