ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary

Established in 1938, the San Francisco Housing Authority (Authority) is located in the City and County of San Francisco. The Authority manages 6451 units of public housing stock in 53 developments scattered throughout the city. It is one of the largest public housing agencies in the nation, serving 32,946 eligible low- and very-low income residents. The Authority houses very low-income families, and without its assistance, many of San Francisco's residents, who come from many different ethnic backgrounds and who create the city's unique flavor, would be forced to live elsewhere. As a priority, the Authority is seeking ways to address the growing needs of working families in addressing housing options and home ownership opportunities.

Given the age and condition of its current housing stock, the Authority could lose as much as three percent (3%) of its viable housing units each year. A large part of the problem is the extraordinary cost of maintaining these units as safe and livable; given current budget restrictions, gang and crime rates in the community, and strict federal regulations regarding fiscal responsibilities. Drastic measures must be taken and alternatives must be found to address these conditions in order to maintain safe and affordable housing for low-income residents of the city.

The Authority has six major goals it is seeking to accomplish in the short- and long-term future. First, it is committed to the preservation, rehabilitation and reconstruction of its existing public housing stock. The Authority will continue to seek funding sources, in addition to those provided through formula grants provided by the U.S.

Department of Housing and Urban Development, to address the physical needs of the various family and senior/disabled housing developments.

Secondly, the Authority is committed to addressing the growing need for low-income housing in the San Francisco area by developing ways to increase the public housing stock through creative partnerships with local developers and investors for the benefit of all low-income San Francisco residents.

Thirdly, the Authority is working towards developing a comprehensive plan to address home ownership needs for low-income residents in the San Francisco area. We will continue to explore other resources to make low-income home ownership a reality for the population it serves.

Fourth, the Authority is dedicated to providing a safe and secure environment for residents in public housing developments. It is our belief that no one, especially those in subsidized housing, should be in peril, physical or emotional. Therefore, the Authority has established working relationships, solidified in numerous Memoranda of Understanding, with contract security companies, local social service agencies, and city agencies, in order to increase the safety and security of all residents in public housing. It will continue to work with local agencies to improve communications and enhance relationships to the betterment of the mutual clients we serve.

Fifth, the Authority is committed to finding new and better ways to encourage and support resident businesses, increased job opportunities, access to quality health care and dependent care, enhanced transportation options, and other social service needs. Through partnerships with local social service and city agencies, the Authority will increase the opportunity for public housing residents to improve their quality of life, in or out of subsidized housing.

Finally, the Authority continues to implement the Community Service and Self-Sufficiency Requirement, section 512 of the Quality Housing and Work Responsibility Act of 1998, as specified (NOTICE PIH 2003-17 HA) by the U.S. Department of Housing and Urban Development.

HOPE VI ACTIVITIES

By December 2006, the Authority will complete Valencia Gardens, the fifth of five HOPE VI revitalizations. At Valencia Gardens and the other completed HOPE VI sites, the plans allowed the Authority to reclaim blighted and obsolete sites within existing vibrant neighborhoods. The sites were reconfigured and comprehensively revitalized with new apartments for the public housing residents, while introducing additional affordable housing for working families.

OTHER PROPOSED REVITALIZATION ACTIVITIES

The following sites are either severely distressed due to chronic underfunding and obsolescence, and require comprehensive revitalization and/or provide opportunities to develop additional affordable housing. Over \$245 million in Comprehensive Grant Program (CFP) funds would be needed for immediate capital improvement repairs for all of the SFHA's developments if funding through HOPE VI and leveraged financing is not made available to replace the most obsolete sites. Funding sources for most of these revitalization activities are projections only. The availability of resources from tax credits, federal grants and local funds will constrain the time frame for carrying out the revitalization activities listed here, many of them requiring 10-20 years to complete contingent on funding availability. Ping Yuen North is the only activity that has the full implementation funding.

(1) Ping Yuen North CAL 1-18(6), 194 public (senior) housing units

Add six (6) wheelchair accessible units of public housing at this 1961 senior and family development, and provide common space accessibility improvements. The proposed construction will be in the location of the former laundry room on the top floor of the building (now replaced at another more ADA accessible location on site). This will not affect the existing 194 units, but will add six more units of public housing units to the site for a total of 200 units. The six units are proposed to be for senior and physically disabled residents on the Authority's waiting list. The primary funding source for the construction is HUD's Replacement Housing Factor (RHF) \$649,293 funds with \$203,227 of leveraged funds. In addition, CFP funds are being used for predevelopment costs.

Although the use of the RHF funds does not require "substantial leverage" for the first five-year increments, the Authority is proposing to leverage an amount of non-public housing funds that is one-third of the total RHF funds. The 31% of the total \$649,293 RHF funds leverage will be accomplished with \$203,277 funds from the Mayor's Office of Housing (MOH).

Funding Sources for the construction of these six units

• Capital Fund Program (CFP)	\$60,000
• Mayor's Office of Housing (MOH)	\$203,227
• PHA Replacement Housing Factor 2003-2004	\$524,044
• PHA Replacement Housing Factor 2005	\$125,249
TOTAL	\$912,520

(2) Rosa Parks CAL 1-18(5), 198 public (senior) housing units

The San Francisco Redevelopment Agency (SFRA) recently increased the density of the Western Addition Redevelopment Plan where the 198 unit Rosa Parks senior housing development (CAL 1-18(5)) is located. The Authority, with its development partner, plans to build up to 100 new apartments on a vacant portion of the site. All units are proposed to be for senior and physically and developmentally disabled residents on the Authority's waiting list.

DEMOLITION AND DISPOSITION

As part of the Physical Needs Assessment conducted by the Authority on June 15, 2002, inspections were conducted at 42 of the Authority's public housing developments. Only developments recently developed or currently funded for a complete revitalization were omitted from this review. This assessment identified a backlog of immediate physical needs totaling over \$200 million (2002) and an annual accrual of new capital needs of \$26,000,000 million.

With a Capital Fund Program (CFP) allocation of less than \$14,000,000 each year, the Authority will never be able to fully address these needs through this program alone. In addition, the extent of the physical problems, the inappropriateness of existing site plans, and obsolescence of building designs at many Authority developments would make extensive repairs at these communities an ineffective long-term strategy.

Nevertheless, the Authority is committed to preserving every deteriorated low-income unit it manages, either through rehabilitation or replacement. The Authority has established an agency goal of pursuing every opportunity to demolish and rebuild obsolete and deteriorated public housing units in San Francisco. The serious shortage of affordable housing opportunities within the City mandates that the number of very low-income units not be reduced (as established in the City and County of San Francisco Consolidated Plan). Consequently, in July 2003, Authority staff released a HUD-approved Request for Qualifications (RFQ) to determine development partners' interest in improving these properties with non-Authority funds. Since then, our PHA Plan has delineated the following strategies to achieve these goals and enter into negotiations with some of these interested parties:

#1 The Physical Needs Assessment, and subsequent evaluations, identified site priorities to aggressively pursue redevelopment opportunities for disposition, demolition and reconstruction. Based on obsolescence and capital improvements needs, the following communities, Hunters View, Westbrook, Hunters Point, Potrero Terrace, Potrero Annex, Westside Courts, Sunnydale, Velasco and Alice Griffith are the most distressed communities that could possibly benefit from this transformation. The prioritization and revitalization of these communities has also been a City priority through the San Francisco Redevelopment Agency's plans for the area, the City's Consolidated Plan and City-wide Housing Element, and the Mayor's Office through its Comprehensive Housing Affordability Strategy (CHAS)-HUD required efforts.

#2 The Physical Needs Assessment identified secondary site priorities to pursue preservation, modernization and in-fill housing opportunities. Four sites, Alemany, JFK Towers, Rosa Parks and Woodside Gardens are currently identified for this strategy.

#3 The Physical Needs Assessment suggested the disposition of certain sites to use its net proceeds for other modernization and development opportunities across the Authority. These sites include 75-77 Coleridge, 101-103 Lundy's Lane and 275 Thrift as the choices for immediate disposition.

The Authority is now implementing some of these strategies, as shown based on timing, funding opportunities, and residents and community advisory groups' feedback. Site-specific community advisory teams composed of residents and the surrounding communities are being engaged in the pre-development process with the selected development teams. This process is already underway with Hunters View and Rosa Parks.

Statement of Progress in Meeting 5-Year Plan Mission and Goals

San Francisco Housing Authority --- Fiscal Years 2005-2009

Goal: Expand the supply of assisted housing.

The North Beach HOPE VI site is completed and fully occupied. It is a multi-use, multi-income, tax-credit property comprised of public housing, Section 8 and Mayor's Office of Housing affordable units. Additionally, it is the first public/private property that has a retail component (Trader Joe's, a national food store chain). The fifth and final HOPE VI site, Valencia Gardens, is under construction and will be ready for occupancy in 2006.

Construction of the 85-unit Eugene Coleman House, a financial partnership between the City and County of San Francisco, a non-profit housing developer and the Authority, was completed in 2005, and eligible San Franciscans now live at the site. In 2006-07, the SFHA will build an additional six units of housing at the Ping Yuen North family development. The SFHA continues its work with private developers to revitalize the Hunters View family development.

Goal: Improve the quality of assisted housing.

Through the Capital Fund and the Force Account Programs the SFHA has replaced roofs, boilers, added intercom systems, security cameras, painted units, and replaced windows throughout the fiscal year. The Authority has collaborated with the Mayor's Office of Community Development and the private sector to add playground/community space at some of its family developments. The SFHA continues to implement management improvements in order to raise PHAS and SEMAP scores.

Goal: Increase assisted housing choices.

The SFHA has an ongoing landlord retention and recruitment program; in order to get landlords their monthly HUD rent subsidies in a faster manner, the SFHA has established a direct deposit system for all Section 8 landlords. The SFHA continues to achieve a 100% utilization of all Housing Choice Vouchers. The SFHA in partnership with a faith-based community partner has provided the land for the building of affordable homes for first-time homebuyers. At its North Beach and Valencia Gardens HOPE VI sites, the SFHA has replaced all existing public housing units and has built an additional 256 units on the two sites. The Section 8 Program has finalized plans for its homeownership program.

Goal: Provide an improved living environment.

At all five of its HOPE VI sites, there is low-income public housing and housing for working families at tax credit units. The ongoing formal partnership between the Housing Authority and the San Francisco Police Department has reduced reported crime in the family developments in the southeastern sector of San Francisco. SFHA staff members regularly meet with law enforcement entities and community organizations in order to improve public safety. The Housing Authority also provides private security patrols at a number of its family developments. The SFHA has installed video cameras --- and will add more --- at some of its senior developments in order to prevent criminal activity.

Goal: Promote self-sufficiency and asset development of assisted households.

Starting in 2001, the SFHA began implementing a 25% resident hiring policy in addition to Section 3 goals for applicable construction and non-construction contracts. In partnership with the Sherwin Williams Paint Company the SFHA provides residents with paint training skills. The SFHA has added three onsite "family learning centers" in addition to its existing six centers; residents can learn and/or upgrade their job skills by learning various computer software programs. The SFHA participates in the San Francisco Unified School District's anti-truancy initiatives. Finally, in 2006, the SFHA has begun a summer youth employment program that offers public housing and Section 8 youths the opportunity to work at the SFHA for up to six weeks.

Goal: Ensure equal opportunity and affirmatively further fair housing.

The SFHA has established an Office of Fair Housing to respond to residents and applicants. This office investigates possible discrimination-based incidents and implements procedures for addressing allegations of incidents with a perceived or actual discriminatory dimension.

The SFHA provides Fair Housing information in the following languages: English, Russian, Chinese, Vietnamese and Spanish. In 2006, the SFHA will implement the Limited English Proficiency Plan as another way to provide meaningful access to its programs and services by persons with limited English Proficiency. As funding is available, the SFHA performs modernization work that makes identified public housing units accessible for persons with limited mobility issues. Periodically, the SFHA trains and provides Fair Housing information to its employees.

NARRATIVE

This Narrative sets forth the San Francisco Housing Authority (SFHA) overall capital improvement strategy for modernization, new construction, and replacement housing with highlights of the proposed 2006 Capital Fund Program (CFP) implementation and Replacement Housing Factor (RHF) predevelopment plans.

I. INTRODUCTION

The SFHA Commission, its Executive Director, and its Resident Advisory Board (RAB), have involved residents in the development and prioritizing of these CFP and RHF applications in partnership with SFHA staff. A letter inviting all residents and resident leaders to participate was mailed on March 18, 2006 to encourage residents of Section 8 and conventional (public) housing to attend the 2006 PHA Annual Plan Submission Review Process meetings. This partnership began with a SFHA staff meeting with residents and resident leaders to discuss the plan, its requirements, program goals and objectives, and implementation time lines. A CFP/HOPE VI (New Construction) RAB subcommittee was created at the first meeting. Residents participated in and advised on all activities required to complete the 2006 CFP/HOPE VI (New Construction) portion of the PHA Plan Application. Two other RAB sub-committees were formed; a Section 8-focused RAB sub-committee to discuss the Administrative Plan and a SFHA eligibility sub-committee focusing on changes proposed to the existing eligibility policies. Subsequently, these RAB subcommittees met on four other occasions to discuss the progress of the plan and attended a public hearing to receive feedback from the community. Two meetings with Community Partners and three SFHA in-house staff meetings were also held to inform these groups of RAB recommendations and to assure public and staff input.

➤ The Capital Fund Program (CFP)

The Physical Improvement goals outlined below focus on completion of capital improvements in progress, urgently needed work, and mandated improvements, all with energy conservation measures where cost effective.

- Urgently needed infrastructure improvements including: water main replacement; heating, plumbing, and boiler replacements; site electrical improvements; concrete restoration; roofing; waterproofing; and paving repairs.
- Interior unit upgrades including: kitchen sink and countertop replacement; range, refrigerator and cabinet replacement; asbestos, lead and mold abatement; and 504/ADA reasonable accommodations.
- Modernization of senior and family developments including: elevator upgrades; hardwire smoke detector installations; accessibility modifications; sidewalk repairs; exterior painting; and common space improvements.

In 2005 the Authority contracted the Nelrod Company to perform a Qualified Energy Audit in accordance with the methodology presented in HUD publications “HUD Rehabilitation Energy Guidelines for Multi-Family Dwellings” (1996), “HUD Rehabilitation Energy Guidelines for One to

Four Family” (Sept. 1996), and “Energy Conservation for Housing: A Workbook (1998).

Based upon the Audit, the Authority will pursue cost effective opportunities for saving energy, subject to fund availability, through Physical Improvements on work items such as: equipment replacement, appliance procurement, and significant renovations to units and buildings. Work included in the PHA’s Five Year CFP Plan includes:

1. Heating/cooling/DHW/distribution system replacement at Alice Griffith, Westside Courts, 1880 Pine, and 363 Noe Street.
2. Replacement and upgrades to mechanical systems with high maintenance operational costs PHA Wide and at Potrero Terrace, Potrero Annex, Sunnyside, Alemany, Hunters Point and Alice Griffith;
3. Window replacements for JFK Towers, 666 Ellis Street, 939 Eddy Street and 363 Noe Street;
4. Dwelling equipment replacement in PHA's Five Year Capital Fund Program (CFP) Plan; and,
5. Central laundry improvements at various sites are planned.

The Management Improvements (MI) goals include security and police protection, public housing authority (PHA-wide) computer software upgrades, and the implementation of a resident employment/economic self-sufficiency program.

The proposed work for the 2006 CFP complements and completes tasks in progress that are part of the 2006 Performance and Evaluation Report under the 2002, 2003, 2004 and 2005 Capital Fund Programs outlined below.

1. Exterior and interior stabilization of lead based paint, site improvements at family developments, and asbestos abatement at senior and family developments.
2. 504/ADA (Americans with Disabilities Act) accessibility modifications to apartments and common spaces and continuing upgrades to both senior and family developments.
3. The major work to be completed includes: boiler and hot waterline replacement; heating system improvements; waterproofing and structural repairs; window replacement; exterior painting; security gate and lighting improvements; disability modifications to apartments and common areas; range and refrigerator replacement; asbestos removal; utility line replacement; and site improvements.
4. Elevator repair and upgrades; fire alarm system and hardwire smoke detector installation; and at senior developments, stand by generator installations.
5. Interior modernization of resident management offices, public housing tenant association offices, property offices, and administration buildings.

The San Francisco Housing Authority is the largest landlord in the City of San Francisco with over 6,200 public housing units and over 7,000 Section 8 Voucher holders, and one of the few sources of housing for very low-income households. Operating subsidies and modernization funds, through the Capital Fund Program (CFP) provided by the Federal government on an annual basis, have not been adequate to keep the 40-plus year old conventional public housing stock in sound condition resulting in obsolescence and deterioration. Increased Federal support, innovative local financing techniques, energy conservation measures, efficient property management and maintenance, resident involvement, and economic opportunities for residents are all required to stabilize, maintain, and improve this valuable supply of affordable housing. In addition, long-range plans for public housing are being pursued to identify opportunities for rebuilding sites or adding infill housing to create mixed-income communities with both rental and homeownership housing in collaboration with community representatives, City agencies and Consolidated Plan goals.

➤ HOPE VI, Replacement Housing Factor Funds (RHF), Revitalization, Infill Housing and Disposition Activities

In June 2002, a Comprehensive Physical Needs Assessment completed for all Authority properties identified several sites best suited for disposition, infill or revitalization. These objectives have been identified as a high priority in every Authority Annual Plan since the 2002 Fiscal Year. As an initial step, from August 3, 2003 through September 30, 2003, the Authority publicly advertised for and distributed extensively to developers, a Request For Qualifications (RFQ) to Develop Authority-Owned Land that included 18 public housing sites. The Authority is now implementing some of these proposed plans based on need, funding opportunities, and resident/community advisory group feedback.

COLERIDGE -disposition/ sale of two (2) public housing units to provide improvements at other sites

The Authority has applied to HUD for the disposition of one of its smallest properties due to the overall dilapidation and high ongoing maintenance costs associated with scattered sites. Program income from this disposition would be used for constructing new public housing and for making improvements at other public housing sites where the Authority has a backlog of immediate physical needs. This vacant two unit property located at 75-77 Coleridge Street, is severely deteriorated, and would need substantial capital improvements to be habitable.

PING YUEN NORTH -infill/addition of six (6) public housing units on the top floor of the building

The Authority received \$649,293 in HUD Replacement Housing Factor (RHF) funds that are committed to building six(6) new wheelchair accessible apartments on the top floor of Ping Yuen North in unimproved vacant space. These RHF funds have been obligated and construction is underway. A small amount of CFP funding, \$60,000, was used for the predevelopment costs. Additional funding or leverage comes from \$203,277 awarded by the Mayor's Office of Housing.

ROSA PARKS ANNEX – Infill/addition of up to 100 subsidized housing units

Underutilized portions of the Rosa Parks site were identified as an opportunity to build subsidized units. In response to the RFQ for developers, the Authority received a strong Statement of Qualifications for adding housing at this site from a well qualified development team Citizens Housing Corporation and the Related Companies and their co-sponsors. A selection panel that included residents and community representatives approved the team and the Commission

authorized the Executive Director to begin negotiations, identify funding opportunities, and work with the residents and the community on a viable design and financing plan.

HOPE VI SAN FRANCISCO - Hunters View revitalization, up to 600 public, subsidized, homeownership units

Mayor Gavin Newson proposed a HOPE VI-like approach to revitalizing target inner city areas including Hunters View, considered to be one of the most severely distressed of the Authority's housing developments. As part of the RFQ process, the development team of (1) Ridgpoint Non-Profit Housing Corporation, The John Stewart Company, and Devine & Gong, Inc., was selected to revitalize Hunters View. The Authority, with its development partner, plans to demolish and rebuild approximately 600 mixed income units at this very low-density site, including 267 replacement public housing units, homes for first time homebuyers and/or market rate apartments and homes.

OTHER REVITALIZATION EFFORTS

Although HOPE VI funding is extremely limited, the Authority continues to pursue innovative and financially feasible approaches to building additional public and affordable housing. In cooperation with the San Francisco Redevelopment Agency, the Mayor's Office of Housing and the for- and non-profit housing developers, many new ideas are in the pipeline.

In the meantime, SFHA is completing and occupying its fifth HOPE VI site, Valencia Gardens in the Mission District. The four completed HOPE VI sites: Hayes Valley, Bernal Dwellings, Plaza East, and North Beach are serving as national models to public housing everywhere, hence changing the way we perceive public housing.

II. IDENTIFICATION OF PHYSICAL AND MANAGEMENT NEEDS (based on the 2004 Comprehensive Physical Assessment as updated with resident and staff input):

The SFHA is continually evaluating physical and management needs at all of the forty-six public housing developments. The identification process started in 1990 with the hiring of two consulting firms to prepare formal physical and management needs assessments. These original Management and Physical Assessment Plans were presented in the 1991 CGP Submittal. In 1997 they were updated with the guidance and assistance of the U.S. Department of Housing and Urban Development (HUD) Intervention and Recovery Teams.

In 2002, a new, Comprehensive Physical Needs Assessment was developed with input from residents, resident organizations, and SFHA staff in an effort lead by the Consultant, DLR Group. The DLR Group was hired back in 2004 to update the Needs Assessment with more current information. The review and prioritizing of the 2006 needs assessment was completed with input from the RAB comprised of Resident leaders, Residents, and Staff members.

Based on SFHA needs and federal regulations for the Capital Fund Program, program goals and objectives were developed. They serve as a guide in determining the specific work items and priorities that will be included in the Capital Fund Program Plan. This overall strategy is consistent with the needs of the SFHA and reflects the urgency of each work item. The strategy must also reflect those items that are mandated by law, local and federal regulations or previous commitments made by the SFHA:

PRIORITY ONE: MANDATORY PHYSICAL & MANAGEMENT IMPROVEMENTS

- 1a. Lead Based Paint (LBP) abatement or in-place management activities.
- 1b. Asbestos Containing Material (ACM) abatement activities.
- 1c. Mold and Moisture abatement.
- 1d. Modification of apartments and common areas for use by disabled to comply with ADA and/or 504 requirements.
- 1e. Emergency improvements for life safety problems, and property stabilization by addressing leaking roofs and waterproofing buildings exterior.
- 1f. Management improvement activities required by legal settlement, HUD audit finding, or identified by HUD's PHAS.
- 1g. Completion of Comprehensive modernization activities funded through CFP

PRIORITY TWO: URGENT PHYSICAL & MANAGEMENT IMPROVEMENTS

- 2a. Emergency improvements such as chronic malfunctioning elevators, correction of hazardous conditions, etc.
- 2b. Identification and proper abatement of potentially toxic materials and unhealthy conditions. Specific activities would include testing and abatement of asbestos, lead, chronic mildew, etc. Repair/replacement/installation of ventilation systems.
- 2c. Improvements that will enhance the security of residents. Such activities would include installation of vandal resistant security lighting, security grills, gates, etc.
- 2d. Control of criminal activities. Such activities would include continuation of the

successful public safety program of expanded patrols of San Francisco police officers at selective SFHA sites that have known criminal actives.

PRIORITY THREE: SERIOUS PHYSICAL & MANAGEMENT IMPROVEMENTS

- 3a. Major repairs to heating, plumbing, sewer, electrical systems, etc.
- 3b. Physical improvements to non-dwelling space for the expansion or improvement of resident activities and services and SFHA management operations.
- 3c. Improvements to SFHA management operations to improve efficiency and the delivery of services to residents.

REMAINING PHYSICAL, MANAGEMENT, AND OTHER NEEDS

Remaining physical and management improvements are those that are addressed based on the severity of the problem, the efficiency of addressing the problem along with other more urgent items or on the cost savings that will result from completing the improvement.

- Management Issues - timely street cleaning, tree pruning, sidewalk repair, anti-vandalism strategies, appropriate trash collection system, proper cleaning of site, on-site security, site resident monitors, neighborhood programs to monitor loitering, recycling programs for each site, TA offices for the senior developments, and graffiti abatement, among others.
- Maintenance Issues- clean up of playground facilities, better maintenance programs for elevators and boilers, availability of maintenance workers who live in the city during emergency calls, intercom systems for all the senior developments, new furnishings for public areas when needed, well maintained doors and windows, proper graffiti abatement, addition of weather stripping on all doors, addition of handrails to dangerous areas/ areas with seniors, add landscape irrigation system, timely maintenance response, kitchen cabinet repair, wall heater replacement, general unit improvements and need for new appliances, among others.
- Self-Sufficiency Issues - family planning services, senior care services, age-specific programs for children, summer programs, lunch programs, resident-owned businesses, social service programs, computer resource centers at all family developments and some senior developments, on-site activities/ programs for the senior developments, TA/ RMC monitoring and coordination, monitoring of TA/ RMC elections process, resident involvement in the expenditure of programs such as DEP, etc., and transportation arrangements for seniors, among others.

ADDRESSING DEVELOPMENTS WITH HIGHER NEEDS

Where many serious improvements are needed and the repair, replacement or redesign of major building elements will require the temporary relocation of families to allow for the work to proceed, a comprehensive rehabilitation approach is developed. All-important physical problems will be addressed at that time, funding permitting to maximize the efficiency and long-range success, and to reduce overall cost associated with such efforts. When family relocation is not

required and improvements can be completed without major disruptions, funding permitting, a sequenced rehabilitation approach will be followed.

COORDINATED ACTIVITIES TO ENSURE EFFICIENCY

When work items are to be completed at different times at one particular development, activities are sequenced to maximize efficiency. Building exteriors are not repainted until lead-based paint testing has been completed, for example. No completed work should have to be disturbed to address a subsequent non-emergency work item. This strategy may vary according to the condition of the building.

When special mobilization is required to address an item that is needed at several developments, the inclusion of all of these developments into a single effort will be considered.

Maintenance and management issues brought up at the RAB meetings and citywide public hearings shall be referred to the appropriate departments, including Maintenance and Management.

III. STRATEGY STATEMENT

To ensure that the CFP funding is effectively and efficiently utilized, a clear and appropriate set of program goals and objectives was developed to serve as a guide in determining the specific work items and location priorities that will be included in the Capital Fund Plan. These program goals and objectives were discussed at length at the RAB meetings and used to develop this year's plans.

This overall strategy is consistent with the needs of SFHA and reflects the urgency of each work item and the priorities as identified by both residents and staff members of the RAB. The strategy also reflects those items that are mandated by law, local and federal regulations or previous commitments made by the SFHA. The strategy that has been developed for this program is in accordance to the priorities identified in Section II.

RESIDENT HIRING

For all job tasks and contracts that are over a certain amount and subsidized with federal dollars, the maximum number on public housing residents will be hired as part of the on-site work, and will be trained according to their skills, performance evaluation and desire to acquire job experience in either building trades, landscaping or administrative/ clerical positions. The goal will be to assist these residents to become self-sufficient, so that they can move on to jobs outside of the SFHA. Any contractors with the SFHA will be required to provide resident hiring per San Francisco Housing Authority Policies and Section 3 federal requirements.

IV. RESIDENT PARTNERSHIP PROCESS SUMMARY:

PREPARATION OF CAPITAL FUND PROGRAM 2006 ANNUAL SUBMISSION

The San Francisco Housing Authority has consistently involved residents in the development of modernization funding applications. The following are activities involving resident notifications and meetings regarding the 2006 Capital Fund Program Annual Submission.

On March 18, 2006, a letter and survey form translated in five (5) languages, was sent to Resident leaders, Tenant Associations, RMC's and Citywide Public Housing and Section 8 Residents informing them of the 2006 Public Housing Authority (PHA) Plan, annual submittal and its requirements. Over 13,000 families were summoned to meet at the West Bay Conference Center, located at 1230 Fillmore Street, San Francisco.

On April 12, 2006, a meeting was held with residents and resident leaders from Section 8 and public housing developments throughout the city. At this meeting the overall PHA Plan submittal process and requirements were discussed and an invitation to join the RAB was suggested. The role of this RAB would be to ensure resident participation throughout the application development process.

On April 18, 2006, Sub-Committees were established to discuss the different areas to be covered by the PHA Plan submittal. The CFP/HOPE VI subcommittee was established; along with two other RAB sub-committees, a Section 8-focused RAB sub-committee to discuss the Administrative Plan and a SFHA eligibility sub-committee focusing in changes proposed to the existing eligibility policies. The first meeting of these committees was held on this date. The RABs reviewed and discussed the Annual Submission application schedule and process.

On April 25, 2006, the second meeting of the RAB subcommittees was held. The RAB reviewed and discussed the program's strategy and priorities. The 2006 CFP/HOPE VI and Modernization strategies and priorities were defined. All Physical and Management Improvement items submitted for 2006 Annual Statement were reviewed and prioritized

On May 2, 2006, the third meeting of the RAB subcommittees was held. The 2006 Five-Year Plan strategies and priorities were defined. All Physical and Management Improvement items submitted for 2006 Five-Year Plan were reviewed and prioritized. The overall application schedule and process was then reviewed. The details of the Public Hearing were discussed and plan for a presentation by the RAB subcommittees was discussed. The RAB approved the proposed 2006 CFP Annual Statement and Five Year Plan as presented and discussed at this meeting.

On May 9, 2006, the fourth meeting of the RAB subcommittees was held. The Performance and Evaluation Report for the 2002/03/04/05 Capital Fund Program were presented. The Committee then reviewed the budgets with specific modernization items listed. After discussion, the four program reports were approved.

On June 14, 2006, a Public Hearing on the 2006 PHA Plan Annual and the Capital Fund Program Submission was held at the West Bay Conference Center in the Fillmore District. All public housing residents were notified of this meeting by mail on May 25, 2006. The Public Hearing was advertised on local newspapers on April 30, 2006. Drafts of the 2006 PHA Plan and CFP annual Statement, revised Five-year Plan and Performance and Evaluation reports were posted at all Property Managers' Offices, Tenants Associations' Offices and SFHA management offices at 440 Turk and 1815 Egbert Avenue for public review during 45 days previous to this Public Hearing. The Plan's issues were presented and results were discussed in detail.

On June 15, 2006, SFHA staff presented the 2006 PHA Plan Annual Submission to the SFHA Commission Board for review and approval.

On July 11, 2006, the approved, Final 2006 PHA Plan and its attachments will be submitted to the local, United States Housing and Urban Development (HUD) office for approval.

V. LOCAL GOVERNMENT REVIEW

The SFHA has been participating in the city of San Francisco's Comprehensive Housing Affordability Strategy (CHAS) since early 1991. This group is coordinated by the Mayor's Office of Housing (MOH) and includes numerous other city agencies, community-based housing development organizations, housing advocacy groups, and service providers. In late 1997, a CHAS Public Housing Subcommittee was created and sponsored by the SFHA - it meets on a monthly basis, the second Tuesday of the month. This CHAS Subcommittee has been influential in assessing and reviewing of issues and gives support to the SFHA's tasks at hand, including HOPE VI, Modernization, and the SFHA's approach to development activities, along with getting continuous support from city agencies, non-profits and other stakeholders.

SFHA needs, based on the 2002/04 Comprehensive Plan for Physical Improvements and the 2002/04 Comprehensive Management Assessment Report and Improvement Plan have been discussed in the context of this citywide comprehensive housing planning process and have been developed in consultation with the CHAS Subcommittee. Long-range SFHA goals and information on the total SFHA physical and management improvement needs have been presented to this group, and made available at the management offices for their review. As new SFHA plans for improvements are developed and as funding is identified, they will also be discussed.

Under the leadership of the Executive Director, SFHA's 2006 PHA Plan implementation will re-evaluate needs and develop subsequent annual plans, and will continue to be coordinating with the Mayor's Office of Housing, Mayor's Office of Community Development, the San Francisco Redevelopment Agency, and other city agencies and stakeholders.

Attachment to San Francisco Housing Authority Lease Agreement

This document is an attachment to the written Dwelling Lease ("Lease") between the San Francisco Housing Authority (SFHA) and the undersigned tenants, dated _____, _____, 200__.

The Lease shall be renewed automatically, unless the family fails to comply with the community service requirement. Violation of the service requirement is grounds for nonrenewal of the lease at the end of the twelve-month term.

If the tenant, or another family member, has violated the community service requirement, the San Francisco Housing Authority will not renew the Lease upon expiration of the term unless (1) the tenant, or any other noncompliant resident, enter into a written agreement to cure such noncompliance by completing the additional hours of community service or economic self-sufficiency activity needed to make up the total number of hours required over the twelve-month term of the new lease and (2) all other members of the family, who are subject to the service requirement, are currently in compliance or are no longer residing in the unit.

BAY AREA LEGAL AID

WORKING TOGETHER FOR JUSTICE

June 12, 2006

**RE: Comments to San Francisco Housing Authority's
FY 2006 Annual Plan, ACOP, Section 8 Administrative Plan, and Lease**

Dear Mr. Davis:

Bay Area Legal Aid ("Bay Legal") submits the following comments in connection with the San Francisco Housing Authority's FY 2006/2007 Annual Plan, including proposed revisions to the Admissions and Continued Occupancy Policy (ACOP), the Section 8 Administrative Plan, and the conventional public housing lease. BayLegal is a provider of free legal services to low-income persons in the Bay Area. BayLegal works closely with low-income tenants and residents of public housing in San Francisco.

We are aware of and recognize the challenges faced by the San Francisco Housing Authority (SFHA). With this in mind we submit these comments in the hope that they are the first step in a continuing dialogue that will help the SFHA administer its housing programs and continue to serve the low-income residents of San Francisco.

Our comments offer specific comments on three topics: 1) Recent legislation addressing the unique needs of domestic violence survivors in public housing programs; 2) Implementing the Settlement requirements of Williams vs. San Francisco Housing Authority lawsuit to accommodate the access needs of applicants, participants and tenants with disabilities; 3) services for participants/tenants with limited English proficiency.

REQUIREMENTS UNDER THE 2005 VIOLENCE AGAINST WOMEN ACT

On January 5, 2006, President Bush signed into law the Violence Against Women Act of 2005 ("VAWA"). The federal law sets forth new requirements that provide special protections for victims of domestic violence, dating violence, and stalking, living in government-subsidized,

voucher-assisted, and public housing units.¹ The provisions of VAWA require SFHA to amend the ACOP, the Section 8 Administrative Plan, and the SFHA Lease Agreement in numerous ways in order to comply with federal law. We have described the needed changes below, attached a copy of the ACOP with our proposed revisions, and included detailed proposed revisions to the Section 8 Administrative Plan and Proposed Lease below.

Denial of Housing to Victims Based on Victim Status Prohibited

In recognition of the vast numbers of domestic violence victims who, because of their efforts to seek help from family law courts, law enforcement, or victim support groups, are punished their attempts to protect themselves from their abusers by the loss or denial of their federal housing, VAWA provides that an individual's status as a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of admission or denial of housing assistance by a Public Housing Authority (PHA) or private landlord. See 42 U.S.C. §§ 1437d(c)(3), 1437f(c)(9)(A); 1437f(d)(1)(A); 1437f(o)(B) (2006).

Consequently, the eligibility factors on the SFHA wait list for conventional housing and the Section 8 Administrative Plan must be amended to prevent SFHA from denying admission to conventional housing or section 8 housing applicants due to their being victims of domestic violence or stalking.

Eviction of Victim Due to Domestic Violence or Stalking Prohibited

Similarly, VAWA prohibits a PHA or private landlord from relying upon "one-strike" criminal act eviction rules or "zero-tolerance" policies to evict, or terminate subsidies for, tenants or who are victims of domestic violence or stalking. VAWA prohibits PHA's from holding victims of domestic violence accountable for violent crimes and acts perpetrated against them by other family, household members, or guests. See 42 U.S.C. §§ 1437d(c)(3); 1437f(c)(9)(A); 1437f(d)(1)(A); 1437f(d)(1)(C); 1437f(o)(B); § 1437f(o)(20)(B) (2006). The ACOP, Section 8 Administrative Plan and Lease Agreement must all reflect these provisions.

Honoring Court Orders

VAWA seeks to ensure that PHA's honor court orders that address rights of access to or control of the property, including restraining orders which address the possession or use of property. 42 U.S.C. §§ 1437d(1)(6)(C); 1437f(o)(7)(D)(iii) and (o)(20)(D)(ii) (2006); 1437f(c)(9)(C)(iii) and(d)(1)(B)(iii)(III) (2006).

Bifurcation of Leases

¹ While the federal VAWA has separate categories for "domestic violence" and "dating violence," the definition of "domestic violence" in California Family Code § 6211 encompasses both of the federal categories, so for simplicity, we are proposing that the California definition be used and have referred throughout our comments simply to victims of domestic violence rather than domestic violence and dating violence.

Comments to 2006 Annual Plan

June 12, 2006

Page 3 of 22

VAWA explicitly permits SFHA or a private landlord to bifurcate a lease in order to evict or terminate assistance to a tenant who engages in violence against others, without evicting or terminating assistance to the remaining tenants who are the victims of this violence. 42 U.S.C. §§ 1437d(1)(6)(B); 1437f(o)(7)(D)(ii)(2006); 1437f(c)(9)(C)(ii) and (d)(1)(B)(iii)(II)(2006). The SFHA lease should include language on the possibility of bifurcating the lease in these situations.

Confidentiality

If an individual provides certification of domestic violence, the PHA or Section 8 landlord must keep the information confidential, including the individual's status as a victim of domestic violence, dating violence, or stalking. A PHA or Section 8 landlord may not enter the information into any shared database or provide it to any related entity. However, a PHA or Section 8 landlord may disclose the information if: the victim requests or consents to the disclosure in writing; the information is required for use in eviction proceedings related to whether the incident or incidents in questions qualify as a serious or repeated violation of the lease or criminal activity directly relating to domestic violence, dating violence, or stalking; or disclosure is otherwise required by law. See 42 U.S.C. § 1437d(u)(2)(A) (2006); 42 U.S.C. § 1437f(ee)(2)(A) (2006). These confidentiality rules must be added to the ACOP and the Section 8 Administrative Plan.

Informing Tenants of Domestic Violence Provisions

SFHA must inform tenants of their rights as domestic violence or stalking victims, and inform owners and managers of their rights and obligations under VAWA. 42 U.S.C. §§ 1437d(u)(2)(B) 1437f(ee)(2)(B) (2006). Thus this information should be incorporated into SFHA orientations for conventional housing and Section 8. The SFHA lease, the housing assistance payment contract between SFHA and participating landlords in the Section 8 voucher program, and contracts in the Project-Based Section 8 program must all explicitly include the information that an incident of domestic violence or stalking does not qualify as serious or repeated violations of the lease, and that criminal activity directly relating to domestic violence, dating violence, or stalking does not constitute grounds for termination of a tenancy; and that new confidentiality provisions govern the disclosure of information under the law. 42 U.S.C. §§ 1437d(l)(5), (6); 1437f(o)(7)(C), (o)(7)(D), and (o)(20); 1437f(c) and (d) (2006). Additionally, SFHA must inform Section 8 voucher tenants of the possibility of voucher portability between jurisdictions to escape an imminent threat of further violence from domestic violence or stalking. 42 U.S.C. § 1437f(ee)(2)(B) (2006).

PHA Plans Must Address Domestic Violence

SFHA must include in its annual plan a description of any services it offers to victims of domestic violence, sexual assault, or stalking. 42 U.S.C. § 1437c-1(d)(13) (2006).

The SFHA 5-year plan must now include a statement of the goals and policies or programs that enable SFHA to serve the needs of victims of domestic violence, sexual assault,

and stalking, and a description of services that it offers to these victims. 42 U.S.C. § 1437c-1(a)(2).

SERVICES FOR PARTICIPANTS/TENANTS
WITH LIMITED ENGLISH PROFICIENCY.

SFHA has proposed a limited English Proficiency Plan for both its Conventional Public Housing and Section 8 Voucher Programs.

It can hardly be a subject to debate that there is a critical need for interpretation and translation services in San Francisco. According to the 2000 U.S. Census in the San Francisco Bay Area, 40% of families speak a language other than English at home.

The SFHA recognizes the language diversity of its program participants by the publication of notice of its Commission meetings in English, Spanish, Chinese, Russian and Vietnamese. On its website the SFHA demographic indicates that 26.6% of its program participants are Asian/Pacific Islander and 9.6% are Hispanic.

The primary deficiency of SFHA's LEP Plan is that it grants unfettered discretion to SFHA to determine when translation or interpretation will be provided. While SFHA states that it has adopted a plan to provide access to its programs and activities with Limited English Proficiency ("LEP"), it qualifies that commitment with the caveat that "The SFHA will determine when interpretation and/or translation are needed and are reasonable." SFHA's plan fails to provide any guidance to employees or program participants how or when translation or interpretation would be provided.

SFHA's proposed Plan for the provision of services to LEP individuals is deficient in the following respects:

- (1) An immediate assessment of LEP populations who may be eligible to access SFHA programs;
- (2) Afterward, clear guidance for employees when translation, interpretation access is needed;
- (3) To inform program participants of their right to translation and interpretation;
- (4) the provision of competent oral interpretation/translation such that LEP applicants and residents have an effective means to orally communicate with SFHA without reliance on family members or friends;
- (5) translation of vital all SFHA documents; and
- (6) a means by which LEP applicants and residents may register any complaints they have related to language barriers encountered in SFHA.

Dear Mr. Fortner:

Thank you for your frank discussion of the San Francisco Housing Authority at yesterday's Ten Year Plan Implementation Council meeting. The members of the Council appreciate your input as it works to end homelessness in San Francisco.

Per your suggestion, the Council would like to submit its comments to the admissions and continued occupancy plan for inclusion into the Agency plan.

As we discussed, we would ask that the San Francisco Housing Authority include in its Capital Fund Program (CFP) a plan to set aside units for behavioral health treatment, much like it does for HOPWA and Shelter Plus Care. If there are federal rules or regulations preventing this, we would like the San Francisco Housing Authority to ask for a waiver so that the San Francisco Ten Year Plan Implementation Council can be in compliance with the federal Inter-group Clearing House on Homeless as meeting its goals and objectives.

We would also ask that the in the admissions and (continued) occupancy plan, the Housing Authority's eligibility lists and placement priorities be redesigned to reflect the San Francisco Ten Year Plan.

Thank you for your serious consideration of this matter,

Annual Plan Comments (SFHA)

Section 3

The San Francisco Housing Authority (SFHA) has previously recognized the need to identify new and better ways to encourage and support increased employment and contracting opportunities for its residents and resident-owned businesses. As such, the 2006 Annual Plan should expressly discuss how these concerns could partially be addressed through HUD's Section 3 program.

The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons.¹ The implementing regulations set forth numerical goals for hiring and training opportunities for low- and very low-income individuals (30% of new hires must be low- or very low-income individuals of the county) by the recipient of housing and community development funds and any contractors. In addition, the regulations set forth goals for contracting by SFHA or by its contractors with Section 3 businesses.² The goals for contracting with Section 3 businesses are 10% of all contracts for building trades work arising from construction and rehabilitation and 3% for other contracts.

SFHA has historically attempted to achieve its Section 3 obligations through local policies that partially exceed the HUD-defined Section 3 goals. For example, SFHA has established a hiring goal that requires a hiring priority be given to Section 3 residents on twenty-five percent (25%) of *the total workforce* (person-hours for all contractors and subcontractors) construction projects and other construction related activities (e.g. architects and engineers). We would like to know how close SFHA has come to reaching the goal of 25% of total workforce hours; moreover, we urge SFHA to incorporate this information into the 2006 Annual Plan. In addition, we would like to know about the impediments that SFHA has encountered while administering its Section 3 program and likewise what steps SFHA has taken to successfully negotiate around those impediments.

With the experience that SFHA has with Section 3, the Annual Plan should expressly establish numerical goals for hiring Section 3 residents. These numerical goals should state the anticipated number of very low- and low-income individuals who will be hired and/or trained. In addition, the Annual Plan should also establish numerical goals for Section 3 business contracting. These contracting goals should be stated in terms of the anticipated total dollar amounts of such contracts to be awarded to Section 3 businesses. And in light of the \$13.4 million of 2006 Capital Fund funding that was recently awarded to SFHA there should be a considerable number of contracting opportunities made available to Section 3 businesses in the coming year.

In conclusion, while SFHA's Section 3 program is commendable, even greater strides could be made if defined numerical standards and enforcement policies were incorporated into the SFHA's anti-poverty strategy. Therefore, we urge SFHA to incorporate the above noted hiring and contracting standards into its 2006 Annual Plan.

National Housing Law Project

¹ 12 U.S.C.A. § 1701u(b) (2006).

² 24 C.F.R. § 135.5 (2006).

Catherine Bishop,

Alaric Degrafinried.

It is necessary to point out that the obligation to make its program accessible to LEP program participants and applicants is not a matter of discretion. Instead there are several bases in the law requiring meaningful language access.

FEDERAL LAW RECOGNIZES THE AFFIRMATIVE RESPONSIBILITY OF FEDERAL FUNDS TO REMOVE LANGUAGE BARRIERS.

In *Lau v. Nichols*, 414 U.S. 563 (1974) the United States Supreme Court held that LEP persons are protected under national origin, pursuant to 42 U.S.C. § 2000d *et seq.* The court recognized that recipients of federal funds have an affirmative responsibility to provide LEP persons with meaningful opportunity to participate in public programs by removing language barriers.

In August 2000, the President of the United States issued an **Executive Order** reminding recipients of federal financial assistance to “take reasonable steps to ensure meaningful access to their programs and activities by LEP persons.” 65 Fed. Reg. 50121 (August 16, 2000). President Bush’s administration reaffirmed the Executive Order in a memorandum issued by the Department of Justice’s Civil Rights Division in October 2001. See Ralph F. Boyd, Jr., Asst. Atty. Gen., Civil Rights Div., “Memorandum for Heads of Departments and Agencies, General Counsels and Civil Rights Directors; Executive Order 13166 (Improving Access to Services for Persons with Limited English Proficiency,” (U.S. Dept. of Justice, October 26, 2001.)

Pursuant to the Executive Order, the Department of Justice (DOJ) issued a Policy Guidance on recipient obligations to provide language accessible services under Title VI that applies to all federally funded programs. The DOJ guidance applies until such time that HUD itself issues its own guidance.

The DOJ Guidance specifically states that “to avoid discrimination against LEP persons on the ground of national origin, recipients must take reasonable steps to ensure that LEP persons have meaningful access to programs, services, and information those recipients provide, *free of charge.*” 67 Fed. Reg. 19237 (April 18, 2002) (emphasis added). While the Guidance employs a multifactor approach to determine how language accessible services must be provided to members of particular language groups, at a minimum, to comply with civil rights obligations federally funded agencies must provide free oral interpretation and written translation of vital materials. *Id.* at 19241-19244. The type of interpretive service that must be provided will vary from employing bilingual staff, interpreters, telephonic interpretive services and/or other adequate interpretive services.

The Guidance discourages the use of friends of relatives as interpreters and particularly frowns on using children as interpreters.

The Guidance also strongly encourages agencies to assess the needs of LEP populations using a four-factor balancing test, to develop a comprehensive written policy on language access that spells out how bilingual oral interpretations and written translations will be provided, to develop an implementation and monitoring system, to provide training to staff on implementing

the policy, and to develop and provide a system for the filing of civil rights complaints regarding an agencies' alleged failure to the provide appropriate language assistance.

CALIFORNIA REQUIRES LOCAL AND STATE AGENCIES SUCH AS SFHA SERVING SUBSTANTIAL NUMBERS OF LIMITED ENGLISH PERSONS TO PROVIDE LANGUAGE ACCESS.

California's Dymally-Alatorre Bilingual Services Act. (Cal. Gov. Code § 7290 *et seq.*) mandates that state and local agencies serving a substantial number of non-English speaking people must employ a sufficient number of qualified bilingual persons in public contact positions or as interpreters to assist those in such positions to ensure the provision of information and services in the language of the non-English speaking person. *Id.* at §§ 7292-93. The Act further mandates that state and local agencies that serve a substantial number of non-English-speaking people must translate certain materials explaining services available and notice of the availability of such materials into any non-English language spoken by a substantial number of the public served by the agencies. *Id.* at §§ 7295, 7295.2. For state agencies, a "substantial number of non-English speaking people" constitute "members of a group. . . who comprise 5 percent or more of the people served by any local office or facility of a state agency." *Id.* at § 7296.2. As recently amended the Act also requires agencies to develop compliance plans.

CALIFORNIA ENABLING HOUSING AUTHORITY LAW, HEALTH AND SAFETY CODE SECTION 34332(H), REQUIRES SFHA TO PROVIDE ADDENDUMS TO LEASES OF THE AVAILABILITY OF WRITTEN TRANSLATIONS AND/OR ORAL INTERPRETATION SERVICES AVAILABLE TO TENANTS.

Section 34332 of the California Health and Safety code provides as follows:

An authority shall do all of the following:

...

(h) Distribute as an addendum to its lease form notice of the availability of: (1) leasing and occupancy policies, regulations and procedures, (2) notices of meetings, and summary agendas (3) grievance procedures, (4) any available written translations into languages other than English of notices, records, or documents required by this section to be posted or made available to tenants, and (5) any oral translation services available to tenants not speaking, reading, or understanding English.

Interpretation Services.

The Plan in essence translates into not having effective oral interpretation. It is not sufficient for SFHA to say that it will "determine when interpretation and/or translation are reasonable." SFHA must develop specific proposed methods for providing oral interpretation under Title VI. Dymally Alatorre requires that sufficient bilingual staff be employed when a language group reaches 5% of the population. In San Francisco, according to the 2000 Census, Spanish and Chinese (Cantonese) clearly reach this threshold and Russian comes very close to

reaching the threshold. Oral interpretation must be provided at each stage of each program. Thus, SFHA must ensure that outreach, hearings, and any circumstance where there is public contact that is relevant to eligibility, and provision of program benefits are language accessible. The Plan must state that the oral interpretation must be free and must discourage the use of family members, friends and in particular children as interpreters.

Translation of Written Materials

SFHA's plan would also violate its obligations to translate written materials. There is no mention of which documents will be translated into which languages. Title VI requires that vital documents be translated into languages and specifically suggests a "safe harbor" method for identifying the languages and the vital documents. *See* 67 Fed. Reg. 19243-44. Specifically, the Guidance states that the following action will be considered strong evidence of compliance with the recipient's written translation obligations: "written translations of vital documents for each eligible LEP language group that constitutes five percent or 1,000, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered." *Id.* at 19244. Moreover, the clear policy purpose of federal civil rights law in this area is to ensure that LEP clients receive the same level of services as English speakers.

As mentioned above, the Dymally-Alatorre Act similarly requires state and local agencies to translate materials explaining services and notices of the availability of those services into the non-English languages spoken by a substantial number of the public served by such agencies.

At the very least, SFHA must translate documents as prescribed in Dymally-Alatorre into Spanish, Chinese and Russian if not Vietnamese and other identified LEP speakers.

While not requiring translation, the California Health and Safety Code Section 34332(h) cited above requires that lease addendums contain certain information regarding available written translations and oral interpretation.

**IMPLEMENTING THE SETTLEMENT AGREEMENT OF
WILLIAMS VS. SAN FRANCISCO HOUSING AUTHORITY.**

In 1992, the parties in Williams vs. San Francisco Housing Authority, Case No. C-90-2150 U.S. District Court Northern District of California, settled a class action law suit in which the SFHA, among other things, agreed to make available a certain number of conventional public housing apartments accessible to persons with disabilities. Implementation of this settlement is still pending. To date, the SFHA has failed to make required changes in policy to implement this settlement agreement.

SFHA has failed to take into consideration the safety needs of class members in making offers of transfers.

Paragraph 5.3 requires the SFHA to take into consideration “the extra safety needs of members of the subject class in defining the accessibility and making offers of transfer units. . .”

Nonetheless, class members presently residing in developments with high incidents of crime have been offered apartments in developments with even higher incidents of crime.

SFHA has failed to grant a preference to class members for accessible units when available.

Paragraph 5. 4. Provides “accessible units will not be offered to persons who are not members of the subject class until such units have been offered to all who are members of the subject class on the transfer request list or the waiting list.”

A large number of the 500 units that SFHA has identified as accessible are located at either at either North Beach or Valencia Gardens.

Presently, SFHA uses a private company to manage certain of its public housing units including North Beach Apartments and Valencia Gardens. The private management companies impose additional eligibility criteria such as credit screening which has excluded class members who should otherwise be placed at the newly developed accessible units.

If class members are currently SFHA tenants in good standing or deemed eligible for SFHA conventional public housing, no additional eligibility criteria can be imposed to exclude them without violating the Settlement Agreement.

SFHA’s present transfer policy makes no reference to the Settlement Agreement and does not provide any mechanism to assure that members of the class in need of accessible units are offered appropriate accessible units before others on the wait list. Moreover, there is no indication that SFHA’s private management companies for these developments are even aware of this preference for class members.

SFHA's present transfer policy of the ACOP fails to reflect its obligations in the Settlement Agreement.

With the passage of time and the change in SFHA personnel, present SFHA staff may not be aware of the rights of class members since SFHA has no specific written policy to guide present or future SFHA staff.

In order for SFHA to meet its obligations of the Settlement Agreement in necessarily needs to adopt as a part of its "Admissions and Continued Occupancy Policy" specific transfer policies that allow the preference for class members who may still be languishing on the waitlist or on the transfer list.

This policy, among other things, needs to provide a mechanism to assure that appropriate sized accessible units are offered to class members first as those units come available. This would include any of the identified 93 units coming available at Valencia Gardens.

SUGGESTED CHANGES TO THE SECTION 8 ADMINISTRATIVE PLAN

As noted above, VAWA 2005 requires numerous changes to the Section 8 Administrative Plan. Below please find the changes we think are necessary or encouraged by VAWA 2005:

§2.3h: Absences from Unit: (p. 15)

Add to 2.: Absences beyond the control of the family (i.e. domestic violence or stalking of a family member)

§5.2.1 : Preferences for Involuntary Displacement (p. 36):

Domestic Violence: an applicant who has vacated or needs to vacate due to actual or threatened physical violence directed against the applicant or one or more family members of the applicant's family by ~~a spouse or other household member, who lives in housing with an individual who engages in such violence~~ a current or former spouse or cohabitant, person with whom the applicant has or had a dating relationship; person with whom the applicant has a child, or another family member.

§ 5.6 (p. 40)

Add:

SFHA may not deny listing an applicant or remove an applicant from the wait list, deny or withdraw a voucher or refuse to enter into a HAP contract, approve a lease, or provide portability assistance to any person because of that person's status as a victim of domestic violence or stalking.

§ 5.7 (p. 41)

Amend:

(E) Have a history of criminal activity by any household member involving crimes of physical violence against persons or property, and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff, or cause damage to the property. However a victim of domestic violence or stalking will not be considered responsible for the actions of the perpetrator of domestic violence or stalking.

(F) Currently owes rent or other amounts to any housing authority in connection with the public housing or Section 8 Programs. . If the debt owed to Housing Authority is the result of domestic violence or stalking against the applicant, this shall not make the applicant ineligible for public housing.

(H) Have a family member who was evicted from public housing within the last three years, except if the eviction was related to the applicant's being a victim of domestic violence or stalking

6.1: (p. 45)

Add:

H. The rights of domestic violence and stalking survivors, including: that an incident of domestic violence or stalking does not qualify as serious or repeated violations of the lease; that criminal activity directly relating to domestic violence, dating violence, or stalking does not constitute grounds for termination of a tenancy; that a person who is the victim of domestic violence or stalking may "port" their voucher to another jurisdiction to escape domestic violence or stalking, and that any information provided to SFHA regarding domestic violence or stalking will be kept confidential.

6.2 (p. 47): Packet

Add:

U. Information on the rights of domestic violence and stalking victims

§ 6.6.E. (page 51): SFHA Disapproval of Owner

The owner who refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the premises by tenants except that SFHA will not deny participation by an owner who refuses to evict a tenant who is a victim of domestic violence or stalking on the basis of domestic violence or stalking perpetrated against the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE (p. 53)

Add to end of first paragraph:

A family will be allowed to move before the initial 12 months have expired if it is necessary to do so to escape domestic violence or stalking.

7.1 When a Family May Move (p. 53)

Amend:

Families participating in the Voucher Program will not be allowed to move more than one in any 12-month period and under no circumstances will the SFHA allow a participant to improperly break a lease, unless it is necessary for the family to move to escape threats to the health or safety of a family member who is the victim of domestic violence or stalking. Under

extraordinary circumstances the SFHA may consider allowing more than one move in a 12-month period, as when a family may need to move to escape domestic violence or stalking.

8.1 Portability General Policies (p. 55)

Amend:

If the head or spouse of the assisted family does not have a legal residence or work in the jurisdiction of the SFHA at the time of its application, the family will not have any right to lease a unit outside of the SFHA jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the SFHA unless the family needs to move out of the jurisdiction of the SFHA to escape domestic violence or stalking.

If a family has moved out of their assisted unit in violation of the lease, the SFHA will not issue a voucher, and will terminate assistance in compliance with Section 17.0, Grounds for Termination of Lease and Contract unless the family violated their lease in order to escape domestic violence or stalking, in which case SFHA will issue a new voucher.

INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

12.2.B. Family Responsibility for HQS (p. 79)

Amend:

The family is responsible for a breach of the HQS that is caused by any of the following:

c. Any member of the household or a guest damages the dwelling unit or premises (damages beyond ordinary wear and tear) except that a victim of domestic violence or stalking will not be held responsible for damages that are caused due to domestic violence or stalking by a household member or guest.

RECERTIFICATION:

13.2. INTERIM REEXAMINATIONS

C. Family break-up (p. 96)

In circumstances of a family break-up, the SFHA will make a determination of which family member will retain the voucher, taking into consideration the following factors:

~~„4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household-~~ If a family break-up is due to domestic violence or stalking, the voucher will go to the adult who is the victim of the

domestic violence or stalking, or who has custody of the victim of the domestic violence or stalking.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement ~~of~~ or judicial decree, the SFHA will be bound by the court's determination of which family members continue to receive assistance in the program, and bound by any criminal stay away orders or restraining orders that prevent a family member from being in or near the family unit.

14. TERMINATION OF ASSISTANCE TO THE FAMILY BY THE SFHA
(P. 99)

Add:

O. The Housing Authority shall not terminate assistance to a participant for any of the reasons listed above if the participant or a family member is a victim of domestic violence or stalking, and the action or inaction at issue was caused by the domestic violence or stalking.

16. TERMINATION OF THE LEASE AND CONTRACT

A. Termination of the Lease

1. By the family (p. 107)

Add this sentence:

The family may terminate the lease before the first year of the lease if it necessary to do so for a family member to escape domestic violence or stalking.

2. By the owner (p. 107-108)

Add this sentence:

2.d. The owner may not terminate a lease for reasons related to a family member being a victim of domestic violence or stalking. If any of the reasons for lease termination enumerated above are caused by domestic violence to or stalking of a family member, the owner may not terminate the lease for the non-offending family members. The owner may seek to bifurcate the lease if there is a family member who has perpetrated domestic violence or stalking. In this case, the owner may seek to terminate the lease just for the perpetrator the domestic violence or stalking.

22.4 FAMILY BREAK-UPS (p. 137)

The family must notify the SFHA in writing, within 14 days of the action causing the break-up and request a determination of the assignment of the assistance. The SFHA may schedule a meeting with the family members to discuss the assignment, except that SFHA will not require

family members who have been victims of domestic violence or stalking to be in a meeting at the same time with the perpetrator of the domestic violence or stalking.

22.5 SPLIT HOUSEHOLDS PRIOR TO VOUCHER ISSUANCE

~~In cases where domestic violence played a role, the standard used for verification will be the same as that required for the “displaced due to domestic violence” preference.~~ An applicant’s sworn statement regarding domestic violence shall be sufficient to verify domestic violence, if no other records exist.

LEASE AGREEMENT FOR CONVENTIONAL PUBLIC HOUSING

While we appreciate efforts through the lease revision to make it easier for S.F.H.A. to evict tenants who are posing risks to the health or safety of other S.F.H.A. residents, we are concerned that the proposed lease seeks to make many new relatively minor infractions of the lease material violations, which would subject tenants to eviction. VAWA 2005 also requires the lease to contain certain language regarding the rights of domestic violence and stalking victims. Our comments on the proposed lease are as follows:

Section 4C, page 2:

This section should include the following language:

A household member who is a victim of domestic violence or stalking shall not be held responsible for lease violations by the perpetrator of the domestic violence or stalking.

Section 4D, page 2:

The requirement that tenants notify SFHA of any guests who have resided in the unit for 10 days or more seems unnecessary unless the tenant intends to request permission from SFHA to have the guest stay more than 14 days in one month. Otherwise, it seems an unnecessary intrusion by SFHA into tenant's rights to have guests stay in their homes for less than 14 days without SFHA approval.

The requirement that tenants notify SFHA within 1 day if any guest is a parolee or probationer seems overly broad, since a guest is defined as anyone in the unit with the consent of the tenant. Thus a one hour visit from a friend or relative who is on probation for even a minor offense would trigger a requirement that the tenant report this guest to SFHA within 1 day. Furthermore, residents may not necessarily know the criminal status of their guests.

Section 4H, pages 2-3:

We recommend that the SFHA relax the requirement that a remaining tenant must notify SFHA within 10-days of a household member's departure in situations in which the departure is related to domestic violence. If the vacating household member has perpetrated domestic violence against the remaining tenant, then the notice requirement should be extended to 30 days from the date of the perpetrator's departure. The time extension is appropriate in view of the likelihood that the lives of domestic violence victims will be significantly disrupted at the time of such departures because of a host of reasons related to their experiences and status as victims.

Recommendation: Insert the following exception after the first sentence in Part 4H:

However, if the household member's departure relates to the perpetration of domestic violence against the remaining tenant, the tenant shall give notice within 30 days of the former household member's departure.

Secondly, SFHA's new federal statutory obligations under VAWA require amendment of the provision stating that SFHA will not remove a household member from the lease once a lease

Comments to 2006 Annual Plan

June 12, 2006

Page 16 of 22

violation has occurred. To the contrary, VAWA 2005 establishes the right of PHA's and landlords to bifurcate an existing lease so as to evict the perpetrator of domestic violence while allowing the lawful continued occupancy of the victim. See 42 U.S.C. 1437d(1)(6)(B) (2006).

Recommendation: Amend the final sentence of Section 4H, p. 3 to state: "*SFHA will not remove a Household Member from the Lease once a Lease violation has occurred, except in the event that the member has violated the lease by perpetrating domestic violence or stalking.*"

Section 5.B., page 3

The late fee provision for \$25.00, given that the minimum rent payment is \$100.00, would be 25% of the rent in some cases, which seems excessive.

Section 5.E., page 3

The provision that that Tenant shall be liable for rent for 30 days after the date that the property manager has knowledge that all Household Members "have vacated the Residence" should be changed to knowledge that all Household Members "will vacate the Residence." Otherwise, for example, tenants who give 20 days notice and vacate the unit after 20 days will be liable for rent for 50 days after they give notice (the 20 days plus the 30 days after they have vacated the unit), rather than just the 30 days.

Section 6.E., page 4

It is important to explicitly define "reasonable time" as that term is used in Section 6E to refer to the period during which tenants must make a repair, particularly since residents have the right to request a rent abatement pursuant to section 9.E. if repair is not made in a reasonable time.

Section 8.A., page 5

Basic custom require landlords to rent units that have usable kitchens, which include a functioning refrigerator if furnished as part of the rental agreement. It should not be the tenant's responsibility to replace the refrigerator.

Section 9.E., page 6

Again, a "reasonable time" should be defined. For non-emergency repairs, a reasonable time is no more than thirty days. Emergency repairs reasonably require immediate attention. Furthermore, there should be some guidance given to tenant on how they can go about requesting a rate abatement, i.e., "residents may request a rent abatement by presenting a written request to the property office. SFHA shall respond to any request for a rent abatement within one week." The rent abatement provision should also apply in priority transfer situations as follows: "SFHA shall abate the rent of a resident who has been approved for a priority transfer, but has not been offered a suitable transfer unit within 30 days of the transfer approval." Just as residents should

Comments to 2006 Annual Plan

June 12, 2006

Page 17 of 22

not have to pay for units that are substandard in terms of building health and safety codes, they should not have to pay for units that are substandard in terms of personal safety.

Section 9G, page 6

The provisions regarding the methods by which tenants may prove that a household member has vacated a unit are too restrictive. Given the expensive cost of living in San Francisco, many persons live in informal living situations with friends or family where they do not have a lease or utility bill in their own name. Furthermore, if the household member moves out under “unfriendly” circumstances (i.e. they are arrested for domestic violence, or a couple splits up), the vacating member may not be willing to cooperate with the remaining household member in providing such documentation. A declaration from the remaining household member or the vacating household member should be considered satisfactory written proof.

Section 9I, page 7

This provision should clarify that the rent should be reduced in the month following the date the review was requested or initiated (whichever is sooner) and not the date the review is completed. Otherwise, residents will be unfairly penalized by delays in the completion of the review that may be due to SFHA’s delay in processing the review. Just as rent increases can be made retroactive pursuant to section 9G, rent decreases should similarly be made retroactive.

Section 10.C., page 7

Transfers should not be at tenant’s expense if they are required by SFHA, as many of the transfers discussed in section 10.A. are.

Section 10.F, page 8

This section should clarify that the SFHA resources which may be utilized for transfers include SFHA’s Hope VI properties as well as project and tenant based housing choice vouchers where available.

Section 10.G, page 8

This section improperly limits the frequency with which residents may request transfers in priority cases. “Tenants may not request a non-priority transfer within twelve (12) months of the move-in date or transfer date. Tenant shall not be permitted to transfer more than two (2) times during the entire tenancy unless required by SFHA or unless tenant is eligible for a priority transfer.”

Section 11.E., page 8

“Upon reasonable advance written notice, as required by law, Civil Code Section 1954, Tenant shall permit the SFHA to enter the Residence during normal business hours to perform annual

and routine inspections or maintenance, make improvements or repairs, or show the Residence for re-leasing.

Section 11.H., page 9

The provision requiring SFHA to open a Residence upon the command of a peace officer appears to violate the Fourth Amendment of the U.S. Constitution. Unless the peace officer has a warrant, or there is some emergency that would negate the requirement of a warrant, a peace officer should not be entitled to simply enter someone's residence, and SFHA does not have the authority to consent to such an entry on behalf of the resident in the absence of a search warrant or an emergency (i.e. responding to a 911 call).

Section 13.H., page 9

The list of situations which require notice to the tenant of adverse action should include "increases in rent, late fees, and denial of a transfer request."

Section 14.G, pages 10-11

This section puts numerous obligations on residents without corresponding obligations on SFHA. Tenants are given 24 hours to report hazardous conditions, but SFHA is given an unspecified "reasonable" time to repair the conditions. The tenant's failure to report the conditions in a "timely manner" is considered a material breach of the lease, but SFHA's failure to repair within a reasonable time is not. The provision should require the tenant to report the condition "within a reasonable time, and preferably within 24 hours." The following sentence should be added: "SFHA's failure to repair the condition within a reasonable time shall be considered a breach of the lease, and shall entitle the resident to a rate abatement, pursuant to section 9.E."

Section 14.X, page 13

This provision prohibiting tenants from leaving minor children unsupervised does not distinguish between toddlers and teenagers. Many teenagers are not only capable of looking after themselves, but are able to baby-sit younger children, and tenants should not be required to supervise children who are entirely capable of supervising themselves.

Section 14.BB (p. 14)

While in many cases tenants should be encouraged to inform property managers of any restraining orders, there may be some cases where it would not be safe to do so, as when the restrained party has not yet been served with the order, or a property office staff person is friendly with the restrained party. Furthermore, restraining orders govern the behavior of the restrained party, not the protected party, and do not generally contain orders with which the restrained party must "comply." This section should be replaced with the following: Tenants are

Comments to 2006 Annual Plan

June 12, 2006

Page 19 of 22

encouraged to inform property managers of all restraining orders, emergency protective orders and/or stay away orders of any kind if it would be safe to do so.

Section 15, page 14

The provision on illegal weapons includes all knives in the list of prohibited items. This provision should not apply to kitchen, pocket or other household knives.

Section 16A. pages 14

This “zero tolerance” criminal and drug-related activity policy explained in this Section violates VAWA 2005’s prohibition against terminating housing to domestic violence victims based on their victim status. Rather, VAWA 2005 requires SFHA to inform tenants in the lease of the following, which should be added to this paragraph: SFHA may not deny housing to, evict, or otherwise discriminate against housing applicants, tenants on the basis of status as domestic violence or stalking victims. SFHA may not hold a victim of domestic violence or stalking responsible for a lease violation, including any of the activities described below, caused by the perpetrator of the domestic violence or stalking.

Section 17.B, page 16

The provision allowing SFHA to dispose of unclaimed property after 18 days without liability violates SFHA’s responsibilities under California Civil Code § 1980, *et. seq.*

Section 17.C.

Add: If a tenant who has signed the lease ceases to reside at the Residence due to domestic violence or stalking, SFHA may bifurcate the lease and permit the non-offending household members to remain in the unit.

Section 18.C 2., page 22.

The provision allowing termination of the lease on a three days notice where any Household has a dog in violation of the lease, is overreaching and not per se a nuisance or other threat to health and safety absent any allegations that the dog has displayed any viciousness so as to be a threat to health and safety. This provision then would allow a family wrongly accused of having a dog to possibly be deprived of a right to grievance hearing to establish that fact. Also insofar as it allows a termination if “any member of the household has convicted of a felony” should be limited by the addition of the phrase: *a felony which endangers the health and safety of residents, etc.* Otherwise, families could be summarily dispossessed where a member of the household is convicted of tax evasion or other like non-violent crime.

Section 18D, pp. 17-18:

Add: “SFHA may not evict or otherwise take adverse action against household members who are victims of domestic violence or stalking, and the criminal activity has been committed by the perpetrator of the domestic violence or stalking or relates to the domestic violence or stalking

Section 18 (E) page 18

There is no authority that allows SFHA to notify the post office serving a residence to stop delivery of mail to a particular residence.

