The Payment Standard is used to calculate the housing assistance payment for a family. In accordance with HUD regulation, and at the PHA's discretion, the Voucher Payment Standard amount is set by the PHA between 90 percent and 110 percent of the HUD published FMR. This is considered the basic range. The PHA reviews the appropriateness of the Payment Standard annually when the FMR is published. In determining whether a change is needed, the PHA will ensure that the Payment Standard i always within the range of 90 percent to 110 percent of the new FMR, unless an exception payment standard has been approved by HUD.
The PHA will establish a single voucher payment standard amount for each FMR area in the PHA jurisdiction. For each FMR area, the PHA will establish payment standard amounts for each "unit size". The PHA may have a higher payment standard within the PHA's jurisdiction if needed to expand housing opportunities outside areas of minority or poverty concentration, as long as the payment standard is within the 90-110% of FMR range.

Chapter 7 Addendum

Chapter 7

TWELVE MONTH LEASE TERM AND COMMUNITY SERVICE REQUIREMENT

ONE YEAR LEASE REQUIREMENT

Section 6(1) of the United States Housing Act of 1937 is amended by Section 512 of QHWRA, which was signed into law October 18, 1998. The amendment now requires that public housing leases have a term of twelve (12) months and shall be automatically renewed for all purposes except for noncompliance with the requirements under section 12(c), relating to community service requirements.

INTRODUCTION

Section 512 of QHWRA - Public Housing Community Service Requirements, impose a requirement on all adult public housing residents, with important exceptions, to participate for at least 8 hours per month in community service or in an economic self-sufficiency program. The PHA may not renew or extend any lease, or provide any new lease, for a dwelling unit in public housing for any household that includes an adult member who was subject to the requirement and failed to comply with this requirement. **Notwithstanding any other provision of law, this requirement is effective 10/01/99.**

REQUIREMENTS

All adult public housing household members shall contribute:

- 1. 8 hours per month of community service (not including political activities) within the community in which that adult resides; or
- Participate in an economic self-sufficiency program for 8 hours per month.

The resident will be responsible for providing management with monthly certification of community service hours in a timely manner in an acceptable format.

TYPES OF COMMUNITY SERVICE

Community Service is defined as any volunteer activity designed to improve the quality of life in the City of Suffolk, Virginia. Such activities may include but are not limited to the following:

- 1. Activities to assist the elderly.
- 2. Activities to assist the youth.
- 3. Activities that demonstrate parental responsibility.
- 4. Participation in community activities.
- 5. Participation in city wide community activities.
- 6. Activities sponsored by SRHA.

EXEMPTIONS

Exemptions are given to any individual who:

- 1. Is 62 years of age or older; or
- 2. Is a blind or disabled individual, as defined in section 216 or 1614 of the Social Security Act, and who is unable to comply with this section, or who is a primary caretaker of such individual, or;
- 3. Who is engaged in a work activity, as defined in section 407(d) of the Social Security Act; or
- 4. Who meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of Title IV of the Social Security Act, or under any other welfare program of the State in which the public housing agency is located, including a State-administrated welfare-to-work program, and has not been found by the State or other administering entity to be in noncompliance with such program.

a. ANNUAL DETERMINATION

The PHA shall review and determine compliance of the resident's household with this requirement 30 days before expiration of each lease term (annually).

B. NONCOMPLIANCE

If the PHA determines that a resident subject to the requirement has not complied with the community service requirement, the PHA may not renew or extend the resident's lease upon expiration of the lease term and shall take action as is necessary to terminate the tenancy of the household. Nothing in the Act shall prevent a resident from seeking timely redress in court for failure to renew based on such noncompliance.

The PHA shall notify the head of household:

- 1. of the noncompliance;
- 2. that the determination of noncompliance is subject to the administrative grievance procedure; and
- that, unless the resident enters into an agreement to remedy the noncompliance, the lease will not be renewed.

C. REMEDY OF THE NONCOMPLIANCE

In order for the resident to remedy the noncompliance, the resident must enter into an agreement before the expiration of the lease term, to complete the community service requirement by contributing as many additional hours as the resident needs to comply in aggregate with such requirement over the 12-month term of the lease.

14. RESERVED FOR PET POLICY

[24 CFR Part 903.7 9 (n)]

INTRODUCTION

PHA's have discretion to decide whether or not to develop policies pertaining to the keeping of pets in public housing units. This Chapter explains the PHA's policies on the keeping of pets and any criteria or standards pertaining to the policy. The rules adopted are reasonably related to the legitimate interest of

this PHA to provide a decent, safe and sanitary loving environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the PHA.

For the purpose of this policy, pets are common, domesticated household pets such as fish, birds and small pets such as hamsters. The following animals are prohibited: <u>all</u> bees, mantis, and so forth, all reptiles, ferrets and their like, and exotic animals such as, monkeys, pigs and so forth.

