Deconcentration Rule

The Objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one ore more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.

To accomplish the deconcentration goals, the housing authority will take the following actions:

- 1) At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
- 2) To accomplish the goals of:
 - a. Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of the area median income, and
 - b. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or ore of the total household living in the development with incomes that exceed 30% of the area median income, the housing authority's Tenant Selection and Assignment Plan, which is a part of the policy, provides for skipping families on the waiting list to accomplish these goals.

Our Mission:

To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

We support our mission through implementation of policies and procedures that encourage efficient use of human and material resources. The following describes our goals, objectives and progress toward those goals:

Goal One: Increase the availability of decent, safe and affordable housing.

Public Housing: In order to meet this goal, the Public Housing staff (1) has an objective of an average 5-day turn around on making vacant units available for occupancy; (2) processes applications for housing promptly; (3) responds promptly to maintenance requests; (4) improve rental collections and (5) maintains a 95% occupancy rate. We have an active Capital Improvements Program for all sites and, in that regard, received Community Development Block Grant funds in 2006 for additional improvements.

Section 8 Vouchers: The program consistently maintains an occupancy rate of 100% as well as achieving strict adherence to Fair Market Rents. The waiting time for applicants has consistently been 12 months since 2005 and we are, therefore, able to keep our waiting list open.

In 2005 and 2006, we received funds to implement a Shelter + Care Program for 16 units of Tenant Rental Assistance for chronically homeless persons who are mentally ill. Our supportive services partner is Ozark Guidance Center, a regional mental health provider.

Goal Two: Improving community quality of life and economic vitality.

In 2005, a Community Center was established as Lewis Plaza complex with a computer lab that can be used by residents of other complexes. The Community Center is used for public service activities such as a school preparedness day for K-12 students, cooking classes, and potluck suppers. We maintain a building at the Willow Heights complex for Head Start preschool.

Resident Membership of the PHA Governing Board:

Debra Olson, a resident of the Morgan Manor site, serves on our Board of Commissioners.

RESIDENT ASSESSMENT FOLLOW UP PLAN

The Resident Assessment Surveys identified two areas of concern that require a follow up plan: Neighborhood Appearance and Safety.

Neighborhood Appearance

1. Hillcrest Towers: There were areas on the concrete sidewalks and walkways that were uneven and were potentially tripping hazards. These areas were identified and leveled using a professional grinding contractor. In this regard, stairwells are cleaned by a private contractor monthly.
2. Willow Heights and Lewis Plaza: New exterior siding was installed on all buildings. Old playground equipment was removed and new play structures installed at Willow Heights using Capital Improvement funds. We were successful in receiving City of Fayetteville Community Development Block Grant funds to replace playground structures at Lewis Plaza; this project will be complete by September, 2006. We will apply for funds to do the same at Morgan Manor in 2007.
3. All sites are contracted to have trash pick up every seven days. We give all tenants 24 hour notice to remove trash or debris. Trash that is not removed by the tenants is removed by maintenance staff and the tenant is charged a fee. Failure to remove trash and debris is a violation of the lease.

The Capital Improvement 5-Year Plan includes the following: Resurface parking lots at all sites; paint balconies at Hillcrest Towers; improve exterior appearance of Hillcrest Towers; install central air conditioning at Hillcrest Towers and abate mold that is present due to window air conditioners condensation lines.

Safety

1. The Board of Commissioners adopted a security plan and placed a security officer at Morgan Manor. The security officer occupies an apartment on site free of charge for this service. We hope to adopt this plan at all family sites in the future. The presence of a security or police officer increases the tenants' security in their homes as well as the larger community.
2. The Public Housing Director completed a 12-week Citizen's Police Academy course offered by the Fayetteville Police Department. This course has provided the Public Housing Director with contacts within the police department and has helped her solve several problems.
3. We monitor all security lighting to insure it is in working order; fixtures are added as needed.
4. Applicants are screened using national monitoring services, Tenant Tracker and Tenant PI. We continue to get personal and rental references for public housing applicants.

PET POLICY

INTRODUCTION

This Chapter explains the PHA's policies on the keeping of pets in general occupancy projects and any criteria or standards pertaining to the policy. The rules adopted are reasonably related to the legitimate interest of this PHA to provide a decent, safe and sanitary living environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the PHA.

This policy does not apply to animals that are used to assist, support or provide service to persons with disabilities, or to service animals that visit public housing developments.

A. ANIMALS THAT ASSIST, SUPPORT OR PROVIDE SERVICE TO PERSONS WITH DISABILITIES

The resident/pet owner will be required to qualify animals (for exclusion from the pet policy) that assist, support or provide service to persons with disabilities.

Pet rules will not be applied to animals that assist, support or provide service to persons with disabilities. This exclusion applies to both service animals and companion animals as reasonable accommodation for persons with disabilities. This exclusion applies to such animals that reside in public housing and that visit these developments.