Section 19.B., page 18

The following language should be added, "If Tenant has been granted a priority transfer, but not yet been moved by SFHA, this paragraph shall not apply."

Section 20 (A), page 19

Add:

Any notices shall be provided to tenant in a language the tenant understands, when the tenant has indicated that their primary language is not English.

Section 20.(B), page 19.

The lease should indicate the mailing address for notice to the SFHA so as to eliminate any confusion. The Lease should specify to whom and/or what SFHA department correspondence should be addressed, and whether the addressee or department varies according to the subject matter of the notice or correspondence.

Section 20.(E), page 19

Notice of lease termination must comply with 24 CFR 966.4 (1)(3)(ii). "State specific grounds for termination, and shall inform tenant of the tenant's right to make such reply as the tenant may wish. The notice shall also inform the tenant of the right to examine PHA documents directly relevant to the termination or eviction. When the PHA is required to afford the tenant the opportunity for a grievance hearing, the notice shall also inform the tenant of the tenant's right to request a hearing in accordance with the PHA's grievance procedure."

Section 21, page 19

Instead of notifying Tenants that the SFHA Grievance Procedures manual will be furnished upon request (Section 21(B)), the SFHA should state: The SFHA will furnish the Grievance Procedures to all tenants.

Section 23, page 20: "HOUSEKEEPING STANDARDS"

This provision should be eliminated entirely. These Housekeeping Standards seek to micromanage the conditions of tenant's units, and contain standards that are so vague or arbitrary as to unfairly deprive tenants of advance knowledge of possible lease violations. For example, sections 23.D.3 and 23.F.1. requires cabinets and closets to be "clean and neat." Who will be determining what is "neat?" Similarly, provision 23.D.6, which requires dishes to be washed and put away in a "timely manner." SFHA is not the mother of its tenants, and should not be regulating how they wash and put away their dishes. Provision 14.M. of the lease already requires tenants to keep their units in a "clean and safe" condition, and this provision should be sufficient to cover any housekeeping issues that warrant a termination of the lease.

Second Section 23, page 22: INDEMNITY.

This provision, insofar as it requires the tenant to indemnify the SFHA against "claims by any person for injury or damage for circumstances beyond the control of SFHA," places a potential for limitless, absolute liability on tenants for just about anything. It is a corollary to the prohibited exculpatory clause, would constitute a contract of adhesion and certainly goes beyond any duty or obligation a tenant or anyone has under existing federal or state law. Needless to say, it should be stricken.

Section 24, page 21: INSURANCE

It is not true that SFHA is not responsible for loss of damage to personal property in or around the residence. There may be cases in which the negligent actions of SFHA staff causes damage to personal property, and SFHA would be responsible. The first sentence of this paragraph should be eliminated.

Section 26.C., page 22

The second sentence of this provision should be changed as follows:

"Tenant agrees that knowingly false statements or misrepresentations made in the application or during the rent review process..."

**Comments to the Resident Advisory Board Re:
the San Francisco Housing Authority 2006 Annual Plan**

1. General SFHA Policies and Practices

Customer Service/ Resident Relations

General Client Treatment

SFHA staff should treat clients with common courtesy and a professional manner. This includes being on time to appointments, calling to re-schedule if an appointment with a client can not be kept, taking the necessary time to meet with clients, providing answers to client questions, maintaining a courteous demeanor, providing proper forms, paperwork and copies of written policies when requested, efficiently maintaining client's files and promptly processing and adjusting client's files.

Complaint Procedure:

Tenants often encounter problems with the SFHA that are outside the scope of the grievance process, that need a more timely response or that they are not entitled to formally grieve. The SFHA should institute a formal complaint procedure so that tenants can voice concerns about treatment by SFHA staff. The procedure should allow for documentation of incidences so that patterns can be identified and rectified and should require written responses by SFHA supervisors to demonstrate that the problem has been adequately reviewed and addressed. Examples of appropriate complaints include such things as: lost paperwork resulting in detrimental impact on client's housing situation; unfair treatment by caseworkers; lack of response by SFHA staff; failure of SFHA staff to make timely adjustments, etc.

A comprehensive and centralized tracking system for tenant complaints should be developed and monitored.

The SFHA should consider establishing a resident "quality of service" committee to provide ongoing input regarding customer service issues.

Phone/ Voicemail Systems:

It is essential that clients are able to contact and communicate with SFHA staff whenever necessary. Unfortunately, clients commonly have difficulties contacting and receiving communication from staff. We suggest that the SFHA allow more "voice mailbox" space so that clients can always leave messages for staff and have a required turn-around time on returning phone calls to clients (suggest 5 working days).

The main switchboard should also be made more "user-friendly". It should always be answered or a recorded directory with transfer capacity should be in place. Information and referral should be provided at the main switchboard. Clients should be provided with email addresses as an alternate means of communication.

Correspondence:

Letters sent to clients from the SFHA should have consistent date stamp, postmark and letter date information. Letters to clients should be sent promptly and at the appropriate time. Clients should never receive critical communication from the SFHA after the

relevant date (eg, notification of an appointment after the appointment date). The SFHA should take aggressive measures to ensure that all correspondence from clients is adequately, received, processed and archived.

Access to Information:

Clients should have easy and swift access to their files, including copies of correspondence, inspection reports, re-certification documentation, rent calculation forms and other relevant paperwork. Clients should also be able to easily find information about SFHA policies, regulations and procedures, including the administrative plan, and be able to submit questions regarding the aforementioned.

An organizational chart that includes contact information for caseworkers, inspectors, supervisors and other staff should be made available to clients. Clients should be able to easily determine by phone and online who their caseworker and inspector is and who the respective supervisors are. Description of services and contact information about other SFHA departments such as fair housing, eligibility, maintenance should be also accessible.

We suggest the information be made available online, over the phone or at an onsite "kiosk", as well as in hard copy form, so as not to create additional work for caseworkers. The SFHA website should be made more user friendly and include answer to frequently asked questions, commonly used forms, online brochures and links to community resources and should be frequently updated so as to provide current information to clients and the community.

Grievance procedure:

Clients should be fully informed of their rights to grievance hearings. A clear, concise handout should be developed outlining when clients have the right to grieve, the steps in the process and how to request a grievance hearing and should be made available to all clients, either within the body of the lease or as an attachment.

Resident Involvement:

Tenants should have involvement in the recruiting, screening, hiring and termination of SFHA Commissioners as well as a clear format for providing performance feedback.

Fair Housing

Language Issues:

Clients should be able to request and receive correspondence from the SFHA in their native language. All standard forms should be available in the 5 major languages. Translation services should be available for phone and face-to-face appointments with SFHA staff.

Public hearings should be translated in a manner that allows for equal participation from all populations and is most efficient. We suggest that separate meetings be held for different language speakers or simultaneous electronic translation devices be used. The SFHA should develop a Limited English Proficiency (LEP) plan.

Disability Issues:

SFHA staff should proactively inform clients of their rights to reasonable accommodation, whether or not they have actual knowledge of a client's disability status. Staff should propose accommodations when deemed applicable. SFHA line staff should be provided with enhanced support and training around disability and reasonable accommodation issues so as to learn to recognize the need for accommodations and to develop a greater awareness and sensitivity to disability issues among SFHA staff. The SFHA should consider assigning a key staff person to overseeing reasonable accommodation requests and educating staff and clients about disability issues and the Americans with Disabilities Act requirements.

Community Relations

Community:

A Community Advisory Board comprised of community organizations and other stakeholders should be developed to allow for ongoing communication between the SFHA and the larger community.

SFHA commissioners should be representative of constituents and stakeholders and responsive to community and resident needs

Local Government:

There should be a mechanism for regular reporting on critical issues such as vacancies, code violations, evictions, admissions and transfers from the SFHA to City departments and officials.

Key city departments and officials should be made aware of any major policy changes or potentially damaging funding shortfalls that will have a negative bearing on the City's subsidized housing renters or its affordable housing stock.

There should be a designated SFHA point person who maintains relations with City government, provides information upon request and investigates concerns voiced by City departments and officials.

A City/ SFHA/ Community task force should be developed to address common issues.

2. Section 8 Program

Resident Involvement:

There should be an ongoing, Section 8 resident advisory body, similar to the Public Housing Residents Association (or the Resident Advisory Board) which maintains regular communication with the SFHA senior staff and commission and provides feedback about performance and policy.

There should be at least one Section 8 tenant representative on the SFHA Board of Commissioners.

Rents

The SFHA should continue to advocate to HUD to grant an exception to the FMRs for San Francisco. The SFHA should outreach and educate landlords to encourage reduction in contract rents by sending letters in rent statements, holding informational meetings, discussing the issue when other communication is conducted. The SFHA should conduct a Random Digit Dialing survey to assess rents that eliminates rent-controlled units and includes only San Francisco units.

Medical Deductions: We suggest that a simple instruction sheet be created to explain to clients with disabilities how to submit their documentation of medical expenses so as to avoid delays or inaccuracies in income and rent calculations. The sheet should also explain which costs are eligible for exclusion from income.

Fair Housing

Disability issues:

Disabled Section 8 residents should be affirmatively informed of their right to request an exclusion of out-of-pocket medical expenses from their income calculations.

Section 8 Clients with disabilities who receive rent increases as a result of the reduction in HUD's Fair Market Rents should be informed of their right to request a waiver allowing the SFHA to raise their HAP payment to 120% of FMR as a reasonable accommodation and should be given the necessary information to submit a waiver request.

Evictions/Terminations:

A plan should be developed with community input as to what measures the SFHA will take in the event that Federal funding cuts require voucher terminations.

Repairs/ Maintenance

There should be a central repair/ maintenance "hotline" that clients can call to report repair needs. The process and timeline for enforcing violations of code and Housing Quality Standards should be clearly outlined for clients, with relevant information such as how to locate and contact your SFHA inspector, and information about utilizing the Department of Building Inspection and other City departments such as the Department of Environmental Health.

Inspections

Initial pre-move in inspections need to happen within a specific reasonable timeframe that does not put the client at risk of temporary homelessness or of the landlord renting the unit to someone else.

Tenants should have adequate ability to re-schedule inspections if they are at an inconvenient time. This requires being able to contact inspectors and receiving return phone calls promptly.

3. Public Housing

Maintenance/ Repairs

Repair needs reported though the emergency repair line should be followed up on by staff other than the person responsible for fixing the problem to ensure that the repair has been done. If emergency repairs are not made within 24 hours after reporting the need, residents should have a means to report the lack of response to a maintenance supervisor. Clients with serious unaddressed repair needs affecting the health and safety of occupants should be eligible for rent reduction and/or swift priority transfer approval. Data on repair requests, including number and type of requests and date of reporting and completion, should be publicly available. The SFHA should work cooperatively with the Department of Building Inspections and the City Attorney's Code Enforcement program to ensure that repair needs are promptly and adequately addressed.

Eligibility

Preferences:

Homeless applicants should continue to be given a higher ranking on the waiting list for public housing than other categories.

Demolition/ Modernization

All public housing units demolished during HOPE VI or other types of modernization projects should be replaced one-for-one *supporting residents at the same income levels as before.*

All existing residents should have the right to re-inhabit units after rebuild without being subjected to further screening. The Housing Authority should ensure in any contracts it makes with other entities to run newly developed or remodeled public housing developments that former residents of the development are automatically eligible for vacancies at those developments

Evictions

Eviction notices (prior to Unlawful Detainers) should advise tenants of their rights to the informal dispute resolution provisions of 24 CFR 966.51-966.55.

Crime and Safety

Police and Security:

Police patrols, emphasizing community policing strategies, should be onsite at SFHA developments 24/ 7.

Priority Transfers:

The Housing Authority should ensure in any contracts it makes with other entities to run public housing developments that persons who have been approved for a priority transfer are automatically eligible for vacancies at those developments, and shall be entitled to priority on those waitlists. The SFHA should work closely with City government and non-profit housing developers to identify potential alternative transfer options outside of

the SFHA developments. The SFHA should also explore possibilities of providing priority transfers to developments in regions outside of San Francisco by working with other Housing Authorities throughout Northern California. SFHA staff should be trained to assist residents in applying for priority transfers when applicable.

**Comments to the Resident Advisory Board Re:
the San Francisco Housing Authority 2006 Annual Plan**

1. General SFHA Policies and Practices

Customer Service/ Resident Relations

General Client Treatment

SFHA staff should treat clients with common courtesy and a professional manner. This includes being on time to appointments, calling to re-schedule if an appointment with a client can not be kept, taking the necessary time to meet with clients, providing answers to client questions, maintaining a courteous demeanor, providing proper forms, paperwork and copies of written policies when requested, efficiently maintaining client's files and promptly processing and adjusting client's files.

Complaint Procedure:

Tenants often encounter problems with the SFHA that are outside the scope of the grievance process, that need a more timely response or that they are not entitled to formally grieve. The SFHA should institute a formal complaint procedure so that tenants can voice concerns about treatment by SFHA staff. The procedure should allow for documentation of incidences so that patterns can be identified and rectified and should require written responses by SFHA supervisors to demonstrate that the problem has been adequately reviewed and addressed. Examples of appropriate complaints include such things as: lost paperwork resulting in detrimental impact on client's housing situation; unfair treatment by caseworkers; lack of response by SFHA staff; failure of SFHA staff to make timely adjustments, etc.

A comprehensive and centralized tracking system for tenant complaints should be developed and monitored.

The SFHA should consider establishing a resident "quality of service" committee to provide ongoing input regarding customer service issues.

Phone/ Voicemail Systems:

It is essential that clients are able to contact and communicate with SFHA staff whenever necessary. Unfortunately, clients commonly have difficulties contacting and receiving communication from staff. We suggest that the SFHA allow more "voice mailbox" space so that clients can always leave messages for staff and have a required turn-around time on returning phone calls to clients (suggest 5 working days).

The main switchboard should also be made more "user-friendly". It should always be answered or a recorded directory with transfer capacity should be in place. Information and referral should be provided at the main switchboard. Clients should be provided with email addresses as an alternate means of communication.

Correspondence:

Letters sent to clients from the SFHA should have consistent date stamp, postmark and letter date information. Letters to clients should be sent promptly and at the appropriate time. Clients should never receive critical communication from the SFHA after the

relevant date (eg, notification of an appointment after the appointment date). The SFHA should take aggressive measures to ensure that all correspondence from clients is adequately, received, processed and archived.

Access to Information:

Clients should have easy and swift access to their files, including copies of correspondence, inspection reports, re-certification documentation, rent calculation forms and other relevant paperwork. Clients should also be able to easily find information about SFHA policies, regulations and procedures, including the administrative plan, and be able to submit questions regarding the aforementioned.

An organizational chart that includes contact information for caseworkers, inspectors, supervisors and other staff should be made available to clients. Clients should be able to easily determine by phone and online who their caseworker and inspector is and who the respective supervisors are. Description of services and contact information about other SFHA departments such as fair housing, eligibility, maintenance should be also accessible.

We suggest the information be made available online, over the phone or at an onsite “kiosk”, as well as in hard copy form, so as not to create additional work for caseworkers. The SFHA website should be made more user friendly and include answer to frequently asked questions, commonly used forms, online brochures and links to community resources and should be frequently updated so as to provide current information to clients and the community.

Grievance procedure:

Clients should be fully informed of their rights to grievance hearings. A clear, concise handout should be developed outlining when clients have the right to grieve, the steps in the process and how to request a grievance hearing and should be made available to all clients, either within the body of the lease or as an attachment.

Resident Involvement:

Tenants should have involvement in the recruiting, screening, hiring and termination of SFHA Commissioners as well as a clear format for providing performance feedback.

Fair Housing

Language Issues:

Clients should be able to request and receive correspondence from the SFHA in their native language. All standard forms should be available in the 5 major languages. Translation services should be available for phone and face-to-face appointments with SFHA staff.

Public hearings should be translated in a manner that allows for equal participation from all populations and is most efficient. We suggest that separate meetings be held for different language speakers or simultaneous electronic translation devices be used. The SFHA should develop a Limited English Proficiency (LEP) plan.

Disability Issues:

SFHA staff should proactively inform clients of their rights to reasonable accommodation, whether or not they have actual knowledge of a client's disability status. Staff should propose accommodations when deemed applicable. SFHA line staff should be provided with enhanced support and training around disability and reasonable accommodation issues so as to learn to recognize the need for accommodations and to develop a greater awareness and sensitivity to disability issues among SFHA staff. The SFHA should consider assigning a key staff person to overseeing reasonable accommodation requests and educating staff and clients about disability issues and the Americans with Disabilities Act requirements.

Community Relations

Community:

A Community Advisory Board comprised of community organizations and other stakeholders should be developed to allow for ongoing communication between the SFHA and the larger community.

SFHA commissioners should be representative of constituents and stakeholders and responsive to community and resident needs

Local Government:

There should be a mechanism for regular reporting on critical issues such as vacancies, code violations, evictions, admissions and transfers from the SFHA to City departments and officials.

Key city departments and officials should be made aware of any major policy changes or potentially damaging funding shortfalls that will have a negative bearing on the City's subsidized housing renters or its affordable housing stock.

There should be a designated SFHA point person who maintains relations with City government, provides information upon request and investigates concerns voiced by City departments and officials.

A City/ SFHA/ Community task force should be developed to address common issues.

2. Section 8 Program

Resident Involvement:

There should be an ongoing, Section 8 resident advisory body, similar to the Public Housing Residents Association (or the Resident Advisory Board) which maintains regular communication with the SFHA senior staff and commission and provides feedback about performance and policy.

There should be at least one Section 8 tenant representative on the SFHA Board of Commissioners.

Rents

The SFHA should continue to advocate to HUD to grant an exception to the FMRs for San Francisco. The SFHA should outreach and educate landlords to encourage reduction in contract rents by sending letters in rent statements, holding informational meetings, discussing the issue when other communication is conducted. The SFHA should conduct a Random Digit Dialing survey to assess rents that eliminates rent-controlled units and includes only San Francisco units.

Medical Deductions: We suggest that a simple instruction sheet be created to explain to clients with disabilities how to submit their documentation of medical expenses so as to avoid delays or inaccuracies in income and rent calculations. The sheet should also explain which costs are eligible for exclusion from income.

Fair Housing

Disability issues:

Disabled Section 8 residents should be affirmatively informed of their right to request an exclusion of out-of-pocket medical expenses from their income calculations.

Section 8 Clients with disabilities who receive rent increases as a result of the reduction in HUD's Fair Market Rents should be informed of their right to request a waiver allowing the SFHA to raise their HAP payment to 120% of FMR as a reasonable accommodation and should be given the necessary information to submit a waiver request.

Evictions/Terminations:

A plan should be developed with community input as to what measures the SFHA will take in the event that Federal funding cuts require voucher terminations.

Repairs/ Maintenance

There should be a central repair/ maintenance "hotline" that clients can call to report repair needs. The process and timeline for enforcing violations of code and Housing Quality Standards should be clearly outlined for clients, with relevant information such as how to locate and contact your SFHA inspector, and information about utilizing the Department of Building Inspection and other City departments such as the Department of Environmental Health.

Inspections

Initial pre-move in inspections need to happen within a specific reasonable timeframe that does not put the client at risk of temporary homelessness or of the landlord renting the unit to someone else.

Tenants should have adequate ability to re-schedule inspections if they are at an inconvenient time. This requires being able to contact inspectors and receiving return phone calls promptly.

3. Public Housing

Maintenance/ Repairs

Repair needs reported through the emergency repair line should be followed up on by staff other than the person responsible for fixing the problem to ensure that the repair has been done. If emergency repairs are not made within 24 hours after reporting the need, residents should have a means to report the lack of response to a maintenance supervisor. Clients with serious unaddressed repair needs affecting the health and safety of occupants should be eligible for rent reduction and/or swift priority transfer approval. Data on repair requests, including number and type of requests and date of reporting and completion, should be publicly available. The SFHA should work cooperatively with the Department of Building Inspections and the City Attorney's Code Enforcement program to ensure that repair needs are promptly and adequately addressed.

Eligibility

Preferences:

Homeless applicants should continue to be given a higher ranking on the waiting list for public housing than other categories.

Demolition/ Modernization

All public housing units demolished during HOPE VI or other types of modernization projects should be replaced one-for-one *supporting residents at the same income levels as before*.

All existing residents should have the right to re-inhabit units after rebuild without being subjected to further screening. The Housing Authority should ensure in any contracts it makes with other entities to run newly developed or remodeled public housing developments that former residents of the development are automatically eligible for vacancies at those developments

Evictions

Eviction notices (prior to Unlawful Detainers) should advise tenants of their rights to the informal dispute resolution provisions of 24 CFR 966.51-966.55.

Crime and Safety

Police and Security:

Police patrols, emphasizing community policing strategies, should be onsite at SFHA developments 24/7.

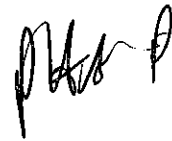

Priority Transfers:

The Housing Authority should ensure in any contracts it makes with other entities to run public housing developments that persons who have been approved for a priority transfer are automatically eligible for vacancies at those developments, and shall be entitled to priority on those waitlists. The SFHA should work closely with City government and non-profit housing developers to identify potential alternative transfer options outside of

the SFHA developments. The SFHA should also explore possibilities of providing priority transfers to developments in regions outside of San Francisco by working with other Housing Authorities throughout Northern California. SFHA staff should be trained to assist residents in applying for priority transfers when applicable.

Gregg Fortner
Director
San Francisco Housing Authority

San Francisco, CA 94102

Dear Mr. Fortner,

This letter is in regards to a proposal within the context of updating the annual plan. It is our understanding that the San Francisco Housing Authority is proposing to flatten the preference points, thereby giving everyone receiving a preference the same number of points.

From our perspective, homeless people should be prioritized and awarded maximum points. Homeless people are experiencing a housing crisis and are most in need of housing. Homelessness is especially detrimental to children. "Children that are homeless are at risk for many short and long-term problems. They have a higher rate of:

- serious and chronic health problems (i.e asthma, hospitalizations),
- developmental delays,
- mental health problems (especially depression and anxiety, compounded by exposure to trauma and violence),
- academic failures (including grade repetition),
- behavioral problems (i.e. aggression, poor social skills, difficulty with relationship building),
- hunger and poor nutrition."

(Housing First for Families Report and First Five)

Over the past year, modifications to the preference point system coupled with past rent grants has resulted in tremendous success in our collective efforts to house homeless families. Nonetheless, homeless families are facing a crisis and they continue to need the assistance of the San Francisco Housing Authority. There are over 2,600 members of homeless families in San Francisco on any one night.

The City of San Francisco has adopted a "Housing First" policy. Housing First challenges popular beliefs in the social work field that you must have a "continuum" whereby homeless people must be "housing ready" before placement in housing. Homeless families are poorer, younger, more likely to be pregnant, from an ethnic minority and less likely to have a housing subsidy. Homeless families are not more likely to be mentally ill, depressed or less educated. (Sources: Shinn & Weitzman, 1996; Bussuk et al., 1997). As a group, homeless families are poorer, not more "troubled".

The city has recently convened a "Homeless Family System Redesign Advisory Board" to transform the homeless family system into a "Housing First" model. Central to these efforts is access to Housing Authority units.

We strongly recommend that the San Francisco Housing Authority not only continue to give maximum (above all other categories) points to homeless families – but that you utilize San Francisco's official definition of homelessness to determine this (see attached). The definition includes families living in Single Room Occupancy Hotels explicitly, whether or not they have tenant rights, and families doubled up as homeless. There are currently 1,560 family members compressed into Single Room Occupancy Hotels in deplorable conditions without access to cooking facilities, where bathrooms are shared with strangers. The numbers of families living doubled up is unknown. These families are considered by the City of San Francisco to be homeless, and the San Francisco Housing Authority should align the Annual plan with this definition.

Thank you so much for your consideration. We look forward to continue working with you to end homelessness.

Sincerely,

Juan Prada

Resident Involvement:

Tenants should have involvement in the recruiting, screening, hiring and termination of SFHA Commissioners as well as a clear format for providing performance feedback.

Eligibility

Lost Eligibility for Subsidy:

The SFHA should work with tenants to help them comply with any re-certification, inspection or other ongoing eligibility requirements. It is especially important to make reasonable accommodation for tenants with disabilities. Such accommodation may sometimes require providing additional assistance with eligibility or providing additional time to comply with such requirements.

Fair Housing

Language Issues:

Clients should be able to request and receive correspondence from the SFHA in their native language. All standard forms should be available in the 5 major languages. Translation services should be available for phone and face-to-face appointments with SFHA staff.

Public hearings should be translated in a manner that allows for equal participation from all populations and is most efficient. The SFHA should consider assigning a key staff person to overseeing reasonable accommodation requests and educating staff and clients about disability issues and the Americans with Disabilities Act requirements.

Domestic Violence Issues:

The SFHA should modify its plans to recognize and address the epidemic of domestic violence in Section 8 and Public Housing.

The SFHA should excuse domestic violence victims from damage debts incurred by their abusers. SFHA should seek repayment from a perpetrator of domestic violence only not the household victim of domestic violence for damages to a public housing unit or private Section 8 unit when a perpetrator of domestic violence caused the damages.

The SFHA should modify its policies to provide domestic violence survivors with waivers of any requirements that put them at increased risk of abuse, make it more difficult for them to escape the abuse, or unfairly penalize them as abuse victims.

Community Relations

Community:

A Community Advisory Board comprised of community organizations and other stakeholders should be developed to allow for ongoing communication between the SFHA and the larger community.

SFHA commissioners should be representative of constituents and stakeholders and responsive to community and resident needs

A City/ SFHA/ Community task force should be developed to address common issues.

3. Public Housing

Vacancies.

The SFHA should repair and re-rent any vacant units in a timely manner. Units should not be vacant for more than two months. The SFHA should regularly compile a list of vacant units. If there are any that have been vacant for more than two months, the SFHA should explain what is causing the delay.

Maintenance/ Repairs

Repair needs reported through the emergency repair line should be followed up on by staff other than the person responsible for fixing the problem to ensure that the repair has been done. If emergency repairs are not made within 24 hours after reporting the need, residents should have a means to report the lack of response to a maintenance supervisor. Eligibility/ Admissions

Preferences:

Homeless applicants should be awarded the maximum number of preference points, above all other categories, on the waiting list for public housing. The City of San Francisco's definition of homeless, which includes families who are in SROs and "doubled up", should be used by the SFHA to define homelessness.

The San Francisco Housing Authority should modify its wait list and transfer protocols to include a preference for victims of domestic violence who are in immediate risk of violence and who need access to safe and affordable housing in order to escape the abuse.

Demolition/ Modernization

All public housing units demolished during HOPE VI or other types of modernization projects should be replaced one-for-one *supporting residents at the same income levels as before.*

All existing residents should have the right to re-inhabit units after rebuild without being subjected to further screening. Homeless Definitions

Note: Poverty is the major cause of homelessness. In order to reach a definition of homelessness, this root cause must be addressed. These definitions are not meant to supersede or replace definitions of homelessness and chronic homelessness that have been set forth by funding sources, contractual agreements, or existing data collection systems.

HOMELESSNESS ¹	
The term "homeless" includes individuals or families who lack a fixed, regular, and adequate nighttime residence and who have a primary nighttime residence in one or more of the following categories:	
Shelter	<ul style="list-style-type: none">▪ Anyone staying in a mission or homeless or domestic violence shelter, i.e., a supervised public or private facility that provides temporary living accommodations.▪ Anyone displaced from housing due to a disaster situation.
Street	Anyone staying outdoors; for example, street, sidewalk, doorway, park, freeway underpass.
Vehicle	Anyone staying in a car, van, bus, truck, RV, or similar vehicle.
Make-Shift	Anyone staying in an enclosure or structure that is not authorized or fit for human habitation by building or housing codes, including abandoned buildings ("squats") or sub-standard apartments and dwellings.
Doubled-Up	<ul style="list-style-type: none">▪ Anyone staying with friends and/or extended family members (excluding parents and children), because they are otherwise unable to obtain housing, or▪ Any family with children staying in a Single Room Occupancy (SRO) hotel room – whether or not they have tenancy rights, or▪ Anyone staying in temporary housing for less than 6 months, and the accommodations provided the person are substandard or inadequate, for example, garage, small room, overly crowded space.
Transitional	<ul style="list-style-type: none">▪ Anyone staying in a Single Room Occupancy (SRO) hotel room without tenancy rights, or▪ Anyone formerly homeless (formerly in one of the above categories) who is now incarcerated, hospitalized, or living in a treatment program, half-way house, transitional housing or▪ Anyone formerly homeless (formerly in one of the above categories) who has obtained supportive housing or permanent housing for less than 30 days. While we recognize that the issues that brought people to homelessness may take a lifetime to overcome, we believe that at a minimum, 90 days of wrap-around aftercare services should be provided for individuals exiting homelessness into permanent housing.

CHRONIC HOMELESSNESS ²

An individual or family who has been continuously homeless for at least one year, or has been homeless on at least 4 separate occasions in the last 3 years.

¹ Homeless definition adopted by Board of Supervisors 12-17-01, Approved by Mayor Willie L. Brown 12-28-01, File No. 012191, Gloria L. Young, Clerk of the Board

² Chronically Homeless definition adopted by DPH 01-11-05, Approved by Homeless Cluster Group of 10 Year Plan to End Chronic Homelessness 01-26-05

Comments Regarding
the San Francisco Housing Authority's 2006 Annual Plan
(Submitted June 12th, 2006)

I. General SFHA Policies and Practices

A. Customer Service/ Resident Relations

1. General Client Treatment

SFHA staff should treat clients in a professional manner with common courtesy. This includes being on time to appointments, calling ahead to re-schedule if an appointment with a client cannot be kept, taking the necessary amount of time to meet with clients, providing accurate and detailed answers to client questions, maintaining a courteous demeanor, providing proper forms, paperwork and copies of written policies when requested, efficiently maintaining client's files and promptly processing and adjusting clients' files.

2. Complaint Procedure

Tenants often encounter problems with the SFHA that are outside the scope of the grievance process, that need a more timely response or that they are not entitled to formally grieve. Incidents of tenants' grievances include such things as: lost paperwork resulting in detrimental impact on a client's housing situation; unfair treatment by caseworkers; lack of response by SFHA staff; failure of SFHA staff to make timely adjustments, etc.

The SFHA should institute a formal complaint procedure that addresses problematic interactions with SFHA staff. This would enable tenants to voice their concerns about treatment by SFHA staff. The procedure should allow for documentation of incidences so that patterns can be identified and rectified. The procedure should require a written response by appropriate SFHA supervisors to demonstrate that the problem has been adequately reviewed and addressed.

In Public Housing, The SFHA should also separate the grievance procedure from the property management in different housing developments. Tenants currently, are told to obtain a copy of the grievance procedures from their property management and to staff submit them through management as well. However, often tenant complaints may involve that person (s). Therefore, a tenant grievance procedure should be established that is separate from SFHA staff that have direct contact with tenants, (Grievance procedures should be available and submissions should be accepted at 440 Turk St offices as an alternative) and to ensure an independent and unbiased response.

A comprehensive and centralized tracking system for tenant complaints should be developed and monitored. This system should include data on frequency of complaints, most common developments, landlords or properties or SFHA staff generating complaints, amount of time taken to resolve complaints, etc and should be easily accessed by clients and their advocates.

The SFHA should ensure that all tenants are aware of the right to ask for reasonable

accommodations in getting assistance from SFHA staff with filling out grievance forms or following the grievance procedure. The SFHA should consider establishing a resident “quality of service” committee to provide ongoing input regarding customer service issues.

3. Phone/ Voicemail Systems

It is essential that clients are able to contact and communicate with SFHA staff whenever necessary. Unfortunately, clients commonly have difficulties contacting and receiving communication from staff. Client representatives have also reported having such difficulties. A staff directory, that includes the chain of command, should be updated and made more readily available. We also suggest that the SFHA allow more “voice mailbox” space so that clients can always leave messages for staff and have a required turn-around time on returning phone calls to clients (we suggest 3 working days).

The main switchboard should also be made more “user-friendly”. It should always be answered or a recorded directory with transfer capacity should be in place. Information and referral should be provided at the main switchboard. Clients should be provided with email addresses as an alternate means of communication.

4. Correspondence

Letters sent to clients from the SFHA should have consistent date stamp, postmark and letter date information. Letters to clients should be sent promptly and at the appropriate time. Clients should never receive critical communication from the SFHA after the relevant date (i.e., notification of an appointment after the appointment date has already passed). Notification of an appointment must be received at least 7 days prior to the appointment date. The SFHA should take aggressive measures to ensure that all correspondence from clients is adequately, received, processed and archived. A beginning step could be to have important client correspondence delivered via certified mail, in order to ensure client receipt.

5. Access to Information

Clients should have easy and swift access to their files, including copies of correspondence, inspection reports, re-certification documentation, rent calculation forms and other relevant paperwork. Clients should also be able to easily find information about SFHA policies, regulations and procedures, including the administrative plan and the tenant's lease, and be able to submit questions regarding the aforementioned.

An organizational chart that includes contact information for caseworkers, inspectors, supervisors and other staff should be made available to clients. Clients should be able to easily determine by phone and online who their caseworker and inspector is and who the respective supervisors are. Description of services and contact information about other SFHA departments such as fair housing, eligibility, maintenance should be also accessible.

We suggest the information be made available online, over the phone, or at an on-site “kiosk”, as well is in hard copy form, so as not to create additional work for caseworkers. The SFHA website should be made more user friendly and include answers to frequently asked questions,

commonly used forms (downloadable), online brochures and links to community resources. The information located at each of these locations should be frequently updated so as to provide current information for clients and the community.

6. Grievance procedure

Clients should be fully and accurately informed of their rights to grievance hearings. A clear, concise handout should be developed (in the five major languages), outlining when clients have the right to bring a grievance, the steps in the process and how to request a grievance hearing. Grievance procedure information should be made available to all clients, as an attachment to the lease. Additionally, a verbal process should be instituted to accommodate tenants with low literacy proficiency. This verbal orientation to the grievance process should occur at least one time per year, beginning with the signing of the lease and continuing each year during the annual inspection process.

7. Resident Involvement:

Tenants should have clear and substantial involvement in the recruiting, screening, hiring and termination of SFHA Commissioners as well as a clear format for providing performance feedback. Tenants should be able to review the attendance record of each Commissioner each year. Additionally, more tenant representation on the SFHA Board of Commissioners should be encouraged and facilitated.

B. Eligibility

Eligibility needs to develop a simple form (similar to Bay Area Legal Aid's info sheet) outlining preferences for the public housing waiting list. Any public housing applicant meeting with an eligibility worker should get this form filled out and dated, stating the preferences claimed by the applicant and the documentation needed for them.

1. Criminal Warrants and Eligibility:

Criminal warrants or citations related to clients' homeless status should not prevent them from being eligible for housing. Many people receive criminal citations solely because they are homeless, for violations such as public lodging, camping, and trespassing. Because homeless people cannot afford to pay the large fines associated with these citations, they often go to warrant. No one should be denied housing because of a "quality of life" charge or warrant.

In addition, clients should be given a reasonable time to clear up any outstanding warrants or charges against them. The criminal justice system moves slowly, and it usually takes months to get resolution of a warrant, a criminal case, or an expungement. No denial should be issued if the client is actively working to clear her record or resolve a pending criminal matter.

Clients who are denied housing because they have found to be on the state registered sex offender list should be allowed an opportunity to dispute and be provided with a copy of registration information found before any adverse action is taken as consistent with QHWRA (Sec. 578(d)).

2. Lost Eligibility for Subsidy:

The SFHA should work with tenants to help them comply with any re-certification, inspection or other ongoing eligibility requirements. It is especially important to make it known to all tenants that tenants with disabilities have a right to request reasonable accommodations. Such accommodation may sometimes require providing additional assistance with eligibility or providing additional time to comply with such requirements. For example, a tenant may ask for assistance in filling out a form because of a physical disability. Or, a tenant may need a rule or policy to be put in writing that usually is not put in writing, because of a mental health disability such as dementia.

An effective way to make tenants aware of the right to request reasonable accommodations is to provide a Reasonable Accommodation Request Form with every application or with every lease agreement (remember that the SFHA staff cannot target only tenants they perceive as having disabilities or needing reasonable accommodations, but can and should make the right to such accommodations known to all tenants).

C. Fair Housing

1. Language Issues

Clients should be able to request and receive correspondence from the SFHA in their native language. All standard forms should be available in the five major languages. Translation services should be available for both phone and face-to-face appointments with SFHA staff. Public hearings should be translated in a manner that allows for equal participation from all populations and is most efficient. We suggest that separate meetings be held for different language speakers or simultaneous electronic translation devices be used. The SFHA should develop a Limited English Proficiency (LEP) plan.

The SFHA should consider language access to be an important priority and factor that determines a tenant's satisfaction with SFHA's services. Therefore, language access services should not be dependent upon funding access or sources. SFHA should make all reasonable attempts, either through translators already employed through SFHA or through contract agreements, to provide translation services that include both interpretation and translation services. SFHA responsibilities regarding Limited English Proficiency tenants should be clearly detailed and included as an attachment to tenant leases.

2. Disability Issues

SFHA staff should proactively inform clients of their rights to reasonable accommodation, whether or not they have actual knowledge of a client's disability status. SFHA line staff should be provided with enhanced support and training around disability and reasonable accommodations issues so as to develop a greater awareness and sensitivity to disability issues among SFHA staff. The SFHA should consider assigning a key staff person to overseeing reasonable accommodations requests and educating staff and clients about disability issues and the Americans with Disabilities Act requirements. The SFHA should commit to regularly

training its entire staff on Fair Housing law.

All persons in senior/disabled buildings should receive information about the rules involving non-tenant household members (persons living in the household as personal care attendants). It should be made clear to both the tenant(s) and to the PCA that the PCA has no tenant rights and is not “on the voucher,” including the right to continued occupancy after the tenant vacates, the right to a transfer within the system, and the right to be at the top of the waiting list. All PCAs should sign a form annually stating that they understand these rules.

SFHA should assess the cost of upgrading current public housing units to be accessible by persons with disabilities, under the Americans with Disabilities Act, and present a proposal to the Commission to assess how to upgrade those units. SFHA should also place tenants on the priority transfer waiting list if they have disability accommodations issues that cannot be fulfilled by their current housing situation.

D. Domestic Violence Issues:

The SFHA should modify its plans so as to proactively recognize and address the epidemic of domestic violence in Section 8 and Public Housing. The SFHA should modify its policies to provide domestic violence survivors with waivers of any requirements that put them at increased risk of abuse, make it more difficult for them to escape the abuse, or unfairly penalize them as abuse survivors. The SFHA should excuse domestic violence survivors from damage debts incurred by abusers. SFHA should seek repayment from a perpetrator of domestic violence only not the household victim of domestic violence for damages to a public housing unit or private Section 8 unit when a perpetrator of domestic violence caused the damages.

The SFHA should maintain an updated list of referral agencies and counseling support services for both survivors and perpetrators of domestic violence. Regular communication about these services should be provided by the SFHA to tenants. Additionally, the SFHA should look into the possibility of contracting with an outside community agency to be able to adequately address domestic violence issues. The staff person who is responsible for providing this information and resources to tenants should not be a tenant’s case manager or other staff person, in the event that a conflict of interest occurs with overlapping relationships between the perpetrator, survivor, and SFHA staff.

E. Community Relations

1. Community:

A Community Advisory Board comprised of community organizations and other stakeholders should be developed to allow for ongoing communication between the SFHA and the larger San Francisco community. SFHA commissioners should be representative of constituents and stakeholders and accountable to community and resident needs

2. Local Government:

There should be a mechanism for regular reporting on critical issues, such as vacancies, code

violations, evictions, admissions and transfers from the SFHA to City departments and officials. Key city departments and officials should be made aware of any major policy changes or potentially damaging funding shortfalls that will have a negative bearing on the City's subsidized housing renters or its affordable housing stock and those departments and officials should hold public hearings and forward recommendations to the SFHA when appropriate.

There should be a designated SFHA point person who maintains relations with City government, provides information upon request and investigates concerns voiced by City departments and officials. A City/ SFHA/ Community task force should be developed to address issues that consistently arise.

II. Section 8 Program

A. Resident Involvement:

There should be an ongoing, Section 8 resident advisory body, similar to the Public Housing Residents Association (or the Resident Advisory Board) which maintains regular communication with the SFHA senior staff and commission and provides feedback about performance and policy. There should be at least one Section 8 tenant representative on the SFHA Board of Commissioners.

B. Rents

The SFHA should continue to advocate to HUD to grant an exception to the FMRs for San Francisco. The SFHA should outreach and educate landlords to encourage reduction in contract rents by sending letters in rent statements, holding informational meetings, discussing the issue when other communication is conducted. The SFHA should conduct a Random Digit Dialing survey to assess rents. The survey should exclude rent-controlled units and include only units within the City of San Francisco.

In the case of rent increases due to a reduction in the payment standard, the SFHA should conduct reasonableness assessments (comparable rents) as close to the effective date of the rent increase as possible to avoid a tenant's displacement (when his/her rent may be lowered after reasonableness is conducted). Also, written instructions should be available to tenants with disabilities outlining how they can submit a request for a reasonable accommodation in the form of a HUD waiver allowing for a payment standard of 120% of FMR (as per 24 CFR, 982.503).

1. Medical Deductions: Managers should remind tenants in senior/disabled buildings annually that they can show their out-of-pocket medical expenses to lower their Section 8 rent, and should make it possible for tenants to do so. We suggest that a simple instruction sheet be created to explain to clients with disabilities how to submit their documentation of medical expenses so as to avoid delays or inaccuracies in income and rent calculations. The sheet should also explain which costs are eligible for exclusion from income.

C. Fair Housing

I. Disability issues

Reasonable accommodations forms should be made available to Section 8 tenants at first rent-up and at least annually thereafter. Section 8 tenants should be notified annually of their reasonable accommodations rights, including more time to correct subsidy-threatening deficiencies (such as failure to get documentation for a live-in PCA, or failure to correct a disability-related clutter problem).

Disabled Section 8 residents should be affirmatively informed of their right to request an exclusion of out-of-pocket medical expenses from their income calculations. Section 8 Clients with disabilities who receive rent increases as a result of the reduction in HUD's Fair Market Rents should be informed of their right to request a waiver allowing the SFHA to raise their HAP payment to 120% of FMR as a reasonable accommodation and should be given the necessary information to submit a waiver request.

D. Evictions/Terminations:

A plan should be developed with community input as to what measures the SFHA will take in the event that federal funding cuts require voucher terminations.

E. Repairs/ Maintenance

There should be a central repair/ maintenance "hotline" that clients can call to report repair needs. The process and timeline for enforcing violations of code and Housing Quality Standards should be clearly outlined for clients, with relevant information such as how to locate and contact your SFHA inspector, and information about utilizing the Department of Building Inspection and other City departments such as the Department of Environmental Health.

F. Inspections

Initial pre move-in inspections need to happen within a specific reasonable time frame that does not put the client at risk of temporary homelessness or of the landlord renting the unit to someone else.

Tenants should have adequate ability to re-schedule inspections if they are at an inconvenient time. This requires being able to contact inspectors and receiving return phone calls promptly.

III. Public Housing

A. Resident Involvement

Residents should not be intimidated from organizing themselves to ensure their basic rights are enforced and allowed. Resident or tenant associations should be given the authority to decide the amount of autonomy that they would like from the SFHA. Resident and tenant associations should be adequately funded to provide needed programming and services for SFHA residents.

B. Vacancies.

The SFHA should repair and re-rent any vacant units in a timely manner. Units should not be vacant for more than two months. The SFHA should regularly compile and distribute a list of vacant units. If there are any units that have been vacant for more than two months, the SFHA

should provide a written explanation for what is causing the delay.

C. Maintenance/ Repairs

Maintenance requests that are reported though the emergency repair line should be followed up on by staff other than the person responsible for fixing the problem in order to ensure that the repair has been done. If emergency repairs are not made within 24 hours after reporting the need, residents should have a means to report the lack of response to a maintenance supervisor. Clients with serious unaddressed repair needs affecting the health and safety of occupants should be eligible for rent reduction and/or swift priority transfer approval. Emergency repairs should also include anything related to violent activity that occurs on SFHA property, such as windows broken from gunshots or domestic violence.

Data on repair requests, including number and type of requests and date of reporting and completion, should be publicly available. The SFHA should work cooperatively with the Department of Building Inspections, the Board of Supervisors and the City Attorney's Code Enforcement program to ensure that repair needs are promptly and adequately addressed.

D. Disability Issues:

Reasonable accommodations/reasonable modification request forms should be available at the front desk of every building, along with clear information as to where the forms should be submitted. The right to reasonable accommodations/modifications, which include the right to more time to correct tenancy-threatening deficiencies (such as disability-related clutter problems), should be explained to residents annually. Requests that involve disability-related accommodations/modifications should be tracked separately from routine repair requests and in a timely manner.

E. Eligibility/ Admissions

1. Preferences

Homeless applicants should be awarded the maximum number of preference points, above all other categories, on the waiting list for public housing. The City of San Francisco's definition of homeless, which includes families who are in SROs and "doubled up," should be used by the SFHA to define homelessness.

The San Francisco Housing Authority should modify its wait list and transfer protocols to include a preference for survivors of domestic violence who are in immediate risk of violence and who need access to safe and affordable housing in order to escape the abuse.

2. Transfers

A clear reasonable accommodation policy for disability-related transfers needs to be written and a separate request form used. These transfers should not be simply classified as one form of "priority transfer." (SFHA may need to rewrite its "priority transfer" policy as an "emergency transfer" policy.) The requirement that the disabled person's situation be "life threatening" should not be made. (Neither Federal, state, nor local law requires that a situation be "life

threatening” before a reasonable accommodation can be requested; requiring a disabled applicant for transfer to meet this extra burden is discriminatory under Federal law.)

No tenant requesting a transfer for disability reasons should be required to meet tenancy screening requirements different from (higher than) those required when the tenant was first accepted for SFHA tenancy. To impose additional screening requirements is discriminatory under federal law.

F. Demolition/ Modernization

All public housing units demolished during HOPE VI or other types of modernization projects should be replaced one-for-one supporting residents at the same income levels as before. All existing residents should have the right to re-inhabit units after rebuild without being subjected to further screening. The Housing Authority should ensure in any contracts it makes with other entities to run newly developed or remodeled public housing developments that former residents of the development are automatically eligible for vacancies at those developments.

G. Evictions

Eviction notices (prior to Unlawful Detainers) should advise tenants of their rights to the informal dispute resolution provisions of 24 CFR 966.51-966.55 and should inform tenants of legal services and community resources (such as back rent assistance programs, Eviction Defense Collaborative, etc) .

H. Crime and Safety

1. Police and Security

Police patrols, emphasizing community policing strategies, should be onsite at SFHA developments 24/ 7. There also needs a system of accountability in place by SFHA to ensure the presence of the police patrols. The SFHA should re-examine its policy of leveraging valuable resources towards police patrols (1 million dollars), to institute a more cost-effective program that puts empowerment of residents at the top of the priority list.

2. Priority Transfers

The Housing Authority should ensure in any contracts it makes with other entities to run public housing developments that persons who have been approved for a priority transfer are automatically eligible for vacancies at those developments, and shall be entitled to priority on those wait lists. The SFHA should work closely with City government and non-profit housing developers to identify potential alternative transfer options outside of the SFHA developments. The SFHA should also explore possibilities of providing priority transfers to developments in regions outside of San Francisco by working with other Housing Authorities throughout Northern California. SFHA staff should be trained to assist residents in applying for priority transfers when applicable.

Annual Plan Comments (SFHA)

Section 3

The San Francisco Housing Authority (SFHA) has previously recognized the need to identify new and better ways to encourage and support increased employment and contracting opportunities for its residents and resident-owned businesses. As such, the 2006 Annual Plan should expressly discuss how these concerns could partially be addressed through HUD's Section 3 program.

The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons.¹ The implementing regulations set forth numerical goals for hiring and training opportunities for low- and very low-income individuals (30% of new hires must be low- or very low-income individuals of the county) by the recipient of housing and community development funds and any contractors. In addition, the regulations set forth goals for contracting by SFHA or by its contractors with Section 3 businesses.² The goals for contracting with Section 3 businesses are 10% of all contracts for building trades work arising from construction and rehabilitation and 3% for other contracts.

SFHA has historically attempted to achieve its Section 3 obligations through local policies that partially exceed the HUD-defined Section 3 goals. For example, SFHA has established a hiring goal that requires a hiring priority be given to Section 3 residents on twenty-five percent (25%) of *the total workforce* (person-hours for all contractors and subcontractors) construction projects and other construction related activities (e.g. architects and engineers). We would like to know how close SFHA has come to reaching the goal of 25% of total workforce hours; moreover, we urge SFHA to incorporate this information into the 2006 Annual Plan. In addition, we would like to know about the impediments that SFHA has encountered while administering its Section 3 program and likewise what steps SFHA has taken to successfully negotiate around those impediments.

With the experience that SFHA has with Section 3, the Annual Plan should expressly establish numerical goals for hiring Section 3 residents. These numerical goals should state the anticipated number of very low- and low-income individuals who will be hired and/or trained. In addition, the Annual Plan should also establish numerical goals for Section 3 business contracting. These contracting goals should be stated in terms of the anticipated total dollar amounts of such contracts to be awarded to Section 3 businesses. And in light of the \$13.4 million of 2006 Capital Fund funding that was recently awarded to SFHA there should be a considerable number of contracting opportunities made available to Section 3 businesses in the coming year.

In conclusion, while SFHA's Section 3 program is commendable, even greater strides could be made if defined numerical standards and enforcement policies were incorporated into the SFHA's anti-poverty strategy. Therefore, at we urge SFHA to incorporate the above noted hiring and contracting standards into its 2006 Annual Plan.

Resident Advisory Board
C/o Rufus Davis
SF Housing Authority
440 Turk St.
San Francisco, CA 94102

Dear Mr. Davis:

Independent Living Resource Center San Francisco wishes to make the following comments regarding the SFHA 2006 Annual Plan. While for space reasons many of their comments are not repeated here, we concur with the comments of other Community Partner agencies, such as Housing Rights of SF and Bay Area Legal Aid.

Contact with SFHA in general

First, staff directories should be updated and made more readily available. Also, no correspondence should leave any SFHA office without the name and contact info of the person sending the correspondence.

Second, there needs to be a better way for applicants/tenants to leave verifiable messages. Increased use of email, with access to dedicated computer terminals at SFHA buildings (including 1815 Egbert and 440 Turk) for applicants and tenants, would be a good solution. It is much easier for a worker to read ten emails quickly than to listen to ten voice mails. The worker can still respond by telephone, as before.

Eligibility

Eligibility needs to develop a simple form (similar to Bay Area Legal Aid's info sheet) outlining preferences for the public housing waiting list. Any public housing applicant meeting with an Eligibility worker should get this form filled out and dated, stating the preferences claimed by the applicant and the documentation needed for them.

Eligibility needs to develop a form on which disabled applicants can request reasonable accommodations (some examples: a waiver of an eviction disqualification, because the eviction was caused by the person's disability; a waiver of some bad credit info, because the bad credit was caused by a disability; use of a reference from a hospital social worker in lieu of a landlord reference). Eligibility needs to make it clear that disabled persons have the right to reasonable accommodations, and not simply classify these accommodations as "mitigating circumstances" (a term from criminal law).

If Eligibility is to handle all transfers, then a clear reasonable accommodation policy for disability-related transfers needs to be written and a separate request form used. These transfers should not be simply classified as one form of "priority transfer." (SFHA may need to rewrite its "priority transfer" policy as an "emergency transfer")

policy.) The requirement that the disabled person's situation be "life threatening" should not be made. (Neither Federal, state, nor local law requires that a situation be "life threatening" before a reasonable accommodation can be requested; requiring a disabled applicant for transfer to meet this extra burden is discriminatory under Federal law.)

No tenant requesting a transfer for disability reasons should be required to meet tenancy screening requirements different from (higher than) those required when the tenant was first accepted for SFHA tenancy. To impose additional screening requirements is discriminatory under Federal law.

Public Housing

Reasonable accommodation/reasonable modification request forms should be available at the front desk of every building, along with clear information as to where the forms should be submitted. The right to reasonable accommodations/modifications, which include the right to more time to correct tenancy-threatening deficiencies (such as disability-related clutter problems), should be explained to residents annually.

Requests that involve disability related accommodations/modifications should be tracked separately from routine repair requests, in a timely manner.

All persons in senior/disabled buildings should receive information about the rules involving non-tenant household members (persons living in the household as personal care attendants). It should be made clear to both the tenant(s) and to the PCA that the PCA has no tenant rights, including the right to continued occupancy after the tenant vacates, the right to a transfer within the system, and the right to be at the top of the waiting list. All PCAs should sign a form annually stating that they understand these rules.

Managers should remind tenants in senior/disabled buildings annually that they can show their out-of-pocket medical expenses to lower their Section 8 rent, and should make it possible for tenants to do so.

Section 8 and project-based Section 8

SFHA should continue to advocate for exceptions to the FMRs, especially for wheelchair users, who are priced out of the market created by the current FMRs.

All senior/disabled Section 8 tenants should receive information about the rules involving non-tenant household members (PCAs). It should be made clear to the tenant(s) and to the PCA that the PCA is not "on the voucher" nor on the Section 8 waiting list (unless already on the list under his/her own name). All PCAs living in Section 8 households should sign a form annually stating that they understand these rules.

Reasonable accommodation forms should be made available to Section 8 tenants at first rent-up and at least annually thereafter. Section 8 tenants should be notified annually of their reasonable accommodation rights, including more time to correct subsidy-threatening deficiencies (such as failure to get documentation for a live-in PCA, or failure to correct a disability-related clutter problem).

All senior and disabled Section 8 tenants should be reminded annually that they can show their out-of-pocket medical expenses to lower their Section 8 rent.

Sincerely yours,

Victoria Tedder, Housing Advocate

**San Francisco Housing Authority
Section 8 Home-Ownership Program
Capacity Statement**

The San Francisco Housing Authority shall operate a Section 8 Homeownership Program with various requirements including but not limited to:

Participating families must be current participants of the Family Self-Sufficiency Program or successful graduates. (Requirement does not apply to Elderly or Disabled Households)

Each family will be required to contribute at least 3% of the purchase price of the home, with at least 1% coming from the family's personal resources. The family's resources may include funds from the family's FSS escrow account, as outlined in the SFHA Administrative Plan for the Section 8 Program, Section 21.

In addition, loans secured by the family and approved by the SFHA must be insured or guaranteed by the state or federal government. These loans must comply with secondary mortgage underwriting requirements, and/or comply with accepted private sector underwriting standards, as listed in Section 21.15 – of the SFHA's Section 8 Administrative Plan.

Due to the high cost of homes in the city and county of San Francisco, many families will not be able to take advantage of the homeownership opportunity. Therefore, the SFHA is collaborating with the local San Francisco Redevelopment Agency and Mayor's Office of Housing and Community Development to identify Below Market Interest Rate (BMIR) homeownership funding sources and develop homeownership opportunities such as utilizing the Habitat for Humanity Program to develop affordable homes.

The SFHA has identified possible sources of funding (FSS Coordinator), as approved by HUD, to hire additional staff to successfully develop, operate and maintain the homeownership program.

SAN FRANCISCO HOUSING AUTHORITY

FAMILY SELF SUFFICIENCY PROGRAM

ACTION PLAN

Revised March 20, 2006

SAN FRANCISCO HOUSING AUTHORITY

FAMILY SELF-SUFFICIENCY ACTION PLAN

This Action Plan is established by the San Francisco Housing Authority (SFHA) to provide guidelines for the administration of the Family Self-Sufficiency (FSS) Program. Following HUD's approval of this Action Plan, the SFHA will incorporate this plan as part of our administrative plan for the Section 8 Program and will begin the administration of the FSS program.

The goal of the FSS Program is to promote economic self-sufficiency among the participating families. The eligible families will be united with the appropriate support services and the appropriate resources in the community needed to move them toward economic self-sufficiency. The Program will require a five year commitment from its participants and there will be a financial incentive for the families that achieve employment. An escrow account will be maintained by the SFHA whereby specified money from the Housing Assistance Payments Account will be deposited on behalf of participant families. The escrow money will be turned over to the families that successfully complete the FSS program requirements.

In accordance with the HUD established guidelines the SFHA has established a Program Coordinating Committee (PCC). The PCC is comprised of persons from the public and private sectors, local government, Section 8 participants, SFHA staff, and others in the community. The purpose of the PCC is to identify public and private service groups and resources, to determine the general needs of the population to be served, and the availability of these services and resources. The PCC is an advisory committee that participated in the development of this Action Plan and the revisions to the SFHA Section 8 Administrative Plan. The PCC will also participate in the development and implementation of the FSS program.

The SFHA will offer the FSS Program to current Section 8 Participants. Interested participants will complete a FSS preapplication and attend workshops conducted by the SFHA. The purpose of the workshops will be to provide the families with an explanation of the Program's requirements, expectations and benefits. If there are more applicants than FSS slots a waiting list will be established. A computerized lottery system will be employed to establish the ranking order of the waiting list. Subsequent interested participants will be added to the list by chronological order.

1. ELIGIBLE FAMILY DEMOGRAPHICS

The FSS Program will be offered to holders of the Section 8 Vouchers whose demographics are as follows:

Total number of Section 8 families	7472	%
Number of married households	2138	29
Number of male head of households	2990	40
Number of female head of households	4480	60
Other	2	0

FAMILIES BY RACE

White	1799	24.08

The SFHA assists a racially and ethnically diverse population of low-income families, disabled and senior citizens totaling 7,472 clients. of these, up to thirty seven (22%) rely on Temporary Assistance For Needy Families (TANF) or other public assistance as their sole source of income. The remaining participants being comprised of low income families earning low wages, disabled and senior citizens relying mostly on Supplemental Security Income (SSI) and Social Security Allotment (SSA) as their sole source income.

Many of the Section 8 participants have expressed an earnest desire to become economically self sufficient. However, a common factor among many of the participants is a lack of education, job training, and affordable childcare. Many of the families at one time or another secure employment. However, these jobs are often low paying, requiring very little skills. This often leaves the family relying on government assistance to supplement their income. For families not receiving some form of structured education and job training this cycle is likely to continue. In addition, a percentage of the participants suffer from alcohol and/or drug abuse, psychological disorders, and domestic violence.

2. SUPPORT SERVICE NEEDS

The families participating in the program will require a broad range of support service needs such as employment training, remedial and continued education, childcare, job search and readiness assistance as well as life skills training.

In addition, some of the families will need substance and domestic abuse counseling, mental health assistance and parenting skills workshops.

3. ESTIMATE OF FAMILIES EXPECTED TO RECEIVE SERVICES

The SFHA has received an allocation of 303 (FSS) slots. These slots will initially be filled in increments of thirty to fifty, preferably on a bi-monthly basis. It is believed that by filling the slots in such a progressive manner, it will enable the SFHA to secure support services for all families; prevent an individual support service

provider from being overburdened, and allow the SFHA to complete thorough initial assessments and case management. We anticipate that such an arrangement will allow the SFHA to seek additional commitments for the FSS program participants.

We anticipate that all families should be adequately served with the amount of resources available within the City and County of San Francisco from the public and private sector.

4. FSS FAMILY SELECTION PROCEDURES

The (SFHA) selection procedures will follow in four progressive steps. Each family will be expected to complete each step prior to the execution of a Contract of Participation (CoP). The steps are:

1) Return of pre-enrollment application, 2) Attend orientation meeting, 3) Personal interview, 4) Good standing confirmation.

Step 1: Pre-enrollment

The (SFHA) will make the initial contact by mailing flyers which will include a statement of the program in Chinese, Spanish, Vietnamese, Cambodian and Russian to the Section 8 participants. The flyers will briefly explain the FSS program. A pre-enrollment form will be included with the flyer. The pre-enrollment form will request minimal information such as, family size, employment status, education level completed and language spoken. It will be clearly stated on the enrollment form that families failing to return the pre-enrollment form within the prescribed period of time will not be considered for the FSS program.

Upon return of the pre-enrollment form the SFHA will date stamp the form and examine the form for completeness. If there are more applicants than FSS slots the SFRA will conduct a computerized lottery to place the families in ranking order. Second letters will be sent notifying families of their eligibility and advising them of their position on the FSS waiting list. Subsequent additions will be added to the wait list in chronological order.

Step 2: Orientation Workshop

The SFHA will conduct orientation workshops designed to provide the families with more detailed information about the FSS program and its benefits. Prior to the date of the orientation workshop the families that expressed an interest in the FSS program will be notified. An appointment will be made for groups of not more than thirty families to attend. Childcare may be provided.

The SFHA may conduct the orientation workshops for non-English speaking families if necessary. Otherwise, the SFHA may have an interpreter present during the orientation. Families will be encouraged to provide their own interpreter services.

Step 3: Interview

Each family will receive a scheduled interview appointment. The personal interview allows the family to receive exclusive attention and address any concerns they may have regarding the FSS program. Assigned staff will seek to ascertain the basic needs of the family based on information derived from the personal interview.

Step 4: Good Standing

Any family selected to participate in the FSS program must be in good standing with the SFHA. Any family that has breached an agreement or is otherwise delinquent on any executed repayment agreement with the SFHA or another Housing Authority is not in good standing and will be denied participation in the FSS program. This will include a family with a history of missed and consistently late payments. Families that execute and adhere to the arrangement of a repayment agreement are considered in good standing.

5. NON-DISCRIMINATION:

The SFHA will select families for the FSS program without regard to their race, color, religion, sex or sexual orientation, family status or national origin. Reasonable conveniences will be afforded any family with disabilities, that otherwise qualify for the program. Provided that such assistance does not cause undo financial and/or administrative burdens to the SFHA.

The SFHA will administer the FSS program in accordance with Title VI of the Civil Rights Act of 1964; the Fair Housing Act: section 504 of the Rehabilitation Act of 1973 and current Statutory and Regulatory rules governing FSS programs as amended in the Housing and Community Development Act of 1993.

6. LOTTERY

The SFHA will initially employ a computerized lottery system to ensure a fair and equitable distribution of FSS slots.

Subsequent outreach will be structured on a chronologically-based wait list.

7. INCENTIVES

The SFHA will offer tangible and non-tangible incentives to the FSS participants that will include:

Escrow Credit:

The escrow credit is monies generated by an increase in family wages that is dispersed to the family upon successful completion of the FSS program.

Home Ownership:

Families may be allowed to make interim withdrawals from the FSS escrow funds to apply towards a down- payment for home ownership by participating in the Home Ownership for Everyone Program HOPE which allows Section 8 subsidy payments to be used towards the purchase of a home.

CalWorks:

The SFHA has commitments from the Department of Social Services that will enable the SFHA to aid families in accessing the Greater Avenue Towards Independence Program.

Wardrobe Assistance:

The SFHA will seek commitments from clothing retailers to donate career clothing for the FSS families.

Non-tangible

The non-tangible incentive will be the boost in self esteem derived from successfully completing the FSS Program and the many benefits that will result thereof.

8. ESCROW ACCOUNT

The escrow account is the financial incentive for families to participate in the FSS Program. Generally, the FSS families continue to pay rent in accordance with their incomes and as a rule, the difference between the rent when a tenant family signs the FSS Contract (referred to as baseline figures) and increase amount paid for rent as the result of earned income is escrowed on behalf of the participant family. The escrow is based on increase of earned income as follows:

- The full amount, before payroll deductions, of wages and salaries, overtime pay, commissions, tips, bonuses, fees, and other compensation for personal services;
- Net income from the operation of a business or profession;
- Military pay that is normally included in the Annual Income definition;
- Earned income does not include pension or annuity, transfer payments, or any cash or in-kind benefits;
- Earned income does not include income of children under 18 (as long as they are not head or spouse). If an adult is added or a child turns 18 after the Contract of Participation is executed, the income is counted;
- The escrow does not include increases in income other than earned income;
- Increases in TANF for a family in which no family member is employed are not counted toward the escrow calculation;
- If the family participates in education or job training and there is no employment income, there is no escrow fund calculation made;
- If the head of household gets married after the execution of the Contract, the spouse's earned income is counted when computing the escrow, regardless of whether they have an individual training and services plan;
- There is a different calculation for families who are Very-Low-Income v. Low-Income;
- For families over the Low-Income limit, there will be no FSS credit. No credits will be made to the family's FSS account when the FSS family has completed the Contract of Participation or when the Contract is terminated or otherwise nullified;

- The SFHA will maintain a single depository account for each FSS family and will credit periodically, but not less than annually, the amount of FSS credit due the family. The SFHA will report, at least once annually, to each FSS family on the status of the family's FSS account;

DISBURSING THE FSS ACCOUNT

The SFHA will normally disburse the escrow account fund;

- When the family completes the Contract, or
- When no family member receives welfare assistance.
- The amount in an FSS account, in excess of any amount owed to the SFHA by the FSS family, is paid to the head of the FSS family;
- When the Contract of Participation has been completed (even if the Contract term has not expired), or
- Whenever 30% of the family's monthly adjusted income equals or exceeds the Payment Standard for the Voucher size issued by the Section 8 Program based on the SFHA's Occupancy Standard and jurisdiction (even if the five years is not up), and
- When, at contract completion, the head of the family certifies that, to the best of his/her knowledge and belief, no family member receives Federal or state welfare assistance (SSI payments for a disabled family member are not subject to this test).
- When, at the completion of the contract all income data reported while on the program is verified accurate through Enterprise Income Verification (EIV) System.

INTERIM DISBURSEMENT

The SFHA may, at its sole option, disburse a portion of the funds from the family's escrow account during the Contract period for Contract-related expenses if the family:

- Has fulfilled certain interim Contract goals, and
- Needs a portion of the FSS account funds for purposes consistent with the Contract such as: 1. School tuition or other school costs 2. Job training expenses 3. Business start-up expenses Please note the SFHA has the option of disbursing funds directly to the service provider.
- Interim withdrawals may be allowed for a family participating in the Home Ownership for Everyone Program (HOPE) towards the down payment for the purchase of a home.
- The SFHA will contact current landlords renting to FSS families to verify that the family has no outstanding rent delinquency or other cost. Any amount outstanding will be deducted from the escrow by that amount prior to proration and distribution of the interest income. (FSS account balances are adjusted in cases of rent delinquency because the credit is based on the amount of rent the family actually paid,

not the amount charged). Although, the family will be notified at least 60 days prior to the distribution of the FSS funds to allow the family to bring their rent current to avoid deduction from the escrow account.

FORFEITING THE ACCOUNT

Amounts in the FSS account will be forfeited if (1.) The Contract of Participation is terminated, or (2.) The Contract of Participation is completed but the family is still receiving welfare assistance when the FSS contract expires, including all extensions, (3) The family commits a Program violation.

9. OUTREACH EFFORTS

The SFHA will notify all Section 8 participants of the FSS program by way of flyers. The flyers will also be sent to agencies that provide FSS related services. In addition, each Section 8 participant will be given written information on the FSS program during their annual recertification reviews.

Applicants on the Section 8 waiting list will be given information on the FSS program to consider as a future prospect. This will be included in their Section 8 briefing packet.

Seminars on the FSS program will be held for prospective support service providers from the public and private sector.

10. FSS ACTIVITIES AND SUPPORTIVE SERVICES

The SFHA has received commitments from various agencies. Some of these agencies will include, but are not limited to:

Employment Development Department (EDD)

EDD provides a wide range of services including job referrals with employers in the private and public Sector, and the Experience Unlimited (EU) which is a self directed organization of professional and technical jobs seekers which provides placement services, assistance in learning job search skills, information on firms and access to telephones, fax, computers, and photocopiers. Also provided are Vocational Assessments with the objective of job placement; Youth Employment Programs designed to assist at risk youth in receiving peer counseling referrals to supportive services, job referrals and referrals to training; and The Job Agent Program that offers supportive services and job placement to economically disadvantaged applicants who have barriers to employment. EDD also maintains a constant report with employers in both the private and public sector and provides employers with information on laws as they relate to human resources and employment.

Department of Social Services (DSS)

DSS will provide financial welfare and general assistance to dependent families and single adults. Their services also include direct referral to the Greater Avenue to independence Program (GAIN) and the General Assistance Training and Employment Program (GATES). Both of these programs offer job training and employment referrals. Also provided is professional case management

for families participating in programs offered by DSS, in-home support services, children services, family crises intervention. DSS maintains an ongoing relationship with various agencies throughout San Francisco.

San Francisco Community College (SFCC)

SFCC maintains campuses throughout the county of San Francisco providing courses on various subjects, financial aid and educational assessments.

Women Initiative For Self Employment (WISE)

WISE assist women aspiring to become entrepreneurs by providing financial assistance and financial planning, sponsoring workshops, and directing clients to agencies that could provide assistance towards entrepreneurship.

Women in Non-traditional Employment

Women in Non-Traditional Employment is administered by an entrepreneur, Richey Rice-Gore, who secures commitments from employers to employ women in non-traditional jobs such as construction and labor.

Private Industry Council (PIC)/ Jewish Vocational Services

PIC assists clients in securing employment by providing training and referrals for employment to subcontractor who have committed themselves to providing employment. Additionally, PIC participates in the summer Youth Employment and Training Program and the Job Training Partnership Act Training Programs, both of which aid in employment of the clientele they serve.

The SFHA will seek to establish commitments with a host of other public and private agencies. It is our intent to develop agreements for support services.

11. CASE MANAGEMENT

The SFHA has employed the services of a Self Sufficiency Coordinator and Self-Sufficiency Case Worker who will provide case management for families participating in the FSS program. Case management will be provided throughout the term of the Contract. The Coordinator and Case Worker will maintain contact with the families through office/home visits or telephone at least once a month and more frequently during periods of crisis. In addition, The Coordinator and Case Worker will provide the following services:

1. Conduct personal interviews with the family on a continuous basis to review family progress, make any necessary revisions regarding family CoP.
2. Ascertain needs of the family based on information derived from the personal interview.
3. Compile information and documents related to the family.
4. Inform family of available resources and provide information.
5. Prepare and make referrals to the appropriate resources.
6. Intercede on behalf of family when services are not being adequately delivered.