Residents will comply with the dwelling lease, which requires that no animals or pets, <u>other</u> than fish, birds, small pets such as hamsters are permitted on the premises. This does not apply to animals that are used to assist persons with disabilities. Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

A. MANAGEMENT APPROVAL OF PETS

Types of Pets Allowed

1. <u>Birds: Registration not required</u>

Maximum number: 2

Must be enclosed in a cage at all times.

2. Fish or Turtles: Registration not required

Maximum aquarium size: 10 gallons

3. Hamster or Gerbils ONLY; registration not required

Maximum number: 2

Must be enclosed in an acceptable cage at all times.

Must have any or all inoculations as specified now or in the future by State law or local ordinance.

B. PETS TEMPORARILY ON THE PREMISES

No pets are allowed to visit. This rule excludes visiting pet programs sponsored by the Humane Society or other non-profit organization. If an approved pet gives birth to a litter, the resident must remove all pets, with the exception of the original number allowed, immediately after weaning.

C. PERSONS WITH DISABILITIES

Pet standards will not be applied to animals who assist persons with disabilities. The resident/pet owner will be required to qualify animals (for exclusion from the pet policy) who assist persons with disabilities. Example below. To be excluded from the pet policy, the resident/pet owner must certify:

That there is a person with disabilities in the household;

That the animal has been trained to assist with the specified disability; and

That the animal actually assists the person with the disability.

D. ADDITIONAL FEES AND DEPOSITS FOR PETS

The resident/pet owner shall be required to pay a non refundable deposit of \$25.00 for the purpose of defraying all reasonable costs directly attributable to the presence of a pet, and to cover cost associated with a pet living on any Authority property. The non refundable fee of \$25.00 is due on or prior to the date the pet is properly registered and brought into the apartment. The non refundable pet fee is subject to the same regulations as defined in 55-248.11 of the *Virginia Landlord Tenant Act*.

The PHA reserves the right to change or increase the required deposit by amendment to these rules.

All reasonable expenses incurred by the PHA as the result of damages directly attributable to the presence of the pet will be the responsibility of the resident, including but not limited to:

The cost of cleaning, repairs and replacements to the dwelling unit or common areas frequented by the pet.

Any unit and adjacent areas occupied by a pet may be fumigated and treated when necessary. If the tenant is in occupancy when such costs occur, the tenant shall be billed for such costs as a current maintenance charge as defined in the lease, in excess of the pet fee.

If such expenses occur as the result of a move-out inspection, they will be deducted from the security deposit, in excess of the pet fee. In cases in which a pet fee has not been paid, such expenses will be treated as damage beyond fair wear and tear. The pet fee is non refundable.

E. ALTERATIONS TO UNIT

Residents/pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal.

F. PET RESTRICTIONS

Pet owners must agree to control the pet so that it does not create a nuisance to other residents or interrupt their peaceful enjoyment of their housing unit or premises. This includes, but is not limited to loud or continuous yowling, whining, screeching, scratching, or other such activities.

Pets must be maintained with the resident's unit. When outside of the unit (within the building or on the grounds) pets must be carried and under the control of the resident or other responsible individual at all times. Pets are not allowed to be left outside the unit unattended.

Pets are not permitted in common areas including lobbies, community rooms and laundry areas except for those common areas which are entrances to and exits from the building.

Pets are not permitted to urinate or defecate in public areas.

The PHA shall have the right to have any pet immediately removed from the premises should it create a constant nuisance, be abandoned or inflict bodily harm on another resident, guest or PHA employee, or display a vicious nature.

G. CLEANLINESS REQUIREMENTS

<u>Waste Removal Requirements.</u> All animal waste shall be picked up immediately by the pet owner, disposed of in sealed plastic trash bags, and placed in a trash bin.

H. PET CARE

All residents/pet owners shall be responsible for adequate care, nutrition and medical attention for his/her pet.

Residents/pet owners must recognize that other residents may have chemical sensitivities or allergies related to pets, or may be easily frightened or disoriented by animals. Pet owners must agree to exercise courtesy with respect to other residents.

I. RESPONSIBLE PARTIES

The resident/pet owner will be required to designate two responsible parties for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

J. PET RULE VIOLATIONS

Pet Rule Violation Notice

If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the Pet Policy, written notice will be served.

The Notice will contain a brief statement of the factual basis for the determination and the pet policy/policies which were violated. The notice will also state:

- 1. That the resident/pet owner has five (5) business days from the date of the notice to request an informal grievance hearing to discuss the violation with the manager;
- 2. That the resident/pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

If the pet owner requests a meeting within the 5 business day period, the manager will schedule an informal hearing within seven calendar days of receipt of the request for a grievance.

K. NOTICE FOR PET REMOVAL

If the resident/pet owner and the PHA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the PHA, the PHA may serve notice to remove the pet.

