Deconcentration Rule

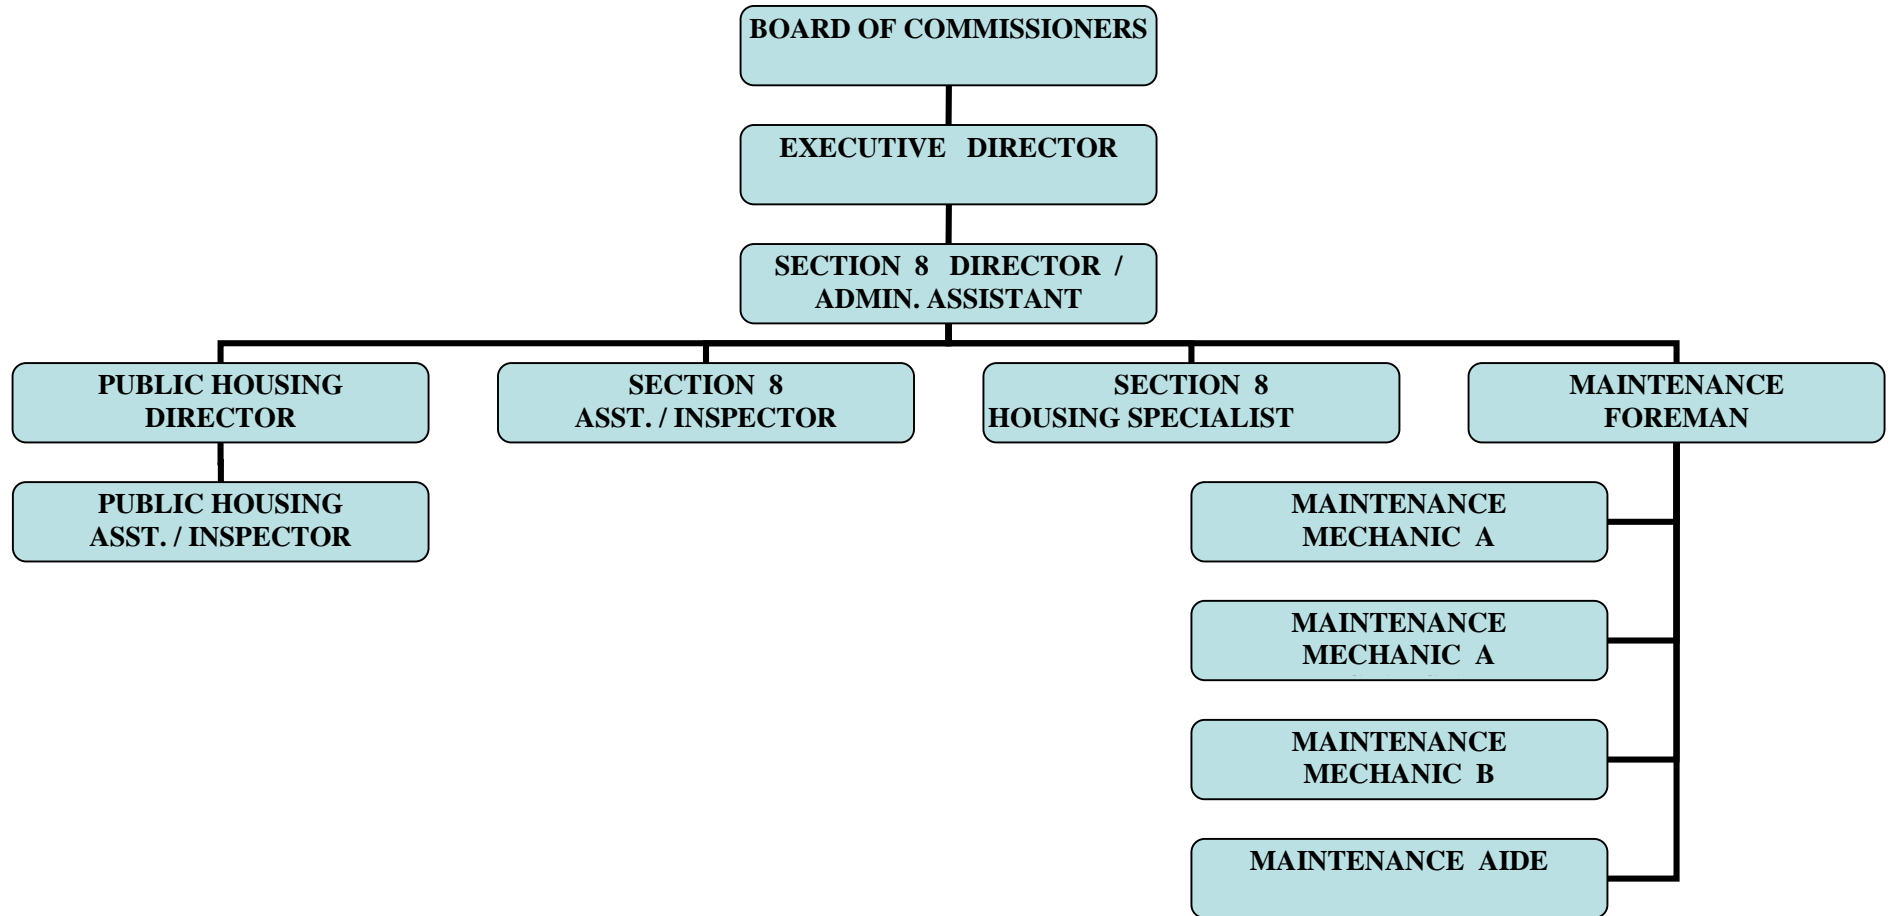

SEMAP requires the PHA to adopt and implement a written policy to encourage participation by owners of units located outside areas of poverty or minority concentration. PHA's must inform voucher holders of the full range of areas where they may lease units both inside and outside the PHA's jurisdiction and supply a list of landlords or other parties who are willing to lease units or help families find units, including units outside areas of poverty or minority concentrations.