7. Review family progress and make recommendations where necessary.

There will be other functions of the case manager that will develop as the needs of the family evolve. The case management functions will be carried out with a view to aid the family on their path to self sufficiency.

Families that elect to exercise portability may not receive case management. Unless a family can demonstrate, to the satisfaction of the SFHA, that they are able to carry out the obligations set forth in their Contract, no case management will be provided.

12. PORTABILITY

Portability will remain available to all FSS families. However, each family will be required to remain in the SFHA FSS program for the first twelve months of participation in the FSS program.

A family requesting a transfer will be required to meet with the FSS Coordinator to review the possible ramifications which could result from the transfer and to review the feasibility of such a move. If an FSS family chooses to move to another community, the FSS Coordinator will contact the receiving Housing Authority to determine whether or not, they are able to accept the San Francisco FSS family into their FSS program.

Families currently on transfer from another Housing Authority within San Francisco will be given the opportunity to apply for the SFHA FSS program. These families will be absorbed by the SFHA if they are selected to participate in our FSS program. However, subsequent families who transfer to the SFHA, although given the same opportunity to apply for the SFHA FSS program, will not receive a selection preference. It will be the sole discretion of the SFHA to allow a family to participate in its FSS program.

A family that transfers and is accepted into the receiving Housing Authority FSS program will be canceled from the SFHA FSS program. Their FSS related service will cease and the escrow credit will be transferred to the receiving Housing Authority.

A family that transfers and is not accepted into the receiving Housing Authority FSS program will be canceled from the SFHA FSS program and will forfeit the escrow account.

13. CONTRACT OF PARTICIPATION

Once the families goals and objective have been established each family will be required to sign a CoP. The CoP will be effective the first of the month after the contract is executed. The initial term of the CoP will be five years and may be extended an additional two years at the written request of the family, with good cause. (Good cause is considered circumstances beyond the families control such as serious illness or involuntary loss of employment; terminations resulting from failure to perform is not considered good cause) An extension may be granted to allow the family to meet the interim goal of remaining off welfare assistance for at least one year prior to expiration of the contract expiration date.

The information included in the Contract are the Gross Annual Income, the amount of earned income in the Gross Annual Income, the family Rent (30% of monthly income in case of Vouchers). Not to exceed the Contract Rent for the Voucher size issued by the Section 8 Program based on the SFHA's Occupancy Standard and jurisdiction.

The Contract will be signed by the family member designated as head for the determination of income eligibility. Individual Training and Services Plans will be completed on each adult family member requesting participation in the FSS program. The Individual Training and Service Plan will be an attachment to the Contract. The Service Plan will include at a minimum, the initial long and short-term goals, interim and the final goal of obtaining and maintaining suitable employment. Each Contract will include the mandatory goal requiring the family to be free of welfare assistance within one year of the expiration of the contract, including any extensions.

The SFHA will maintain responsibility for seeing that the services outlined in the Individual Service and Training Plan are delivered to the family. If the SFHA is unable to obtain services the SFHA will decide if another available service can achieve the same purpose. If not, the SFHA will decide if the unavailable services are integral to the families ability to achieve self sufficiency. If necessary, the SFHA will delete the services and modify the Contract. However, if it is determined that the services are integral, the SFHA shall declare the Contract null and void.

The contract will specify the need for the head to seek and maintain employment with an above minimum wage salary, unless there is potential for advancement in an occupation consistent with the goals outlined in the Individual Service Plan. Even though the SFHA will make the ultimate decision as to suitability of employment, this decision will be made in conjunction with the family based on the person's skills, education, and available job opportunities within the SFHA's jurisdiction.

The contract may require one or more family members to attend job training and counseling sessions and to interview for jobs. However, the Contract is not considered broken if other family members do not complete their Individual Service and Training plans or never become employed.

The Contract may be modified if the family and the FSS Coordinator mutually agree. However, the contract can only be modified in the area of the Individual Training and Services Plans, the Contract term (extensions) and the designation of the FSS head of the family. If the modification is made to the FSS head, it will be included in an attachment to the Contract which will include the name of the new head, the signatures of the new FSS head and an SFHA representative and the date signed. All modifications will be in an attachment to the Contract. If the designated head leaves the household the remaining family members may designate another family member as the head, for the purpose of continued participation in the FSS program and receipt of the escrow credit. If no family member is designated as the new head, the Contract will be canceled and the escrow forfeited.

Each family will be given an opportunity to review and adjust the conditions of their Contract and will be informed of the possible ramifications resulting from such changes. If such changes result in the family not successfully completing their Contract the SFHA will not be held responsible and the escrow will be forfeited. Families will be required to make a formal written request regarding any changes in their contract service plans, extensions and interim withdrawals. The SFHA will send formal notifications to the family regarding any changes in regulation or policy that would affect an FSS family, including any contract termination.

A Family that fails to complete their Contract will be terminated from the FSS program and the escrow will be forfeited. The family may be allowed to apply for future participation in the FSS program, provided they were not terminated for fraud in connection with the Section 8 Voucher Program or the FSS program. However, the family will be placed at the end of the FSS waiting list.

14. FSS TERMINATION AND WITHHOLDING POLICIES

The Contract will outline the reasons for terminating or withholding the FSS supportive service and/or Section 8 Assistance if the designated head fails to comply with the terms of the Contract. However, it is the SFHA policy to terminate the FSS contract, but the Section 8 rent subsidies will remain with the families. Please note if other family members fail to complete their assigned contract, their actions will not result in termination of support services or Section 8 assistance for the entire family. Notwithstanding, the SFHA may choose to withdraw support services for that individual family member.

GROUNDINGS FOR TERMINATION

The following are reasons for termination of the FSS program:

- 1) Noncompliance with the lease;
- 2) Failure to become independent from welfare assistance;
- 3) Failure to meet any other obligation under the FSS contract except the interim goal concerning welfare assistance;
- 4) Family has committed fraud in connection with the FSS or Section 8 Program. Fraud is defined as deceit or trickery, deliberately practiced in order to gain some advantage dishonestly.

If a family is terminated from the FSS program the family cannot reapply for one year. Whether a family is allowed to participate in the FSS program for a second time is the sole discretion of the SFHA.

15. GRIEVANCE PROCEDURES

Participants in the FSS program will have a right to an informal hearing to review a SFHA decision affecting their right to participate in the FSS program. The procedures for filing a grievance are as follows:

- 1) The family must make a written request for an informal hearing.
- 2) The informal hearing is conducted by an impartial staff member who had no participation in the decision to terminate the family from the FSS program; and has no supervision authority over any staff involved in the initial decision to terminate.
- 3) The SFHA will mail written notification to the family of their decision to terminate the FSS contract. Included in the notice will be a statement informing the family of their right to request a hearing. The family will also be given a deadline by which they must request a hearing.
- 4) Upon receipt of the request, the family will be mailed a letter with an appointment for a hearing date and time. The family will be given the opportunity to examine any records or documents relating to the decision to terminate the FSS Contract.
- 5) The family will be informed that if they want legal assistance they must provide their own legal counsel, at their own expense.

- 6) Following the hearing process the family will be notified by written correspondence of the final decision resulting from the facts presented during the hearing.

16. ASSURANCE OF NON-INTERFERENCE

The FSS Program is voluntary. Hence, all current and prospective Section 8 Voucher holders will be informed that their decision not to participate in the FSS program will not affect their admission to or continued participation in the Section 8 Program.

Each Committee member has committed to providing an alternate member in their absence, where possible. The PCC membership will adjust as the FSS program evolves. However, the ultimate objective of the PCC members is to create an FSS program that is successful in assisting the FSS families in becoming self sufficient.

ADDENDUM TO PHA PLAN TEMPLATE

Section 8 Project-Based Voucher Program

Pursuant to initial guidance published by HUD regarding the Section 8 Project-Based Voucher (PBV) Program in the January 16, 2001 Federal Register, Volume 66, Number 10, this addendum serves to declare that the San Francisco Housing Authority intends to operate and continue to operate a PBV Program as authorized by HUD and in conformity with all nondiscriminatory requirements specified in the PHA Plan regulations and further declares that the SFHA shall affirmatively further fair housing as required by these regulations.

Project-basing of units will secure a base of affordable housing that is to be maintained as affordable for an extended period of time. Historically, less than ten percent (10%) of the available vacant units are made available to families receiving Section 8 subsidies and low-income families are in jeopardy of being shut out of available housing due to rising rents and diminishing availability. Project-basing units will give low-income families an opportunity to secure housing in this restrictive market and not force them to leave the area for less appealing markets. The goals of the SFHA PBV Program are consistent with similar goals set forth by the Consolidated Plan for the City and County of San Francisco. Keeping the units as tenant-based will not provide any guarantee that the families will be able to find housing in San Francisco nor choose to keep their subsidy in San Francisco.

The following is a list of the currently assisted PBV units as well as the units anticipated to be assisted in the coming year. All future units to be considered for the PBV Program will be located within the limits of the City and County of San Francisco. Every effort will be made to assist units in Qualified Census Tracts, defined to be Census Tracts with poverty rates below 25 % unless otherwise approved by HUD.

The San Francisco Housing Authority intends to fully utilize its maximum allowable allocation of units for the PBV Program as defined by twenty percent (20%) of its budget authority for the SFHA's Housing Choice Voucher Program. Effective January 1, 2006, the SFHA Voucher budget authority was \$114,953,164.00. Therefore it is anticipated that the SFHA intends to project-base approximately \$22.9 million dollars in budget authority. This amount is anticipated to assist approximately 1,445 units, including those units currently under AHAP or HAP.

Moreover, an additional 200 units are in the process of being committed for assistance under the PBV Existing Program that were advertised during FY2003. They are all within the City and County of San Francisco, but have not been listed due to the fact that final commitment has not been made to date and will continue to not be committed until lease up levels permit the commitment.

SECTION 8 ADMINISTRATIVE PLAN

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the San Francisco Housing Authority (SFHA) to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the ground of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the SFHA housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the SFHA will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the SFHA office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The SFHA will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The SFHA will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the SFHA housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the SFHA will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the SFHA will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 COMMUNICATION

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

1.4 QUESTIONS TO ASK IN GRANTING THE ACOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, e.g., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the SFHA will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the SFHA will obtain documentation that the requested accommodation is needed due to the disability. SFHA will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The SFHA's business is housing. If the request would alter the fundamental business that the SFHA conducts, that would not be reasonable. For instance, the SFHA would deny a request to have the SFHA do grocery shopping for the person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the SFHA may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the SFHA retains the right to be shown how the requested accommodation enables the individual to access or use the SFHA's programs or services.

If more than one accommodation is equally effective in providing access to the SFHA's programs and services, the SFHA retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests will be borne by the SFHA if there is no one else willing to pay for the modifications. If another party pays for the modification, the SFHA will seek to have the same entity pay for any restoration costs.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible.

Any request for an accommodation that would enable a participant to materially violate approved administrative procedures or family obligations will not be approved.

1.5 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND PARTICIPANTS

The SFHA will endeavor to have bilingual staff or access to people who speak languages other than English to assist non-English speaking families. The following languages will be accommodated:

- Spanish
- Chinese
- Samoan
- Russian
- Vietnamese

1.6 FAMILY/OWNER OUTREACH

The SFHA will publicize the availability and nature of the Section 8 Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, newspaper serving other ethnic populations including non-English publications and by other suitable means.

To reach persons, who cannot or do not read newspapers, the SFHA will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The SFHA will also try to utilize public service announcements.

The SFHA will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The SFHA will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. The briefing is intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities under the program. Emphasis is placed on quality screening and ways the SFHA helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet SFHA staff.

The SFHA will particularly encourage owners of suitable units located outside of low-income or minority concentration to attend. Targeted mailing lists will be developed and announcements mailed.

1.7 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

In accordance with State and Federal Constitutional protections, the SFHA will respect the privacy of information relating to applicants, participants, and tenants in SFHA programs. Accordingly, personal information is deemed private and confidential and will be released only by authorization of the SFHA Director and written consent of the affected party or by court subpoena.

It is important to note that the privacy policy is applicable to the release of participant information and not the gathering and use of information necessary to ensure eligibility and compliance with program regulations. Except, as required by federal regulations, information will not be solicited by the SFHA unless directly attributed to carrying out the responsibilities of the agency.

1.8 REQUIRED POSTINGS

The SFHA will post in each of its offices in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. The Section 8 Administrative Plan
- B. Notice of the status of the waiting list (opened or closed)
- C. Address of all SFHA offices, office hours, telephone numbers, TDD numbers, and hours of operation
- D. Income Limits for Admission

Anyone included in the household as a live-in aid may not be subsequently added to the household as a family member receiving assistance.

3.0 ELIGIBILITY FOR ADMISSION

3.1 INTRODUCTION

There are six eligibility requirements for admission to Section 8 -- qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security Numbers, meet SFHA requirements surrounding the prohibition of drug related and/or violent criminal activity, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the SFHA screening criteria in order to be admitted to the Section 8 Program.

3.2 ELIGIBILITY CRITERIA

A. Family status.

1. A family with or without children. Such a family is defined as a group of people related by blood, marriage, domestic partner or adoption that has demonstrated a stable family relationship.
 - a. Children temporarily absent from the home due to placement in foster care and college students are considered family members.
 - b. Unborn children and children in the process of being adopted are considered family members for purposes of determining bedroom size, but are not considered family members for determining income limit.
2. An elderly family, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or
 - c. One or more persons who are at least 62 years of age living with one or more live-in aides
3. A near-elderly family, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
 - b. Two or more persons who are at least 50 years of age but below the age of 62 living together; or

- c. One or more persons who are at least 50 years of age but below the age of 62 living with one or more live-in aides.
4. A disabled family, which is:
- a. A family whose head, spouse, or sole member is a person with disabilities;
 - b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.
5. A displaced family is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
6. A remaining member of a tenant family.
7. A single person who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family.

B. Income eligibility

1. To be eligible to receive assistance a family shall, at the time the family initially receives assistance under the Section 8 program, be a low-income family that is:
- a. A very low-income family;
 - b. A low-income family continuously assisted under the 1937 Housing Act;
 - c. A low-income family that meets additional eligibility criteria specified by the Housing Authority;
 - d. A low-income family or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing.
2. Income limits apply only at admission and are not applicable for continued occupancy; however, as income rises the assistance will decrease.

3. The applicable income limit for issuance of a voucher is the highest income limit for the family size for areas within the housing authority's jurisdiction. The applicable income limit for admission to the program is the income limit for the area in which the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.
4. Families who are moving into the SFHA's jurisdiction under portability and have the status of applicant rather than of participant at their initial housing authority, must meet the income limit for the area where they were initially assisted under the program.
5. Families who are moving into the SFHA's jurisdiction under portability and are already program participants at their initial housing authority do not have to meet the income eligibility requirement for SFHA program.
6. Income limit restrictions do not apply to families transferring units within the SFHA Section 8 Program.
7. Unit transfers
A participant may move to a new unit if one of the following events occurs:
 - The assisted lease for the old unit has terminated because the SFHA has terminated the HAP contract for owner breach, or the lease was terminated by mutual agreement of the owner and the family. The family must submit a completed "Mutual Agreement Termination" form
 - The owner has given the family a notice to vacate, or has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the family (unless assistance to the family will be terminated)
 - The family has given proper notice of lease termination to the owner and SFHA.

For voluntary moves by the family, the family must notify the SFHA, in writing, of their desire to move. The SFHA will issue a new voucher and other supporting documents. If the family does not locate a new unit or decides not to move, they must obtain the permission of the owner to remain in their current unit and notify the SFHA. If a new unit is located and a new lease and HAP contract executed, the annual recertification date will be changed to coincide with the new lease date.

8. Adding members to a participating family

Family members will be added to the assisted household as follows:

1. Birth, adoption or court-ordered custody

The family must notify the SFHA, in writing, of the birth, adoption or court-ordered custody of all minor children to the assisted household. This written notice must be submitted within 14 days of the event and include appropriate documentation.

Documentation may include birth certificates, hospital records, adoption papers or court documents. It is the responsibility of the participant family to notify the owner of the changes. The SFHA shall send the owner a Request to Approve the additional household member prior to approving the addition of any household member.

Other additions

The family must request, in writing, and receive permission from the SFHA to add any other persons to the assisted household prior to the occupancy of those persons. The SFHA shall check the added family member's criminal background if they are an adult. In determining whether to approve the addition of the persons, the SFHA will consider:

1. The willingness of the current owner to accept the additional person(s);
2. Whether the person(s) meets the definition of family in this Admin Plan;
3. Whether the SFHA has appropriate grounds to deny assistance under 24 CFR 982.552 (b) to the person(s)(see Part A, Sec II under *Procedures for removing names from the waiting list*);
4. If a larger bedroom size unit is needed as a result of the addition, if funding is available to support the cost of the larger unit;
5. The relative need for housing of the person(s) proposed for addition;
6. Whether the person owes the SFHA money from a prior tenancy.
7. Whether the person has legal immigration status.

8. For minor children (other than children related by birth or adoption to the head-of-household or spouse), information that those children cannot be adequately housed elsewhere and placement of the children in the household has been acknowledged by a social welfare agency.

The SFHA may deny the request if a primary reason for the addition is to preserve the current bedroom size or to allow a family or individual to circumvent the requirements of the current waiting list or application process. If an owner refuses to permit the addition of anyone to the lease, the family may not permit the new member to be added to the household unless the tenant moves to a new unit.

Visitors

Any adult not included on the lease agreement who has been in the unit more than fifteen (15) consecutive days with HA approval will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is a family member.

Statements from neighbors and/or landlord will be considered in the making the determination.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the HA will terminate assistance since prior approval was not requested for the addition.

C. Citizenship/Eligible Immigrant status

On June 19, 1995, HUD implemented Section 214 of the Housing and Community Development Act of 1980. This regulation required that Housing Authorities only provide housing assistance to citizens or eligible non-citizens. Ineligible non-citizens were to be denied admission to housing assistance programs or faced possible termination from housing assistance participation within three years.

On February 27, 1997, pursuant to its rights under the law, the SFHA opted out of the requirements of Section 214 of the Housing and Community Development Act of 1980 and

no longer required families to certify their immigration status as a prerequisite to receiving housing assistance or continuing to receive housing assistance.

On October 21, 1998, Congress passed the Quality Housing and Work Responsibility Act (QHWRA) of 1998. This Act rescinded the SFHA's right to opt out of the certification requirements of Section 214. All Housing Authorities must now implement the requirements of Section 214 and verify the immigration status of all applicants and participants of subsidized housing programs.

Below are the proposed procedures of implementation to be used within the Leased Housing Division of the San Francisco Housing Authority (SFHA) to comply with the QHWRA of 1998.

The SFHA will administer the restrictions on the use of assisted housing by non-citizens with ineligible immigration status imposed by this rule in conformity with the Federal nondiscrimination requirements of, including, but not limited to the following:

- Title VI of the Civil Rights ACT of 1964(42 U.S.C. 2000d-2000d5) and the implementing regulations in 24 CFR Part 1;
- Section 504 of the Rehabilitation Act of 1973(29 U.S.C. 794) and the implementing regulations in 24 CFR Part 8;
- The Fair Housing Act(42 U.S.C. 3601-3619) and the implementing regulations in 24CFR Part 100; and
- Any other civil rights statutes cited in the applicable program regulations.

TENANT NOTIFICATION:

Each Section 8 assisted family and applicant will be sent a written notification of the non-citizen regulation. This process will occur through a mass mailing to all current Section 8 participants and applicants on the Section 8 waiting list. The notice will provide information about Section 214 of the Housing and Community Development Act of 1980, a statement of the types of required proof of verifications for those claiming eligible immigration status, a statement informing the family of the possible types of assistance they may be eligible for, the methods of verification to be used to verify a tenant's claim of eligible immigration status and a statement of possible extension to provide evidence needed to verify eligible immigration status. The notice will be available in various languages including Chinese, Spanish, Vietnamese, Russian and Cantonese.

Each client will also be provided with a copy of the notification at the point of notification for his or her annual re-certification along with the required documents to have during their office interview. This process will commence effective the Monday following passage of the resolution by the Board. During the interview process each family member will be required to sign a Declaration of Citizenship Status statement. The head of household will be required to sign on behalf of all minor children. Any

household consisting of non-citizens must sign the Verification Consent Form in order to authorize the HA to verify the family members' immigration status through the SAVE system. Each family member will be required to submit a declaration only once. Declarations will be required for all additional family members before they are added to the Section 8 assisted household.

All participants that have had their INS status verified and a record exists in their files will not be required to re-verify their status unless they are reporting a change in immigration status.

APPLICANT VERIFICATION:

Individuals or families applying for Section 8 housing assistance must provide proof of citizenship or eligible immigration status at the time of the final eligibility determination. If at that time, it is determined that the individual, family or family members do not have eligible immigration status, the provisions of the HUD rule as set forth shall be applied.

DECLARATION CATEGORIES:

Each client shall fall into one of three categories: 1) Citizen, 2) Non-Citizen with eligible immigration status, 3) Ineligible non-citizens. Only family members claiming non-citizenship with eligible immigration status will be verified, except person 62 years or older as of September 30, 1996. Persons 62 years of age on or after September 30, 1996 will be required to provide proof of their age. Persons claiming ineligible status will not be verified. Persons determined ineligible after verifications have been made or individuals not contesting ineligible citizenship status will be placed on an ineligible list.

DOCUMENTS OF ELIGIBLE IMMIGRATION STATUS:

- A) General – The HA shall request and review original documents of eligible immigration status. The HA shall retain photocopies of the documents for its own records and return the original documents to the family.
- B) Acceptable Evidence Of Eligible Immigration Status – The original of one of the following documents is acceptable evidence of eligible immigration status, subject to verification in accordance 24 CFR Section 5.512. (Note: Sample forms of acceptable evidence of eligible immigration status are illustrated in Appendix A of the INS SAVE Program Instructions Manual for HUD. SAVE is an acronym for Systematic Alien Verification for Entitlements.
 - 1) Form I-151-Alien Registration Receipt Card (issued to lawful permanent residents prior to 1979). Form I-151 will no longer be valid after March 20, 1996. - 2) Form I-551, Alien Registration Receipt Card (for permanent resident aliens);
- 3) Form I-94, Arrival-Departure Record, with one of the following annotations:

- 6) Form I-688B, Employment Authorization Card which must be annotated “Provision of Law 274a12(11)” or “Provision of Law 274a.12”;
- 7) A receipt by the INS indicating that an application for issuance of a replacement document in one of the above-listed categories has been made and the applicant’s entitlement to the document has been verified; or

C) Other acceptable evidence. If other documents are determined by the INS to constitute acceptable evidence of eligible immigration status, they will be announced by notice published in the Federal Register.

VERIFICATION PROCEDURES:

For applicants and Section 8 participants, family members claiming non-citizen with eligible immigration status will be verified through the use of the Immigration and Naturalization Service – System for Alien Verification for Entitlement (SAVE) Internet Verification System. The SAVE system will be the primary method of verification. However, when the SAVE system does not confirm eligible status, or cannot find record to provide status, or verify immigration status, a manual verification system will be

employed. Verification via the SAVE system shall not occur unless the family has signed a Verification Consent Form.

The manual verification will and must be requested within ten (10) days of receiving the primary verifications. The manual verifications will include: A signed Declaration of Section 214, Verification Consent form, front and back copies of the documents submitted by the family to support their claim and the INS phone verification number provided by the INS SAVE system. These forms will be sent to the CA-INS File Control Office/Appraisers Building/630 Sansome Street, Room 300-Attention: Immigration Status Verifier-San Francisco, CA 94102.

For each family member who is a United States citizen, the evidence consists of a signed declaration of U.S. citizenship.

For each family member electing not to confirm that he/she has eligible immigration status, the member(s) must be listed separately. A signature from the individual(s) is optional. However, the head of house or spouse with eligible immigration status must sign and date the list. No further verification is needed. The family electing not to declare citizenship status is ineligible for housing assistance.

EXTENSIONS:

Extensions will be granted upon the family's written request if the head of household certifies to the following: The family member for whom they are requesting an extension is a citizen or a non-citizen with eligible immigration status; and the evidence needed is temporarily unavailable and the additional time is needed to obtain the information; and they will make prompt and diligent efforts to obtain the evidence needed to verify the eligible immigration status. Extension will be granted for a period of fifteen (15) days with a maximum of thirty. However, the additional fifteen (15) days will be granted only at the request of the family.

The Leased Housing Department will supply the extension request notice to the tenant. Included in the notice will be the required certifications needed as grounds to allow an extension and a statement of understanding that if the family is granted an extension and fails to submit the needed evidence a decision will be made based on the information in the file and the family's assistance may be reduced or terminated. A family may submit a written request for an extension that will be acceptable to the Housing Authority's Leased Housing Division.

If a family is granted an extension and fails to supply the needed evidence within the specified time stated, the Housing Authority will make a decision based on the information already submitted, or not submitted by the family. The family will receive a written notification of the decision that was made. Included with the notice will be a right to appeal statement informing the family of the right to request a hearing and a hearing request form.

FAMILY TYPE DETERMINATION:

Family type will be determined for all Section 8 clients. The family types are: Members claiming citizenship, non-citizen with eligible immigration status, non-citizen status.

Families eligible for continued full assistance are:

- 1) A family containing all citizens.
- 2) A family with mixed members that include citizens and non-citizens with eligible immigration status; and either the head or spouse has eligible immigration status; and does not include ineligible family members other than the children or parents of the head or spouse; and was receiving assistance prior to June 19, 1995. A mixed family receiving assistance after June 19, 1995 shall be eligible for prorated assistance.

A family eligible for prorated assistance is:

- 1) A family that includes eligible and ineligible family members .

Families eligible for deferred termination are:

- 1) A family that includes no eligible family members.
- 2) A family not eligible for continued assistance that includes eligible and ineligible family members and elects not to accept prorated assistance.

PRORATED ASSISTANCE:

A family receiving prorated assistance will receive assistance only for those family members that are eligible family members. The Housing Assistance Payment will be calculated by dividing the HAP payment by the total number of family members and then multiplied by the total number of eligible family members.

$$\frac{\text{Total HAP Payment}}{\text{Total family members}} \times \text{Eligible Family Members}$$

DEFERRED TERMINATIONS:

A family receiving deferred termination will receive the full assistance amount for an amount of time to be determined by the HA, but not more than six (6) months at a time for a maximum of eighteen (18) months. However, at the end of the deferral period the family's assistance will be completely terminated.

A family under a deferred termination will be called into the office at least every six months to review their eligibility for additional deferral periods. This will be tracked through the use of the Division's CCS computer system by installing a bi-yearly anniversary date into the system. Families opting for deferred termination must verify that they have been actively searching for alternate housing and conditions set forth in 24 CFR Section 5.518 (b)(5)(i)(B) are met to qualify for additional six-month deferral periods. However, at no time can the total cumulative allowable deferral time exceed eighteen (18) months.

SWITCHING SUBSIDY TYPES

Prior to expiration of the final deferral period, families may request to be switched to prorated assistance if it can be shown by the PHA that there is an inadequate supply of affordable housing for the area which is generally defined as having a vacancy rate of five percent (5%) or less.

NOTIFICATION PERIOD

A family must be notified in writing sixty (60) days prior to the expiration of a deferral period and that the deferral period will be extended again for an additional period of six months provided that an additional deferral period does not exceed the maximum deferral period of eighteen (18) months.

In addition, a family must be notified in writing sixty (60) days prior to expiration of the deferral period if it is determined that no further deferral periods are permitted because the family has utilized all eighteen (18) months of time.

Staff will keep a tickler file of all families who choose deferred termination to monitor and track the number of deferral periods granted and the point at which notification must be sent to each family.

STAFF VERIFICATIONS:

Any family member who declares him or herself to be an eligible non-citizen must have their immigration status verified by the SFHA staff utilizing the INS Internet-Based SAVE system. All staff persons within the Leased Housing Division will be trained to use the INS SAVE system. However, in the case of secondary manual verifications three staff persons will be trained in these procedures with one staff person responsible for the submission and follow-up on these verification. Any staff member needing a secondary verification will submit copies of the signed Declaration of Section 214 Status, Verification Consent Form, the primary request verification and copies of the documents the family submitted as evidence to the designated person.

Each staff person submitting information will be required to keep a log of the name of the families for whom they have submitted requests. The assigned staff person will provide, once a month, to the staff a list of their clients for whom the verification process has been completed. The assigned staff person will be responsible to follow-up with the INS for families for which no response is returned by the INS.

Once secondary verification is obtained, staff will notify the family of the results only if secondary verification could not be provided or could not verify eligible immigration status.

APPEALS AND HEARING:

A family must file an appeal within thirty (30) days with the INS after secondary verification fails to confirm eligible immigration status. Any decision to reduce or terminate the family's assistance will be temporarily suspended pending the outcome of the INS hearing. However, the family must inform the HA of its intent to file an appeal with the INS by supplying the HA with a copy of the appeal notice and proof of service to the agency. (A copy of INS Verification Request G845S and a cover letter will serve as proof.)

If the INS appeal hearing does not verify eligible immigration status the HA will determine the family type and send written notification of its decision to the family. The family may request a hearing with the HA within thirty (30) days of the date the HA mails or delivers the notice of pro-ration or termination, or within thirty days of the INS appeal decision, as established by the postmark. The family may also choose to file a request for an informal hearing in lieu of the INS appeal within thirty (30) days of the INS notification of failure to confirm eligible immigration status.

DELAY, DENIAL, OR TERMINATION OF ASSISTANCE:

The SFHA shall not delay or deny assistance to an applicant nor delay, deny or terminate assistance to a tenant on the basis of immigration status of a family member if:

1. The primary and secondary verification of any immigration documents that were timely submitted have not been completed;
2. The family member for whom required document evidence has not been submitted has moved from the tenant's dwelling;
3. The family member who is determined not be an eligible immigrant following INS verification has moved from the tenant's dwelling;
4. The INS appeals process has not been concluded;
5. For a resident, the SFHA informal hearing process has not been concluded;
6. Assistance is pro-rated;
7. Assistance to a mixed-family is continued; or

8. Assistance to an applicant may be delayed after the conclusion of the INS appeal process, but not denied until the conclusion of the SFHA informal hearing process, if an informal hearing is requested by the applicant.

Assistance to an applicant shall be denied and a tenant's assistance shall be terminated in accordance with the procedures for any of the following events:

1. Evidence of citizenship (i.e. the Declaration) and eligible immigration status is not submitted by the date specified or by the date of any extension granted; or
2. Evidence of citizenship and eligible immigration status is submitted timely, but INS primary and secondary verification does not verify eligible immigration status of a family member; and
 - a) The family does not pursue INS appeal or SFHA hearing rights; or
 - b) INS appeal and the SFHA hearing rights are pursued, but the final appeal or hearing decisions is decided against the family member; and
 - c) The assisted family is ineligible for prorated assistance.

FRAUD

PROCEDURES WHEN FRAUD IS SUSPECTED WITH RESPECT TO A DECLARATION OF CITIZENSHIP

The non-citizen rule added an *eligibility* requirement for applicants/residents/program participants to obtain or continue housing assistance. Applicants are required to sign a declaration of citizenship or immigration status at the time of the interview. Residents or program participants are required to submit the declaration at the time of the first annual re-certification after the June 19, 1995 effective date.

The regulations specify that the evidence of citizenship is a signed declaration- No further verification is required,

The 1988 proposed rule included a "reason to Suspect" provision which authorized housing authorities to begin termination Procedures whenever it obtained evidence of conflicting or inconsistent information regarding an individual who had claimed U.S. citizenship. This *provision was deleted from the final rule.*

If the Housing Authority receives concrete information that provides a substantial basis to believe the applicant/resident/program participant may have deliberately misrepresented his or her eligibility status and is receiving financial assistance for which the family may not be eligible, the Housing Authority shall take the steps set forth below.

IT IS IMPERATIVE THAT THE INFORMATION IS CONCRETE RATHER THAN JUST A STAFF PERSON'S SUSPICION.

1. When the Authority obtains concrete evidence of conflicting information, the

Authority will:

- Obtain additional information from other persons or agencies
 - Take other actions to verify either the applicant/resident/program participant's information or the conflicting information
2. If the Authority's efforts conclude that the applicant/resident/program participant supplied incorrect information, then staff must:
 - Document the findings
 - Notify the applicant/resident/program participant in writing of the error, identifying what information is believed to be incorrect
 - Provide the applicant/resident/program participant with an opportunity to meet with SFHA staff within 10 calendar days to discuss the allegation(s)
 - Inform the applicant/resident/program participant that failure to do so may result in the termination of the resident/program participant's assistance or denial of the application
 - Arrange the meeting with a SFHA representative who has not been involved in any manner with the review of the allegedly false information.
 3. If the applicant/resident/program participant responds and convinces the Authority that the submissions were correct, then:
 - Staff shall document the record accordingly and close the investigation.
 - Rental assistance payments continue to be made at the set amount.
 - There is no adjustment to the applicant/resident/program participant's rent.

END OF INVESTIGATION

1. If the Authority determines that there is adequate basis for further investigation, then the Authority should require the applicant/resident/program participant to submit whatever documentation is necessary to resolve the issue.
2. If the applicant/resident/program participant chooses to provide a new declaration as an eligible non-citizen, then:
 - Staff shall have the applicant/resident/program participant complete a verification consent form and submit required evidence.
 - Staff shall conduct a primary verification and, if necessary, forward that information to the INS for secondary verification.
3. If the applicant/resident/program participant is still found ineligible at the end of the Verification process or chooses not to contend eligible status, then the Authority shall take the appropriate action to:
 - Adjust the rent
 - Terminate the assistance
 - Deny the application

Families who knowingly permit an ineligible individual to reside on a permanent basis in the family's unit shall have their financial assistance suspended for a minimum period of twenty-four (24) months.

4.0 ADMINISTRATION OF WAITING LIST

4.1 OPENING THE WAITING LIST

Applications for the Section 8 Program may only be made when the Section 8 waiting list is open for applications

The SFHA will accept applications for placement on the waiting list at which time the applicant will self-declare their eligibility based on the eligibility requirements noted in the published announcement of the opening of the waiting list. Just prior to issuing a voucher, applicants will be required to complete an application for final eligibility determination whereby the SFHA staff will verify all income, assets and the preferences declared by the applicant during the pre-application stage.

Pre-applications will only be accepted during the advertised periods of enrollment. These enrollment periods are determined based upon the need for the SFHA to augment its waiting list so that the SFHA will have a sufficient number of applicants to maintain an adequate level of occupancy. Generally, enrollment will be accepted when the remaining applicants on the current waiting list are expected to be contacted for assistance within the next twelve months.

The Section 8 waiting list will remain closed except for periods of targeted outreach to meet regulatory requirements under the Project-Based Voucher Program.

4.2 APPLICATION PROCESS

The SFHA will take pre-applications pursuant to a public advertisement. Pre-application intake will be announced to the public at least 15 days prior to the start of the pre-application process. Advertisements will be placed in the following:

- San Francisco Chronicle
- Minority-owned and foreign language newspapers
- Posting in the lobby of the SFHA office at 440 Turk Street and the Leased Housing Division office.
- Posting in offices of the Public Housing developments of the SFHA
- Radio and television stations in order to inform the visually impaired
- Notices circulated for posting at social service agencies, community centers and Bay Area Public Housing Agencies.

The advertisement will inform interested parties of the pre-application system to be used by the SFHA; the dates, times and locations pre-applications can be obtained; the deadline date, method and location for submitting the pre-applications and basic eligibility requirements. In addition, the advertisement will indicate that only applications received by the deadline shall be considered for the waiting list.

4.3 RANKING METHOD

Pre-applications will be selected from the total applicant pool and assigned a date and time by random lottery and assigned a unique date and time of application and ranked on the waiting list by preference category. The pre-application will ask applicants to designate which priority category they believe they will qualify for. Pre-applications will be sorted within each preference category by the randomly generated unique date and time assigned to each family and a list generated in rank order.

Each applicant will be provided with a description of all SFHA preferences and will be required to self-certify, at the time of pre-application, whether the household qualifies for a preference. Selection from the waiting list will be based on pre-applicant self-certification. At the time of final eligibility determination, SFHA applicants will be required to certify to all information they provide to SFHA and to sign verification forms permitting the release of information from verifying agencies, including the Authorization to Release Information/Privacy Act Notice form which is a general release form. Documentation of all verifications will be placed in the applicant/participant file.

Family income and assets and all factors related to eligibility must be verified, including preferences and immigration eligibility. Verifications must be completed before an applicant will be issued a voucher except as authorized by Section 214 of the Housing and Community Development Act of 1980 regarding INS certification. SFHA will use third party verification whenever possible. This will include mailing forms directly to the third party and having them mailed back to SFHA. If third party written verification is not possible, SFHA will review documents brought in by applicants/current participants or obtain oral verification with the third party by phone, documenting name, department, position, date of verification and other pertinent information. If there are no documents, SFHA may use a notarized applicant certification for verification.

If the priority category changes for any reason, the applicant will be placed in the appropriate preference category sorted by application date and time.

4.4 CLOSING OF THE WAITING LIST

The advertisement opening the waiting list will also specify when the period for submitting pre-applications will end. As such, there will not be a need to separately advertise the closing of the list. A notice will be posted in the lobby of the main office of the SFHA (440 Turk Street) and the Leased Housing Division office advising interested

parties that the SFHA is not accepting pre-applications for the Section 8 voucher program.

5.0 SELECTION FROM THE WAITING LIST

5.1 WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS

The Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

In cases where two “regular” wait lists overlap, applicants on the existing wait list receive priority over applicants on a new wait list. All applicants will be called in for eligibility determination prior to selecting any families from the new wait list.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the SFHA will use the assistance for those families.

The SFHA reserves the right to open the Section 8 Wait List in order to permit interested applicants to apply to the Section 8 Program for Project-based activity.

5.2 PREFERENCES

In accordance with the Quality Housing and Work Responsibility Act of 1998, SFHA will administer its Section 8 programs so that the following Income Targeting objectives are achieved for the period from April 1, 1999 through September 30, 2000, and for each fiscal year thereafter:

- Not less than 75% of new admissions to the tenant-based Section 8 assistance program must have incomes at or below 30% of the area median family income.
- The remainder of new admissions to the tenant-based Section 8 assistance program will have incomes at or below 80% of the area median family income, in accordance with HUD guidelines which generally limit admissions to families with incomes at or below 50% of the area median.
- Not less than 40% of new admissions to project-based Section 8 assistance programs must have incomes at or below 30 % of the area median income.
- The remainder of new admissions to project-based Section 8 assistance programs must have incomes at or below 80% of the area median.]

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income, the SFHA retains the right to skip higher income families on the waiting to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

The SFHA has adopted the Federal Preferences as Local Preferences in administering its assisted housing programs.

The SFHA employs the following system of local preferences in administering its wait list. The local preferences consist of (a) involuntarily displaced, (b) substandard housing and (c) paying more than 50% of income for housing. The SFHA will weigh each local preference equally. That is, an applicant that meets the federal definition of any or all of the local preferences will receive an equal priority. The Local Preferences are defined as follows:

1. INVOLUNTARY DISPLACEMENT:

An applicant is or will be involuntarily displaced if the applicant has vacated or will have to vacate his or her housing unit as a result of one or more of the following actions:

Natural Disaster: a disaster such as a fire, flood or earthquake that resulted in the uninhabitability of the applicant's unit.

Domestic Violence: an applicant who has vacated due to actual or threatened physical violence directed against the applicant or one or more members of the applicant's family by a spouse or other household member, who lives in housing with an individual who engages in such violence.

Government Action: an action of a government agency related to code enforcement or public improvement or development.

Landlord Action: an action by a housing owner that results in an applicant's having to vacate his or her unit, where the reason for the owner's action was beyond the applicant's ability to control or prevent, and despite the applicant having met all previously imposed conditions of occupancy, and the action is other than a rent increase.

2. SUBSTANDARD HOUSING:

Homeless: An applicant who is a "homeless family" shall be considered to be living in substandard housing if the individual or family:

Lacks a fixed regular, and adequate nighttime residence; and

Has a primary residence that is:

A supervised publicly or privately operated shelter designed to provide temporary living accommodations, (including welfare hotels, congregate shelters, and transitional housing for the mentally ill); or

An institution that provides a temporary residence for individuals intended to be institutionalized; or

A public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings.

A "homeless family" does not include any individual imprisoned or otherwise detained pursuant to state or federal law.

Non-Homeless: A non-homeless family is living in substandard housing if their present unit meets any of the following criteria: it is "dilapidated;" it does not have operable indoor plumbing; it does not have a usable flush toilet and a usable bathtub or shower inside the unit for the exclusive use of the family; it does not have electricity, or has inadequate or unsafe electrical service; it does not have a safe or adequate source of heat; it should, but does not have a kitchen, or it has been declared unfit for habitation by a government agency. A housing unit is "dilapidated" if it does not provide safe and adequate shelter, and in its present condition endangers the health, safety, or well-being of a family or it has one or more critical defects or a combination of intermediate defects in sufficient number or extent to require considerable repair or rebuilding. The defects may have resulted from the original construction, or from continued neglect or lack of repair, or from serious damage to the structure.

3. PAYING MORE THAN 50% OF INCOME FOR HOUSING:

An applicant shall qualify for this federal preference if the family is paying more than 50 percent of the total family income for rent. However, an applicant may not qualify for a preference under this section if the applicant is paying more than 50 percent of family income to rent a unit because his or her housing assistance under the public housing, Section 8 program, or any program under the Housing and Urban Development Act of 1965 with respect to that unit has been terminated as a result of the applicant's refusal to comply with applicable program policies and procedures with respect to the occupancy of under-occupied and overcrowded units.

The SFHA has adopted the following as secondary local preferences:

1. Residency status: A family is considered a "resident" of the City and County of San Francisco, if (a) they live in San Francisco or (b) the head of household or spouse is employed or has been notified that he/she has been hired to work in San Francisco. The Family must submit documentation that provides a current address of residency or employment and sign a waiver to permit the SFHA to verify the address.
2. Veterans status: A member of the United States Armed Forces honorable discharged from service or currently listed and is the head of house hold or spouse of the applicant family. Verification will be provided by the Veterans Administration.

3. Welfare to Work: A participant who is in good standing in the Welfare to Work Program associated with CALWORKS and the Department of Human Services, or similar Government Agency, for the purposes of self sufficiency from Public Assistance.

Notwithstanding the wait list preferences listed above, for in-place tenants on the date of project selection of Project-Based Voucher units, they will be added to the Section 8 Wait List and be given an absolute preference to be assigned a PBV unit in their assisted property.

5.3 ORDER OF SELECTION

The SFHA will rank and admit applicants from the waiting list in accordance with the following priority categories:

Level of Priority	Category One	Category Two	Category Three	Category Four
1	Local Preference	Resident	Veteran	Welfare to Work
2	Local Preference	Resident	Veteran	Non-Welfare to Work
3	Local Preference	Resident	Non-Veteran	Welfare to Work
4	Local Preference	Resident	Non-Veteran	Non-Welfare to Work
5	Local Preference	Non-Resident	Veteran	Welfare to Work
6	Local Preference	Non-Resident	Veteran	Non-Welfare to Work
7	Local Preference	Non-Resident	Non-Veteran	Welfare to Work
8	Local Preference	Non-Resident	Non-Veteran	Non-Welfare to Work
9	No Local Preference	Resident	Veteran	Welfare to Work
10	No Local Preference	Resident	Veteran	Non-Welfare to Work
11	No Local Preference	Resident	Non-Veteran	Welfare to Work
12	No Local Preference	Resident	Non-Veteran	Non-Welfare to Work
13	No Local Preference	Non-Resident	Veteran	Welfare to

				Work
14	No Local Preference	Non-Resident	Veteran	Non-Welfare to Work
15	No Local Preference	Non-Resident	Non-Veteran	Welfare to Work
16	No Local Preference	Non-Resident	Non-Veteran	Non-Welfare to Work

5.4 UPDATING OF THE WAITING LIST

In order to ensure the waiting list is accurate and current, the SFHA will update the waiting list periodically, but no more than annually, by requesting each household to submit a revised pre-application form. The following guidelines will govern update procedures:

- The SFHA will mail an update request letter and a blank pre-application form to each household on the waiting list.
- The request will be mailed to the applicant's last known address. Applicants will be advised in the eligibility letter of their responsibility to notify the SFHA, in writing, of any address changes. If the applicant fails to notify the SFHA of an address change, the SFHA accepts no responsibility for the applicant's failure to receive the update request.
- The update request letter will include a deadline date by which applicants must return the pre-application and will specify return by mail or in person. The letter will inform the applicant that if the SFHA fails to receive the updated pre-application form by the deadline date, the applicant's name will be removed from the waiting list.
- Applicants will be given a reasonable time to complete and return the updated pre-applications, generally not less than 14 calendar days.
- The SFHA accepts no responsibility for delays created by the United States Postal Service.
- The SFHA will make reasonable accommodations for the special needs of disabled applicants if the SFHA has been made aware of those needs.
- The SFHA will acknowledge all updated pre-applications received, in writing, to each applicant which will include a determination of eligibility, ineligibility or change in preference status.

5.5 PROCEDURES FOR REMOVING NAMES FROM THE WAITING LIST

The SFHA will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments; or
- C. The applicant does not meet either the eligibility or screening criteria for the program.

If an applicant is withdrawn from the application process for any reason due to non-response to correspondence by the family, the SFHA may re-instate the application upon contact by the family within one year of the withdraw date provided the family provides a reasonable explanation for the lack of contact with the SFHA during the withdraw period that is acceptable to the SFHA.

Consideration will be given to families who fail to respond to correspondence due to a disability to determine if an accommodation is warranted or in cases where an emergency situation, such as hospitalization, fire, death, etc., has arisen . The applicant family will be required to prove their claim to the SFHA's satisfaction to receive further consideration.

5.6 REFUSAL TO LIST AN APPLICANT OR REMOVAL OF AN APPLICANT FOR SPECIFIC GROUNDS

The SFHA may deny listing an applicant on the waiting list, remove an applicant from the waiting list, deny or withdraw a voucher, refuse to enter into a Housing Assistance Payments (HAP) Contract or approve a lease and refuse to process or provide assistance under portability assistance for any of the reasons listed in 24 CFR 982.552 (b) (violation of family obligations; member of family previously evicted from public housing; HA has terminated assistance to any member of the family in the past; member of family convicted of drug-related or violent criminal activity; member of family commits crime in connection with any federal housing program; family owes rent to SFHA or another HA; family has not reimbursed SFHA or another HA for amount paid to an owner under a HAP contract; family breaches an agreement with SFHA or another HA to repay amounts owed; family participating in the FSS program fails to comply with the contract of participation; family engaged in or threatened abusive or violent behavior). If denied under this paragraph, the SFHA will provide notice and offer the applicant an informal review in accordance with procedures in part L of this Admin Plan.

5.7 GROUNDS FOR DENIAL

The SFHA may deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;

- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;
- E. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property, and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff, or cause damage to the property. In determining whether to deny assistance, the SFHA will review criminal background checks for all adults and look at criminal activity list for the past ten (10) years. Any drug activity from 0 to 10 years old will result in automatic denial. Applicant may appeal upon denial and present mitigating evidence.
- F. Currently owes rent or other amounts to any housing authority in connection with the public housing or Section 8 Programs.
- G. Have committed fraud, bribery, or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- H. Have a family member who was evicted from public housing within the last three years;
- I. Have a family member who was evicted from assisted housing within five years of the projected date of admission because of drug-related criminal activity involving the illegal manufacture, sale, distribution, or possession with the intent to manufacture, sell, distribute a controlled substance as defined in Section 102 of the Controlled Substances Act, 21 U.S.C. 802;
- J. Have a family member who is illegally using a controlled substance or abuses alcohol, or engages in any other criminal activity which may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The SFHA may waive this requirement if:
 1. The person demonstrates to the SFHA's satisfaction that the person is no longer engaging in drug-related criminal activity or abuse of alcohol;
 2. The person has successfully completed a supervised drug or alcohol rehabilitation program;

3. The household member who engaged in drug-related criminal activity or alcohol abuse and behavior that interfered with the health and safety or right to peaceful enjoyment of the premises by other residents is removed from the family household composition;
 4. The person has otherwise been rehabilitated successfully as determined by the SFHA based on evidentiary supporting material; or
 5. The person is participating in a supervised drug or alcohol rehabilitation program.
- K. Have engaged in or threatened abusive or violent behavior towards any SFHA staff or residents;
 - L. Have a family household member who has been terminated under the Voucher Program during the last three years;
 - M. Have a family member who has been convicted of manufacturing or producing methamphetamine (speed) (Denied for life);
 - N. Have a family member with a lifetime registration under a State sex offender registration program (Denied for life).
 - O. Anyone enrolled in an institution of higher education and is under 24 years of age; is not a veteran; is unmarried; does not have dependent children; is not otherwise individually eligible or has parents who, individually or jointly, are not eligible on the basis of income to receive assistance under the Section 8 Program

5.8 INFORMAL REVIEW

If the SFHA determines that an applicant does not meet the criteria for receiving Section 8 assistance, the SFHA will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The SFHA will describe how to obtain the informal review. The informal review process is described in Section 15.2 of this Plan.

If an applicant is denied admission due to criminal activity listed on a criminal record, a copy of the criminal record shall be provided to the applicant and the applicant shall be given an opportunity to dispute the decision in the Informal Review process.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The SFHA will issue a voucher for a particular bedroom size – the bedroom size is a factor in determining the family’s level of assistance. The following guidelines will determine each family’s voucher size:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Two adults of the same sex related by blood will share a bedroom.

In determining bedroom size, the SFHA will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school or temporarily in foster-care.

Bedroom size will also be determined using the following guidelines:

- A. Household members of the same sex, regardless of age, will share a bedroom.
- B. Children of the opposite sex, both under the age of three (3) will share a bedroom.
- C. A parent and child, regardless of age, may be issued a two-bedroom Voucher.
- D. Live-in aides may get a separate bedroom.

Single person households will be issued a Studio Voucher. However, should the family locate a one-bedroom unit, the SFHA reserves the right to upgrade the family’s Voucher to a one-bedroom subsidy.

The SFHA will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary. In general, valid reasons for larger BR size Vouchers should document the family’s need for medical equipment that would not ordinarily be accommodated in the appropriately sized unit as a result of a disability. However, the SFHA reserves the right to review each case on an individual basis to make final determination of the need for an additional bedroom.

6.0.1 OCCUPANCY STANDARDS

The SFHA will follow an occupancy policy, which prevents overcrowding of units or under utilization of units. The following guidelines shall determine the minimum and maximum number of occupancy per unit size:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
SRO	1	1
0	1	2
1	1	4
2	2	6
3	3	8
4	4	10

The family unit size will be determined by the SFHA in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

The SFHA shall consider Single Room Occupancy (SRO) units for occupancy under the tenant-based Housing Choice Voucher Program exclusively as a reasonable accommodation for a person with disabilities.

6.1 BRIEFING

When the SFHA selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a voucher the family is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. Failure to attend a briefing without good cause may result in denied admission. The family will be given an opportunity to reschedule a briefing only once.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

- A. A description of how the program works;
- B. Family and owner responsibilities;
- C. Where the family may rent a unit, including inside and outside the Housing Authority's jurisdiction;
- D. Types of eligible housing;
- E. For families qualified to lease a unit outside the Housing Authority's jurisdiction under portability, an explanation of how portability works;
- F. An explanation of the advantages of living in an area that does not have a high concentration of poor families; and
- G. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income at initial unit lease up.

6.2 PACKET

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

- A. The term of the voucher and the Housing Authority's policy on extensions and suspensions of the term. The packet will include information on how to request an extension and forms for requesting extensions;
- B. How the Housing Authority determines the housing assistance payment and total tenant payment for the family;
- C. Information on the payment standard, exception payment standard rent areas, and the utility allowance schedule;
- D. How the Housing Authority determines the maximum rent for an assisted unit;
- E. Where the family may lease a unit. For families qualified to lease outside the Housing Authority's jurisdiction, the packet includes an explanation of how portability works;
- F. The HUD-required tenancy addendum that provides the language that must be included in any assisted lease, and a sample contract;
- G. The request for approval of the tenancy form and an explanation of how to request Housing Authority approval of a unit;
- H. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses. Upon request, the Housing Authority will also supply any factual information or third party verification relating to the applicant's history as a tenant or their ability to comply with material standard lease terms or any history of drug trafficking, drug-related criminal activity or any violent criminal activity;
- I. The Housing Authority's subsidy standards, including when the Housing Authority will consider granting exceptions to the standards;
- J. The HUD brochure on how to select a unit ("A Good Place to Live");
- K. The HUD-required lead-based paint brochure;
- L. Request For Extension Form
- M. Housing Search Tracking Form

- N. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form;
- O. A list of landlords or other parties known to the SFHA who may be willing to lease a unit to the family or help the family find a unit;
- P. Notice that if the family includes a person with disabilities, the family may request a current list of accessible units known to the SFHA that may be available;
- Q. The family's obligations under the program;
- R. The grounds upon which the Housing Authority may terminate assistance because of the family's action or inaction;
- S. SFHA informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing; and
- T. The SFHA owner information brochure. This brochure can be given by the applicant to a prospective owner to help explain the program.

6.3 ISSUANCE OF VOUCHER; REQUEST FOR APPROVAL OF TENANCY

Beginning October 1, 1999, the SFHA will issue only vouchers. Treatment of previously issued certificates and vouchers will be dealt with as outlined in Section 20.0- Transition to the New Housing Choice Voucher Program.

The number of vouchers that the SFHA can issue at any time is based on the amount of Annual Contributions available to the program. When the SFHA determines that sufficient funding is available to support additional assisted units, applicants at the top of the waiting list will be scheduled to come to the SFHA to fill out the final application and attend a briefing session. Information used in the final application will be verified as indicated above under Section 3.0. The SFHA may "over-issue" the number of vouchers in order to account for voucher holders who are unsuccessful in locating housing.

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the SFHA will issue the voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign a Request for Tenancy Approval (RTA) and return it to the SFHA. The family can only submit the RTA to the

SFHA during the term of the voucher. The SFHA will contact the owner and schedule an inspection of the unit to make an initial determination of approval of tenancy within 15 days of receipt of the RTA. The SFHA may assist the family in negotiating changes that may be required for the tenancy to be approvable. The 15 day period is suspended during any period the unit is unavailable for inspection. The Housing Authority will promptly notify the owner and the family whether the unit and tenancy are approvable.

During the initial stage of qualifying the unit, the Housing Authority may provide the prospective owner with information regarding the program. Information may include SFHA and owner responsibilities for screening and other essential program elements. The SFHA, upon request by a prospective owner, may provide the owner with the family's current and prior address as shown in the SFHA's records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner. Upon request by a prospective owner, the SFHA will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with standard material lease terms.

6.4 TERM OF THE VOUCHER

The initial term of the voucher will be 90 days and will be stated on the Housing Choice Voucher. The start date of the Voucher will be the date the Voucher is provided to the applicant or participant. The SFHA will maintain a Register of issued Vouchers to track the term of the Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will never exceed 180 calendar days from the initial date of issuance. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 90 days, whichever is less.

On November 22, 1999, the U S Department of Housing and Urban Development (HUD) transferred to the SFHA the discretion to extend the cumulative voucher term beyond the 180-day limit, whether for reasonable accommodation or, other good cause determined by the SFHA. Therefore, the SFHA will follow the

procedures listed below when granting extension for vouchers beyond the 180 days.

If a voucher is due to expire, the voucher holder may request an extension of the voucher. In order for a request for an extension to be considered by the SFHA, the following conditions must be met:

1. The request for an extension must be in writing,
2. The request must be made prior to the expiration of the voucher.
3. The voucher holder must provide documentation that demonstrates the failure to locate suitable housing was due to an unavailability of housing, unavailability of housing that accommodates a disability, a prolonged illness of the voucher holder, death of a family member or a need to care for a family member with a prolonged illness.

Non-Medical

4. Rents Higher than FMRs;
5. Vacancy Rates Between 0-3%;
6. Hard to house families;
7. Legal proceedings challenging Rents Ordinance as it pertains to Owner participation in Program for In-Place tenancy;
8. Financial Burden.

If the voucher holder is requesting an extension due to the unavailability of housing, the holder must submit information that provides the dates, names, and telephone numbers of owners contacted and the reasons why units were not rented. The SFHA may contact owners to verify information provided by the voucher holder.

If appropriate documentation is submitted, the SFHA will grant one 60-day extension of the term of the voucher. The SFHA will revise the voucher for the applicant or participant, which shows the new expiration date. Under no circumstances will the total term of the voucher exceed 240 days.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 180 days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, the Housing Authority will request HUD to approve an additional extension.

6.4.1 *SUSPENSION (TOLLING) OF VOUCHERS*

The SFHA will suspend the term of the voucher upon the receipt of the Request for Tenancy Approval (RTA). The term will remain suspended while the unit is

being processed by the SFHA. A unit can be withdrawn from consideration by the SFHA (by determining the unit or owner is ineligible or the rent requested by the owner is not approvable), by the owner or by the voucher holder. If a decision is made to withdraw the unit, the SFHA will provide the voucher holder with a written notice of this fact, the reason for the withdrawal and the number of days remaining on the term of the voucher (this tolling period can be overridden at the discretion of the supervisor or director if there is a situation where additional time is not warranted). The SFHA will provide the voucher holder with a new RLA and other appropriate forms. Under no circumstances will the total search time increase under the term of the voucher due to tolling.

6.5 APPROVAL TO LEASE A UNIT

The SFHA will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Authority and passes HQS;
- C. The lease is approvable and includes the language of the tenancy addendum;
- D. The rent to owner is reasonable;
- E. The family's share of rent does not exceed 40% of their monthly adjusted income;
- F. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Authority; and
- G. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Authority HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income;
- C. The landlord and tenant sign the lease to include the HUD required addendum; and

- D. The Housing Authority approves the leasing of the unit.

The Housing Authority will prepare the contract when the unit is approved for tenancy. Upon receipt of the signed contract, lease, the HUD required tenancy addendum, and all required documentation verifying ownership of the property, the Housing Authority will execute the contract. The Housing Authority will not pay any housing assistance to the owner until the contract is executed.

6.6 SFHA DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD. The Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;
- E. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by tenants, SFHA employees or owner employees; or
 - 2. residences by neighbors;
- F. Other conflicts of interest under Federal, State, or local law.

6.7 INELIGIBLE/ELIGIBLE HOUSING

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;

- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The SFHA will not approve a lease for any of the following special housing types:

- A. Congregate housing
- B. Group homes
- C. Shared housing
- D. Cooperative housing
- E. House Boats
- F. Single room occupancy housing (except under special programs and as a reasonable accommodation for a disabled person)

The SFHA will approve leases for the following housing types:

- A. Single family dwellings
- B. Apartments
- C. Manufactured housing
- D. Manufactured home space rentals

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the tenant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE

Participating families are allowed to move to another unit after the initial 12 months has expired, by giving owner a 30 day notice in accordance with the lease agreement. The SFHA will issue the family a new voucher if the family does not owe the SFHA or any other Housing Authority money, has not violated a Family Obligation, and if the SFHA has sufficient funding for continued assistance.

7.1 WHEN A FAMILY MAY MOVE

For families already participating in the Voucher Program, the SFHA will allow the family to move to a new unit if:

- A. The owner has given the tenant a notice to vacate, has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant; or
- B. The tenant has given notice of lease termination (in accordance with lease agreement).
- C. Families participating in the Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstance will the SFHA allow a participant to improperly break a lease. Under extraordinary circumstances the SFHA may consider allowing more than one move in a 12-month period.

7.2 PROCEDURES REGARDING FAMILY MOVES

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the SFHA's jurisdiction, will be required to attend a mover's briefing prior to the SFHA executing a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, exception payment standard rent areas, and the utility allowance schedule;

- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income;
- E. Portability requirements and opportunities;
- F. The need to have a reexamination conducted within 120 days prior to the move;
- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the SFHA's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the SFHA a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the SFHA will not be considered for a transfer.

A family who gives notice to terminate the lease must mail the notice to the landlord or his agent. The family will be required to provide a copy of the lease termination notice to the SFHA.

8.0 PORTABILITY

8.1 GENERAL POLICIES OF THE SFHA

A family whose head or spouse has a domicile (legal residence) or works in the jurisdiction of the SFHA at the time the family first submits its application for participation in the program to the SFHA may lease a unit anywhere in the jurisdiction of the SFHA or outside the SFHA jurisdiction as long as there is another entity operating a tenant-based Section 8 program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence or work in the jurisdiction of the SFHA at the time of its application, the family will not have any right to lease a unit outside of the SFHA jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the SFHA.

Families may only move to a jurisdiction where a Section 8 Program is being administered.

If a family has moved out of their assisted unit in violation of the lease, the SFHA will not issue a voucher, and will terminate assistance in compliance with Section 16.0, Grounds for Termination of the Lease and Contract.

8.2 INCOME ELIGIBILITY

A. Admission

An applicant family must be income-eligible in the area where the family first leases a unit with assistance in the Voucher Program.

B. If a portable family is already a participant in the Initial Housing Authority's Voucher Program, income eligibility is not re-determined.

8.3 PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY

A. When a family utilizes portability to move to an area outside the SFHA jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.

B. A Housing Authority (the Receiving Housing Authority) with jurisdiction in the area where the family leases a unit must issue the family a voucher

or administer the voucher on behalf of the SFHA and enter into a billing arrangement.

8.4 PORTABILITY PROCEDURES

A. When the SFHA is the Initial Housing Authority:

1. The SFHA will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
2. Family must submit a "Request for Transfer" form.
3. The SFHA will determine whether the family is income-eligible in the area where the family wants to lease a unit (if applicable).
4. The SFHA will advise the family how to contact and request assistance from the Receiving Housing Authority.
5. Upon approval by the receiving PHA, the SFHA may FAX or hand carry (by family) portability documents to the receiving PHA. [The SFHA will immediately mail to the Receiving Housing Authority the most recent HUD Form 50058 (Family Report) for the family, and any related verification information.]

B. When the SFHA is the Receiving Housing Authority:

1. The SFHA will brief the family on the process that takes place to exercise portability. The SFHA conduct a new re-examination of income and review with the family all the documents from the Initial Housing Authority. The SFHA will determine the voucher bedroom size for the portable family in accordance with the SFHA's subsidy standard.
2. The family must submit a Request for Tenancy Approval for an eligible unit within the term of the voucher issued by the Initial Housing Authority.
3. The SFHA accepts the Initial Housing Authority voucher during lease-up process. Upon approval of the unit and family move-in, the SFHA will then issue a voucher to the family.
4. In order to provide tenant-based assistance for portable families, the SFHA will perform all Housing Authority program functions according to the SFHA's policy and procedures. At any time, either the Initial Housing Authority or the SFHA may make a determination to deny or terminate assistance to the family in accordance with 24 CFR 982.552.

5. The SFHA shall notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a Request for Tenancy Approval within the term of voucher.

C. Absorption by the SFHA

1. If funding is available under the consolidated ACC for the SFHA's Voucher Program when the portable family is received, the SFHA will absorb the family into its Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the SFHA's Tenant-Based Program.

D. Portability Billing

1. To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees. The billing procedure will be as follows:
 - a. As the Initial Housing Authority, the SFHA will promptly reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.
 - b. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Authority. If both Housing Authorities agree, the SFHA may negotiate a different amount of reimbursement.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS FROM INCOME, DEDUCTIONS FROM INCOME

To determine annual income, the SFHA counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the SFHA subtracts out all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 INCOME

- A. Annual income means all amounts, monetary or not, that:
1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
 2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
 3. Are not specifically excluded from annual income.
- B. Annual income includes, but is not limited to:
1. The gross amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
 2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
 3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal

of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.

4. The gross amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
6. Welfare assistance.
 - a. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter and utilities; plus
 - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 - b. Imputed Welfare Income:
If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's

failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud. If a family's grant is reduced due to fraud, the family is able to secure additional income which must be reported to the Housing Authority, but will not affect the tenant rent until the additional source and amount of income raises the tenant portion to a level above the Imputed Welfare Income.

- c. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted.
- 7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- 8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

The SFHA will annually survey childcare providers in the community, public agencies providing childcare support, and other agencies that maintain childcare information to determine the parameters for reasonable childcare expenses for various age groups up to the child's 13th birthday.

10.0 VERIFICATION

The SFHA will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

10.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification shall include the use of the HUD Enterprise Income Verification system (EIV) as finalized in the SFHA Guidance For EIV System usage. This type of verification also includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the SFHA or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When third party verification cannot be obtained, the SFHA will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the SFHA has been unable to obtain third party verification in a four week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the SFHA will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

10.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification in addition to available electronic verification, the SFHA may send a request form to the source along with a release form signed by the applicant/participant via first class mail.

10.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

All applicants and participants shall be required to verify their noncitizenship status pursuant to Section 3.C.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his or her Social Security Number. New family members at least six years of age must provide this

verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the SFHA will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security Number they will be required to sign a statement to this effect.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a tenant family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to 60 days to provide the verification. If the individual is at least 62 years of age, they will be given 120 days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

10.5 TIMING OF VERIFICATION

Verification must be dated within 120 days of certification or reexamination effective date.

When an interim reexamination is conducted, the Housing Authority will verify and update only those elements reported to have changed.

10.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

10.7 GUIDANCE FOR EIV SYSTEM USAGE

In accordance with 24 CFR 5.236, 5.659, 960.259, 982.516, and related HUD guidebooks and notices, the Housing Authority will obtain Third Party Verification on all income, assets, and allowable deductions associated with the determination of eligibility and rental subsidy calculations for federally assisted housing. As available, and in accordance to established policies, procedures, and verification guides for the Public Housing, Multifamily, and Section 8 programs, the San Francisco Housing Authority (SFHA) will follow the verification hierarchy which call for the use of Upfront Income Verification (UIV) when available. The following policy and procedure relates to the establishing and administration of such systems.

I. “UP-FRONT” INCOME VERIFICATION (UIV) DEFINITION

- A. UIV is the verification of income, before or during a family reexamination, through independent sources that systematically and uniformly maintains income information in databases for a large number of individuals.
- B. When available, SFHA will use UIV to the maximum extent possible when conducting examinations of family income and composition or to investigate suspected fraud, misrepresentation or unreported income.
- C. Examples of UIV include, but are not limited to:
 - 1. HUD’s Enterprise Income Verification (EIV)
 - 2. The Work Number
 - 3. Data matching under the proposed terms of the Memorandum of Understanding (MOU) between the San Francisco Human Services Agency (HAS) and the San Francisco Housing Authority once approved and implemented.

II. ACCESS AND USE OF UIV DATA

A. Safeguarding UIV Data

SFHA has established and will maintain physical and procedural safeguards to prevent unauthorized use of the information and to protect the confidentiality of that information. Use of UIV data is covered the EIV User Manual.

B. User Access and Responsibilities

1. The Security Administrator

The Security Administrator is responsible for ensuring compliance with the policies and procedures outlined in this document, including:

- a. Maintaining and enforcing the security procedures;
- b. Keeping records and monitoring security issues; and
- c. Reporting any evidence of unauthorized access or known security breaches to the Executive Director or his/her designee and taking corrective action to address the impact of the breach including, but not limited to prompt notification to appropriate authorities, including the HUD field office.

2. The User Coordinator

The Housing Management and the Section 8 Departments will each appoint a User Coordinator and a Back-up User Coordinator. User Coordinators are responsible for:

- a. Communicating security information and requirements to appropriate personnel, including coordinating and conducting security awareness training sessions; and
- b. Conducting a quarterly review of all Authorized Users in his/her department to determine if the users still have a valid need to access the UIV data and taking the necessary steps to ensure that access rights are revoked or modified as appropriate.
- c. Assigning access, terminating, or modify rights for new, current, and past employees as needed.

3. Authorized Users

- a. An “Authorized User” is an individual who has been given access to UIV data through one or more secure electronic databases. Authorization to access one electronic UIV database will not necessarily give a staff member authorization to access any other electronic databases.
- b. Under no circumstances shall an Authorized User share any of his or her passwords with another employee or any other person. Unauthorized access to any UIV database without being assigned an individual user identification and/or password may be grounds for discipline, up to and including termination.

- c. an authorized user of uiv databases is also authorized to access printed uiv data in the course of their job duties whether for routine file processing or filing, quality control review, hearings, complaints, discrimination complaints, grievances, or fraud investigations, etc.

5. Requirements For Authorized Users

An Authorized User must, as applicable:

- a. Sign all security-related forms required for obtaining access to UIV databases.
- b. Attend security awareness training before given access to UIV databases. This training must be repeated at least annually.
- c. Keep all UIV database Passwords and User IDs confidential at all times.
- d. Close the program when not using a UIV database or if the user temporarily leaves his/her work area.
- e. Restrict UIV system inquiries to official Authority business purposes only, based upon employee job duties.
- f. Never disclose UIV information to third parties (including other household members) unless disclosure is authorized by written consent of the client, permitted or mandated by law, statute or regulation.
- g. Keep all printed UIV information confidential and in a secure area that has restricted access.
- h. File UIV data in the client's file and secure the file so no employees or clients (other than the individual) can view his/her own data, especially if the employee leaves his/her desk.
- i. Shred unused extra copies of UIV information immediately if the information is not needed and/or already placed in the client's file or utilizing other more current 3rd Party verification.

C. PHYSICAL SECURITY

The SFHA will use the following methods to physically secure UIV data:

1. UIV data printouts must be retrieved immediately as soon as they are generated. UIV data is not left unattended in printers where unauthorized persons may have access.
2. Keep files with UIV data in locked cabinets and/or restricted access areas
3. Cabinets and restricted areas containing UIV data should be labeled so as to warn of confidential information.

