Standard Plan

Streamlined Plan:

- High Performing PHA
- - Small Agency (<250 Public Housing Units)
 - Administering Section 8 Only
- **Troubled Agency Plan**

A change in the auditing firm contracted by the Arizona State Auditor General's office, along with a new audit format (GASB 34) delayed release of County Single Audit Reports, by March 31, 2004. This caused problems for several agencies throughout the state and the county, including YCHD which had a late submission to HUD. The problem was resolved, there was no problem with submission by March 31, 2005, and the corrective action consists of assuring that this year's audit is submitted at an earlier date.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Yuma county Housing Department strives to address the housing needs of approximately 2,379 families. Because of the limited number of county-owned housing units and Section 8 Vouchers administered by Housing Department, only 24% of those families are presently being housed.

With no new development funds coupled with limited modernization, the Housing Department is now faced with primarily serving very low-income families while facing competition from local private developers in attracting moderate income families. The undesired effect of this situation is poverty concentration.

Under the Housing Department's existing housing programs, 59% of the families currently housed have incomes of less than 30% of median. To the contrary, we find that over 48% of the working families on the waiting list have incomes of 50-80% of median.

To be more competitive and deconcentrate poverty in our developments, the Housing Department must attract higher income families into its lower-income developments. Accordingly, we shall apply for Public Housing Capital Funds to make the necessary modernization improvements to our existing housing units.

In addition, we plan to address the housing needs of families in the jurisdiction and on the waiting list through continued efforts to market the Section 8 program to owners (i.e., particularly those outside the areas of minority and poverty concentration). The Housing Department shall also apply for additional Section 8 units, should they become available.

12.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities)within the community in which the Public Housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement.

12.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement

- A. Family member who are 62 or older
- B. Family member who are blind or disabled
- C. Family members who are the primary care giver for someone who is blind or disable
- D. Family members engaged in work activity
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

12.3 NOTIFICATION OF THE REQUIREMENT

The YCHD shall identify all adult family members who are apparently not exempt from the community service requirement.

The YCHD shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The YCHD shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/99. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination

taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

12.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The YCHD will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the YCHD may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

12.5 The process

At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the YCHD will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the timesheet requires the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Thirty (30) days before the family's next lease anniversary date, the volunteer Coordinator will advise the YCHD whether each applicable adult family member is in compliance with the community service requirement.

12.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The YCHD will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. at, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

12.7 OPPORTUNITY FOR CURE

The YCHD will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the YCHD shall take action to terminate the lease.

17.2 APPROVAL

Residents must have the prior approval of the YCHD before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the YCHD will approve the request.

17.3 Types and Number of Pets

The YCHD will allow only domesticated dogs, cats, birds, and fish in aquariums in units. All dogs and cats must be neutered.

17.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

17.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages may be constructed). Pet owners must clean up after their pets and are responsible for disposing of pet waste.

S8 HOME OWNERSHIP PROGRAM

Section 8 Home Ownership Program

I. GENERAL PROVISIONS.

The Section 8 Home Ownership Program of the Yuma County Housing Department ("YCHD") permits eligible participants in the Section 8 housing choice vouchers program, the option of purchasing a home with their Section 8 assistance rather than renting. The home ownership option is limited to five (5) participants within the first year of the program inception, not to exceed three percent (3%) of the total Section 8 voucher program administered by YCHD in years thereafter, provided that disabled families shall not be subject to the 3% limit. Participants actively involved in the Family Self Sufficiency ("FSS") program will be given a preference.

Eligible applicants for the Section 8 home ownership program must have completed an initial Section 8 lease term, may not owe YCHD or any other Housing Authority an outstanding debt, and must meet the eligibility criteria set forth herein.

Section 8 home ownership assistance may be used to purchase the following type of homes within the County of Yuma: new or existing single-family, condominium, planned use developments, cooperatives, or manufactured homes.

YCHD may permit portability of Section 8 home ownership assistance to another jurisdiction, provided the receiving jurisdiction operates a Section 8 home ownership program for which the Section 8 home ownership applicant qualifies or authorizes YCHD to administer the home ownership assistance in their jurisdiction.

