STATEMENT OF POLICIES AND OBJECTIVES

INTRODUCTION

The Section 8 Program was enacted as part of the Housing and Community Development Act of 1974, which recodified the U.S. Housing Act of 1937. The Act has been amended from time to time, and its requirements, as they apply to the Section 8 Tenant-Based Assistance Program, is described in and implemented throughout this Administrative Plan. The Section 8 tenant-based assistance programs are federally funded and administered for the **City of Pittsburg** by the **Pittsburg Public Housing Agency** through its Section 8 housing office.

Administration of the Section 8 Program and the functions and responsibilities of the Housing Authority (PHA) staff shall be in compliance with the PHA's Personnel Policy and the Department of Housing and Urban Development's (HUD) Section 8 Regulations as well as all Federal, State and local Fair Housing Laws and Regulations.

Jurisdiction

The jurisdiction of the PHA is **the City of Pittsburg**.

To provide affordable housing for all residents through creative partnerships with public and private collaborators."

"Our Mission is to provide quality housing opportunities to improve the lives of the citizens who are in need."

"To provide safe, decent, affordable housing for eligible residents of the City of Pittsburg."

"To provide affordable housing that is in good repair, to be stewards of public funds and trust, and to serve all customers with respect."

B. LOCAL GOALS [24 CFR 982.1]

These goals should reflect the Agency Plan five year goals.

Part I

PHA Goal: Improve the quality of assisted housing

Objectives:

- Improve voucher management: (SEMAP score)
- Ensure equal opportunity and affirmatively further fair housing**
- Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:

Part II

The PHA has the following goals for the program:

To attain and maintain a high level of standards and professionalism in our day-to-day management of all program components.

To administer an efficient, high-performing agency through continuous improvement of the PHA's support systems and commitment to our employees and their development.

To provide decent, safe, and sanitary housing for very low income families while maintaining their rent payments at an affordable level.

To ensure that all units meet Housing Quality Standards and families pay fair and reasonable rents.

To promote fair housing and the opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.

To promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.

C. PURPOSE OF THE PLAN [24 CFR 982.54]

The purpose of the Administrative Plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in the Agency Plan. The Housing Choice Voucher Program was implemented on 10/1/99, and pre-merger Housing Voucher tenancies and Over Fair Market Rent tenancies converted automatically to Housing Choice Voucher tenancies on that date. All other existing contracts remained in effect until the family's second reexamination after the merger date or when a new lease was executed.

The PHA is responsible for complying with all changes in HUD regulations pertaining to these programs. If such changes conflict with this Plan, HUD regulations will have precedence. The PHA will revise this Administrative Plan as needed to comply with changes in HUD regulations. The original Plan and any changes must be approved by the Board of Commissioners of the agency, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

This Administrative Plan is a supporting document to the PHA Agency Plan, and is available for public review as required by CFR 24 Part 903.

Applicable regulations include:

24 CFR Part 5: General Program Requirements

24 CFR Part 8: Nondiscrimination

24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program

D. ADMINISTRATIVE FEE RESERVE [24 CFR 982.54(d)(21)]

Expenditures from the Administrative Reserve (Operating Reserve) for other housing purposes shall not exceed **\$5,000.00** per occurrence nor more than **\$30,000.00** in the aggregate for each fiscal year without the prior approval of the **City of Pittsburg** Board of Commissioners.

E. RULES AND REGULATIONS [24 CFR 982.52]

This Administrative Plan is set forth to define the PHA's local policies for operation of the housing programs in the context of Federal laws and Regulations. All issues related to Section 8 not addressed in this document are governed by such Federal regulations, HUD Memos, Notices and guidelines, or other applicable law. The policies in this Administrative Plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

To further its commitment to full compliance with applicable Civil Rights laws, the PHA will provide Federal/State/local information to Voucher holders regarding unlawful discrimination and any recourse available to families who believe they are victims of a discriminatory act. Such information will be made available during the family briefing session, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made a part of the Voucher holder's briefing packet and available upon request at the front desk.

All Housing Authority staff will be required to attend fair housing training and informed of the importance of affirmatively furthering fair housing and providing equal opportunity to all families, including providing reasonable accommodations to persons with disabilities, as a part of the overall commitment to quality customer service. Fair Housing posters are posted throughout the Housing Authority office/s, including in the lobby and interview rooms and the equal opportunity logo will be used on all outreach materials. Staff will attend local fair housing update training sponsored by HUD and other local organization to keep current with new developments.

Except as otherwise provided in 24 CFR 8.21(c)(1), 8.24(a), 8.25, and 8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the PHA's facilities are inaccessible to or unusable by persons with disabilities. Posters and housing information are displayed in locations throughout the PHA's office in such a manner as to be easily readable from a wheelchair.

The **Pittsburg Public Housing Agency** office is accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the **TTD telephone service provider**.

H. REASONABLE ACCOMMODATIONS POLICY [24 CFR 700.245(c)(3)]

It is the policy of this PHA to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to families.

A participant with a disability must first ask for a specific change to a policy or practice as an accommodation of their disability before the PHA will treat a person differently than anyone else. The PHA's policies and practices will be designed to provide assurances that persons with disabilities will be given reasonable accommodations, upon request, so that they may fully access and utilize the housing program and related services. The availability of requesting an accommodation will be made known by including notices on PHA forms and letters. This policy is intended to afford persons with disabilities an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as those who do not have disabilities and is applicable to all situations described in this Administrative Plan including when a family initiates contact with the PHA, when the PHA initiates contact with a family including when a family applies, and when the PHA schedules or reschedules appointments of any kind.

To be eligible to request a reasonable accommodation, the requester must first certify (if apparent) or verify (if not apparent) that they are a person with a disability under the following ADA definition:

A physical or mental impairment that substantially limits one or more of the major life activities of an individual;

A record of such impairment; or

Being regarded as having such an impairment

Note: This is not the same as the HUD definition used for purposes of determining allowances.

Rehabilitated former drug users and alcoholics are covered under the ADA. However, a current drug user is not covered. In accordance with 5.403, individuals are not considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence. Individuals whose drug or alcohol addiction is a material factor to their disability are excluded from the definition. Individuals are considered disabled if disabling mental and physical limitations would persist if drug or alcohol abuse discontinued.

Once the person's status as a qualified person with a disability is confirmed, the PHA will require that a professional third party competent to make the assessment, provides written verification using the exact wording in the HUD definitions, that the person needs the specific accommodation due to their disability and the change is required for them to have equal access to the housing program.

If the PHA finds that the requested accommodation creates an undue administrative or financial burden, the PHA will either deny the request and/or present an alternate accommodation that will still meet the need of the person.

An undue administrative burden is one that requires a fundamental alteration of the essential functions of the PHA (i.e., waiving a family obligation).

An undue financial burden is one that when considering the available resources of the agency as a whole, the requested accommodation would pose a severe financial hardship on the PHA.

The PHA will provide a written decision to the person requesting the accommodation within **7 (seven) calendar days**. If a person is denied the accommodation or feels that the alternative suggestions are inadequate, they may request an informal hearing to review the PHA's decision.

Reasonable accommodation will be made for persons with a disability that requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with the permission of the person with the disability. All PHA mailings will be made available in an accessible format upon request, as a reasonable accommodation.

Verification of Disability

The PHA will verify disabilities under definitions in the Fair Housing Amendments Act of 1988, Section 504 of the 1973 Rehabilitation Act, and Americans with Disabilities Act.

Applying for Admission

All persons who wish to apply for any of the PHA's programs must submit an application **in written format**, as indicated in our public notice. Applications will be made available in an accessible format upon request from a person with a disability.

To provide specific accommodation to persons with disabilities, upon request, the information may be mailed to the applicant and, if requested, it will be mailed in an accessible format.

The full application is completed at the eligibility appointment in the applicant's own handwriting, unless assistance is needed, or a request for accommodation is requested by a person with a disability. Applicants will then be interviewed by PHA staff to review the information on the full application form. Verification of disability as it relates to 504, Fair Housing, or ADA reasonable accommodation will be requested at this time. The full application will also include questions asking all applications whether reasonable accommodations are necessary.

I. TRANSLATION OF DOCUMENTS

In determining whether it is feasible to provide translation of documents written in English into other languages, the PHA will consider the following factors:

Number of applicants and participants in the jurisdiction who do not speak English and speak the other language.

