ii. Executi	ve Summary of the Annual PHA Plan
[24 CFR Part 90	3.7 9 (r)]

The Annual Plan was developed by the Boaz Housing Authority (BHA) in accordance with the Rules and Regulations promulgated by HUD.

The goals and objectives of the BHA are contained in the Five-Year Plan and the ACOP/Section 8 Administrative Plan. These were written to comply with the HUD guidelines, rules, regulations, and Federal Law. The basic goals and objectives are:

- 1. Increase the availability of decent, safe and affordable housing in Boaz, Alabama.
- 2. To insure equal opportunity in housing for all Americans.
- 3. To promote self-sufficiency and asset development of families and Individuals.
- 4. To help improve community quality of life and economic vitality.

This plan was written after consultation with necessary parties and entities as provided in the guidelines issued by HUD. All necessary accompanying documents are attached to the document, or are available upon request.

The PHA plans to make as many affordable housing units, that are suitable for living, and that will meet the economic needs of families, available to as many families as possible in the jurisdiction it serves. We intend to make capital improvements to our existing housing stock with available funds to improve living conditions.

We further plan to improve our vacancies by improving our turn-around time for vacant units, and lease up capability to ensure more families in occupancy.

We plan to follow the deconcentration and income mixing policies, following information taken from the development analysis, to insure a balance of income levels and income mix at each development.

The PHA has set a discretionary minimum rent for public and Section 8 housing, and has adopted a minimum rent hardship policy.

- (1). The family has lost eligibility for, or is awaiting an eligibility determination from a federal, state, or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the immigration and nationalization act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.
- (2). The family would be evicted as a result of the implementation of the minimum rent (this exemption is only applicable for the initial implementation of a minimum rent or increase to the existing minimum rent).
- (3). The income of the family has decreased because of changed circumstance, including loss of employment.
- (4). A death in the family has occurred which affects the family circumstances.
- (5). Other circumstances which may be decided by the HA on a case by case basis. All of the above must be proven by the Resident providing verifiable information in writing to the HA prior to the rent becoming delinquent and before the lease is terminated by the HA.
- B. If a resident requests a hardship exemption (**prior to the rent being delinquent**) under this section, and the HA reasonably determines the hardship to be of a temporary nature, exemption shall not be granted during a ninety day period beginning upon the making of the request for the exemption. A resident may not be evicted during the ninety day period for non-payment of rent. In such a case, if the resident thereafter demonstrates that the financial hardship is of a long term basis, the HA shall retroactively exempt the resident from the applicability of the minimum rent requirement for such ninety day period. This paragraph does not prohibit the HA form taking eviction action for other violations of the lease.

# (1) Public Housing Maintenance and Management: (list below) MAINTENANCE PLAN

All Emergency Work Orders are brought to a satisfactory conclusion in twenty-four hours or less, depending on the severity of the emergency.

Non – emergency work orders are brought to a satisfactory conclusion in seventy-two hours or less, depending on the nature of the needed repairs.

All emergency work orders are time stamped, dated and assigned a chronological number.

All other work orders are dated and assigned a chronological number.

Maintenance personnel are on duty throughout the normal work day, operating from a well-stocked vehicle, answering maintenance requests as they come in. At the close of business hours, an answering machine is activated informing the caller of the name and home phone number of the on-duty maintenance technician. This plan is also effected on weekends and holidays. If the technician needs assistance, there is back-up available. In the event a specific part is needed but is not readily available, the piece of equipment is replaced temporarily with a spare unit and is returned when repaired. This primarily refers to refrigerators, ranges, water heaters, and heaters. Other items, fixtures, glass, doors, locks, etc., are kept in adequate supply in the warehouse.

Wage rates are kept on hand and updated periodically in all appropriate phases of technical needs, i.e., roofers, plumbers, air conditioning/heating, painters, brick masons, etc. These are wage rates form this area from comparable industries and organizations.

The PHA Procurement Policy is followed at all times.

Work items are established form call-ins from complex residents and visual inspection of all housing and maintenance personnel in performance of their daily tasks.

Other work items are generated through periodic inspection of items and grounds, and residences. For example, all smoke alarm systems are checked quarterly for performance and presence. Annual inspection of all residences is carried out using the HUD approved Section 8 forms and method of inspection. Work orders created from this inspection are categorized, prioritized and assigned to the appropriately trained personnel for completion.

All routine work orders and remaining work load are taken into consideration, organized, prioritized, scheduled and assigned to the appropriately trained personnel.

Maintenance employees are trained continually through on-the-job experiences, workshops and seminars. Each employee is situated in the most productive position as it relates to their knowledge, experience and performance. This enables the authority to successfully complete the many varied and different problems as they arise.

#### **DECONCENTRATION POLICY**

#### **JULY 12, 1999**

THE OBJECTIVE OF THE DECONCENTRATION POLICY FOR THIS AUTHORITY IS TO ENSURE THAT FAMILIES ARE HOUSED IN A MANNER THAT WILL PREVENT A CONCENTRATION OF POVERTY FAMILIES AND/OR A CONCENTRATION OF HIGHER INCOME FAMILIES IN ANY ONE DEVELOPMENT.

