9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2005 - 2009.)

During the first year of the 5-Year Plan, the Derby Housing Authority has made significant strides toward the goal of improving customer satisfaction and concentrating on efforts to improve management functions. This has been accomplished through a staffing change and outsourcing of certain Section 8 functions to a larger agency, which is then more available to meet clients' needs. Additionally, the contracting agency is focusing its efforts on increasing assisted housing choices by providing voucher mobility counseling (it covers a five city jurisdiction and can effectively transfer clients easily within its own areas of operation and outside, thus increasing housing opportunity). Finally, the PHA has undertaken affirmative measures to

further fair housing through its education of landlords and service providers in the community regarding program and fair housing requirements, and through seeking to continually add new landlords to the list of available units and participants in the community.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

Definition of Substantial Deviation or Change: Changes to goals, policies, procedures or administrative practices in the Section 8 Housing Choice Voucher Program that are in direct response to or as a direct result of Congressional or HUD mandated requirements or regulatory or statutory changes or changes in administrative procedures or funding, do not trigger/precipitate the need for a public hearing requirement, are not discretionary areas for public debate, and do not constitute a “substantial deviation or substantial change” for purposes of this Agency and/or Five Year Plan.

The following are examples of areas which would constitute “substantial deviation or change” and therefore necessitate the appropriate procedures for change of this document (i.e. public hearing, etc.): Change in preferences for housing program waiting list selection, submission of a designation of vouchers toward a special needs program.

a. Significant Amendment or Modification to the Annual Plan

See above definition