Estimated cost to PHA per client of translation of English written documents into the other language.

The availability of local organizations to provide translation services to non-English speaking families.

J. MANAGEMENT ASSESSMENT OBJECTIVES

The PHA operates its housing assistance program with efficiency and can demonstrate to HUD auditors that the PHA is using its resources in a manner that reflects its commitment to quality and service. The PHA policies and practices are consistent with the areas of measurement for the following HUD SEMAP indicators.

1. Selection from the Waiting List
2. Reasonable Rent
3. Determination of Adjusted Income
4. Utility Allowance Schedule
5. HQS Quality Control Inspections
6. HQS Enforcement
7. Expanding Housing Opportunities
8. Payment Standards
9. Annual Re-examinations
10. Correct Tenant Rent Calculations
11. Pre-Contract HQS Inspections
12. Annual HQS Inspections
13. Lease-up

Supervisory quality control reviews will be performed by a PHA Supervisor or other qualified person other than the person who performed the work, as required by HUD, on the following SEMAP factors:

Selection from the waiting list

Rent reasonableness

Determination of adjusted income

HQS Enforcement

HQS Quality Control

The annual sample of files and records will be drawn in an unbiased manner, leaving a clear audit trail.

The minimum sample size to be reviewed will relate directly to each factor.

K. RECORDS FOR MONITORING PHA PERFORMANCE

In order to demonstrate compliance with HUD and other pertinent regulations, the PHA will maintain records, reports and other documentation for a time that is in accordance with HUD requirements and in a manner that will allow an auditor, housing professional or other interested party to follow, monitor and or assess the PHA's operational procedures objectively and with accuracy and in accordance with SEMAP requirements with internal supervisory audits.

L. PRIVACY RIGHTS [24 CFR 982.551 and 24 CFR 5.212]

Applicants and participants, including all adults in their households, are required to sign the HUD 9886 Authorization for Release of Information. This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD/PHA will release family information.

The PHA's policy regarding release of information is in accordance with State and local laws, which may restrict the release of family information.

Any and all information which would lead one to determine the nature and/or severity of a person's disability must be kept in a separate folder and marked "confidential" or returned to the family member after its use. The personal information in this folder must not be released except on an "as needed" basis in cases where an accommodation is under consideration. All requests for access and granting of accommodations based on this information must be approved by the **Executive Director**.

The PHA's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files will be stored in a secure location, which is only accessible by authorized staff.

PHA staff will not discuss family information contained in files unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

All files must be signed for when removed from the office or files.

M. FAMILY OUTREACH

The PHA will publicize and disseminate information to make known the availability of housing assistance and related services for very low-income families on a regular basis. When the PHA's waiting list is open, the PHA will publicize the availability and nature of housing assistance for very low-income families in a newspaper of general circulation, minority media, and by other suitable means. Notices will also be provided in **English**.

To reach persons, who cannot read the newspapers, the PHA will distribute fact sheets to the broadcasting media, and initiate personal contacts with members of the news media and community service personnel. The PHA will also utilize public service announcements.

The PHA will communicate the status of housing availability to other service providers in the community, and advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

N. OWNER OUTREACH [24 CFR 982.54(d)(5)]

The PHA makes a concerted effort to keep private owners informed of legislative changes in the tenant-based program, which are designed to make the program more attractive to owners. This includes informing participant owners of applicable legislative changes in program requirements.

The PHA encourages owners of decent, safe and sanitary housing units to lease to Section 8 families.

The PHA conducts **periodic** meetings with participating owners to improve owner relations and to recruit new owners.

The PHA maintains a list of interested landlords for the Section 8 Program and updates this list at least annually.

Printed material is offered to acquaint owners and managers with the opportunities available under the program.

The PHA shall periodically:

Develop working relationships with owners and real estate broker associations.

Establish contact with civic, charitable or neighborhood organizations which have an interest in housing for low-income families and public agencies concerned with obtaining housing for displacements.

Explain the program, including equal opportunity requirements and nondiscrimination requirements, including Fair Housing Amendments Act of 1988 and Americans with Disabilities Act, to real estate agents, landlords, and other groups that have dealings with low-income families or are interested in housing such families.

Chapter 2

ELIGIBILITY FOR ADMISSION

[24 CFR Part 5, Subparts B, D & E; Part 982, Subpart E]

INTRODUCTION

This Chapter defines both HUD and the PHA's criteria for admission and denial of admission to the program. The policy of this PHA is to strive for objectivity and consistency in applying these criteria to evaluate the eligibility of families who apply. The PHA staff will review all information provided by the family carefully and without regard to factors other than those defined in this Chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by the PHA pertaining to their eligibility.

A. ELIGIBILITY FACTORS [982.201(b)]

Families or individuals who make application are required to supply documentation to determine family composition, family relationship, and personal identification.

The PHA accepts applications only from families whose head or spouse is at least 18 years of age **or emancipated minors under State law.**

To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by the PHA.

The HUD eligibility criteria are:

An applicant must be a "family"

An applicant must be within the appropriate Income Limits

An applicant must furnish Social Security Numbers for all family members age six and older

An applicant must provide the following documentation:

- Current Driver's license or ID for each adult member
- Birth Certificate or hospital birth record for each child in the household

Other accepted forms of ID for adults may be birth certificates, military records, and other forms as approved by the Executive Director.

An applicant must furnish declaration of Citizenship or Eligible Immigrant Status and verification where required

At least one member of the applicant family must be either a U.S. citizen or have eligible immigration status before the PHA may provide any financial assistance.

Reasons for denial of admission are addressed in the "Denial or Termination of Assistance" chapter. These reasons for denial constitute additional admission criteria.

The Family's initial eligibility for placement on the waiting list will be made in accordance with the eligibility factors.

Eligibility factors will be reviewed and an initial determination of eligibility made based on information provided by the family before the family is placed on the waiting list.

Evidence of Citizenship/Eligible Immigrant Status will not be verified until the family is selected from the waiting list for final eligibility processing for issuance of a Voucher, unless the PHA determines that such eligibility is in question, whether or not the family is at or near the top of the waiting list.

B. FAMILY COMPOSITION [24 CFR 982.201(c)]

INSTRUCTION: HUD defines the definition of an Elderly family by regulation, but they allow PHAs discretion to define what groups of persons constitute a non-elderly family. PHAs should be aware that if their definition is too restrictive, it may result in legal challenges.

The applicant must qualify as a Family. A Family may be a single person or a group of persons. The family composition must be verified.

A "family" includes a family with or without a child or children. A group of persons consisting of two or more elderly persons or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides is a family. The PHA determines if any other group of persons qualifies as a "family".

A single person family may be:

An elderly person

A displaced person

A person with a disability

Individuals may not be considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence.

Any other single person

A child who is temporarily away from home because of placement in foster care is considered a member of the family. This provision only pertains to the foster child's temporary absence from the home, and is not intended to artificially enlarge the space available for other family members.

A family also includes:

Two or more persons who intend to share residency whose income and resources are available to meet the family's needs and who have a history as a family unit or show evidence of a stable family relationship.

Two or more elderly or disabled persons living together, or one or more elderly, near elderly or disabled persons living with one or more live-in aides is a family.

Verification requirements for family composition can be found in Addendum VI.

Head of Household

The head of household is the **adult** member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law. **Emancipated minors who qualify under State law will be recognized as head of household.**

Spouse of Head

Spouse means the husband or wife of the head.

For proper application of the Non-citizens Rule, the definition of spouse is: the marriage partner who, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

Co-Head

An individual in the household who is equally responsible for the lease with the Head of Household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

Live-in Attendants

A Family may include a live-in aide provided that such live-in aide:

Is determined by the PHA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,

Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide care for the person(s).

A live-in aide is treated differently than family members:

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to Non-Citizen Rule requirements.

Live-in aides may not be considered as a remaining member of the tenant family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

A Live in Aide may only reside in the unit with the approval of the PHA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near-elderly (50-61) or disabled.

The PHA will approve a live-in aide if needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability. Approval of a live-in aide for reasonable accommodation will be in accordance with CFR 24 Part 8 and the reasonable accommodations section in Chapter 1 of this administrative plan.

Verification must include the hours the care will be provided.

