SECTION XXVI. DECONCENTRATION RULE

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area media income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development on a monthly basis by utilizing income reports generated by the housing authority's computer system.
2. Actions: To accomplish the deconcentration goals, the housing authority will take the following actions:
 - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
 - B. To accomplish the goals of:
 - 1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 - 2) Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the housing authority's Tenant Selection and Assignment Plan, which is a part of this policy, provides for skipping families on the waiting list to accomplish these goals.

The Northport Housing Authority

al152b01

Description of the NHA's Implementation of Community Service Requirements

The Northport Housing Authority implemented the requirement and sent notices to all residents explaining what was required and how often. The lease was re-written to include the requirements of Community Service and all residents signed the new lease. A second notice was sent to all residents that outlined the requirements and exemption of each adult family member. The Northport Housing Authority has entered into an agreement with TANF several years before Community Service was required by all adult members of the household who were not working at least 8 hours per month, 62 years old or older, disabled with Doctor's statements, or receiving AFDC/TANF/Welfare. Further description of service was Schools, Nursing Homes, Hospitals, Public Libraries, Churches (other than attendance), Resident Council meeting and any participation of Housing Authority programs offered.

The Housing Authority also allowed babysitting for another resident to perform community service. Assistance of Elderly residents, basically anything that they performed outside their homes for someone else that they did not receive payment for and brought signed verification into the office.

Tenant must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Tenant shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Also, the weight of a cat cannot exceed 10 pounds (fully grown) and a dog may not exceed 20 pounds in weight (fully grown). All other four legged animals are limited to 10 pounds (fully grown).
 3. If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.
 4. If the pet is a fish, the aquarium must be twenty gallons or less, and the container must be placed in a safe location in the unit. The Tenant is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and nonhazardous manner.
 5. If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations can be provided by a statement/bill from veterinarian or staff of the humane society and must be provided before the execution of this agreement.
 6. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside it must be taken outside on a leash and kept off other Tenant's lawns. Also, all pets must wear collars with identification at all times. Pets without a collar will be picked-up immediately and transported to the Humane Society or other appropriate facility.
 7. All authorized pet(s) must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered to be under the control of an adult. Pets which are unleashed, or leashed and unattended, on HA property may be impounded and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff has to take a pet to the Humane Society the Tenant will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.
 8. Pet(s) may not be left unattended for more than twenty-four consecutive hours. If it is

reported to HA staff that a pet(s) has been left unattended for more than a twenty-four (24) consecutive hour period, HA staff may enter the unit and remove the pet and transfer the pet to the humane society. Any expense to remove and reclaim the pet from any facility will be the responsibility of the Tenant. In the case of an emergency, the HA will work with the resident to allow more than 24 hours for the resident to make accommodations for the pet.

9. Pet(s), as applicable, must be weighed by a veterinarian or staff of the humane society. A statement containing the weight of the pet must be provided to the HA prior to the execution of this agreement and upon request by the HA.

Note:

Any pet that is not fully grown will be weighed every six months. Also, any pet that exceeds the weight limit at any time during occupancy will not be an eligible pet and must be removed from HA property.

2. Responsible Pet Ownership: Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of by the tenant to avoid any unpleasant and unsanitary odor from being in the unit.
3. Prohibited Animals: Animals or breeds of animals that are considered by the HA to be vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, rottweiler, doberman pinscher, pit bulldog, and/or any animal that displays vicious behavior. This determination will be made by a HA representative prior to the execution of this lease addendum.
4. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other tenants. The terms, "disturb, interfere or diminish" shall include but not be limited to barking, howling, chirping, biting, scratching and other like activities. This includes any pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one-half hour or more and therefore disturbs any person at any time of the day or night. The Housing Manager will terminate this authorization if a pet disturbs other tenants under this section of the lease addendum. The Tenant will be given one week to make other arrangements for the care of the pet or the dwelling lease will be terminated.
5. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the Housing Manager will notify the tenant, in writing, that the animal must be removed from the Public Housing Development, within 10 days of the date of the notice from the HA. The Tenant may request a hearing, which will be handled according to the HA's established grievance procedure. The pet may remain with the tenant during the hearing process unless the HA has determined that the pet may be a danger or threat to the safety and security of other persons. If this determination has been made by the HA, the pet must be immediately removed from the unit upon receipt of the notice from the HA.
6. The Tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. If the pet is taken outside it must be on a leash at all times. If there is any visible waste by the pet it must be disposed of in a plastic bag, securely tied and placed in the garbage receptacle for their unit. If the HA staff is required to clean any waste left by a pet, the Tenant will be charged \$25 for the removal of the waste.
7. The Tenant shall have pets restrained so that maintenance can be performed in the apartment. The Tenant shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the Tenant shall be charged a fee of \$25.00. If this same situation again occurs, the pet shall be removed from the premises. Pets that are not

caged or properly restrained may be impounded by animal control officers or by HA staff and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff takes a pet to the Humane Society the Tenant will be charged an additional \$50 to cover the expense of taking the pet(s) to the Humane Society. The housing authority shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.

8. Pets may not be bred or used for any commercial purposes.

PROGRESS OF 5 YEAR PLAN MISSIONS AND GOALS – 2006

MISSION-To promote adequate and affordable Housing, economic opportunity and a suitable living environment free from discrimination.

