[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2004 - 2008.)

The mission of the Housing Authority continues to be to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The Dickson Housing Authority continues to have a goal of increasing the supply of assisted housing by applying for additional vouchers when they become available. Outreach efforts are made to reach potential voucher landlords should more vouchers be secured.

The PHA has responded to the Resident Services and Satisfaction Survey identifying their approach to increase customer satisfaction within the developments. Renovation and modernization of the units of conventional public housing has been done and will continue to be done as outlined in the 2005 Capital Fund Program and Five Year Action Plan.

Efforts to improve the management functions are included in the amendments to the ACOP and Lease.

The ACOP has been amended to allow police officers to reside in the developments in an attempt to increase security.

The Housing Authority has included a preference for working families in an attempt to increase the number of working families living in its developments. In addition, they have adopted flat rents for the same reason.

The PHA continues to uphold all of their objectives to ensure equal opportunity and fair housing, which is evident by the racial composition of its tenants in relation to the surrounding county.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

The Dickson Housing Authority will consider a “Substantial Deviation” to be a change in the Mission, Goals, and Objectives of the PHA Plans that is duly determined by the Board of Commissioners and the Resident Advisory Board to be a deviation from the latest approved PHA Plans. If the Board of Commissioners and the Resident Advisory Board consider the change(s) in the Mission, Goals, and Objectives to be substantial, in their determination the Plans will be submitted to HUD for review and approval.

b. Significant Amendment or Modification to the Annual Plan

In addition, if there is a change in funding of greater than 20 percent of the Operating Budget and/or the Capital Fund amount, this will be considered an amendment/modification to the Plans, except for emergencies that are beyond the control of the PHA. If the item/activity is included in the 5-year Capital Improvement Program, it will not be considered a significant change although the cost may exceed the 20 percent threshold, therefore, not requiring HUD review and approval.
