**9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

**A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000- 2004.* Statement below: Benson Housing Authority's mission was to promote adequate, & affordable housing, economic opportunity and a suitable living environment free from discrimination. Benson Housing Authority has met that mission. There has been no discrimination against anyone and we have provided suitable living, adequate and affordable housing for all our tenants based on income. We will continue to operate in this manner.

Benson Housing Authority has worked extremely hard to reduce vacancies. It has been quite an endeavor

while at the same time reducing the drug and criminal activity within our sites. Again due to the extreme measures in controlling drug and criminal activity Benson Housing Authority improved the Management Scores (PHAS). We have worked hard on customer satisfaction, however, we have had some residents not very satisfied due to activities going on in and around their apartments and stringent measures were taking in order to control the problems caused by residents as well as their guest and family members. We have found you cannot satisfy everyone if the Authority follows the rules and regulations and residents feel they are exempt from following the rules and regulations of public housing.

Benson Housing Authority has worked extremely hard to complete our goals in renovations and modernizations to the public housing units. We encountered some set backs due to the former Executive Director, and Chairperson misappropriated funds and all CIAP and CFP funds were frozen and the work was stopped for a long period of time. Funds were re-captured due to failure to expend in a timely manner, but Benson Housing Authority was unable to expend the funds due to the fact they were frozen. We were under the TARC at the time and TARC failed to get an approval from HUD Headquarters to get an extension of time to expend the funds.

Regardless of the loss, Benson Housing Authority worked hard and was very cost effective in order to complete the renovation and modernization of units that were scheduled to be completed. We did complete the work and used the funding that was available without going into our reserves.

Benson Housing Authority implemented our public housing units by advertising in local papers and placing fliers in local grocery stores , restaurants, Social Service Departments, as well as Triad Health facility advising families that we were open to assist them in their housing needs.
