B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

1.2 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Little Falls Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Little Falls Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Little Falls Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

or be otherwise subjected to discrimination under the Little Falls Housing Authority housing programs.

Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Little Falls Housing Authority office. In addition, all appropriate written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Little Falls Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family copies of the housing discrimination form. F. Suitability for tenancy

The Little Falls Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Little Falls Housing Authority will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the Little Falls Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National

Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Little Falls Housing Authority. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Little Falls Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred.

The Little Falls Housing Authority will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Little Falls Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Little Falls Housing Authority will provide to the owner the name, address, and phone number of the applicant's current landlord and any previous landlords that are known to the housing authority.

In addition, if an owner submits a request to the Little Falls Housing Authority for criminal records concerning an adult member of an applicant or resident household, signed consent forms, and the owner's standards for prohibiting admission, the Little Falls Housing Authority must request the criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the Housing Authority. If the Little Falls Housing Authority receives criminal conviction records requested by an owner, the Little Falls Housing Authority must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner's criteria. The Little Falls Housing Authority must notify the owner whether the Housing Authority has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner, but merely the fact of whether or not they comply with HUD regulations and the owner's criteria.

The same service shall be available to owners of federally assisted housing in their attempt to determine if an applicant is on the state sex offender list upon the

request of the owner. Once again, the information itself will not be disclosed to the owner; the Little Falls Housing Authority will merely apply the criteria the owner establishes.

- b. Yes No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?
- c. Yes No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?
- d. Yes No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)
- e. Indicate what kinds of information you share with prospective landlords? (select all that apply)
- Criminal or drug-related activity
- Other (describe below)

The following is an extract from our adopted Administrative Plan.

F. Suitability for tenancy

The Little Falls Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Little Falls Housing Authority will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the Little Falls Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Little Falls Housing Authority. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Little Falls Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred.

The Little Falls Housing Authority will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Little Falls Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Little Falls Housing Authority will provide to the owner the name, address, and phone number of the applicant's current landlord and any previous landlords that are known to the housing authority.

In addition, if an owner submits a request to the Little Falls Housing Authority for criminal records concerning an adult member of an applicant or resident household, signed consent forms, and the owner's standards for prohibiting admission, the Little Falls Housing Authority must request the criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the Housing Authority. If the Little Falls Housing Authority receives criminal conviction records requested by an owner, the Little Falls Housing Authority must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner's criteria. The Little Falls Housing Authority must notify the owner whether the Housing Authority has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner, but merely the fact of whether or not they comply with HUD regulations and the owner's criteria.

The same service shall be available to owners of federally assisted housing in their attempt to determine if an applicant is on the state sex offender list upon the request of the owner. Once again, the information itself will not be disclosed to the owner; the Little Falls Housing Authority will merely apply the criteria the owner establishes.

(2) Waiting List Organization

a. With which of the following program waiting lists is the section 8 tenant-based assistance waiting list merged? (select all that apply)

- None
- Federal public housing
- Federal moderate rehabilitation
- Federal project-based certificate program
- Other federal or local program (list below)

b. Where may interested persons apply for admission to section 8 tenant-based assistance?
(select all that apply)

 Other (list below)

(3) Search Time

a. Yes No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below:

The following extract from our adopted Section 8 Administrative Plan describes our policy pertaining to search time.

6.4 TERM OF THE HOUSING CHOICE VOUCHER

The initial term of the voucher will be 60 calendar days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 calendar days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 calendar days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, it will grant the additional search time.

Upon submittal of a completed request for approval of tenancy form, the Little Falls Housing Authority will suspend the term of the housing choice voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 calendar days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

If a family's voucher expires, the family is no longer eligible for housing assistance. They are free to re-apply to the Housing Choice Voucher program and start over again at the bottom of the waiting list. If the waiting list is closed, they must wait until the Little Falls Housing Authority is once again accepting applicants for the Section 8 program. They will be treated exactly like all other new applicants for the program.

GOAL: MANAGE THE LITTLE FALLS HOUSING AUTHORITY'S TENANT-BASED ASSISTANCE PROGRAM IN AN EFFICIENT AND EFFECTIVE MANNER.	
Objective	Progress
1. HUD shall recognize the Little Falls Housing Authority as a standard performer under SEMAP for our fiscal year ending June 30, 2001.	We were designated a standard performer for the fiscal year ended June 30, 2001. This objective has been accomplished.
2. HUD shall recognize the Little Falls Housing Authority as a high performer under SEMAP for our fiscal year ending June 30, 2002.	We were designated a high performer for the fiscal year ended June 30, 2002 with a score of 96. This objective has been accomplished.
3. HUD shall recognize the Little Falls Housing Authority as a high performer under SEMAP for our fiscal year ending June 30, 2003.	We were designated a high performer for the fiscal year ended June 30, 2003 with a perfect score of 100. This objective has been accomplished.

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. - b. Significant Amendment or Modification to the Annual Plan

The following definition has been formally adopted by the Board of Commissioners.

(3) PHA Statement of Consistency with the Consolidated Plan

[24 CFR Part 903.15]

Consolidated Plan jurisdiction: (State of New York)

a. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply):

- The PHA has based its statement of needs of families on its waiting list on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

We are continuing to market our Section 8 program to make families and elderly/disabled persons aware of the availability of decent, safe, sanitary, and affordable housing in the City of Little Falls and Little Falls County, New York.

- Other: (list below)

b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The New York State Consolidated Plan establishes three strategic objectives that are of equal importance and form the basis of New York State's strategy:

1. Preserve and increase the supply of decent, safe and affordable housing available to all low and moderate income households, and help identify and develop available resources to assist in the development of housing.

While not specifically targeting funds in the Consolidated Plan for such programs, New York State believes it has a vested interest in the federal government's commitment to continue to provide resources for the operations, maintenance and preservation of Section 8 and public housing. The Consolidate Plan states: "The preservation of this irreplaceable low-income housing asset should remain a federal priority. Specifically, the federal government should maintain its commitment to rental assistance, preservation of housing eligible for mortgage prepayment and funding for operations, repairs, maintenance and modernization of public housing."

2. Improve the ability of low and moderate income New Yorkers to access rental and home-ownership opportunities.

The Consolidate Plan includes the provision of rental assistance where possible and also to providing home-ownership opportunities to low-income and minority households. State housing agencies are encouraged to apply for Section 8 program funding.

3. Address the shelter, housing, and service needs of the homeless poor and others with special needs.

Among the programs to be utilized, are the various Section 8 programs.

The Consolidated Plan addresses Public Housing Resident Initiatives. The Plan states that “the State of New York does not directly own or administer Federal public housing. Therefore the requirements of this section of the Consolidated Plan do not apply to the State of New York.”

“The State does have a State public housing program as noted in the Needs Assessment. Tenant participation in the management of housing authorities is not only encouraged in this State, but mandated in New York’s Public Housing Law, which provides that authorities having a population under one million be composed of up to seven members, including two tenants elected by public housing residents. The underlying philosophy has been to ensure that tenants’ needs and concerns are effectively communicated to the governing body of the authority and, when necessary, to DHCR, as the supervising State agency.”

In summary, the New York State Consolidated Plan strategies are consistent with and support the goals and objectives of the Little Falls Housing Authority.