THIS AUTHORITY WILL HOUSE **NO LESS THAN 40 PERCENT** OF THE HOUSING INVENTORY WITH FAMILIES THAT HAVE INCOME **AT OR BELOW 30% OF THE AREA MEDIAN INCOME FOR THAT DEVELOPMENT.** 

THIS AUTHORITY WILL TAKE ACTIONS TO INSURE THAT NO INDIVIDUAL DEVELOPMENT HAS A CONCENTRATION OF HIGHER INCOME OR VERY-LOW INCOME FAMILIES IN ONE OR MORE OF THE DEVELOPMENTS.

IT WILL BE THE GOAL OF THIS AUTHORITY NOT TO HOUSE MORE THAN 60% OF ITS UNITS IN ANY ONE DEVELOPMENT WITH FAMILIES WHOSE INCOME EXCEEDS 30% OF THE AREA MEDIAN INCOME.

THIS AUTHORITY WILL ESTABLISH A GOAL FOR HOUSING <u>40%</u> OF ITS NEW ADMISSIONS WITH FAMILIES WHOSE INCOMES ARE AT OR BELOW THE AREA MEDIAN INCOME.

TO MEET THE GOALS ESTABLISHED BY THIS AUTHORITY AND THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT, IT MAY BECOME NECESSARY AT TIMES TO SKIP OVER FAMILIES ON THE WAITING LIST, IN ORDER TO MEET THE INCOME REQUIREMENTS. THIS AUTHORITY IS REQUIRED TO AVOID CONCENTRATING VERY LOW INCOME FAMILIES IN THE DEVELOPMENT AND IT COULD BE THE AUTHORITY NEEDS A HIGHER INCOME OR A LOWER INCOME FAMILY AT THE TIME OF A VACANCY.

## STATEMENT OF PROGRESS ON MEETING 5-YEAR PLAN MISSION AND GOALS

The Housing Authorities main objective is to provide decent safe and sanitary housing for low -income families.

Goal #1- Increase customer satisfaction in two areas. Number 1 Communication, Number 2 Safety. The Housing Authorities goal is to increase communications among our residents through a quarterly news letter. The Housing Authority has also increase the level of safety by implementing a neighborhood watch program and extra lighting in area that were deficient.

Goal #2- The Housing Authority is continuing to make great strides in renovating our units. The Housing Authority is concentrating on 5 primary areas. #1 Remodeling inside units, #2 Putting in Central Air & Heat #3 Replacing Roofs, #4 Replacing Sewer lines and #5 Doing general landscaping. These objectives are being met.

#### FOLLOW-UP PLAN FY 2004

#### COMMUNICATIONS

In response to PHAS regulations, the PHA is required to develop a Follow-up Plan as part of its Annual Plan if any of the five areas are less than 75% Tenant Survey .The Housing Authority scored a 71.4.% on Communications, and a 72.5% on Neighborhood Appearance. For the communications issue, the Housing Authority discussed a quarterly newsletter to inform residents of any changes, new policies, improvements, and future events for comments from the residents . The Housing Authority is sponsoring resident meetings and encouraging residents to attend the meetings by offering refreshments and snacks.

This item will continue to be monitored, and monies to publish the quarterly newsletter will come out of the Tenant Services Fund.

The issue with the Neighborhood Appearance, the Housing Authority was under some modernization work which, while going on, made the complexes looked bad in their appearance. Most of that mod work has been completed and appearances have been mostly restored.

## **Significant Amendments and Substantial Deviations**

The Housing Authority of Boaz, Alabama will consider the following actions to be significant amendments and substantial deviations:

Changes to rent or admission policies, organization of the waiting list, additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan), change in the use of replacement reserve funds under Capital Fund, any change with regard to demolition or disposition, designation, homeownership programs or conversion activities. In the course of events that we get a favorable cost structure in completion of the items in the original and/or revision to the CFP budget, then we define the appropriate expense of the unused funds not to be significant amendment or substantial deviation.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements. Such changes will not be considered significant amendments and substantial deviations by HUD.

#### **Attachments**

Use this section to provide any additional attachments referenced in the Plans.

#### **MOA/Recovery Plan**

The Housing Authority has addressed the issue of being classified as a trouble Housing Authority, due to a failing SEMAP grade. The Housing Authority has changed management staff and set up procedures to monitor the submission of the SEMAP data. With the help of Infopath (Information Path Waves, Inc.), which is an independent contractor who contracts out their services with HUD, and with HUD's corporation, the Section 8 Program is in the process of getting out of their troubled status. This troubled status will be changed upon a confirmatory review by Jim Walker, HUD. With HUD's and Infopath's help, several monitoring and corrective measures have been taken, such as a Corrective Action Plan. This Corrective Action Plan list items to be corrected and time frames in which the corrections will take place, within a given 12month period. This Corrective Action Plan was reviewed, discussed and approved by the Board of Commissioners. Infopath did re-evaluation the Section 8 Program on their backup information for the SEMAP. The SEMAP FYE 2004 score went from 58% to a 68%, which is from a failing grade to a standard performer. The Section 8 Coordinator and staff have put measures in place to randomly check and evaluate the data that is to be submitted for the SEMAP, as well as quality control measures for checking the methods and types of data being used to insure HUD guidelines are being followed. We are obtaining these guidelines of quality control by further staff training and staff evaluations. As a result of these implementations and the extreme hard word by Larry Davis, Section 8 Coordinator and his staff, the SEMAP FYE 2005 score was a perfect 100%.
