### **1. Statement of Housing Needs** [24 CFR Part 903.12 (b), 903.7(a)]

#### **A. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists**

State the housing needs of the families on the PHA's waiting list/s. **Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

I believe the housing needs of the families on our lists are adequately met. Ninety percent of our housing inventory is designated for the elderly/disabled population and at times that list is non-existent. When we do have a list, we can usually place prospective tenants in one to three months. Our family program runs about the same way with the slight exception being in the two-bedroom category. Most of the time we operate where the supply matches the demand. I do not foresee that changing in the future, but if it does, the supply will be greater than the demand due to new development in our community.

**B. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Merrill Housing Authority does a good job of addressing the housing needs of families as evidenced by the lack of any substantial waiting list and the relative quick placement of applicants. Therefore the strategy to address the need is to continue to market our programs by outreach initiatives and advertisements, and to provide quality housing.
