**HOUSING AUTHORITY OF THE COUNTY OF TULARE  
 AGENCY PLAN  
 MOVING TO WORK ADDENDUM**

With the recent authorization to extend current MTW contracts for three years, our agency has been studying our program to determine if there are any changes we would like to make to the MTW program as it has been operating, or to our income-based program as part of a MTW Amendment request. As part of the agency plan process, we have taken various suggestions to the Resident Council, the Board and the public for input, and have reviewed internally what the impact of the various suggested changes would be. As a result of these discussions, we are generally pleased with our program as it has been operating, but feel there are minor changes we would like to incorporate. Some of those we have authority to implement now after having gone through the Agency Planning process. Other changes would require HUD approval of an MTW amendment.

The changes we will be implementing at this time include no longer keeping irrelevant information about exemptions and deductions which do not affect eligibility or rent for our MTW families. We had been keeping such information for statistical reasons, if necessary, but it has not proved useful and therefore we see no reason to continue. Also, we will be requiring families who had qualified for unlimited income-based assistance as a “elderly or disabled” family because of the head of household, to change to the MTW program and start their five year eligibility if a change in family composition means that they are no longer elderly or disabled.

We will be asking HUD for an MTW addendum to allow our agency to set our own Section 8 and Public Housing policies. Because this will have no effect on any operating subsidies we may receive in the future, this would not affect funding, and would allow us to make changes as long as we had followed proper procedure and it they met the MTW guidelines. Specific changes would include a flat medical allowance for qualified elderly or disabled families, flat alien proration for all families, no income exclusions, counting adoption assistance and foster income but giving deductions for those children, and an actual minimum rent, as opposed to a Minimum TTP, with hardship provisions, and a continuation of our “Renter-Mentor” program in conjunction with the County of Tulare to provide rental assistance for 10 former foster kids timing out of foster care who do not have a stable housing situation.