II. FAMILY ELIGIBILITY REQUIREMENTS.

Participation in the Section 8 home ownership program is voluntary. Each Section 8 home ownership participant must meet the general requirements for admission to the Section 8 housing choice voucher program as set forth in YCHD's Administration Plan. Such Section 8 family also must be "eligible" to participate in the home ownership program. The additional eligibility requirements for participation in YCHD's Section 8 home ownership program include that the family must:

- 1. Participate in the Family Self-Sufficiency Program. Elderly and disable participants are exempt from this requirement.
- 2. Be a first-time homeowner or have a family member who is a person with disabilities.
- 3. Meet a minimum income requirement without counting income from "welfare assistance" source. Income requirements do not apply to elderly and disabled household members.
- 4. Meet the requisite employment criteria, with the exception of elderly and disabled families.

- 5. Must have completed an initial lease term in the Section 8 voucher program.
- 6. Must have fully repaid any outstanding debt owed to YCHD or any other Housing Authority.
- 7. Must have not defaulted on a mortgage securing debt to purchase a home under the home ownership option
- 8. Present family must not have any member who has a present ownership interest in a residence at the commencement of home ownership assistance.

A. First-Time Homeowner.

Each Section 8 family, except families with a disabled member, must be a firsttime homeowner. A "first-time homeowner" means that no member of the household has had an ownership interest in any residence during the three years preceding commencement of home ownership assistance. However, a single parent or displaced homemaker who, while married, owned a home with a spouse (or resided in a home owned by a spouse) is considered a "first-time homeowner" for purposes of the Section 8 homeownership option; and the right to purchase title to a residence under a lease-purchase agreement is not considered an "ownership interest."

B. Minimum Income Requirements.

1. Amount of Income

At the time the family begins receiving homeownership assistance, the head of household, spouse, and/or adult household members who will own the home, must have a gross annual income at least equal to the Federal minimum hourly wage multiplied by 2080 hours.

2. Exclusion of Welfare Assistance Income.

With the exception of elderly and disabled families, YCHD will disregard any "welfare assistance" income in determining whether the family meets the minimum income requirement. Welfare assistance includes assistance from Temporary Assistance for Needy Families ("TANF"); Supplemental Security Income ("SSI") that is subject to an income eligibility test; food stamps; general assistance; or other welfare assistance specified by HUD. The disregard of welfare assistance under this section affects the determination of minimum monthly income in determining initial qualification for the home ownership program. It does not affect the determination of income-eligibility for admission to the Section 8 housing choice voucher program, calculation of the family's total tenant payment, or calculation of the amount of home ownership assistance payments.

C. Employment History.

With the exception of disabled and elderly households, each family must demonstrate that one or more adult members of the family who will own the home at commencement of home ownership assistance is employed full-time (an average of 30 hours per week) and has been so continuously employed for one year prior to execution of the sale agreement. In order to reasonably accommodate a family's participation in the program, YCHD will exempt families that include a person with disabilities from this requirement. YCHD's Director may also consider whether and to what extent an employment interruption is considered. The Director may also consider successive employment during the one-year period and self-employment in a business.

D. Completion of Initial Lease Term.

Applicants for and new participants in the Section 8 housing choice voucher program shall be ineligible for participation in the section 8 home ownership program until completion of an initial Section 8 lease term and the participant's first annual recertification in the Section 8 housing choice voucher program. Nothing in this provision will preclude Section 8 participants that have completed an initial lease term in another jurisdiction from participating in the Section 8 home ownership program.

E. Repayment of Any Housing Authority Debts.

Participants in the Section 8 housing choice voucher program shall be ineligible for participation in the Section 8 home ownership program in the event any debt or portion of the debt remains owed to YCHD or any other Housing Authority. Nothing in this provision will preclude Section 8 participants that have fully repaid such debt(s) from participating in the Section 8 home ownership program. All participants must be in good standing, must comply with all lease, rules and regulations, and must not owe any money to YCHD or any other housing authority.

F. Additional Eligibility Factors.

1. Elderly and Disabled Households.

Elderly and disabled families are exempt from the employments set forth in Section 2. C. above. In the case of an elderly or disabled family, YCHD will consider income from all sources, including welfare assistance in evaluating whether the household meets the minimum income required to purchase a home through the Section 8 home ownership program.

2. Preference for Participation in FSS Program.

Applicants for the home ownership program are required to participate in YCHD's Family Self Sufficiency ("FSS") program in order to participate in the home ownership program.

3. Prior Mortgage Defaults.

If a head of household, spouse or other adult household member who will execute the contract of sale, mortgage and loan documents has previously defaulted on a mortgage obtained through the Section 8 home ownership program, the family will be ineligible to participate in the home ownership program.