To: Prospective Community Service Worksite Participants

From: Kyra McCown, Public Housing Director

Date: August 5, 2003

Re: Community Service Requirement Enforcement

This is to advise you that pursuant to the Public Housing reform Act (PHRA) of 1998, Section 512 (a) (c) (2) and 24 CFR Sec. 960.600, all adult members of families living in public housing shall be mandated with the Community Service Requirement.

The PHRA requires all adult members of families living in public housing to either contribute the equivalent of eight hours per month of community service with the community, in which the family lives, or participate in an economic self-sufficiency program. The Public Housing Authority (PHA) must obtain written information from the local welfare agency to determine whether a resident is exempt from community service. Using the family profile information from the FHA MTCS, data base system, identification of exempt or non-exempt status is determined.

Once the requirement status is determined those residents who are affected will be seeking volunteer opportunities. In order to serve our residents, as well as decrease the burden on participating worksites, the FHA has devised the following information that shall be completed by prospective worksites prior to any referral of or volunteerism of, the resident served by the FHA.

- 1). Community Service Fact Sheet
- 2). Worksite Application
- 3). Volunteer Signature Sheet for Verification

The FHA will initiate the implementation of the Community Service Program beginning October 1, 2003. All annual reevaluations and new move-ins will be under the Community Service Requirement for extension of lease at that time.

This is a Federal Mandate and will be adhered to stringently by FHA. The repercussions of non compliance by residents will be carried out swiftly and expediently by administration when noncompliance is evident. Our residents have been made aware of this regulation and will be seeking volunteer opportunities within their community.

If you need further information or clarification, please do not hesitate to contact Kyra McCown Public Housing Director,

6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

PHA Policy

The financial hardship rules described below do not apply in this jurisdiction because the PHA has established a minimum rent of \$50.00.

Overview

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the TTP is the highest of the remaining components of the family's calculated TTP.

HUD-Defined Financial Hardship

Financial hardship includes the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

PHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

- (2) The family would be evicted because it is unable to pay the minimum rent.

PHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent or tenant-paid utilities.

- (3) Family income has decreased because of changed family circumstances, including the loss of employment.
- (4) A death has occurred in the family.

ATTACHMENT K

PHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

(5) The family has experienced other circumstances determined by the PHA.

PHA Policy

The PHA has not established any additional hardship criteria.

Implementation of Hardship Exemption

Determination of Hardship

When a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the first of the month following the family's request.

The PHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

PHA Policy

The PHA defines temporary hardship as a hardship expected to last 90 days or less. Long term hardship is defined as a hardship expected to last more than 90 days.

The PHA may not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the family's request for a hardship exemption.

When the minimum rent is suspended, the TTP reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

Example: Impact of Minimum Rent Exemption	
Assume the PHA has established a minimum rent of \$35.	
TTP – No Hardship	TTP – With Hardship
\$0 30% of monthly adjusted income	\$0 30% of monthly adjusted income
\$15 10% of monthly gross income	\$15 10% of monthly gross income
N/A Welfare rent	N/A Welfare rent
\$35 Minimum rent	\$35 Minimum rent
Minimum rent applies. TTP = \$35	Hardship exemption granted. TTP = \$15

ATTACHMENT K

PHA Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

The PHA will make the determination of hardship within 30 calendar days.

No Financial Hardship

If the PHA determines there is no financial hardship, the PHA will reinstate the minimum rent and require the family to repay the amounts suspended.

For procedures pertaining to grievance hearing requests based upon the PHA's denial of a hardship exemption, see Chapter 14, Complaints, Grievances and Appeals.

PHA Policy

The PHA will require the family to repay the suspended amount within 30 calendar days of the PHA's notice that a hardship exemption has not been granted.

Temporary Hardship

If the PHA determines that a qualifying financial hardship is temporary, the PHA must reinstate the minimum rent from the beginning of the first of the month following the date of the family's request for a hardship exemption.

The family must resume payment of the minimum rent and must repay the PHA the amounts suspended. HUD requires the PHA to offer a reasonable repayment agreement, on terms and conditions established by the PHA. The PHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

For procedures pertaining to grievance hearing requests based upon the PHA's denial of a hardship exemption, see Chapter 14, Complaints, Grievances and Appeals.

PHA Policy

The PHA will enter into a repayment agreement in accordance with the PHA's repayment agreement policy.

Long-Term Hardship

If the PHA determines that the financial hardship is long-term, the PHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

PHA Policy

The hardship period ends when any of the following circumstances apply:

- (1) At an interim or annual reexamination, the family's calculated TTP is greater than the minimum rent.

ATTACHMENT K

- (2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a \$60/month child support payment, the hardship will continue to exist until the family receives at least \$60/month in income from another source or once again begins to receive the child support.
- (3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.
