[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

Norwich, CT continues to have a need for affordable housing according to the high percentage of low income persons in Norwich who are rent-burdened. The situation has been exacerbated by the continued growth of the two large Indian casinos (Foxwoods and Mohegan Sun), which are located less than five miles of Norwich. Therefore, during PHA Fiscal Year 2005, the Norwich Housing Authority (“Authority”) continued to concentrate its efforts in processing additional rental vouchers. For the aforesaid reason, there has, also, been an increase in the number of applicants for public housing. It is the Authority’s strategic goal, for Fiscal Year 2006, to reduce public housing vacancies by using rental vouchers in connection with said public housing vacancies. The Authority’s eligibility policies are designed to accommodate those who are in the greatest need of housing, while at the same time assuring that those income eligible applicants who are in a more stable housing situation have access to Norwich’s public housing. The Authority thoroughly screens all applicants, and enforces the requirements of each lease.

a.  Yes  No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

1. The Authority was asked about the Section 8 Voucher Program. The Board favors the Authority using Section 8 Vouchers for tenant based assistance, including 15 additional vouchers related to HUD terminating the Section 8 Substantial Rehabilitation annual contributions contract for Village Green, 70 Mechanic Street. Concern was expressed over reduced funding for the Section 8 Voucher Program. Based on the Authority's waiting list, there is a significant need for subsidized housing. The Board agreed that escalating rents will eliminate options for Section 8 Voucher holder, unless HUD approves exceptions to the FMR's.
2. The Authority was asked about the Five (5) Year Plan for Fiscal Year 2006-2010. Concern was expressed over the anticipated substantial reduction in such funds over the last three (3) years.
3. The Board expressed concern about the continued impact of the elimination of the Public Housing Drug Elimination Grant. It supports the Authority funding police patrols out of the capital funds, but recognizes that said decision means even less dollars for capital improvements.
4. The Board noted that it was important that the Authority upgrade the senior units as soon as possible, including, but not limited to, new bathrooms at Westwood Park and the Dorsey Building, so that the same remain competitive with newer developments within the community. Those improvements are part of the Authority's Five (5) Year Plan for Fiscal Year 2006-2010.
5. The Board was disappointed and concerned about the anticipated reduction in operating subsidy for FY 2006, but was enthusiastic about the requested funding for a full time Elderly / Disabled Services Coordinator. All agreed that the position is extremely important given the myriad of needs of the targeted population.
6. The Board urged the Authority to seek energy funding for the upgrade of the heating systems at Oakwood Knoll, Westwood Park and the Dorsey Building, among other projects.

b. In what manner did the PHA address those comments? (select all that apply)

- Considered comments, but determined that no changes to the PHA Plan were necessary.