[24 CFR 982.316]

At any time, the PHA will refuse to approve a particular person as a live-in aide or may withdraw such approval if:

The person commits fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;

The person commits drug-related criminal activity or violent criminal activity; or

The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Split Households Prior to Voucher Issuance

When a family on the waiting list splits into two otherwise eligible families due to divorce or legal separation, and the new families both claim the same placement on the waiting list, and there is no court determination, the PHA will make the decision taking into consideration the following factors:

Which family unit retains the children or any disabled or elderly members.

Role of domestic violence in the split.

Recommendations of social service agencies or qualified professionals such as children's protective services.

- **Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by the PHA.**

In cases where domestic violence played a role, the standard verification will be used.

The PHA will require evidence that the family has been displaced as a result of fleeing violence in the home.

Multiple Families in the Same Household

When families apply which consist of two families living together, (such as a mother and father, and a daughter with her own husband or children), if they apply as a family unit, they will be treated as a family unit.

Joint Custody of Children

Children who are subject to a joint custody agreement but live with one parent at least 51% of the time will be considered members of the household. "51% of the time" is defined as 183 days of the year, which do not have to run consecutively.

When both parents are on the Waiting List and both are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

C. INCOME LIMITATIONS [24 CFR 982.201(b), 982.353]

INSTRUCTION: The Quality Housing and Work Responsibility Act of 1998 authorizes PHAs to admit families whose income does not exceed the low-income limit (80% of median area income) provided the PHA has included this part of the admissions policy in the PHA's Annual Plan and specifies the criteria.

To be eligible for assistance, an applicant must:

Have an Annual Income at the time of admission that does not exceed the **low-income** limits for occupancy established by HUD.

To determine if the family is income-eligible, the PHA compares the Annual Income of the family to the applicable income limit for the family's size.

Families whose Annual Income exceeds the income limit will be denied admission and offered an informal review.

Portability: For initial lease-up at admission, families who exercise portability must be within the applicable income limit for the jurisdiction of the receiving PHA in which they want to live.

D. MANDATORY SOCIAL SECURITY NUMBERS [24 CFR 5.216, 5.218]

Families are required to provide verification of Social Security Numbers for all family members age 6 and older prior to admission, if they have been issued a number by the Social Security Administration. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of social security numbers is grounds for denial or termination of assistance.

Persons who have not been issued a Social Security Number must sign a certification that they have never been issued a Social Security Number.

Persons who disclose their Social Security Number but cannot provide verification must sign a certification and provide verification within 60 days. Elderly persons must provide verification within 120 days.

E. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS [24 CFR Part 5, Subpart E]

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Individuals who are neither, may elect not to contend their status. Eligible immigrants are persons who are in one of the immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Eligible family: An eligible family will be comprised or citizen(s), national(s) or noncitizen(s) with **eligible** immigrant status.

Ineligible family: An ineligible family is one in which **no** member is a citizen, national or eligible immigrant. Applicant families that include no eligible members are ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Mixed Families. Mixed families are comprised of citizen(s) or eligible noncitizen(s) and those without citizenship or eligible noncitizen status. A family is eligible for assistance as long as at least **one** member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

Non-citizen students. Defined by HUD in the non-citizen regulations at 24 CFR 5.522 are not eligible for assistance.

Appeals. For this eligibility requirement only, the applicant is entitled to a hearing exactly like those provided for participants.

F. OTHER CRITERIA FOR ADMISSIONS [24 CFR 982.552(b)]

A family will not be admitted to the program if any member of the family has been evicted from federally assisted housing for serious violation of the lease within the past 3 (three) years.

A family will be denied admission to the program if any member of the family fails to sign and submit consent forms for obtaining information required by the PHA, including Form HUD-9886.

The PHA will apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program:

The family must not have violated any family obligation during a previous participation in the Section 8 program for 90 days prior to final eligibility determination.

The PHA will make an exception, if the family member who violated the family obligation is not a current member of the household on the application.

The family must pay any outstanding debt owed the PHA or another PHA as a result of prior participation in any federal housing program within one year of PHA notice to repay.

The family must be in good standing regarding any current payment agreement made with another PHA for a previous debt incurred, before this PHA will allow participation in its Section 8 program.

The PHA will check criminal history for all adults in the household to determine whether any member of the family has violated any of the prohibited behaviors as referenced in the section on screening and terminations policy in the "Denial or Termination of Assistance" chapter.

If any applicant deliberately misrepresents the information on which eligibility or tenant rent is established, the PHA may deny assistance and may refer the family file/record to the proper authorities for appropriate disposition. (See Program Integrity Addendum).

G. TENANT SCREENING [24 CFR 982.307)]

The PHA will take into consideration any of the criteria for admission described in the "Denial or Termination of Assistance" chapter.

The PHA **will not** screen family behavior or suitability for tenancy. The PHA will not be liable or responsible to the owner or other persons for the family's behavior or the family's conduct in tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA will inform the owner that screening and selection for tenancy is the responsibility of the owner.

The owner is responsible for screening families based on their tenancy histories, including such factors as:[24 CFR 982.307(a)(3)]

Payment of rent and utility bills

Caring for a unit and premises

Respecting the rights of other residents to the peaceful enjoyment of their housing

Drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others; and

Compliance with other essential conditions of tenancy.

The PHA will give the owner:

The family's current and prior address as shown in the PHA's records; and

The name and address (if known by the PHA) of the landlord at the family's current and prior address.

The PHA will advise families how to file a complaint if they have been discriminated against by an owner. The PHA will advise the family to make a Fair Housing complaint. The PHA may also report the owner to HUD (Fair Housing/Equal Opportunity) or the local Fair Housing Organization.

H. CHANGES IN ELIGIBILITY PRIOR TO EFFECTIVE DATE OF THE CONTRACT

Changes that occur during the period between issuance of a voucher and lease up may affect the family's eligibility or share of the rental payment.

I. INELIGIBLE FAMILIES

Families who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review, or an informal hearing if they were denied due to noncitizen status. See "Complaints and Appeals" chapter for additional information about reviews and hearings.

J. PROHIBITED ADMISSIONS CRITERIA [982.202(b)]

Admission to the program may not be based on where the family lives before admission to the program.

Admission to the program may not be based on:

Where a family lives prior to admission to the program.

Where the family will live with assistance under the program.

Discrimination because members of the family are unwed parents, recipients of public assistance, or children born out of wedlock.

Discrimination because a family includes children.

Whether a family decides to participate in a family self sufficiency program; or

Other reasons as listed in the "Statement of Policies and Objectives" chapter under the Fair Housing and Reasonable Accommodations sections.

Chapter 3

APPLYING FOR ADMISSION

[24 CFR 982.204]

INTRODUCTION

The policy of the PHA is to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply, and are treated in a fair and consistent manner. This Chapter describes the policies and procedures for completing an initial application for assistance, placement and denial of placement on the waiting list, and limitations on who may apply. The primary purpose of the intake function is to gather information about the family, but the PHA will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made. Applicants will be placed on the waiting list in accordance with this Plan.

A. OVERVIEW OF THE APPLICATION TAKING PROCESS

The purpose of application taking is to permit the PHA to gather information and determine placement on the waiting list. The application will contain questions designed to obtain pertinent program information.

Families who wish to apply for any one of the PHA's programs must **complete a written application form when the waiting list is open**. Applications will be made available in an accessible format upon request from a person with a disability.

When the waiting list is open, any family asking to be placed on the waiting list for Section 8 rental assistance will be given the opportunity to complete an application.

Applications will be mailed to interested families upon request with the approval of the Executive Director.

B. OPENING/CLOSING OF APPLICATION TAKING [24 CFR 982.206, 982.54(d)(1)]

The PHA will utilize the following procedures for opening the waiting list.

When the PHA opens the waiting list, the PHA will advertise through public notice in the following newspapers, minority publications and media entities, location(s), and program(s) for which applications are being accepted:

The Morning Sun and any local radio/TV stations.

The notice will contain:

The dates, times, and the locations where families may apply.

The programs for which applications will be taken.

A brief description of the program.

Limitations, if any, on who may apply.

The notices will be made in an accessible format if requested. They will provide potential applicants with information that includes the PHA address and telephone number, how to submit an application, information on eligibility requirements, and the availability of local preferences.

Upon request from a person with a disability, additional time will be given as an accommodation for submission of an application after the closing deadline. This accommodation is to allow persons with disabilities the opportunity to submit an application in cases when a social service organization provides inaccurate or untimely information about the closing date.