D. COMPUTER SECURITY

The SFHA will utilize the following methods to provide computer security for UIV data:

1. Only Authorized Users shall be provided unique User Identifications and/or passwords to access an electronic UIV database (dependent on data source). Sharing of passwords will subject staff to disciplinary actions.
2. Personnel are not allowed to save any UIV data on to a floppy disk, compact disk, or hard drive.
3. Authorized Users shall not leave UIV data displayed on their computer screens where unauthorized users may view it. Computer screens should be minimize or close out the screen on which the UIV data is displayed if someone who is not authorized to view the screen approaches the work area.
4. Adhere to additional measures outlined above in Section II B 5.

III. SECURITY AWARENESS TRAINING

- A. Prior to granting access to UIV information, employees will be trained in UIV security policies and procedures.
- B. Every employee, regardless of whether or not he/she has access to UIV data shall be briefed at least annually on the Housing Authority's UIV security policy and procedures and confidentiality requirements.

- C. A log will be maintained of all employees, including all Authorized Users and Authorized Reviewers that attend each training session.
- D. UIV training procedures will incorporate the necessary provisions of the Privacy Act of 1974, Section 552(a) and other relevant citations as required by the UIV data source providers, notifying employee of penalties for improper disclosure of client information.

IV. *USING UIV DATA*

- A. UIV data can only be used to identify income sources and to project participant income and eligibility.
- B. Appropriate UIV data will be accessed so that the information is available at the time of a household's income re-examination interview.
- C. In addition to the UIV procedures in the EIV User Manual, the procedures for Third Party Verification including resolving discrepancies shall be followed as provided in the Section 8 Administrative Plan and Income Verification Guidebooks.

V. *TAKING ADVERSE ACTION BASED ON THIRD PARTY CONFIRMATION OF INFORMATION FROM UIV*

- A. The Housing Authority shall not take any adverse action (termination, denial, suspension, eviction or reduction of assistance) based solely on information provided by a UIV source.
- B. If a discrepancy in income is identified between the UIV data and client provided documentation, Third Party Verification must be obtained before any adverse action against a client can proceed.
- C. If SFHA determines through Third Party Verification that a discrepancy is valid, the procedures to be followed remain the same as for any other adverse action that the Authority might take against a client in accordance with the Section 8 Administrative Plan.
- D. Any collection of overpayment of subsidy due to underreporting of income by tenants and participants shall be done in accordance to the Administrative Plan of the Existing Section 8 Program.

VI. ***CONFIDENTIALITY AND DISCLOSURE OF UP-FRONT INFORMATION***

- A. Information accessed through a UIV system is covered by the Privacy Act of 1974 (5 USC 552a, as amended) and the provisions of Title 18, USC, Section 1030, which specifies penalties for unauthorized access, altering, damaging or destroying data in the system.
- B. Only authorized persons may access private information contained in the HUD's EIV system or any other UIV system for the purpose of conducting official business.
- C. Violation of privacy and confidentiality provisions will result in disciplinary actions in accordance to the Housing Authority's Personnel Policy, in addition to any penalties dictated by applicable state and federal statutes.
- D. Unauthorized disclosure includes, but is not limited to:
 - 1. Failure to log out of an electronic system when leaving an area unattended.
 - 2. Failure to secure records in a locked cabinet or restricted access area.
 - 3. Allowing unauthorized persons to remain or move about in an area unescorted where records have not been secured.
 - 4. Allowing entrance to a secure area to a person who is not authorized to be in that area.
- E. UIV data may not be disclosed without prior written authorization from the client whose information is in question.

VII. ***REPORTING IMPROPER DISCLOSURES AND VIOLATIONS OF SECURITY***

- A. Improper disclosure occurs when an Authorized User allow UIV data to be used or reviewed by another individual who is not the subject of the UIV data or not authorized or required to use or review UIV data for official purposes.
- B. Upon discovery of a possible improper disclosure of UIV information or another security violation by an authorized user or other person, the individual observing or receiving the information should contact the Security Administrator or Executive Director or his/her designee immediately.

- C. The Security Administrator or Executive Director or his/her designee will document all improper disclosures in writing, providing details including who was involved, what was disclosed, how the disclosure occurred and where and when the disclosure occurred.
- D. The Security Administrator or Executive Director or his/her designee will contact the San Francisco HUD Field Office for further direction on addressing the improper disclosure.

VII. *DISPOSAL OF UIV INFORMATION*

- A. Disposal of data shall be in accordance to the Manual of Policy of Procedures Section 116:1, Records Retention and Disposition.
- B. Any UIV records used to determine rental calculation or to verify income will be included in the tenant file.
- C. Any UIV information printed but not used to verify income or use of UIV for fulfilling the Hierarchy of Verification shall be immediately shredded once it is determined that its use is not needed.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

After October 1, 1999, the SFHA will issue only vouchers to applicants, movers, and families entering the jurisdiction through portability. Certificates currently held will continue to be honored until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete (see Section 20.0 for additional guidance).

11.2 RENT REASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved;
- B. If 60 days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
- C. If the Housing Authority or HUD directs that reasonableness be re-determined.

11.3 COMPARABILITY

In making a rent reasonableness determination, the Housing Authority will compare the rent for the unit to the rent of two (2) comparable units in the same or comparable neighborhoods. The Housing Authority will consider the location, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units.

The Housing Authority will also obtain the services of a rental survey company to determine the value of the array of amenities.

Owners are invited to submit information regarding the value of their property at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

11.4 MAXIMUM SUBSIDY

The Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the SFHA and approved by HUD) determines the maximum subsidy for a family.

For a regular tenancy under the Voucher Program, the FMR/exception rent limit is the maximum initial gross rent under the assisted lease. This only applies until the transition of the merger of the Section 8 Voucher programs as outlined in 24 CFR 982.502 is complete.

For the Voucher Program, the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project the payment standard may not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

11.4.1 Setting the Payment Standard

HUD requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR. The SFHA will review its determination of the payment standard annually after publication of the FMRs. The SFHA will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The SFHA may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

11.4.2 Selecting the Correct Payment Standard for a Family

- A. For the voucher tenancy, the payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the unit size rented by the family.
- B. If the unit rented by a family is located in a HUD approved exception rent area, the Housing Authority will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
 - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or
 - 2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
- E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

11.4.3 Area Exception Rents

In order to help families find housing outside areas of high poverty or when voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all or some unit types.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

11.5 ASSISTANCE AND RENT FORMULAS

A. Minimum Family Contribution

The Minimum Family Contribution is equal to the highest of:

1. 10% of monthly income
2. 30% of adjusted monthly income
3. Minimum rent
4. The welfare rent

Plus any rent above the payment standard.

B. Minimum Rent.

The SFHA has set the minimum rent as \$ 25. However, if the family requests a hardship exemption, the SFHA will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

1. A hardship exists in the following circumstances:
 - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program;
 - b. When the family would be evicted as a result of the imposition of the minimum rent requirement;
 - c. When the income of the family has decreased because of changed circumstances, including loss of employment;

- d. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
 - e. When a death has occurred in the family.
2. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.
 3. Temporary hardship. If the Housing Authority determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a reasonable repayment agreement for any minimum rent back payment paid by the Housing Authority on the family's behalf during the period of suspension.
 4. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
 5. Appeals. The family may use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

C. Section 8 Housing Choice Vouchers

1. The payment standard is set by the Housing Authority between 90% and 110% of the FMR or higher or lower with HUD approval.
2. The participant pays the greater of the Total Tenant Payment or the minimum rent, plus the amount by which the gross rent exceeds the payment standard.
3. No participant when initially receiving tenant-based assistance on a unit shall pay more than 40% of their monthly-adjusted income.

D. Section 8 Preservation Vouchers

1. Payment Standard

- a. The initial Payment Standard for Preservation units is:
 - i. The new rent being charged by the owner for the participating family subject to rent reasonableness.

2. Minimum Family Contribution

- a. The Minimum Family Contribution is the greater of:
 - ii. The gross rent (including utility allowance) of the family at the time of the Preservation action; or
 - iii. Thirty percent (30 %) of the family's adjusted household income.
- b. Preservation Voucher size shall be based on the SFHA's subsidy standards indicated in Section 6 of this Administrative Plan. Overhoused families must make an effort to move into an appropriately sized unit in the project. If more families must relocate than there are available units for, the SFHA shall determine the order of priority in which families must move. If a unit does not exist, the family shall remain in the larger unit and the payment standard is the gross rent for the oversized unit.

The family may only receive the subsidy for the oversized unit for one year from the Preservation event. After the one year period, the normally applicable payment standard shall be used and the family can remain in the unit if they can afford to pay the difference out of pocket.

- c. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:
 - i. The new family unit size must be used to determine the payment standard.

3. The SFHA will pay a monthly housing assistance payment on behalf of the family that equals the gross rent for the unit minus the great of:

- a. 30 percent of the adjusted family income;

- b. 10 percent of the family gross monthly income
 - c. The welfare rent in as-paid states;
 - d. The enhanced Voucher Minimum Family Contribution; or
 - e. Such other minimum rent established by the SFHA as authorized by Federal law in 24 CFR Section 5
- E. **Manufactured Home Space Rental: Section 8 Vouchers**
- 1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
 - 2. The space rent is the sum of the following as determined by the Housing Authority:
 - a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and
 - c. Utility allowance for tenant paid utilities.
 - 3. The participant pays the rent to owner less the HAP.
 - 4. HAP equals the lesser of:
 - a. The payment standard minus the Minimum Family Contribution; or
 - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

11.6 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of

similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Section 8 Department.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards). There is a utility allowance for Apartments and for Flats/Single Family Dwellings. A Flat shall be defined as a residence that occupies the entire floor of a multi-floor building where each floor is a separate residence, regardless of square footage.

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority may approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

11.6.1 ENERGY EFFICIENT UTILITY ALLOWANCE

For newly constructed properties, the SFHA, at the owner's request, may utilize an Energy Efficient Utility Allowance (EEUA) Schedule. In order for the EEUA to be used, the owner must first comply with performance requirements outlined below. Upon verification of compliance, the EEUA may be implemented prospectively.

To qualify, a project must:

- Be located within the jurisdiction of the San Francisco Housing Authority
- Be a new project that exceeds California's Energy Code, Title 24, by a minimum of 15%, OR,

- Be a new construction project with installed on-site generation on the dwelling units following the guidelines in the documents outlined below.
- Provide California Energy Commission (CEC)¹ -certified compliance documentation confirming energy savings, CEC-certified HERS (See Appendix A)ⁱ rating verifying installation of energy efficiency measures, and following the procedures and providing documentation for on-site generation as outlined below. Detailed steps are outlined below for new construction projects.

Procedure for Owner-Developers

For any project, an owner-developer must contact Housing Authority Representative for assistance and complete a Request for Energy Efficiency-Based or On-Site Generation Utility Allowance.

New Construction Project

Step 1: Design and build energy efficient project and provide California Energy Commission (CEC)²-certified compliance documentation confirming energy savings. The results of this compliance documentation (through a building simulation process done by either a HERS rater or a Title 24 consultant) are presented in the “C2R Form”.

Step 2: Hire a HERS¹ (Home Energy Rating System) rater to inspect the building. Ask the HERS rater to provide an inspection report, which includes a HERS rating score. If the HERS rating indicates that the building’s energy efficiency rating has surpassed 2001 Title 24 energy code standards by at least 15%, submit the HERS inspection report stating that you have met the requirement to the Housing Authority.

New Construction Project Documentation

1. Request for Energy Efficiency-Based or On-Site Utility Allowance
2. Final C2R or Perf-1 Form
3. Final HERS Inspection Report

On-Site Generation Project:

Step 1: Maximize energy efficiency options in the design of the project

Step 2: Use the standard contract format with on-site generation provider/installer (provided to owner-developer),

Step 3: Submit a completed installation checklist

Step 4: Submit evidence of proper building department permits, inspections and sign-off

Step 5: Submit an affidavit from a California licensed engineer stating what the average and minimum annual and peak output of the system will be.

On-Site Generation Project Documentation

1. Request for Energy Efficiency-Based or On-Site Utility Allowance
2. Completed installation checklist
3. Submit evidence of proper building department permits, inspections and sign-off
Submit an affidavit from a California licensed engineer stating the average and minimum annual and peak output of the system.

Documentation identifying that you have met the requirement shall be submitted to:

EEBUA Request/San Francisco Housing Authority

Designed for Comfort: EFFICIENT AFFORDABLE HOUSING

11626 Fair Oaks Blvd, Ste. 302

Fair Oaks, CA 95628

Phone: 916-962-7001

Fax: 916-962-0101

Once the documentation is reviewed, owner will receive notification indicating whether or not they are approved to apply the Energy Efficiency-Based or On-Site Generation Utility Allowance.

All qualifying projects are subject to visual inspections by Housing Authority staff or designated party

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may charge the SFHA a late payment, agreed to in the Contract and in accordance with generally accepted practices in the City and County of San Francisco jurisdiction. Payments to owners are considered late if *Mailed, not received*, after the accepted prevailing local practice for late payments which is on the 6th day of the month by current local standards. Late payment fees do not apply to the initial HAP payment since the reasons for the delay in payment may not be in the control of the SFHA.

11.8 CHANGE OF OWNERSHIP

The SFHA requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the SFHA's rent payment or the address as to where the rent payment should be sent.

In addition, the SFHA requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Recorded grant deed or Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute the assumption of HAP contract form, IRS form W-9, Lead based paint certification, and verification of non-related tenancy form. The SFHA may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

The SFHA will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS are met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The SFHA must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family can not be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the SFHA will only schedule one more inspection. If the family misses two inspections, the SFHA will consider the family to have violated a Family Obligation and their assistance will be terminated.

12.1 TYPES OF INSPECTIONS

There are seven types of inspections the SFHA will perform:

- A. Initial Inspection - An inspection that must take place to insure that the unit passes HQS before assistance can begin.
- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the Authority receiving a complaint on the unit by anyone.
- D. Special Inspection - An inspection caused by a third party, i.e. HUD, needing to view the unit.
- E. Emergency - An inspection that takes place in the event of a perceived emergency. These will take precedence over all other inspections.
- F. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.
- G. Quality Control Inspection – Supervisory or other designated quality control inspections on at least 5% of the total number of units that were under lease during the Housing Authority's previous fiscal year. Every effort will be made to

complete Quality Control inspections within 45 days of the initial/annual inspection. If not, total 5 % Quality Control inspections shall be completed by end of fiscal year.

12.2 OWNER AND FAMILY RESPONSIBILITY

A. Owner Responsibility for HQS

1. The owner must maintain the unit in accordance with HQS.
2. If the owner fails to maintain the dwelling unit in accordance with HQS, the SFHA will take prompt and vigorous action to enforce the owner obligations. The SFHA's remedies for such breach of the HQS include termination, suspension or reduction of housing assistance payments and termination of the HAP contract.
3. The SFHA will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the SFHA and the SFHA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects the owner must correct the defect within no more than 30 calendar days (or any SFHA approved extension).
4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. Furthermore, SFHA may terminate assistance to a family because of the HQS breach caused by the family.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the tenant;
 - b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the tenant; or
 - c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).
2. If an HQS breach caused by the family is life threatening, the family must correct the defect within no more than 24 hours. For other family-caused

defects, the family must correct the defect within no more than 30 calendar days (or any SFHA approved extension).

3. If the family has caused a breach of the HQS, the SFHA will take prompt and vigorous action to enforce the family obligations. SFHA may terminate assistance for the family in accordance with 24 CFR 982.552.

- d. The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable.
- e. Elevators must be working and safe.

G. Interior Air Quality

1. Performance Requirement

The dwelling unit must be free of pollutants in the air at levels that threaten the health of the occupants.

2. Acceptability Criteria

I. Lead-based Paint

1. Definitions

- a. Chewable surface: Protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age; for example, protruding corners, window sills and frames, doors and frames, and other protruding woodwork.
- b. Component: An element of a residential structure identified by type and location, such as a bedroom wall, an exterior window sill, a baseboard in a living room, a kitchen floor, an interior window sill in a bathroom, a porch floor, stair treads in a common stairwell, or an exterior wall.
- c. Defective paint surface: A surface on which the paint is cracking, scaling, chipping, peeling, or loose.
- d. Elevated blood level (EBL): Excessive absorption of lead. Excessive absorption is a confirmed concentration of lead in whole blood of 20 ug/dl (micrograms of lead per deciliter) for a single test or of 15-19 ug/dl in two consecutive tests 3-4 months apart.
- e. HEPA: A high efficiency particle accumulator as used in lead abatement vacuum cleaners.
- f. Lead-based paint: A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1

milligram per centimeter squared (mg/cm²), or 0.5 % by weight or 5000 parts per million (PPM).

2. Performance Requirements

- a. The purpose of this paragraph of this Section is to implement Section 302 of the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead-based paint poisoning for units assisted under this part. This paragraph is issued under 24 CFR 35.24(b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.
- b. The requirements of this paragraph of this Section do not apply to 0-bedroom units, units that are certified by a qualified inspector to be free of lead-based paint, or units designated exclusively for the elderly. The requirements of subpart A of 24 CFR part 35 apply to all units constructed prior to 1978 covered by a HAP contract under part 982.
- c. If a dwelling unit constructed before 1978 is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part), must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph k of this Section.
- d. The Housing Authority may exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-based paint, as defined in paragraph 1(f) of this Section. For purposes of this Section, a qualified lead-based paint inspector is a State or local health or housing agency, a lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.
- e. Treatment of defective paint surfaces required under this Section must be completed within 30 calendar days of Housing Authority notification to the owner. When weather conditions prevent treatment of the defective paint conditions on exterior surfaces within the 30-day period, treatment as required by paragraph k of this Section may be delayed for a reasonable time.
- f. The requirements in this paragraph apply to:
 - i. All painted interior surfaces within the unit (including ceilings but excluding furniture);

- ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- g. In addition to the requirements of paragraph c of this Section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
- h. Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the paint surface in accordance with paragraph k of this Section is required, and treatment shall be completed within the time limits in paragraph c of this Section.
- i. The requirements in paragraph g of this Section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
 - i. Within the unit;
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- j. In lieu of the procedures set forth in paragraph g of this Section, the housing authority may, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior

chewable surfaces in accordance with the methods set out in paragraph k of this Section.

- k. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
 - i. A defective paint surface shall be treated if the total area of defective paint on a component is:
 - (1) More than 10 square feet on an exterior wall;
 - (2) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls;
 - (3) More than 10% of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, windowsills, baseboards and trim.
 - ii. Acceptable methods of treatment are the following: removal by wet scraping, wet sanding, chemical stripping on or off site, replacing painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasive sandblasting with HEPA vacuum. Surfaces must be covered with durable materials with joint edges sealed and caulked as needed to prevent the escape of lead contaminated dust.
 - iii. Prohibited methods of removal are the following: open flame burning or torching, machine sanding or grinding without a HEPA exhaust, uncontained hydroblasting or high pressure wash, and dry scraping except around electrical outlets or except when treating defective paint spots no more than two square feet in any one interior room or space (hallway, pantry, etc.) or totaling no more than twenty square feet on exterior surfaces.
 - iv. During exterior treatment soil and playground equipment must be protected from contamination.

- v. All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
- vi. Waste and debris must be disposed of in accordance with all applicable Federal, State, and local laws.
- l. The owner must take appropriate action to protect residents and their belongings from hazards associated with treatment procedures. Residents must not enter spaces undergoing treatment until cleanup is completed. Personal belongings that are in work areas must be relocated or otherwise protected from contamination.
- m. Prior to execution of the HAP contract, the owner must inform the Housing Authority and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
- n. The Housing Authority must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names and addresses of participants under this part. If a match occurs, the Housing Authority must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint, the Housing Authority must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this Section, the family must be issued a voucher to move.
- o. The Housing Authority must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the Housing Authority must keep the test results indefinitely and, if applicable, the owner certification and treatment. The records must indicate which chewable surfaces in the dwelling units have been tested and which chewable surfaces were tested or tested and treated in accordance with the standards prescribed in this Section, such chewable surfaces do not have to be tested or treated at any subsequent time.

J. Access

1. Performance Requirements

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirements

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

L. Sanitary Condition

1. Performance Requirements

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke

detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).

- f. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992, (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).
- N. The SFHA will utilize the acceptability criteria as outlined above with applicable State and local codes.

12.4 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

A. Correcting Initial HQS Fail Items

The SFHA will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter (within 5 working days) upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS again, the owner and the participant will be advised to notify the SFHA to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given up to 30 days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the HQS requirements.

B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety (using the emergency item list below), the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the SFHA will abate payment and terminate the contract in accordance with Sections 12.7 and 17.0(B)(3).

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the SFHA will terminate assistance for the family in accordance with Sections 12.2(B) and 17.0(B)(3).

C. Time Frames for Corrections

1. Emergency repair items must be abated within 24 hours.
2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 30 days of the initial inspection.
4. For major repairs, the owner will have up to 30 days or as approved by the SFHA to complete.

D. Extensions

At the sole discretion of the SFHA, extensions of up to 30 days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within 30 days, or the designated additional time periods approved by SFHA after the initial inspection date, SFHA will abate the rent. If the noted repairs are not corrected within the 6-month abatement effective date, the SFHA shall cancel the HAP contract for owner noncompliance. Appropriate extensions will be granted by SFHA upon good cause shown.

E. Phone Re-Inspections

In some instances of HQS infractions, the SFHA may opt to verify correction of the HQS violation by telephone or requiring the owner to submit verifying documentation. The applicable infractions of HQS include installing a battery in a smoke detector, repairing a bathroom fan, replacing a cracked light switch plate, elevator repair (certificate of compliance), installation of appliances (copy of receipt), extermination services (copy of receipt).

12.5 EMERGENCY FAIL ITEMS

The following items are to be considered examples of emergency items that need to be abated within 24 hours:

- A. No hot or cold water

- B. No electricity
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas leak
- F. Broken lock(s) on all entry and assessable windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlet smoking or sparking
- I. Exposed electrical wires which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit
- K. Security risks such as broken doors or windows that would allow intrusion
- L. Other conditions which pose an immediate threat to health or safety

12.6 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within in the required timeframe, the rent for the dwelling unit will be abated.

When the deficiencies are corrected, the SFHA will end the abatement the day the unit passes inspection. Rent will resume the following day and be paid the first day of the next month.

For tenant caused HQS deficiencies, the owner will not be held accountable and the rent will not be abated. The tenant is held to the same standard and timeframes for correction of deficiencies as owners. If repairs are not completed by the deadline, the SFHA will send a notice of termination to both the tenant and the owner. The tenant will be given the opportunity to request an informal hearing.

13.0 RECERTIFICATION

13.1 ANNUAL REEXAMINATION

At least annually the SFHA will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The SFHA will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances. All income and assets shall be verified using third party income verification. This is defined as verification that has not been touched by the tenant/applicant. In the interest of time, once 3rd party income verification has been sent out, rent calculations will be completed once all 2nd party verification from the providing source has been secured. Once the 3rd Party Verification documentation is received in the office, staff will compare the 2nd and 3rd party verifications to see if there is the need to adjust the rent calculation. If the 3rd party verification is not returned, staff will document that an attempt was made to retrieve 3rd party documentation, by placing a copy of the 3rd party request for verification in the file and accept the 2nd party verification as adequate proof of income/asset verification.

Upon receipt of verification, the SFHA will determine the family's annual income and will calculate their family share.

13.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family. In the event of a reduction in the Payment Standard of 5 % or more, notice of a rent adjustment to the family will be extended beyond the stated notice above by sixty days.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30 day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

13.1.2 Re-examination by mail

Where possible, the SFHA will complete the Annual Certification by mail when the family is disabled and the income is known to be only from one source.

All first time re-examinations must be completed at the SFHA's Section 8 office unless requested as a reasonable accommodation by a disabled individual.

All seniors or disabled persons may request their re-examinations completed by mail after the first year.

Mailing procedures

1. A detail explanation of the mailing procedures will be included in the mail out package
2. All appropriate forms will be sent for the family's signature
3. A self addressed stamped envelop will be enclosed in the packet for returning all forms
4. The families have 15 days to return the form

After receiving all documentation the SFHA will determine the family's annual income and will calculate their family share.

13.1.3 Effective dates of interim re-examinations of rent

Income changes must be reported within 30-days. Changes that decrease the amount of rent payment made by the participant will be made effective the first of the month following the receipt of the notice to SFHA. However, this provision will not apply and no retroactive changes will be made if the notice of the change is not reported timely.

Changes that increase the amount of payment made by the tenant will be effective at the time of the annual re-examination.

If the annual re-examination is less than 30 days away the change will take effect on the first day of the second month following the date in which the change occurs.

If a family had requested a rent adjustment due to a loss of income (i.e. losing a job, going on unemployment or disability) where the rent was adjusted downward the first of the month following the receipt of written notice, and if this same family begins working again or the income is increased due to other sources (i.e. social security), the rent may be increased following a minimum 30-day written notice to the family.

For elderly/disabled families moving from TANF or unemployment, as defined in 24 CFR 5.617, to work, and whose income increases due to employment or increased earnings within six months of receiving TANF, the household will be eligible for the Earned Income Disregard benefit.

An interim re-examination will not be required if the participant requests to move to a new unit within 60 days of the last annual re-examination provided that the income verification is not more than 120 days old from the new lease effective date.

Errors made by the SFHA will not adversely affect the participant. Errors that resulted in overpayment of rent by the participant will be reimbursed to the participant. Errors by the SFHA that resulted in underpayment of rent by the tenant will not result in a retroactive payment from the tenant. The change in rent will be made effective the first of the second month following notice to the participant and owner.

As stated in the Quality Housing and Work Responsibility Act (QHWR) of 1998. Income changes resulting from welfare program requirements. 1) If a family's welfare benefits are lowered due to the family's failure to comply with program requirements the HA must not reduce the family's rent. 2) HA's are not to consider a loss of benefits due to the expiration of lifetime time limits as a failure to comply and the HA must lower the tenant's rent. 3) If the family's benefits are reduced because of fraud the HA must not lower the rent.

Families with zero income will be required to report any change in income within thirty days. Failure to do so may result in termination of assistance.

13.1.4 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the SFHA taking action to terminate the family's assistance.

13.2 INTERIM REEXAMINATIONS

During an interim reexamination only the information affected by the changes being reported will be reviewed and verified.

Families will be required to report any increase in income or decreases in allowable expenses between annual reexaminations. However adjustments in tenant portion may not be made until the annual reexamination in accordance with paragraph Sub Section 13.1.3 above.

Families are required to report the following changes to the SFHA between regular reexaminations. These changes will trigger an interim reexamination.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.
- C. Family break-up

In circumstances of a family break-up, the SFHA will make a determination of which family member will retain the voucher, taking into consideration the following factors:

1. To whom the voucher was issued.
2. The interest of minor children or of ill, elderly, or disabled family members.
3. Whether the assistance should remain with the family members remaining in the unit.
4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the SFHA will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the SFHA will make determinations on a case by case basis.

The SFHA will issue a determination within 10 business days of the request for a determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 15.3.

In order to add a household member other than through birth or adoption (including a live-in aide) the family must request that the new member be added to the lease. Adding the new member to the lease requires the landlord's approval. The individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the process for applicants. The SFHA will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be

ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the SFHA will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 13.2.2.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the SFHA will take timely action to process the interim reexamination and recalculate the family share.

13.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the SFHA may schedule special reexaminations every 90 days until the income stabilizes and an annual income can be determined.

13.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

14.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE SFHA

The Housing Authority may at any time terminate program assistance for a participant, because of any of the actions or inaction by the household:

- A. If the family violates any family obligations under the program.
- B. If a family member fails to sign and submit consent forms.
- C. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the SFHA determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.
- D. If any member of the family has ever been evicted from public housing.
- E. If the Housing Authority has ever terminated assistance under the Certificate or Voucher Program for any member of the family.
- F. If any member of the family commits drug-related criminal activity, or violent criminal activity.
- G. If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- H. If the family currently owes rent or other amounts to the Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act.
- I. If the family has not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- J. If the family breaches an agreement with the Housing Authority to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority. (The Housing Authority, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a Housing Authority or amounts paid to an owner by a Housing Authority. The Housing Authority may prescribe the terms of the agreement.)

- K. If a family participating in the FSS program fails to comply, without good cause, with the family's FSS contract of participation.
- L. If the family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel.
- M. If any household member is subject to a lifetime registration requirement under a State sex offender registration program.
- N. Have a family member who is illegally using a controlled substance or abuses alcohol, or engages in any other criminal activity which may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The SFHA may waive this requirement if:
 - 1. The person demonstrates to the SFHA's satisfaction that the person is no longer engaging in drug-related criminal activity or abuse of alcohol;
 - 2. The person has successfully completed a supervised drug or alcohol rehabilitation program;
 - 3. The household member who engaged in drug-related criminal activity or alcohol abuse and behavior that interfered with the health and safety or right to peaceful enjoyment of the premises by other residents is removed from the family household composition;
 - 4. The person has otherwise been rehabilitated successfully as determined by the SFHA based on evidentiary supporting material; or
 - 5. The person is participating in a supervised drug or alcohol rehabilitation program.
- O. Anyone enrolled in an institution of higher education and is under 24 years of age; is not a veteran; is unmarried; does not have dependent children; is not otherwise individually eligible or has parents who, individually or jointly, are not eligible on the basis of income to receive assistance under the section 8 program.

15.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, AND INFORMAL HEARINGS FOR PARTICIPANTS

15.1 COMPLAINTS

The SFHA will investigate and respond to complaints by participant families, owners, and the general public. The SFHA may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

15.2 INFORMAL REVIEW FOR THE APPLICANT

A. Informal Review for the Applicant

The SFHA will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the SFHA decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

B. When an Informal Review is not Required

The SFHA will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the SFHA subsidy standards.
2. A SFHA determination not to approve an extension or suspension of a voucher term.
3. A SFHA determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. A SFHA determination that a unit selected by the applicant is not in compliance with HQS.
5. A SFHA determination that the unit is not in accordance with HQS because of family size or composition.
6. General policy issues or class grievances.
7. Discretionary administrative determinations by the SFHA.

C. Informal Review Process

The SFHA will give an applicant an opportunity for an informal review of the SFHA decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the SFHA other than the person who made or approved the decision under review or a subordinate of this person.
2. The applicant will be given an opportunity to present written or oral objections to the SFHA decision.
3. The SFHA will notify the applicant of the SFHA's decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.

D. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the SFHA will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;

2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
 3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.
- E. Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The applicant family may request that the SFHA provide for an informal review after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

15.3 INFORMAL HEARINGS FOR PARTICIPANTS

A. When a Hearing is Required

1. The SFHA will give a participant family an opportunity for an informal hearing to consider whether the following SFHA decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and SFHA policies:
 - a. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
 - b. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the SFHA utility allowance schedule.
 - c. A determination of the family unit size under the SFHA subsidy standards.
 - d. A determination that a Voucher Program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the SFHA subsidy standards, or the SFHA determination to deny the family's request for an exception from the standards.

- e. A determination to terminate assistance for a participant family because of the family's action or failure to act.
 - f. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under the SFHA policy and HUD rules.
 - g. Denial of Assistance on the Basis of Ineligible Immigration Status.
2. In cases described in paragraphs 15.3(A)(1)(d), (e), and (f), of this Section, the SFHA will give the opportunity for an informal hearing before the SFHA terminates housing assistance payments for the family under an outstanding HAP contract.

B. When a Hearing is not Required

The SFHA will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

1. Discretionary administrative determinations by the SFHA.
2. General policy issues or class grievances.
3. Establishment of the SFHA schedule of utility allowances for families in the program.
4. A SFHA determination not to approve an extension or suspension of a voucher term.
5. A SFHA determination not to approve a unit or lease.
6. A SFHA determination that an assisted unit is not in compliance with HQS. (However, the SFHA will provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)
7. A SFHA determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the SFHA to exercise or not exercise any right or remedy against the owner under a HAP contract.

C. Notice to the Family

1. In the cases described in paragraphs 15.3(A)(1)(a), (b), and (c), of this Section, the SFHA will notify the family that the family may ask for an

explanation of the basis of the SFHA's determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.

2. In the cases described in paragraphs 15.3(A)(1)(d), (e), and (f), of this Section, the SFHA will give the family prompt written notice that the family may request a hearing within 10 business days of the notification. The notice will:
 - a. Contain a brief statement of the reasons for the decision; and
 - b. State this if the family does not agree with the decision, the family may request an informal hearing on the decision within 10 business days of the notification.
3. In the event that a Notice of Decision to Propose Termination is issued, a presumption of innocence will be invoked and the tenant will continue to receive assistance until a final decision is made by the Hearing Officer or Appeal Officer. However, in the interest of not burdening a prospective owner, the tenant will not be permitted to transfer to another unit until the final hearing decision is made by the hearing officer or the Appeal Officer.

The Administrator reserves the right to review requests to move on a case by case basis to assess whether a safety or financial hardship matter is requiring a move.

D. Hearing Procedures

The SFHA and participants will adhere to the following procedures:

1. Discovery
 - a. The family will be given the opportunity to examine before the hearing any SFHA documents that are directly relevant to the hearing. The family will be allowed to copy any such document at the family's expense. If the SFHA does not make the document(s) available for examination on request of the family, the SFHA may not rely on the document at the hearing.
 - b. The SFHA will be given the opportunity to examine, at the SFHA's offices before the hearing, any family documents that are directly relevant to the hearing. The SFHA will be allowed to copy any such document at the SFHA's expense. If the family does not make the document(s) available for examination on request of the SFHA, the family may not rely on the document at the hearing.

Note: The term document includes records and regulations.

2. Representation of the Family

At its own expense, a lawyer or other representative may represent the family.

3. Hearing Officer

- a. The hearing will be conducted by any person or persons designated by the SFHA, other than a person who made or approved the decision under review or a subordinate of this person.
- b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the SFHA hearing procedures.

4. Evidence

The SFHA and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 14 calendar days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

6. Effect of the Decision

The SFHA is not bound by a hearing decision:

- a. Concerning a matter for which the SFHA is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the SFHA hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the SFHA determines that it is not bound by a hearing decision, the SFHA will notify the family within 14 calendar days of the determination, and of the reasons for the determination.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance. The Housing Authority may terminate assistance or uphold the appeal and permit continued participation in the subsidy program.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the SFHA will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

The participant family may request that the SFHA provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision.

F. Appeal Of Hearing Officer's Decision

In the event a participant wishes to appeal the hearing officer's decision, they must submit a written request for Administrative Review by the Administrator of the Section 8 Housing Department along with all supporting documentation. The Administrative Review will not include another hearing. The decision of the Administrator of the Section 8 Department will be final.

16.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the tenant, or by the mutual agreement of both. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the SFHA. Under some circumstances the contract automatically terminates.

A. Termination of the lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the SFHA after the first year of the lease. The length of the notice that is required is stated in the lease (generally 30 days).

2. By the owner.

a. The owner may terminate the lease during its term and in accordance with the provisions of the Rent Ordinance for the following reasons:

- i. Serious or repeated violations of the terms or conditions of the lease;
- ii. Violation of Federal, State, or local law that impose obligations on the tenant in connection with the occupancy or use of the unit and its premises;
- iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons residing in the immediate vicinity of the premises;
- iv. Any drug-related criminal activity on or near the premises;
- v. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;
 - (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;

(3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit; or to renovate the unit,

b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.

17.0 IMPLEMENTATION OF COST SAVING MEASURES DUE TO HAP SHORTFALL AS A RESULT OF CONGRESSIONAL APPROPRIATIONS ACTIONS

If the SFHA experiences a shortfall in Housing Assistance Payments (HAP) funding as a result of Congressional action thru the Federal Appropriations process, the SFHA may implement a series of procedures to ensure that the fiscal solvency of the SFHA is maintained while minimizing the impact on participating families.

These procedures may include but are not limited to:

- Implementing mass rent-reasonableness re-determination
- Adjusting the Payment Standard
- Adjusting Occupancy Standards to reflect a basic two persons per bedroom regardless of age or sex or relationship policy.
- Requesting HUD authority to adjust the percentage of income a family pays for rent
- Not re-issuing turn-over units
- Not Absorbing Portability Clients from jurisdictions with higher Payment Standards
- Rescinding vouchers for the number of families necessary to meet financial obligations of the Section 8 Program. In the event this option is implemented, priority will be given to senior and/or disabled households. Following this exemption, selection will be done by random lottery.

18.0 INTELLECTUAL PROPERTY RIGHTS

No program receipts may be used to indemnify contractors or subcontractors of the SFHA against costs associated with any judgment of infringement of intellectual property rights.

19.0 SFHA OWNED HOUSING

Units owned by the SFHA and not receiving subsidy under any other program are eligible housing units for Housing Choice Voucher holders. In order to comply with federal regulation, the SFHA will do the following:

On and after October 1, 1999, the SFHA will only enter into a HAP contract for a tenancy under the voucher program, and will not enter into a new HAP contract for a tenancy under the certificate program.

B. Over-FMR Tenancy

If the SFHA had entered into any HAP contract for an over-FMR tenancy under the certificate program prior to the merger date of October 1, 1999, on and after October 1, 1999 such tenancy shall be considered and treated as a tenancy under the voucher program, and will be subject to the voucher program requirements under 24 CFR 982.502, including calculation of the voucher housing assistance payment in accordance with 24 CFR 982.505. However, 24 CFR 982.505(b)(2) will not be applicable for calculation of the housing assistance payment prior to the effective date of the second regular reexamination of family income and composition on or after the merger date of October 1, 1999.

However, 24 CFR 982.505(b) (2) will not be applicable for calculation of the housing assistance payment prior to the effective date of the second regular reexamination of family income and composition on or after the merger date of October 1, 1999.

D. Regular Certificate Tenancy

The SFHA will terminate program assistance under any outstanding HAP contract for a regular tenancy under the certificate program entered into prior to the merger date of October 1, 1999 at the effective date of the second regular reexamination of family income and composition on or after the merger date of October 1, 1999. Upon such termination of assistance, the HAP contract for such tenancy terminates automatically. The SFHA will give at least 120 days written notice of such termination to the family and the owner, and the SFHA will offer the family the opportunity for continued tenant-based assistance under the voucher program. The SFHA may deny the family the opportunity for continued assistance in accordance with 24 CFR 982.552 and 24 CFR 982.553.

21.0 HOME OWNERSHIP OPTION

The Section 8 Home Ownership Assistance (HOA) Program final rule implements an amendment to the regulations for the Section 8 tenant-based rental voucher program at 24 Code of Federal (CFR) part 982, and is added as a new “special housing type,” under Subpart M. The amendments implement Section 8(y) of the United States Housing Act of 1937, as amended by Section 555 of the Quality Housing and Works Responsibility Act of 1998. Section 8(y) authorizes a Public Housing Agency (PHA) to provide tenant based assistance for an eligible family that purchases a dwelling unit that will be occupied by the family. Homeownership assistance offers a new option for families that receive Section 8 tenant based assistance.

The San Francisco Housing Authority (SFHA) hereby establishes and shall administer the HOA program in accordance with the rules and regulations outlined in the 24 CFR Section 982. Following are the policies and procedures for the operation of the SFHA HOA Program that will govern the operation of the HOA program for the SFHA and are included in the Section 8 Administrative Plan.

The SFHA shall establish a Home Ownership Advisory Committee to assist with the development of the SFHA’s HOA program to include, but not limited to, representatives from the following agencies:

San Francisco Mayor’s Office of Housing
San Francisco Redevelopment Agency
San Francisco Housing Development Corporation
Bank of America Community Reinvestment
San Francisco Board of Realtors
Housing Conservation and Development Corporation
Federal Home Loan Bank of San Francisco
Citibank Community Relations
Asian, Inc.
Urban HDC

The SFHA shall add additional representatives to the Committee as assessments are made to ascertain the effectiveness of this working group.

21.1 FAMILY ELIGIBILITY AND QUALIFICATION

To qualify for the HOA program a family must meet the following eligibility criteria:

1. A family must be a participant in the SFHA tenant-based Section 8 Housing Choice Voucher Program and be in compliance with their Lease and Program Regulations.
2. Must be a “First Time Home Buyer”. To qualify as a First-time homeowner the family must meet one of the following definitions:
 - the assisted family may not include any person who owned a “present ownership interest” in a residence of any family member during the three years before the commencement of homeownership assistance for the family
 - A single parent or displaced homemaker, who while married, owned a home with his or her spouse, or resided in a home owned by his or her spouse
 - Cooperative Members. Residents of limited equity cooperatives are eligible for the home ownership option. A family that owns or is acquiring shares in a cooperative is considered a first time home buyer, as the rule allows assistance for a family that already owns cooperative shares before commencement of Section 8 homeownership assistance, not just for a family that acquires cooperative shares for the first time with the support of such assistance. (Title to a mobile home is not considered as a home ownership for purposes of this option).
3. At least one or more of the family members who will purchase the home must be employed on a full-time basis for a minimum of twelve consecutive months prior to the application to participate in the HOA program. The minimum employment income is equal to 2000 hours at the federal minimum wage. Employment must be for not less than an average of 30 hours per week. The employment requirement does not apply to a family that includes an elderly or disabled person, or to families that include a disabled person, if granting such an exemption is needed as a reasonable accommodation. The minimum employment requirement will only be applied to determine initial eligibility and at each time the family requests to move with continued HOA. Or, in the case of a family member who will purchase the interest of the home of another family member who has ownership interest in the home.

For eligibility purposes, the SFHA shall count the welfare income of an elderly or disabled.

4. Successive and breaks of employment lasting for more than a thirty (30) day period shall be reviewed by the SFHA on a case by case basis.
5. The head of household must be a member of the Section 8 Family Self Sufficiency (FSS) program for a minimum period of at least one year, including the development

of an Individual Training and Service Plan, and are meeting the obligations of their FSS contract. Or the family may be a former member of the FSS program who has successfully completed the program. Upon re-entry, the family will not have to meet the minimum two year FSS requirement before they are allowed to enter the HOA program, but must have completed the development of their FSS Individual Training and Services Plan. The family will be required to meet all other obligations and pre requirements of the HOA program. Elderly and disabled persons are exempt from the requirement to participate in the FSS program, but are not prohibited from participation.

6. The family cannot include members who have defaulted on a mortgage obtained while in a HOA program. Any family that has previously defaulted on a mortgage obtained in the HOA program is permanently barred from participation in the HOA program.
7. The family is in “Good Standing” with the SFHA. Good Standing is defined as a family who does not have a debt with the SFHA or another Housing Authority. Before approval to enter the HOA program the family must re-pay all outstanding debts to the SFHA or other Housing Authority.
8. A family that has failed to establish a repayment agreement on a debt with the SFHA, or has failed to honor an established repayment agreement with the SFHA, or an other Housing Authority, shall be required to satisfy the debt before the family is allowed to enter the HOA program.
9. If a family is an existing member of the FSS program and develops a debt with the SFHA, the family shall not be allowed to enter the HOA program until it has paid the debt in full. If the debt is a result of fraudulent activity on the part of the family member who has executed an FSS Contract of Participation, the SFHA, the family will be terminated from the FSS program and forfeit any escrow saved.
10. An eligible Public Housing resident pursuant to appropriate authorization through an approved HUD grant that authorizes a Public Housing Family to participate in the Section 8 Homeownership Program. All other qualifying criteria applies to the Public Housing Family except FSS participation. However, upon acceptance, the families would be required to register with and participate in the Section 8 FSS program as a condition of HOA participation

21.2 SFHA HOA PROGRAM SIZE

The SFHA shall initially operate a HOA program of fifty-one to one hundred households, and shall increase the program size at its sole discretion. The program size shall not exceed five percent of the SFHA’s total tenant-based Housing Choice Vouchers.

Upon the death of a family member who holds, in whole or in part, title to the home or ownership of cooperative membership shares for the home, HOA assistance may continue pending settlement of the decedent's estate, notwithstanding transfer of the title by operation of the law to the decedent's executor or legal representative, so long as the home is solely occupied by remaining family members. If the family has executed a contract of sale and fails to complete the sale for reasons other than those beyond their control, such as not securing a loan, the home fails inspections, or the sellers' failure to meet the conditions outlined in the contract of sale, the family's HOA participation request may be withdrawn by the SFHA. If a withdrawal occurs, the family will be required to wait one year before it will be allowed to participate in the HOA program.

Finance Requirements and Loan Affordability

The family is responsible for securing their own loan financing for participation in the HOA program. All loans must comply with secondary mortgage market underwriting requirements. If the loan is financed with FHA mortgage insurance such financing is subject to FHA mortgage insurance requirements. The SFHA reserves the right to review lender qualifications, loan terms, or other debt to determine that the debt is affordable. The family must provide the SFHA with a copy of their loan documents for approval by the SFHA prior to an offer to purchase or execution of a contract of sale. The loan document must include the names of all persons that are party to the loan.

If a mortgage is not FHA insured, the SFHA will require the lender to comply with generally accepted mortgage underwriting standards consistent with those of HUD/FHA, Ginnie Mae, Fannie Mae, Freddie Mac, California Finance Agency (CFA), the Federal Home Loan Bank or other private lending institutions.

The family's loan finance terms must be approved by the SFHA prior to the close of escrow and before the family executes a contract of sale. The SFHA will determine the family's affordability of their finance terms, taking into account other family expenses

including, but not limited to, childcare, un-reimbursed medical expenses, transportation cost, education and training expenses.

21.15 LOAN RESTRICTIONS

The SFHA has identified that certain types of funding sources are considered high risk and could work towards the detriment of the family's successful participation in the HOA program. Following are some of the types of loans and financing that are not approved for use with the HOA program:

1. Balloon Payments.
2. Variable rate loans without a maximum ten percent interest rate cap.
3. Fixed rate loans with interest rates exceeding 10% percent.

- a. The loan terms are considered high risk, ie balloon payment,
- b. Includes a variable interest rate with a cap exceeding ten percent.
- c. The family income, combined with housing assistance, is insufficient to cover all housing costs.
- d. The loan or purchase contract has terms and conditions that are burdensome and inconsistent with the HOA program rules and objective.

In the event of an appeal of the decision by the family, the Leased Housing Administrator or his assignee will review the decision.

During the initial HOA program briefing the family will receive a list of certain types of loans that are not approved for use with the HOA program. However, in the event a family secures a loan type that has been categorized as "unapproved," the Housing Authority will take the following action:

1. The family will be issued a Notice of Loan Disapproval. The notice will state the reason for the disapproval, and inform the family that they must seek another type of financing.
2. The time between submission of the loan documents and the disapproval will not be counted against the family time to find a home under the HOA program.

21.18 SELECTING REALTORS AND AGENTS

The family shall be responsible for selecting their own real estate agents, inspectors and representatives. The SFHA will not direct a family to any specific sales representatives, lenders, mortgage companies or real estate agents.

The SFHA will maintain on site data/information about real estate lenders, sales agents, down-payment programs and more which the family may choose to use at their discretion. The SFHA has established the cooperation of the following public and private organizations, which the family may choose to use at their discretion:

3. Condominium;
4. Home under construction;
5. Cooperative;

- f. Single Room Occupancy Units.

The HOA may be utilized in two housing types

1. A unit owned by the family where one or more family members holds title to the home;
2. A cooperative unit where one or more family members hold membership shares in the cooperative.

21.20 HOME INSPECTIONS

Two kinds of physical inspections are required in the homeownership option in addition to and separate from any lender required inspections:

1. A Housing Quality Standard (HQS) inspection by the Housing Authority. The HQS inspection does not include an assessment of the adequacy and life span of the major building components, building systems, appliances and other structural components. However the inspection will indicate the current physical condition of the unit and any repairs necessary to ensure that the unit is safe and otherwise habitable.

2. An independent professional home inspection. The inspection must cover the major building systems, including the foundation, structure, plumbing, electrical and heating systems, the interior and exterior, and roof.

The home inspector cannot be an employee or contractor of the SFHA. The home inspector chosen by the family must be a member of the American Society of Home Inspectors (ASHI), the National Association of Home Inspectors (NAHI) or the American Association of Professional Home Inspectors (AAPHI). The SFHA shall maintain a database listing of membership for the ASHI, NAHI and the AAPHI for the family's use.

The home shall be inspected by the SFHA on an annual basis for the first two years of participation in the HOA program. Thereafter, no annual inspection will be completed by the SFHA.

The professional home inspection must be requested and paid for by the family and a copy of the inspection report must be provided to the SFHA

The sources of funds for family payment of the home inspection may be a source other than family savings.

21.20.1 REVIEW/APPROVAL AND DISAPPROVAL OF THE HOME INSPECTION REPORT

The SFHA will review the professional inspection report to determine whether repairs are necessary prior to purchase and to generally assess whether the purchase transaction makes sense in light of the overall condition of the home and the likely cost of repairs and capital expenditures.

If the Housing Authority HQS inspection report and the professional Inspector's report reveals that the home meets satisfactory standards and there are no deficiencies that cannot be corrected prior to sale, the SFHA shall take the following action:

1. Provide the family with a notice of inspection approval, and instruct the family to proceed with the home purchase process.

If the Housing Authority HQS inspection report and/or the Inspector's report reveals costly defects in the home, the SFHA shall take one or more of the following actions:

1. Review the report with the family to discuss whether it is feasible to have the necessary repairs completed prior to sale. If the family and the SFHA agree that such repairs would be feasible, the SFHA will outline those defects, as noted in the inspection reports that must be corrected prior to sale, within a specific time frame for correction. Upon correction of the defects, the SFHA will complete a follow-up HQS inspection. The family will be required to follow up with the

professional Inspector to review the corrections on their behalf. The family must provide the SFHA with a copy of the follow-up home inspection report.

2. Disapprove the unit for assistance because of the major physical problems and substantial correction cost and provide the family with a Notice of Disapproval. The notice will state the reason for the disapproval, and inform the family that they must withdraw their offer on the home and search for another home to purchase. The time period between the HQS inspection and the disapproval will not be counted against the family.
3. All defects and repairs must be completed at least two weeks prior to the purchase close date.

21.21 TERM OF HOMEOWNERSHIP ASSISTANCE

Except for elderly and disabled families, HOA assistance may only be paid for a maximum period of 15 years if the initial mortgage incurred to finance the purchase of the home has a term of twenty years or longer. In all other cases, the maximum term is ten years.

The maximum term for homeownership assistance does not apply to an elderly family or disabled family.

In the case of an elderly family, this exception is only applied if the family qualifies as an elderly family at the commencement of HOA.

In the case of a disabled family, the exception applies if at any time during receipt of home ownership assistance the family qualifies as a disabled family.

If, during the course of HOA, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date HOA commenced. However, such a family must be provided at least 6 months of HOA assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive Section 8 HOA).

The maximum term applies to any member of the family who:

1. Has an ownership interest in the unit.
2. Is the spouse of any member of the household.

21.22 AMOUNT AND DISTRIBUTION OF MONTHLY HOMEOWNERSHIP ASSISTANCE PAYMENTS

The family's Section 8 monthly home ownership assistance payment will be the lower of (1) the Section 8 voucher payment standard minus the Total Payment or (2) the monthly home owner expenses minus the Total Tenant Payment.

The payment standard for the family is the lower of

- (1) The payment standard for the family unit size; or
- (2) The payment standard for the size of the home

The payment standard is established at one of the following points:

1. Commencement of home ownership assistance for occupancy of the home; or
2. The most recent regular reexamination of the family income and composition since the commencement of home ownership assistance for occupancy of the home.

The SFHA does not establish a separate payment standard for assistance under the HOA.

Home ownership expenses include principal and interest on the mortgage debt, refinancing charges of the mortgage debt, taxes and public assessments, insurance, maintenance allowance expenses, majors repairs and replacements will be based on recommended allowances provided by a SFHA designee.

The monthly HOA payment will be made directly to the lender on behalf of the family. An exception to this provision will be made on a case by case basis, and will be approved only when direct lender payments have been determined to be unacceptable by the lender from whom the family has received their mortgage financing.

If the family's income increases to a level that it is no longer eligible to receive a home ownership assistance payment, eligibility for such payments will continue for 180 calendar days. At the end of a continuous period of 180 days without any assistance payments, eligibility for Home ownership assistance will automatically terminate.

21.23 DETERMINATION OF EXPENSES AND CREDITS

The amount of assistance shall be determined by the SFHA based on an adjusted voucher credit calculation in consideration of the following costs to the family:

- a. Principal and interest on the initial mortgage debt and any mortgage insurance premium incurred to finance purchase of the home and any refinance of such debt.
- b. Real estate taxes and public assessments on the home.
- c. Homeowners' insurance.
- d. The SFHA maintenance, major repairs and replacements allowance schedule.
- e. The SFHA utility allowance schedule.

Home ownership expenses for a cooperative member will include:

1. The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home.
2. Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt or other mortgage debts.
3. Homeowners' insurance

4. SFHA allowance for maintenance expenses, including major repairs and replacement
5. The SFHA utility allowance schedule.

21.24 COOPERATIVE MEMBERS

The SFHA may provide HOA to a family who is a member of a cooperative and who owns or is acquiring membership shares in the cooperative.

A cooperative is defined as: Housing owned by a nonprofit corporation or association, and where a member of the corporation or association has the right to reside in a particular apartment, and to participate in the management of the housing.

A cooperative member is defined as: A family of which one or more members owns membership shares in a cooperative.

Memberships shares is defined as: Shares in a cooperative. By owning such cooperative shares, the share owner has the right to reside in a particular apartment in the cooperative, and the right to participate in management of the housing.

The cooperative member must meet the basic minimum eligibility criteria established by the SFHA, including minimum income and employment requirements for at least one or more of the family members that owns or is acquiring membership shares.

The SFHA shall require an HQS inspection prior to commencement of HOA assistance. If the unit fails inspection, the SFHA will employ its standard inspection follow up procedures related to the HOA program. (See inspections). A cooperative member is exempt from therequirement to obtain a professional home inspection.

The SFHA shall make HOA payments directly to the cooperative on behalf of the cooperative member.

The cooperative family is not required to maintain continued affordability for lower income families after transfer of the members' interest.

All other requirements, policies and procedures of the HOA program shall apply to cooperative members.

21.25 RECAPTURE

The SFHA will recapture a percentage of the homeownership assistance upon the sale or refinancing of the home. Proceeds invested in the purchase of another home are exempt from recapture. At the time of purchase, the family must execute documentation that secures SFHA's right to recapture the homeownership assistance. The lien securing the recapture may be subordinated to a refinance agreement or silent loan down-payment

assistance. The amount of home ownership assistance subject to recapture shall automatically be reduced in increments of ten percent per year, over a ten year period.

In the case of the sale of the home the recapture shall be in an amount equaling the lesser of:

1. The amount of home ownership assistance provided to the family adjusted to reflect the automatic reduction; or
2. The difference between the sales price and the purchase price of the home minus:
 - a) The cost of any capital expenditures.
 - b) The cost incurred by the family in the sale of the home, such as sales commission and closing costs;
 - c) The amount of the difference between the sales price and purchase price that is being used, upon sale, toward the purchase of a new home under the HOA; and
 - d) Any amounts they have previously recaptured.

21.25.1 RECAPTURED AMOUNT FOR REFINANCING

In the case of refinancing, the recaptured amount shall be an amount equaling the lesser of:

1. The amount of homeownership assistance provided to the family-adjusted to reflect the automatic reduction; or
2. The difference between the current mortgage debt and the new mortgage debt minus:
 - a) The cost of capital expenditures;
 - b) The cost incurred by the family in the refinancing of the home, such as closing costs; and
 - c) Any amounts that have been previously recaptured as a result of refinancing.

21.25.2 USE OF SALE PRICE IN DETERMINING RECAPTURED AMOUNT

The recaptured amount shall be determined using the actual sales price of the home, unless the sale is for an identity-of-interest transaction. The SFHA shall establish a sale price based on the fair market value.

21.26 LEASE –PURCHASE AGREEMENT

HOA assistance may be provided to a family that previously occupied a unit under a lease-purchase agreement. A lease-purchase agreement is a lease/rental agreement between a property owner and a tenant with the objective of the tenant to purchase/take title to the leased/rented property by a specified time. In most cases, the monthly rent includes an amount referred to as a homeownership premium, which is an increment of value attributable to the value of the lease purchase right or agreement such as an extra monthly payment to accumulate a down-payment or reduce the purchase price.

If a family who holds a Section 8 voucher, or is currently receiving rental assistance under the Section 8 rental assistance program would like to enter into a lease-purchase agreement with the property owner, the family may do so. However, the family will not be subject to the HOA regulatory requirements until the family is ready to exercise the HOA program option. At that time the SFHA will determine if the family is eligible for HOA program.

Lease purchase agreements are considered rental, and all the normal tenant-based Section 8 rental rules are applicable. Therefore, the SFHA will not make a housing assistance payment for a lease-purchase unit that may exceed the amount that would be paid on behalf of the family if the rental unit were not subject to a lease-purchase agreement.

Any homeownership premium, or extra monthly payment towards a down payment related to the lease-purchase agreement must be absorbed by the family. Families are permitted to pay any extra amount out of pocket to the owner for purchase-related expenses. Therefore, when the SFHA determines whether or not the rent on a lease-purchase agreement is reasonable, any homeowner premium is excluded.

The family must meet all of the initial HOA program eligibility criteria before being approved to enter the HOA program. Therefore, if the family purchases or takes title to the home before receiving approval to participate in the HOA program, the family will be determined ineligible to participate in the HOA.

When a family who has leased a unit under a lease-purchase agreement is approved for participation in the HOA program, and chooses to exercise the HOA program for that unit, the family must complete the following:

- a) Meet all initial eligibility criteria for participation in the HOA program.
- b) Complete homeownership counseling.
- c) Secure mortgage financing and obtain approval of the finance terms by the SFHA.
- d) Arrange for an independent professional home inspection and provide the SFHA with a copy of the inspection report.

Upon approval to enter into the HOA program, the lease/purchase family will be processed pursuant to the established HOA procedures outlined in this plan.

21.27 PORTABILITY

A family that is determined eligible for homeownership assistance may opt to exercise their right of portability under the HOA program to an area outside of the SFHA's jurisdiction if the receiving PHA is administering an HOA program and is accepting new families into their HOA program.

The receiving PHA may absorb the HOA program family or bill the SFHA for the HOA program assistance using the normal portability billing process.

When moving to another county, a family must adhere to the receiving PHA's administrative policies. The family is required to attend a briefing and counseling sessions required by the receiving PHA. The receiving PHA, not the SFHA will determine whether the financing for and the physical condition of the unit are acceptable.

A family cannot exercise portability to a county that does not have an HOA program, or is not accepting new participants.

When a family decides to exercise portability the SFHA will take the following steps:

- a. Contact the receiving PHA to determine if it is operating an HOA program and if they are accepting new participants. If the receiving PHA does have a HOA program and they are accepting new participants, the SFHA will complete the following task:
 1. Notify the family that the receiving PHA does have a HOA program and is accepting new participant.
 2. Complete a review and verification of all family income, and request recent documentation to verify such income.
 3. Submit a letter of portability to the receiving PHA; copies of family data including documentation of all sources of income, copies of social security cards, birth certificates, bank statements and other necessary information needed to assist the receiving PHA in determining the family's HOA assistance amount.
 4. Submit to the receiving PHA a copy of the family's 50058 family summary report
 5. Submit a letter of intent to the receiving PHA of their intent to absorb the family or bill the SFHA
 6. Establish an account with the receiving PHA if a determination is made that they will not absorb the family into their HOA program.

21.28 MOVING WITH CONTINUED HOA ASSISTANCE

If a family chooses to move to another home with continued assistance from the HOA program, they must meet the statutory employment and minimum income requirements. If a family cannot meet the statutory employment and minimum income requirements, the family will be denied permission to move with continued HOA assistance.

21.29 SFHA DENIALS TO MOVE WITH CONTINUED ASSISTANCE

The SFHA may exercise the right to deny a family continued assistance when it relocates for one or more of the following reasons:

- a. Lack of funding: The SFHA may deny permission to move with continued voucher assistance if the SFHA does not sufficient funding to provide continued assistance.
- b. If a family has not met its family obligation as outlined in the HOA program Statement of Family Obligation.
- c. If the family has committed fraud in connection with the HOA program.
- d. If the family has defaulted on a FHA insured mortgage, they will not be able to receive rental assistance, but may re-apply to the Section 8 program. The SFHA, will deny the family permission to move with continued voucher assistance unless the family demonstrates:
 1. The family has conveyed title to the home, as required by HUD, to HUD or to HUD's designee; and
 2. The family has moved from the home within the period established or approved by HUD and/or the SFHA.

21.30 SWITCHING FROM HOA TO RENTAL ASSISTANCE:

The SFHA may allow a family to switch from the HOA program to the Section 8 Rental Assistance Program. The family must meet the following criteria for determination of transfer:

- a. The family has not defaulted on a loan with the HOA program
- b. The family has met all of its obligations while participating in the HOA program.
- c. The family vacates the home and conveys the title to the appropriate designee or representative. The family must sign a Conveyance Acknowledgement Notice, indicating the requirement to completely transfer and convey the property, and failure to do so will result in termination of their rental assistance if such assistance has commenced.

If the family is approved for transfer from the HOA program to rental assistance, the SFHA will issue the family a rental voucher, and the family will complete the normal voucher home search process. During the period the family is searching for a rental unit, and, if no mortgage default has occurred, the SFHA will continue to provide the family with HOA.

If the family fails to transfer or convey the property, the SFHA will not provide the family with rental assistance. If a rental assistance lease has commenced, the SFHA will terminate the family's Section 8 Voucher and rental assistance payments.

A family member who owns an interest in the home cannot split and receive both HOA assistance and rental assistance concurrently. Other family members must apply to the Section 8 wait list.

21.31 SFHA DENIALS TO PARTICIPATE IN THE HOA PROGRAM

The SFHA reserves the right to deny or terminate the assistance for the family, and will deny voucher rental assistance for the family, in accordance with HUD regulations governing any failure to comply with the family obligations, mortgage default, failure to demonstrate that the family has conveyed title to the home as required, or if the family has moved from the home within the period established or approved. A family may be denied participation in the HOA program for the following reasons:

1. It does not meet the minimum employment and income requirements.
2. They family has defaulted on a loan with the HOA program.
3. The family is not complying with their family obligation on the Section 8 rental assistance program.
4. The Family has committed fraud in connection with the Section 8 rental assistance program.
5. The family has an outstanding debt with the SFHA or another Housing Authority.

21.32 TERMINATIONS

The SFHA may terminate a family from the HOA program for one or more of the following reasons:

1. The family has defaulted on a loan with the HOA program.
2. The family has not complied with the requirements of the HOA program, and have failed to maintain their family obligations as required.
3. The family has committed fraud in connection with the HOA program.
4. The family has committed fraud in connection with the FSS Program.
5. If the family moves from the home without prior consent of the SFHA.
6. The family request to be withdrawn from the HOA program.
7. The family moves outside of the jurisdiction of the SFHA, and has entered the HOA program of another Housing Authority.
8. A family member engages in violent or criminal activity or uses the home for illegal, illicit or immoral purposes.
9. In accordance with HUD requirements.

If the SFHA proposes to terminate a family's HOA, the family has the right to request an Informal Hearing to appeal the decision to terminate, as outlined in this administrative plan. (See Informal hearings)

21.33 INFORMAL HEARINGS

The SFHA will provide the opportunity for an informal hearing to program participants who are being terminated from the program because of the family's action/failure to act. The SFHA will send the family a written notice outlining the reasons for the decision to terminate, including notification that the family may request an informal hearing within

fourteen days from the date of the notice. Assistance to the family will continue until all appeal and hearing processes have been completed.

When a participant requests a hearing, the SFHA will schedule the hearing promptly and notify the participant of the date and time of the hearing. Prior to the hearing the family will be given the opportunity to review their file and any documents that were instrumental in the decision to terminate their assistance. The family may request copies of documents relating to the termination and will be required to pay the SFHA a nominal fee for such copies. The SFHA must be given the same opportunity to examine any family documents that are directly related to the hearing and to copy them at its own expense.

A hearing Officer designated by the SFHA will conduct the hearing. This person will be someone other than the person who made the decision to terminate, or that supervises the person who made the decision. The family may retain a lawyer or other representative, at their own expense. The family will be given the opportunity to present evidence and to question any witness. The hearing officer will issue a written decision within 30 days, stating the reasons for the decision.

21.34 STATEMENT OF NON DISCRMINATION

The SFHA will administer and operate the Home Ownership Assistance Program without regard to race, religion, color, or creed, sex or sexual orientation, family status or national origin. Reasonable conveniences will be afforded to any person with disabilities, that otherwise qualify for the program; provided that such assistance does not cause undo financial and/or administrative burdens to the SFHA.

The SFHA will administer the Home Ownership Assistance Program in accordance with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973 and current statutory and regulatory rules governing Section 8 Programs.

22.0 MISCELLANEOUS

22.1 SPECIAL PURPOSE FUNDING

Occasionally, HUD will provide Section 8 voucher funding for a specific purpose. The SFHA has received allocations of special funding for the following categories:

- Homeless/Robert Wood Johnson

This was a demonstration program for homeless families which is no longer active. However families admitted under this program continue to receive Section 8 subsidies. No new families shall be admitted.

- Aftercare Program

This is a formerly State-run Program targeted to senior and disabled families who are receiving support services which enable families to work towards independent living. Applicants are referred from community based agencies who provide services to the applicants and have executed Memorandums of Understanding with the SFHA.

The SFHA maintains a separate waiting list for these applicants pursuant to the regulatory agreement executed by the State of California to establish the Aftercare subsidy program at the local jurisdiction with the same guarantees and restrictions that existed for the State-run Aftercare Program.

Selection from the waiting list is based on date and time of application. The Aftercare Program has 195 subsidies set aside for housing families from this waiting list. MOUs are currently in place with the following agencies:

- Goldman Institute on Aging
 - Golden Gate Regional Center
 - State Department of Rehabilitation/Community Mental Health Services
 - Independent Living Resource Center
 - Department of Human Services Adult Services-In Home Support Services
- Earthquake Victims

As a result of the Loma Prieta Earthquake of 1989, HUD issued a special set aside for subsidies targeted to families who were displaced by the Loma Prieta Earthquake. These units are located in the Senator Hotel, the Ritz Hotel, Iroquois Hotel, and South Park Residence. These units, primarily Single Room Occupancy (SRO) units, are filled by separate waiting lists permitted under the Moderate Rehabilitation Single Room Occupancy Program. Applications are accepted by Community Housing Partnership, TNDC, and Caritas Management Corporation at set locations, dates and times. When vacancies come available, the owners of these sites refer the next qualified candidate to the SFHA for Eligibility determination and certification.

Applications can be submitted to the following locations when open:

Generally, when special funding is provided by HUD, instructions will be issued on the initial and subsequent use of the funding. The SFHA will administer the special funding in accordance with the HUD instructions.

22.2 FUNDS ISSUED TO FAMILIES LIVING IN A SPECIFIC PROJECT OR DEVELOPMENT

HUD may issue vouchers to relocate families living in a Public or Assisted Housing project or development. These families must apply under the Section 8 programs, but since the purpose of the funding is for targeted families living in a specific project, and who qualify for special consideration e.g., priority transfers, the families need not be placed on the Section 8 waiting list. These families will qualify for immediate assistance as special admissions under 24 CFR 982.203 *Special admission (non-waiting list): Assistance targeted by HUD*. Examples of this type of assistance include the Geneva Towers relocation and the HOPE VI Relocation.

22.3 ASSISTING FAMILIES EXPERIENCING ILEGAL DISCRIMINATION

It is the policy of the SFHA to comply fully with all federal, state and local anti-discrimination laws. The SFHA will not discriminate against any individual or family because of race, color, creed, national or ethnic origin or ancestry, religion, sex, sexual preference, age, disability, handicap, military status, source of income, marital status, presence of children in a household, or because an individual has or is suspected of having Acquired Immune Deficiency Syndrome (AIDS).

During briefing sessions, families are provided with a HUD brochure, Fair Housing- It's Your Right, and a form HUD-903, Housing Discrimination Complaint. If an applicant or participation requests assistance, the SFHA will provide help in completing this form and forwarded it to the California State HUD Office of Fair Housing and Equal Opportunity.

For complaints involving state and local laws, the SFHA will refer the applicant or participant to the appropriate state or city offices. If available, the SFHA will provide forms for filing discrimination complaints to state or city offices.

22.4 FAMILY BREAK-UPS

In the event of a family break-up by divorce or legal separation, the SFHA will determine which of the remaining family members will continue to receive the Section 8 voucher. The SFHA determination will be made based on the following priorities:

1. Mutual agreement of the family members. All adult family members must sign a mutual agreement form
2. A court stipulated determination of which household retains the assistance
3. The interest of minor children or of ill, elderly or disabled family members

4. The interest of family members who are victims of actual or threatened physical violence directed against a family member by a spouse or other member of the applicant household. Certification from the local police department, a social service agency, court of proper jurisdiction, or clergy, physician or facility that provides shelter or counseling to the victims of domestic violence will be required to verify the domestic violence
5. The continued use of the assistance in the current unit
6. Head-of-household.

The family must notify the SFHA, in writing, within 14 days of the action causing the break-up and request a determination of the assignment of the assistance. The SFHA may schedule a meeting with the family members to discuss the assignment.

If the family breaks-up only one Section 8 assistance will continue to be paid. Additional Section 8 vouchers will not be issued to accommodate the other family members. However, the other family members may apply for assistance in accordance with the provisions of part A of this Admin Plan.

22.5 SPLIT HOUSEHOLDS PRIOR TO VOUCHER ISSUANCE

When a family on the waiting list splits into two otherwise eligible families due to divorce or legal separation, and the new families both claim the same placement on the waiting list, and there is no court determination, the HA will make the decision taking into consideration the following factors:

1. Which family member applied as head of household
2. Which family unit retains the children or any disabled or elderly members
3. Restrictions that were in place at the time the family applied
4. Role of domestic violence in the split
5. Recommendations of social service agencies or qualified professionals such as children's protective services.

Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by the HA.

