ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Agency Plan is a comprehensive guide to the Waycross Housing Authority's policies, programs, operations and strategies for meeting local housing needs and goals. There are two parts to the Plan: the Five-Year Plan, which the Authority submits to the Department of Housing and Urban Development (HUD) once every fifth fiscal year, and the Annual Plan, which is submitted to HUD every year. This document represents the Authority's FY2006 Agency Plan Annual Update.

Since the Agency Plan serves as the annual application for the Capital Fund Program (CFP), the Authority has submitted an Annual Statement and Five-Year Plan for the FY2006 CFP based on FY2005 funding amount. The Annual Statement and Five-Year Plan can be found in this binder under Tab 2 (ga028a01).

The Waycross Housing Authority is including changes to its Personnel Policy and its Community Building Policy with this Annual Plan Update. These policies may be reviewed at the main administrative office of the PHA.

A list of all information included in the Plan is located on the following pages.

Attachment A

Deconcentration Analysis

The Housing Authority will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Authority's public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the Housing Authority.

The Waycross Housing Authority performed a review of all covered developments to determine if there are any that would be covered by the Deconcentration Rule. The results are as follows:

Development	Average Income	Authority Average Income	Percentage
GA028-001	\$10,192	\$9,867	103.3%
GA028-002	\$16,335	\$9,867	165.6%
GA028-003	\$10,617	\$9,867	107.6%
GA028-004	\$9,062	\$9,867	91.8%
GA028-006	\$8,065	\$9,867	81.7%
GA028-007	\$9,688	\$9,867	98.2%

The Deconcentration Rule states that all covered developments average income should fall between 85% and 115% of the Authority-wide average income.

Statement of Progress in Meeting the Five-Year Plan Mission and Goals

The Waycross Housing Authority has evaluated its Five-year Plan and found that it is on target with its goals and objectives.

Goal: Provide an improved living environment

The Authority is working on a relationship with the local police department to improve security throughout all developments. An office at Garlington Heights will be the site for a possible police substation in the future.

Goal: Improve the quality of assisted housing.

Training has continued to be provided as available, to staff and commissioners in order to improve customer service, office management and maintenance areas.

Meetings are ongoing with community service providers to identify alternative and potential sources of funding for programs, services and facilities available to our residents and to eliminate duplication.

Physical Improvements to the public housing units continue contingent upon Capital Funding. Phase five of the renovations at Garlington Heights (GA208-1) is now almost completed. Most apartments have received A/C, new windows, new kitchens and baths, and paved drives.

<u>Section:</u>	<u>Score</u>
Maintenance and Repair	90.4%

Neighborhood Appearance

GOAL: To improve the overall neighborhood appearance.

ACTION: The Authority shall achieve proper curb appeal for its public housing developments by improving landscaping, keeping its grass cut, making properties litter free and other actions. The Authority will also continue to use Capital Funds to modernize and renovate housing units.

Communication

ACTION: Meet with Resident Advisory Board to discuss their concerns regarding communication deficiencies between WHA management and residents. Also, meet with the WHA staff periodically to discuss the importance of communication and improving customer service.

Attachment G

Pet Policy

WHA allows pet ownership in its developments with written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold WHA harmless from any claims caused by an action or inaction of the pet. This policy applies to those elderly or handicapped residents of the WHA. The purpose of this attachment is to highlight some of the guidelines any resident must follow in owning a pet. The full policy is available at the Authority's main office.

The policy defines common household pets and how many pets a resident is allowed to keep on the premises. Authorized pets may not exceed the weight limit of twenty (20) pounds.

Every pet must be registered with the Housing Authority's management prior to moving the pet into the unit and updated annually thereafter.

Every dog and cat must wear the appropriate local animal license, a valid rabies tag. All licenses and tags must remain current.

The policy states how each pet must be restrained when not in the owner's apartment.

Any exceptions to this policy must be approved by the WHA Board of Commissioners.

Violation of this policy will be considered as a violation of the dwelling lease agreement and the resident will be subject to such actions as prescribed in the lease agreement for violations of said agreement.

A three hundred dollar (\$300.00) nonrefundable deposit per pet will be used to defray any cost(s) directly caused by the presence of the pet(s). For the purposes of this policy, one cage or aquarium will equal one pet.