The Housing Choice Voucher Program was designated to allow the tenants the opportunity to choose their own housing and to be evenly spread throughout the area instead of being concentrated into one area. This is what the Housing and Urban Development calls "deconcentration".

Maps are provided to tenants outlining Washington and Benton Counties. These maps show the concentration of low income and minority females in our communities. Tenants are given instruction and guidance that follows Housing and Urban Development's desire to have the tenant rent outside of these areas.

However, the Housing Authority will not turn down the unit selected based solely on the fact that it is within these concentrated areas. The housing choice is the tenant's choice to make.

Definitions of Substantial Deviation and Significant Amendments or Modifications to the Agency Plan.

The Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

1. Any alteration of the PHA's Mission Statement.
2. Any change or amendment to a stated Strategic Goal.
3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met.
4. Any introduction of a new Strategic Goal or a new Strategic Objective.
5. Any alteration in the Capital Fund Program that affects an expenditure greater than twenty percent of the CFP Annual Budget for that year.

In defining the above, the Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan. Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are a "significant amendments or modification" to the Agency Plan:

Minimum Rent [24 CFR 5.616]

Minimum Rent

Minimum rent is \$50.00. Minimum rent refers to the minimum Total Tenant payment and includes the combined amount a family pays towards rent and/or utilities when it is applied.

Hardship Requests for an Exception to Minimum Rent

The PHA recognizes that in some circumstances even the minimum rent may create a financial hardship for families. The PHA will review all relevant circumstances brought to the PHA's attention regarding financial hardship as it applies to the minimum rent. The following section states the PHA's procedures and policies in regard to minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998. HUD had defined circumstances under which a hardship could be claimed. (24 CFR 5.630)

Criteria for Hardship Exception

In order for a family to qualify for a hardship exception the family's circumstances must fall under one of the following HUD hardship criteria:

The had lost eligibility or is awaiting determination for Federal, State, or local assistance, including a family with a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act, and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

The family would be evicted as a result of the imposition of the minimum rent requirement;

The income of the family has decreased because of changed circumstances, including loss of employment, death in the family, or other circumstances as determined by the PHA or HUD.

PHA Notification to Families of Right to Hardship Exception

The PHA will notify all families subject to minimum rents of their right to request a minimum rent hardship exception. "Subject to minimum rent" means the minimum rent was the greatest figure in the calculation of the greatest of 30% of monthly adjusted income, 10% of monthly income, minimum rent or welfare rent.

The PHA notification will advise families that hardship exception determinations are subject to PHA review and hearing procedures.

The PHA will review all family requests for exception from the minimum rent due to financial hardships.

- All requests for minimum rent hardship exceptions are required to be in writing.

- The PHA will request documentation as proof of financial hardship.
- The PHA will use its standard verification procedures to verify circumstances which have resulted in financial hardship.
- Requests for minimum rent exception must include a statement of the family hardship that qualify the family for an exception.

Suspension of Minimum Rent

The PHA will grant minimum rent exception to all families who request it, effective the first of the following month.

The minimum rent will be suspended until the PHA determines whether the hardship is:

Covered by statute

Temporary or long term

“Suspension” means that the PHA must not use the minimum rent calculation until the PHA has made this decision.

During the minimum rent suspension period, the family will not be required to minimum rent and the housing assistance payment will be increased accordingly.

If the PHA determines that the minimum rent is not covered by statute, the PHA will impose a minimum rent including payment for minimum rent from the time of suspension.

Temporary Hardship

If the PHA determines that the hardship is temporary, a minimum rent will not be imposed for a period of up to 90 days from the date of the family’s request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

The PHA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period. (See “Owner and Family Debts to the PHA” chapter for Repayment agreement policy)

Long-Term Duration Hardships [24 CFR 5.616(c)(3)]

If the PHA determines that there is a qualifying long-term financial hardship, the PHA must exempt the family from the minimum rent requirements for as long as the hardship continues. The exemption from minimum rent shall apply from the first day of the month following the family’s request for exemption.

Retroactive Determination

The PHA will reimburse the family for any minimum rent charges which took effect after October 21, 1998 that qualified for one of the mandatory exceptions.

- If the family is owed a retroactive payment, the PHA will provide reimbursement in the form of a cash refund to the family.

- If the family is owed a retroactive payment, the PHA will offset the family's future rent contribution payments by the amount in which the PHA owes the family.

- If the family is owed a retroactive payment, the PHA will offer the family a choice of either cash refund or a credit towards their rent contribution.

- The PHA's definition of a cash refund is a check made out to the family.