In cases where domestic violence played a role, the standard used for verification will be the same as that required for the "displaced due to domestic violence" preference.

22.6 MULTIPLE FAMILIES IN THE SAME HOUSEHOLD

When families apply which consist of two families living together, (such as a mother and father, and a daughter with her own husband or children), if they apply as a family unit,

they will be treated as a family unit.

22.7 JOINT CUSTODY OF CHILDREN

Children who are subject to a joint custody agreement but live with one parent at least 51% of the time will be considered members of the household. “51% of the time” is defined as 183 days of the year, which do not have to run consecutively.

When both parents are on the Waiting List and both are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

23.0 REPAYMENT AGREEMENTS

Section 8 participants may incur debts to the SFHA as a result of failure to accurately report income and family composition, for charges due under the lease that are paid by the SFHA and, under the certificate program, payments for units vacated in violation of the lease. Section 8 landlords may also incur a liability as a result of overpayment of HAP. The SFHA may, at its sole discretion, initiate a termination action, require repayment in a lump sum or allow the debtor to execute a promissory note to repay the debt over a period of time. The SFHA will take into consideration the amounts owed and the likelihood that the debtor will repay the debt before approving a repayment plan.

23.1 PARTICIPANTS

When a debt from a participant is established, the SFHA will determine whether there are other outstanding repayment agreements. If there are and the participant is not current on all payments, the SFHA will not execute a new repayment agreement. The participant will be required to pay the debt in full in order to continue to receive assistance from the SFHA. If there are no outstanding repayment agreements or if an agreement exists, the participant is current on all payments and the participant has adequate resources, the SFHA will allow the participant to enter into a promissory note to repay the new debt. The SFHA will require repayment over a twelve month period, with an initial payment of no less than 25 percent of the amount owed and eleven additional monthly payments over the remaining period. For debts in excess of \$1,000, the SFHA will consider a repayment agreement term of eighteen months, with an initial payment of no less than 25 percent of the amount owed and seventeen additional monthly payments over the remaining period. The promissory note will specify the amounts and due dates of the payments.

Participants are expected to make all payments on a timely basis as indicated on the Promissory Note unless prior arrangements are made with the SFHA due to circumstances beyond the control of the participant. Upon the failure of the participant to make a payment, the SFHA will send a reminder notice requesting payment within five calendar days. If there is no response or a second payment is missed, the SFHA may send a letter demanding full payment of the outstanding amount. If a full payment is not received, the SFHA may initiate a termination of assistance action. The SFHA may periodically employ a collection agency to collect debts from terminated participants.

23.2 APPLICANTS

Applicants who owe money to any SFHA housing program or to any other Public Housing Agency (PHAs) will be required to repay the amount in full prior to receiving a voucher.

23.3 OWNERS/LANDLORDS

In situations where a contract is not canceled in the system on a timely basis, the owner may receive HAPs for periods for which he or she are not entitled. This results in amounts that are due back to the SFHA.

If the landlord has a current contract in the system, an entry will be made in the system to adjust the overpayment against subsequent HAPs, provided that the amount of overpayment can be repaid within two months. However, if the amount will take longer than two months to repay, or if the overpayment cannot be offset against subsequent HAPs, an invoice will be generated to the landlord with the amount due to the Housing Authority immediately.

23.4 OWNERS AND FAMILY DEBTS

This section discusses SFHA's policies regarding the collection of debts from owners and families, specifically the assessment of debts and method of recovering monies owed to the SFHA.

Assessment of Debt:

The SFHA shall obtain documentation and related information to support the debt. The SFHA will conduct an analysis of the debt for accuracy and the method of calculation of the amount due in a clear format.

Method of Recovering Debts:

The SFHA will make every effort to collect outstanding debts including the following means:

- Adjustment of overpayment against subsequent HAPs for current owners(s).
- Balance Due Notice for a lump-sum payment or execution of a promissory note.
- Second notice
- Final notice
- Legal Action
- Use of collection Agencies
- Credit bureau

SECTION 8 PBV ADMINISTRATIVE PLAN- INITIAL GUIDANCE

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the San Francisco Housing Authority (SFHA) to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the ground of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the SFHA housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the SFHA will provide Federal/State/local information to applicants for and participants in the Section 8 Project-Based Voucher (PBV) Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the SFHA office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The SFHA will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The SFHA will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the SFHA PBV program and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the SFHA will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the SFHA will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

SFHA policies for implementation of reasonable accommodations as outlined in Section 1.3 and 1.4 of the Section 8 Program Administrative Plan apply to the PBV Program.

1.3 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND PARTICIPANTS

1.6 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

In accordance with State and Federal Constitutional protections, the SFHA will respect the privacy of information relating to applicants, participants, and tenants in SFHA programs. Accordingly, personal information is deemed private and confidential and will be released only by authorization of the SFHA PBV Administrator and written consent of the affected party or by court subpoena.

The family must promptly inform the SFHA of the birth, adoption or court-awarded custody of a child. The family must request approval from the SFHA to add any other family member as an occupant of the unit. 7. The family must not assign the lease or transfer the unit.

H. Absence from the Unit

The family must supply any information or certification requested by the SFHA to verify that the family is living in the unit, or relating to family absence from the unit, including any SFHA requested information or certification on the purposes of family absences. The family must cooperate with the SFHA for this purpose. The family must promptly notify the SFHA of its absence from the unit.

Absence means that no member of the family is residing in the unit. The family may be absent from the unit for up to 30 days. The family must request permission from the SFHA for absences exceeding 30 days. The SFHA will make a determination within 5 business days of the request. An authorized absence may not exceed 180 days. Any family absent for more than 30 days without authorization will be terminated from the PBV program.

3.0 ELIGIBILITY FOR ADMISSION

3.1 INTRODUCTION

There are five eligibility requirements for admission to Section 8 PBV Programs – must qualify as a family, must have an income within the income limits, must meet citizenship/eligible immigrant criteria, must provide documentation to verify you have Social Security Numbers for all household members, and sign consent authorization documents. In addition to the eligibility criteria, families must also meet the SFHA screening criteria in order to be admitted to the Section 8 PBV Program.

For the purposes of determining eligibility for the Section 8 PBV Program, Section 3.2 of the Section 8 Administrative Plan shall apply.

4.0 ADMINISTRATION OF WAITING LIST

4.1 OPENING THE WAITING LIST

The Project-Based Program waiting list shall be the same as the waiting list for the Existing Section 8 Program. All applicants assisted under the PBV Program must come from the Section 8 wait list except in the following cases: The allocation of subsidies to units under the Project-Based Program which were dedicated to applicants who were Clean and Sober. The Clean and Sober units are located at 480 Ellis Street, 425 Eddy Street, 2973-77 26th Street and 1221-23 Cortland Avenue. Referrals to these PBV units are required to be no more than 60 days out of treatment and could document 90 days sobriety (180 days for families). After initial lease up, because the referrals to these units need to have current Clean and Sober status, the waiting list shall be left open to enable newly vacant units to receive eligible applicants. Due to the requirement that applicants could not be more than 60 days out of treatment, referrals to the list are only made at the time a vacancy is known to be imminent. Eligible applicants should apply to the Ozanom Center, a detoxification center for substance abusers located at 1175 Howard Street, to submit an application and be placed on a waiting list. No more than fifteen names are

maintained on the list at any given time. Clean and Sober Service Providers make referrals to the participating sites and, once accepted for suitability, are referred to the SFHA for Eligibility determination. In addition, in-place tenants of approved PBV units can be referred to the wait list by the owner of the project for assistance in order to prevent displacement of the tenant due to PBV activity. In addition, owners may refer families to the Section 8 wait list for assistance in their PBV units after no referrals have been made to the owner by the SFHA for 60 days.

Other applications for the Section 8 PBV Program may be made pursuant to any stated format in advertisements published pursuant to section 5.2 below.

The SFHA will accept pre-applications for placement on the waiting list at which time the applicant will self-declare their eligibility based on the eligibility requirements noted in the published announcement of the opening of the waiting list. Just prior to Certification, applicants will be required to complete an application for final eligibility determination whereby the SFHA staff will verify all income, assets and the preferences declared by the applicant during the pre-application stage.

Pre-applications will be accepted during the advertised periods of enrollment. These enrollment periods are determined based upon the need for the SFHA to augment its Section 8 PBV waiting list so that the SFHA will have a sufficient number of applicants to maintain an adequate level of occupancy.

4.2 APPLICATION PROCESS

The SFHA will take pre-applications pursuant to a public advertisement. Pre-application intake will be announced to the public in advertisements run once a week for three consecutive weeks. Advertisements will be placed in the following:

- San Francisco Chronicle/Examiner
- Minority-owned and foreign language newspapers
- Posting in the lobby of the SFHA office at 440 Turk Street and the Leased Housing Division office.
- Posting in offices of the Public Housing developments of the SFHA
- Radio and television stations (if possible) in order to inform the visually impaired
- Notices circulated for posting at social service agencies, community centers and Bay Area Public Housing Agencies.

The advertisement will inform interested parties of the pre-application system to be used by the SFHA; the dates, times and locations pre-applications can be obtained; the

deadline date, method and location for submitting the pre-applications and basic eligibility requirements.

4.3 RANKING METHOD

Pre-applications will be selected from the total applicant pool by random lottery and ranked on the waiting list by preference category. The pre-application will ask applicants to designate which priority category they believe they will qualify for. Pre-applications will be sorted in each preference category by date and time of application and a list generated in rank order.

In limited, targeted outreach, the SFHA reserves the right to rank pre-applications in order of date and time received in lieu of conducting a random lottery to determine the applicants' places on the waiting list.

Each applicant will be provided with a description of all SFHA preferences and will be required to self-certify, at the time of pre-application, whether the household qualifies for a preference. Selection from the Section 8 PBV waiting list will be based on pre-applicant self-certification. At the time of final eligibility determination, SFHA applicants will be required to certify to all information they provide to SFHA and to sign verification forms permitting the release of information from verifying agencies, including the Authorization to Release Information/Privacy Act Notice form which is a general release form. Documentation of all verifications will be placed in the applicant/participant file.

Family income and assets and all factors related to eligibility must be verified, including preferences and immigration eligibility. Verifications must be completed before an applicant will be Certified for participation in the PBV Program except as provided by Section 214 of the Housing and Community Development Act of 1980 regarding verification of Immigration Status. SFHA will use third party verification whenever possible. This will include mailing forms directly to the third party and having them mailed back to SFHA. If third party written verification is not possible, SFHA will review documents brought in by applicants/current participants or obtain oral verification with the third party by phone, documenting name, department, position, date of verification and other pertinent information. If there are no documents, SFHA may use a notarized applicant certification for verification.

If the priority category changes for any reason, the applicant will be placed at the end of the proper preference category.

4.4 CLOSING OF THE WAITING LIST

The advertisement opening the waiting list will also specify when the period for submitting pre-applications will end. A notice will be posted in the lobby of the main office of the SFHA (440 Turk Street) and the Leased Housing Division office advising

interested parties that the SFHA is not accepting pre-applications for the Section 8 Program.

5.0 SELECTION FROM THE WAITING LIST

5.1 PREFERENCES

In accordance with the Quality Housing and Work Responsibility Act of 1998, SFHA will administer its Section 8 PBV program so that the following Income Targeting objectives are achieved for the period from April 1, 1999 through September 30, 2000, and for each fiscal year thereafter:

- Not less than 75% of new admissions to project-based Section 8 assistance programs must have incomes at or below 30 % of the area median income.
- The remainder of new admissions to project-based Section 8 assistance programs must have incomes at or below 80% of the area median.]

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income, the SFHA retains the right to skip higher income families on the waiting list to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

However, despite all preference categories listed below, in-place tenants of PBV units and families referred by owners of PBV units shall have priority to remain housed in their units at the end of the rehabilitation period or be referred to a vacant PBV unit for which no applicant has been referred by the SFHA within 60 days of the vacancy period.

The SFHA has adopted the Federal Preferences as Local Preferences in administering its assisted housing programs. [If Federal Preferences are required, the SFHA local preferences are to be considered ranking preferences.]

The SFHA employs the following system of local preferences in administering its wait list. The local preferences consist of:

2. INVOLUNTARY DISPLACEMENT:

An applicant is or will be involuntarily displaced if the applicant has vacated or will have to vacate his or her housing unit as a result of one or more of the following actions:

Natural Disaster: a disaster such as a fire, flood or earthquake that resulted in the uninhabitability of the applicant's unit.

Domestic Violence: an applicant who has vacated due to actual or threatened physical violence directed against the applicant or one or more members of the applicant's family by a spouse or other household member, who lives in housing with an individual who engages in such violence.

Government Action: an action of a government agency related to code enforcement or public improvement or development.

Landlord Action: an action by a housing owner that results in an applicant's having to vacate his or her unit, where the reason for the owner's action was beyond the applicant's ability to control or prevent, and despite the applicant having met all previously imposed conditions of occupancy, and the action is other than a rent increase.

2. SUBSTANDARD HOUSING:

Homeless: An applicant who is a "homeless family" shall be considered to be living in substandard housing if the individual or family:

Lacks a fixed regular, and adequate nighttime residence; and

Has a primary residence that is:

A supervised publicly or privately operated shelter designed to provide temporary living accommodations, (including welfare hotels, congregate shelters, and transitional housing for the mentally ill); or

An institution that provides a temporary residence for individuals intended to be institutionalized; or

A public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings.

A "homeless family" does not include any individual imprisoned or otherwise detained pursuant to state or federal law.

Non-Homeless: A non-homeless family is living in substandard housing if their present unit meets any of the following criteria: it is "dilapidated;" it does not have operable indoor plumbing; it does not have a usable flush toilet and a usable bathtub or shower inside the unit for the exclusive use of the family; it does not have electricity, or has inadequate or unsafe electrical service; it does not have a safe or adequate source of heat;

it should, but does not have a kitchen, or it has been declared unfit for habitation by a government agency. A housing unit is "dilapidated" if it does not provide safe and adequate shelter, and in its present condition endangers the health, safety, or well-being of a family or it has one or more critical defects or a combination of intermediate defects in sufficient number or extent to require considerable repair or rebuilding. The defects may have resulted from the original construction, or from continued neglect or lack of repair, or from serious damage to the structure.

3. PAYING MORE THAN 50% OF INCOME FOR HOUSING:

An applicant shall qualify for this federal preference if the family is paying more than 50 percent of the total family income for rent. However, an applicant may not qualify for a preference under this section if the applicant is paying more than 50 percent of family income to rent a unit because his or her housing assistance under the public housing, Section 8 program, or any program under the Housing and Urban Development Act of 1965 with respect to that unit has been terminated as a result of the applicant's refusal to comply with applicable program policies and procedures with respect to the occupancy of under-occupied and overcrowded units.

The SFHA will weigh each local preference equally. That is, an applicant that meets the federal definition of any or all of the local preferences will receive an equal priority. Specific applicant preference procedures, definitions and requirements not covered in this policy shall follow the HUD regulations found at 24 CFR Part 5, as amended from time to time.

The SFHA has adopted the following as secondary local preferences:

4. Residency status: A family is considered a "resident" of the City and County of San Francisco, if (a) they live in San Francisco or (b) the head of household or spouse is employed or has been notified that he/she has been hired to work in San Francisco. The Family must submit documentation that provides a current address of residency or employment and sign a waiver to permit the SFHA to verify the address.
5. Veterans status: A member of the United States Armed Forces honorable discharged from service or currently listed and is the head of house hold or spouse of the applicant family. Verification will be provided by the Veterans Administration.
6. Welfare to Work Participants in good standing with their obligations to the Welfare to Work Program.

5.2 ORDER OF SELECTION

The SFHA will rank and admit applicants from the waiting list in accordance with the following priority categories:

Level of Priority	Category One	Category Two	Category Three	Category Four
1	Local Preference	Resident	Veteran	Welfare to Work
2	Local Preference	Resident	Veteran	Non-Welfare to Work
3	Local Preference	Resident	Non-Veteran	Welfare to Work
4	Local Preference	Resident	Non-Veteran	Non-Welfare to Work
5	Local Preference	Non-Resident	Veteran	Welfare to Work
6	Local Preference	Non-Resident	Veteran	Non-Welfare to Work
7	Local Preference	Non-Resident	Non-Veteran	Welfare to Work
8	Local Preference	Non-Resident	Non-Veteran	Non-Welfare to Work
9	No Local Preference	Resident	Veteran	Welfare to Work
10	No Local Preference	Resident	Veteran	Non-Welfare to Work
11	No Local Preference	Resident	Non-Veteran	Welfare to Work
12	No Local Preference	Resident	Non-Veteran	Non-Welfare to Work
13	No Local Preference	Non-Resident	Veteran	Welfare to Work
14	No Local Preference	Non-Resident	Veteran	Non-Welfare to Work
15	No Local Preference	Non-Resident	Non-Veteran	Welfare to Work
16	No Local Preference	Non-Resident	Non-Veteran	Non-Welfare to Work

Units shall be filled in the order indicated above. Applicants at the top of the list will be notified of a vacancy and asked to participate in the PBV Program. If they refuse or do not respond, the next applicant is contacted, and so on. If at any time the waiting list does not contain a sufficient number of preference applications, the PBV referrals will be made to non-Local preference eligible applicants without regard to Preference Status.

Notwithstanding the selection process indicated above, in-place tenants of PBV units and families referred by owners of PBV units shall have priority to remain housed in their units at the end of the rehabilitation period or be referred to a vacant PBV unit for which no applicant has been referred by the SFHA within 60 days of the vacancy period.

Moreover, for units rehabilitated or constructed with HOPWA capital funding, the SFHA may skip down the wait list to offer PBV assistance to households on the Section 8 wait list who have a family member who has been diagnosed with disabling HIV or AIDS and interested in the PBV assistance.

5.3 PROCEDURES FOR REMOVING NAMES FROM THE WAITING LIST

The SFHA will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses **more than three** scheduled appointments; or
- C. The applicant does not meet either the eligibility or screening criteria for the program.

5.4 UPDATING OF THE WAITING LIST

In order to ensure the waiting list is accurate and current, the SFHA will update the waiting list periodically, but no more than annually, by requesting each household to submit a revised pre-application form. The following guidelines will govern update procedures:

- The SFHA will mail an update request letter and a blank pre-application form to each household on the waiting list.
- The request will be mailed to the applicant's last known address. Applicants will be advised in the eligibility letter of their responsibility to notify the SFHA, in writing, of any address changes. If the applicant fails to notify the SFHA of an address change, the SFHA accepts no responsibility for the applicant's failure to receive the update request.
- The update request letter will include a deadline date by which applicants must return the pre-application and will specify return by mail or in person. The letter will inform the applicant that if the SFHA fails to receive the updated pre-application form by the deadline date, the applicant's name will be removed from the waiting list.
- Applicants will be given a reasonable time to complete and return the updated pre-applications, generally not less than 14 calendar days.

- The SFHA accepts no responsibility for delays created by the United States Postal Service.
- The SFHA will make reasonable accommodations for the special needs of disabled applicants if the SFHA has been made aware of those needs.
- The SFHA will acknowledge all updated pre-applications received, in writing, to each applicant which will include a determination of eligibility, ineligibility or change in preference status.

5.5 REFUSAL TO LIST AN APPLICANT OR REMOVAL OF AN APPLICANT FOR SPECIFIC GROUNDS

The SFHA may deny listing an applicant on the waiting list, remove an applicant from the waiting list, deny or withdraw an offer of housing to an applicant pursuant to section 5.7 of the Section 8 Administrative Plan.

5.6 GROUNDS FOR DENIAL

The SFHA may deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;
- E. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property, and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff, or cause damage to the property.

- J. Have a family member who is illegally using a controlled substance or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The SFHA may waive this requirement if:
 - 1. The person demonstrates to the SFHA's satisfaction that the person is no longer engaging in drug-related criminal activity or abuse of alcohol;
 - 2. The person has successfully completed a supervised drug or alcohol rehabilitation program;
 - 3. The person has otherwise been rehabilitated successfully as determined by the SFHA based on evidentiary supporting material; or

- N. Have a family member with a lifetime registration under a State sex offender registration program (Denied for life).

5.7 INFORMAL REVIEW

If the SFHA determines that an applicant does not meet the criteria for receiving Section 8 assistance, the SFHA will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The SFHA will describe how to obtain the informal review. The informal review process as described in section 16.2 of the Section 8 Administrative Plan applies.

6.0 OCCUPANCY STANDARDS

The SFHA will follow an occupancy policy, which prevents overcrowding of units or under utilization of units. The following guidelines shall determine the minimum and maximum number of occupancy per unit size:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	2
1	1	4
2	2	6
3	3	8
4	4	10

Bedroom size will also be determined using the following guidelines:

- A. Children of the same sex will share a bedroom.
- B. Children of the opposite sex, both under the age of **(3)** will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster-adults and children will be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

The SFHA will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary.

6.1 BRIEFING

When the SFHA selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to be certified the family is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. Failure to attend a briefing without good cause may result

in denied admission. The family will be given an opportunity to reschedule a briefing only once. All briefings will be conducted in accordance with Section 6.1 and 6.2 of the Section 8 Administrative Plan.

In addition, PBV participants shall be apprised of the likelihood that they will be issued a tenant-based Voucher after the HAP Contract expires.

6.2 *Selection From Waiting List*

Once an owner has contacted the SFHA and informed them of the availability of a unit, the SFHA shall refer an appropriate number of tenants to the owner for suitability screening. The owner shall notify in writing the tenants and the SFHA regarding the refusal of any referred tenants. If additional referrals are needed, the SFHA shall refer additional applicants until the appropriate number of tenants have been accepted by the owner.

Accepted tenants shall be referred to the SFHA for Eligibility determination.

6.3 *FAMILY CERTIFICATION*

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the SFHA will issue the PBV Statement of Family Responsibility that authorizes the family to participate in the PBV Program.

The owner shall complete a Request For Tenancy Approval and submit it to the SFHA. An inspection of the unit shall be conducted pursuant to HQS in 24 CFR 982.401.

6.4 *APPROVAL TO LEASE A UNIT*

The SFHA will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Authority and passes HQS;
- C. The rent to owner is reasonable;
- D. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Authority; and
- E. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Authority HQS inspection;
- B. The landlord and tenant sign the lease;
- C. The Housing Authority approves the leasing of the unit.

6.5 SFHA DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD. The Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 PBV Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- G. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- H. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;
- I. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 3. premises by tenants, SFHA employees or owner employees; or
 - 4. residences by neighbors;
- J. Other conflicts of interest under Federal, State, or local law.

6.6 INELIGIBLE/ELIGIBLE HOUSING

The following types of housing cannot be assisted under the Section 8 Project-Based Program:

- A. Housing for which construction or rehabilitation has commenced prior to Agreement execution; This Provision does not apply to Existing Housing Projects.
- B. Shared Housing;
- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. Housing located in the Coastal Barrier Resources System designated under the Coastal Barrier Resources Act;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. With noted exceptions in 24 CFR 983.7 (6) (i), (ii), Housing located in an area that has been identified by the FEMA as having special flood hazards.
- G. A Public Housing unit.

6.7 SECURITY DEPOSIT

The owner may collect a security deposit from the tenant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES FROM ASSISTED UNITS

Participating families may not move from an assisted unit with their housing assistance during the initial term of the lease (twelve months). The assistance is tied to the unit and cannot be transported with the tenant. The PHA must issue any eligible family wishing to move with continued assistance a Section 8 Voucher from its tenant-based Voucher Program or other form of assistance that is comparable to the Voucher Program as defined by HUD. If such assistance is not available, the family shall be given priority for the next available unrestricted tenant-based Voucher.

7.1 WHEN A FAMILY MAY MOVE

A family participating in the PBV Program may only move from the assisted unit if:

- C. The owner has given the tenant a notice to vacate, has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant; or
- D. The tenant has given notice of lease termination (in accordance with lease agreement) to the owner and SFHA.
- E. Unit is overcrowded or under-occupied. In accordance with 24 CFR 983.206, family may not be forced to move unless they reject an alternative offer of housing.
- F. After living in the PBV unit for twelve months.

8.0 DETERMINATION OF FAMILY INCOME

8.1 INCOME, EXCLUSIONS FROM INCOME, DEDUCTIONS FROM INCOME

Family income inclusions, deductions and exclusions as stipulated in Section 9 of the Section 8 Administrative Plan apply to the Section 8 PBV Program

9.0 RENT AND HOUSING ASSISTANCE PAYMENT

9.1 GENERAL

Rents for PBV assisted units must be established by contracting with a State Certified Appraiser to establish reasonable rents for the units pursuant to 24 CFR 983.12. In no circumstance can initial rents exceed 110% of the established Fair Market Rent or HUD approved Exception Payment Standard.

9.2 RENT REASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved;
- B. If the Housing Authority or HUD directs that reasonableness be re determined.

9.3 MAXIMUM SUBSIDY

110 Percent of the established Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the SFHA and approved by HUD) determines the maximum subsidy for a family.

For a regular tenancy under the PBV Program, the FMR/exception rent limit is the maximum initial gross rent under the assisted lease.

9.4 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Section 8 Department.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority may approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

9.5 *DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT*

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may charge the SFHA a late payment, agreed to in the Contract and in accordance with generally accepted practices in the City and County of San Francisco jurisdiction.

9.6 *CHANGE OF OWNERSHIP*

All changes in ownership for PBV units must comply with the provisions set forth in the Housing Assistance Payment Contract.

10.0 Inspection Policies, Housing Quality Standards, and Damage Claims

The SFHA will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS are met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS. At the HA's discretion, a sample of units for a particular project representing a minimum of 10 % and a maximum of 25% may be substituted for the annual inspection requirements under the PBV Program.

The SFHA must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family can not be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the SFHA will only schedule one more inspection. If the family misses two inspections, the SFHA will consider the family to have violated a Family Obligation and their assistance

will be terminated. Inspections standards outlined in Section 12 of the Section 8 Administrative Plan and 24 CFR 982.401 apply to the PBV Program.

10.1 VACANCY LOSS

The SFHA shall continue to provide assistance for a unit that becomes vacant for up to a maximum of 60 days after the unit becomes vacant. Such payments may only be made if the vacancy is not the fault of the owner, and the owner and the SFHA take “every reasonable action” to minimize the likelihood and extent of the vacancy.

If no eligible family rents a vacant unit within 120 days after the vacancy commenced, the SFHA may terminate its commitment to make any additional HAPs for the unit for the balance of the HAP Contract term.

11.0 RECERTIFICATION

11.1 ANNUAL RE-EXAMINATION

Annual and Interim Re-Examination policies will mirror that of the Existing Section 8 Program Administrative Plan.

12.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE SFHA

Grounds for Termination of Assistance policy will mirror that of the Existing Section 8 Program Administrative Plan.

13.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, AND INFORMAL HEARINGS FOR PARTICIPANTS

COMPLAINTS AND REVIEWS

Informal reviews and hearings shall be conducted pursuant to the Section 8 Administrative Plan

14.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease is independent of the term of the HAP contract for the PBV Program. The lease may be terminated by the owner, by the tenant, or by the mutual agreement of both. The owner may only terminate the contract at the expiration of the term by refusing an offer of renewal of the HAP Contract. The HAP contract may be

terminated by the SFHA. Under some circumstances the contract automatically terminates.

All other termination guidelines will mirror that of the Existing Section 8 Program Administrative Plan.

15.0 SFHA OWNED HOUSING

Units owned by the SFHA and not receiving subsidy under any other program are eligible housing units for the PBV Program. In order to comply with federal regulation, the SFHA will be required to request that the Regional HUD office conduct the provisions set for in sections 2, 3.2, 7.5, 10.1, 10.2, 10.4, 10.5, 11, 14 and 15 of the PBV Administrative Plan.

16.0 MISCELLANEOUS

16.1 ASSISTING FAMILIES EXPERIENCING ILEGAL DISCRIMINATION

It is the policy of the SFHA to comply fully with all federal, state and local anti-discrimination laws. The SFHA will not discriminate against any individual or family because of race, color, creed, national or ethnic origin or ancestry, religion, sex, sexual preference, age, disability, handicap, military status, source of income, marital status, presence of children in a household, or because an individual has or is suspected of having Acquired Immune Deficiency Syndrome (AIDS).

During briefing sessions, families are provided with a HUD brochure, Fair Housing- It's Your Right, and a form HUD-903, Housing Discrimination Complaint. If an applicant or participation requests assistance, the SFHA will provide help in completing this form and forwarded it to the California State HUD Office of Fair Housing and Equal Opportunity.

For complaints involving state and local laws, the SFHA will refer the applicant or participant to the appropriate state or city offices. If available, the SFHA will provide forms for filing discrimination complaints to state or city offices.

16.2 FAMILY BREAK-UPS

In the event of a family break-up by divorce or legal separation, the family shall decide who remains in the assisted unit. No further subsidy shall be provided to the departing spouse. In the event that the SFHA must determine which of the family members will continue to receive the Section 8 PBV assistance, the SFHA determination will be made based on the following priorities:

7. Mutual agreement of the family members. All adult family members must sign a mutual agreement form

8. A court stipulated determination of which household retains the assistance
9. The interest of minor children or of ill, elderly or disabled family members
10. The interest of family members who are victims of actual or threatened physical violence directed against a family member by a spouse or other member of the applicant household. Certification from the local police department, a social service agency, court of proper jurisdiction, or clergy, physician or facility that provides shelter or counseling to the victims of domestic violence will be required to verify the domestic violence
11. The continued use of the assistance in the current unit
12. Head-of-household.

The family must notify the SFHA, in writing, within 14 days of the action causing the break-up and request a determination of the assignment of the assistance. The SFHA may schedule a meeting with the family members to discuss the assignment.

16.3 JOINT CUSTODY OF CHILDREN

Children who are subject to a joint custody agreement but live with one parent at least 51% of the time will be considered members of the household. "51% of the time" is defined as 183 days of the year, which do not have to run consecutively.

When both parents are on the Waiting List and both are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

17.0 REPAYMENT AGREEMENTS

Section 8 PBV participants may incur debts to the SFHA as a result of failure to accurately report income and family composition, for charges due under the lease that are paid by the SFHA and, under the certificate program, payments for units vacated in violation of the lease. Section 8 landlords may also incur a liability as a result of overpayment of HAP. The SFHA may, at its sole discretion, initiate a termination action, require repayment in a lump sum or allow the debtor to execute a promissory note to repay the debt over a period of time. The SFHA will take into consideration the amounts owed and the likelihood that the debtor will repay the debt before approving a repayment plan.

The Repayment Agreement policies will mirror that of the Existing Section 8 Program Administrative Plan.

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the San Francisco Housing Authority (SFHA) to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the ground of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the SFHA housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the SFHA will provide Federal/State/local information to applicants for and participants in the Section 8 Project-Based Voucher (PBV) Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the SFHA office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The SFHA will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The SFHA will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the SFHA PBV program and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the SFHA will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the SFHA will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

SFHA policies for implementation of reasonable accommodations as outlined in Section 1.3 and 1.4 of the Section 8 Program Administrative Plan apply to the PBV Program.

1.3 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND PARTICIPANTS

The SFHA will endeavor to have bilingual staff or access to people who speak languages other than English to assist non-English speaking families. The following languages may be accommodated:

- Spanish
- Chinese
- Samoan
- Russian
- Vietnamese

1.4 FAMILY OUTREACH

The SFHA will publicize the availability and nature of the Section 8 PBV Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, newspaper serving other ethnic populations including non-English publications and by other suitable means. The SFHA will also try to utilize public service announcements.

The SFHA will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

1.5 PROJECT-BASED VOUCHER PROGRAM LIMIT

The PBV Program cannot exceed 20 percent of the total budget authority under the SFHA's Housing Choice Voucher Program.

1.6 CONSISTENCY WITH THE PHA PLAN

The PBV shall be consistent with the goals and objectives of the SFHA Annual Plan. Each Plan shall have a statement of the number of PBV units, general locations and how Project-Basing units will be consistent with the SFHA Plan.

1.7 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

In accordance with State and Federal Constitutional protections, the SFHA will respect the privacy of information relating to applicants, participants, and tenants in SFHA programs. Accordingly, personal information is deemed private and confidential and will be released only by authorization of the SFHA PBV Administrator and written consent of the affected party or by court subpoena.

It is important to note that the privacy policy is applicable to the release of participant information and not the gathering and use of information necessary to ensure eligibility and compliance with program regulations. Except, as required by federal regulations, solicited by the SFHA unless directly attributed to carrying out the responsibilities of the agency.

1.8 *REQUIRED POSTINGS*

The SFHA will post in each of its offices in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. The Section 8 PBV Administrative Plan
- B. Notice of the status of the waiting list (opened or closed)

New Construction/Rehabilitation - Units needing at least \$3000 in construction costs to meet Housing Quality Standards in order to participate in the PBV Program

Existing Housing –. Housing units that already exist on the proposal selection date and that substantially comply with the HQS on that date. All units must fully comply with the HQS before HAP execution. For purposes of clarification, “substantially comply” is defined to mean that there is at least a Temporary Certificate of Occupancy issued for

Newly Constructed Properties or less than \$3000 in repairs necessary to meet HQS in rehabilitated properties.

Twenty-Five Percent Maximum – No more than 25 % of the units in any PBV project may receive assistance excepted as noted below.

- Dwellings specifically designated for elderly
- Dwellings specifically designated for disabled families (as defined by HUD in 24 CFR 5.403 (b).
- Families receiving supportive services as defined below.

Supportive Services

In order to exceed the 25 % threshold for assisted units in any building, the owner must provide support services to the families in occupancy of the “Excepted Units” and the eligible family must maintain their participation in the services to retain their assistance in the excepted unit unless they successfully complete the services program. Units occupied by Elderly or disabled households are not considered to be Excepted Units and mandatory services are not applicable. The services can either be provided on site or utilized on a referral basis through services staff on site. Participating owners must provide a minimum of three qualifying services to meet the requirement to exceed the 25 % threshold. Eligible services can include:

- Substance Abuse Counseling

Each family will be required to certify that they are maintaining their participation in their services program at the time of the family’s annual re-examination. Participation in services will be verified using third party procedures of verification. In addition, the owner must certify

annually that it continues to provide a supportive services program. The owner must also notify the SFHA immediately once a family is no longer in compliance with their services obligation.

1.10 Inclusionary Clause

Notwithstanding the contents of this PBV Administrative Plan, for all areas not specifically addressed by this plan the Section 8 Administrative Plan shall govern as a supplement to Part 983 of 24 CFR.

2.0 UNIT SELECTION CRITERIA

2.1 INVITATION FOR PROPOSAL

Invitations for proposals to participate in the Project-Based Voucher (PBV) Program will be advertised in a newspaper of general circulation and other ethnic newspapers in the San Francisco Community once a week for two consecutive weeks. The San Francisco Housing Authority (SFHA) will accept applications for at least thirty (30) days from the last day of said publication. The advertising will be in the following newspapers:

1. San Francisco Chronicle/Examiner
2. The Sun Reporter
3. Ethnic newspapers published in Chinese, Spanish, Vietnamese and Russian.

The advertisement will state the number of units available for the Project-Based Program and whether the competition is for rehabilitation, new construction or existing units. In addition, the advertisement shall summarize the unit selection policy for the units to be assisted. However, the unit selection criteria will not be included in the advertisement but in the Request For Proposals. Availability of units under the Existing Housing option may be advertised in separate advertisements.

2.2 SFHA SELECTION PROCESS:

For the rehabilitation aspect of the program, the (SFHA) has a preference for projects in non-impacted areas or areas targeted by the City of San Francisco to be revitalized and provide more rehabilitation spending per unit than the minimum \$3,000.00 per unit. This preference does not apply to new construction projects. Ranking criteria will be outlined in the advertisement announcing the availability of PBV units. The SFHA is looking for owners with experience in construction or rehabilitation and property management that are also able to demonstrate a solid financial commitment for the project and offer a partnership with supportive services. Moreover, units will be expected to meet and/or exceed accessibility standards for the disabled.

Non-Competitive Selection Criteria

Selection of a proposal can be made for housing assisted under a federal, state, or local government housing assistance, community development, or supportive services program

that requires competitive selection of proposals (*e.g.*, HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance. In these cases, assistance can be awarded non-competitively and posted for Public Notification.

Non-Competitive proposals can be presented to the SFHA at anytime. Owners are not required to wait until an Invitation For Proposals is published to present a proposal for consideration under the guidelines of non-competitive selection. However, the SFHA must publish the award of any units under the PBV Program in a newspaper of general circulation. Every effort will be made to publish the results of any awards under the PBV Program within 30 days of the award date.

2.3 RECEIVING AND SCREENING PROPOSALS

When Project-Based proposals are received, the date of receipt will be marked on each proposal and a proposal number assigned to it. Essential information will be logged on the appropriate control log, and a file folder will be established for each proposal. Clearly ineligible proposals will be rejected at this point.

If more proposals are received than can possibly be funded, a priority system for processing the remaining proposals will be established. Proposals that are unable to be assisted at the time of project selection will be rejected and will have to re-apply during future outreach.

Two types of criteria will be used to place proposals in the appropriate category. They are Requirements and Rankings. If a proposal fails to meet a requirement, it is clearly ineligible and will be rejected. A system of rankings will be used to determine which proposals will be processed immediately. Projects scoring the highest number of points in the ranking process shall be given priority for consideration. All projects selected must score at least 60 % of the total attainable points in order to be selected for participation in the PBV Program.

2.4 REQUIREMENTS

If the following requirements are not met, proposals will be rejected:

- a) The project under consideration must meet HUD goals for deconcentration of poverty in determining areas in which to place subsidized units pursuant to 24 CFR 983.57. Moreover, zones designated for economic improvement and redevelopment by the City and County of San Francisco shall be deemed eligible sites for PBV activity.
- b) Generally, no more than 25 percent of the dwelling units in each building may have project-based voucher or any other federal project-based housing assistance. The following types of housing units are exempt from the 25 percent per building cap:

- (1) Project-based dwelling units in single family (one-to four-unit) properties;
- (2) units in a multifamily building (5 or more units) set aside for elderly or disabled families; and
- (3) units in a multifamily building set aside for families participating in support services programs supplied by the owner on site or on a referral basis as specified in Section 1.9 above.

The restrictions concerning the number of subsidized units in each building apply to all types of housing selected for the project-based voucher program—existing, newly constructed, and rehabilitated housing.

- b) The proposed property must be eligible for the PBV Program. Single Room Occupancy (SRO) units are the only Special Housing Type permitted to be assisted under the PBV Program. The SFHA will consider Rehab, New Construction and Existing units for PBV assistance.

- Owner occupied units;
- Housing for which the construction/rehabilitation has started prior to Agreement execution; Except for Existing Housing Projects
- Manufactured homes;

 1. The community in which the area is situated is participating in the National Flood Insurance Program; or
 2. Less than a year has passed since FEMA notification regarding such hazards; and

 - Section 811 supportive housing;
 - Section 101 rent supplement projects;

 - A unit subsidized with tenant-based assistance under the HOME Program; or Any unit with other duplicative Federal, State or local housing subsidy, as determined by HUD. For this purpose, “housing subsidy” does not include welfare payments, a social security payment received by the family or a rent reduction because of a tax credit.
- c) Proposed contract rents must not exceed either 110% of the established Fair Market Rents as published by HUD in the Federal Register, or the HUD approved exception rents if applicable.
- d) Pursuant to the San Francisco Consolidated Plan and the SFHA PHA Plan, the goal of the PBV Program is to increase the number of affordable housing units in San Francisco utilizing PBV assistance to ensure affordability of housing for low income families. The proposed site must meet certain site and neighborhood standards specified in the Code of Federal Regulations, (24CFR 983.57). Although it will not be possible to determine compliance with all of the standards until an inspection is completed. .
- Generally the SFHA must determine whether the census tract in which the proposed PBV development will be located is (i) in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community; (ii) Whether a PBV development will be located in a census tract where the concentration of assisted units will be or has decreased as a result of public housing demolition; (iii) Whether the census tract in which the proposed PBV development will be located is undergoing significant revitalization; (iv) Whether state, local, or federal dollars have been invested in the area that has assisted in the achievement of the statutory requirement; (v) Whether new market rate units are being developed in the same census tract where the proposed PBV development will be located and the likelihood that such market rate units will positively impact the poverty rate in the area; (vi) If the poverty rate in the area where the proposed PBV development will be located is greater than 25 percent, the PHA should consider whether in the past five years there has been an overall decline in the poverty rate; (vii) Whether there

are meaningful opportunities for educational and economic advancement in the census tract where the proposed PBV development will be located.

In addition, is the site suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d–2000d(4)) and HUD’s implementing regulations at 24 CFR part 1; Title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3601– 3629); and HUD’s implementing regulations at 24 CFR parts 100 through 199; Executive Order 11063 (27 FR 11527; 3 CFR, 1959–1963 Comp., p. 652) and HUD’s implementing regulations at 24 CFR part 107. The site must meet the section 504 site selection requirements described in 24 CFR 8.4(b)(5).

The site must meet the HQS site standards at 24 CFR 982.401(1).

- a) Owners must provide a relocation plan regarding temporary Current occupants of units to be assisted must appear to be eligible for Section 8 assistance. Therefore, if the units to be assisted are occupied by over-income tenants, the proposal calls for a reduction in the total number of units in a fully occupied building, or if the families to be assisted are living in units which are not suitable to family size, the project generally will be rejected or partially assisted. (Rehabilitation and Existing Only) Relocation provisions for minimizing displacement do not apply to Existing Housing Projects.

The project must meet Uniform Relocation Act requirements as follows:

Temporary relocation will not exceed 12 months and every tenant will be given 30 days written notice regarding any relocation along with a copy of the approved relocation plan. Tenants must be provided with alternative housing which is safe, decent and sanitary and receive reimbursement from the owner for reasonable out-of-pocket expenses incurred in connection with the temporary relocation. Such expenses include moving costs to and from temporary housing, increases in monthly housing costs and increases in utility costs.

If the owner can demonstrate that permanent displacement can be prevented by allowing over-income tenants to remain in unassisted units or ineligible tenants to be housed in a suitably sized unit in the same building or complex, the proposal may still be accepted.

Any preliminary determination of a family’s eligibility during the initial screening process will be based on unverified information provided in the owner’s proposal.

- b) The owner must be able to certify that no tenant has been required to move during the past 12 months except for good cause. If the SFHA has documentation that tenants have been forced to move without good cause, the proposal will be rejected. “Good Cause” includes tenant non-compliance with the lease or failure to carry out tenant

obligations under any state and local landlord-tenant law. This information should be submitted with the proposal. (Rehabilitation and Existing Only)

If the owner submitting the proposal has not owned the property for the last 12 months, this certification may be limited to owner's actions during ownership and with respect to acquiring the property.

- c) The owner must provide acceptable evidence of site control (a copy of the deed, purchase option, contract of sale or other documents acceptable to the SFHA as proof of ownership). The SFHA may reject a proposal if adequate evidence of site control is not provided.
- d) Owners must submit the proposed contract rent per unit, including an indication of which utilities, services and equipment are included in the rent, and which are not included. For those utilities that are not included in the rent, an estimate of the average monthly cost for each unit type for the first year of occupancy must be submitted. The SFHA may reject a proposal at the initial screening stage if the proposal appears clearly unfeasible because the current rents substantially exceed the Section 8 Existing Housing Payment Standard Rent Limits.

If the owner is willing to accept lower rents, the owner may appeal the proposal rejection.

- e) The owners must submit a completed HUD form No. 2530 - Previous Participation Certification and resumes for all principal participants.
- f) Housing to be assisted under the PBV Program must be modest in design. Amenities must be limited to those amenities, as determined by HUD, that are generally provided in unassisted, decent, safe and sanitary housing for lower income families in the market area. The use of more durable, high-quality materials to control or reduce maintenance, repair and replacement costs is not considered an excess amenity.
- g) Acceptable amenities are range/oven, refrigerator, disposal, vent fan, carpet/drapes, laundry (coin), underground garage, and solar heat/hot water.
- h) Before any property can be Contracted for PBV assistance, the SFHA must contract with the unit of general local government to complete and approve the environmental review required by 24 CFR part 58.
- i) All Contracted housing must meet applicable accessibility requirements as set forth in Section 504 of the Rehabilitation Act of 1973 in addition to any applicable State and local standards. Moreover, all units must meet the requirements of the Fair Housing Amendment Act of 1988 pursuant to 24 CFR 100.205.
- j) Properties assisted under the "Existing" PBV guidelines must conform to Section 302 of the Lead-Based Paint Poisoning Prevention Act by establishing procedures to

eliminate as far as practicable the hazards of lead-based paint. This requirement does not apply to studio or single room occupancy units. All painted surfaces, interior and exterior, up to five feet from the floor or ground readily accessible to children under seven years of age must be free of chipping, peeling and loose paint.

- k) Projects seeking to rehabilitate existing structures require a minimum expenditure of \$3,000.00 per assisted unit, including the unit's prorated share of work to be accomplished on common areas or systems. "Existing Housing" Projects must require less than \$3000.00 repairs per assisted unit including the unit's prorated share of work to be accomplished on common areas or systems. There is no limit on the amount of expenditure for new construction projects.
- l) Owner must certify that they have not been debarred from participating in the Section 8 Project-Based Voucher Program or any other Federally Subsidy Program.

2.5 NEW CONSTRUCTION REQUIREMENTS

The owner must submit to the SFHA an architect's certification that the working drawings, specifications and proposed construction comply with HUD minimum property standards, local codes and ordinances, and zoning requirements.

The site must not be located in an area of minority concentration, and must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area. All sites must be consistent with the requirements of 24 CFR 983.57 and this Administrative Plan.

2.6 ALL OWNER APPLICATIONS MUST CONTAIN:

applicable Federal requirements listed in 24 CFR 983.11 including, but not limited to, the payment of not less than the prevailing wages in the locality pursuant to the Davis-Bacon Act to all laborers and mechanics employed in the construction or rehabilitation of the project; Existing Housing Projects are not subject to Federal Labor Standards.

- e) A statement from the owner certifying the number of persons, businesses, non-profit corporations occupying the property on the date of submission of the application; the number of persons displaced, temporarily relocated or moved permanently within the building complex; estimated cost of relocation payments and services; the funding source of relocation activities; and the name of the organization that will carry out the relocation activities. - j) Such other information as the SFHA believes necessary.

2.7 INITIAL SCREENING CHECKLIST

The checklist is divided into two sections: Requirements and Rankings. A "No" answer to any of the questions in the Requirements section could result in automatic rejection. Rankings may be stated in absolutes (Yes or No Answers).

2.8 NOTIFYING OWNERS OF SCREENING RESULTS

Once proposals have been screened, owners will be notified about the results. Rejection letters will include the reason for the rejection and indicate the owner's right to appeal the rejection. The SFHA must also give prompt Public Notice of such selection. For purposes of announcing PBV awards, Public Notice shall be given in the form of posted notices in the SFHA main office at 440 Turk Street and at the Section 8 offices at 1815 Egbert Street and advertisement in a newspaper of general circulation.

The owner should understand that the proposal has not yet been approved for rehabilitation/construction, but only selected for processing. Owners must not begin the rehabilitation/construction or be cautious about entering into commitments for financing or contracts for rehabilitation/construction until the project has been approved.

A formal briefing of tenants will be conducted at a later date; however, tenants will need some basic information about the program and the status of the proposal before inspections of their units begin. The SFHA may participate in a meeting scheduled with the tenants to discuss the program.

The information collected during the inspection must be sufficient to (1) determine that site and neighborhood standards and other Federal requirements are met; (2) identify the rehabilitation/construction work that is required for units to meet standards or to repair or replace building systems and components in danger of failure; (3) identify other rehabilitation/construction work that the owner wishes to complete and additional energy conservation items that may be cost effective. The SFHA's Section 8 Existing Housing Inspection Form will serve as the guide for the PBV Program inspection format.

When the inspection is completed, the inspector and the owner should agree on the following:

- Deficiencies which must be corrected in order for the assisted unit(s) to meet Housing Quality Standards (HQS) or other Local Standards approved by HUD (including requiring weather stripping and caulking) and, in general terms, the extent of the work that will be done. All units must meet HQS standards prior to execution of the HAP Contract.
- Building systems or components in danger of failure that will be repaired or replaced and, in general terms, the extent of the work that will be done.
- Other rehabilitation/construction work that is eligible under the program, such as making the units accessible for the handicapped or completion of optional energy conservation work.
- Routine maintenance items which must be corrected at the owner's expense because they are not eligible work items.

Other property improvements the owner wishes to make which are not eligible work items under the PBV Program. Condition reports of eligible required work items will be prepared by the SFHA or its subcontractor. If during the initial inspection, the SFHA discovers that the proposal does not meet program requirements, the owner will be informed in writing of the reason(s) for the rejection and of the right to appeal.

2.9 RANKING AND SELECTION PROPOSALS

The items on the checklist have been listed in order of importance, with the greatest number of points awarded for factors which are most important and essential to project success.

The SFHA will score the project as a whole, taking into consideration a wide variety of factors that are not easily quantifiable. Generally, projects scoring the highest points for each category will receive the highest overall feasibility scores. However, the SFHA will be consistent as possible in awarding points. Screening of Existing Housing Projects will be conducted separately from New Construction/Rehabilitation Projects.

The SFHA will select projects it plans to approve and notify all owners of the results. Selection will be based on the results of the ranking; However, when applicable, the selection scoring may be adjusted somewhat to take into consideration the number and bedroom distribution of units approved in the allocation.

Tied scores shall be selected based on the date and time a proposal was received

Owners whose proposals have been selected will be informed in writing of the number of units that the SFHA has tentatively approved, and the owner advised to request all tenants of units proposed for assistance prepare preliminary applications so tenant eligibility can be determined.

Incomplete applications or applications that cannot be fully funded shall be rejected. Owners shall be advised that they may resubmit the application at a later date in response to a future advertisement. Applications which are deemed incomplete due to technical errors in the documentation, may be given an opportunity to correct the error and considered for the advertisement to which it responded initially.

For proposals in which the SFHA has an identity of interest, the SFHA will request that HUD select, score, rank eligible projects.

The preliminary selection notice will explain to the owner the next steps in processing the proposal, including:

- Obtaining a firm financial commitment
- Notifying tenants about the selection of the proposal for Section 8 project-based assistance and their relocation responsibilities and rights. The owner should inform the tenants that the SFHA will contact them to set up meetings to determine eligibility for the program and explain their rights and responsibilities under the program. A more detailed briefing will be provided by the SFHA when eligibility interviews are conducted.

- The selection of a rehabilitation/construction contractor is the sole responsibility of the owner; the SFHA will not assume any responsibility or liability for the performance of any contractor. Owner must be willing to certify that the selected contractor has not been debarred from participation in Federally Funded Programs.
- Filling vacancies with applicants from the SFHA waiting list prior to the execution of the HAP Contract.

2.9.1 Non-Competitive Selection

Notwithstanding the competitive selection procedures, selection of a proposal can be made for housing assisted under a federal, state, or local government housing assistance, community development, or supportive services program that requires competitive selection of proposals (*e.g.*, HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance. In these cases, assistance can be awarded non-competitively and posted for Public Notification.

Non-Competitive proposals can be presented to the SFHA at anytime. Owners are not required to wait until an Invitation For Proposals is published to present a proposal for consideration under the guidelines of non-competitive selection. However, the SFHA must publish the award of any units under the PBV Program in a newspaper of general circulation within 30 days of the award notice.

2.10 AHAP Requirements

1. Complete and Approved Application
2. Environmental Impact Review/Clearance
3. Subsidy Layering Review – Where applicable
4. Inspection of Units/Site prior to Start of Construction
5. HUD Release of Funds Authorization

Units which are occupied by ineligible tenants cannot be placed under Agreement or HAP Contract. The Agency will inspect each unit proposed for the PBV Program and identify any tenants that reside in said units.

A variety of problems may be encountered in determining family eligibility, including families who are not income eligible and otherwise eligible families whose units are too large or too small for their family composition. In addition, families selected for “excepted” units must meet the requirements set forth by the supportive services plan for the property.

2.11 Requirements For Completion of Construction

In order for units constructed or rehabilitated under the PBV program to be accepted for assistance, the owner must provide the SFHA with the following:

- Owner certification that the work has been completed in accordance with the HQS and all requirements of the Agreement; and
- Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing.
- For New Construction and Substantial Rehab, a Certificate of Occupancy
- Architect's Certification that the work has been completed in accordance with the the HQS and all State, local and other Building Codes.

2.12 HAP contract amendments (to add or substitute contract units).

- At the discretion of the SFHA and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same building for a previously covered contract unit. Prior to such substitution, the SFHA must inspect the proposed substitute unit and must determine the reasonable rent for such unit.
- At the discretion of the PHA, and provided that the total number of units in a building that will receive PBV assistance or other project-based assistance will not exceed 25 percent of the number of dwelling units (assisted or unassisted) in the building or the 20 percent of authorized budget authority as provided in Section 983.6, (Unless Excepted Units are already authorized in the project), a HAP contract may be amended during the three-year period immediately following the execution date of the HAP contract to add additional PBV contract units in the same building. An amendment to the HAP contract is subject to all PBV requirements (e.g., rents are reasonable), except that a new PBV request for proposals is not required. The anniversary and expiration dates of the HAP contract for the additional units must be the same as the anniversary and expiration dates of the HAP contract term for the PBV units originally placed under HAP contract.

The family must promptly inform the SFHA of the birth, adoption or court-awarded custody of a child. The family must request approval from the SFHA to add any other family member as an occupant of the unit. 4.0 ELIGIBILITY FOR ADMISSION

4.1 INTRODUCTION

There are six eligibility requirements for admission to Section 8 PBV Programs – must qualify as a family, must have an income within the income limits, must meet citizenship/eligible immigrant criteria, must provide documentation to verify you have Social Security Numbers for all household members, meet SFHA requirements surrounding the prohibition of drug or violent criminal activity, and sign consent authorization documents. In addition to the eligibility criteria, families must also meet the SFHA screening criteria in order to be admitted to the Section 8 PBV Program.

Families must be eligible as a “Qualifying Family” to be eligible for “Excepted Units”. A family is qualified to live in an excepted unit if, in addition to all PBV requirements, the family enrolls in and maintains enrollment in a Service Agreement.

For the purposes of determining eligibility for the Section 8 PBV Program, Section 3.2 of the Section 8 Administrative Plan shall apply.

5.0 ADMINISTRATION OF WAITING LIST

5.1 OPENING THE WAITING LIST

The Project-Based Program waiting list shall be the same as the waiting list for the Existing Section 8 Program. All applicants assisted under the PBV Program must come from the Section 8 wait list. In addition, pursuant to 24 CFR 983.203 (b), in-place tenants, that are eligible for participation, in units selected for assistance under the PBV Program, must be added to the Section 8 Wait List and be given an absolute preference to be assigned a PBV unit in their assisted property.

Other applications for the Section 8 PBV Program may be made pursuant to any stated format in advertisements published pursuant to section 5.2 below.

The SFHA will accept applications for placement on the waiting list at which time the applicant will self-declare their eligibility based on the eligibility requirements noted in the published announcement of the opening of the waiting list. Just prior to Certification, applicants will be required to complete an application for final eligibility determination whereby the SFHA staff will verify all income, assets and the preferences declared by the applicant during the pre-application stage.

Pre-applications will be accepted during the advertised periods of enrollment. These enrollment periods are determined based upon the need for the SFHA to augment its Section 8 waiting list so that the SFHA will have a sufficient number of applicants to maintain an adequate level of occupancy.

5.2 APPLICATION PROCESS

The SFHA will take pre-applications pursuant to a public advertisement. Pre-application intake will be announced to the public in advertisements run once a week for three consecutive weeks. Advertisements will be placed in the following:

- San Francisco Chronicle/Examiner
- Minority-owned and foreign language newspapers
- Posting in the lobby of the SFHA office at 440 Turk Street and the Leased Housing Division office.
- Posting in offices of the Public Housing developments of the SFHA
- Radio and television stations (if possible) in order to inform the visually impaired

- Notices circulated for posting at social service agencies, community centers and Bay Area Public Housing Agencies.

The advertisement will inform interested parties of the pre-application system to be used by the SFHA; the dates, times and locations pre-applications can be obtained; the deadline date, method and location for submitting the pre-applications and basic eligibility requirements.

5.3 RANKING METHOD

Pre-applications will be selected from the total applicant pool and assigned a date and time by random lottery and ranked on the waiting list by preference category. The pre-application will ask applicants to designate which priority category they believe they will qualify for. Pre-applications will be sorted in each preference category by date and time of application and a list generated in rank order.

Each applicant will be provided with a description of all SFHA preferences and will be required to self-certify, at the time of pre-application, whether the household qualifies for a preference. Selection from the Section 8 waiting list will be based on pre-applicant self-certification. At the time of final eligibility determination, SFHA applicants will be required to certify to all information they provide to SFHA and to sign verification forms permitting the release of information from verifying agencies, including the Authorization to Release Information/Privacy Act Notice form which is a general release form. Documentation of all verifications will be placed in the applicant/participant file.

Family income and assets and all factors related to eligibility must be verified, including preferences and immigration eligibility. Verifications must be completed before an applicant will be Certified for participation in the PBV Program except as provided by Section 214 of the Housing and Community Development Act of 1980 regarding verification of Immigration Status. SFHA will use third party verification whenever possible. This will include mailing forms directly to the third party and having them mailed back to SFHA. If third party written verification is not possible, SFHA will review documents brought in by applicants/current participants or obtain oral verification with the third party by phone, documenting name, department, position, date of verification and other pertinent information. If there are no documents, SFHA may use a notarized applicant certification for verification.

If the priority category changes for any reason, the applicant will be placed in the proper preference category sorted by application date and time.

5.4 CLOSING OF THE WAITING LIST

The advertisement opening the waiting list will also specify when the period for submitting pre-applications will end. A notice will be posted in the lobby of the main office of the SFHA (440 Turk Street) and the Leased Housing Division office advising interested parties that the SFHA is not accepting pre-applications for the Section 8 Program.

6.0 SELECTION FROM THE WAITING LIST

6.1 PREFERENCES

In accordance with the Quality Housing and Work Responsibility Act of 1998, SFHA will administer its Section 8 PBV program so that the following Income Targeting objectives are achieved for the period from April 1, 1999 through September 30, 2000, and for each fiscal year thereafter:

- Not less than 75% of new admissions to project-based Section 8 assistance programs must have incomes at or below 30 % of the area median income.
- The remainder of new admissions to project-based Section 8 assistance programs must have incomes at or below 80% of the area median.]

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income, the SFHA retains the right to skip higher income families on the waiting list to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

However, despite all preference categories listed below, pursuant to 24 CFR 983.203 (b), in-place tenants, that are eligible for participation, in units selected for assistance under the PBV Program, must be added to the Section 8 Wait List and given an absolute preference to be assigned a unit in their assisted property.

The SFHA has adopted the Federal Preferences as Local Preferences in administering its assisted housing programs.

The SFHA employs the following system of local preferences in administering its wait list. The local preferences consist of:

3. INVOLUNTARY DISPLACEMENT:

An applicant is or will be involuntarily displaced if the applicant has vacated or will have to vacate his or her housing unit as a result of one or more of the following actions:

Natural Disaster: a disaster such as a fire, flood or earthquake that resulted in the uninhabitability of the applicant's unit.

Domestic Violence: an applicant who has vacated due to actual or threatened physical violence directed against the applicant or one or more members of the applicant's family by a spouse or other household member, who lives in housing with an individual who engages in such violence.

Government Action: an action of a government agency related to code enforcement or public improvement or development.

Landlord Action: an action by a housing owner that results in an applicant's having to vacate his or her unit, where the reason for the owner's action was beyond the applicant's ability to control or prevent, and despite the applicant having met all previously imposed conditions of occupancy, and the action is other than a rent increase.

2. SUBSTANDARD HOUSING:

Homeless: An applicant who is a "homeless family" shall be considered to be living in substandard housing if the individual or family:

Lacks a fixed regular, and adequate nighttime residence; and

Has a primary residence that is:

A supervised publicly or privately operated shelter designed to provide temporary living accommodations, (including welfare hotels, congregate shelters, and transitional housing for the mentally ill); or

An institution that provides a temporary residence for individuals intended to be institutionalized; or

A public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings.

A "homeless family" does not include any individual imprisoned or otherwise detained pursuant to state or federal law.

Non-Homeless: A non-homeless family is living in substandard housing if their present unit meets any of the following criteria: it is "dilapidated;" it does not have operable indoor plumbing; it does not have a usable flush toilet and a usable bathtub or shower inside the unit for the exclusive use of the family; it does not have electricity, or has inadequate or unsafe electrical service; it does not have a safe or adequate source of heat; it should, but does not have a kitchen, or it has been declared unfit for habitation by a government agency. A housing unit is "dilapidated" if it does not provide safe and adequate shelter, and in its present condition endangers the health, safety, or well-being of a family or it has one or more critical defects or a combination of intermediate defects in sufficient number or extent to require considerable repair or rebuilding. The defects

may have resulted from the original construction, or from continued neglect or lack of repair, or from serious damage to the structure.

3. PAYING MORE THAN 50% OF INCOME FOR HOUSING:

An applicant shall qualify for this federal preference if the family is paying more than 50 percent of the total family income for rent. However, an applicant may not qualify for a preference under this section if the applicant is paying more than 50 percent of family income to rent a unit because his or her housing assistance under the public housing, Section 8 program, or any program under the Housing and Urban Development Act of 1965 with respect to that unit has been terminated as a result of the applicant's refusal to comply with applicable program policies and procedures with respect to the occupancy of under-occupied and overcrowded units.

The SFHA will weigh each local preference equally. That is, an applicant that meets the federal definition of any or all of the local preferences will receive an equal priority. Specific applicant preference procedures, definitions and requirements not covered in this policy shall follow the HUD regulations found at 24 CFR Part 5, as amended from time to time.

The SFHA has adopted the following as secondary local preferences:

7. Residency status: A family is considered a “resident” of the City and County of San Francisco, if (a) they live in San Francisco or (b) the head of household or spouse is employed or has been notified that he/she has been hired to work in San Francisco. The Family must submit documentation that provides a current address of residency or employment and sign a waiver to permit the SFHA to verify the address.
8. Veterans status: A member of the United States Armed Forces honorable discharged from service or currently listed and is the head of house hold or spouse of the applicant family. Verification will be provided by the Veterans Administration.
9. Welfare to Work Participants in good standing with their obligations to the Welfare to Work Program.

6.2 ORDER OF SELECTION

The SFHA will rank and admit applicants from the waiting list in accordance with the following priority categories:

Level of Priority	Category One	Category Two	Category Three	Category Four
1	Local Preference	Resident	Veteran	Welfare to Work
2	Local Preference	Resident	Veteran	Non-Welfare to Work
3	Local Preference	Resident	Non-Veteran	Welfare to Work
4	Local Preference	Resident	Non-Veteran	Non-Welfare to Work
5	Local Preference	Non-Resident	Veteran	Welfare to Work
6	Local Preference	Non-Resident	Veteran	Non-Welfare to Work
7	Local Preference	Non-Resident	Non-Veteran	Welfare to Work
8	Local Preference	Non-Resident	Non-Veteran	Non-Welfare to Work
9	No Local Preference	Resident	Veteran	Welfare to Work
10	No Local Preference	Resident	Veteran	Non-Welfare to Work
11	No Local Preference	Resident	Non-Veteran	Welfare to Work
12	No Local Preference	Resident	Non-Veteran	Non-Welfare to Work
13	No Local Preference	Non-Resident	Veteran	Welfare to Work
14	No Local Preference	Non-Resident	Veteran	Non-Welfare to Work
15	No Local Preference	Non-Resident	Non-Veteran	Welfare to Work
16	No Local Preference	Non-Resident	Non-Veteran	Non-Welfare to Work

Units shall be filled in the order indicated above. Applicants at the top of the list will be notified of a vacancy and asked to participate in the PBV Program. If they refuse or do

not respond, the next applicant is contacted, and so on. If at any time the waiting list does not contain a sufficient number of preference applications, the PBV referrals will be made to non-Local preference eligible applicants without regard to Preference Status.

Notwithstanding the selection process indicated above, pursuant to 24 CFR 983.203 (b), in-place tenants on the date of project selection, that are eligible for participation, in units selected for assistance under the PBV Program, must be added to the Section 8 Wait List and given an absolute preference to be assigned a unit in their assisted property.

Moreover, for units rehabilitated or constructed with HOPWA capital funding, the SFHA may skip down the wait list pursuant to HUD waivers to offer PBV assistance to households on the Section 8 wait list who have a family member who has been diagnosed with disabling HIV or AIDS and interested in the PBV assistance.

Moreover, for units specifically designed with accessibility features for persons with disabilities, the SFHA will refer applicants from the Section 8 Wait List who have indicated that they require a unit with accessibility features ahead of other people on the Section 8 wait list. Anyone rejecting the unit with accessibility features will be returned to the wait list to be considered in proper order.

Applicants shall have priority over participants who already have a subsidy in making referrals to PBV units. Applicants will be considered on a first come, first served basis for referral to PBV units after notification, in rank order, of unit availability.

6.3 PROCEDURES FOR REMOVING NAMES FROM THE WAITING LIST

The SFHA will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses more than three scheduled appointments; or
- C. The applicant does not meet either the eligibility or screening criteria for the program.

6.4 UPDATING OF THE WAITING LIST

In order to ensure the waiting list is accurate and current, the SFHA will update the waiting list periodically, but no more than annually, by requesting each household to submit a revised pre-application form. The following guidelines will govern update procedures:

- The SFHA will mail an update request letter and a blank pre-application form to each household on the waiting list.

- The request will be mailed to the applicant's last known address. Applicants will be advised in the eligibility letter of their responsibility to notify the SFHA, in writing, of any address changes. If the applicant fails to notify the SFHA of an address change, the SFHA accepts no responsibility for the applicant's failure to receive the update request.
- The update request letter will include a deadline date by which applicants must return the pre-application and will specify return by mail or in person. The letter will inform the applicant that if the SFHA fails to receive the updated pre-application form by the deadline date, the applicant's name will be removed from the waiting list.
- Applicants will be given a reasonable time to complete and return the updated pre-applications, generally not less than 14 calendar days.
- The SFHA accepts no responsibility for delays created by the United States Postal Service.
- The SFHA will make reasonable accommodations for the special needs of disabled applicants if the SFHA has been made aware of those needs.
- The SFHA will acknowledge all updated pre-applications received, in writing, to each applicant which will include a determination of eligibility, ineligibility or change in preference status.

6.5 REFUSAL TO LIST AN APPLICANT OR REMOVAL OF AN APPLICANT FOR SPECIFIC GROUNDS

The SFHA may deny listing an applicant on the waiting list, remove an applicant from the waiting list, deny or withdraw an offer of housing to an applicant pursuant to section 5.7 of the Section 8 Administrative Plan.

6.6 GROUNDS FOR DENIAL

The SFHA may deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;
- E. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property, and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff, or cause damage to the property. In

determining whether to deny assistance, the SFHA will review criminal background checks for all adults and look at criminal activity list for the past ten (10) years. Any drug activity from 0 to 10 years old will result in automatic denial. Applicant may appeal upon denial and present mitigating evidence.

- F. Currently owes rent or other amounts to any housing authority in connection with the public housing or Section 8 Programs.
- G. Have committed fraud, bribery, or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- H. Have a family member who was evicted from public housing within the last three years;
- I. Have a family member who was evicted from assisted housing within five years of the projected date of admission because of drug-related criminal activity involving the illegal manufacture, sale, distribution, or possession with the intent to manufacture, sell, distribute a controlled substance as defined in Section 102 of the Controlled Substances Act, 21 U.S.C. 802;
- J. Have a family member who is illegally using a controlled substance or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The SFHA may waive this requirement if:
 - 1. The person demonstrates to the SFHA's satisfaction that the person is no longer engaging in drug-related criminal activity or abuse of alcohol;
 - 2. The person has successfully completed a supervised drug or alcohol rehabilitation program;
 - 3. The person has otherwise been rehabilitated successfully as determined by the SFHA based on evidentiary supporting material; or
 - 4. The person is participating in a supervised drug or alcohol rehabilitation program.
- K. Have engaged in or threatened abusive or violent behavior towards any SFHA staff or residents;
- L. Have a family household member who has been terminated under the Certificate or Voucher Program during the last three years;
- M. Have a family member who has been convicted of manufacturing or producing methamphetamine (speed) (Denied for life);

- N. Have a family member with a lifetime registration under a State sex offender registration program (Denied for life).

6.7 INFORMAL REVIEW

If the SFHA determines that an applicant does not meet the criteria for receiving Section 8 assistance, the SFHA will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The SFHA will describe how to obtain the informal review. The informal review process as described in section 16.2 of the Section 8 Administrative Plan applies.

7.0 OCCUPANCY STANDARDS

The SFHA will follow an occupancy policy, which prevents overcrowding of units or under utilization of units. The following guidelines shall determine the minimum and maximum number of occupancy per unit size:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
SRO	1	1
0	1	2
1	1	4
2	2	6
3	3	8
4	4	10

Bedroom size will also be determined using the following guidelines:

- A. Household members of the same sex, regardless of age, will share a bedroom.
- B. Children of the opposite sex, both under the age of (3) will share a bedroom.
- C. A parent and child, regardless of age, may be issued a two-bedroom Voucher
- D. Live-in aides may get a separate bedroom.

The SFHA will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary. In general, valid reasons for larger BR size Vouchers should document the family's need for medical equipment that would not ordinarily be accommodated in the appropriately sized unit as a result of a disability. However, the SFHA reserves the right to review each case on an individual basis to make final determination of the need for an additional bedroom.

7.1 BRIEFING

When the SFHA selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to be certified the family is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. Failure to attend a briefing without good cause may result in denied admission. The family will be given an opportunity to reschedule a briefing only once. All briefings will be conducted in accordance with Section 6.1 and 6.2 of the Section 8 Administrative Plan.