The Northport Housing Authority is exploring avenues in which to promote adequate and affordable housing: by doing the following:

1. Meet with Northport's Mayor Harvey Fretwell and other City Administrators concerning increasing affordable housing in Northport. The units Hampton Point and Grandview currently has a 100% occupancy rate. The Northport Housing Authority sold our Nonprofit Corporation to Morrow Realty, Co., therefore, the only relationship we have with them is the Housing Voucher families residing in the units.

The Northport Housing Authority will use funds from our Capital Fund Programs and our Replacement Housing Factor Grants for development of the new Public Housing units, Stonebrooke, located at 12th Street and 30th Avenue. The first phase of the development was completed and 100% occupied by 8/16/2005. This added 32 units to our PFS calculation and we should began receiving subsidy for them FY 2006. Phase two of the development is in the beginning stage and has an expectant completion date of August 1, 2006. The Northport Housing Authority will continue to use future CFP and RHF grants to build the additional 24 units at Stonebrooke.

The Northport Housing Authority will designate funds in our reserve accounts (PH and Pre 2004/2005 Section 8 Reserves) for future modernization projects. However, in FY 2005, we used approximately \$617,960.00 of our reserves to subsidize our operation budget. We received approximately \$300,000.00 less in subsidy, because we demolished the 70 units in our AL152002 site, East Circle.

The Northport Housing Authority has designated funds in our reserve accounts (Both PH and Pre 2004 and 2005 Section 8) for the following:

- A.) Subsidize Operating Budget (Estimated)
Management Expenses, Salaries, Employee Benefits, etc.

FYB 2006	\$553,206.00
FYB 2007	\$373,206.00
FYB 2008	\$313,206.00
FYB 2009	\$253,206.00
FYB 2010	\$200,000.00

At least 25% of the above will be allocated to the Section 8 Reserves. (PER 2004/2005, future unexpended/ HAP/Admin Fee)

B.) Modernization

Replace interior doors
Replace kitchen cabinets
Install Bathroom cabinets
Install GFI plugs in the 001 site
Install dryer connectors
Install mini storage buildings (w/HUD approval)
Install rain shelters at Mailboxes
Increase off street parking
Insulate walls and ceiling @ Gym
Demolish and rebuild Community Buildings @ Knoll Circle and Northgate Circle in 004.
Replace Gym Floor, etc.

C.) Management Improvement

Purchase Office Supplies/Equipment (Section 8 Reserve-PH Reserve)
Cost of \$42,325.00
Purchase Computer Hardware (Section 8 Reserve-PH Reserve)
Purchase Computer Software (Section 8 Reserve-PH Reserve)
Purchase Educational Videos for Residents (Section 8 Reserve-PH Reserve)

We received approval to dispose of the property at our AL152002, East Circle site at Fair Market value, December 20, 2004. August 2005, we had another appraisal performed and the market value has increased to (\$890,000.00) Eight hundred and Ninety thousand dollars.

We have raised our disposition application to indicate that w would sell the property at a negotiated sale with the City of Northport at the current fair market value of \$890,000.00 net proceeds, the housing authority will not participate in any prepaids or closing cost. This method will allow the city to acquire the property by the power of Eminent Domain through the process of a "Friendly Taking". If in fact the negotiated sale should default in any manner and the City of Northport is unable to purchase the property and the revised plan becomes null and void, the housing authority reserves the right to revise the Disposition Application to allow a public sale at fair market value or higher based upon a future appraisal. When the property is sold, the housing authority plans to use the revenue from the sale to develop additional public housing units at Stonebrooke.

2. Continue to collaborate Career Day programs and FSS meetings to provide counseling from our local Community College and others.

Continue to organize the program coordinating committee for the FSS program.

3. Continue to provide staff and residents with expertise on Financing, Home Buying and/or seek additional affordable housing in the City of Northport, to include Section 8 Homeownership Program.

GOALS

1. Increase the availability of decent, safe, and affordable housing.
 - a. The Northport Housing Authority's goal to reduce vacancies by 3% was obtained, actually we were 100% lease August 31, 2005 and December 31, 2005, we has 32 of the 64 units at Stonebrooke on line no later than August 1, 2005.
 - b. The Northport Housing Authority will continue to apply for subsidized housing as available. Our goal is to collaborate with HUD in an effort to make these (70) vouchers project based so that we can participate in the success of Hampton Point and Grandview tax credit sites.
2. The Northport Housing Authority has and will continue it's efforts to implement Neighborhood watch programs and continue to contract with the City of Northport for Housing Officers.

HUD STRATEGIC GOAL

1. Promote Self-sufficiency and assist in the development of families and individuals.

The Northport Housing Authority is providing Counseling Services and making every effort to host a job fair and financial counseling services. Focus on Senior Citizens terminated their agreement with the Northport Housing Authority to provide space for Senior Citizens daily program because of the location. We still plan to continue to support the Meals on Wheels and the Senior Adult's transportation.

2. Ensure Equal Opportunity in Housing for All Americans.

The Northport Housing Authority has in the past and will in the future continue it's anti-discrimination efforts.
