### **Executive Summary (optional)**

[903.7(r)].

For the Town of Coventry Housing Authority, the year 2003 marked its 40<sup>th</sup> anniversary of providing affordable housing opportunities to this community. Our first public housing development opened its doors in 1968 and today, through appropriate modernization planning and rehabilitation work, this development along with the Housing Authority's additional 120 public housing units remain 100% occupied with an on-going wait list for families in need of assistance. Coventry Housing Authority also services 278 families through its administration of the Department of Housing & Urban Development Housing Choice Voucher Program providing rental subsidies to income eligible families.

Coventry Housing Authority is extraordinarily proud of its continuous designation as a HUD High Performer in each of these programs during its annual assessment by HUD of the managerial and the fiduciary responsibilities of the federal dollars appropriated to this Agency.

We now face uncertain times.....2003 began with the Department of Housing & Urban Development providing only 70% of our eligible operating fund dollars forcing this Agency, as well as agencies throughout the country, to be more creative and entrepreneurial in order to help meet the demand for affordable housing with decreased funding. Coventry Housing Authority is now facing cuts to the Housing Choice Voucher program which administers 278 rental subsidies to eligible families. This reduced funding will significantly decrease the services we provide to our clients and may also decrease the number of families served through this program. Coventry Housing Authority strives to improve the lives of those we serve through the establishment of comprehensive programs and partnerships. We look for resources to break down the barriers our clients may face in order to seek sufficiency and we offer a critical support to families who will not have to choose on affording the basic needs of their families in order to live independently.

Coventry Housing Authority can expect even more significant challenges in the month's ahead while Congress attempts to balance a budget, as the federal deficit continues to climb. We will once again confront budgetary concerns; however, we will work together to seek resourceful answers to support our housing programs and the funding necessary to do so.
