9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

a. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

The PHA continues to follow the Mission Statement of the 2000-2004

Five-year Plan. We continue to work with local property managers and owners to give incentives to rent to lower income families. We held monthly meetings in conjunction with the area Association of Apartment Managers and Owners. We supplied workshops on Crime-Free Properties with the local Police Force, Gang Task Force and Drug Task Force to help managers and owners deal with area and property crime. We had Lawyers and Legal Services give presentations on tenant and landlord rights, as well as eviction procedures.

Goal One: We have continued to be a High Performance Agency with both our PHAS and SEMAP Scores in the past five-years.

Goal Two: We have applied for all available NOFA's for Special Purpose Vouchers (but were unsuccessful in our attempts)

We continue to work with the City of St. George on the Affordable Housing Committee to provide fee waivers for Contractors of affordable apartment complex's.

Our Director has been the Vice-Chairperson for the Color Country Housing non-profit organization who is an affordable housing provider.

In the past five years the agency also signed an inter-local agreement with the Washington County Commission to be able to offer Voucher assistance throughout the County area.

Goal Three: The PHA has worked in partnership with the Dept. Of Work Force Services, Mental Health Agencies, Agencies who deal specifically with the Disabled to open employment and training avenues for PHA clients. 70% (56) of our Welfare-to-Work participants are now employed.

The only Deviation our agency made from the original Five-Year Plan was that we changed our mind concerning the Voucher Home-ownership Program. Our Board made the decision that the agency did not want to tie-up the few vouchers we have on the Program.