In addition, PBV participants shall be apprised of the likelihood that they will be issued a tenant-based Voucher after the HAP Contract expires. After 12 months of consecutive tenancy, if the tenant chooses to move, the PBV participant is eligible for continued assistance under the tenant-based Voucher program, subject to funding availability.

7.2 Selection From Waiting List

Once an owner has contacted the SFHA and informed them of the availability of a unit, the SFHA shall refer an appropriate number of applicants to the owner for suitability screening. The owner shall notify the applicants and the SFHA, in writing, of the refusal of any referred applicants. If additional referrals are needed, the SFHA shall refer additional applicants until the appropriate number of applicants have been accepted by the owner.

Accepted applicants shall be referred to the SFHA for Eligibility determination.

7.3 FAMILY CERTIFICATION

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the SFHA will issue the PBV Statement of Family Responsibility that authorizes the family to participate in the PBV Program. The Certification must state that families who do not need but occupy a unit with accessibility features will transfer to another PBV unit to make the accessible unit available to a disabled family who needs the accessible features. Failure to vacate the unit within 60 days may result in termination of the assistance for the family.

Families occupying Excepted Units must meet the requirements of any Mandatory Services Plan in place that is necessary to meet the excepted units' criteria. Failure to comply with the Mandatory Services Plan will result in termination of the family's participation in the PBV Program and ineligibility for continued assistance.

The owner shall complete a Request For Tenancy Approval and submit it to the SFHA. An inspection of the unit shall be conducted pursuant to HQS in 24 CFR 982.401.

7.4 APPROVAL TO LEASE A UNIT

The SFHA will approve a lease if all of the following conditions are met:

- A. The unit is inspected by the Housing Authority and passes HQS;
- B. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- D. The unit passes the Housing Authority HQS inspection;
- E. The landlord and tenant sign the lease;
- F. The Housing Authority approves the leasing of the unit.

K.

7.5 SECURITY DEPOSIT

The owner may collect a security deposit from the tenant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

8.0 MOVES FROM ASSISTED UNITS

Participating families may not move from an assisted unit with their housing assistance during the initial term of the lease (twelve months). The assistance is tied to the unit and cannot be transported with the tenant. The PHA must issue any eligible family wishing to move with continued assistance a Section 8 Voucher from its tenant-based Voucher Program. If such assistance is not available, the family shall be given priority for the next available unrestricted tenant-based Voucher.

8.1 *WHEN A FAMILY MAY MOVE*

A family participating in the PBV Program may only move from the assisted unit if:

- G. The owner has given the tenant a notice to vacate, has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant. Continued assistance may not be available if termination is a result of tenant malfeasance; or
- H. The tenant has given notice of lease termination (in accordance with lease agreement) to the owner and SFHA. Continued Assistance would be conditional on funding availability; or
- I. Unit is overcrowded or under-occupied pursuant to 24 CFR 983.259. If a tenant is required to vacate a unit because it is the wrong size or is needed by a disabled family due to accessibility features, the family must move within 60 days of an offer of other assistance or the subsidy will be terminated. The family may not be forced to move unless they reject an alternative offer of housing.
- J. After living in the PBV unit for twelve months, provided that the family is currently in good standing and has not been terminated or skipped from their assisted unit. Continued assistance would be conditional on funding availability.

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS FROM INCOME, DEDUCTIONS FROM INCOME

Family income inclusions, deductions and exclusions as stipulated in Section 9 of the Section 8 Administrative Plan apply to the Section 8 PBV Program.

10.0 RENT AND HOUSING ASSISTANCE PAYMENT

10.1 HAP CONTRACT TERM/EXTENSION

The initial Housing Assistance Payments Contract term for the project may be for up to ten years subject to the future availability of sufficient appropriated funds under the PHA's consolidated ACC with HUD. Within one year before expiration, the PHA may agree to extend the term of the HAP contract for an additional term of five years if the PHA determines an extension is appropriate to continue providing affordable housing for low-income families. Subsequent extensions are subject to the same limitations. Any extension of the term must be on the form and subject to the conditions prescribed by HUD at the time of the extension. It is the intent of the SFHA PBV Program to renew PBV HAP Contracts for as long as the overriding need for affordable housing exists and the HAP is necessary to ensure financial viability for the property owner.

- 10.2 The initial rent to owner is established at the beginning of the HAP contract term. It cannot exceed the lesser of 110 % of the applicable FMR (or HUD approved Exception FMR), the reasonable rent or the rent requested by the owner.

Rents for units in which the SFHA has an identify of interest must be established by a HUD-approved independent entity. Initial rents must be established by a State Certified Appraiser to establish reasonable rents for the units and approved by HUD. In no circumstance can initial rents exceed 110% of the established Fair Market Rent or HUD approved Exception Rent.

Annual rent increases must be requested from the SFHA no less than sixty (60) days prior to the HAP Contract anniversary date in order to be effective on the Contract anniversary date. Failure to submit the request for a rent adjustment in time will result in no increase for the new contract year. Rents may be adjusted up, down or left as is, subject to funding availability.

10.3 RENT REASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase for any PBV unit without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. At the time a request for a rent increase is received from the owner;
- B. If there is a 5 % or greater reduction in the FMR
- C. Upon the owner's request.

10.4 MAXIMUM SUBSIDY

Maximum project-based assistance cannot exceed 110 Percent of the established Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the SFHA and approved by HUD)

10.5 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Section 8 Department.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards). There is a utility allowance for Apartments and for Flats/Single Family Dwellings. A Flat shall be defined as a residence that occupies the entire floor of a multi-floor building where each floor is a separate residence, regardless of square footage.

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority may approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

The SFHA may also utilize an Energy Efficient Utility Allowance (EEUA) at the request of an owner. Prior to implementation, the Owner must comply with certifying requirements for the EEUA as defined in the Administrative Plan for the Existing Program

10.6 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may charge the SFHA a late payment, agreed to in the Contract and in accordance with generally accepted practices in the City and County of San Francisco jurisdiction.

10.7 CHANGE OF OWNERSHIP

All changes in ownership for PBV units must comply with the provisions set forth in the Housing Assistance Payment Contract. All changes of ownership for PBV units must be approved by the SFHA prior to closing.

Changes of ownership executed without SFHA approval may result in HAP Contract termination.

11.0 Inspection Policies, Housing Quality Standards, and Damage Claims

The SFHA will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 PBV Program unless the HQS are met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS. At the HA's discretion, a sample of units for a particular project representing a minimum of 20 %. If 20 % or more of the sampling of units fail HQS, 100% of the units must be inspected for the property. The sampling will be selected to ensure that all units are inspected within a 5 year cycle.

The SFHA must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family can not be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the SFHA will only schedule one more inspection. If the family misses two inspections, the SFHA will consider the family to have violated a Family Obligation and their assistance will be terminated. Inspections standards outlined in Section 12 of the Section 8 Administrative Plan and 24 CFR 982.401 apply to the PBV Program.

Quality Control Inspections

A representative sample, not to exceed 5 %, of PBV units shall be included in SFHA supervisory quality control HQS inspections.

PHA Owned Units

Units in which the SFHA has an Identity of Interest must be inspected by a HUD approved public or private independent entity or the unit of general local government. The independent entity must furnish a copy of each inspection report to the HUD Field Office.

11.1 VACANCY LOSS

The SFHA shall continue to provide assistance for a unit that becomes vacant for up to a maximum of 60 days after the unit becomes vacant. Such payments may only be made if the vacancy is not the fault of the owner, and the owner and the SFHA take "every reasonable action" to minimize the likelihood and extent of the vacancy. Vacancy shall be paid at a rate of 80 % of the Contract Rent after deduction of any excess tenant deposit.

If no eligible family rents a vacant unit within 120 days after the vacancy commenced, the SFHA may terminate its commitment to make any additional HAPs for the unit for the balance of the HAP Contract term.

12.0 RECERTIFICATION

12.1 ANNUAL RE-EXAMINATION

At least annually the SFHA will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The SFHA will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances. All income and assets shall be verified using third party income verification. This is defined as verification that has not been touched by the tenant/applicant. In the interest of time, once 3rd party income verification has been sent out, rent calculations will be completed once all 2nd party verification from the providing source has been secured. Once the 3rd Party Verification documentation is received in the office, staff will compare the 2nd and 3rd party verifications to see if there is the need to adjust the rent calculation. If the 3rd party verification is not returned, staff will document that an attempt was made to retrieve 3rd party documentation, by placing a copy of the 3rd party request for verification in the file and accept the 2nd party verification as adequate proof of income/asset verification.

Upon receipt of verification, the SFHA will determine the family's annual income and will calculate their family share.

Enterprise Income Verification procedures outlined in the Administrative Plan for the Existing Section 8 Program will be followed for all PBV households.

12.2 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30 day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

12.3 Re-examination by Mail

Where possible, the SFHA will complete the Annual Certification by mail when the family is disabled and the income is known to be only from one source.

All first time re-examinations must be completed at the SFHA's Section 8 office unless requested as a reasonable accommodation by a disabled individual.

12.4 Effective Dates of Interim Re-examinations of Rent

Income changes must be reported within 30-days. Changes that decrease the amount of rent payment made by the participant will be made effective the first of the month following the receipt of the notice to SFHA. However, this provision will not apply and no retroactive changes will be made if the notice of the change is not reported timely.

Changes that increase the amount of payment made by the tenant will be effective at the time of the annual re-examination.

If the annual re-examination is less than 30 days away the change will take effect on the first day of the second month following the date in which the change occurs.

If a family had requested a rent adjustment due to a loss of income (i.e. losing a job, going on unemployment or disability) where the rent was adjusted downward the first of the month following the receipt of written notice, and if this same family begins working again or the income is increased due to other sources (i.e. social security), the rent may be increased following a minimum 30-day written notice to the family.

For elderly/disabled families moving from TANF or unemployment, as defined in 24 CFR 5.617, to work, and whose income increases due to employment or increased earnings within six months of receiving TANF, the household will be eligible for the Earned Income Disregard benefit.

An interim re-examination will not be required if the participant requests to move to a new unit within 60 days of the last annual re-examination provided that the income verification is not more than 120 days old from the new lease effective date.

Errors made by the SFHA will not adversely effect the participant. Errors that resulted in overpayment of rent by the participant will be reimbursed to the participant. Errors by the SFHA that resulted in underpayment of rent by the tenant will not result in a retroactive payment from the tenant. The change in rent will be made effective the first of the second month following notice to the participant and owner.

As stated in the Quality Housing and Work Responsibility Act (QHWR) of 1998. Income changes resulting from welfare program requirements. 1) If a family's welfare benefits are lowered due to the family's failure to comply with program requirements the HA must not reduce the family's rent. 2) HA's are not to consider a loss of benefits due to the expiration of lifetime time limits as a failure to comply and the HA must lower the tenant's rent. 3) If the family's benefits are reduced because of fraud the HA must not lower the rent.

Families with zero income will be required to report any change in income immediately. Failure to do so may result in termination of assistance.

12.5 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the SFHA taking action to terminate the family's assistance.

12.6 Inclusionary Clause

Notwithstanding the above sections regarding re-examinations, Section 14 of the Section 8 Administrative Plan regarding termination of assistance to the family, in its entirety, shall apply to the PBV Program.

13.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE SFHA

24 CFR 983.207 applies. The Housing Authority may at any time terminate program assistance for a participant, because of any of the actions or inaction by the household:

- A. If the family violates any family obligations under the program.
- B. If a family member fails to sign and submit consent forms.
- C. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the SFHA determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.
- D. If any member of the family has ever been evicted from public housing.
- E. If the Housing Authority has ever terminated assistance under the Certificate or Voucher Program for any member of the family.
- F. If any member of the family commits drug-related criminal activity, or violent criminal activity.
- G. If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- H. If the family currently owes rent or other amounts to the Housing Authority or to another Housing Authority in connection with any Section 8 or public housing assistance under the 1937 Act.
- I. If the family has not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- J. If the family breaches an agreement with the Housing Authority to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority. (The Housing Authority, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a Housing Authority or amounts paid to an owner by a Housing Authority. The Housing Authority may prescribe the terms of the agreement.)

- K. If the family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel.
- L. If any household member is subject to a lifetime registration requirement under a State sex offender registration program.
- M. If a household member's illegal use (or pattern of illegal use) of a controlled substance, or whose abuse (or pattern of abuse) of alcohol, is determined by the SFHA to interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- N. If the family is offered an alternative unit as a result of their occupancy of a unit with accessibility features or is over-housed and refuses the offer, assistance may be terminated.
- O. Any PBV family who, due to their occupancy of an excepted unit, fails to maintain their participation in a mandatory services plan may be terminated from participation in the PBV program and disqualified from receiving continued assistance.

14.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, AND INFORMAL HEARINGS FOR PARTICIPANTS

14.1 COMPLAINTS

The SFHA will investigate and respond to complaints by participant families, owners, and the general public. The SFHA may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

Informal reviews and hearings shall be conducted pursuant to Section 16 of the Section 8 Administrative Plan

15.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease is independent of the term of the HAP contract for the PBV Program. The lease may be terminated by the owner, by the tenant, or by the mutual agreement of both. The HAP contract may be terminated by the SFHA. Under some circumstances the contract automatically terminates.

A. Termination of the lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the SFHA after the first year of the lease. The length of the notice that is required is stated in the lease (generally no more than 60 days).

2. By the owner.

a. The owner may terminate the lease during its term and in accordance with the provisions of the Rent Ordinance for the following reasons:

- i. Serious or repeated violations of the terms or conditions of the lease;
- ii. Violation of Federal, State, or local law that impose obligations on the tenant in connection with the occupancy or use of the unit and its premises;
- iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons residing in the immediate vicinity of the premises;
- iv. Any drug-related criminal activity on or near the premises;
- v. Other good cause. Other good cause may include, but is not limited to:
 - (1) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;

- b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.
- c. The owner may only evict the tenant by instituting court action. The owner must give the SFHA a copy of any owner eviction notice to the tenant at the same time that the owner gives the notice to the tenant.
- d. If the owner chooses not to renew a tenant's lease without good cause, the family will be issued a Housing Choice Voucher and the HAP contract will be reduced by one unit.

3. Termination of the Lease by mutual agreement

The family and the owner may at any time mutually agree to terminate the lease.

B. Termination of the Contract

1. Termination of the contract by the owner

The owner may terminate the contract by refusing to renew the HAP contract after the expiration of a HAP term.

The owner may also terminate the HAP Contract if the rent for the assisted units falls below the initial HAP rent.

2. Termination of the HAP contract by the SFHA

The Housing Authority may terminate the HAP contract because:

- a. The SFHA determines that there is insufficient funding in their contract with HUD to support continued assistance for families in the program.
- b. The owner has breached the contract in any of the following ways:
 - i. If the owner has violated any obligation under the PBV HAP contract for the dwelling unit, including the owner's obligation to maintain the unit in accordance with the HQS.

- ii. If the owner has violated any obligation under any other housing assistance payments contract under Section 8 of the 1937.
- iii. If the owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program.

If the owner engages in drug related activity or in violent criminal activity.

- iv. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;
- v. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 5. premises by tenants, SFHA employees or owner employees; or
 - 6. residences by neighbors;
- vi. Other conflicts of interest under Federal, State, or local law.

16.0 SFHA OWNED HOUSING

Units owned by the SFHA and not receiving subsidy under any other program are eligible housing units for the PBV Program. In order to comply with federal regulation, the SFHA will be required to request that the Regional HUD office conduct the provisions set forth pursuant to 24 CFR 983.59, 983.301 (g) and 983.303 (f).

17.0 MISCELLANEOUS

17.1 ASSISTING FAMILIES EXPERIENCING ILLEGAL DISCRIMINATION

It is the policy of the SFHA to comply fully with all federal, state and local anti-discrimination laws. The SFHA will not discriminate against any individual or family because of race, color, creed, national or ethnic origin or ancestry, religion, sex, sexual preference, age, disability, handicap, military status, source of income, marital status, presence of children in a household, or because an individual has or is suspected of having Acquired Immune Deficiency Syndrome (AIDS).

During briefing sessions, families are provided with a HUD brochure, Fair Housing- It's Your Right, and a form HUD-903, Housing Discrimination Complaint. If an applicant or participation requests assistance, the SFHA will provide help in completing this form and forwarded it to the California State HUD Office of Fair Housing and Equal Opportunity.

For complaints involving state and local laws, the SFHA will refer the applicant or participant to the appropriate state or city offices. If available, the SFHA will provide forms for filing discrimination complaints to state or city offices.

17.2 FAMILY BREAK-UPS

In the event of a family break-up by divorce or legal separation, the family shall decide who remains in the assisted unit. No further subsidy shall be provided to the departing spouse. In the event that the SFHA must determine which of the family members will continue to receive the Section 8 PBV assistance, the SFHA determination will be made based on the following priorities:

- 1 Mutual agreement of the family members. All adult family members must sign a mutual agreement form
- 2 A court stipulated determination of which household retains the assistance
- 3 The interest of minor children or of ill, elderly or disabled family members
- 4 The interest of family members who are victims of actual or threatened physical violence directed against a family member by a spouse or other member of the applicant household. Certification from the local police department, a social service agency, court of proper jurisdiction, or clergy, physician or facility that provides shelter or counseling to the victims of domestic violence will be required to verify the domestic violence
- 5 The continued use of the assistance in the current unit
- 6 Head-of-household.

- 7 For excepted units, the qualifying family member will be entitled to the continuation of the rental assistance. The qualifying member is defined as the household member who does not interrupt their supportive services obligations. Any excepted unit in which the elderly or disabled household member is no longer in residence, the remaining household members will not be entitled to remain in the excepted unit.

The family must notify the SFHA, in writing, within 14 days of the action causing the break-up and request a determination of the assignment of the assistance. The SFHA may schedule a meeting with the family members to discuss the assignment.

17.3 JOINT CUSTODY OF CHILDREN

Children who are subject to a joint custody agreement but live with one parent at least 51% of the time will be considered members of the household. “51% of the time” is defined as 183 days of the year, which do not have to run consecutively.

When both parents are on the Waiting List and both are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

18.0 REPAYMENT AGREEMENTS

Section 8 PBV participants may incur debts to the SFHA as a result of failure to accurately report income and family composition, for charges due under the lease that are paid by the SFHA and, under the certificate program, payments for units vacated in violation of the lease. Section 8 landlords may also incur a liability as a result of overpayment of HAP. The SFHA may, at its sole discretion, initiate a termination action, require repayment in a lump sum or allow the debtor to execute a promissory note to repay the debt over a period of time. The SFHA will take into consideration the amounts owed and the likelihood that the debtor will repay the debt before approving a repayment plan.

18.1 PARTICIPANTS

When a debt from a participant is established, the SFHA will determine whether there are other outstanding repayment agreements. If there are and the participant is not current on all payments, the SFHA will not execute a new repayment agreement. The participant will be required to pay the debt in full in order to continue to receive assistance from the SFHA. If there are no outstanding repayment agreements or if an agreement exists, the participant is current on all payments and the participant has adequate resources, the SFHA will allow the participant to enter into a promissory note to repay the new debt. The SFHA will require repayment over a twelve month period, with an initial payment of no less than 25 percent of the amount owed and eleven additional monthly payments over the remaining period. For debts in excess of \$1,000, the SFHA will consider a repayment agreement over eighteen months, with an initial payment of no less than 25 percent of the amount owed and seventeen additional monthly payments over the remaining period. The promissory note will specify the amounts and due dates of the payments.

Participants are expected to make all payments on a timely basis unless prior arrangements are made with the SFHA due to circumstances beyond the control of the participant. Upon the failure of the participant to make a payment, the SFHA will send a reminder notice requesting payment within five calendar days. If there is no response or a second payment is missed, the SFHA may send a letter demanding full payment of the outstanding amount. If a full payment is not received, the SFHA may initiate a termination of assistance action. The SFHA may periodically employ a collection agency to collect debts from terminated participants.

18.2 APPLICANTS

Applicants who owe money to any SFHA housing program or to any other Public Housing Agency (PHAs) will be required to repay the amount in full prior to receiving PBV assistance.

18.3 OWNERS AND FAMILY DEBTS

SFHA's policies regarding the collection of debts from owners and families, specifically the assessment of debts and method of recovering monies owed to the SFHA shall be consistent with the policies and procedures set forth in section 24 of the Section 8 Administrative Plan.

San Francisco Housing Authority

HUD Resident Assessment SubSystem (RASS)

Follow-Up Activities

Maintenance and Repair

The SFHA conducts annual comprehensive inspections, which include Uniform Physical Condition Standard (UPCS) inspection, as well as a Preventive Maintenance (PM) inspection. The Administrative Manager is responsible for developing and monitoring the annual inspection schedule. The inspectors are responsible for accurately identifying all deficiencies, UPCS violations, as well as PM concerns. Because the inspector is a frontline service provider, s/he leaves a business card with the resident so those residents have yet another SFHA communication vehicle. Once the inspections have been completed, it is the responsibility of the UPCS Inspector to identify all outstanding work orders for the inspected unit and generate new work orders for any additional deficiencies identified. Upon completing this task, the Maintenance Planner turns over the work orders to the Maintenance Manager for each inspected unit.

It is the responsibility of the Manager of Central Maintenance to assign the work orders to the appropriate craft personnel. The Manager of Central Maintenance is also responsible for collecting all work orders, completed and incomplete, at the end of the day. S/he must review the work orders to ensure that they are filled out correctly and turn them over to the appropriate craft forepersons for re-scheduling any incomplete work orders. Once the work is complete, it is turned over to the Data Entry Operators for close out in the CCS system and file the work orders in the appropriate file.

Maintenance personnel complete the regular PM inspections of systems, with assistance/input from Modernization and contractor personnel. The PM repair work is assigned to Maintenance PM crews and supplemented by other Maintenance sector support crafts, and outside contractors whenever necessary. These crews record the results, and make the necessary repairs. Whenever needed, an outside contractor is utilized to make the repairs needed. The Manager of Central Services is responsible for correcting identified PM deficiencies in no more than twenty (20) working days. He is also responsible for verifying the successful completion of the contractor work and the closing out of the associated PM work order. PM program report forms by site and building address shall be filed and maintained.

The Maintenance Plan can represent a source of cost savings (labor hours, material, travel and overtime) to the SFHA through the correction of routine maintenance deficiencies before the conditions become emergencies, and as such, costly to repair. It also allows a more planned response to maintenance of units, major systems, and common areas rather than correcting deficiencies when they happen which usually causes down time and unnecessary overtime cost. If the plan is correctly performed, the maintenance workload will be more manageable and will assist to maintain an acceptable turnaround time for all maintenance work.

All exigent and fire safety hazards as defined by REAC shall be considered an emergency work order. As such, these work orders shall be completed within 24 hours, and a work order or document shall be maintained by Central Services, showing the date and time the work was performed and completed.

The guidelines for the determination and classification of emergencies will be amended to reflect such change. Emergency work orders shall be tracked daily for completion. During the fiscal year 2004-2005, there were 3,028 emergency work orders entered into the system. Of that number, only three (3) emergency work orders were not completed within the 24- hour requirement.

The communication exchange between Maintenance, Property Management Offices, and residents has recently been improved. This is through the creation of an additional address in the SFHA network outlook. This is called the "Maintenance Request" address, which allows direct access to the Director of Maintenance for all types of maintenance request, follow-up and related services. Property Management staff can now access the office of the Director of Central Services directly by opening the "Maintenance Request" addresses. All requests received through this system are immediately routed to the appropriate forepersons, which immediately dispatch the work requested out into the field. Both the request and response times are documented, and forwarded to the requestor, the craft who completed the work, the Manager of Central Services, and the outlook file of the Director of Central Services. Moreover, Central Services management staff attends all resident meetings and/or town hall meetings to determine resident needs and concerns in the delivery of maintenance services. The information gathered during these meetings is compared to outstanding work orders relative to the specific deficiencies raised by the residents. These work orders are then scheduled for completion by appropriate staff. In addition, maintenance staff advises residents of the ongoing or future modernization programs in their developments. This is part of our effort to notify residents of the improvements being made to the development, and to encourage them to maintain their neighborhood better.

All craft forepersons as well as journeymen are required to attend HTVN training which is provided by the Authority. Classes on different craft classification are published and key craft personnel are required to attend. This is part of our effort to ensure that maintenance staffs are adequately trained by offering training opportunities, which include subjects for professional conduct standards in communicating with residents. It is extremely important that maintenance staffs are polite and effective in communicating with residents.

Communication

As a service-oriented agency, the SFHA seeks to communicate effectively with its clientele, i.e., the residents. This will be accomplished in the following manner:

- Hold resident meetings, both on a group and individual basis, regarding their concerns and perceptions.
- Train agency staff to communicate effectively and professionally with residents.
- Ensure adequate internal communications to management/staff on policy and procedural matters.
- Make written housing policies and procedures available to the residents. Allow residents an opportunity to comment and make suggestions.
- Through the agency's Diversity Office, avail interpreters to those, for whom English is not their primary language.
- Send informational brochures, flyers, and letters periodically to the residents. This may include general notices with the monthly rent bill, leaving notices at their dwelling units and/or in the Property Offices.
- Encourage resident committees and organizations to participate more fully on improving their development and community.
- Notify families and seniors of upcoming physical improvements. Help foster a positive resident attitude and have them assist as agents of change.

- Bridge the gap between young and older mothers through the establishment of a Mothers' Committee, creating an open communication channel for young mothers to dialogue.

Safety

The Authority continues to forge strong working relationships with residents, local police, and private security personnel in its efforts to combat crime and crime-related issues, in-and-around all SFHA developments.

At present, the SFHA contracts with several private security firms to provide armed security patrols at many of the Authority developments. The agency also works closely with the San Francisco Police Department (SFPD). It continues to provide a high level of officer presence and visibility on Authority developments, particularly during critical periods where increased gun violence occurs.

The Drug Elimination Program (DEP) funds had greatly enhanced the Authority's efforts to combat crime on several developments, particularly involving resident safety and security issues. Since the beginning of DEP and through the coordination and cooperation of local law enforcement and private security, crime has decreased significantly at several authority developments. However, in recent years, HUD curtailed the program nationally because of restricted funding.

The Authority implemented several strategies that have substantially reduced crime at several developments. They include, in part, the following:

- Monthly community meetings involving residents, City police, and private security firms
- Increased private armed security
- Variable shift changes/deployment of private security guards
- Cooperation with SFPD for special recognizance and surveillance
- New prevention and intervention strategies
- Stricter enforcement of gated community rules
- Use deprogrammed dwelling units as police substations
- Cooperate and assist police, when requested, in accessing vacant units and facilitating surveillance and pursuit
- Provide units or recreation space for community policing activities
- Work with other agencies, parole, and probation for increased information sharing on individuals living on Authority developments

In addressing residents' needs and responding to HUD RASS Safety concerns, the agency imposed strict performance standards on companies providing security services at Authority developments. They are expected to be highly visible and proactive while on-patrol. The firms provide management and legal staff documented written reports of incidents occurring on public housing developments. These reports have been extremely useful in the Authority's efforts to evict residents for serious lease violations.

Many past, successful strategies used to reduce and combat crime at SFHA developments will continue to be a part of the San Francisco Housing Authority's Follow-Up Plan. The Authority will continue to develop plans and strategies that involve cooperation and a close, collaborative working relationship with residents, local police, and security firms in combating crime in our developments.

Services

The SFHA recognizes that it provides more-than-shelter to its residents. As such, its many supplemental services include

- In-house job training, placement, and referral service
- HOPE VI Case Management Program
- Self-Sufficiency Family Grant Program
- Campus of Learners Program
- Computer Learning Centers at numerous developments
- Citywide Tutorial Program
- Tutorial After School Program
- Childcare Assistance
- Head Start Programs
- Senior/Youth Community Resources
- Diversity Office to assist families/seniors on needed translation services
- Working with local schools/junior colleges to further the residents' education opportunities

Neighborhood Appearance

- Being mindful of its clientele, the SFHA deems it paramount to communicate with residents. Therefore, group and individual meetings are held on the upkeep and appearance of their development and to address their concerns.
- SFHA has a process in place for dealing with abandoned buildings and vacancies.
- Pests are exterminated regularly and on an as-needed basis.
- SFHA has initiated quarterly trash days, so residents may dispose of their large items.
- Being proactive on improving the appearance of the neighborhoods, the agency has regular, monthly clean-up days. The Authority will continue to work closely with Sunset Scavenger, the local trash collection company, on its nationally-renown recycling program.
- Establish and engage the neighborhood in a monthly clean-up program. The team will plant gardens and take other actions to help beautify the development.
- Strive toward eliminating graffiti promptly, e.g., within 24-hours of report.

I. NONDISCRIMINATION AND ACCESSIBILITY

A. Compliance with Civil Rights Laws

1. It is the policy of the San Francisco Housing Authority to comply with all applicable laws relating to Civil Rights, including:
 - a) Title VI of the Civil Rights Act of 1964 [**24 CFR Part 1**];
 - b) Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988) [**24 CFR Part 100**];
 - c) Executive Order 11063, Section 504 of the Rehabilitation Act of 1973 [**24 CFR Part 8**];
 - d) The Age Discrimination Act of 1975 [**24 CFR Part 146**];
 - e) Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern). [**Title II deals with common areas and public space, not living units**];
 - f) Any applicable State laws or local ordinances; and
 - g) Any legislation protecting the individual rights of tenants, applicants, or staff that may subsequently be enacted.
2. The San Francisco Housing Authority shall not discriminate because of race, color, national origin, sex, religion, familial status, or disability in the leasing, rental, or other disposition of housing or related facilities, including land, that is part of any development or developments under the San Francisco Housing Authority's jurisdiction covered by a contract for annual contributions under the United States Housing Act of 1937, as amended, or in the use or occupancy thereof. ¹ [**24 CFR 100.5**].
3. The San Francisco Housing Authority shall not, on account of race, color, national origin, sex, religion, familial status, or disability:
 - a) Deny any family the opportunity to apply for housing, nor deny any qualified applicant the opportunity to lease housing suitable to its needs;
 - b) Provide housing which is different from that provided others ²
 - c) Subject a person to segregation or disparate treatment;
 - d) Restrict a person's access to any benefit enjoyed by others in connection with the housing program;

¹ Under the Housing and Community Development Act of 1992, SFHA is permitted to designate occupancy of certain developments for older persons (including elderly people with disabilities).

² SFHA is required to provide persons with disabilities with housing that is appropriate for their needs. This accessible or adaptable housing, although different from that provided to others, enables persons with disabilities to participate in the public housing program.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- e) Treat a person differently in determining eligibility or other requirements for admission;³
 - f) Deny a person access to the same level of services;⁴ or
 - g) Deny a person the opportunity to participate in a planning or advisory group, which is an integral part of the housing program.
4. The San Francisco Housing Authority shall not automatically deny admission to a particular group or category of otherwise qualified applicants (e.g., families with children born to unmarried parents, elderly families with pets, or families with members who have eligible immigration status). Each applicant in a particular group or category must be treated on an individual basis in the normal processing routine [24 CFR 960.205].
5. The San Francisco Housing Authority will not permit these policies to be subverted for personal or political favors. The San Francisco Housing Authority will not offer units in an order different from that prescribed by this policy, since doing so violates the policy, federal law and the civil rights of the other families on the waiting list [24 CFR 960.204(a)(3)(ii)].

B. Addressing Barriers to Equal Housing Opportunities

1. The San Francisco Housing Authority will identify and eliminate situations or procedures that create a barrier to equal housing opportunity for all. In accordance with Section 504, and the Fair Housing Amendments Act of 1988, the San Francisco Housing Authority will relocate a resident with a disability to a unit with necessary accommodations. If there is no accessible unit available, SFHA will make structural modifications to its housing and non-housing facilities [24 CFR 8.21, 8.23, 8.24, and 8.25] and make reasonable accommodations [24 CFR 100.204], or combinations of the structural modifications and reasonable accommodations, to permit persons with disabilities to take full advantage of the housing program.
2. In making reasonable accommodations or structural modifications to existing housing programs [24 CFR 8.24] or in carrying out other alterations [24 CFR 8.23 (b)] for otherwise qualified persons with disabilities, the San Francisco Housing Authority is not required to:
- a) Make each of its existing facilities accessible [24 CFR 8.24 (a) (1)]; or make structural alterations when other methods can be demonstrated to achieve the same effect [24 CFR 8.24 (b)];

³ Except that SFHA is obliged to offer reasonable accommodations to applicants with disabilities. This will not affect SFHA's screening or eligibility standards, but might require SFHA to revise its procedures or practices in carrying out those standards.

⁴ This requirement applies to services provided by the San Francisco Housing Authority and by delegate agencies that operate on SFHA property. Thus, a health-screening program offered by the local health department in a SFHA community room must be fully accessible to persons with disabilities.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- b) Make structural alterations that require the removal or altering of a load-bearing structural member [24 CFR 8.32 (c)];
- c) Provide an elevator in any multifamily housing project solely for the purpose of locating accessible units above or below the grade level [24 CFR 8.26];
- d) Take any action that would result in a fundamental alteration in the nature of the program [24 CFR 8.24 (a) (2)]; and
- e) Take any action that would result in an undue financial and administrative burden on the Authority [24 CFR 8.24 (a) (2)]. This is not applicable to housing undergoing substantial alteration.
- f) When the San Francisco Housing Authority is making substantial alterations (in developments with 15+ units, work whose value exceeds 75% of the replacement cost of the facility) to an existing housing facility [24 CFR 8.23] the San Francisco Housing Authority is not required to:
 - (1) Provide an elevator in any multifamily housing project solely for the purpose of locating accessible units above or below the grade level [24 CFR 8.26];
 - (2) Make structural alterations that require the removal or altering of a load-bearing structural member [24 CFR 8.32 (c)]; and
 - (3) Make structural alterations to meet minimum accessibility requirements where it is structurally impracticable. Structural impracticability is defined as: Changes having little likelihood of being accomplished without removing or altering a load-bearing structural member and/or incurring an increased cost of 50% or more of the value of the element of the building or facility involved [24 CFR 8.32 (c) and 40, Uniform Federal Accessibility Standards, 3.5 and 4.1.6(3)].

C. Office, Facility, and Program Accessibility

- 1. SFHA offices, facilities and programs used by residents must be accessible to residents with a full range of disabilities. If offices, facilities and programs are not accessible (and located on accessible routes), some will be made so, subject to the undue financial and administrative burden test. As an alternative, when comparable facilities or programs exist in accessible and non-accessible formats, the San Francisco Housing Authority may provide accessible transportation to the accessible facility to permit participation in the program [24 CFR 8.20 and 8.21].
- 2. Documents intended for use by applicants and residents will be made available in formats accessible for those who have vision or hearing disabilities. For applicants or residents who have limited reading skills, staff will read and explain documents that are normally handed out to be read or completed [24 CFR 8.6].

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

3. At the point of initial contact, the San Francisco Housing Authority staff will ask all applicants whether they need some form of communication other than plain language paperwork. Alternative forms of communication might include: sign language interpretation, having materials explained orally by staff, either in person or by phone, large type materials, information on tape, and having someone (friend, relative or advocate) accompany the applicant to receive, interpret and explain housing materials [**24 CFR 8.6**].
4. Staff will be trained to provide examples, verbally and in written format, of complicated concepts such as eligibility, rent computation, applicant screening, reasonable accommodations, and lease compliance to enable applicants with learning or cognitive disabilities to understand as much as possible [**24 CFR 8.6**].
5. Where feasible, or when required by federal or State regulations, the San Francisco Housing Authority will prepare the following information in clearly written and accessible formats:
 - a) Marketing and informational materials
 - b) Information about the application process
 - c) Critical forms, form letters, and legal notices to applicants and residents
 - d) General statement about reasonable accommodation
 - e) Orientation materials for new residents
 - f) The lease and house rules (if any)
 - g) Guidance or instructions about care of the housing unit
 - h) Information about opening, updating or closing the waiting list
 - i) All information related to applicant's rights (to informal hearings, etc.)

D. Providing Information in Languages Other than English

1. Whenever dictated by significant population concentrations of persons speaking languages other than English, the above mentioned materials and messages will be made available in those languages.⁵
2. Applicants and residents with low English comprehension may furnish an interpreter to assist in communications with SFHA offices or programs.

⁵ **24 CFR 5.502** requires that any notice or document relative to citizen or eligible immigration status, where feasible, be provided to an applicant or tenant in a language that is understood by the individual if the individual is not proficient in English.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

E. Marketing and Informational Materials

1. The San Francisco Housing Authority will conduct outreach activities as needed to maintain an adequate application pool representative of the eligible population in the area. Outreach efforts are determined by the vacancy level at SFHA sites, availability of units through turnover, and waiting list characteristics. The San Francisco Housing Authority will periodically assess these factors in order to determine the need for and scope of any marketing efforts.
2. Marketing and informational materials will be subject to the following:
 - a) All marketing materials must comply with Fair Housing Act requirements with respect to wording, logo, size of type, etc. **[24 CFR 110]**;
 - b) Marketing will describe the housing units, application process, waiting list and preference structure accurately;
 - c) Marketing materials will make clear who is eligible: low income individuals, families who may be elderly and or have a disability, and families eligible because of mixed income requirements;
 - d) Marketing will be written in simple, clear language and will use more than strictly English-language print media;
 - e) Marketing materials will clearly describe the San Francisco Housing Authority's responsibility to provide reasonable accommodations or modifications to people with disabilities; and
 - f) An effort will be made to target all agencies that serve and advocate for potentially qualified applicants (e.g. applicants with disabilities, to ensure that accessible/adaptable units are used by people who can best take advantage of their features).

II. ELIGIBILITY FOR ADMISSION

A. Qualification for Admission

1. The San Francisco Housing Authority will admit only qualified applicants⁶. SFHA's housing will not be housing of last resort.
2. An applicant (individual or family) is qualified by meeting all of the following criteria:
 - a) Is a family as defined in Section XIV of this policy **[24 CFR 5.403]**;
 - b) Heads a household in which at least one member declares either citizenship or verifiable eligible immigration status. **[24 CFR 200, and Subtitle G; Sec. 592 of the "Quality Housing and Work Responsibility Act of 1998" herein called**

⁶ The term "qualified" refers to applicants who are eligible and able to meet the applicant selection standards. This term is taken from **24 CFR 8.3** "Definition of qualified individual with disabilities."

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

“QHWRA”]; See the SFHA policy on *Restrictions on Housing Assistance to Non-Citizens*, (Appendix A).

- c) Has an Annual Income at the time of admission that does not exceed the income limits for occupancy established by the Department of Housing and Urban Development [24 CFR 5.405(a)].
- d) Provides a Social Security number for each family member age 6 years or older, or certifies that a household member does not have a Social Security number [24 CFR Part 5];
- e) Meets or exceeds the Applicant Screening Criteria set forth in Section III, Paragraph D of this document, including attending and successfully completing a SFHA-approved orientation class [24 CFR 960.205].

B. Ineligibility for Admission and Placement on the Waiting List

- 1. No applicant may use a SFHA public housing address unless they are on the public housing lease for that unit.
- 2. Persons are ineligible for admission into the SFHA public housing program if the applicant owes any back rent, utilities, or damages to the SFHA under the public housing or Section 8 program, or any other Housing Authority or Section 8 program.
- 3. Under the policy for *Screening and Eviction for Drug and Other Criminal Activity* of this document (see Section V) [QHWRA; Sec. 576], persons are ineligible for housing assistance for any of the following:
 - a) Any member of an applicant household who has been evicted from public housing or a Section 8 unit because of drug-related criminal activity within three years of the eviction date is ineligible unless the evicted tenant successfully completes a rehabilitation program approved by the San Francisco Housing Authority (which shall include a waiver of this subsection if the circumstances leading to eviction no longer exist) [QHWRA; Sec. 576(a)];
 - b) If the SFHA determines that an applicant or any member of the applicant’s household is or was, during a reasonable time prior to the date when the applicant household would otherwise be selected for admission, engaged in any drug-related criminal activity, violent criminal activity, or other criminal activity which would adversely affect the health, safety, or right to peaceful enjoyment of the premises by other resident the SFHA shall:
 - 1) Deny such applicant admission to the program or to federally assisted housing; and
 - 2) After the expiration of the reasonable period beginning upon such activity, require the applicant, as a condition of admission to the program or federally assisted housing, to submit to the SFHA evidence sufficient (as provided by regulation) to ensure that the individual or individuals in the

SAN FRANCISCO HOUSING AUTHORITY

household who engaged in criminal activity for which denial was made, have not engaged in any criminal activity during such reasonable period.
[QHWRA; Subtitle F; Sec. 576(c)]

For the purpose of reviewing police records for histories of criminal activity, the Authority will consider ten (10) years prior to an admissions determination, a reasonable period of time to check convictions and patterns of criminal activity.

Drug-related criminal activity is defined as “the illegal manufacture, sale, distribution, use, or possession with intent to manufacture, sell, distribute, or use, of a controlled substance....” **[42 USC 1437d]**

- c) The Authority determines any member of an applicant household is illegally using a controlled substance; or
 - d) The Authority determines that there is reasonable cause to believe that such member’s illegal use (or pattern of illegal use) of a controlled substance, or abuse (or pattern of abuse) of alcohol may interfere with the health, safety, or right to peaceful enjoyment of SFHA property by residents and employees.
- 5. At the time of initial intake, applicants will be asked to verify that the above items do not apply to their application.
 - 6. Notwithstanding any other provision of law, no individual shall be considered a person with disabilities, for the purposes of eligibility for low-income housing, solely on the basis of any drug or alcohol dependence. **[QHWRA; Subtitle A; Sec. 506(3)]**
 - 7. Notwithstanding any other provision of law, the SFHA shall prohibit admission to all federally assisted housing to any applicant household that includes any individual who is subject to a lifetime registration requirement under a State sex offender registration program. **[QHWRA; Subtitle F; Sec. 578(a)]**
 - 8. The SFHA shall permanently deny admission to all federally assisted housing, any applicant or household member who has been convicted of manufacturing or producing methamphetamine (commonly referred to as speed) on the premises of federally-assisted housing. **[Sec. 16; subsection(f) of the USHA as amended by Sec. 428 of the FY 1999 Appropriations Act]**

C. Consideration of Rehabilitation

- 1. When making determinations concerning applicant eligibility, SFHA may consider whether the applicant household member in question can demonstrate that:
 - a) They have successfully completed a supervised drug or alcohol rehabilitation program, are no longer engaging in illegal use of a controlled substance or abuse of alcohol, and have been “clean and sober” for a period of no less than twelve (12) months; or

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- b) They have been otherwise rehabilitated successfully, are no longer engaging in illegal use of a controlled substance or abuse of alcohol, and have been “clean and sober” for a period of no less than twelve (12) months.
2. The San Francisco Housing Authority may make inquiries to a drug abuse treatment facility that are solely related to whether the applicant household member in question is currently engaging in the illegal use of a controlled substance in cases where:
- a) The Authority receives information from the criminal record of the applicant that indicates evidence of a prior arrest or conviction; or
 - b) The Authority receives information from the records of prior tenancy of the applicant that demonstrates that the applicant engaged in the destruction of property; engaged in violent activity against another person; or interfered with the right of peaceful enjoyment of the premises of another tenant. **[QHWRA; Subtitle F; Sec. 575 (u)(1);3(B)(I)(II)]**
3. For persons who previously have been evicted from public housing for drug-related criminal activity, they must provide the SFHA with verifiable evidence that the circumstances leading to the eviction no longer exist. **[42 USC 1437d]**

D. Confidentiality

The San Francisco Housing Authority, as part of its applicant screening process, requires criminal background report information on all adult household members, credit reports, and evictions records in addition to any and all other inquiries it deems essential to determining the suitability of each applicant household for admission or continued occupancy. The Authority will use this information only for the purposes of eligibility determination and such information will not be disclosed to any person who is not an officer, employee, or authorized representative of the agency and who has a job-related need to have access to the information in connection with admission of applicants, eviction of tenants, or termination of assistance. For judicial eviction proceedings, disclosures may be made to the extent necessary to present the case.

E. Penalty

Any person who knowingly and willfully requests or obtains any information concerning an applicant for, or tenant of, covered housing assistance pursuant to the authority under this subsection under false pretenses, or any person who knowingly and willfully discloses any such information in any manner to any individual not entitled under any law to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000. The term ‘person’, as used in this paragraph, includes an officer, employee, or authorized representative of the San Francisco Housing Authority.

F. Civil Action

Any applicant for, or tenant of, any covered housing assistance affected by (A) a negligent or

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

knowing disclosure of information referred to in this subsection about such person by an officer, employee, or authorized representative of the San Francisco Housing Authority, which disclosure is not authorized by this subsection, or (B) any other negligent or knowing action that is inconsistent with this subsection, may bring a civil action for damages and other such relief as may be appropriate against the SFHA for such unauthorized action. The San Francisco District Court of the United States, if the affected applicant or resident resides in said district shall have jurisdiction in such matters. Appropriate relief that may be ordered includes reasonable attorney's fees and other litigation costs. [QHWRA, Sec. 575(C)(5)(6)(7)]

III. PROCESSING OF APPLICATIONS

A. Registration (Pre-Application) Process

SFHA accepts and processes all applications in accordance with applicable HUD Regulations.

1. SFHA registrations shall be available throughout the San Francisco community at the following locations:

- a) 440 Turk Street
- b) All property management offices
- c) Section 8 Department, 1815 Egbert

The registration forms must be returned to the address listed on the registration form. Registration forms will not be accepted at any other locations.

- a) Registrations will be date/time stamped upon receipt.
- b) Eligibility staff will enter registrations into computer system.

2. The registration process shall ask sufficient information to allow selection according to the Tenant Selection and Assignment Plan.

- a) All preferences with point values will be included.

3. SFHA staff shall accept all registrations even if an informal discussion reveals the applicant may not be eligible.

- a) Families will not be discouraged from registering or be rejected based on "apparent ineligibility."
- b) Registrations will be accepted from persons who do not live or work in the City/County of San Francisco.
- c) A public housing family may contain family members who wish to apply for public housing as a separate family. These registrations shall be accepted.

4. Monthly, the eligibility staff will mail an eligibility letter to all applicants who registered that month and who appear to be eligible.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- a) Notation made in computer field of original date of registration, and that eligibility letter generated.
5. Monthly, the eligibility staff will mail an ineligibility letter to all applicants who registered that month and who appear to be ineligible.
 - a) Notation will be made in computer field of original date of registration, and that ineligibility letter generated.
 - b) SFHA staff to input into computer specific reason(s) for determination of ineligibility.

Letter shall include specific reason(s) for ineligibility and applicant's right to dispute SFHA's determination.

B. Waiting List Management

1. The Authority's waiting list is administered according to HUD regulations and any applicable court orders. Applicants are placed on the waiting list by bedroom size, by date and time of application and any applicable preferences.
2. SFHA will update the waiting list at least once a year by removing the names of those families who are no longer interested, no longer qualify for housing, or cannot be reached by telephone or mail. At the time of initial intake, SFHA will advise families of their responsibility to notify the SFHA when their circumstances, mailing address or phone numbers change.
3. Opening and closing waiting lists:
 - a) SFHA, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part. SFHA may elect to: close a waiting list completely; close a list during certain times of the year; or restrict intake by preference (including income in a mixed income property), type of project, by bedroom size, or type of dwelling unit.
 - b) Decisions about closing the waiting list will be based on the number of applications available for a particular size or type of unit, the number of applicants who qualify for a preference, and the ability of SFHA to house an applicant in an appropriate unit within a twelve-month period. SFHA will publicly announce any decision to close a waiting list, restrict intake, or re-open a waiting list.
 - c) During the period when the waiting list is closed, SFHA will not maintain a list of individuals who wish to be notified when the waiting list is reopened.
4. Change in preference status while on the waiting list

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- a) Applicants are responsible for contacting SFHA when the family experiences a change in the circumstances that qualifies applicants for a housing preference. Upon such notification, SFHA will review the family's preference status and adjust their position on the waiting list accordingly.
- b) SFHA will inform applicants in writing of how the change in status has affected the family's place on the waiting list.

5. Applicants must notify SFHA of any change in address.

If applicants fail to respond to any SFHA correspondence, or if any mail sent from SFHA to the applicant is returned undelivered, the SFHA will mail the correspondence by certified mail, and will document the file.

If there is no response to the certified correspondence, or if the correspondence is returned to the SFHA, the applicant will be dropped from the waiting list. Reinstatement to the waiting list will be considered if:

- a) the applicant contacts the SFHA within one year of the date of withdrawal from the waitlist and requests to be reinstated; and,
- b) the applicant can provide "good cause" for the lack of response to SFHA correspondence (moving to a new address is not a "good cause" unless the applicant can demonstrate that SFHA was notified); and,
- c) the applicant can provide documentation to support the "good cause".

If the head of household on the application has removed himself/herself from the household due to domestic violence, the SFHA will consider this a "good cause" for not responding to correspondence. The head of household must provide documentation (i.e., restraining orders, court orders, a letter from a domestic violence shelter or caseworker) to verify the domestic violence circumstances.

SFHA will consider reasonable accommodation for persons with disabilities, serious medical conditions, or emergencies on a case-by case basis.

C. Household Splits

If a household on the waiting list splits into two otherwise eligible families due to divorce, legal separation, or as the result of domestic violence, and the new households both claim rights to the application status on the waiting list, the SFHA will make a determination as to which household has rights to the application based on the following priorities:

1. Which household member applied as the head of household.
2. Which family unit retains the children or any disabled or elderly family member(s).
3. Restrictions that were in place at the time the household registered for public housing.
4. Role of domestic violence in the split.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

5. Recommendations of social service agencies or qualified professionals, such as the children’s protective services.

Documentation of these factors is the responsibility of the applicant households. If either, or both, of the households do not provide documentation, they may be denied placement o the waiting list for failure to supply information requested by the SFHA. If the household that does not retain the rights to the application so desires, the head of household of that household may register as a separate household. The new registration will be dated as of the new registration date, not that of the original registration.

In cases where domestic violence plays a role, the standard used for verification will be the same as that required for the “displaced due to domestic violence” preference.

D. Joint Custody

Children who are subject to a joint custody agreement, but who live with one parent at least 51% of the time, will be considered members of that household. When both parents are on the waiting list, and both are trying to claim the child, the parent whose address is listed on the school records, or who is receiving monetary aid from DHS, will be allowed to claim the child as a dependent. This child will be factored into the bedroom size calculation.

For the parent who cannot claim the child as a dependent, even if the joint custody agreement awards her or him 49% of the child’s time in the household, s/he is not entitled to claim the child as a dependent and the child will not be used to calculate bedroom size.

IV. FACTORS AFFECTING THE OFFERING PROCESS

Certain factors, such as bedroom size, accessible features, and unit designation, affect the “matching” of a qualified applicant family to a housing unit, and thereby influence offers of housing.

A. Bedroom Size and Unit Standards

The San Francisco Housing Authority will house applicants and residents according to their appropriate bedroom size. Households are matched to units according to family size, the minimum and maximum persons allowable per unit, and general occupancy standards with discretion permitted to accommodate family circumstances and family choice.

1. The SFHA has established a minimum and maximum number of persons allowable per unit using the standards highlighted in the table below. In using this table, the living room or dining room will not be used as a bedroom.

Minimum-Number-of-Persons-Per-Unit Standard

Number of Bedrooms	Max Persons/Unit	Min Persons/Unit
--------------------	------------------	------------------

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

0BR	1	1
1BR	2	1
2BR	4	2
3BR	6	3
4BR	8	6
5BR	10	8
6BR	12	10

2. SFHA has two categories of occupancy standards, which will be used when determining the appropriate bedroom size for a household: standards that cannot be modified and standards that may be modified.
- a) The following standards cannot be modified, unless it is a case of reasonable accommodation for a person with disabilities or at the discretion of the Executive Director or designee.
- (1) Two children of the same sex, regardless of age, will be required to occupy the same bedroom
 - (2) A live-in attendant may be assigned a bedroom;
 - (3) An unborn child shall be considered as a person in determining unit size. A single pregnant woman shall be assigned to a one-bedroom unit;
 - (4) Children who are temporarily away from the home because of placement in foster care, kinship care or away at school will be considered in bedroom size;
 - (5) Housing assistance limitation for single persons: A single person who is not elderly, or a person with a disability, or a displaced person (a person that becomes homeless as the result of a federally declared natural disaster), or the remaining member of a resident's family, will not be provided a housing unit with two or more bedrooms. **[24 CFR 5.405(c)]**
 - (6) A displaced person (as defined in 24 CFR 5.403) may occupy a unit with two or more bedrooms if zero- to one-bedroom units are not available at the time of the displacement designation. However, upon recertification, a displaced person is subject to unit standards and will be housed in a unit according to the appropriate bedroom size;

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- (7) A remaining family member may occupy a unit with two or more bedrooms if the unit in which they reside is larger than a one-bedroom unit. However, upon recertification, the remaining family member is subject to the unit size standards and will be housed in a unit according to the appropriate bedroom size.
- b) To expedite an offer of housing, the following standards may be modified at the request of the family:
 - (1) Persons of different generations (parent, child, grandparent) or opposite sex (other than husband and wife) may occupy the same bedroom.
 - (2) Two children of the opposite sex may share a bedroom
 - (3) A single head of household parent may share a bedroom with his/her children.
 - (4) Any requests by the family must be in writing and will be documented in their applicant/housing file.
3. Under these unit standards, applicant households may be eligible for more than one bedroom size. In such instances, the family may be placed on waitlists for both bedroom sizes. For example: A mother with an infant chooses a one-bedroom unit over a two-bedroom unit to be housed quicker. At any time during the Admissions process, an applicant may remove their request to modify occupancy standards to be housed in a smaller unit. This action will not be considered a refusal of housing.
4. For purposes of construction or rehabilitation of units, the unit bedroom size distribution will be based on the bedroom size demand from the waiting list, census tract information regarding the average size of low income families, the current SFHA population (including relocatees), budgetary and spatial limitations.

B. Accessible Units

Refer to Section V, Part C.

C. Designated Units

1. Listed below are four types of designated units. When such matching is required or permitted by law, SFHA will give preference to the families described below:
 - a) Units Designated for Elderly Families ⁷ [24 CFR 945.201, 945.105, 945.203, and 945.303] — in accordance with the 1992 Housing Act, elderly families will receive a preference for admission to such units or buildings covered by an approved Allocation Plan.

⁷ **Elderly Family** means a family whose head, spouse, or sole member is a person who is at least 62 years of age; or two or more persons who are at least 62 years of age living together; or one or more persons who are at least

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- b) Units Designated for Families with Disabilities ⁸ [24 CFR 945.105, 945.201, 945.203, 945.205, and 945.303] — in accordance with the 1992 Housing Act, disabled families will receive a preference for admission to units that are covered by an approved Allocation Plan;
- c) Mixed Population Units ⁹ [24 CFR 945.105 and 960.401, 960.403, 960.405, 960.407 and 24 CFR 960.405] — in accordance with the 1992 Housing Act, elderly families and families with disabilities will receive equal preference for admission to these units. No limit will be established on the number of elderly versus the number of families with disabilities that may occupy a mixed population property;
- d) Mixed Income Units – units designated for families whose income is between 40 to 80 percent of the San Francisco metropolitan area median income [24 CFR 5.410(e) and 24 CFR 5.415(b)(1)].

D. Income Targeting

The SFHA shall ensure that at least 40% of its new admissions each fiscal year are to families whose incomes at the time of initial occupancy do not exceed 30% of the San Francisco area median income (AMI).

E. Deconcentration

The SFHA's local preferences are designed to provide for deconcentration of poverty and income mixing by bringing working families into public housing developments. The SFHA's deconcentration analysis is fully described in the PHA Plan. The SFHA will not skip names on the waiting list to promote deconcentration.

⁶ 62 years of age living with one or more live-in aides.

⁸ **Disabled Family** means a family whose head, spouse, or sole member is a person with disabilities; or two or more persons with disabilities living together; or one or more persons with disabilities living with one or more live-in aides.

⁹ A **mixed population project** is a property (or portion of a property) that was: reserved for elderly and disabled families at its inception and has retained that character; or the SFHA obtained HUD approval to give preference in tenant selection to elderly and disabled families [24 CFR 960.405]. These were formerly known as elderly projects.

F. Local Housing Preferences

1. Section 514 of the “Quality Housing and Work Responsibility Act of 1998” (QHWRA) permanently repealed the “Federal Preferences” (Involuntary Displacement, Substandard Housing, and Paying More Than 50% Towards Rent). In response to public hearings conducted in the development of this Admissions and Continued Occupancy Policy, the SFHA has adopted the old “Federal Preferences” as “Local” preferences. In order to be consistent with HUD’s mandate to diversify the income levels within public housing developments, the SFHA has adopted a local preferences giving priority to working families [QHWRA; Sec. 514]. The criteria for the local preferences shall be reasonably related to attaining, to the maximum extent feasible, a tenant population in each development that is composed of families with a broad range of incomes. The Authority has adopted local preferences that are reasonably calculated to attain this basic objective [24 CFR; Sec. 960.205(c)]. Applicant families who qualify for a local preference shall have preference for admission.

2. Definition of local preferences
 - a) First, preference shall be given to applicants whose family head or spouse is employed at least 32 hours per week. Employed means working and earning wages. The amount of earnings shall not be a factor in granting this Local Preference. Families whose family head or spouse or whose sole remaining member is 62 years of age or older or a person with disabilities, will also receive this preference.
 - b) Second, preference shall be given to families whose head or spouse is employed at least 20 hours per week; or is attending an accredited institution of higher learning (college, trade school, vocational school or a GED program) full-time and the course study is expected to lead to employment; or verifiable participation in or graduation from an accredited job training program. The amount of earnings shall not be a factor in granting this preference.
 - c) Veterans’ preference shall be given to veterans and surviving spouses of veterans. A veteran is someone who is recognized by a local, state or federal government agency as a veteran, and he or she receives or qualifies for veterans’ benefits.
 - d) The SFHA shall give a preference to recognize victims of domestic violence qualified for a local preference. [QHWRA; Sec 513]
 - e) The Authority has adopted, as a preference, rent burden, or families paying more than 50 percent of their gross monthly income for rent and utilities.
 - f) The Authority has adopted substandard housing as a preference. Substandard housing is defined as:
 - (1) Dilapidated housing:
 - i. Does not provide safe and adequate shelter and endangers the health, safety or well-being of family; or

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- ii. Has one or more critical defects or combination of intermediate defects in sufficient number or extent to require considerable repair or rehabilitation.
 - (2) The former federal preference did not include “overcrowded” as part of the definition of substandard housing. The SFHA does not include “overcrowded” as included in the definition of substandard housing.
 - g) Further, the Authority recognizes the following as local preferences:
 - (1) Applicants who are long-term homeless and in need of permanent replacement housing
 - i. An individual is considered homeless if he or she lacks a fixed, regular, and adequate nighttime residence, or the primary residence is a supervised public or privately owned shelter, welfare hotel, or transitional housing facilities.
 - (2) Displaced. applicants qualify for involuntary displacement preference if either of the following applies:
 - i. Applicant has been involuntarily displaced and is not living in standard permanent replacement housing; or
 - ii. Applicant will be involuntarily displaced within 90 days from the date of preference status verification by the family or verification by the PHA.
 - iii. Involuntary displacement may be the result of:
 - a. Disaster
 - b. Government action
 - c. Owner action (does not include rent increases)
 - d. Hate crimes
 - e. Unit inaccessibility
 - f. Physical violence
 - g. Displacement to avoid reprisals
 - h) The SFHA also has adopted as a local preference those families who live, work, or have been hired to work in the City/County of San Francisco.
 - i) The SFHA reserves the right to set aside units for targeted populations not to exceed ten per cent of the total public housing stock.
3. The number of new admissions under this category is subject to the statutory conditions set forth in paragraph D (Income Targeting) above.
4. Prohibition of preference if applicant was evicted for drug-related criminal activity

The San Francisco Housing Authority will not give any preference to an applicant if any member of the family is a person who was evicted during the three years prior to applying because of

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

drug-related criminal activity from any assisted housing program. The Authority may consider granting a preference in any of the following cases:

- a) If the SFHA determines that the evicted person has successfully completed a rehabilitation program approved by the SFHA; or
- b) If the SFHA determines that the evicted person clearly did not participate in or knew about the drug related criminal activity; or
- c) If the SFHA determines that the evicted person no longer participates in any drug-related criminal activity.

G. Waiting List Management

1. Applicants may claim qualification of a Local Preference when they apply for admission, or thereafter, until they are offered a unit. Prior to executing a lease, the applicant must provide the SFHA with verification that according to the applicant's current status, he/she still qualifies for the preference.
2. Should the SFHA exhaust the pool of applications with local preferences, applications from those applicants who do not have local preference will be considered for admission.
3. No applicant shall be denied a local preference for which the family otherwise qualifies, on the basis that the applicant already resides in assisted housing.
4. The preference system described above will work in combination with requirements to match the characteristics of the family to the type of unit available as described in Part C of this Section and Part C of Section V.
5. At the time of *full* application, local preferences will be verified. Verification of local preferences will include checking vacant records to make sure that there exists no prohibition on the granting of the preference as stipulated in paragraph 3 above.
6. At the time of initial application, each applicant must certify that he/she qualifies for a local preference. The SFHA will advise the family to notify the SFHA of any change that may affect their ability to qualify for the preference.
7. Applicants that are otherwise eligible and are certified as qualifying for a local preference will be placed on the waiting list in the local preference applicant pool.
8. Families that do not qualify for a local preference at the time of application will be notified in writing and advised of their right to an informal meeting to discuss the determination. The applicant will be further advised that he/she may exercise other rights if the applicant feels that illegal discrimination, based on race, color, religion, national origin, age, disability, or familial status contributed to the SFHA's decision to deny a preference. If otherwise eligible, the family's application will then be placed on the waiting list in the appropriate non-preference category based on the date and time of application.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

9. Applicants that certify/verify to a local preference at the time of initial application must be able to verify their preference status prior to the offer of a unit if the verification of preference is over 90 days old.. Applicants that cannot subsequently verify their preference will lose their preference qualification and will be reconfigured in the non-preference category based on the date and time of application.
10. The Eligibility Department will conduct an annual review of all lists, asking applicants to renew their interest in public housing.

V. SCREENING APPLICANTS, INCLUDING FOR DRUG AND OTHER CRIMINAL ACTIVITY

The SFHA's developments will not be used as housing of last resort. All applicants for public housing will be screened according to the basic policies and standards set forth in the authority's Admission and Continued Occupancy Policy (ACOP).

A. General Principles of Screening

The screening criteria in the Admissions and Continued Occupancy Policy are based on those set forth in the HUD Regulations [24 CFR Part 960.205] and in the applicable sections of the Quality Housing and Work Responsibility Act of 1998 (QHWRA). The regulations require an assessment of the behavior of each applicant with respect to the essential obligations of tenancy as expressed in the Authority's lease. The essential obligations of tenancy may be summarized as follows:

1. To pay rent and other charges under the lease in the manner set forth by the SFHA in the lease;
2. To care for and avoid damaging the unit and common areas, to use facilities and equipment in a reasonable way; not to create or maintain health, safety or sanitary hazards, and to report, promptly maintenance needs;
3. Not to interfere with the rights and enjoyment of others, and not to damage the property of others;
4. Not to engage in criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff; and not to engage in drug-related criminal activity on or near the premises; and
5. To comply with necessary and reasonable rules and program requirements of HUD and the SFHA; to comply with health and safety codes.

B. Applicant Interviews and Verification Documents

1. SFHA will schedule applicant interviews as families approach the top of *the waiting list*. In this interview, the following items will be verified to determine qualification for admission to public housing:

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- a) Family composition and type (Elderly/Disabled/Non-elderly)
 - b) Annual Income
 - c) Assets and Asset Income
 - d) Allowance Information
 - e) Preferences
 - f) Social Security Numbers of all Family Members
 - g) Information Used in Applicant Screening
2. SFHA will verify all applicants' claims by: a written third party verification; phone verifications with the results recorded in the applicant file with staff signature; or, if no other form of verification is available, applicant certification. Applicants must sign releases, verification consent forms, and otherwise cooperate fully in obtaining or providing the necessary verifications. Failure on any applicant's part to provide or sign the required documents will result in the rejection of the application and removal from the waiting list.
 3. SFHA will obtain a declaration of citizenship or eligible immigration status from every household member, or a declaration on non-contending status.
 4. Applicants reporting zero income must complete a family expense form. With this form applicants will estimate the money spent on: food, beverages, transportation, health care, childcare, debts, household items, etc. Also, applicants will be asked about the status of any application or benefits through Temporary Assistance for Needy Families or other similar programs. "Zero income" applicants who are admitted into SFHA must undergo re-certifications of income according the Residential Lease Agreement and Contract every 90 days.
 5. Applicant files shall indicate the date and time of receipt of public housing information and SFHA's determination of eligible or ineligible. Eligible applicant files will also include: the unit size needed; a completed Unit Requirements Questionnaire; any applicable preference rating; and a history of housing offers highlighting the date, unit address, and the circumstances of each vacancy offered and accepted or refused.

C. Applicant Screening Criteria

1. All SFHA applicants will be screened in accordance with HUD's regulations [**24 CFR 960; QHWRA**] and SFHA Applicant Screening. The regulations require an assessment of the behavior of each applicant with respect to the essential obligations of tenancy as expressed in the Authority's lease.
2. All applicants must demonstrate through an assessment of current and past behavior the ability:
 - a) To pay rent and other charges as required by the SFHA Residential Lease Agreement and Contract in a timely manner;

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- b) To care for and avoid damaging the unit and common areas;
 - c) To use facilities and equipment in a reasonable way;
 - d) To create no health, or safety hazards, and to report maintenance needs;
 - e) Not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
 - f) Not to engage in any activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff;
 - g) Not to engage in drug-related criminal activity or illegal drug or alcohol abuse;
 - h) To comply with necessary and reasonable rules and program requirements of HUD and the SFHA; and
 - i) To comply with health and safety codes.
3. The applicant's signature on the application and all other necessary consent forms authorizes SFHA to make necessary inquiries into the applicant's behavior or background as it relates to lease compliance. This includes obtaining arrest and conviction information in order to determine the likelihood of lease compliance.
4. Information requested for applicant screening shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application. Any costs incurred to complete the application process and screening must be paid by the SFHA.
5. Screening factors used in the application process include, but are not limited to: credit check, payment history for utility charges, current and prior landlord histories, and criminal background checks (including arrest history). If necessary, fingerprints will be used to assure the accuracy of background information obtained. Failure to meet the requirements of these "checks" will result in applicant rejection.
6. As part of the screening process, all applicants will be required to complete a pre-occupancy briefing designed by SFHA or by the resident leadership if offered at the site of intended residency and approved by SFHA. In all cases, a pre-occupancy briefing must be completed prior to occupancy of a unit. Failure to attend and satisfactorily complete the briefing will result in rejection of the application and/or withdrawal of a unit offer.
7. Applicants determined eligible and suitable for admission will be notified by mail or in a format designated by the applicant. This notice will include the approximate date of occupancy. However, since the date is an estimate, applicants should not expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon factors not directly controlled by SFHA such as turnover rates and market demands, as they affect bedroom sizes and project location [**24 CFR 960.207 (b)**].

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

8. Applicants determined to have negative items revealed during the screening process will be given the opportunity through a meeting, to present any “mitigating” circumstances that the SFHA will consider before rendering a determination for rejection of admission. Thereafter, applicants unqualified for admission will be promptly notified. These applicants will receive a Notice of Ineligibility from SFHA, stating the basis for such determination. SFHA shall provide such applicants with an opportunity for an informal hearing of the determination. The informal hearing for applicants should not be confused with the resident grievance process. Applicants are not entitled to use of the resident grievance process except for denial of admission because the PHA has determined that no one in the family is a citizen, national, or eligible immigrant. [24 CFR 960.207(a)]
9. In addition to mitigating circumstances, applicants who are known to have a disability and have been determined eligible but who fail to meet the screening criteria, may ask for reasonable accommodation in order to meet the obligations of the lease and to fully participate in the program. All requests for reasonable accommodation must be submitted in writing. SFHA will not assume that an individual with a known or assumed disability requires reasonable accommodation.

D. The Application Process

1. The application and screening form
 - a) When completing the registration forms, the applicant will be required to provide answers to certain key questions concerning the applicant’s eligibility, preferences, and resident history. Applicants must provide Social Security Numbers (SSN) for all family members aged six or older (or certification that application has been made for a SSN or none has ever been assigned) and the name, address and telephone numbers of current and former landlords, and past and present housing providers. Applicants must also declare citizenship status or provide sufficient information to establish eligible immigration status.
 - b) Failure to provide this information will result in cessation of application processing and possible rejection of the application. Housing authority staff is available to guide applicants, as needed, in understanding the application process and completing SFHA's application and screening forms.
2. Screening factors used in the application process include, but are not limited to: security and background check, credit check, payment history for utility charges, prior landlord history, and a home visit. Failure to complete or comply with any of these phases will result in rejection.
3. SFHA staff will complete a Screening Interview Checklist for each application file. If, at any point in the screening process, it becomes clear to staff that an applicant will not meet the screening criteria, the checklist will be signed and the rejection noted. The same procedure will be followed when applicants are certified acceptable for admission.
4. Verification standards for checking information provided by the applicant

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- a) Verification by a third party: Verification by third parties must be in writing. An exception may be made at the discretion of the SFHA to permit phone verification when SFHA staff determines from all available information that written verification is impractical, or processing of the application is unnecessarily delayed by the third party's failure to respond. SFHA, at its discretion, may consider other available information.
 - b) After the SFHA completes the screening interview, staff will send a first mailing to the third party verification sources identified by the applicant. After 15 calendar days, if no response has been received to the first mailing, SFHA staff will contact the third party by phone, fax, or send a second mailing.
 - c) After the second mailing, if the third party does not provide either a phone or written verification, SFHA will advise the applicant that the third party is not cooperating in the verification process. The SFHA may ask the applicant to contact the third party directly to speed up the verification process. Applicants will not be given verification forms. All transactions will be between SFHA staff and the third party.)
 - d) Phone verifications must use the same form previously mailed to the third party. All the information included in the written verification must be gathered during the phone contact. SFHA staff will complete the form. The contact person, date and time of conversation will be noted and the SFHA staff person who made the phone call will sign the form. Initials are not acceptable.
 - e) Review of documents -SFHA staff will review documents submitted by the applicant when:
 - (1) The information requested does not require third party verification (e.g. rent receipts and lease agreements, utility bills); or
 - (2) Third-party verification is impossible. SFHA staff will copy documents into the applicant's file or list the documents and the information on them. SFHA staff will document file if unable to obtain third party verification.
 - f) Applicant certification - SFHA may accept applicant certification only when required by HUD regulations or when other preferred forms of verification are impossible to obtain.
5. General procedures applicable to verifying information
- a) Information subject to change - These verifications are valid for 90 days from the date received by the SFHA. Information may be updated by phone for an additional 30 days. SFHA will not ordinarily rely on verifications that are more than 120 days old.
 - b) Information not subject to change - the authority will verify this information only once (e.g., verification of age with birth certificates, citizenship or immigration declarations.)