III. FAMILY PARTICIPATION REQUIREMENTS.

Once a family is determined to be eligible to participate in the program, it must comply with the following additional requirements: (A) complete a home ownership counseling program approved by YCHD prior to commencement of home ownership assistance; (B) within a specified time, locate the home it proposes to purchase; (C) submit a sales agreement containing specific components to YCHD for approval; (D) allow YCHD to inspect the proposed home ownership dwelling to assure that the dwelling meets appropriate housing quality standards; (E) obtain an independent inspection covering major building systems; (F) obtain YCHD approval of the proposed mortgage underwriting requirements; and (G) enter into obligations under the Section 8 program.

A. Home Ownership Counseling Program.

A family's participation in the home ownership program is conditioned upon the family attending and successfully completing a home ownership and housing counseling program provided or approved by YCHD prior to commencement of home ownership assistance. The home ownership and counseling program will cover home maintenance; budgeting and money management; credit counseling; negotiating purchase price; security mortgage financing; finding a home; and the advantages of purchasing and locating homes in areas that do not have a high concentration of low-income families.

The counseling agency providing the counseling program shall either be approved by HUD or the program shall be consistent with the home ownership counseling provided under HUD's Housing Counseling program. YCHD may require families to participate in an YCHD- approved home ownership counseling program on a continuing basis.

B. Locating and Purchasing a Home.

1. Locating A Home

Upon approval for the Section 8 home ownership program, a family shall have one hundred eighty (180) days to locate a home to purchase. A home shall be considered located if the family submits a proposed sales agreement with the requisite components to YCHD. For good cause, YCHD may extend a Section 8 family's time to locate the home for additional thirty (30) days increments. During a Section 8 participant's search for a home to purchase, their Section 8 rental assistance shall continue pursuant to the Administrative Plan. If a Section 8 participant family is unable to locate a

home within the time approved by YCHD, their Section 8 rental assistance through the Section 8 housing choice voucher program shall continue.

2. Type of Home.

A family approved for Section 8 home ownership assistance may purchase the following type of homes within Yuma County: a new or existing home, a single-family home, a condominium, a home in a planned use development, a cooperative, a loft or live/work unit, or a manufactured home to be situated on a privately owned lot. The home must be already existing or under construction at the time YCHD determines the family eligible for home ownership assistance [to purchase the unit (§982.628 (a) (2).]. The family also may purchase a home in a jurisdiction other than the Yuma County; provided the Housing Authority in the receiving jurisdiction operates a Section 8 home ownership program for which the Section 8 home ownership assistance in their jurisdiction. In the former case, a family's participation in the Section 8 home ownership program will be subject to the Section 8 home ownership program and policies of the receiving jurisdiction.

3. Purchasing a Home.

Once a home is located and a sales agreement approved by YCHD is signed by the family, the family shall have up to three (3) months, or such other time as is approved by YCHD's Director and set forth in the YCHD-approved sales agreement, to purchase the home.

4. Failure to Complete Purchase

If a Section 8 participant is unable to purchase the home within the maximum time permitted by YCHD, YCHD shall continue the family's participation in the Section 8 housing choice voucher program. The family may not re-apply for the Section 8 home ownership program until they have completed an additional year of participation in the Section 8 housing choice voucher program following the initial determination of their eligibility for the home ownership option.

C. Sales Agreement.

Prior to execution of the offer to purchase or sales agreement, the financing terms must be provided by the family to YCHD for approval. The sales agreement must provide for inspection by YCHD and the independent inspection referred to in Section 3 (E) and must state that the purchaser is not obligated to purchase unless such inspections are satisfactory to YCHD. The contract also must provide that the purchaser is not obligated to pay for any necessary repairs without approval by YCHD. The sales agreement must provide that the purchaser is not obligated to purchase if the mortgage financing terms are not approved by YCHD pursuant to Section 3(F). The sales agreement must also contain a seller certification that the seller is not debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

D. Independent Initial Inspection Conducted.

To assure the home complies with the housing quality standards of the Section 8 program, home ownership assistance payments may not commence until YCHD first inspects the home. An independent inspection of existing homes covering major building systems also must be completed by a professional selected by the family and approved by YCHD. YCHD will not pay for the independent inspection. The independent inspection report must be provided to YCHD. YCHD may disapprove the unit due to information contained in the report or for failure to meet federal housing quality standards.

