## **9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

### **A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)*

The Lancaster County Housing Authority established five goals in its FY 2000-2004 Five Year Plan:

#### 1. Expand the Supply of Assisted Housing

The Housing Authority did apply for Mainstream vouchers when available in 2000 and 2001. However, the Authority was not selected in any of the lotteries to receive additional vouchers.

The Authority applied for 50 vouchers in 2000 and 40 vouchers in 2001 through the Fair Share Allocation of Incremental Voucher Funding competition.

The Housing Authority provided letters of support to local non-profit housing developers submitting applications to the Pennsylvania Housing Finance Agency for Low Income Housing Tax Credit projects in 2000 through 2004. The Housing Authority completed Housing Needs Assessment forms required by PHFA in 2003 and 2004 for projects requesting Low Income Housing Tax Credits. With the Housing Authority's support funding was secured for 23 new family units in East Donegal Township; 40 new elderly units were constructed in Mountville Borough; 60 family units were completed in New Holland; 104 family units were substantially rehabilitated and preserved as affordable for another 30 year period; 29 family townhouse units have been approved for Manheim Township; 70 family units have been approved for Manor Township; 24 new elderly units were constructed in East Hempfield Township; and 8 permanent housing units were developed for homeless persons with mental illness in East Lampeter Township.

#### 2. Improve the Quality of Assisted Housing

The Housing Authority established a goal of raising its SEMAP score over the five year period to 90 or higher. In FY 2002 and FY 2003 the Housing Authority obtained a SEMAP score of 100.

The Housing Authority also began issuing a Landlord Newsletter to keep Landlord's informed of current regulations, housing quality standards issues and lead-based paint issues. The Authority also held a seminar for landlords on lead-based paint requirements in 2000.

#### 3. Increase Assisted Housing Choices

The Housing Authority established a Section 8 Homeownership Program in 2001-2002. To date the Authority has had three settlements. Approximately thirteen of the Authority's Family Self-Sufficiency

Clients are working towards their goal of participating in the Section 8 Homeownership Program.

The Housing Authority entered into a formal agreement with Tabor Community Services, Inc., a HUD-approved housing counseling agency in Lancaster County, to provide housing search assistance for Voucher holders having difficulty locating a suitable apartment. Tabor has also been engaged to provide ongoing counseling with the tenant and act as a liaison with the landlord, particularly if the tenant had a bad credit history.

#### 4. Promote Self-Sufficiency and Asset Development of Families and Individuals

The Authority's Section 8 Homeownership Program is designed to enable families receiving assistance to build equity in their home. The Authority's Family Self-Sufficiency Program is subcontracted to Tabor Community Services, Inc. Tabor combines the FSS services with their Family Savings Account Program and Credit Counseling Program to provide a full range of credit and asset building counseling services for our families participating in the Family Self-Sufficiency Program

#### 5. Ensure Equal Opportunity and Affirmatively Further Fair Housing Objectives

The Authority continues to partner with the Lancaster County Fair Housing Program to ensure access to housing is provided regardless of race, ethnicity, religion, color, sex, familial status or disability. In cooperation with the Redevelopment Authority, the Housing Authority works to ensure that a specific number of units in each Redevelopment Authority financed project are available to persons with disabilities and to extremely and very low income households through financing conditions. The Housing Authority also has a representative on the County Planning Commissions Growth Management Plan Task Force and Housing Plan Task Force to ensure that affordable and accessible housing are given appropriate consideration, as well as the availability of housing choice.

24 CFR Part 903.7(r)

#### a. Substantial Deviation from the 5-Year Plan

Elimination of Established Goal or a revision to Goals and Objectives that would alter the original intent of the original Goals and Objectives.

#### b. Significant Amendment or Modification to the Annual Plan

Same as above related to goals and objectives. All changes to the Authority's Annual Plan will be subject to an opportunity for public comment at the Housing Authority's regularly scheduled Board meetings. Formal public hearings will be held if the Authority intends to eliminate a program or existing policy. Any Administrative Plan or Annual Plan policy change which would affect the ability of a family or individual to apply for rental assistance, establish a new preference or eliminate an existing preference or participate in the Section 8 Homeownership Program will be subject to a public hearing.