If the waiting list is open, the PHA will accept applications from eligible families unless there is good cause for not accepting the application, such as denial of assistance because of action or inaction by members of the family for the grounds stated in the "Denial or Termination of Assistance" chapter of this Administrative Plan. [24 CFR 982.206(b)(2)]

Closing the Waiting List

The PHA may stop applications if there are enough applicants to fill anticipated openings for the next **12** months. The waiting list may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

The PHA will announce the closing of the waiting list by public notice.

The open period shall be long enough to achieve a waiting list adequate to cover projected turnover and new allocations over the next **12** months. The PHA will give at least **three** days' notice prior to closing the list. When the period for accepting applications is over, the PHA will add the new applicants to the list by:

Limits on Who May Apply

When the waiting list is open:

Any family asking to be placed on the waiting list for Section 8 rental assistance will be given the opportunity to complete an application.

When the application is submitted to the PHA:

It establishes the family's date and time of application for placement order on the waiting list.

C. "INITIAL" APPLICATION PROCEDURES [24 CFR 982.204(b)]

The PHA will utilize an **initial application form**. The information is to be filled out by the applicant whenever possible. To provide specific accommodation for persons with disabilities, the information may be completed by a staff person over the telephone. It may also be mailed to the applicant and, if requested, it will be mailed in an accessible format. **Translations will be provided for non-English speaking applicants when** requested prior to application date.

The initial application form will contain at least the following information:

Applicant name

Date and time of application

Racial or ethnic designation of the head of household

All applicants will be placed on the Waiting List within one week of original application date. Required information must be supplied to the PHA within seven (7) days of initial application. Failure to provide documentation required will result in the placement of the application to inactive status.

Inactive applications on hand may be reactivated by applicant providing documents originally requested and completion of a Personal Declaration. Files may be reactivated within ten (10) days of the date the applicant was dropped from the Wait List. Reactivated applications will become active on the next following application acceptance date.

All applications will be placed on the waiting list until eligibility is determined and applicant will be notified of the PHA's action to drop from waiting list.

Pre-applications **will not** require an interview. The information on the application **will** be verified until the applicant has been selected for final eligibility determination. Final eligibility will be determined when the full application process is completed and all information is verified.

D. APPLICANT STATUS WHILE ON WAITING LIST CFR 982.204

Applicants are required to inform the PHA in writing of changes in address. Applicants are also required to respond to requests from the PHA to update information on their application and to determine their interest in assistance.

If after a review of the pre-application the family is determined to be eligible, they will be notified in writing or in an accessible format upon request, as a reasonable accommodation.

This written notification of preliminary eligibility will be:

Mailed to the applicant by first class mail

If the family is determined to be ineligible based on the information provided in the pre-application, the PHA will notify the family in writing (in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal review. Persons with disabilities may request to have an advocate attend the informal review as an accommodation. See "Complaints and Appeals" chapter.

E. TIME OF SELECTION [24 CFR 982.204]

When funding is available, families will be selected from the waiting list in their determined sequence, regardless of family size, subject to income targeting requirements.

When there is insufficient funding available for the family at the top of the list, the PHA will not admit any other applicant until funding is available for the first applicant.

F. COMPLETION OF A FULL APPLICATION (PERSONAL DECLARATION)

Completion a Personal Declaration Form at the time of issuance of the Voucher or prior to Lease-up will be considered the PHA's full application.

Requirement to Attend Interview

The PHA utilizes the full application interview to discuss the family's circumstances in greater detail, to clarify information which has been provided by the family, and to ensure that the information is complete. The interview is also used as a vehicle to meet the informational needs of the family by providing information about the application and verification process, as well as to advise the family of other PHA services or programs which may be available.

The head of household is required to attend the interview. If the head cannot attend, the spouse will be allowed to complete the application and the head and/or all other adults must come into the office within seven days from the date of the application to complete the necessary paperwork.

Should the application not be completed within the seven days following the initial application, the application will be placed inactive.

Reasonable accommodation will be made for persons with a disability who require an advocate or accessible offices. A designee will be allowed to participate in the interview process, but only with permission of the person with a disability.

Every adult household member must sign a consent form to release criminal conviction records and to allow the PHA to receive records and to use them in accordance with HUD regulations.

In an application is denied due to failure to attend the full application interview, the applicant will be notified in writing and offered an opportunity to request an informal review. (See "Complaints and Appeals" chapter.)

All adult members must sign the HUD Form 9886, Release of Information and all supplemental forms required by the PHA, the declarations and consents related to citizenship/immigration status and any other documents required by the PHA. Applicants will be required to sign specific verification forms for information, which is not covered by the HUD Form 9886. Failure to do so will be cause for denial of the application for failure to provide necessary certifications and releases as required by the PHA.

If the PHA determines at or after the interview that additional information or documents are needed, the PHA will required the document or information in writing. The family will be given seven days to supply the information.

If the information is not supplied in this time period, the PHA will provide the family a notification of denial for assistance. (See "Complaints and Appeals" Chapter).

G. VERIFICATION [24 CFR 982.201(e)]

Information provided by the applicant will be verified, using the verification procedures in the "Verification Procedures" chapter. Family composition, income, allowances and deductions, assets, full-time student status, eligibility and rent calculation factors, and other pertinent information will be verified. Verifications may not be more than 60 days old at the time of issuance of the Voucher.

H. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY [24 CFR 982.201]

After the verification process is completed, the PHA will make a final determination of eligibility. This decision is based upon information provided by the family, the verification completed by the PHA, and the current eligibility criteria in effect. If the family is determined to be eligible, the PHA will mail a notification of eligibility. A briefing will be scheduled for the issuance of a voucher and the family's orientation to the housing program.

ESTABLISHING PREFERENCES AND MAINTAINING THE WAITING LIST

[24 CFR Part 5, Subpart D; 982.54(d)(1); 982.204, 982.205, 982.206, 982.207]

INTRODUCTION

It is the PHA's objective to ensure that families are placed in the proper order on the waiting list and selected from the waiting list for admissions in accordance with the policies in this Administrative Plan.

By maintaining an accurate waiting list, the PHA will be able to perform the activities which ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

A. WAITING LIST [24 CFR 982.204]

The PHA uses a single waiting list for admission to its Section 8 tenant-based assistance program.

Applicants will be selected from the PHA waiting list in accordance with policies and income targeting requirements defined in this Administrative Plan.

The PHA will maintain information that permits proper selection from the waiting list.

The waiting list contains the following information for each applicant listed:

Applicant Name

Family Unit Size (number of bedrooms family qualifies for under PHA subsidy standards)

Date and time of application

Racial or ethnic designation of the head of household

Annual gross family income

Number of persons in family

Applicants will be placed on the waiting list in date and time order.

B. PREFERENCES ARE NOT APPLICABLE TO THIS AGENCY

C. INCOME TARGETING

In accordance with the Quality Housing and Work Responsibility Act of 1998, each fiscal year the PHA will reserve a minimum of seventy-five percent of its Section 8 new admissions for families whose income does not exceed 30 percent of the area median income. HUD refers to these families as Extremely Low-Income families. The PHA will admit families who qualify under the Extremely Low-Income limit to meet the income-targeting requirement.

PHA's income targeting requirement does not apply to low income families continuously assisted as provided for under the 1937 Housing Act.

The PHA is also exempted from this requirement where the PHA is providing assistance to low income or moderate-income families entitled to preservation assistance under the tenant-based program as a result of a mortgage prepayment or opt-out.

D. REMOVAL FROM WAITING LIST AND PURGING [24 CFR 982.204(c)]

Families on the Waiting List will be placed inactive for the following reasons:

Failure to respond to update request

Failure to disclose illegal/criminal activity

Failure to supply requested documents

Failure to provide signatures as requested

Failure to attend scheduled appointments

Voucher has expired

Family does not meet the program eligibility requirements

Total tenant payment exceeds payment standard

Mail returned by post office and no contact or change of address reported

Chapter 5

SUBSIDY STANDARDS

[24 CFR 982.54(d)(9)]

INTRODUCTION

HUD guidelines require that PHA's establish subsidy standards for the determination of family unit size, and that such standards provide for a minimum commitment of subsidy while avoiding overcrowding. The standards used for the unit size selected by the family must be within the minimum unit size requirements of HUD's Housing Quality Standards. This Chapter explains the subsidy standards which will be used to determine the voucher size (family unit size) for various sized families when they are selected from the waiting list, as well as the PHA's procedures when a family's size changes, or a family selects a unit size that is different from the Voucher.

A. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]

The PHA does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom on the Voucher. The PHA's subsidy standards for determining voucher size shall be applied in a manner consistent with Fair Housing guidelines.

For subsidy standards, an adult is a person 18 years or older.

All standards in this section relate to the number of bedrooms on the Voucher, not the family's actual living arrangements.

The unit size on the Voucher remains the same as long as the family composition remains the same, regardless of the actual unit size rented.

Generally, one bedroom will be assigned for each two family members. The PHA will consider factors such as family characteristics including sex, age, or relationship. Consideration will also be given for medical reasons and the presence of a live-in aide.

The PHA assigns one bedroom to two people within the following guidelines:

Foster children will be included in determining unit size only if they will be in the unit for more than six (6) months.

Live-in attendants will be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

Single parents with children under the age of 12(twelve) months at time of application.

Space will not be provided for a family member, other than a spouse, who will be absent most of the time, such as a member who is away in the military or away at college.

A single pregnant woman with no other family members must be treated as a two-person family.

Single person families shall be allocated one bedroom.

GUIDELINES FOR DETERMINING VOUCHER SIZE

Voucher Size	Persons in Household	
	Minimum Number	Maximum Number
0 Bedroom	1	1
1 Bedroom	1	2
2 Bedrooms	2	6
3 Bedrooms	3	8
4 Bedrooms	4	10
5 Bedrooms	6	12
6 Bedrooms	8	

B. EXCEPTIONS TO SUBSIDY STANDARDS [24 CFR 982.403(a) & (b)]

The PHA shall grant exceptions from the subsidy standards if the family requests and the PHA determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances.

The PHA will grant an exception upon request as an accommodation for persons with disabilities. Circumstances may dictate a larger size than the subsidy standards permit when persons cannot share a bedroom because of a need, such as a:

Verified medical or health reason; or (See Chapter 7 for acceptable verification)

Elderly persons or persons with disabilities who may require a live-in attendant.

Request for Exceptions to Subsidy Standards

The family may request a larger sized voucher than indicated by the PHA's subsidy standards. Such request must be made in writing within 7 (seven) days of the PHA's determination of bedroom size. The request must explain the need or justification for larger assistance size. Documentation verifying the need or justification will be required as appropriate.

The PHA will not issue a larger voucher due to additions of family members other than by birth, adoption, marriage, or court-awarded custody.

Requests based on health related reasons must be verified by a **doctor/medical/professional/social service professional.**

PHA Error

If the PHA errs in the bedroom size designation, the family will be issued a Voucher of the appropriate size.

Changes for Applicants

The voucher size is determined prior to the briefing by comparing the family composition to the PHA subsidy standards. If an applicant requires a change in the voucher size, based on the requirements of the PHA subsidy standards, the above referenced guidelines will apply.

Changes for Participants

The members of the family residing in the unit must be approved by the PHA. The family must obtain approval of any additional family member before the new member occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform the PHA within **thirty (30) calendar** days. The above referenced guidelines will apply.

Household composition will be reviewed at recertification for families with children placed in State custody. The PPHA will reduce the voucher assistance size for families at recertification time if the children are still in out of home placement. The PPHA will determine voucher assistance size using the Guidelines for Determining Voucher size.

The PPHA will waive the voucher assistance size change, if the family can provide written documentation from a State agency that the children will be placed back in the family home by the effective date of the recertification.

Under Housed Families

If a unit does not meet HQS space standards due to an increase in family size, (unit too small), the PHA will issue a new voucher of the appropriate size and assist the family in locating a suitable unit.

The PHA will also notify the family of the circumstances under which an exception will be granted, such as:

If a family with a disability is under housed in an accessible unit.

If a family requires the additional bedroom because of a health problem, which has been verified by the PHA.

Transfer Waiting List

Families will be given appropriate size voucher at recertification based upon the information of the family composition at that time:

A participant family (whose family composition has been approved by the PHA) who requires a change in Voucher size because they are living in a unit which is overcrowded according to Housing Quality Standards.

A participant family (whose family composition has been approved by the PHA) who requires a change in Voucher size under the Subsidy Standards, but not under Housing Quality Standards.

All others who require a transfer as determined by the PHA.

C. UNIT SIZE SELECTED [24 CFR 982.402(c)]

The family may select a different size dwelling unit than that listed on the Voucher. There are three criteria to consider:

Subsidy Limitation: The family unit size as determined for a family under the PHA subsidy standard for a family assisted in the voucher program is based on the PHA's adopted payment standards. The payment standard for a family shall be the *lower of*:

The payment standard amount for the family unit size; or

The payment standard amount for the unit size rented by the family.

Utility Allowance: The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects, regardless of the size authorized on the family's Voucher.

Housing Quality Standards: The standards allow two persons per living/sleeping room and permit maximum occupancy levels (assuming a living room is used as a living/sleeping area) as shown in the table below. The levels may be exceeded if a room in addition to bedrooms and living room is used for sleeping.

HQS GUIDELINES FOR UNIT SIZE SELECTED

Unit Size	Maximum Number in Household
0 Bedroom	1
1 Bedroom	4
2 Bedrooms	6
3 Bedrooms	8
4 Bedrooms	10
5 Bedrooms	12
6 Bedrooms	14

INCOME AND SUBSIDY DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 982]

INTRODUCTION

A family's income determines eligibility for assistance and is also used to calculate the family's payment and the PHA's subsidy. The PHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and PHA policies related to these topics in three parts as follows:

- Part I: Annual Income. HUD regulations specify the sources of income to include and exclude to arrive at a family's annual income. These requirements and PHA policies for calculating annual income are found in Part I.
- Part II: Adjusted Income. Once annual income has been established HUD regulations require the PHA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and PHA policies for calculating adjusted income are found in Part II.
- Part III: Calculating Family Share and PHA Subsidy. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining PHA subsidy and required family payment.

PART I: ANNUAL INCOME

6-I.A. OVERVIEW

The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.

5.609 Annual income.

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph [5.609(c)].

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- Earned Income Disallowance for Persons with Disabilities (Exhibit 6-4)
- The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

Summary of Income Included and Excluded by Person	
Live-in aides	Income from all sources is excluded [24 CFR 5.609(c)(5)].
Foster child or foster adult	Income from all sources is excluded [24 CFR 5.609(c)(2)].
Head, spouse, or cohead Other adult family members	All sources of income not specifically excluded by the regulations are included.
Children under 18 years of age	Employment income is excluded [24 CFR 5.609(c)(1)]. All other sources of income, except those specifically excluded by the regulations, are included.
Full-time students 18 years of age or older (not head, spouse, or cohead)	Employment income above \$480/year is excluded [24 CFR 5.609(c)(11)]. All other sources of income, except those specifically excluded by the regulations, are included.

Temporarily Absent Family Members

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

Absent Full-Time Students

PHA Policy

Full Time students who attend school away from the home will be treated in the following manner:

A student (other than head of household or spouse) who attends school away from home but lives with the family during school recesses may, at the family's choice, be considered either temporarily or permanently absent. If the family decides that the member is permanently absent, income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of Voucher size.

Court-Ordered Absences

PHA Policy

If a member of the family is subject to a court order that restricts the member from the home, the PHA will determine whether the person will be considered temporarily or permanently absent. If the court order specifies a permanent restriction or if the court restriction exceeds 180 days, the person will no longer be considered a family member. If the individual intends to return to the unit at the end of the restriction, the individual is subject to the eligibility and screening requirements discussed in Chapter 3 of this plan.

Absences Due to Placement in Foster Care

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

PHA Policy

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

If the time period is to be greater than six (6) months from the date of removal of the child/ren, the Voucher size will be reduced. If all children are removed from the home permanently, the voucher size will be reduced in accordance with the PHA's subsidy standards.

Absences Due to Incarceration

PHA Policy

If a family member is expected to be incarcerated for more than 180 consecutive days, the person will not be considered a family member. If the individual intends to return to the unit following incarceration, the individual is subject to the eligibility and screening requirements discussed in Chapter 3 of this plan.

Absence due to Medical Reasons

PHA Policy

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the PHA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than 90 consecutive days, the family member will be considered temporarily absent.

