This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Housing Authority of the County of Jersey County Housing Authority

Deconcentration Policy

Taken from the Occupancy and Admissions Policy

Deconcentration Policy

It is Housing Authority of the County Jersey's policy to provide for deconcentration of poverty and encourage income mixing of lower and higher incomes in our family developments, which include but not limited to Jersey Acres/Homes IL074-001, Jersey Villa IL074-004, and Windy Hills Apts. IL074-005. We will accomplish this in a uniform and non-discriminating manner.

Prior to the beginning of each fiscal year, the Housing Authority of the County of Jersey will analyze the income levels of families residing in each of our developments using the method found in 24 CFR Part 903.

If the Housing Authority of the County of Jersey's family developments average income is to fall lower or higher than 85% - 115% of the PHA-wide average income, the Housing Authority will implement a deconcentration incentive to encourage families with income above or below the established income range to accept units in the developments that are lower or higher than 85% - 115% of the PHA-wide average income.
