3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The State Consolidated Plan Action Plan identifies the following State Priorities:

A. Affordable Housing

-

The provision of affordable housing for low and very low-income households in the State is a major priority. Specific actions required to address the affordable housing need include the preservation and rehabilitation of existing housing stock and homebuyer assistance as well as other actions.

B. Supportive Housing for the Homeless

The provision of supportive housing is a priority in the State's Consolidated Plan. In addition to programs to address supportive housing for the homeless, the State will address programs to meet the needs of the population at risk of being homeless.

C. Supportive Housing for Persons With Special Needs

The State has identified an increasing need for programs for the elderly and persons with disabilities and for housing that is integrated in and typical of local communities. This priority includes addressing the needs for persons with alcohol and substance abuse problems and the need for drug-free affordable housing.

The Action Plan addresses the following activities will be maintained by the State regarding Public Housing Resident Initiatives:

- Resource Guide updates on PHA homeownership programs.
- NOFA distribution to statewide housing organizations and advocacy groups on federal and state-funded resident management and homeownership programs, as is available.
- Limited application review via the Consolidated Plan Certification of Consistency process for applicable programs.
- Participation of interested groups, including PHA tenant representatives, on the OHCS Advisory Committee.

The Action Plan addresses the need for changes to be made by the State with regard to welfare reform and housing. The State is joining forces with other State agencies, nonprofit organizations and PHAs to address the needs of low income residents moving from welfare to work.
