[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period.)

1. **Goal – Expand the supply of assisted housing** – The Lewisburg Housing Authority continues to reduce public housing vacancies and unit turn-around time. The LHA continues to research the feasibility of acquiring additional multi-family and single-family units in proximity to the existing LHA developments.
2. **Goal – Improve the quality of assisted housing** - The LHA is making extra efforts to keep residents better informed of PHA policy and programs through frequent notices and meetings related tot the Agency Plan process.

The LHA is continually upgrading its public housing units. With the inception of the Capital Fund Program, we are now able to better plan and implement improvements.

3. **Goal – Increase assisted housing choices** – The LHA continues to make local referrals to encourage resident homeownership opportunities. The LHA also is working towards the development/implementation of a public housing homeownership program.

- 4. Goal – Provide an improved living environment** – The LHA will continue to promote the deconcentration of poverty or income mixing. The LHA promotes income mixing as evidenced by the most recent income analysis for PHA developments.

The LHA will continue to coordinate drug and crime prevention efforts with the local law enforcement officials. Police provide on-going crime data to the LHA for analysis and action. The LHA targets at-risk youth and adults in the various on-going activities conducted in the LHA community building. These efforts have had a positive influence on the residents, and are helping to assure the safety of the public housing residents.

- 5. Goal – Promote self-sufficiency and asset development of assisted households** – Under the recently revised ACOP, we plan to give preference to working families to help increase the number of employed persons in assisted living. The LHA also promotes adult education and GED classes.

- 6. Goal – Ensure equal opportunity and affirmatively further fair housing** – The LHA continues to operate its public housing program to ensure equal access to all regardless of race, color, religion, national origin, sex, familial status and disability. Our inspections, maintenance and modernization programs are spread equally among all of our developments.
