*The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.*

*Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. These important documents cover the public housing tenant selection and assignment plan, outreach services, PHA's responsibility to Section 8 owners/landlords, grievance procedures, etc.*

*The most important challenges to be met by the Plano Housing Authority during FY 2005 include:*

- *Identification of management needs to enable PHA staff to prepare for major upcoming changes in the Operating Fund rule. (i.e. Project-Based Accounting, Asset Management, Cost Allocation Planning, and software upgrades.)*
- *Preservation and improvement of the public housing stock through the Capital Funds Program.*
- *Involvement of public housing residents and Section 8 participants, through the Annual PHA Plan Resident Advisory Board.*

## **9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

### **A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 -2004.)*

**Progress Statement:** *Plano Housing Authority continues to meet its adopted mission statement. Also, the Plano Housing Authority completed a reorganization of internal structure of the Housing Authority in 2004. This reorganization has had a direct impact in our ability to serve the needs of families in PHA's jurisdiction.*

*PHA created a Real Estate Services Department in June 2004 whose focus has been to ensure equal opportunity in housing with a particular emphasis on homeownership. In 2004, the PHA assisted 17 Section 8 participants to become homeowners for a total of 27 homeowners to date. The PHA also built and sold two homes to Humanity to build four homes for former Section 8 and/or public housing participants. The Homeownership program at PHA has been successful due to staff training in the real estate field and the willingness of PHA to actively promote diversity in Homeownership. PHA has developed an intensive pre purchase counseling program for prospective homeowners that include credit/budget counseling and homebuyer's education which includes negotiating skills, working with realtors, and other classes that allow homebuyers to become informed consumers that cannot be taken advantage of. PHA is unique in that lenders, realtors, and other vendors who wish to work with our homeowners are also offered extensive training in working successfully with the Section 8 program. The homeownership program promotes choice and brings together prospective homeowners and real estate professionals together in quarterly homeownership fairs. Homeowners under the Section 8 program are required to complete 10 hours of post purchase counseling for two years, although PHA will continue to provide educational workshops in conjunction with Resident Council and the Family Self-Sufficiency Program.*

*PHA's commitment to promoting self sufficiency and independence for residents is evident in the Family Self Sufficiency program. Families who have signed contracts of participation enjoy quarterly support/motivation meetings, extensive case management services, tuition and book scholarships, auto repair discounts, and a number of classes taught by community volunteers catering to the needs of Family Self Sufficiency*

*participants. In 2004, seven FSS participants have started their own businesses. The majority of FSS participants have earned escrow in the past year. The Program Coordinating Committee (PCC) has also identified funding and marketing as the continued focus for the Family Self Sufficiency program.*

*The Section 8 program and public housing program at Plano Housing Authority continues to be a high performer. PHA has taken steps to insure program viability with the decrease in federal funding. Some of the steps taken include actively pursuing fraud to maintain the integrity of the program, an increase in landlord and tenant education, decrease of the payment standard, increase of minimum rent and continued staff training. PHA will continue its commitment to increasing opportunities to housing programs and exceeding customer expectations.*