Family Members Permanently Confined for Medical Reasons

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

PHA Policy

The PHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualifies as an elderly person or a person with disabilities.

Joint Custody of Children

PHA Policy

In the case of joint custody, only one family may claim a child as a dependent. When two assisted families could conceivably claim the child, the two families must resolve the issue and declare which household will receive the dependent deduction. If the two households are unable to resolve the issue, the PHA will make the determination on the basis of such factors as who claimed the child as a dependent on the most recent income tax filing and how much time the child spends in each household.

Caretakers for a Child

PHA Policy

If neither a parent nor a designated guardian remains in a household receiving HCV assistance, the PHA will take the following actions.

- (1) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.
- (2) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases the PHA will extend the caretaker's status as an eligible visitor.
- (3) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.
- (4) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

6-I.C. ANTICIPATING ANNUAL INCOME

The PHA is required to count all income “anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date” [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

Basis of Annual Income Projection

The PHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes the PHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]
- The PHA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

PHA Policy

When the PHA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), the PHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income. Anytime current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to the PHA to show why the historic pattern does not represent the family’s anticipated income.

Known Changes in Income

If the PHA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

Example: An employer reports that a full-time employee who has been receiving \$6/hour will begin to receive \$6.25/hour in the eighth week after the effective date of the reexamination. In such a case the PHA would calculate annual income as follows:
($\$6/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}$) + ($\$6.25 \times 40 \text{ hours} \times 45 \text{ weeks}$).

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases the PHA will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if the PHA’s policy in Chapter 10 does not require interim reexaminations for other types of changes.

Using Up-Front Income Verification (UIV) to Project Income

HUD strongly recommends the use of up-front income verification (UIV). UIV is “the verification of income, before or during a family reexamination, through an independent source that systematically and uniformly maintains income information in computerized form for a large number of individuals” [VG, p. 7].

HUD allows PHAs to use UIV information in conjunction with family-provided documents to anticipate income [UIV].

PHA Policy

PHA procedures for anticipating annual income will include the use of UIV methods approved by HUD in conjunction with family-provided documents dated within the last 60 days of the PHA interview date.

The PHA will follow “HUD Guidelines for Projecting Annual Income When Up-Front Income Verification (UIV) Data Is Available” in handling differences between UIV and family-provided income data. The guidelines depend on whether a difference is substantial or not. HUD defines *substantial difference* as a difference of \$200 or more per month.

No Substantial Difference. If UIV information for a particular income source differs from the information provided by a family by less than \$200 per month, the PHA will follow these guidelines:

If the UIV figure is less than the family’s figure, the PHA will use the family’s information.

If the UIV figure is more than the family’s figure, the PHA will use the UIV data unless the family provides documentation of a change in circumstances to explain the discrepancy (e.g., a reduction in work hours). Upon receipt of acceptable family-provided documentation of a change in circumstances, the PHA will use the family-provided information.

Substantial Difference. If UIV information for a particular income source differs from the information provided by a family by \$200 or more per month, the PHA will follow these guidelines:

The PHA will request written third-party verification from the discrepant income source in accordance with 24 CFR 5.236(b)(3)(i).

When the PHA cannot readily anticipate income (e.g., in cases of seasonal employment, unstable working hours, or suspected fraud), the PHA will review historical income data for patterns of employment, paid benefits, and receipt of other income.

The PHA will analyze all UIV, third-party, and family-provided data and attempt to resolve the income discrepancy.

The PHA will use the most current verified income data and, if appropriate, historical income data to calculate anticipated annual income.

6-I.D. EARNED INCOME

Types of Earned Income Included in Annual Income

Wages and Related Compensation. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income [24 CFR 5.609(b)(1)].

PHA Policy

For persons who regularly receive bonuses or commissions, the PHA will verify and then average amounts received for the two years preceding admission or reexamination. If only a one-year history is available, the PHA will use the prior year amounts. In either case the family may provide, and the PHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, the PHA will count only the amount estimated by the employer.

Some Types of Military Pay. All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].

Types of Earned Income Not Counted in Annual Income

Temporary, Nonrecurring, or Sporadic Income [24 CFR 5.609(c)(9)]. Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed. Such income is not counted.

Children's Earnings. Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(c)(1)]. (See Eligibility chapter for a definition of *foster children*.)

Certain Earned Income of Full-Time Students. Earnings in excess of \$480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered "full-time," a student must be considered "full-time" by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

Income of a Live-in Aide. Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

Income Earned under Certain Federal Programs. Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(c)(17)], including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
- Payments received under programs funded in whole or in part under the Job Training Partnership Act (29 U.S.C. 1552(b))
- Awards under the federal work-study program (20 U.S.C. 1087 uu)
- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

Resident Service Stipend. Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed \$200 per individual per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time [24 CFR 5.600(c)(8)(iv)].

State and Local Employment Training Programs. Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

PHA Policy

The PHA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period to time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

The PHA defines *incremental earnings and benefits* as the difference between (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, the PHA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with the PHA's interim reporting requirements.

HUD-Funded Training Programs. Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

PHA Policy

To qualify as a training program, the program must meet the definition of *training program* provided above for state and local employment training programs.

Earned Income Tax Credit. Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee's payroll check.

Earned Income Disallowance. The earned income disallowance for persons with disabilities is discussed in section 6-I.E below.

6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES [24 CFR 5.617]

The earned income disallowance (EID) encourages people with disabilities to enter the work force by not including the full value of increases in earned income for a period of time. The full text of 24 CFR 5.617 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.

Eligibility

This disallowance applies only to individuals in families already participating in the HCV program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:

- Employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment. *Previously unemployed* includes a person who annually has earned not more than the minimum wage applicable to the community multiplied by 500 hours. The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage.
- Increased earnings by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].
- New employment or increased earnings by a family member who is a person with disabilities and who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least \$500.

Calculation of the Disallowance

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member's current income with his or her "prior income."

PHA Policy

The PHA defines *prior income*, or *prequalifying income*, as the family member's last certified income prior to qualifying for the EID.

The family member's prior, or prequalifying, income remains constant throughout the period that he or she is receiving the EID.

Initial 12-Month Exclusion. During the initial 12-month exclusion period, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded. The 12 months are cumulative and need not be consecutive.

PHA Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

Second 12-Month Exclusion and Phase-In. During the second 12-month exclusion period, the exclusion is reduced to half (50 percent) of any increase in income attributable to employment or increased earnings. The 12 months are cumulative and need not be consecutive.

Lifetime Limitation. The EID has a four-year (48-month) lifetime maximum. The four-year eligibility period begins at the same time that the initial exclusion period begins and ends 48 months later. The one-time eligibility for the EID applies even if the eligible individual begins to receive assistance from another housing agency, if the individual moves between public housing and Section 8 assistance, or if there are breaks in assistance.

PHA Policy

During the 48-month eligibility period, the PHA will schedule and conduct an interim reexamination each time there is a change in the family member's annual income that affects or is affected by the EID (e.g., when the family member's income falls to a level at or below his/her prequalifying income, when one of the exclusion periods ends, and at the end of the lifetime maximum eligibility period).

6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(2)].

Business Expenses

Net income is “gross income less business expense” [HCV GB, p. 5-19].

PHA Policy

To determine business expenses that may be deducted from gross income, the PHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

Business Expansion

HUD regulations do not permit the PHA to deduct from gross income expenses for business expansion.

PHA Policy

Business expansion is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

Capital Indebtedness

HUD regulations do not permit the PHA to deduct from gross income the amortization of capital indebtedness.

PHA Policy

Capital indebtedness is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means the PHA will allow as a business expense interest, but not principal, paid on capital indebtedness.

Negative Business Income

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

Withdrawal of Cash or Assets from a Business

HUD regulations require the PHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

PHA Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of \$2,000 to help a business get started, the PHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid.

Investments do not include the value of labor contributed to the business without compensation.

Co-owned Businesses

PHA Policy

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family's share of the income is lower than its share of ownership, the family must document the reasons for the difference.

6-I.G. ASSETS [24 CFR 5.609(b)(3) and 24 CFR 5.603(b)]

Overview

There is no asset limitation for participation in the HCV program. However, HUD requires that the PHA include in annual income the “interest, dividends, and other net income of any kind from real or personal property” [24 CFR 5.609(b)(3)]. This section discusses how the income from various types of assets is determined. For most types of assets, the PHA must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-4 provides the regulatory definition of *net family assets* as well as a chart from the *HCV Guidebook* that summarizes asset inclusions and exclusions. This section begins with a discussion of general policies related to assets and then provides HUD rules and PHA policies related to each type of asset.