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- c) Each applicant folder will include a File Completion Checklist to track progress and a Verification Log documenting verification efforts. The Verification Log will record the forms sent, date sent, and date the information is received by SFHA staff. Upon completion of a folder, the SFHA staff person will sign the File Completion Checklist and certify as to the completeness of the File. The File will also contain an Applicant Approval Record which will include the signatures of all staff involved in completing the intake process: a review by and signature of the staff person who made the eligibility determination to either approve or deny, a review by and signature of the staff person who processed the through the screening process, and the signature of the Eligibility manager who conducts a final file review and approves each file for leasing.
 - d) Each SFHA verification will include the following: (a) explanation of why the information is being requested; (b) a copy of SFHA's general release of information with the applicant's signature or the applicant's signature on the verification form; and (c) the questions essential to soliciting the information required by the SFHA.
 - e) The SFHA will send third party verifications directly to the source, not through applicants. Third party verifications will include a self-addressed stamped envelope for return to the SFHA. Verifications may also be faxed to a third party with a return fax to SFHA provided the original form is later forwarded by mail and/or the fax transmission is confirmed by printed receipt at the time of transmission, or verified by phone with a notation to the file.
6. Limited inquiries into medical issues
- a) Medical information is offered either to explain mitigating circumstances and/or seek a reasonable accommodation. For example, if an applicant had a poor rental history but stated that the previous history was caused by a disability that is now being successfully treated, SFHA staff will verify:
 - (1) That the applicant did, in fact, have a disability, and
 - (2) That the former problems were caused by the disability; and,
 - (3) That the present treatment, or reasonable accommodation, can be expected to prevent the recurrence of the problems.
 - b) If an applicant's former housing problems were due to the applicant's resisting or refusing treatment, the SFHA would be justified in verifying whether the applicant would be reasonably likely to continue with the current treatment. In this instance, it is not necessary for SFHA to obtain medical information beyond verifying the applicant's assertions about the reasons for past problems, the likelihood of continuing treatment, and that the treatment will remedy the problem.
7. Issues regarding former tenancy

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- a) Conditions of former tenancy may not apply to a current applicant, individual or group, where the new lessee is to be a person other than the former lessee.
 - b) Any family member who *signed* a previous lease or occupancy agreement will be considered responsible for the family's former actions. Applicants will be allowed to explain any mitigating circumstances.
 - c) In cases of criminal activity, including drug related activity, the SFHA may prohibit the family member engaged in such activity from residency in a SFHA unit.
 - d) At the time of registration, SFHA staff will advise the applicant of any outstanding balances owed to the SFHA (For either public housing or section 8). Amounts must be paid in full prior to the application being accepted by the Authority.
 - e) Should the applicant successfully demonstrate to the SFHA that a charge is invalid, SFHA will reinstate the applicant to the waiting list using the original date and time of application and any applicable preferences.
8. Documentation of information received during the application process
- a) SFHA will accept credible evidence to verify information received during the application process. (NOTE: Refer to Section XI of these procedures to review specific criteria and requirements)
 - b) Misrepresentation of eligibility, including but not limited to eligibility, award of preference for admission, allowances, family composition, rent during the application process:
 - (1) If, during the course of processing an application, it becomes evident that an applicant has falsified or otherwise misrepresented any facts about his/her current situation, history, or behavior in a manner that would affect eligibility, Local Preferences, applicant selection criteria qualification, allowances or rent, the application shall be rejected.
 - (2) This provision shall not be applied to minor mistakes in fact (such as typographical errors) that produce no benefit to the applicant

E. Security and Background Check

- 1. The SFHA will verify any involvement in criminal activity on the part of any applicant family member who intends to reside in the SFHA leased premises:
 - a) Applicants will be advised at the time of intake and at the start of the screening interview that criminal behavior will jeopardize admission to a SFHA community. Criminal activity that occurs while an applicant's family is on the SFHA's waiting list will receive additional weight in SFHA's decision to reject an applicant family.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- b) Involvement in criminal activity by any member of an applicant family that would adversely affect the health, safety or welfare of other tenants will be verified using information from the criminal records system of the City and County of San Francisco, the State of California, and the federal National Crime Information Center (the "NCIC"). The SFHA will also examine criminal histories provided by other States or municipalities, court records, and other evidence that might document any criminal activity. In addition, the current and former landlords and housing providers will be asked to indicate problems during the applicant's tenancy. The Authority will review police reports for any criminal activity during the ten (10) year period prior to consideration for admission.
- c) SFHA may use a third party service to check criminal history. SFHA will also interview the applicant using the Interview Screening Checklist.
- d) SFHA will use the criminal records system of the City and County of San Francisco, the State of California, the NCIC, and other states and/or municipalities to check all applicants for any evidence of:
 - (1) Any and all information relative to any criminal convictions or activity, both felonies and misdemeanors within the past ten years;
 - (2) Any and all information relative to any criminal charges that are currently pending before the court of the State of California or any jurisdiction, including the federal courts;
 - (3) Lifetime sex offender registration requirement for any household member. The SFHA will check in California and any other states where any family member is known to have resided.
- e) The criminal records system shall be used to assess the applicant's past behavior especially the commission of violent crimes, drug related criminal activity of any kind, disturbance of neighbors, or destruction of property.
 - (1) Without substantial evidence of mitigating circumstances (including serving jail time and rehabilitation) the SFHA will not admit persons engaging in any criminal activity violating state and/or federal law.
 - (2) Examples of criminal offenses that will be considered include, but are not limited to: disturbing the peace, drunk and disorderly conduct, threats or harassment, domestic violence, including actual or threatened violence toward members of an applicant household, assaults, destruction of property, vandalism, citations for health and sanitary code violation, possession of an unlawful weapon, criminal damage, arson, and home invasion.
 - (3) In applying the above provisions, the SFHA will consider the nature of the offense and any mandatory penalties in accordance with state and federal law, including but not limited to the California "Three Strikes You're Out" Act.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- f) Documentation of any of the following criminal activity by any applicant family member who intends to reside in the SFHA leased premises may result in rejection of the applicant family. Documentation of such activity may be considered alone or in conjunction with other criminal activity such as:
- (1) Use, distribution, or possession of illegal drugs by an applicant family member who intends to reside in the SFHA leased premises.
 - (2) Documentation from the criminal records system, or other verification of criminal activity, that shows a history of property-related crimes such as burglary, robbery, larceny, weapon charges, and possession and receipt of stolen goods.
 - (3) Documentation from the criminal records system, or other verification of criminal activity, that shows a history of crimes that endanger the health or safety of others such as assault, battery, public intoxication (drunk & disorderly), prostitution.
 - (4) Documentation from the criminal records system, or other verification of criminal activity, that shows a history of crimes that endanger the health or safety of others such as homicide/murder, rape, child molestation, spousal or child abuse, or drug related crimes as referenced.
 - (5) Notwithstanding any other provision of law, the SFHA shall permanently prohibit admission to all federally assisted housing to any applicant household that includes any individual who is subject to a lifetime registration requirement under a State sex offender registration program. **[QHWRA; Subtitle F: Sec. 578 (a)]**. No mitigating circumstances will be considered.
 - (6) Further, the SFHA shall permanently deny admission to all federally assisted housing, any applicant or household member who has been convicted of manufacturing or producing methamphetamine (commonly referred to as "speed") on the premises of federally assisted housing. No mitigating circumstances will be considered. **[Sec. 16; subsection (f) of the USHA as amended by Sec. 428 of the FY 1999 Appropriations Act]**
- g) All criminal activity will be weighed against the obligations of tenancy, including the likely impact on a SFHA community and the danger to the health or safety of residents or staff. The SFHA considers certain criminal acts or repeated criminal behavior as evidence that the, applicant is not capable of meeting lease requirements.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

2. In evaluating criminal activity or drug-related criminal activity, the SFHA will give the greatest weight for admission to applicants with no record of criminal activity or behavior of any kind; minor or infrequent offenses that do not, when taken together, indicate the pattern of a repeat offender, or a record of criminal activity with clear and verifiable evidence of improved behavior sustained over a significant period of time. (A period of improved behavior while on the waiting list will also be considered by the SFHA.)
3. Criminal activity, drug related criminal activity, alcohol abuse, other factors and considerations will include:
 - a) Mitigating circumstance and criminal activity¹⁰
 - (1) Staff will consider the dates, subject to any local criteria, and circumstantial activity, the seriousness of the offense, whether the offense occurred only once or was repeated, and the number and duration of rehabilitation efforts, if any, and whether offender has avoided subsequent criminal activity or behavior since the offense.
 - (2) With respect to criminal behavior, evidence of any mitigating circumstances or rehabilitation must be compelling and substantial before the SFHA will consider accepting an applicant with a significant criminal history. SFHA will look for a period of time where the applicant's behavior is improved and there is no evidence of criminal activity. SFHA will consider the applicant's behavior and reputation in the community both before and after the offense, and any other evidence indicating a likelihood that the offender will not engage in any future criminal activity.
 - (3) However, consideration of verifiable mitigating circumstances does not guarantee that an applicant will be admitted. Evidence of certain crimes or repeated crimes can result in rejection. Evidence of mitigating circumstances or evidence of rehabilitation does not require the SFHA to disregard potentially disqualifying activity.

See the discussion later in these procedures for a review of how mitigating circumstances are considered.
 - b) Drug-related criminal activity:

¹⁰ Mitigating circumstances are facts relating to the applicant's record of unsuitable rental history or behavior, when verified would indicate: (1) The reason for the unsuitable rental history and/or behavior, (2) that the reason for the unsuitable rental history and behavior is no longer in effect or is under control, and (3) the applicant's prospect for lease compliance is an acceptable one, justifying admission.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- (1) SFHA will not admit current users of illegal drugs or alcohol abusers.
- (2) The Fair Housing Act explicitly states that current illegal drug users ARE NOT a protected class (persons with disabilities) and permits SFHA to reject such applicants. Further, notwithstanding any other provision of law, no individual shall be considered a person with disabilities, for the purposes of eligibility for low-income housing, solely on the basis of any drug or alcohol dependence. [QHWRA; Subtitle A; Sec. 506(3)]
- (3) Applicants who are former drug users¹¹ and whose housing histories reveal no circumstances which point to future lease compliance problems, will be considered for admission. However, if problems with housing or criminal histories emerge during screening or the applicant's own disclosures indicate that the applicant may be a current user of illegal drugs, the SFHA will require documentation that the applicant is no longer using drugs, including behavioral evidence that the applicant has made a life-style change.
 - i. SFHA will require an applicant to document that he or she is a former user if objective evidence raises a question about whether the applicant is a current user of illegal drugs. However, demonstrating that a person is not a current user does not automatically guarantee admission. The person with disabilities is still required to meet all other applicable screening criteria.
- (4) Where an applicant's documentation from the criminal records system includes numerous drug-related and other crimes (felonies or misdemeanors not necessarily drug related) SFHA will deny admission, but will consider information from drug treatment centers. Successful recovery does not mean that the SFHA will ignore a background of *criminal* behavior. Demonstrating that an applicant is not a current user is only part of the screening evaluation; all other screening criteria must be met.
 - i. The PHA will require a signed consent form by which the PHA shall submit a request to a drug abuse treatment facility with respect to each proposed household member who is at least 18 years old, and for family head or spouse regardless of age
 - a. Whose criminal record indicates prior arrest or conviction for any criminal activity that may be a basis for denial of admission; or

¹¹ A former user of illegal drugs is defined by ADA and 504 as “individual who has successfully completed a supervised drug rehabilitation program and is no longer engaging in the illegal use of drugs or has otherwise been rehabilitated successfully and is no longer engaging in such use, or is participating in a supervised rehabilitation program and is no longer using drugs, including behavioral evidence that such use is no longer occurring.

- b. Whose prior tenancy records indicate that the proposed household member:
 - (i) Engaged in the destruction of property;
 - (ii) Engaged in violent activity against another person; or
 - (iii) Interfered with the right of peaceful enjoyment of the premises of other residents.
 - ii. The written consent form shall authorize the SFHA to:
 - a. Receive information from the drug abuse treatment facility stating only whether the facility has reasonable cause to believe that the applicant is *currently* engaging in the illegal drug use;
 - b. Receive such information from the drug abuse treatment facility, and to utilize such information in determining whether to prohibit admission of the household.
 - iii. The written consent form expires automatically after the SFHA has made a final decision to either approve or deny the admission of such person.
 - iv. Such confidential information will not be misused or improperly disseminated and will be destroyed no later than five (5) business days after the date on which the PHA gives final approval for admission.
 - v. If the application is denied, the information will be destroyed within a reasonable time (**12 months**) following the date on which the statute of limitations for commencement of a civil action based upon that denial of admissions has expired without the filing of a civil action or until final disposition of any such litigation.
- (5) Alcohol abuse and screening - Alcohol is a legal drug; therefore, simple use or even abuse of alcohol is not grounds for rejecting an applicant.
 - i. It is the SFHA's policy that an applicant who the authority believes exhibits a pattern of abuse of alcohol that may interfere with the health, safety or right to peaceful enjoyment of SFHA property by residents and employee is, will be denied admission.
 - ii. If screening reveals past tenancy problems, and the applicant asserts that those problems were caused by alcohol abuse that is no longer occurring, staff will verify the information by the following procedure:
 - a. confirm that the negative behavior was, in fact, caused by alcohol abuse;

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- b. document (using methods similar to those described above for former users of illegal drugs) that the applicant is no longer abusing alcohol; and,
 - c. review the applicant's housing history since entering recovery to ensure that no other behavior problems still exist.
- (6) Confidentiality - Pursuant to Section 575; (c) (5) of the Quality Housing and Work Responsibility Act of 1998 (The "QHWRA"), the San Francisco Housing Authority, when receiving criminal records, may use such information only for the purposes provided in this subsection and such information may not be disclosed to any person who is not an officer, employee, or authorized representative of the agency and who has a job-related need to have access to the information in connection with admission of applicants, eviction of tenants, or termination of assistance.

For judicial eviction proceedings, disclosures may be made to the extent necessary. The Secretary shall establish procedures necessary to ensure that information provided under this subsection to a public agency is used, and confidentiality of such information is maintained, as required under this subsection.

- (7) Penalty - Any person who knowingly and willfully requests or obtains any information concerning an applicant for, or tenant of, covered housing assistance pursuant to the authority under this subsection under false pretenses, or any person who knowingly and willfully discloses any such information in any manner to any individual not entitled under any law to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000. The term "person" as used in this paragraph includes an officer, employee, or authorized representative of the San Francisco Housing. **[QHWRA; Section 575; (c)(6)]**
- (8) Civil action - Any applicant for, or tenant of, covered housing assistance affected by (A) a negligent or knowing disclosure of information referred to in this subsection about such person by an officer, employee, or authorized representative of the SFHA which disclosure is not authorized by this subsection, or (B) any other negligent or knowing action that is inconsistent with this subsection, may bring a civil action for damages and such other relief as may be appropriate against the SFHA, the responsible entity for such unauthorized action. The district court of the United States in the district in which the affected applicant or tenant resides (San Francisco), in which such unauthorized action occurred, or in which the officer, employee, or representative alleged to be responsible for any such unauthorized action resides, shall have jurisdiction in such matters. Appropriate relief that may be ordered by such district courts shall include reasonable attorney's fees and other litigation costs. **[QHWRA; Section 575; (c)(7)]**

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- (9) Records management
- i. The SFHA is responsible for establishing a system by which all information received from police departments and/or drug treatment facilities is:
 - a. Maintained confidentially in accordance with section 543 of the Public Health Service Act (12 U.S.C. 290dd-2);
 - b. Not misused or improperly disseminated; and
 - c. Destroyed, as applicable.
 - (i) For information from drug treatment centers, not later than five (5) business days after the date on which the SFHA gives final approval for an application for admission; or
 - (ii) For information regarding criminal activity obtained by consent form, within a reasonable time (***12 months***) after the date on which the SFHA gives final approval for admission; or
 - (iii) If the SFHA denies the application for admission, the reports shall be destroyed in a timely manner (***12 months***) after the date on which the statute of limitations for the commencement of a civil action from the applicant based upon the denial of admission has expired or subsequent to an annual audit. [**QHWRA; Section 575; (d)(B)**]
 - ii. In order to assure that only essential employees have access to these documents, the SFHA will limit their review as follows:
 - a. All requests for police reports and/or information from drug treatment centers will be made in writing and submitted to the Senior Eligibility Representative.
 - b. The Senior Eligibility Representative will review all requests and submit them to the appropriate reporting agency.
 - c. Upon receipt of the results, the Senior Eligibility Representative will review each document. If the applicant's records are "cleared", the Senior Eligibility Representative will obtain the signature of the Administrative Director of Customer Services or his/her designee and stamp "Security Cleared" on the "Applicant Approval Record" along with the date of clearance. The police reports or drug tests results will not be returned to the requestor. Rather, they will be kept 'in a separate File in alphabetical order and secured in the possession of the Administrative Director or his/her designee until records are destroyed as in 10a(3) above.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- iii. In the event that the reports contain information that may affect admission, the Senior Eligibility Representative shall confer with the Administrative Director or his/her designee to determine if a meeting should be scheduled with the applicant to discuss any information that might "mitigate" the unfavorable information.

F. Review and Checking of Credit Reports

1. SFHA will complete a credit check on all public housing applicants
2. Evaluating credit history information
 - a) SFHA will make a careful examination of the credit report. The report will be checked to determine if there are inconsistencies in the applicant's housing history as reported to the SFHA on the application form or other documents. SFHA staff will consider negative credit information in light of its impact on tenancy. Thus, poor credit with respect to non-payment or delinquent payment of utilities will be given greater weight than non-payment or delinquencies for other consumer obligations.
 - b) If the SFHA rejects an applicant because of poor credit history, SFHA staff will advise the applicant in the rejection notice of his/her rights under state and federal law to:
 - (1) Examine the credit report;
 - (2) Dispute and correct inaccurate credit information. Should the applicant successfully demonstrate to the SFHA that the credit record is inaccurate and the report is corrected, the SFHA will consider reinstatement to the waiting list using the original date and time of application and any applicable preferences.
 - c) SFHA will consider bad credit in light of any mitigating circumstances that can be documented by the applicant (e.g. loss of job, illness or medical problems that limited a family's financial resources). SFHA will also consider whether non-payment or poor payment of rent and other charges is likely to reoccur once the applicant obtains housing where the rent is calculated based on income.
 - d) If an applicant has filed bankruptcy and this is reflected in the credit report, SFHA will determine if the Bankruptcy included debts related to tenancy and shelter costs. Applicants will not be rejected solely on the basis of the bankruptcy filing.

G. Utilities

1. SFHA will also interview the applicant concerning history of utility payments. Where applicants have had past responsibility for utility payments, the SFHA will use account records provided by utility companies (excluding those providing telephone and cable TV service, although these may be used as secondary indicators of ability to pay) or the Utility Verification Form.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

2. Ability to obtain utility connections
 - a) The SFHA owns public housing units where the resident is responsible for the utility payments. In accordance with the Admissions and Occupancy Policy and the lease, SFHA requires that applicants offered units with resident-paid utilities be able to secure utility service in their name and document it to the SFHA.
 - b) Present ability to obtain utility service is considered an indicator of the applicant's past performance in meeting financial obligations.
 - c) SFHA will advise all applicants of the above requirements at initial intake and remind applicants of this requirement at the start of the screening process.

H. Landlord and Prior Residences

1. Procedures used to verify applicant information:
 - a) Staff will interview all applicants using the Applicant Screening Interview Checklist, Parts I and II. If the current housing provider is a relative, additional information on the applicant's ability to comply with lease terms may be collected by the SFHA.
 - b) SFHA will examine applicant's housing history over the past 5 years. In order to obtain the best available information on an applicant's housing and shelter history, the SFHA may use combinations of years and tenancies.
 - c) SFHA will examine tenancy history over a longer period of time when the information obtained from the time period is incomplete. When examining an applicant's shelter history, the SFHA will focus on those periods where the applicant made sustained periodic payments in support of shelter related costs.
 - d) Performance in meeting financial obligations will be checked first by contacting the current housing provider and two prior providers (if applicable) using the SFHA Landlord Verification Form. The form will be mailed to the landlord(s) or shelter providers identified by the applicant the Applicant Screening Interview Checklist along with a release of information form. Where there is no rental history, other forms appropriate to the family's circumstances will be used (see Section VI, Part C).
 - e) Checking Landlord Information (Applies to landlord information received or any screening criteria.)
 - (1) The SFHA differentiates between applicants who are/were the Tenant of Record (TOR) whose landlord the SFHA cannot reach and applicants who have lived somewhere without the landlord's knowledge and consent, thus making it impossible for the prior landlord to verify residency or rent payment history.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- (2) The SFHA will attempt to verify that the applicant is the TOR by contacting the landlord. SFHA will also accept: a notarized letter from the TOR when the applicant is living in the unit but is not on the lease; other credible references that can verify address and tenancy status for the period under review, and any of the secondary forms of verification described below.
 - (3) Where a current or previous landlord is a relative of the applicant, the SFHA will give more weight to those periods where the applicant lived in a unit provided by a landlord not related to the family
 - (4) If no landlord references are available, SFHA will obtain a credit report and contact the current housing provider with a request that someone with knowledge of the applicant's behavior and rent payment history complete the form.
2. Record of eviction from housing or involuntary termination from residential programs
- a) Sources:
 - (1) Staff will check SFHA's records, landlord records and court records to determine whether the applicant has been evicted from SFHA, any other assisted housing, or any other property in the past. SFHA will also use credit or eviction service information to check for any record of evictions.
 - (2) Record of termination from residential programs will be checked with police, service agencies and with any provider referred by the applicant. The SFHA will cross-match with unit records and information in the Section 8 Certificate and Voucher programs to check for termination of assistance.
 - (3) Conditions of former tenancy may not apply to an applicant, individual or group. Any family member who signed a previous lease or occupancy agreement will be considered responsible for the family's former actions.
 - (4) Staff must consider the mitigating circumstances of any past eviction or termination and its relevance to SFHA tenancy.
 - b) Examples of indicators for eviction from housing or involuntary termination from residential programs are:
 - (1) No record of eviction or termination from any shelter, other housing, or a residential program. Evidence of rule compliance in any residential transitional facilities, group homes) or other program in which the applicant is participating (drug treatment)
 - (2) Successful completion of stay and transition from a shelter or residential program
 - (3) Currently in the program and is meeting all requirements.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- (4) No negative information received from the housing provider.
 - (5) That the applicant can meet SFHA's lease criteria on his/her own or with assistance that the applicant rides; unit or living area is clean, no destruction of property, ability to manage regular monthly payments of some kind; responds to mail and shows up for appointments; follows an applicable rules in his/her current residential situation; no record of disturbing neighbors; avoids criminal activity.
- c) Other indicators for these criteria are:
- (1) Applicant asked to leave the program for rule violation that is not related to the SFHA lease compliance. (Example: staying out late might violate a program rule, but would not violate SFHA's lease compliance.
 - (2) Applicant leaves program but returns and is accepted for continued participation.
 - (3) Successful completion of a residency training program acceptable to the SFHA.
3. Demonstration of ability and willingness to comply with the terms of the SFHA's lease and other program requirements (Note: This will be applied ONLY in the absence of satisfactory landlord documentation):
- a) If an applicant is able to document that he or she could comply with the SFHA lease terms as demonstrated in the current and former residences through a combination of landlord references and the home visit, this criterion will be considered satisfied. Ability to comply with SFHA lease terms will be checked only in the absence of satisfactory landlord documentation.
 - b) If any current conditions of occupancy can be considered in light of the SFHA's lease requirements, staff will send the appropriate verification forms. Staff will also complete the Parts I and II of SFHA's Applicant Screening Interview Checklist in an interview with the applicant
 - c) If the provider is unable (the provider may have no knowledge that the unit is housing two families) or unwilling to complete the verification process, the SFHA will send appropriate forms to other third parties or persons with knowledge of the applicants current living arrangements or to the host family. If the host family completes the form, SFHA will judge the completed form in light of any family ties between the host family and the applicant family.
 - d) These forms may bring to light mitigating circumstances or reasonable accommodations an applicant may need (to care for the unit or manage money, for example) and enable SFHA to determine that the applicant has such services (provided by a third party) in place before the applicant is admitted.
 - e) Ability and willingness to comply with the lease term may be demonstrated by the following actions:

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- (1) The applicant can meet these criteria on him/her own or with assistance that the applicant obtains;
 - (2) Based on a home visit, the unit or living area is clean with no evidence of applicant caused health or safety problems;
 - (3) No record of, or home visit, yields no evidence of destruction of property;
 - (4) Ability to manage regular monthly payments of some kind;
 - (5) Responds to mail and shows up for appointments; follows any applicable rules in his/her current housing or shelter situation;
 - (6) No record of disturbing neighbors; avoids criminal activity.
- f) In addition, compliance with lease terms can be demonstrated by the following:
- (1) Evidence of rule compliance in any residential program (shelters, transitional facilities, group homes) or other program in which the applicant is participating;
 - (2) Job or school references;
 - (3) Completing, a pre-occupancy briefing acceptable to the SFHA.

I. Resident Participation in the Intake and Screening Process [24 CFR 960.206(c)]

1. Mitigating Circumstances – As required by **24 CFR 960.205 (d)**, SFHA will consider mitigating circumstances for negative information received that would likely result in the rejection of an application for housing.
2. Resident involvement in applicant pre-occupancy orientation — All applicants are required to complete a pre-occupancy briefing designed by SFHA or by the resident leadership. A pre-occupancy briefing may be designed to address Authority-wide issues, site-specific issues, or a combination of both. While SFHA and its residents will design the orientation, all orientations will be required to include the following topics:
 - a) Rights and responsibilities of SFHA and the resident;
 - b) How rent is calculated;
 - c) Security issues;
 - d) Recertification requirements;
 - e) The lease;
 - f) The move-in inspection;
 - g) Care of the unit and how to request maintenance;
 - h) Reasonable accommodations and modifications for persons with disabilities;
 - i) Services available in or near the development;
 - j) The resident association;

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- k) How to conserve utilities, read a utility bill, and family budgeting;
- l) Family choice of rental payment; [QHWRA; Sec. 523]
- m) Site specific disaster/emergency evacuation plans.

SFHA may contract with other entities to deliver the pre-occupancy orientations. All applicants must attend the orientation in order to complete the screening process. Failure to attend the orientation will result in the rejection of the applicant and removal from the waiting list.

- 3. Admissions Advisory Committees – The SFHA encourages RMC’s and Tenant Associations to develop Admissions Advisory Committees (AAC). This policy establishes the framework under which these committees must operate:
 - a) An AAC will interview applicants and review selected information about applicants being considered for housing at each site;
 - b) All committees will use a standardized questionnaire developed in conjunction with SFHA and approved by the Administrative Director of the Customer Services Department prior to their use;
 - c) Questionnaires must not include questions previously asked by the Eligibility Department during the admissions process;
 - d) Residents serving on an AAC are subject to applicable fair housing laws and will be required to successfully complete training on fair housing laws to be provided by the Customer Services Department;
 - e) Violations of ethical or privacy standards or discrimination by any committee member will result in dismissal from an AAC;
 - f) Residents involved or employed by SFHA in other parts of the screening process (i.e. Home Visit Teams, Mitigating Circumstances Review Boards, etc.) are prohibited from being members of an AAC.
- 4. Resident Welcome Committees — Sites that create an AAC must also establish a program of post-occupancy follow-up (sites without an AAC can establish a program at their discretion). The AAC will work with the Housing Manager to design a follow-up “welcome” program for new residents at each property. The objective of the post move-in follow-up will be to provide additional orientation through resident-to-resident assistance so that new families do not become isolated and issues of lease noncompliance (if any) can be addressed early in order to avoid the process of eviction. Post-occupancy follow-up must include at least one (1) apartment visit within 30-60 days of new resident move-in.

J. Pre-Occupancy Briefing

- 1. Completion of a pre-occupancy briefing designed by the SFHA in cooperation with existing residents or delivered by a third party under contract to SFHA will be required by all applicants.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

2. Attendance, behavior during the briefing, and satisfactory completion of the briefing, are part of SFHA's screening criteria. Failure to attend and satisfactorily complete the program will result in rejection of the application.
3. The briefing will typically be offered when the applicant is within 90 days of being offered a unit (Applicants that fail a home visit may be referred to this program on a different schedule than that noted here.) A pool of applicants that have successfully completed the briefing will be maintained by the SFHA. A unit will not be offered until an applicant successfully completes the program.
4. The briefing, once implemented, may include the following topics:
 - a) Program purpose and relationship to SFHA's screening
 - b) How screening relates to lease compliance
 - c) Keeping the unit clean
 - d) Review of the SFHA's lease requirements, house rules, safety and security issues
 - e) Information on the SFHA's Family Self-Sufficiency Program
 - f) Rights and responsibilities of the SFHA and the resident
 - g) Procedures that will be followed should lease violations occur
 - h) SFHA's obligation to make reasonable accommodations for person with disabilities
 - i) The role of the resident council
5. If requested by an applicant, SFHA will make reasonable accommodations to allow full participation by the applicant, or household member, if notified in writing at least 48 hours prior to the briefing.

K. Recommendation of Admission or Rejection

1. When a determination of eligibility and qualification for Local Preferences has been made and either the verification forms have been returned or telephone verifications obtained, and the Home Visit and the pre-occupancy briefing completed, staff will make a recommendation of Admission or Rejection. This determination will be based on the following:
 - a) Responses from current and at least one former landlord or response from housing providers other than a private landlord (if applicable) - All positive or neutral responses would mean the applicant family can be recommended for admission. The applicant must be considered capable of and willing to comply with the SFHA's lease terms for a recommendation of admission;
 - b) Responses from utility suppliers (if applicable) - A positive or neutral response that is consistent with the landlord information would result in a recommendation of admission;

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- c) Subject to SFHA's consideration of any mitigating circumstances, no member of the applicant family, 7 years of age or older, should be currently involved in criminal activity, have charges pending, or be convicted of a felony for a recommendation of admission;
 - d) Credit reports or eviction services information (if applicable) - the applicant must have a neutral or good record for a recommendation of admission. This would include no evictions due to lease violations or non-payment of rent within the past three (3) years or past three (3) tenancies whichever is longer.
 - e) Pre-occupancy briefing - SFHA requires that applicants with poor housekeeping or a lack of verifications in any two of the screening criteria attend a resident orientation program. The applicant must receive a satisfactory or better rating for completing the program.
 - f) Admissions Folder Checklist - Staff will complete a File Completion Checklist for each application file. If, at any point in the screening process it becomes clear to staff that an applicant will not meet the screening criteria, the Checklist will be signed and the decision to reject noted. The same procedure will be followed when applicants are certified acceptable for admission.
2. Supervisory review of folders - Difficult cases will be forwarded to the ***Eligibility Program Supervisor*** for discussion and review. The first step in the supervisory review of a difficult case is a determination of the file completeness. If any information is missing or the case for rejection or acceptance is not compelling, the file will be returned to the appropriate staff person for further work.
3. Quality Control (QC): From time to time selected folders will be sent to the appropriate supervisor for a quality control review. The supervisor will review the folder, and initial the checklist. On a monthly basis, supervisors will perform quality control reviews by reviewing folders at random. Information in the folders will be ***verified*** against the information in the computer. Results of the QC review will be shared with staff. Further, the results of the QC will be considered in evaluating staff performance.
4. The following list of factors will not be considered in making a decision to reject any application:
- Race, Color, Religion, Age, Source of Income, Sex, Marital Status, Parental Status, Sexual Preference, Political Ideology, Handicap or Disability (including mental or physical), Ancestry, or National Origin.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

5. If negative screening information is received on an applicant, Eligibility Program Supervisor will review the file. If the Supervisor determines that the applicant does not meet the minimum screening criteria, the applicant will be sent a notice of ineligibility for admission. In accordance with federal regulations (24 CFR 960.205 (d)), the notice of ineligibility will include information to the applicant that s/he has a right to an informal review to discuss mitigating circumstance, or request a reasonable accommodation, that will reverse the denial of admission. The applicant must request the informal review no later than ten (10) days after receipt of the notification.

If a person has a known disability, mitigating circumstances, or reasonable accommodation, will be considered if such will allow the applicant to fully participate in the program and meet the obligations of the lease.

Mitigating circumstances, or reasonable accommodations, will not be considered for applicants who are subject to lifetime sex offender registration or who have been convicted of manufacturing methamphetamine on the premises of federally assisted housing.

6. The informal review shall consist of the Eligibility Manager and the Director of Housing Management. The results of the informal meeting will be provided to the applicant in writing no later than five (5) working days after the informal review.

L. Acceptable Documentation

1. In addition to, in support of, or in lieu of a landlord verification form, the SFHA will accept credible evidence of rent payment, utility payments in the form of canceled rent checks or money orders for any period of tenancy under review. SFHA will review up to 12 months of receipts or bills, unless the applicant documents that a shorter period time is applicable.
2. Acceptable documentation for an applicant's history with respect to disturbances, destruction of property damages, housekeeping habits, and care of the unit are:
 - a) Completed "Landlord Verification" Form for all previous tenancies as required by these procedures. The form includes questions related to this screening criterion, specifically questions on caning for the unit, and questions on applicant behavior while a resident.
 - b) If no landlord verification is possible, a completed Part I of the "Applicant Screening Interview Checklist" and completed verification forms with any discrepancies in the information on these forms resolved to the SFHA's satisfaction. Forms will include questions for both the applicant and third parties applicable to "the ability to care for the unit, general lease compliance, and ability to perform activities that related to lease compliance."
 - d) No criminal offenses or criminal activity as reported through state and local criminal records system.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

3. When evaluating documentation received with respect to disturbances, destruction of property, damages, housekeeping habits, and care of the unit, SFHA will give the greatest weight for admission to applicants with:
 - a) No record of activity or behavior that would disturb other residents or neighbors peaceful enjoyment of their accommodations; no record of activity or behavior that resulted an apartment unit or residential facility of any kind, grounds or common *area* associated with such apartment or facility, the real or personal property of neighbors.
 - b) No record of activity or behavior (especially housekeeping) that resulted in safety violations, unsanitary or unhealthy conditions in a unit Evidence that the applicant reported maintenance problems to the Landlord in a timely manner.
 - c) Where objectionable behavior has occurred, clear evidence of mitigating circumstances and evidence that the applicant ceased the behavior or activity and, where applicable, made restitution (monetary or otherwise) to persons affected.
 - d) Where damage to property occurred clear evidence of mitigating circumstances such that the applicant ceased the behavior or activity and, where applicable, made restitution (monetary or otherwise) that resulted in the property being restored to a decent, safe, and sanitary condition (e.g. paid reasonable charges for the cost of repairs).

4. Other indicators for applicant's history with respect to disturbances, destruction of property, damages, housekeeping habits, and care of the unit are:
 - a) Caring for one's room or space (especially when living with someone else or in a shelter, or group home);
 - b) Maintaining any physical space (perhaps related to a job);
 - c) Availability and use of a chore service or other assistance with care of the unit;
 - d) Live-in aide available;
 - e) When offered by SFHA, successfully answering questions about how to care or an apartment and successful completion of a residency training program acceptable to the SFHA.
 - f) Treatment of others with whom s/he lives;
 - g) Treatment of administrators or other participants in programs that the applicant is or has participated in;
 - h) Recent school and work relationships;
 - i) When offered by the SFHA, behavior during completion of residency training programs acceptable to the SFHA.

M. Screening Criteria and Procedures – Applicants with Disabilities

1. Meeting Section 504 access and communications requirements during the application process

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- a) If an applicant has difficulty completing written forms, SFHA will permit the applicant to bring someone to the interview to assist them. Other reasonable accommodations will be considered on a case-by case basis. Third party verifications will not be given to applicants. SFHA staff will contact the third party directly.
 - b) To insure the opportunity for equal access to housing benefits and program related services, SFHA will make reasonable accommodations for applicants with disabilities. SFHA will also make sure that forms and other documents completed by applicants are available in accessible formats. If requested by the applicant with disabilities, SFHA will provide sign language interpreters and/or other auxiliary aides.
 - c) SFHA will confirm the presence of a disability, but will not make inquiries about its nature or extent, prior to making any accommodation or providing auxiliary aides.
 - d) At the time of initial application, the SFHA will provide a notice to all applicants that explains Section 504 and Fair Housing requirements including the right to request reasonable accommodations.
 - e) Intake and screening interviews and other meetings required during the application process will be conducted at accessible locations. SFHA will make arrangements with the applicant to meet at home or at a location that is accessible.
 - f) SFHA will not make accommodations that cause a fundamental alteration in the nature of the program or create undue financial and administrative burdens.
2. Mitigating circumstances for all applicants and reasonable accommodations for applicants with disabilities
- a) It is illegal to reject an applicant because he or she is a person with a disability, or for reasons that could be overcome by SFHA's reasonable accommodation of the applicant's disability or handicap. If, even with reasonable accommodation, applicants with disabilities or handicaps cannot meet essential program requirements, it is permissible to reject them.
 - b) Such inability to meet program requirements might arise because of behavior or performance in past housing, inability to comply with the terms of SFHA's lease, or needed services from SFHA's staff that represent an alteration in the fundamental nature of SFHA's program (e.g. Services to residents that are beyond the scope of the housing program, services not a part of the program.)
3. Meeting 24 CFR Part 5, Subpart F, and the Section 504 regulation requirements for processing applicants including persons with disabilities.
- a) Stage 1: eligibility review (applies to all applicants)

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- (1) The first stage of processing is the determination of program eligibility. At this point verification of disability or handicap is needed only to determine eligibility for a unit with accessible features or units in properties designated for use by special populations. In addition, a verification of disability will also be needed where an applicant claims deductions for income specific to them status as an elderly/disabled household.
 - (2) For admission to certain properties, "disabled family" status is required to meet the eligibility criterion related to that property (besides qualifying the member for a special deduction in rent computation and conferring a preference in assigning units in designated buildings). Once an applicant has been determined to have a disability or handicap, no further reference should be made to that fact unless the application reaches the third stage of processing.
- b) Stage 2: Applying the applicant selection criteria (applies to all applicants)
- (1) The second stage of processing is applying the applicant selection criteria contained in this procedure. Thus, an applicant who happens to have a disability or handicap but is able to demonstrate a history of meeting financial obligations, caring for a rental unit, avoiding disturbing neighbors and destroying property, eschewing criminal behavior, and, if necessary, ability to comply with SFHA's lease, would be recommended for admission with no further reference to or consideration of any disability or handicap. Neither mitigating circumstances nor reasonable accommodations will be an issue for any applicant who passes the applicant selection criteria.
- c) Stage 3: Seeking mitigating circumstances or reasonable accommodation (for applicants with disabilities only)
- (1) The third stage of processing would only come into play if an applicant could not meet one or more of the applicant selection criteria discussed in these procedures. At this point, applicants with disabilities or handicaps are entitled to considerations of reasonable accommodations.
 - (2) Prior to issuance of a Notice of Rejection, staff will hold a follow-up meeting, with any applicant known to have a disability or handicap who cannot meet one or more of the applicant screening criteria. The purpose of the follow-up meeting is to determine whether it is possible to admit the applicant through consideration of mitigating circumstances (available to all SFHA applicants) or by applying reasonable accommodation (available only to applicants with disabilities).
 - (3) Mitigating circumstances are facts relating to the applicant's record of unsuitable rental history or behavior, which, when verified, would indicate both:
 - i. The reason for the unsuitable rental history and/or behavior; and

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- ii. That the reason for the unsuitable rental history and behavior is no longer in effect or is under control and applicant's prospect for lease compliance is an acceptable one, justifying admission. Mitigating circumstances would overcome or outweigh information already gathered in the resident screening process.

For example, if an applicant's previous history of disturbing neighbors was very poor, but his recent behavior was much improved, SFHA could consider this mitigating circumstance. Applicants have a responsibility to provide credible evidence to document the improvement if the file contains only data about the former problems. SFHA, with the applicant's cooperation, will seek third party verification of applicant claims of improved behavior.

- (4) If the evidence of mitigating circumstances presented by the applicant relates to a change in medical conditions or course of treatment, SFHA shall have the right to refer such information, subject to the applicant's authorization, to persons qualified to evaluate the evidence and verify the mitigating circumstance
- (5) SFHA shall also have the right to request further information reasonably needed to verify mitigating circumstance. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or reasonable accommodation. (See below.) If the applicant refuses to provide further information, SFHA will give no further consideration to the mitigating circumstance.
- (6) Screening personnel must keep in mind that an applicant with a handicap or disability who may, for example, be unable to care for a current apartment alone, may still qualify as able to comply with the lease if he or she can demonstrate that assistance with caring for the unit has been secured. Such assistance could be in the form of a Live-in Aide, or it could be a friend, family member, chore service or employee of the applicant. It is not the province of the SFHA to make judgments about the best way to provide assistance, but simply to determine whether the assistance will enable the applicant to meet the screening criteria.
- (7) If some form of assistance is needed to enable an applicant to comply fully with the lease terms, screening staff should obtain verifications that such assistance is available to the applicant.

4. Reasonable accommodations for applicants with disabilities (disability status subject to verification)

- a) If no mitigating circumstances exist that satisfy SFHA's applicant selection criteria, the SFHA must consider reasonable accommodations requested by the applicant or structural modifications that SFHA could make to eliminate administrative or architectural barriers to housing the applicant.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- b) Reasonable accommodations may take the form, of changes in rules, policies, practices, or services (if provided by the SFHA), when such accommodations are necessary to afford a person with disabilities equal opportunity to participate in the program or to use and enjoy a SFHA dwelling unit, including public and common use areas. For example, approving an applicant for a larger unit (waiving the unit occupancy standards) to permit occupancy by a live-in aide who would assist the applicant with some aspect of lease compliance the applicant could not otherwise achieve.
 - c) Structural changes include physical changes made to the unit, building, development or grounds.
 - d) Accommodations or structural modifications, to be considered reasonable, must not cause undue financial or administrative burdens or an alteration in the fundamental nature of SFHA's public housing program. If a service is necessary for compliance with the lease, SFHA cannot be required to provide it to an applicant with a disability if it is not provided to other residents; but the SFHA must consider admitting that applicant if he or she can document that the service will be provided by others at no cost to the SFHA.
5. Screening and substance abusers - see Part C 3 of this Section.
6. Rejecting applicants with disabilities - Any applicant with a disability or handicap who cannot meet the applicant screening criteria taking into account possible mitigating circumstances, reasonable accommodations by the SFHA, or services needed for lease compliance verified to be provided to the applicant by others, must be rejected.

VI. TENANT SELECTION AND ASSIGNMENT PLAN

The SFHA will offer one (1) offer of a public housing unit to each applicant approved for the public housing program. The sequence of unit offers will be based upon date and time the application is received, type and size of unit needed and selected by the family, and factors affecting preference or priority that are consistent with the objectives of Titles VI of the Civil Rights Act of 1964 and Title VIII of the Civil Rights Act of 1968 and the HUD regulations and requirements pursuant thereto [24 CFR 1.4(b) (2) (ii) and 100; QHWRA, Sec. 525].

A. Preference Point System

The SFHA has allocated points for each local preference as follows:

Working 32 hours	2 points
Working 20 hours or in education/training	2 points
Veterans	2 points
Victims of Domestic Violence/Witness Protection	2 points

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

Rent Burden (paying more than 50% for rent)	2 points
Substandard Housing	2 points
Homeless and/or Displaced	2 points
Homeless w/Department of Human Services Supportive Services	2 points
Residents of/Work in City of San Francisco	2 points

B. Waiting List and Offers of Housing

1. All registrations (pre-applications) are time and date stamped upon receipt by the Eligibility Department. Applicants will be placed on the appropriate waiting list(s) by date and time of application and any applicable local preferences.
 - a) For example, a family may choose to be on both the two-bedroom waiting list and the three-bedroom waiting list if the family meets the Occupancy Standards criteria for both bedroom sizes.
2. SFHA will monitor the waiting list and schedule applicant interviews based on projected turnover. The objective is to maintain a ready pool of eligible and suitable applicants to which offers of housing will be made. SFHA may permit private management companies to conduct eligibility and suitability screening.
3. This assignment plan will be maintained in a central location, the Eligibility Department.
4. Eligibility staff will regularly check and ensure that verifications for preferences, income and family composition are current within 90 days for approved (“Applicants to be Referred”) families near the top of the waiting list.
5. In the process of making unit offers, the Eligibility Department will first refer to the “Applicants to be Referred” list.
 - a) The Eligibility Department will ensure that all approved applicants are placed on the “Applicants to be Referred” list.
 - (1) For example, 3-bedroom elderly or disabled families shall be placed on the 3-bedroom general occupancy (family) list if there are no 3-bedroom units in elderly/disabled developments.
 - (2) Families needing wheelchair accessible units or other accessibility features shall be indicated on the “Applicants to be Referred” list, and shall be listed in preference order with all other applicants.
 - (3) Families needing a downstairs unit will be indicated on the “Applicants to be Referred” list.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

6. Eligibility Staff will next refer to the “Vacant Unit Analysis Report” when making unit offers.
 - a) Eligibility staff will ensure that all units, vacant and expected to become vacant, are on this list, in chronological order (unit vacant longest is listed first)
 - b) Codes on the “Vacant Unit Analysis Report” shall clearly indicate which units are ready for referral (i.e., units not undergoing extensive modernization or casualty damage, in litigation, or other condition expected to keep the unit uninhabitable for two or more months). *NOTE:* Good communication processes and protocols between management and maintenance shall be given high priority.
 - c) The fields on the “Vacant Unit Analysis Report” indicating “Estimate Ready” and “Actual Ready” shall be updated daily, as required.
 - d) Only units on the “Vacant Unit Analysis Report” that are ready or expected to be ready within two months shall be referred.

7. Eligibility staff will next refer to the “outstanding offers”
 - a) Eligibility staff shall ensure that elderly/disabled families needing a 3-bedroom or larger unit are offered appropriately sized units in general occupancy (family) developments in correct preference/date order, if there are no units of that bedroom size in Mixed Population (elderly/disabled) developments.
 - b) For Mixed Population developments, only families coded “E” (elderly/disabled) will be selected.
 - c) Eligibility staff shall ensure that “Applicants to be Referred” list is clearly coded for families needing downstairs units only, wheelchair accessibility, or other accessibility features, and will refer to applicant file before making referrals.
 - (1) For example, an upstairs unit will not be offered to a family who indicated that they must have a downstairs unit.
 - (2) See “Occupancy of Dwelling Units with Accessible or Adaptable Feature” for order of offers of accessible units.
 - d) Families needing wheelchair accessibility units will be offered the next available public housing unit (see good cause for refusal).

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

8. Eligibility staff will place a telephone call to the first applicant at the top of “Applicants to be Referred” list, of the appropriate bedroom size, to offer that applicant the unit at the top of the “Vacant Unit Analysis Report”
 - a) “Top of list” is defined as the applicant with the highest preference points and the oldest application date.
 - (1) For example, an applicant who applied for public housing in 1998 but was approved in 2001 would be higher on the list than an applicant with the same preference points who applied for public housing in 1999 but was approved in 2000.
 - b) The eligibility staff shall send the offer letter out the same day, with offer of the specific unit, requiring applicant to accept or reject within five (5) days.
 - c) Staff shall input the date of unit offer in the “Outstanding Offers” report.
9. Eligibility staff will place a telephone call to the second applicant at top of “Applicants to be Referred” list, of the appropriate bedroom size, to offer 2nd unit at top of “Vacant Unit Analysis Report”.
 - a) Staff shall send offer letter out same day, with offer of specific unit.
 - b) That day’s date will be entered in the “Outstanding Offers” report.
10. Eligibility staff will refer each vacant or expected-to-be vacant unit out every five (5) days
 - a) If the date the unit on this list was offered is five days from this day, the unit will be offered again.
 - (1) For example, if date unit offered indicates “11/03/01”, the unit will be offered again on “11/08/01”
 - (2) If date unit offered indicates “11/15/01, the unit will be offered again on “11/20/01”
11. Staff shall continue offering units following procedure above until unit is accepted and leased.
12. Applicants who do not respond to the unit offer letter within five (5) working days of the date of the notice will be considered “non-responsive” and withdrawn from all waiting lists.
13. If applicant accepts the offer by phone, eligibility staff will send letter, confirming acceptance of unit.
14. SFHA will maintain records of units offered, including location, date, and circumstances of each offer, and each acceptance or refusal, including the reason for the refusal. The Eligibility Department *must* record this information in CCS for the purpose of identifying “hard to market” units.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

C. Acceptance or Rejection of Offer

1. After accepting the offer of housing, the applicant will be shown a vacant unit in their selected location. Units and applicants are matched based on the size and type of housing required by an applicant, taking into account priorities for accessibility and allocation plans. If more than one unit of the appropriate size and type is available, the first unit offered to the applicant will be the first unit ready with the oldest vacancy date.
2. The Eligibility Department will withdraw the application after the applicant declines the offer of housing (without “good cause”). The applicant will have the option to re-apply.
3. If an applicant is willing to accept the unit offered but is unable to move at the time of the offer or if acceptance of the offer of a suitable vacancy will result in undue hardship not related to considerations of race, color, sex, religion, disability, or national origin, the applicant will keep their place on the waiting list [24 CFR 1.4 (b)(2)(ii) & (iii)]. The applicant must be able to document that the hardship claimed is “good cause” for refusing an offer of housing. Where “good cause” is verified to SFHA’s satisfaction, the refusal of the offer *shall not require* that the applicant be dropped to the bottom of all waiting lists or otherwise affect the family’s position on any waiting list. [24 CFR 85.42].
4. Examples of good cause reasons for the refusal of an offer of housing (public housing or alternative housing opportunity) include, but are not limited to:
 - a) The unit is not of appropriate size or type;
 - b) Inaccessibility to source of employment, education, or job training that would require an adult household member to quit a job, drop out of an educational institution, or job training program. Or inaccessibility to children’s day care or educational program that would take a child out of day care or an educational program;
 - c) Presence of lead paint in the unit offered when the applicant has children under the age specified by current law;
 - d) The family demonstrates to SFHA’s satisfaction that accepting the offer will place a family member’s life, health, or safety in jeopardy. The family must offer specific and compelling documentation such as restraining orders, other court orders, or risk assessments related to witness protection from a law enforcement agency or a threat assessment that verifies danger from criminal activity. Reasons offered must be specific to the family (e.g. hate crimes). Refusals due to location alone are not good cause;
 - e) The unit is inappropriate for the applicant’s disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

5. Examples of good cause related to an applicant's willingness to accept an offer but inability to move at the time of the offer include:
 - a) A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (each as listed on final application) or live-in aide necessary to the care of the principal household member;
 - b) The family head, spouse or sole member is serving on an impaneled jury.

D. Housing Transfers and the Offering of Units

Three of the four types of transfers will take priority over new admissions: Priority (Emergency), Administrative Transfers and Resident-Initiated Transfers will be offered housing before new admissions as appropriate. See Transfer Policy, Section VIII of this document.

E. Occupancy of Dwelling Units with Accessible or Adaptable Features

1. Units with accessible or adaptable features will be first offered to current residents in need of the units' features before offering such a unit to an applicant with a disability.
2. Offers of housing for all accessible or adaptable units will first be made to current residents having a disability that requires the special features of the vacant unit. (In effect, a transfer of the occupant with disabilities from a non-adapted unit to the vacant accessible/adapted unit).
3. If there is no current resident in need of the unit, the unit will be offered to an eligible applicant having a disability that requires the special features of the vacant unit [24 CFR 8.27 (a) (1) (2) and (b)].
4. If there is no such applicant and the SFHA offers the unit to an applicant without a disability, SFHA will require the applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit. This requirement will be reflected in the lease agreement signed with the applicant [24 CFR 8.27 (a) (1) (2) and (b)].

F. Offering of Designated Units

1. Designated units will be first offered to applicants whose household characteristics "match" those of the vacant unit available.
2. By matching unit and family characteristics, families lower on the waiting list may receive an offer of housing ahead of families higher on the list with an earlier application date.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

3. If there are no “matching” families on the waiting list, the unit will be offered to the family at the top of the waiting list for the appropriate bedroom size, according to the following rule: applicants that are elderly, have a disability, are displaced, or near-elderly family will be given occupancy preference over a single person applicant who is not an elderly, have a disability, displaced, or near-elderly person. This preference exists regardless of the single person applicant’s date of application [24 CFR 5.405(b)].

VII. LEASING AND OCCUPANCY OF DWELLING UNITS

A. Showing Units Prior to Leasing

1. When offering placement in a development, SFHA will provide the applicant with information describing the property and neighborhood. Eligibility staff will be familiar with SFHA’s housing sites. If the offer of housing is accepted by the applicant, the development’s property manager will be advised of the offer by Eligibility staff, and the date and time when the applicant will view the unit to be leased or a comparable unit.
2. Managers will only show and lease units of the appropriate size and type. If the applicant accepts the unit, the manager will verify when the unit will be ready for occupancy and execute a lease. If the applicant refuses the unit, a signed reason for refusal must be obtained from the applicant. The refusal form is then sent to Eligibility for a “good cause” determination (see Paragraph C of this section for definition of good cause). No lease will have an effective date before the unit is ready for occupancy [24 CFR 966,4 (i)].

B. Unit Inspection

Before a family is admitted into a unit, the Property Manager and the family shall physically inspect the unit. This is to assure that the unit meets minimum habitability requirements, pursuant to state law, and to jointly establish the initial physical condition of the unit. The Property Manager will furnish the family with a written statement of the condition of the unit and the equipment provided with the unit. The statement shall be signed by the Property Manager and the family and a copy of the statement will be kept in the client file. Subsequent damages, except for normal wear and tear or a verifiable act of God, will be deemed as tenant damage by either the family or its guest(s).

C. General Leasing Policy

1. Units will be leased without regard to the race, religion, sex, age, national origin, disability or familial status of applicants, except as specifically provided herein.
2. All SFHA units will be occupied pursuant to a signed SFHA *Residential Lease Agreement and Contract* that complies with HUD's regulations. [24 CFR Part 966]

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

3. The lease shall be signed by the head, co-head, and all other adult members of the household and by the Executive Director or other authorized SFHA representative, prior to actual admission. **[24 CFR 966.4 (p)]**
4. Changes in family composition, income, or status or if a disability occurs between the time of the eligibility interview and the leasing of the unit will be processed at the Eligibility Department. Changes occurring between annual re-examinations will be processed at the developments.
5. If a resident transfers from one SFHA unit to another, a new lease will be executed for the dwelling into which the family moves. **[24 CFR 966.4 (c)(3)]**
6. If at any time during the life of the lease agreement and contract, a change in the resident's status results in the need for changing or amending any provision of the lease, either:
 - a) A new lease contract will be executed;
 - b) A Notice of Rent Adjustment will be executed; or
 - c) An appropriate rider will be prepared and made a part of the existing lease, or appropriate insertions will be made within the lease. All copies of such riders or insertions are to be dated and signed by the resident and by the Executive Director or other authorized SFHA representative. **[24 CFR 966.4]**
7. Housing Management will provide Eligibility with appropriate notice as to the date units will be vacant and ready by using the designated computer system and coding. Modernization and Redevelopment will also advise Eligibility in writing on available vacant and ready units.

D. Security Deposit Policy

1. It is the desire of the authority to establish a security deposit policy which encourages the families to take better care of their units, to reduce authority expenditures for renovation of units, to reduce the number of residents vacating without notice, to reduce accounts receivable for residents who leave owing unpaid balances, and to reduce the collection and collection agency fees for vacated residents.
2. For this reason, the amount of the Security deposit owed by the family shall be the greater of one (1) month's gross rent, or \$100.00. The full amount of the security deposit shall be due and payable at admission. In situations of financial hardship, the resident and the authority may enter into an agreement to pay the security deposit in installment payments until the deposit is paid in full.
3. The authority shall be under no obligation to maintain any security deposit in segregated accounts apart from its general rent collection account *in compliance with California statutes*.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

4. The security deposit shall not be used for rent or any other fee or monies owed by the resident to authority while the resident remains in public housing.
5. The security deposit shall be returned to the resident within 3 weeks after all occupants of the resident's unit have vacated, less legitimate charges or deductions. A statement of charges or deductions will be provided to the resident along with the remainder of the security deposit.
6. No waiver of this policy is permitted without the review and written approval of the Executive Director, or his/her appointed designee.

E. Resident Charges

1. Along with resident rent, the authority may also impose other charges as permitted by law. Common among them are maintenance charges for damages caused by the family of its guest, late payment charges, excess utility usage charges, legal charges and other as may be deemed necessary.
2. Failure of the family to pay any of the charges, when due and payable, shall be a basis for eviction under the dwelling lease consistent with the termination provisions of 24 CFR, Parts 966.4 and 942.27
3. Prior to implementing any new charges, the authority shall give adequate administrative and legal notice as maybe required by law.

VIII. TRANSFER POLICY

The San Francisco Housing Authority will implement this policy to transfer a SFHA household from the household's current unit to another unit of suitable size and type. SFHA does not guarantee that an approved transfer will occur within a resident's original development. Transfers will be granted without regard to the race, religion, sex, age, national origin, disability or familial status of residents. Families approved for a transfer will receive one offer of housing¹²; failure to accept the initial offer will result in withdrawal from the transfer waiting list and possible lease termination.

A. Types of Transfers

SFHA has three types of transfers, as described below:

¹² Except for families who must relocate due to revitalization and development efforts, such as HOPE VI development. These families are offered up to three units. Please refer to SFHA's HOPE VI policies for more specific detail.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

1. Priority Transfers – A priority transfer will be implemented when unit or building conditions pose an immediate threat to resident life, health, or safety. A priority transfer can be initiated by either the Authority or the resident, and must be documented and confirmed by the Authority or in a legal proceeding.
 - a) *SFHA-Initiated Priority Transfers* – Transfers that occur when a dwelling unit has been damaged by a fire, flood, or other cause(s) to such a degree that the unit is not habitable and has such extensive damage that temporary relocation is not cost effective for SFHA. The Authority is not required to give prior notice in the event that a priority transfer must occur, and a tenant’s refusal to comply with a SFHA-initiated priority transfer can be grounds for lease termination.
 - b) *Resident-Initiated Priority Transfers* – Upon request by the resident, priority transfers may be used to alleviate verified medical problems of a *life-threatening* nature, such as emergency medical and/or disability needs (including accessibility) that cannot be accommodated in the current dwelling unit, or to protect household members from an immediate threat to the life of a family member from one of the following set of circumstances:
 - (1) A member of the family is a victim of domestic violence.
 - (2) A family member is a witness to a crime as a result of which their relocation has been deemed necessary for their protection by either the District Attorney’s office, ~~or~~ the San Francisco Police Department, or other law enforcement agency.
 - (3) A family member is the victim of a hate crime.
 - (a) A hate crime is defined as a criminal act in which hostility or negative attitude toward, or prejudice against, any group or individual due to race, color, ethnicity/national origin, religion, gender, sexual orientation, or handicap is the motivating factor.
 - (b) Indicators for hate crimes include, but are not limited to, the following:
 - The offender and the victim were of different racial, ethnic/national origin, gender, sexual orientation, or handicap groups.
 - Oral comments, written statements, or gestures were made by the offender, which indicate his/her bias.
 - Drawings, markings, symbols, or graffiti were left at the scene of an incident or anywhere on or about SFHA property.
 - Certain objects, items, or things, which indicate bias, were used or left behind by the offender(s).
 - The victim is a member of a racial, ethnic/national origin, gender, sexual orientation, or handicap group that is outnumbered by members of another group in that area where

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

the victim lives and/or the incident occurs.

- The victim was visiting a location where previous civil rights violations had been committed against other members of his/her racial, ethnic/national origin, gender, sexual orientation, or handicap group.
- Victims or witnesses perceive that the incident was motivated by bias.
- The victim was engaged in activities promoting a racial, ethnic/national origin, gender, sexual orientation, or handicap group.
- The incident coincided with a holiday relating to, or a date of particular importance to, a racial, ethnic/national origin, gender, sexual orientation, or handicap group.
- The offender was previously involved in a similar incident with, or is a member of or associated with, a hate group.
- A historically established animosity exists between the victim's group and the offender's group.
- The victim was in the company of, married to, or dating, a member of a targeted group.
- The victim has received harassing mail or phone calls or has been the victim of verbal abuse based on his/her affiliation with a targeted group.

- (4) A family member is a victim of a violent crime other than a hate crime or domestic violence.

Placement on the priority transfer list requires third-party corroboration of all material facts supporting the application. Third-party corroboration includes, but is not limited to, the following:

- a) Police reports and investigations by SFHA staff, which includes discussion with attending police officer or other law enforcement. The evidence must substantially show that the family is in an immediate, life-threatening situation and that a priority transfer would substantially abate the problem.
- b) If the priority is medical, it must be verified that the family's continued residency in their current dwelling will be exacerbated a preexisting physical or mental condition into a life-threatening condition.
- c) A temporary restraining order against the perpetrator
- d) Transitional residency at a shelter due to victimization caused by domestic violence

In the event that a priority transfer must occur and no units are available within **30** days, a Section 8 voucher may be issued (if available) or residents may be directed to contact

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

their local Red Cross for temporary housing. Under certain circumstances, SFHA may elect to put a family in a unit specially reserved for emergency relocations, or the Authority may finance a hotel room for the family to reside until a unit can be made available depending on funding availability

2. Administrative Transfers – An Administrative Transfer will be implemented for the following reasons:
 - a) Purposes of building revitalization (such as HOPE VI redevelopment), other modernization and development activities;
 - b) Adjustments made for overcrowded or over-housed living conditions;
 - c) Elderly and/or disabled resident residing in family designated developments who wish to transfer to a Senior/Disabled development; and
 - d) Residents who are victims of fire or determined (by Housing Authority Staff) to live in substandard housing conditions. An example of ‘substandard housing conditions’ is excessive mold/mildew which MUST be abated by extensive sheetrock replacement.

All administrative transfers are mandatory; a tenant’s failure to comply with an administrative transfer will initiate the lease termination process.

3. Resident-Initiated Non-Priority Transfers – Resident-initiated non-priority transfers are available to residents in good standing and who have resided in a development for at least 12 months. *Outstanding lease violations and delinquent rent may disqualify a resident’s application for transfer.* Resident-initiated non-priority transfers may occur when either one or more of the following criteria is sufficiently documented:
 - a) The dwelling unit is unsuitable because of an undue medical hardship (other than which would qualify under a Priority request) that is expected to be long standing (more than one year) and which cannot be accommodated in the unit.
 - b) A compassionate transfer would accommodate a family’s need to be close to another family member with a serious medical condition.
 - c) The location of an employer, childcare, or medical treatment creates an undue hardship on the family as determined by SFHA.
 - d) The unit is not an appropriate size (for under-housed residents only).

Documentation to verify these situations varies and is left to the discretion of SFHA, depending on the situation.

B. Transfer Process

1. SFHA Initiation – Transfers may be SFHA-initiated or resident-requested as explained in Section A above. In the event that SFHA identifies the need to transfer a tenant due to an

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

emergency or administrative need, the Eligibility Department will notify the tenant in writing to facilitate the transfer process. Agency staff will perform the required collaboration to facilitate and document the process, in accordance with all HUD, State and local guidelines.

2. Tenant Initiated – If a tenant identifies a need to transfer, the tenant may initiate the transfer by filling out a Transfer Request Form and submitting the form to their property manager. Upon receipt of the transfer request, the property manager will time and date stamp the request, and enter the request into a tracking log.

Processing a Transfer Request - A transfer application request will be responded to within fourteen (14) business days of its receipt by Property Management.

The Eligibility Department will review the transfer request and render a decision within ten (10) business days. During this time, the Eligibility Department may or may not be required to make further inquiry to verify supporting documentation. Eligibility for all transfers will be determined using the same criteria that is used to screen new applicants.

Once a resident-requested transfer request has been approved, the Eligibility Department will determine whether the transfer shall be a priority resident-requested or non-priority resident-requested transfer. At this time, the family will be notified in writing by the Eligibility Department and placed on the appropriate transfer list. A copy of the written notification shall be forwarded to the property manager and kept in the tenant's files.

If the Eligibility Department does not approve the transfer request, the family will be informed in writing of the specific reason(s) and provided the opportunity to appeal the decision. Appeals must be initiated within 15 business days from receipt of notice. If an appeal is requested, the Eligibility Department will review all information and inform the resident of its decision within 15 days of receipt of the request for appeal. If SFHA upholds its decision to deny the transfer request, the resident has the right to request a Fair Hearing as outlined in the *Grievance Policy*.

C. Transfer Waiting Lists

SFHA's Eligibility Department shall maintain separate transfer lists of families determined to be eligible for a transfer under the criteria outlined above. Families on each transfer list will be ranked by the date and time their transfer request was received by the property office. Transfer lists include:

- Priority Public Housing (SFHA-initiated and resident-requested)
- Priority Section 8 (SFHA-initiated and resident-requested)
- Administrative Relocations for Revitalization and Modernization¹³
- Administrative Overhoused and Administrative Underhoused

¹³ HOPE VI includes separate lists for relocation and re-occupancy for each revitalization project

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- Resident-Requested Non-priority Transfers

All vacancy turnover units and new units on line shall be offered first to families approved for a priority transfer. If no family is identified on the priority list, the vacant unit will be offered to the first family on the subsequent transfer list, in the following order: Administrative Relocations, Administrative Overhoused, and Resident-Requested Non-priorities **as deemed** appropriate.

When necessary and without notice, SFHA reserves the right to offer units to Administrative transfers **before** offering units to families on the priority transfer lists.

All transfer lists shall be maintained on the basis for each bedroom size, as stated in Section IV above.

D. Refusal of Transfer Offer

All families will be offered the first available and suitable dwelling for transfer, except in the case of a HOPE VI relocation. Families will not be offered a transfer close to or within their development in cases where the transfer is in response to a life-threatening situation such as domestic violence, witness protection, or where other similar threats exist.

Families have the right to refuse an offer if they are able to document *good cause* for refusal of the unit. Examples of good cause include, but are not limited to:

1. The unit is not of appropriate size or type.
2. Inaccessibility to the source of employment, education, or job training that would require an adult household member to quit a job, drop out of an educational institution, or a job training program. The tenant must document this refusal with a letter from the employer, school, or job training center stating that the new unit would prohibit access to the services of that agency.
3. Inaccessibility to a child's day care or educational program that would take the child out of the day care or educational program. The tenant must document this refusal with a letter from the day care center or educational center stating that the new unit would prohibit access to the services of that agency.
4. Presence of lead paint in the unit offered when the applicant has children under the age specified by current law.
5. The family demonstrates to the Authority's satisfaction that accepting the offer will place a family member's life, health, or safety in jeopardy. The family must offer specific and compelling documentation such as restraining orders, other court orders, risk assessments related to witness protection from a law enforcement agency, or a threat assessment that verifies danger from a criminal activity.
6. The unit is inappropriate for the applicant's disabilities (documented by a certified health

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

professional), or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.

Good cause must be sufficiently documented. All documentation of a good cause for refusal of an offer must be provided to the Eligibility Department. Failure to provide good cause will be handled as follows:

- For priority transfers, any resident who refuses an offer of transfer housing without good cause (as defined above) will be removed from the transfer waiting list and may not apply for another transfer for at least twelve (12) months from the date of the transfer offer.
- For administrative transfers, any resident who refuses an offer of transfer housing and the refusal does not meet the definition of good cause, SFHA will issue a 30-day notice of lease termination.
- For resident-requested non-priority transfers, any resident who refuses an offer of transfer housing without good cause will be removed from the transfer waiting list and may not apply for another transfer for at least twelve (12) months from the date of the transfer offer.

E. Processing Transfers

Transfers will be process as follows:

1. Transfers will not affect the effective date of an annual recertification.
2. There will be no lapsed time between move-out and move-in. Effective dates must not overlap nor will both projects carry the resident on their books at the same time.
 - a) The losing property manager shall check the old unit after 48 hours. If the unit appears to be abandoned, SFHA will follow State or local laws regarding posting notice and storage.
 - b) If the keys to the old unit are not received within two days, the resident will be contracted for additional charges.
 - c) The gaining property manager shall **fax** a copy of the executed lease to the losing property manager on the date the lease is executed.
 - d) The losing property manager will accumulate rental charges beginning two days from the date of the move from the losing development.
3. SFHA will not require a new security deposit for families transferring within SFHA public housing. Security deposits will always be transferred from the losing development to the gaining development.
4. The resident will be billed for any charges that occur as a result of the resident moving out of the unit. The resident is also responsible for paying any maintenance charges due

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

to SFHA.

F. Security Deposits

1. The SFHA will not require a new security deposit for families transferring within SFHA public housing.
2. Security deposits will always be transferred from the losing development to the gaining development.
3. The resident will be billed for any charges that occur as a result of the resident moving out of the unit. The tenant is responsible for paying any maintenance charges due the SFHA.

