A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 20004

The Housing Authority of Fort Mill has been successful in meeting the goals and objectives as outlined in the original five year plan submission.

PHA Goal No. 1 was to maintain the existing public housing program in an efficient and effective manner and retain it's status as a high performing housing Authority. This was accomplished each year with the Housing Authority receiving a score of 96 or higher for each of the years represented by the five year plan.

PHA Goal No. 2 is to provide decent safe and sanitary environment in all communities of the Authority. This was accomplished by continuing the cooperation and partnership with the Town of Fort Mill's police department by allowing off duty officers to provide security services to the Authority during their off hours. Residents feel safe, (as safe as they can feel anywhere in today's world). Properties have been and continue to be modernized to bring them up to date and the units can easily be in competition to the private market.

PHA Goal No. 3 was to provide programs/services to enhance the life of the residents. This has been accomplished by offering to the residents various services such as Adult

Literacy, after school tutoring for kids, HIV/AIDS training workshop, Homebuyers classes, etc. The after school tutoring classes have ended, due to lack of participation in the program. The Authority continues its partnership with various agencies to provide services and programs for the residents.

PHA Goal No. 4. was to continue the Section 8 housing choice voucher program in an efficient and effective manner. This was accomplished each year as the Authority was recognized as a high performing agency.

Over all the Housing Authority of Fort Mill has achieved all the goals set out in it's five year plan and continues to strive to achieved higher standards each year.