General Policies

Income from Assets

The PHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes the PHA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) the PHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, the PHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

PHA Policy

Anytime current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to the PHA to show why the asset income determination does not represent the family’s anticipated asset income.

Valuing Assets

The calculation of asset income sometimes requires the PHA to make a distinction between an asset’s market value and its cash value.

- The market value of an asset is its worth (e.g., the amount a buyer would pay for real estate or the balance in an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash. Examples of acceptable costs include penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].

Lump-Sum Receipts

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

Imputing Income from Assets [24 CFR 5.609(b)(3)]

When net family assets are \$5,000 or less, the PHA will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess of \$5,000, the PHA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by the current HUD-established passbook savings rate.

Determining Actual Anticipated Income from Assets

It may or may not be necessary for the PHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property's market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

Withdrawal of Cash or Liquidation of Investments

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement fund.

Jointly Owned Assets

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes “amounts derived (during the 12-month period) from assets to which any member of the family has access.”

PHA Policy

If an asset is owned by more than one person and any family member has unrestricted access to the asset, the PHA will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, the PHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, the PHA will prorate the asset evenly among all owners.

Assets Disposed Of for Less than Fair Market Value [24 CFR 5.603(b)]

HUD regulations require the PHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

Minimum Threshold

The *HVC Guidebook* permits the PHA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

PHA Policy

The PHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by **more than \$5,000.**

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

Separation or Divorce

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

PHA Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

Foreclosure or Bankruptcy

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

Family Declaration

PHA Policy

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. The PHA may verify the value of the assets disposed of if other information available to the PHA does not appear to agree with the information reported by the family.

Types of Assets

Checking and Savings Accounts

For regular checking accounts and savings accounts, *cash value* has the same meaning as *market value*. If a checking account does not bear interest, the anticipated income from the account is zero.

PHA Policy

In determining the value of a checking account, the PHA will use the average monthly balance for the last six months, when the average is over \$500.00 monthly.

In determining the value of a savings account, the PHA will use the current balance if over \$1,000.

In determining the anticipated income from an interest-bearing checking or savings account, the PHA will multiply the value of the account by the current rate of interest paid on the account.

Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

PHA Policy

In determining the market value of an investment account, the PHA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), the PHA will calculate asset income based on the earnings for the most recent reporting period.

Equity in Real Property or Other Capital Investments

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

Equity in real property and other capital investments is considered in the calculation of asset income except for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR 5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b)]
- Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]
- Equity in real property when a family member's main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

PHA Policy

In the case of capital investments owned jointly with others not living in a family's unit, a prorated share of the property's cash value will be counted as an asset unless the PHA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

Trusts

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

Revocable Trusts

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

Nonrevocable Trusts

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

Retirement Accounts

Company Retirement/Pension Accounts

In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, the PHA must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

IRA, Keogh, and Similar Retirement Savings Accounts

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

Personal Property

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

PHA Policy

In determining the value of personal property held as an investment, the PHA will use the family's estimate of the value. However, the PHA also may obtain an appraisal if appropriate to confirm the value of the asset. The family must cooperate with the appraiser but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

PHA Policy

Necessary personal property consists of items such as clothing, furniture, household furnishings, jewelry that is not held as an investment, and vehicles, including those specially equipped for persons with disabilities.

Life Insurance

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the family's assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

6-I.H. PERIODIC PAYMENTS

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

Periodic Payments Included in Annual Income

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].
- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14]

Lump-Sum Payments for the Delayed Start of a Periodic Payment

Most lump sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income [CFR 5.609(b)(4)].

PHA Policy

When a delayed-start payment is received and reported during the period in which the PHA is processing an annual reexamination, the PHA will adjust the family share and PHA subsidy retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with the PHA.

Periodic Payments Excluded from Annual Income

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(c)(2)]

PHA Policy

The PHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)]
- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)]
- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)]
- Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)].
Note: EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.
- Lump sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.J.) [24 CFR 5.609(b)(4)].

6-I.I. PAYMENTS IN LIEU OF EARNINGS

Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

6-I.J. WELFARE ASSISTANCE

Overview

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]

The PHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

Covered Families

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

Imputed Income

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, the PHA must include in annual income “imputed” welfare income. The PHA must request that the welfare agency inform the PHA when the benefits of an HCV participant family are reduced. The imputed income is the amount the family would have received if the family had not been sanctioned.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets

The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

Alimony and Child Support

The PHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

PHA Policy

The PHA will count court-awarded amounts for alimony and child support unless the PHA verifies that (1) the payments are not being made and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

Regular Contributions or Gifts

The PHA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

PHA Policy

Examples of regular contributions include: (1) regular payment of a family's bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) "in-kind" contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by the PHA. For contributions that may vary from month to month (e.g., utility payments), the PHA will include an average amount based upon past history.

6-I.L. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME

Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- The full amount of student financial assistance paid directly to the student or to the educational institution [24 CFR 5.609(c)(6)]

PART II: ADJUSTED INCOME

6-II.A. INTRODUCTION

Overview

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [PHA] must deduct the following amounts from annual income:

- (1) \$480 for each dependent;
- (2) \$400 for any elderly family or disabled family;
- (3) The sum of the following, to the extent the sum exceeds three percent of annual income:
 - (i) Unreimbursed medical expenses of any elderly family or disabled family;
 - (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
- (4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

Anticipating Expenses

PHA Policy

Generally, the PHA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., child care during school and nonschool periods and cyclical medical expenses), the PHA will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, the PHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. The PHA may require the family to provide documentation of payments made in the preceding year.

6-II.B. DEPENDENT DEDUCTION

A deduction of \$480 is taken for each dependent [24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of \$400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

6-II.D. MEDICAL EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income.

The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

Definition of *Medical Expenses*

HUD regulations define *medical expenses* at 24 CFR 5.603(b) to mean “medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.”

PHA Policy

The most current IRS Publication 502, *Medical and Dental Expenses*, will be used to determine the costs that qualify as medical expenses.

Families That Qualify for Both Medical and Disability Assistance Expenses

PHA Policy

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the PHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]

Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

Earned Income Limit on the Disability Assistance Expense Deduction

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

PHA Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family’s request, the PHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When the PHA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members’ incomes.

Eligible Disability Expenses

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: “Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work” [HCV GB, p. 5-30].

HUD advises PHAs to further define and describe auxiliary apparatus [VG, p. 30].

Eligible Auxiliary Apparatus

PHA Policy

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.

Eligible Attendant Care

The family determines the type of attendant care that is appropriate for the person with disabilities.

PHA Policy

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, the PHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Payments to Family Members

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

Necessary and Reasonable Expenses

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

PHA Policy

The PHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, the PHA will collect information from organizations that provide services and support to persons with disabilities. A family may present, and the PHA will consider, the family's justification for costs that exceed typical costs in the area.

Families That Qualify for Both Medical and Disability Assistance Expenses

PHA Policy

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the PHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.F. CHILD CARE EXPENSE DEDUCTION

HUD defines *child care expenses* at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

Clarifying the Meaning of *Child* for This Deduction

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family’s household [VG, p. 26].

PHA Policy

For the purposes of child care expenses, the PHA defines *child* to include any foster children under the age of 13 living in an assisted family’s household [HCV GB, p. 5-29].

Qualifying for the Deduction

Determining Who Is Enabled to Pursue an Eligible Activity

PHA Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family’s request, the PHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

PHA Policy

If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member’s efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member’s job search efforts are not commensurate with the child care expense being allowed by the PHA.

Furthering Education

PHA Policy

If the child care expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

Being Gainfully Employed

PHA Policy

If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member's employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

Earned Income Limit on Child Care Expense Deduction

When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person with disabilities who receives the earned income disallowance (EID) or a full-time student whose earned income above \$480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person’s earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes \$15,000 but because of the EID only \$5,000 is included in annual income, child care expenses are limited to \$5,000.

The PHA must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

PHA Policy

When the child care expense being claimed is to enable a family member to work, only one family member’s income will be considered for a given period of time. When more than one family member works during a given period, the PHA generally will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

Eligible Child Care Expenses

The type of care to be provided is determined by the assisted family. The PHA may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

Allowable Child Care Activities

PHA Policy

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of child care.