E. Financing Requirements.

The proposed financing terms must be submitted to and approved by YCHD prior to close of escrow. YCHD shall determine the affordability of the family's proposed financing. In making such determination, YCHD may take into account other family expenses, including but not limited to child care, unreimbursed medical expenses, education and training expenses an the like. Certain types of financing, including but not limited to, balloon payment mortgages, unless convertible to a variable rate mortgage, are prohibited and will not be approved by YCHD. If a mortgage is not FHA-insured, YCHD will require the lender to comply with generally accepted mortgage underwriting standards consistent with those of HUD/FHA, Ginnie Mae, Fannie Mae, Freddie Mac, USDA Rural Housing Services, the Federal Home Loan Bank, or other lending institution.

F. Compliance with Family Obligations.

A family must agree, in writing, to comply with all family obligations under the Section 8 program and YCHD's home ownership policies. These obligations include (1) attending ongoing home ownership counseling, if required by YCHD; (2) complying with the mortgage terms; (3) not selling or transferring the home to anyone other than a member of the assisted family who resides in the home while receiving home ownership assistance; (4) not refinancing or adding debt secured by the home without prior approval by YCHD; (5) not obtaining a present ownership interest in another residence while receiving home ownership assistance; and (6) supplying all required information to YCHD, including but not limited to annual verification of household income, notice of change in home ownership expenses, notice of move-out, and notice of mortgage default. YCHD's Home Ownership Family Obligation policies are set forth in Appendix A hereto.

G. Compliance Lien

Compliance Lien is no longer required by HUD.

IV. AMOUNT OF ASSISTANCE.

The amount of the monthly assistance payment will be based on three factors: the voucher payment standard for which the family is eligible; the monthly home ownership expense; and the family's household income. YCHD will pay the lower of either the payment standard minus the total family contribution ("TFC") or the family's monthly home ownership expenses minus the TFC. The Section 8 family will pay the difference.

A. Determining the Payment Standard.

The voucher payment standard is the fixed amount the YCHD annually establishes as the "fair market" rent for a unit of a particular size located within the YCHD jurisdiction. In the home ownership program, the initial payment standard will be the lower of either (1) the payment standard for within the family is eligible based on family size; or (2) the payment standard which is applicable to the size of the home the family decides to purchase. The payment standard for subsequent years will be based on the higher of: (1) the payment standard in effect at commencement of the home ownership assistance; or (2) the payment standard in effect at the most recent regular reexamination of the family's income and size. The initial payment standard, for purposes of this comparison, shall not be adjusted even if there is a subsequent decrease in family size. YCHD will request HUD approval of a higher payment standard, up to 120% of the published Fair Market Rent limit, where warranted as a reasonable accommodation for a family that includes a person with disabilities.

B. Determining the Monthly Home Ownership Expense.

Monthly home ownership expense includes all of the following: principal and interest on the initial mortgage and any mortgage insurance premium (MIP) incurred to finance the purchase and any refinancing of such debt; real estate taxes and public assessments; homeowner's insurance; maintenance expenses per YCHD allowance; costs of major repairs and replacements per YCHD allowance (replacement reserves); utility allowance per YCHD's schedule of utility allowance; principal and interest on mortgage debt incurred to finance major repairs, replacements or improvements for the home including changes needed to make the home accessible; and homeowner association dues, fees or regular charges assessed, if any.

C. Determining the Total Family Contribution

The TFC is the portion of the home ownership expense that the family must pay. It is generally 30% percent of the family's adjusted income, plus any gap between the payment standard and the actual housing cost. All family income (including public assistance), will be counted to determine the family's adjusted monthly income for purposes of determining the amount of assistance.

D. Payment to Family or Lender.

YCHD will provide the lender with notice of the amount of the housing assistance payment prior to close of escrow. YCHD will pay the Housing Assistance Payment (HAP) as required by lender. The family will be responsible to submit their portion of the homeowner expense as required by the lender.

V. TERMINATION OF SECTION 8 HOME OWNERSHIP ASSISTANCE.

A. Grounds for Termination of Home Ownership Assistance

1. Failure to Comply with Family Obligation under Section 8 Program or YCHD Ownership Policies.

A family's home ownership assistance may be terminated if the family fails to comply with its obligations under the Section 8 program, YCHD home ownership policies, or if the family defaults on the mortgage. If required, the family must attend and complete ongoing home ownership and housing counseling classes. The family must comply with the terms of any mortgage incurred to purchase and/or refinance the home. The family must provide YCHD with written notice of any sale or transfer of any interest in the home; any plan to move out of the home prior to the move; the family's household income and home ownership expenses on an annual basis; any notice of mortgage default received by the family; and any other notices which may be required pursuant to YCHD home ownership policies. Except as otherwise provided in this Section, the family may not convey or transfer the home to any entity or person other than a member of the assisted family while receiving home ownership assistance.