The Notice shall contain:

- 1. a brief statement of the factual basis for the PHA's determination that the Pet Policy has been violated;
- 2. The requirement that the resident/pet owner must remove the pet within 21 days of the notice; and
- 3. a statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

L. TERMINATION OF TENANCY

The PHA may initiate procedures for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet policy violation within the time period specified; and

The pet policy violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

M. PET REMOVAL

If the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the owner unable to care for the pet, (includes pets who are poorly cared for) the situation will be reported to the Responsible Party designated by the resident/pet owner.

Upon the death of any pet the resident/pet owner is responsible for disposing of the remains by placing the pet in a sealable, plastic bag and depositing the animal in a dumpster.

N. EMERGENCIES

The PHA will take all necessary steps to insure that pets which become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

PHMO Resident Councils and Managers Meeting Minutes January 24, 2005 10:00 a.m.

Opened by: Sybil Young, PHMO Director

Judi Hickey, Delisha Lamb, Michelle Layne, Carrie Mitchell, Stephanie Attendees:

Kecia Reed, Geraldine Diggs Boone,

Resident Council: Barbara Ricks -Chorey, Brenda Woodley - CBM, Marshie Reid -

Chorey,

Guest: Tom Cramer, Facilities Management Director

Absent: Geraldine Diggs

Topic: **Annual Plan**

Ms Young opened the meeting explaining that the purpose of this meeting was to present the Annual Plan to the Resident councils for review and comments. She stated that copies of the Annual Plan would be in the lobby and notices would be in the newspapers for public viewing. The resident council members were given copies of last year's Plan to peruse as the new Plan was not available. She then turned the meeting over to Tom Cramer to explain about the Capital funds Program plans.

Mr. Cramer stated that the stated that the Capital funds Program was funds to be used for big projects in the communities and that we are currently working on 3 years of funds in the program. He proceeded to go over the Plan as follows:

2002-- CBM - Kitchens, mini blinds and half of the siding

Cypress - windows, mini blinds and to do tub enclosures and bathroom upgrades

Parker - new roofs (had only done repairs previously)
Hoffler - tub enclosures and flooring (the ones in really bad shape)

Chorey - elevator upgrade (telephone & sliding doors. A new awning had been installed and the exterior is currently being worked on.

Ms. Reid asked about the box at Chorey because they cannot answer when someone comes to see them. Ms. Young asked Ms. Hickey to check with Omni Communications to see if it had been repaired. (Note: Mr. Cramer has all of the files on OMNI)

2003- CBM - no work scheduled

Cypress - no work scheduled

Parker - finish the mini blinds, bathroom & tub enclosures and flooring

Hoffler - no work scheduled Chorey - now work scheduled

2004-CBM - no work scheduled. Ms Layne inquired about the locks on the window. Mr. Cramer said that his maintenance people had repaired some of them but to get all of them fixed would mean probably having to go to court with the contractor. He was unsure what steps were going to be taken.

Cypress - Flooring. Ms. Reed inquired as to why not do all bathrooms (etc.) in one community. Mr. Cramer said it would be too much money for one item.

The Resident Council members said that the residents of Chorey want their apartments painted. Mr. Cramer said it is in the Annual Plan for 2008. Cabinets have been in the Plan; we just have to have the money. He went on to explain that he has to be concerned with the structural soundness of the buildings

Ms. Reed stated that the managers want follow-up on what is going to be done after this initial meeting Mr. Cramer replied that bathrooms and flooring are on-going and CBM's siding will be finished hopefully in the nest few months. Ms. Reed said she meant follow-up with the

residents. Mr. Cramer said he would be glad to come to any meeting they were having if they would just let him know. It was agreed upon.

Ms. Woodley inquired about the carpeting at Hoffler. Mr. Cramer stated that it was a problem keeping it up and replacing it. He said it had been decided not to put any more carpet in the communities. Ms. Woodley mentioned the tile that was being used to replace broken tiles or new flooring as being white and the residents wanted something darker that is easier to take care of. White causes too much cleaning, especially at Chorey where the elderly have to work so hard to keep it clean. Mr. Cramer explained about not being able to match the tiles as they were so old but conceded that replacing with a darker shade might be feasible. He stated that the bathrooms that were going to be re-done would have heavy duty linoleum installed and tile would not be used. This includes the kitchens too.

2005-All sites will have replacement interior doors and landscaping

CBM - screen doors don't shut properly and the knobs pull off, closet doors, replace

gaskets around the doors. Mr. Cramer said these were in the Plan.

Chorey - Scheduled for a new roof (is in this Plan to be done in 2007) for the current 5year Annual Plan. Previously we did a temporary patch that was guaranteed to last for 5 years.

Parker - has no playground. This is to be done this summer and may be able to add a few items to Cypress.

Ms. Layne inquired as to whether there would be any work done in the Community Room at CBM because her office and the community room all run together and her office space needs some work. Mr. Cramer said it has in the Plan but there's no definite date.

Mr. Cramer next spoke about Landscaping saying they had already started at Hoffler trying to stop the erosion with laying timbers around and filling them in. Later they will put in flowers or something. It is planned to do all of the sites. He then asked if there were any more questions. No one asked anything.