G. Witness Protection Program

1. Purpose of the program
 - a) The purpose of this program is to assist law enforcement agencies in providing for the safety and security of public housing residents who are formally cooperating with such agencies on criminal investigations or prosecutions. Through this program, the San Francisco Housing Authority will use whatever housing resources are available to relocate cooperating residents to safe housing as quickly as possible.
 - b) Nothing in this program shall require the San Francisco Housing Authority to transfer or assign a resident in violation of any federal, state, or local law, or in contravention of any policy or regulation of HUD.
2. Definitions
 - a) Resident: Any person identified as a resident or co-resident on a dwelling lease with the San Francisco Housing Authority, or with any landlord operating within any Section 8 program sponsored by the San Francisco Housing Authority, or any family member or member of the household of such a person, provided that their name also appears on the dwelling lease.
 - b) Participating law enforcement agency: Any law enforcement agency with which the San Francisco Housing Authority has entered into a Memorandum of Understanding regarding witness protection and relocation. Such agencies may include, but are not limited to, the San Francisco Police Department, the San Francisco District Attorney's office, The Federal Bureau of Investigation, the U.S. Attorney, the U.S. Department of Justice, or the California State Department of Justice.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- c) Witness protection program: Any formal program maintained by a participating law enforcement agency requiring application by and acceptance of a person assisting, cooperating with, participating with, or testifying for said agency. If no such formal program currently exists, the participating agency may use any established set of requirements or qualifications agreed to by the San Francisco Housing Authority in lieu of such a program, provided that the requirements or qualifications are included in the Memorandum of Understanding.
 - d) Agency liaison: Officer or administrator designated by the participating law enforcement agency in the Memorandum of Understanding, or his or her designee, so long as this subsequent designation is in writing, and subject to verification.
 - e) Authority liaison: The Executive Director, Chief of Staff/Operations, or Director of Conventional Housing for the San Francisco Housing Authority, or his or her designee, so long as this designation is in writing and subject to verification.
 - f) HUD liaison: Official or administrator designated by HUD to assist with this program.
3. Request for transfer or assignment
- a) A request for transfer or assignment may be made by a participating law enforcement agency to the San Francisco Housing Authority in writing on behalf of any resident of the San Francisco Housing Authority accepted into a witness protection program.
 - b) In cases of emergencies, an oral request for transfer or assignment may be made, provided that the request is made directly by the agency liaison to the authority liaison, and confirmed by written request within 48 hours.
 - c) The San Francisco Housing Authority may process a request for transfer or assignment for a resident who has only provisionally been accepted into a witness protection program, provided that his or her acceptance is effective at the time of transfer or assignment. Under no circumstances will a transfer or assignment under this program be given to a resident who has not been accepted into a witness protection program.
4. Decision on request for transfer or assignment:
- a) The San Francisco Housing Authority will have two business days from the time of the initial request for transfer or assignment to verify the resident's status in San Francisco Housing Authority housing, and to confirm the resident's eligibility for transfer or assignment. If no confirmation is transmitted to the participating law enforcement agency within two business days, it will be presumed that the request has been granted.
 - b) If the San Francisco Housing Authority determines that the requesting resident is not eligible under the terms of this program and the Memorandum of Understanding, this determination shall be transmitted to the agency liaison in writing.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- c) Any arrears in rent or damage to the unit occupied by the resident shall be settled or provided for by agreement between the participating law enforcement agency, the resident, and the San Francisco Housing Authority prior to transfer or assignment.
 - d) Costs and expenses for moving and relocation shall be determined by agreement between the resident, the participating law enforcement agency, and the San Francisco Housing Authority.
5. Selection of public housing alternatives:
- a) A transfer or assignment approved under this program shall be given the highest priority among waiting list participants.
 - b) The San Francisco Housing Authority shall consider available housing alternatives for the resident, from available housing resources including, but not limited to:
 - (1) Transfer or assignment to conventional housing within San Francisco housing Authority property.
 - (2) Section 8 Housing Vouchers made available for this specific program (if funding is available).
 - (3) Any certificates or vouchers specifically provided by HUD for this particular program.
 - (4) Other housing alternatives as may be available to the San Francisco Housing Authority.
 - c) The SFHA will first seek to transfer the resident to an appropriate public housing unit. If an appropriate public housing unit is not available, or is not anticipated to become available, within 30 days from the date of the transfer request, the SFHA may offer a Section 8 voucher as the next option (if Section 8 Vouchers are available). If the resident so chooses, the household may wait for an appropriate public housing unit to become available.
 - d) The San Francisco Housing Authority will rely upon the assistance of HUD, through the HUD liaison, to secure the cooperation of other housing authorities and the federal government in providing as full a range of housing alternatives as possible. This shall include, when possible, additional certificates and vouchers from HUD for specific use in this program.
 - e) The San Francisco Housing Authority shall also have a special listing of housing alternatives, which can be made available on a short-term basis, including motels or hotels, or other housing arranged for on an emergency basis. Expenses and costs for such short-term housing shall be determined by agreement between the resident, the participating law enforcement agency, and the San Francisco Housing Authority.

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

H. Confidentiality, Administration and Record keeping

1. All information regarding transfers or assignments under this program shall be kept strictly confidential by the San Francisco Housing Authority. Records under this program will be kept separate from the general records of the San Francisco Housing Authority to the maximum extent possible.
2. Any disputes or conflicts under this program shall be considered and resolved by the agency liaison, the Authority liaison, and the HUD liaison.
3. To the extent possible and subject to any rights of return, SFHA will allow residents in good standing to choose the development to which to transfer when implementing Administrative Transfers for redevelopment or rehabilitation units. The conditions for good standing are: no repayment agreement or unpaid balance at any time in the past year; good credit history with utility companies (when applicable); no criminal activity or history of disturbances that resulted in lease violations or violations as defined in SFHA's *One Strike Policy* (Appendix B) as indicated by notices of lease violation in the resident's file; and a good housekeeping record, as indicated by housekeeping inspection reports in the notice 30 calendar days in advance of the transfer date.

IX. Annual Recertification, Interim Recertification, and Continued Occupancy

A. Recertification Purpose

1. All households will be recertified every year upon the anniversary of their original move-in date. The first annual recertification will be conducted within twelve (12) months of the original move-in date. For example, if a family moves in to the unit on July 7, the annual recertification effective date is July 1 of the following year.

The purpose of this annual recertification is to update family income information and family composition, to make any necessary changes to the rent, to verify eligibility for continued occupancy, and to renew the SFHA *Residential Lease Agreement and Contract*. [24 CFR 960.209 (a)] Residents will be notified in advance regarding the date of the recertification. At that time, SFHA will advise households of any documents needed for the recertification.

2. The annual recertification process will begin ninety (90) days prior to the recertification effective date.

B. Recertification Procedures

1. At the time of re-examination, the head and any co-head of the household are required to complete the recertification process as required by HUD.
2. Everyone in the household, aged 18 and older is required to sign the lease and all other required forms.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

3. Employment, income, allowances, Social Security numbers, and such other data as is deemed necessary (including income that has been disregarded according to SFHA policy) will be verified and all verified findings will be documented and filed in the resident's folder. **[24 CFR 960.257]**
4. Verified information will be analyzed and a determination made with respect to:
 - a) Family composition: eligibility of the resident as a family or as the remaining member of a family;
 - b) Unit size required for the family;
 - c) Rent the family will pay; and
 - d) Need to transfer the family to a smaller or larger unit, or a unit with accessible features.
5. Income shall be computed in accordance with the definitions and procedures set forth in Section XI of this policy. **[24 CFR 5.609]**
6. If a family does not show for the first recertification appointment, a letter will be sent rescheduling the appointment. If the rescheduled appointment is not convenient for a compelling reason, the family has three (3) days to notify the property office of a need to reschedule the appointment.
7. Families that fail to show to the second recertification appointment or who fail to respond to a notice of a recertification will be sent a notice of lease violation. Failure to respond to the notice of lease violation will result in termination of the lease. **[24 CFR 86.124(c)]**

C. Eligibility for Continued Occupancy

1. Households that meet the following criteria will be eligible for continued occupancy:
 - a) Qualify as a family as defined in Section XII of this policy.
 - b) Are in full compliance with the resident obligations and responsibilities as described in the *Residential Lease Agreement and Contract* (Appendix D).
 - c) All family members, age 6 and older, each have Social Security numbers or have certifications on file indicating they have no Social Security number.
 - d) All members receiving housing assistance are citizens or have eligible immigration status or a mixed family (having at least one family member that has citizenship or eligible immigration status). Every member of a resident family has submitted either a signed declaration of citizenship or evidence eligible immigration status as required by or a certification of non-contending status. **[24 CFR 912.6]**

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

D. Action Following Recertification

1. If there is any change in rent, a new *Residential Lease Agreement and Contract* will be executed and a "Notice of Rent Adjustment" will be issued. [24 CFR 966.4 (c) & (o)]
2. If any change in the unit size is required, the resident will be placed on a transfer list in accordance with the transfer criteria described in Section V of this policy and moved to an appropriate unit when one becomes available. [24 CFR 966.4 (c)(3)]

E. Interim Recertifications

1. Between annual recertifications, residents must report changes in income to the housing manager within 10 calendar days of the occurrence as described in the lease agreement.
2. SFHA will conduct an interim recertification for decreases in rent when the household experiences a decrease in income or an increase in allowances or deductions.
3. SFHA does not conduct interim recertifications for increases in rent unless:
 - a) the family composition changes; or
 - b) the income disallowance period has ended; or
 - c) the family is paying minimum TTP (or minimum rent is exempted due to hardship) and the has an increase in income. Income of families reporting zero income, or families who have had the minimum rent exempted due to hardship, will be reviewed every 90 days.
4. Residents with seasonal or part-time employment of a cyclical nature will be asked for third party documentation of the circumstances of their employment, including start and ending dates.
5. Residents in job training programs, or who are employed as a result of job training, may be eligible for an income disregard.
6. SFHA may process an interim adjustment in rent if at an annual or interim recertification a resident misrepresents the facts upon which the rent is based.
7. Complete justification and verification of the circumstances applicable to rent adjustments must be documented by the resident and approved by the Executive Director or his/her designee. [24CFR 960.206]

F. Notice of Rent Adjustment

Residents will be sent a "Notice of Rent Adjustment" 30 days prior to any increase in rent. This notice will list the current rent, the new rent, and the effective date of the rent adjustment. Rent may be adjusted as a result of an annual recertification, an interim recertification, or when a change in policies affects the rent calculation (i.e. annual update of ceiling rent).

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

G. Failure to Report Accurate Information

If the Authority discovers that a resident has misrepresented or failed to report to Management the facts upon which his/her rent is based so that the rent being paid is less than what should have been charged, then the increase in rent will be made retroactive to the first of the month following the month in which the misrepresentation occurred. Failure to report accurate information is also grounds for initiating eviction proceedings in accordance with SFHA's dwelling lease [24 CFR 966.4 (c)(2)].

H. Remaining Family Members and Prior Debt

1. If the head of household moves out of a leased unit and the family members want to continue occupancy of that unit (or another SFHA unit of the appropriate bedroom size), the remaining family members must identify a new head of household who will be subject to suitability and eligibility requirements. Once approved by the Eligibility Department and any outstanding debt is paid, the new head of household will sign a SFHA residential lease.
2. If all adults abandon the unit or die and the only household members remaining in the unit are minors they may maintain the unit only if:
 - a) The SFHA will accept the court-appointed guardian to assume the lease provided that all eligibility and suitability criteria are met.
 - b) The court-declared emancipated minor meets all the eligibility and suitability criteria

4. Any outstanding debt owed to the Authority by the former head of household will be addressed as follows:

 - b) The SFHA will not hold remaining family members responsible for any portion of the arrearage incurred prior to the remaining member attaining age 18. Example: the new head of house and only adult member of household recently turned 18 years. The new head of house is not responsible for the portion of the debt owed prior to his/her 18th birthday.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

 - f) When disputes arise between a resident and the Authority concerning an action taken by the Authority to collect a prior debt as outlined in this paragraph, residents will have the opportunity to resolve this dispute through a grievance hearing according to the SFHA's *Resident Grievance Procedures*. **[24 CFR 966.50]**
5. Any outstanding credit due to the resident will be addressed as follows:
- a) A credit balance that is equal to, or less than, twelve months rent (based on the current monthly rent amount) will be carried as a balance on the resident's account until the credit is exhausted.
 - b) If the credit balance that is more than twelve months rent (based on the current monthly rent amount), the resident will be paid a refund for the amount exceeding 12 months rent. The amount equal to 12 months rent will be carried as a balance on the resident's account until the credit is exhausted.
 - c) If the tenant vacates the unit with a credit balance, the SFHA will refund the entire balance, less any charges for damages to the unit by the resident that exceed normal wear and tear, within 30 days of the vacate.

I. Temporarily and Permanently Absent Family Members

- 1. If any family member is gone, or expected to be gone, longer than 15 days, the family must notify property manager.
- 2. Family member who is absent more than a total of 90 days in any one-year period shall be considered permanently absent. Reasonable accommodation for serious medical reasons will be considered.
- 3. If an entire family that is listed on the lease is absent more than a total of 90 days in any one-year period, the unit will not be considered the family's primary residence. This is a material violation of the lease and they will be subject to the lease termination process.

J. Lease Revision and Modification

- 1. The SFHA may revise or modify the lease at any time during the lease term:
 - a) So long as the SFHA follows the requirements of notice to tenants and resident organization; and

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- a) Tenant refuses to accept a revision to the lease after being given at least 60 days notice of its proposed effect; and
- b) If the tenant is allowed reasonable time to respond to the offer.

K. Unit Inspections

1. Each year, the SFHA shall schedule and perform a physical inspection of each dwelling unit. The purpose of the inspection is to assess its physical condition and to perform preventive maintenance work, as warranted. Such repairs made on a timely basis will alleviate more extensive work necessitated by deferred maintenance. Damages found during the inspection which were caused by negligent actions of the family or its guest(s), shall be charged to the family based on the latest Resident Maintenance Charge List. No charge shall be made if the repair was precipitated by:
 - a) Normal wear and tear, or
 - b) A verifiable act of God
2. The Property Manager shall conduct a Housekeeping inspection once a year. Residents who are in violation of housekeeping standards will be required to correct the deficiency. The Housekeeping standards shall include, but not be limited to:
 - a) conditions in the living room, kitchen, bathroom, and bedrooms;

 - c) cleanliness of all areas;
 - d) general care of furniture, windows, doors, and cabinets;
 - e) evidence of destruction of SFHA property;

 - h) conditions inconsistent with move-in inspection.

Failure to correct the deficiency will result in termination of the Lease.

L. Additions to the Household and Visitors

1. Only those persons listed on the most recent lease or certification form shall be permitted to occupy a dwelling unit. [24 CFR 960.209 (b) and 966.4 9 (a) (2)] Except for births to or adoptions by family members, any family seeking to add a new member must request approval in writing prior to the new member occupying the unit. [24 CFR 966.4 (f)(3) & (c)(2)] SFHA will not unreasonably withhold such approval.
2. Following the receipt of a family's request for approval to add a new person to the lease, SFHA will conduct a pre-admission screening of the proposed new member. The results of screening shall be used to determine whether the SFHA will approve the admission of the new member

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

3. In accordance with state law, certain criminal or arrest information for household members under the age of 18 years is not available (exception: emancipated minor). This does not preclude SFHA from using such information when a household member under the age of 18 years is being prosecuted as an adult under the law. This provision is subject to change, should the State or City modify its laws concerning the availability of police or court records for juvenile offenders.
4. Examples of situations when an additional family member is added to the household:
 - a) Resident requests to add a new spouse or co head to the lease.
 - b) Resident requests to take in a long-term placement foster child(ren); however, a transfer to a larger bedroom size will not be granted in this case.
 - c) Resident requests to employ a live-in aide. Definition of a live-in aide: Someone who lives with an elderly, near-elderly, or disabled person who:
 - (1) Is determined by the PHA to be essential to the care and well-being of the person(s),
 - (2) Is not obligated for support of the person(s), and
 - (3) Would not otherwise be living in the unit. Live-in aide must be certified by a knowledgeable, licensed professional

A transfer to a larger bedroom size will not be granted in this case unless the addition of a live-in aide causes the family to be under-housed according to the SFHA occupancy standards.
 - d) Resident requests to add an adult family member (over 18) when the adult family member meets the HUD definition of disability and is medically dependent on the head of household or spouse or if an adult family member is added to assist the head of household or spouse because s/he is medically dependent on the adult family member.
 - e) An adult assumes responsibility as the head of house for a family, whose remaining family member(s) is under 18 (and is not an emancipated minor(s)).
5. Residents who fail to notify SFHA of additions to the household or who permit persons to join the household without undergoing screening are in violation of the lease. Such persons will be considered unauthorized occupants by SFHA and the entire household will be subject to retroactive rent charges or eviction. **[24 CFR 966.4 (f)(3)]**
6. If a guest or family member stays with a resident household longer than 14 consecutive days, management must be notified. . Violation of this provision is grounds for termination of the lease.
7. Residents are not permitted to allow roomers and lodgers to occupy a dwelling unit. Violation of this provision is grounds for termination of the lease. **[24 CFR 966.4 (f) (2)]**

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

8. Residents shall not allow a former resident of SFHA who has been evicted for serious violation of a material term of the lease to occupy the unit for any period of time. Violation of this requirement is grounds for termination of the lease.
9. Family members who move from the dwelling unit shall be removed from the lease. **[24 CFR 966.4 (f)(3)]** The resident has the responsibility to report the move-out within 10 calendar days of its occurrence.
10. Any additions to the unit shall not cause overcrowding. Medical hardship, or other extenuating circumstances shall be considered by SFHA in making determinations under this paragraph.
11. Trespassing policy – Pursuant to San Francisco Police Code, Article 1 Public Nuisances Sec. 25. Remaining Upon Private Or Business Property After Being Requested To Leave:
 - a) No person shall willfully remain upon any private property or business premises after being notified by the owner, lessee, or other person in charge thereof to leave.
 - b) No person, without permission, expressed or implied, of the owner, lessee, or other person in charge of private property or business premises shall enter upon such private property or business premises after having been notified by the owner, lessee, or other person in charge thereof to keep off or to keep away therefrom.
 - c) **Notice.** Such notification referred to in subparagraphs (a) and (b) above may be oral or in the form of a written notice, posted in a conspicuous place, describing the specific area and hours in which persons are to keep off or to keep away.

M. Household Splits

In the event of a household break up (due to domestic violence, divorce, legal separation, etc.), the SFHA will determine which of the remaining household members will retain the rights to the leased unit. The SFHA determination will be made based on the following priorities:

1. Mutual agreement of the family members. All adult family members must submit and sign a statement of mutual agreement stipulating the household members who will retain the rights to the unit.
2. Court stipulated agreement. A copy of the court ordered stipulated agreement must be submitted to the property office declaring which household members will retain the rights to the unit.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

3. Domestic violence. In any instance where the head of household is removed from the unit by a restraining order or stay away order, the property office will make no permanent determination until a final court document is submitted to the property office awarding the remaining household members the rights to the unit. The survivor of the domestic violence is responsible for working with the police department to enforce any restraining order or stay away orders.

In all instances, the household must notify the property office, in writing, within 10 days of the action causing the household split and request a determination of the assignment of the unit. In no case will the SFHA provide an additional unit to the household member(s) who are removed from the original household unit. The household members who are removed from the original household unit may apply for assistance on a separate application and may be entitled to full preferences, as applicable.

X. LEASE TERMINATION PROCEDURES

The San Francisco Housing Authority will process lease terminations in accordance with applicable HUD regulations and Section 14 of the *Residential Lease Agreement and Contract*. [24 CFR 966.4 (I)(2)]

 - iii. With the offer specifying a reasonable time limit within that period for acceptance by the family.
2. The SFHA shall immediately terminate the tenancy if the SFHA determines that any member of the household has ever been convicted of drug-related criminal activity or manufacture or production of methamphetamine on the premises of federally assisted housing.

D. Lease Termination Notice

1. The PHA must give written notice of lease termination of:
 - a) 14 days in the case of failure to pay rent;

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

G. Consideration of Circumstances

1. In lease termination and eviction for drug and other criminal activity, the SFHA shall determine that the tenant had some degree of knowledge or ability to control the unlawful behavior.
2. Except for conviction for manufacturing or production methamphetamine on the premises of federally assisted housing, the SFHA may consider all circumstances relevant to a particular case such as:
 - a) The seriousness of the offending action;
 - b) The extent of participation by the leaseholder in the offending action;
 - c) The effects that the eviction would have on family members not involved in the offending activity;
 - d) The extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.
3. The SFHA may require a tenant to exclude a household member in order to continue to reside in the assisted unit where that household member has participated in or been culpable for action or failure to act that warrants termination.
4. If the eviction is related to a domestic violence situation, the SFHA may take these circumstances into consideration when determining whether or not to evict the entire household. If the domestic violence survivor is the remaining household member, s/he may submit proof that the domestic violence perpetrator is no longer in the household, and will not visit or access the public housing development. The SFHA may enter into a stipulated agreement with the remaining household members and allow them to remain in the unit.

H. Consideration of Rehabilitation

1. In determining whether to terminate tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the SFHA may consider whether such household member:
 - a) Is participating in or has successfully completing a supervised drug or alcohol rehabilitation program/ or
 - b) Has otherwise been rehabilitated successfully.

I. Use of Criminal Record

1. If the SFHA seeks to terminate the tenancy for criminal activity as shown by a criminal record, the SFHA shall:

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- b) Provide the subject of the record and the tenant with a copy of the criminal record before the SFHA grievance hearing or court trial.
 - c) The tenant shall be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial.
- 2. The SFHA shall not pass along to the tenant the costs of a criminal record check.
 - 3. To obtain criminal records from a law enforcement agency, the SFHA may require that every applicant age 18 and older, and head of house and spouse regardless of age, submit a signed consent form.
 - 4. The SFHA shall disclose the criminal records that it receives from a law enforcement agency only to:
 - a) Officers or employees of the SFHA;
 - b) Authorized representatives of the SFHA with a job-related need to access the information (for example, a SFHA hearing officer).
 - 5. If the SFHA's decision to evict a tenant is based on criminal record information from a State or local agency, the SFHA must notify the head of household of the proposed action and:
 - a) Supply the subject of the record and the tenant with a copy of the information; and
 - b) Provide the opportunity for the tenant to dispute the accuracy and relevance of the information. The opportunity shall be presented before the actual eviction action.

[24 CFR 966.50]

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

2. Grievance procedures will not apply to eviction or termination of tenancy cases involving *any activity* that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or SFHA employees; or any drug-related criminal activity on or off SFHA property. [24 CFR 966.51]
3. For the purposes of verifying the conduct of a leaseholder, the SFHA shall maintain on file copies of the following:
 - a) SFHA documentation of recertification(s), HQS Inspection(s), and a Tenant Historical Log;
 - b) Any SFHA Request for Termination, Notice of Lease Termination, 14-day Notice of Eviction, or Tenant Petitions for Grievance Hearing.

XI. UTILITIES

In some of the SFHA's developments, residents pay the cost of utilities directly to the supplier of utilities ("Resident Paid Utilities"). When this is the case, resident rents are reduced by an Allowance for Utilities that is developed by the SFHA in consultation with the utility supplier and reviewed by HUD. [24 CFR 965 & 966.4 (b)(2)]

A. Resident-Paid Utilities

The following requirements apply to residents living in developments with resident-paid utilities or applicants being admitted to such developments:

1. Paying the utility bill is the resident's obligation under the Authority's lease. Failure to pay utilities is grounds for eviction.
2. When a resident submits an application for utility service in his/her own name, the resident must sign a third-party notification agreement so that the SFHA will be notified if the resident fails to pay the utility bill.
3. In developments with resident-paid utilities, residents with Total Tenant Payments that are less than the applicable utility allowance for the unit will be entitled to have a utility reimbursement paid by the SFHA. Utility reimbursements are equal to the difference between the TTP and the Allowance for Utilities. The utility reimbursement payment shall be paid to the tenant.

B. Excess Utility Charges

The Authority has an established allowance (usage) schedule for units where SFHA pays the utilities. If Resident usage exceeds this allowance, a charge shall be applied as specified in Section 2 of the *Residential Lease Agreement and Contract*. Residents who own and operate large appliances such as air conditioners or chest freezers may exceed the SFHA utility allowance for their unit and are responsible for any additional utility cost [24 CFR 966.4 (b)(2)].

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

XII. RESIDENT CHOICE OF RENT PAYMENT

All resident households in San Francisco Housing Authority public housing units, shall pay as monthly rent either an income-based rent or a flat rent. The Authority shall provide to each family residing in a public housing dwelling unit the opportunity to elect annually whether the rent paid by such family shall be the income-based or the flat rent. The Authority may not at any annual recertification fail to provide both such rent options to any household residing in a Low-Income public housing unit. **[QHWRA; Section 523; (A)(i)]**.

A. Flat Rents

1. The SFHA will establish flat rents for each public housing dwelling unit, beginning 10/01/02 (*See Appendix F*). The flat rent for a unit is based on the rental value of the unit, and is designed so that the rent does not create a disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient. Flat rents for public housing units will be based on the unit location, quality, type, size, and age of the unit, as well as any amenities, housing services, maintenance, and utilities provided by SFHA. Flat rents will be calculated according to reasonable market values as determined by a Rent Reasonableness study conducted by the SFHA no more than once every five years. The results of the study will be included in each Five-Year Plan.
2. The Authority adopts a two-tiered flat rent schedule.
 - a) For newly constructed units, replacement housing, and completely rehabbed units finished after October 1,1999, the flat rents will be set at the maximum rents determined by the California Low Income Tax Credit Program (“LIHTC”) as indicated in SFHA Board Resolution 4826, which adopted flat rents for Bernal dwellings. The Authority will review the flat rent schedule annually to ensure its appropriateness. Flat rents will be adjusted to reflect the most recent Tax Credit rents as published by the California Low Income Tax Credit Program. (*See Appendix F*)
 - b) *Effective* 10/01/02, the Authority will *adopt* flat rents, based on a reasonable market value for those units. **[24 CFR 5.603, 5.614; QHWRA; Section 523]** (*See Appendix F*)
3. The Authority shall immediately provide for a family to switch to an income based rent instead of a flat rent amount upon the determination that the family is unable to pay the flat rent amount because of financial hardship, including:
 - a) Situations in which the income of the family has decreased because of changed circumstances, loss or reduction of employment, death in the family, and reduction in or loss of income or other assistance;
 - b) An increase, because of changed circumstances, in the family’s expenses for medical costs, child care, transportation, education or similar items; and

**SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

- c) Such other situations as may be determined by the Authority. **[QHWRA; Section 523; C]**
- 4. For families electing the flat rent payment amount, the Authority shall review the income of such families not less than once every three (3) years. Families choosing to pay the income-based rent shall continue to have a re-examination of income once every twelve (12) months. **[QHWRA, Section 523, E]**

B. Income-Based Rent

- 1. At the time of admission or the reexamination, all families shall be charged the greater of:
 - a) Thirty percent (30%) of the monthly adjusted income; or
 - b) Ten percent (10%) of the unadjusted monthly income.
 - c) The SFHA's minimum rent
- 2. All families shall be afforded the resident choice of rent payment and can choose to pay the income-based rent or the established flat rent. **[QHWRA; Section 523]**

C. Minimum Rent

- 1. The San Francisco Housing Authority has established \$25.00 as its minimum rent if the SFHA's minimum rent is the amount calculated for TTP (see above).
- 2. Exemption of payment of minimum Rent
 - a) The Authority is required to grant an exemption from payment of minimum rent if the family is unable to pay the minimum rent because of financial hardship. Financial hardship includes the following:
 - (1) When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - (2) When the family income decreases because of changed circumstances, including loss of employment.
 - (3) When the family would be evicted because it is unable to pay the minimum rent;
 - (4) When a death has occurred in the family; and
 - (5) Other circumstances as determined by the SFHA or HUD

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- b) Hardship exemption process
- (1) The family must notify the property office in writing within 10 days of the event that caused the hardship.
 - (2) If a family requests a financial hardship exemption, the SFHA shall immediately suspend the minimum rent requirement beginning the month following the family's request for a hardship exemption, and continuing until the SFHA determines whether there is a qualifying financial hardship and whether it is temporary or long term.
 - (3) SFHA shall promptly determine whether a qualifying hardship exists and whether it is temporary or long term.
 - (4) The SFHA shall not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the family's request for a hardship exemption.
 - (5) If the SFHA determines that the hardship does not meet HUD's definition, the SFHA shall reinstate the minimum rent from the beginning of the suspension of the minimum rent.
 - (6) If the SFHA determines that a qualifying financial hardship is temporary (expected to last less than 90 days), the SFHA shall reinstate the minimum rent from the beginning of the suspension. The SFHA shall offer the family a reasonable repayment agreement, on terms and conditions established by the SFHA, for the amount of back minimum rent owed by the family.
 - (7) If the SFHA determines that a qualifying financial hardship is long term, the SFHA shall exempt, retroactively to the date of the family's request for a minimum rent exemption, the family from the payment of the minimum rent until the hardship no longer exists.

XIII. DEFINITIONS AND PROCEDURES TO BE USED IN DETERMINING INCOME AND RENT

C. Anticipating Annual Income [24 CFR 5.609]

If it is not feasible to anticipate income for a 12-month period, the Authority may use the annualized income anticipated for a shorter period, subject to an Interim Adjustment at the end of the shorter period or historical income data to project income. (This method would be used for teachers who are only paid for 9 months or for tenants receiving unemployment compensation.)

**SAN FRANCISCO HOUSING AUTHORITY

D. Income of Temporarily or Permanently Absent Family Members

1. PHAs must include all income of every family member who is on the lease including those who are temporarily absent.
2. In addition, the PHA must include the income of the spouse of the head of household if that person is temporarily absent, such as away at college or in the armed forces.
3. The income of permanently absent family members is not counted. The permanently absent family member must be removed from the Lease.
4. The income of an adult child is not usually included unless the adult child is on the lease. It may then be included under some circumstances.

E. Adjusted Income [24 CFR 5.611]

Adjusted Income (the income upon which rent is based) means Annual Income less the following deductions and exemptions.

1. For all families
 - a) Child Care Expenses — A deduction of amounts anticipated to be paid by the family for the care of children under 13 years of age for the period for which Annual Income is computed. BUT ONLY when such care is necessary to enable a family member to be gainfully employed, actively seek employment, or to further his/her education. Amounts deducted must be non-reimbursed expenses and shall not exceed:
 - (1) The amount of income earned by the family member released to work; or
 - (2) An amount determined to be reasonable by SFHA when the expense is incurred to permit education.
 - b) Dependent deduction — An exemption of \$480 for each member of the family residing in the household (other than the head of household, or spouse, Live-in Aide, or foster child) who is under eighteen years of age or who is eighteen years of age or older and disabled, or a full-time student.
 - c) Disability expenses — a deduction of non-reimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of the deduction exceed the employment income earned by the family member(s) freed to work.
 - (1) Equipment and auxiliary apparatus may include but are not limited to: wheelchairs, lifts, reading devices for the visually disabled, and equipment added to cars and vans to permit their use by the disabled family member.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- (2) For non-elderly families and elderly families without medical expenses: the amount of the deduction equals the cost of all non-reimbursed expenses for disabled care and equipment less three percent of Annual Income, provided the amount so calculated does not exceed the employment income earned.
 - (3) For elderly/disabled families with disability assistance expenses and medical expenses, when the total unreimbursed disability expense is equal to or more than three percent of Annual Income: the amount of the deduction equals the cost of all non-reimbursed expenses for disabled care and equipment less three percent of Annual Income (provided the amount so calculated does not exceed the employment income earned) PLUS medical expenses as defined below.
 - (4) For elderly/disabled families with disability assistance expenses and medical expenses, when the total unreimbursed disability expense is less than three percent of Annual Income: the total unreimbursed disability assistance expense is compared to the earnings made possible by the disability assistance expense; the lower of these two figures is then added to the total out-of-pocket medical expense, and then three percent of Annual Income is then subtracted.
2. For elderly and disabled families only:
- a) **Medical Expense Deduction** — A deduction of non-reimbursed Medical Expenses, including insurance premiums, anticipated for the period for which Annual Income is computed. Medical expenses include but are not limited to: services of physicians and other health care professionals, services of health care facilities, insurance premiums (including the cost of Medicare), prescription and non-prescription medicines (non-prescription medicines must be prescribed by a licensed medical professional), transportation to and from treatment, dental expenses, eyeglasses, hearing aids and batteries, attendant care (unrelated to employment of family members), and payments on accumulated medical bills. To be considered by SFHA for the purpose of determining a deduction from income the expenses claimed must be verifiable.
 - (1) *For elderly families without disability expenses:* The amount of the deduction shall equal total medical expenses less three percent of annual income.
 - (2) *For elderly families with both disability and medical expenses:* the amount of the deduction is calculated as described in paragraph 1.c) above.
 - b) **Elderly/disabled household exemption** – An exemption of \$400 per household, see Definitions in the next section.

F. Imputed Welfare Income

This applies to “covered families”¹⁴ who reside in public housing. A family’s annual income includes the amount of imputed welfare income¹⁵ (because of a specified welfare benefits reduction), plus the total amount of other annual income as determined in accordance with CFR 5.609.

1. Specified welfare benefit reduction is a reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of:
 - a) Fraud by a family member in connection with the welfare program; or
 - b) Because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.
2. Therefore, the SFHA shall not reduce a family’s rent if the welfare assistance was reduced due to:
 - a) Fraud by a family member in connection with the welfare program; or
 - b) Welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.
3. Specified welfare benefit reduction does not include a reduction or termination of welfare benefits by the welfare agency:
 - a) At expiration of a lifetime or other time limit on the payment of welfare benefits;
 - b) Because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or
 - c) Because a family member has not complied with other welfare agency requirements.
4. At the request of the SFHA, the welfare agency will inform SFHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform SFHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. SFHA will use this information to determine the amount of imputed welfare income for a family.

¹⁴ “Covered families” are families who receive welfare assistance under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for the assistance.

¹⁵ “Imputed welfare income” is the amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family’s annual income for purposes of determining rent.

SAN FRANCISCO HOUSING AUTHORITY
ADMISSIONS AND CONTINUED OCCUPANCY POLICY

- a). The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed.
- b). When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- c). SFHA shall not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- d). If a public housing tenant claims that the SFHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the SFHA denies the family's request to modify such amount, SFHA shall give the tenant written notice of such denial, with a brief explanation of the SFHA determination of the amount of imputed welfare income.
- e). The SFHA notice shall also state that if the tenant does not agree with the SFHA determination, the tenant may request a grievance hearing in accordance with the *SFHA Grievance Policy*.

G. Computing Total Tenant Payment (TTP) and Rent

1. For all families the total tenant payment shall be the greater of:
 - a) 30% of monthly Adjusted Income;
 - b) 10% of unadjusted monthly Annual Income; or
 - c) (SFHA's minimum rent of \$25)
2. Mixed citizenship families (household contains at least one citizen or eligible immigrant and at least one non-citizen or person with ineligible immigration status) will pay a pro-rated TTP up to the HUD Maximum Rent unless the family chooses to pay flat rent. The SFHA flat rent will be higher than the HUD Maximum Ret. See *Restrictions on Housing Assistance to Non-Citizens Policy* (Appendix A).
3. The Tenant Rent is equal to the Total Tenant Payment minus the Utility Allowance (if any) applicable to the unit. If the Utility Allowance is greater than the Total Tenant Payment, the resident is entitled to a utility reimbursement equal to the difference between the Utility Allowance and the TTP. The SFHA will pay this amount to the resident.

APPENDIX A:

**Restrictions on Housing Assistance to
Non-Citizens Policy**

RESTRICTIONS ON HOUSING ASSISTANCE TO NON-CITIZENS POLICY

I. BACKGROUND

Section 214 of the Housing and Community Development Act of 1980 restricts assistance to citizens (including nationals) or non-citizens who have eligible immigration status. Subsequent amendments provided for an “opt-out” clause that allowed housing authorities the flexibility to not implement Section 214. **Section 592 of the “Quality Housing and Work Responsibility Act of 1998”(QHWRA)**, amended Section 214 of the Housing and Community Development Act of 1980, making it mandatory that housing authorities implement the regulations as set forth in the HUD Guidebook entitled *Restrictions on Assistance to Non-Citizens*, dated July 1995 and further clarified in HUD’s Final Rule *Revised Restrictions on Assistance to Non-Citizens*, dated April 30,1999. Section 592 of the “QHWRA” became effective upon the date of enactment of the “QHWRA”, October 21,1998. To that end, the San Francisco Housing Authority will administer the residency rule regulations and apply the provisions of the law equally to all applicants and residents. The SFHA will administer the restrictions on the use of assisted housing by non-citizens with ineligible immigration status imposed by this rule in conformity with the Federal nondiscrimination requirements of, including, but not limited to the following:

- **Title VI of the Civil Rights ACT of 1964(42 U.S.C. 2000d-2000d5) and the implementing regulations in 24 CFR Part 1;**
- **Section 504 of the Rehabilitation Act of 1973(29 U.S.C. 794) and the implementing regulations in 24 CFR Part 8;**
- **The Fair Housing Act(42 U.S.C. 3601-3619) and the implementing regulations in 24CFR Part 100; and**
- **Any other civil rights statutes cited in the applicable program regulations.**

Current residents will be notified regarding the requirements of this policy before their next annual re-certification after September 30,1999. Individuals and families with pending applications shall be notified as soon as possible.

II. CURRENT RESIDENTS

Current residents, who did not declare citizenship prior to the SFHA invoking the “opt-out” provision, must declare citizenship or eligible immigration status at their next annual re-certification. If at that time, it is determined that a family or family members do not have eligible immigration status, the provisions of the HUD rule as set forth shall be applied.

- A. Certification:** At the time of their annual re-certification after September 30,1999, all current residents are required to provide proof of citizenship or eligible immigration status, or to elect not to contend that one has eligible immigration status. The requirement applies to all family members (**See Attached Forms**).

1. Citizen: For each family member who is a United States citizen, the evidence consists of a signed declaration of U.S. citizenship. No further verification is required. This document is signed under penalty of perjury.
2. Non-citizens 62 Years or Older: Residents that are not citizens, and are age 62 years or older are required to show proof of age and signed certification of eligible immigration status.
3. Non-citizens Under the Age of 62: For non-citizens under the age of 62, the evidence consists of a signed certification of eligible immigration status (**See Attached Form**) and the submission of the original of one of the acceptable INS documents: Alien Registration Receipt Card (for permanent resident aliens), Arrival/Departure Record, Temporary Resident Card, Asylum or Refugee Documents, Employment Authorization Card, or a receipt from INS for a replacement document for one of the above listed categories.
4. Minors: Declaration of eligible immigration status also applies to minors. For each minor, a certification must be signed by an adult who is residing in the unit and is responsible for the minor (**See Attached Form**).
5. Family Members Electing Not To Claim Eligible Immigration Status: For each family member electing not to confirm that he/she has eligible immigration status, the member(s) must be listed separately. A signature from the individual(s) is optional. However, the head of house or spouse with eligible immigration status must sign and date the list (**See Attached Form**).

B. Verification: After an acceptable INS document has been submitted by the applicant and witnessed by the staff, the applicant(s) shall sign a verification consent form which authorizes an INS search to confirm eligible immigration status. **SFHA staff shall not conduct the INS verification without obtaining the applicant's signed consent.**

1. Staff shall photocopy the front and the back of the INS document and return the original to the resident. SFHA shall verify eligible status in the INS Systematic Alien Verification for Entitlements Program (SAVE). **Verification shall not occur unless there is a signed consent form.**
2. If the resident refuses to sign the verification consent form, for purposes of determining the housing assistance for the family, the family member shall be considered as not having eligible immigration status.
3. SFHA shall request, and the INS shall conduct, a manual secondary check of records in all instances where the SAVE system query results in a negative response.
4. A resident who submits eligible immigration documentation may not be penalized for delays on the part of those entities which must verify eligible immigration status.

C. Housing Assistance Determination: For current residents where some of the family members have eligible citizenship status and some do not (mixed family), monetary assistance may be continued or prorated depending on family composition. For current residents where no family member has eligible citizenship status, monetary assistance will be terminated.

D. Proration of Rent: Pro-ration of Rental Assistance: A mixed family shall have their housing assistance prorated according to the number of family members who have eligible status.

1. The steps to prorate the TTP are as follows:

- a. Determine Total Tenant Payment, using income of all family members, including any family member who has not established eligible immigration or citizenship status.
- b. Subtract the TTP from a HUD-required Public Housing Maximum Rent applicable to the PHA.
 - This sum is the maximum subsidy for which the family could qualify if all members were eligible (Family Maximum Subsidy)
- c. Divide the Family Maximum Subsidy by the number of persons in the family to determine maximum subsidy per family member who has eligible status to get the Member Maximum Subsidy.
- d. Multiply the Member Maximum Subsidy by the number of eligible family members (Eligible Subsidy)
- e. Subtract the amount of the eligible subsidy from the Public Housing Maximum Rent.

2. HUD Maximum Rent

- a. The HUD Maximum Rent is established according to Appendix H of the HUD Guidebook 7465.7, Restrictions on Assistance to Noncitizens
- b. The maximum rent is based on the value of the 95th percentile of the total tenant payment (TTP) for each tenant within the SFHA. The TTP is reported on Line 9j of the Form HUD-50058.
- c. The SFHA shall use a PHA-wide schedule of maximum rents. The maximum rents shall be established for each fiscal year.

III. APPLICANTS

Individuals or families applying for housing assistance must provide certification of citizenship or proof of eligible immigration status at the time of the initial eligibility interview. If at that time, it is determined that the individual, family or family members do not have eligible immigration status, the provisions of the HUD rule as set forth shall be applied.

A. Certification: Applicants are required to submit evidence of citizenship or eligible immigration status, or to elect not to contend that one has eligible immigration status.

1. Citizen: For each family member who is a United States citizen, the evidence consists of a signed declaration of U.S. citizenship. No further verification is required. This document is signed under penalty of perjury.
2. Non-citizen: For non-citizens, the evidence consists of a signed certification of eligible immigration status and the submission of the original of one of the acceptable INS documents: Alien Registration Receipt Card (for permanent resident aliens), Arrival/Departure Record, Temporary Resident Card, Asylum or Refugee Documents, Employment Authorization Card, or a receipt from INS for a replacement document for one of the above listed categories.
3. Minors: Declaration of eligible immigration status also applies to minors. For each minor, a certification must be signed by an adult who is residing in the unit and is responsible for the minor.
4. Family Members Electing Not to Contend Eligible Immigration Status: For each family member electing not to confirm that he/she has eligible immigration status, the member(s) must be listed separately. A signature from the individual(s) is optional. However, the head of house or spouse with eligible immigration status must sign and date the list.

B. Verification: After an acceptable INS document has been submitted by the applicant and witnessed by the staff the applicant (s) shall sign a verification consent form which authorizes an INS search to confirm eligible immigration status.

1. Staff shall photocopy the front and the back of the INS document and return the original to the applicant.
2. SFHA shall verify eligible status in the INS Systematic Alien Verification for Entitlements Program (SAVE). **Verification shall not occur unless there is a signed consent form.**
3. If the applicant refuses to sign the verification consent form, for purposes of determining the housing assistance for the family, the family member shall be considered as not having eligible immigration status.
4. SFHA shall request, and the INS shall conduct, a manual_secondary check of records in all instances where the SAVE system query results in a negative response.
5. An applicant who submits eligible immigration documentation may not be penalized for delays on the part of those entities, which must verify eligible immigration status.

C. Determination of Housing Assistance: A mixed family's housing assistance will be prorated according to the number of family members who have eligible status, as described in II D of this document.

D. Families that have no members who are citizens or have eligible immigration status are ineligible for public housing: The application shall be denied.

IV. APPEALS

- A. Request for Appeal:** Upon receipt of notification that the INS secondary verification failed to confirm eligible immigration status, the SFHA shall notify the family in writing of the results of the INS verification and their option to request an appeal to the INS.
- B. Delay of Assistance:** The SFHA shall not delay, deny or terminate assistance until the completion of the INS appeal process for applicants or the completion of the INS process and the SFHA informal hearing process for current residents.

V. FAILURE TO SUBMIT EVIDENCE OF FAMILY COMPOSITION OR ELIGIBLE STATUS

- A. One-time Evidence Requirement for Continuing Occupancy:** The family is required to submit evidence of eligible immigration status for each family member only once during continued occupancy or at the time of the applicant interview. Documentation shall be submitted for any new family members(s) added to the lease at the time the request for lease addition is made.
- B. Failure to Submit Evidence or Establish Eligible Immigration Status.** If the family fails to submit the required evidence of citizenship, or eligible immigration status, the authority will terminate the lease or deny the application for admission.
- C. Changes in Family's Status** If there is a change in the family composition or the eligible status of a family member that effected the resident rule status of the entire family, such changes should be reported to the SFHA's Eligibility Department (if an applicant) or to the appropriate development management office (if a resident) so the change of status can be recorded as soon as possible.
- D. Changing Participation in a HUD Program** Whenever a family applies for admission to a Section 214 covered program, evidence of eligible immigration status must be submitted unless the family has already submitted the evidence to the SFHA for a covered program.

VI. FRAUD

When Fraud is Suspected with Response to a Declaration of Citizenship If the SFHA receives verifiable information that provides a substantial basis to believe that a resident/applicant may have deliberately misrepresented his or her eligibility status and is receiving financial assistance for which he or she may not be eligible, the SFHA shall refer the case to the HUD Inspector General for follow up.

PROCEDURES WHEN DECLARATION OF CITIZENSHIP FRAUD SUSPECTED

- I. When the Authority obtains concrete evidence of conflicting information, the Authority will:
 - A. Obtain additional information from other persons or agencies
 - B. Take other actions to verify either the applicant/resident/program participant's information or the conflicting information
- II. If the Authority's effort conclude that the applicant/resident/program participant supplied incorrect information, then staff must:
 - A. Document the findings

 - C. Provide the applicant/resident/program participant with an opportunity to meet with SFHA staff within 10 calendar days to discuss the allegation(s)
 - D. Inform the applicant/resident/program participant that failure to do so may result in the termination of the resident/program participant's assistance or denial of the application
 - E. Arrange the meeting with a SFHA representative who has not been involved in any manner with the review of the allegedly false information.
- III. If the applicant/resident/program participant responds and convinces the Authority that the submissions were correct, then:
 - A. Staff shall document the record accordingly and close the investigation.
 - B. Rental assistance payments continue to be made at the set amount.
 - C. There is no adjustment to the applicant/resident/program participant's rent.
- III. If the Authority determines that there is adequate basis for further investigation, then the Authority should require the applicant/resident/program participant to submit whatever documentation is necessary to resolve the issue.

- IV. If the applicant/resident/program participant choose to provide a new declaration as an eligible non-citizen, then:
 - A. Staff shall have the applicant/resident/program participant complete a verification consent form and submit required evidence.
 - B. Staff shall conduct a primary verification and, if necessary, forward that information to the INS for secondary verification.

- V. If the applicant/resident/program participant is still found ineligible at the end of the verification process or choose not to contend eligible status, then the Authority shall take the appropriate action to:
 - A. Adjust the rent
 - B. Terminate the assistance
 - C. Deny the application

END OF INVESTIGATION

J. **Trial De Novo.** The right to a new trial.

III. Responsibilities for a resident requesting a hearing.

Before a complainant can request a hearing by a Hearing Officer, the grievance must be submitted for informal settlement. As a condition precedent to a formal hearing, all grievances shall be personally presented, either orally or in writing, for informal settlement to the property management office in which the complainant resides so that the grievance may be discussed informally and settled without a hearing. However, if the complainant can show good cause why he/she failed to proceed in accordance with the foregoing to the hearing panel, the Hearing Officer may waive provisions of this section.

IV. Informal settlement of grievance.

Any request for an informal settlement must be presented, in writing, within ten (10) days

after the SFHA makes the decision that the resident wishes to grieve. The informal settlement will be conducted within fifteen (15) days following receipt of the request. Grievances relating to a notice to quit must be presented within the period set forth on such notice.

A. Summary of the informal settlement discussion must be prepared by the SFHA within five (5) working days.

B. The Summary of Discussion will specify:

1. Names of the participants (the SFHA shall be represented by the Property Manager, District Director, and the Director of Housing Management);
2. Date and time of the meeting;
3. Nature of the proposed disposition of the complaint;
4. Specific reasons for the proposed disposition of the complaint;
5. Procedures by which a hearing may be obtained if the complainant is not satisfied;
6. Statement in bold writing that the complainant has ten (10) days after receipt to request a Hearing. If the complainant's primary language is not English this statement must be provided in the appropriate language.

C. Copies of the Summary of Discussion will be distributed as follows:

1. One copy will be sent to the complainant by Registered or Certified mail or given personally to complainant and a signed receipt obtained from the complainant.
2. One copy will be retained in the complainant's resident file at the SFHA management office

V. Procedure to obtain a formal hearing.

If the complainant is dissatisfied with the final result of the informal settlement decision, he/she must submit a written request for a formal hearing to the SFHA Legal Department within ten (10) days after receiving the Summary of Discussion. . This notice shall be in English and each of the following languages: Spanish, Russian, Chinese, Cambodian or Vietnamese.

- A. The written request for a Hearing must specify:
 - 1. Reason(s) for the grievance;
 - 2. Action or relief sought
- B. A receipt signed by the complainant, or a return receipt for delivery of Registered or Certified mail, whether or not signed, will be sufficient proof to establish time of delivery for the Summary of Discussion, and/or, if applicable, the decision of the emergency transfer review panel.

VI. Failure to request a formal hearing.

If the complainant does not request a Hearing within ten (10) days following the date of receipt of the Summary of Discussion , then:

- A. SFHA's decision of the grievance as stated in the Summary of Discussion, becomes final and effective as of SFHA's close of business on the fifth (5th) working day.
- B. Such failure shall not constitute a waiver by the complainant of his/her right to contest the SFHA's action in disposing of the complaint in an appropriate judicial proceeding.

VII. Selection of Hearing Officer.

Grievance shall be presented before a hearing officer selected pursuant to these rules.

The Executive Director, in consultation with the recognized tenant associations, shall appoint three individuals to serve as grievance hearing officers. Each officer shall be charged individually with conducting hearings in accordance with the rules set forth in this policy and shall have the ability to read and write and follow and understand the procedures of the grievance process.

VIII. Schedule of hearings

Following the informal settlement meeting and upon a request for a Formal Hearing, then the following will take place:

- A. The Hearing Coordinator, an employee of the SFHA who shall be charged with setting hearing dates, will promptly schedule a hearing. The time and place for the hearing will be reasonably convenient to both the complainant and the SFHA.

- B. The Hearing Coordinator will schedule the hearings for the second Friday of each month. The hearings will be held before one of the three designated Hearing Officers, who shall rotate responsibilities on a monthly basis. The Hearing Officer shall hear all grievances pending at the time of the monthly hearing. Any resident may object, on a one-time basis, to the designated Hearing Officer or to the time and place of the hearing. However, the objection must be filed and delivered to the Hearing Coordinator at least 24 hours before the hearing is scheduled to commence. Failure to file an objection in compliance with this rule will be considered a waiver of any right to object to the Hearing Officer or time and place of the hearing.

If the tenant objects to time, place and/or the Hearing Officer, then the hearing shall take place at the next regularly scheduled monthly hearing date.

- C. Written notification will be delivered to the complainant and appropriate SFHA official by Registered or Certified mail, or delivered personally and a signed receipt obtained. The written notification will specify:
 - 1. Time of Hearing;
 - 2. Place of Hearing; and
 - 3. Procedures governing the Hearing.
- D. Receipts signed by the complainant or SFHA official, or return receipts for delivery of Registered or Certified mail, whether signed or not, will be sufficient to establish delivery.

IX. Procedure governing hearing

- A. The Hearing shall be held before a Hearing Officer.
- B. The complainant and SFHA shall be afforded a fair Hearing providing the basic safeguards of due process which include:
 - 1. The opportunity upon request to examine before and during the Hearing, and, at the expense of the complainant, to copy all documents, including records and regulations, of the SFHA that are directly relevant to the Hearing;
 - 2. The right to be represented by counsel or other person chosen as his/her representative;

3. The right to a private hearing unless the complainant requests a public hearing;
 4. The right to present evidence and arguments in support of his/her complaint, to controvert evidence relied on by the SFHA, and to confront and cross-examine all witnesses upon whose testimony or information SFHA relies; and
 5. A decision based solely and exclusively upon the evidence presented at the hearing.
- C. The Hearing Officer may render a decision without proceeding with the Hearing if the Hearing Officer determines that the issue has been previously decided in another proceeding.
- D. At the Hearing, the complainant must first make a showing of an entitlement to the relief sought, and thereafter SFHA must sustain the burden of justifying the SFHA action or failure to act against which the complaint is directed.
- E. The Hearing shall be conducted informally by the Hearing Officer and oral or documentary evidence pertinent to the facts and issues raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.
- F. The Hearing Officer shall require the SFHA, the complainant, Counsel and other participants or spectators to conduct themselves in an orderly fashion.
- G. Failure to comply with the directions of the Hearing Officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.
- H. The complainant or SFHA may arrange, in advance and at the expense of the party making such request, for a transcript of the hearing. Any interested party may purchase a copy of such transcript.

X. Failure to appear at hearing

- A. Failure of either party or their representative to appear at the Hearing shall enable the Hearing Officer to determine that the non-appearing party has waived its right to a hearing.

- B. The complainant and the SFHA will both be notified in writing of the determination and/or decision by the Hearing Officer.
- C. Emergency or other serious situations will be considered on a case by case basis in the determination that the party has waived his/her right to a hearing.
- D. Failure of the complainant to appear at the Hearing or a determination the complainant has waived his/her right to a hearing shall not constitute a waiver of any right the complainant may have to contest the (SFHA's) disposition of the grievance in an appropriate judicial proceeding.

XI. Decisions of the Hearing Officer

- A. The Hearing Officer shall prepare a written decision, together with the reasons, within ten (10) working days after the hearing.
- B. A copy of the decision will be sent to the complainant and the SFHA at the same time.
- C. The SFHA will retain a copy of the decision in the resident's folder.
- D. A copy of such decision, with all names and identifying references deleted, shall also be maintained on file by the SFHA and made available for inspection by a prospective complainant, his/her representative, or the Hearing Officer.
- E. The decision of the Hearing Officer shall be binding on the SFHA, which shall take all actions, or refrain from any actions, necessary to carry out the decision. However, the Board of Commissioners of the SFHA shall have the authority to reverse any decision of the Hearing Officer within fifteen (15) days and shall promptly notify the complainant of its determination, when:
 - 1. The grievance does not concern an act or failure to act on the part of the SFHA which adversely affects the complainant's lease, or SFHA regulations, rights, duties, welfare, or status.
 - 2. The decision of the Hearing Officer is contrary to applicable Federal, State or local law, HUD regulations or requirements of the Annual Contributions Contract between HUD and the SFHA.

- F. A decision by the Hearing Officer or Board of Commissioners in favor of the SFHA or which denies the relief requested by the complainant in whole or in part shall not constitute a waiver of, nor affect in any manner whatsoever, any rights the complainant may have to a trial de novo or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

XII. Eviction actions in grievances involving lease terminations.

- A. If a resident has requested a hearing on a complaint involving a SFHA notice of termination, and the Hearing Officer upholds the SFHA's action to terminate the residency, the SFHA shall not commence an eviction action in a State or local court until it has served a notice to vacate to the resident.
- B. In no event shall the notice to vacate be issued prior to the decision of the Hearing Officer having been mailed or delivered to the complainant.
- C. Such notice to vacate must be in writing and specify that if the resident fails to quit the premises within the appropriate authorized period, or on the termination date stated in the notice of termination, whichever is later, appropriate action will be brought against him/her and he/she may be required to pay court costs and attorneys' fees.
 - 1. The Authority shall not terminate or refuse to renew the Dwelling Lease, other than for serious or repeated violation of material terms of the lease, such as the failure to make payments due under the lease, to fulfill the resident obligations as set forth in the lease, the violation of other provisions of the lease or for other good cause.
 - 2. Habitual lateness in payment of rent shall be considered a violation of a material term of the lease, and grounds for eviction. Habitual lateness is defined as a failure to pay rent on the date it is due three (3) times within any consecutive twelve (12) month period.
 - 3. Every reasonable and diligent administrative effort will be made by the Authority to avoid eviction. Before the Authority may take action to terminate the lease and evict a family for any cause, it shall give adequate administrative notice before pursuing appropriate legal actions. Adequate notice shall be as follows:
 - a) Fourteen (14) days in the case of failure to pay rent.
 - b) Three (3) days in the case of a creation or maintenance of a threat to the health

or safety of other tenants, Housing Authority employees or the general public.

c) Thirty (30) days in all other cases.

SAN FRANCISCO HOUSING AUTHORITY

APPENDIX C:

PET POLICY

Section 526 of the “Quality Housing and Work Responsibility Act of 1998” (QHWRA) provides for the ownership of pets in federally-assisted rental housing “in accordance with applicable State and local public health regulations.” Section 19901 of the California Health and Safety Code provides that, “Notwithstanding any other provision of law, no public agency which owns and operates rental housing accommodations shall prohibit the keeping of not more than two pets by the elderly in such rental housing accommodations.” Accordingly, it is the Policy of the Authority to allow pets under the circumstances provided below.

- A. A tenant may have up to two animals and one fish aquarium. No dogs of any breed are allowed in public housing unless:
 1. the tenant resides in an elderly/disabled development; or
 2. the tenant is **62** years or older or disabled and living in a family development *and* requires supportive services as defined in California Health and Safety Code section 50685.5.
- B. Definition: The term "Pets" is limited to the following domesticated, common household animals: cats, dogs, birds, fish, hamsters. Only one fish aquarium, which shall not exceed 25 gallons, may be kept. Dogs and cats must be spayed or neutered. The maximum weight for any dog, except service dogs, is 50 pounds.
- C. Application. Prior to housing any pet on premises owned and/or operated by the PHA, a tenant shall apply to the PHA for a permit to do so. The application must be accompanied by the following:
 1. A full pet deposit of \$100 per pet or fish aquarium. This deposit is refundable after the tenant disposes of the pet or aquarium or vacates and if PHA verifies that there are no expenses directly attributable to the presence of the pet. However, for expenses exceeding the deposited amount, the household shall be responsible to reimburse the PHA for those costs. The pet deposit does not apply to service animals.
 2. A current dog license issued by the appropriate authority.
 3. Signed veterinarians’ statement verifying that the animal is in good health, has no communicable diseases or pests, and, in the case of cats and dogs, is spayed or neutered.
 4. Evidence that the pet has received all current inoculations or boosters including parvovirus, distemper, hepatitis, leptospirosis, feline distemper, rhino tracheitis, calicivirus, and pneumonitis must be provided.
 5. A signed statement from the Tenant acknowledging that he/she has received and read the Pet Rules and agrees to comply with them and accept any and all financial and personal liability associated with the personal pet ownership in the housing project.

6. A color picture of the pet, except for fish, must be provided both at the time of application and when the pet reaches adult size.

- D. Approval of Pet Application. Once all of the conditions for application for pet ownership permit have been met, the Property Manager shall make a decision on the resident's application within five (5) working days. If approved, the resident will be informed in writing. The Property Manager may re-validate the pet ownership permit at each subsequent annual re-certification as long as the tenant continues to follow the guidelines established in this Pet Policy. Failure to re-validate the pet ownership permit shall result in the removal of the pet or termination of the Tenant's tenancy or both.
- E. Refusal of Pet Application. PHA may refuse, subject to PHA's grievance procedure, to approve a pet application due to the following reasons:
1. The animal does not meet the definition of pet.
 2. Tenant fails to provide complete application information required by the Pet Ownership Policy.
- F. Revoking Pet Ownership. Maintaining a pet in a facility owned and/or operated by PHA shall be subject to the rules set forth herein. The Tenant's pet ownership may be revoked at any time, subject to PHA's Grievance Procedure, due to any of the following reasons:
1. Management determines that the pet is not properly cared for.
 2. The pet presents a threat to the safety and security of other tenants, PHA employees, contractors and others on the premises.
 3. The pet is destructive or causes an infestation.
 4. The pet disturbs other tenants for reasons including but not limited to noise, odor, cleanliness, and sanitation.
 5. Tenant fails to re-validate the pet ownership permit as required in the Pet Ownership Policy.
- G. All tenants allowed to keep a pet shall comply with the following rules:
1. In the case of dogs, proof that the pet is currently licensed must be provided annually.
 2. Evidence that the pet has received all current inoculations or boosters including parvovirus, distemper, hepatitis, leptospirosis, feline distemper, rhino tracheitis, calcivirus, and pneumonitis must be provided to the HCDCH annually.
 3. No pet may be kept in violation of State law or local ordinances with respect to humane treatment or health.
 4. If pets are left unattended for a period of twenty-four (24) hours or longer, the Management may enter the dwelling unit to remove the pet. The Management will transfer the pet to the proper authorities, subject to the provisions of

California State law and pertinent local ordinances. PHA accepts no responsibility for the animal under such circumstances.

5. No animal shall be kept, raised, or bred for any commercial purpose.
6. Dogs and cats must wear identification tags specifying resident's name and apartment number.
7. All pets shall remain inside the Tenant's dwelling unit. No animal shall be permitted in laundromats, hallways, community rooms, public restrooms, or other designated common areas unless to allow for ingress and egress to the building. Pets must be leashed or carried at all times while in elevator.
8. When taken outside the unit, dogs and cats must be kept on a leash, no longer than six (6) feet, controlled by a responsible individual.
9. No animal may be leashed to any stationary object outside the Tenant's apartment.
10. Birds must be confined to a cage at all times.
11. Vicious and/or intimidating dogs or animals with a past history of attack or aggressive behavior towards other animals or people will not be allowed. No resident shall have a dog of a breed known as a Pit Bull, Rottweiler, German Shepherd, or Doberman Pinscher, nor any mixed breed thereof, unless it is specifically trained and currently used as a certified seeing eye, hearing, or service dog. Companion dogs do not qualify as exempt from the breed restrictions.
12. Tenants shall not permit their pet to disturb, interfere, or diminish the peaceful enjoyment of other tenants. The terms "disturb", "interfere", and "diminish" shall include but not be limited to barking, howling, chirping, biting, scratching, and other like activities.
13. Tenants must provide litter boxes, which must be kept in the dwelling unit for cat waste. Tenants shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Litter shall be changed not less than once a week and placed in a plastic bag, properly disposed of by being placed in a trash container outside of the building, and at no time washed down any drains or flushed down any toilets. Pet waste may not be put down the garbage chutes.
14. Tenants shall take adequate precautions and measures necessary to eliminate pet odors within or around the unit and shall maintain the unit in a sanitary condition at all times.
15. Tenants are responsible for cleaning up pet waste from their pet both inside and outside the dwelling unit and on facility grounds. Waste must be disposed of by being placed in a sealed plastic bag and then placed in a trash container outside of the building. At no time is pet waste washed down any drains or flushed down any toilets. Pet waste may not be put down the garbage chutes.
16. PHA may designate areas on the project grounds for pet exercise and deposit of

waste or may prohibit the entire grounds from being used for pet exercise and deposit of waste. PHA shall provide adequate written notification to Tenant in event of any designation or prohibition.

17. Tenants shall not alter their dwelling unit, patio, or unit area in order to create an enclosure for any pet. No doghouses, animal runs, etc. will be permitted.
18. Tenants are responsible for all damages caused by their pets including the cost of professional cleaning of carpets and/or fumigation of units.
19. PHA may designate areas within a project, building, floor, or section of building, where pet owners must live and may direct such moves as may be necessary to establish such areas. The areas may be adjusted and PHA may direct such additional moves as may be necessary to meet changing needs. PHA shall provide adequate written notification to tenant should any designation be made. Tenant agrees to comply with PHA's request to move pursuant to this paragraph.
20. Tenants are prohibited from feeding or harboring stray animals. The feeding of stray animals shall constitute having a pet without the written permission of PHA.
21. Guests may not bring pets (any type) onto the premises. No pet sitting will be allowed.

H. Animals That Assist the Disabled.

1. Elderly/disabled tenants must still comply with all aspects of this Pet Policy.
2. Dogs, which must be specifically trained and currently used to assist blind, deaf, or physically disabled individuals, may be allowed in units with an elderly/disabled individual. The tenant must submit documentation to the property office of each dog's training or certification for the purpose of assisting disabled individuals.
3. To determine that a dog may be allowed into family housing development, or to be exempted from the breed restrictions, the head of household must provide a written certification, from a licensed medical doctor on a form provided by the PHA, that a member of the household has a disability and requires the assistance of an animal as either a service or companion animal.

I. Violation of this Pet Policy may be grounds for removal of the pet or termination of the tenant's lease, or both.

1. Any pet not permitted under this policy shall be permanently removed from SFHA property within 30 days, during which time any such animal may be surrendered to an animal shelter or otherwise permanently removed at the owner's expense.
2. If the pet is removed, either a receipt from an animal shelter or notarized letter from the new owner verifying that the pet resides at a new address will be required.

3. If the tenant refuses to permanently remove the pet, the lease termination process will be initiated in accordance with procedures set forth in the Rental Agreement and State law.

- A. A resident wishing to operate a home business must submit, in writing, his or her request for approval to the Customer Service Administrator, or designee, through the Property Manager and District Director. The written request will be in a format designed by SFHA and is the formal agreement between SFHA and the resident if SFHA approves the home business. The information required by SFHA will include the following:

- D. All residents whom SFHA has approved to operate a business in his or her home must obtain a business license through the California Department of Commerce and must keep the business license current until they have ended the business.
- E. The home business agreement/contract is an addendum to the resident's lease agreement with SFHA. The operation of any approved home business is subject to all

II. Terms and Conditions

If a resident's home business operation is approved, the resident and all household members who are involved with the home business meet and agree to the following terms and conditions.

The partnership must also clearly define the dollar amount that will be used in the anticipation of income that is reported to SFHA.
- C. SFHA allows no more than one business be operated from each unit.
- D. No modifications to the unit shall be made by the tenant, or by the SFHA on behalf of the tenant, to accommodate the proposed business.
- E. SFHA will not transfer any family to a larger unit to accommodate the proposed business.
- F. A tenant shall not be allowed to propose a business in order to avoid moving from a unit that is considered "overhoused" for that family size.
- G. The resident business may be required to name SFHA as an additional insured where General Liability insurance coverage is necessary to meet licensing requirements.
- H. At the time the resident(s) informs the Property Manager of his or her interest in starting a home business, they will be provided a copy of this Policy and the Resident Home Business Agreement/Contract. The Property Manager will insure that the resident understands the terms of the Policy and Contract and will assist as much as feasible.
- I. When the resident's business is approved by SFHA, the approval becomes the written agreement between SFHA and the resident, with the resident agreeing to the Terms and Conditions applicable to that business. Furthermore, before the commencement of any such approved business activity, the resident must have executed the written agreement with SFHA and obtained any other documentation required, including but not limited to, proof of insurance and/or an Alaskan business license.

Partnerships must clearly define the profits and/or losses of the tenants participating in the partnership in order for SFHA to determine applicable income.

VI. Renewal

SFHA will review the operation of the home business at the annual recertification of the resident as specified in SFHA's Policy and Procedures manual and Lease Agreement. At such time SFHA will ask that the resident submit to SFHA documentation of renewals of insurance, licenses, bonds, and permits as required by state and local rules regulating that business.

VII. Resident Councils

Fully accredited Resident Councils who wish to operate some form of business, either for profit or resident convenience, must also submit their application to the Customer Service Administrator for approval. The stipulations of Section I through VIII of this policy generally apply, although the Customer Service Administrator has the authority to waive requirements that are inappropriate and/or restrict the entrepreneurial efforts of the councils and/or waive requirements that are inappropriate.

VIII. Grievance Procedures

Residents owning a home business that SFHA has asked to terminate or move off the premises, may grieve this action by SFHA by following SFHA's policies and procedures.

APPENDIX E:

Tenant Association Policy

Tenant Associations Policy

San Francisco Housing Authority encourages residents living in its properties to organize and establish a Tenant Association, pursuant to 24 CFR § 964. The SFHA will officially recognize a duly elected resident council (or tenant association) as the sole representative of the residents of the affected development(s).

I. Purpose

It is the policy of the San Francisco Housing Authority (SFHA) to encourage Public Housing residents to work collectively to improve and maintain a suitable quality of life within their respective housing sites. To help achieve this, residents have the right to organize and elect a resident council to represent their interests

II. Resident Organizations

A. Establishment

Upon written request by residents, the SFHA shall provide appropriate guidance to assist them in establishing and maintaining a resident organization. The SFHA shall consult with residents to determine the extent to which residents desire to organize and participate in the management of their housing site. Nothing in these policies shall be construed as requiring residents to organize as a resident council.

B. Resident Councils

1. It is the policy of the SFHA to recognize and accept the resident council as the official channel for communication with that community, so long as the terms of 24 CFR 964 and the SFHA/RC Memorandum of Understanding are met.
2. The SFHA may withhold or withdraw Resident Council recognition if it is determined that the Resident Council has failed to meet the established criteria for formal recognition.

C. Criteria for Formal Resident Council Recognition

1. The SFHA shall officially recognize a Resident Council that satisfies the following criteria.
 - a. It shall extend membership and voting rights to all households within the Resident Council's identified area of representation. The SFHA shall recognize only one Resident Council as the official representative of residents in a development. Residents from more than one development may choose to collaborate for the purpose of forming an area-wide resident council. If the Council represents more than one housing site, its

membership shall be proportional to the respective number of units within the different sites.

- b. It has adopted bylaws and abides by them.
- c. It has conducted elections in a timely manner in accordance with its bylaws as specified in 24 CFR 964.7
- d. Its bylaws call for regular Board meetings at least once every three months, open to all members.