Upon death of a family member who holds, in whole or part, title to the home, the home ownership assistance may continue pending settlement of the decedent's estate, notwithstanding transfer of title by operation of law to the decedent's executor or legal representative, so long as the home is solely occupied by the remaining family member in accordance with administrative plan.

2. Occupancy of Home.

Home ownership assistance will only be provided while the family resides in the home. If the family moves out of the home, YCHD will not continue home ownership assistance commencing with the month after the family moves out. Neither the family nor the lender is obligated to reimburse YCHD for home ownership assistance paid for the month the family moves out. 3. Changes in Income Eligibility.

A Family's home ownership assistance may be changed in the month following annual recertification of the household income, but participation in the Section8 Home Ownership program shall continue until such time as the assistance payment amounts to \$0 for a period of six (6) consecutive months.

4. Maximum Terms of Home Ownership Assistance.

A family may receive Section 8 home ownership assistance for no longer than ten (10) years from the date of close of escrow unless the initial mortgage incurred to finance purchases of the home has a term that is 20 years or longer, in which case the maximum term is 15 years. Families that qualify as elderly or disabled at the commencement of home ownership assistance are not subject to a maximum term limitation. Families that qualify as elderly or disabled at the commencement of home ownership assistance or at any time during the provision of home ownership assistance are not subject to a maximum term limitation. If an elderly or disabled family ceases to qualify as disabled or elderly, the appropriate maximum term became applicable from the date home ownership assistance commenced; provided, however, that such family shall be eligible for at least six additional months of home ownership assistance after the maximum term becomes applicable. The time limit applies to any member of the household who has an ownership interest in the unit during any time that home ownership payments are made, or is a spouse of any member of the household who has an ownership interest or is an adult household member who has ownership interest.

B. Procedure for Termination of Home Ownership Assistance.

A participant in the Section 8 Home Ownership program shall be entitled to the same termination notice and informal hearing procedures as set forth in the Admintrative Plan of the YCHD for the Section 8 housing choice voucher program.

C. Recapture of Home Ownership Assistance

In certain circumstances the home ownership assistance provided to the family is subject to total or partial recapture upon the sale or refinancing of the home. Sales proceeds that are used by the family to purchase a new home with Section 8 home ownership assistance are not subject to recapture. Further, a family may refinance to take advantage of better terms without any recapture penalty, provided that no proceeds are realized ("cash-out"). Only "cash-out" proceeds from refinancing and sales proceeds not used to purchase a new home with Section 8 assistance less those amounts provided for in §982.640 are subject to recapture. Further, the amount of home ownership assistance subject to recapture shall automatically be reduced in annual increments of 10% beginning one year from the purchase date. At the end of 10 years the amount of home ownership assistance subject to recapture will be zero.

VI. CONTINUED PARTICIPATION IN SECTION 8 HOUSING CHOICE VOUCHER PROGRAM.

A. Default on FHA-Insured Mortgage.

If the family defaults on an FHA-insured mortgage, YCHD may permit the family to move with continued Section 8 housing choice rental assistance if the family demonstrates that it has (a) conveyed title to the home to HUD or its designee, as required by HUD; and (b) moved from the home within the period established or approved by HUD.

B. Default on non-FHA-Insured Mortgage

If the family defaults on a mortgage that is not FHA-insured, YCHD may permit the family to move with continued Section 8 housing voucher rental assistance if the family demonstrates that it has (a) conveyed title to the home to the lender, to YCHD or to its designee, as may be permitted or required by the lender; and (b) moved from the home within the period established or approved by the lender and/or YCHD.

VII. YCHD ADMINISTRATIVE FEE.

For each month that home ownership assistance is paid by YCHD on behalf of the family, YCHD shall be paid by HUD the ongoing administrative fee described in 24.C.F.R. §982.152(b).

VIII. WAIVER OR MODIFICATION OF HOME OWNERSHIP POLICIES.

The Executive Director of YCHD shall have the discretion to waive or modify any provision of the Section 8 home ownership program or policies not governed by statute or regulation for good cause or to comply with changes in HUD regulations or directives.
