[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

Executive Summary

Tuscarawas Metropolitan Housing Authority serves the Tuscarawas Co. area, located in the northeast central section of Ohio. The area is semi-rural, with no large urban areas. Population is approximately 91,000, according to the 2000 census. This housing authority administrates a Section 8 Housing Choice Voucher program; this PHA has no public housing.

At drafting of this Plan, TMHA is assisting the maximum number of families allowable under the current budget-based funding formula used by Housing and Urban Development (HUD). TMHA will attempt to lease up to the HA baseline of 574 families if funding allows, but will not be able to increase lease-up numbers unless HUD approves new funding, and that is unlikely given the current federal policy to cut back domestic spending.

TMHA's waiting list for assistance is open, and has doubled in size and length of wait in 2004. There are 618 families on the waiting list at writing of this draft. With no funding increases on the horizon, TMHA can only serve people off the waiting list when those receiving assistance leave the program thereby making funding available for another family.

Families with children comprise 43% of currently assisted families. Fifty-one percent (51%) of assisted families are elderly and/or disabled, meaning that either the head or spouse in the family is elderly and/or disabled. During the last year, TMHA continued to administrate 30 Mainstream vouchers specifically targeted to disabled families. TMHA intends to seek more funding for disabled families should it become available.

TMHA values and promotes collaboration with other area agencies serving families, such as Job & Family Services and Community Mental Health Care. Administrative personnel for the TMHA actively participate in the Tuscarawas Co. Family & Children First Council, which strives to eliminate barriers that exist between individual agencies in order to accomplish the goal of

seamless service for families in need. TMHA is also a member of the Tuscarawas Co. HOME Network a group of organizations and individuals formed to increase affordable housing options for low-income families, and increase the number of handicapped assessable foster collaboration and to seek funding to reduce homelessness.

TMHA is committed to the dream of self sufficiency and ultimately, homeownership for our clients. We will pursue this dream by continuing to administer the Family Self Sufficiency program, as long as HUD policy, regulation, and funding allow continuation. On this program, clients can escrow savings if they remain employed. Currently, 60% of TMHA FSS clients have an active escrow savings account. In 2004, two TMHA Family Self Sufficiency participants became homeowners. They were able to apply their FSS Escrow savings accounts to a home downpayment.

In 2004, TMHA launched the Section 8 Homeownership program whereby the participant family uses the housing voucher to purchase a home, rather than renting. TMHA is collaborating with Neighborhood Development Services of Ravenna to implement the program. NDS has experience to apply to the education and financing aspects of the Homeownership Program.

In 2002, the Board of Commissioners of TMHA laid the groundwork for the establishment of a nonprofit entity, Tuscarawas Affordable Housing Services Corp. The mission of TAHS Corp. is to provide housing services and education to low income families. It is the intent of the Board of Commissioners of TMHA that the non-profit should pursue its own goals, though collaboration between the two entities occurs and is desired.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004)

In 1999, Tuscarawas Metropolitan Housing Authority wrote a 5-year Agency Plan for the years 2000-2004. This 5-year plan contained a mission statement (included in the 5-Year Plan section of this template) and the following goals:

- **Increase the availability of decent, safe, and affordable housing by 3/31/2004,**
- **Improve the quality of assisted housing by 3/31/2004,**
- **Increase assisted housing choices by 3/31/2004,**
- **Promote self-sufficiency and asset development of families and individuals by 3/31/2004,**
- **Ensure equal opportunity in housing for TMHA clientele by 3/31/2004,**
- **Enhance the public image of TMHA and emphasize the value of TMHA to the community by 3/31/2004,**

- **Manage TMHA in an efficient and effective manner in every fiscal year through 3/31/2004.**

TMHA has made progress in meeting these goals during the past year, as more specifically outlined in this Annual Plan report. The HA is assessing how to serve the maximum number of families allowable under the current funding scenario. TMHA has continued to interpret and implement the ongoing and changing HUD regulation affecting the Section 8 Housing Choice Voucher Program including implementation of the Lead-Based Paint Rule affecting Federally-assisted housing. TMHA continues to look for ways to feasibly increase public awareness and understanding of housing authority programs. Since progress implies a continuum, this HA will continue to look for ways to improve operations, and acknowledges that there is always room to implement needed changes. The ultimate goal is assist every family seeking assistance with affordable, safe housing, and to improve the quality of life for that family, including building family assets.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan **“Substantial Deviation” means that the actions and responses of the housing authority do not match the actions and responses stated in the PHA Plan because the HA has voluntarily added, deleted, or amended its internal policies. This definition precludes deviations that result because of required change(s) to HUD regulation in regard to the Section 8 program operations.**

b. Significant Amendment or Modification to the Annual Plan **“Significant Amendment or Modification” means that the actions and responses of the housing authority show a notable variation to actions/responses stated in the Plan for any reason, and where noting the amendment or modification will help the reader understand a change that has occurred from the prior submitted Plan.**