The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family's unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, the PHA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Necessary and Reasonable Costs

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

PHA Policy

Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, the PHA will use the schedule of child care costs from the local welfare agency. Families may present, and the PHA will consider, justification for costs that exceed typical costs in the area.

PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY

6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

TTP Formula [24 CFR 5.628]

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between \$0 and \$50 that is established by the PHA

The PHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family's TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

Welfare Rent [24 CFR 5.628]

PHA Policy

Welfare rent **does not** apply in this locality.

Minimum Rent [24 CFR 5.630]

PHA Policy

The minimum rent for this locality is **\$50.00**.

Family Share [24 CFR 982.305(a)(5)]

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds the PHA's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy the PHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)

PHA Subsidy [24 CFR 982.505(b)]

The PHA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

Utility Reimbursement [24 CFR 982.514(b)]

When the PHA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits the PHA to pay the reimbursement to the family or directly to the utility provider.

PHA Policy

The PHA will make utility reimbursements to the utility provider.

6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

PHA Policy

The financial hardship rules described below do not apply in this jurisdiction because the PHA has established a minimum rent of \$0.

Overview

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the family share is the highest of the remaining components of the family's calculated TTP.

HUD-Defined Financial Hardship

Financial hardship includes the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

PHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

- (2) The family would be evicted because it is unable to pay the minimum rent.

PHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent to the owner or tenant-paid utilities.

- (3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

PHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

(5) The family has experienced other circumstances determined by the PHA.

PHA Policy

The PHA has not established any additional hardship criteria.

Implementation of Hardship Exemption

Determination of Hardship

When a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the first of the month following the family's request.

The PHA then determines whether the financial hardship exists and whether the hardship is temporary (expected to last 90 days or less) or long-term.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

Example: Impact of Minimum Rent Exemption	
Assume the PHA has established a minimum rent of \$35.	
Family Share – No Hardship	Family Share – With Hardship
\$0 30% of monthly adjusted income	\$0 30% of monthly adjusted income
\$15 10% of monthly gross income	\$15 10% of monthly gross income
N/A Welfare rent	N/A Welfare rent
\$35 Minimum rent	\$35 Minimum rent
Minimum rent applies. TTP = \$35	Hardship exemption granted. TTP = \$15

PHA Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

The PHA will make the determination of hardship within 30 calendar days.

No Financial Hardship

If the PHA determines there is no financial hardship, the PHA will reinstate the minimum rent and require the family to repay the amounts suspended.

PHA Policy

The PHA will require the family to repay the suspended amount within 30 calendar days of the PHA's notice that a hardship exemption has not been granted.

Temporary Hardship

If the PHA determines that a qualifying financial hardship is temporary, the PHA must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family's request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay the PHA the amounts suspended. HUD requires the PHA to offer a reasonable repayment agreement, on terms and conditions established by the PHA. The PHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

PHA Policy

The PHA will enter into a repayment agreement in accordance with the procedures found in Chapter 13 of this plan.

Long-Term Hardship

If the PHA determines that the financial hardship is long-term, the PHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

PHA Policy

The hardship period ends when any of the following circumstances apply:

- (1) At an interim or annual reexamination, the family's calculated TTP is greater than the minimum rent.
- (2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a \$60/month child support payment, the hardship will continue to exist until the family receives at least \$60/month in income from another source or once again begins to receive the child support.
- (3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505]

Overview

The PHA's schedule of payment standards is used to calculate housing assistance payments for HCV families. This section covers the application of the PHA's payment standards. The establishment and revision of the PHA's payment standard schedule are covered in Chapter 15.

Payment standard is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)" [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under the PHA's subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If the PHA has established an exception payment standard for a designated part of an FMR area and a family's unit is located in the exception area, the PHA must use the appropriate payment standard for the exception area.

The PHA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP.

If during the term of the HAP contract for a family's unit, the owner lowers the rent, the PHA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

Changes in Payment Standards

When the PHA revises its payment standards during the term of the HAP contract for a family's unit, it will apply the new payment standards in accordance with HUD regulations.

Decreases

If the amount on the payment standard schedule is decreased during the term of the HAP contract, the lower payment standard generally will be used beginning at the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard. The PHA will determine the payment standard for the family as follows:

Step 1: At the first regular reexamination following the decrease in the payment standard, the PHA will determine the payment standard for the family using the lower of the payment standard for the family unit size or the size of the dwelling unit rented by the family.

Step 2: The PHA will compare the payment standard from step 1 to the payment standard last used to calculate the monthly housing assistance payment for the family. The payment standard used by the PHA at the first regular reexamination following the decrease in the payment standard will be the higher of these two payment standards. The PHA will advise the family that the application of the lower payment standard will be deferred until the second regular reexamination following the effective date of the decrease in the payment standard.

Step 3: At the second regular reexamination following the decrease in the payment standard, the lower payment standard will be used to calculate the monthly housing assistance payment for the family unless the PHA has subsequently increased the payment standard, in which case the payment standard will be determined in accordance with procedures for increases in payment standards described below.

Increases

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

Changes in Family Unit Size

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size.

Reasonable Accommodation

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, the PHA is allowed to establish a higher payment standard for the family within the basic range.

6-III.D. UTILITY ALLOWANCES [24 CFR 982.517]

Overview

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. The PHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection. Costs for telephone, cable/satellite TV, and Internet services are not included in the utility allowance schedule.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 16 of the *HCV Guidebook* provides detailed guidance to the PHA about establishing utility allowance schedules.

The PHA must use the appropriate utility allowance for the size of dwelling unit actually leased by a family rather than the voucher unit size for which the family qualifies using PHA subsidy standards. See Chapter 5 for information on the PHA's subsidy standards.

Air-Conditioning

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.

PHA Policy

The PHA has included an allowance for air-conditioning in its schedule. Central air-conditioning or a portable air conditioner must be present in a unit before the PHA will apply this allowance to a family's rent and subsidy calculations.

Reasonable Accommodation

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on the PHA's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, the PHA will approve an allowance for air-conditioning, even if the PHA has determined that an allowance for air-conditioning generally is not needed.

The family must request the higher allowance and provide the PHA with an explanation of the need for the reasonable accommodation and information about the amount of additional allowance required [HCV GB, p. 18-8].

Utility Allowance Revisions

The PHA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised.

Revised utility allowances will be applied to a family's rent and subsidy calculations at the next annual reexamination that is effective after the allowance is adopted [HCV GB, p. 18-9].

6-III.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. The PHA must prorate the assistance provided to a mixed family. The PHA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if the PHA subsidy for a family is calculated at \$500 and two of four family members are ineligible, the PHA subsidy would be reduced to \$250.

EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

24 CFR 5.609

(a) Annual income means all amounts, monetary or not, which:

- (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
- (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- (3) Which are not specifically excluded in paragraph (c) of this section.

In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

EXHIBIT 6-4: EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES

24 CFR 5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.

(a) Applicable programs. The disallowance of increase in annual income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) Definitions. The following definitions apply for purposes of this section.

Disallowance. Exclusion from annual income.

Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Qualified family. A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-- provided that the total amount over a six-month period is at least \$500.

(c) Disallowance of increase in annual income—

(1) Initial twelve month exclusion. During the cumulative twelve month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

(2) Second twelve month exclusion and phase-in. During the second cumulative twelve month period after the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income of a qualified family fifty percent of any increase in income of such family member as a result of employment over income of that family member prior to the beginning of such employment.

(3) Maximum four year disallowance. The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) is limited to a lifetime 48 month period. The disallowance only applies for a maximum of twelve months for disallowance under paragraph (c)(1) and a maximum of twelve months for disallowance under paragraph (c)(2), during the 48 month period starting from the initial exclusion under paragraph (c)(1) of this section.

(d) Inapplicability to admission. The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615

Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) *Applicability.* This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) *Definitions.* The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) *Imputed welfare income.*

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) Review of PHA decision.

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the

basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) PHA relation with welfare agency.

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

CHAPTER 7

SECTION 8 HOUSING CHOICE VOUCHERS

VERIFICATION PROCEDURES

[24 CFR Part 5, Subparts B, D, E and F; 982.516]

A. INTRODUCTION

HUD regulations require the PITTSBURG PUBLIC HOUSING AGENCY to verify the factors of eligibility and Total Tenant Payment/Family Share. Applicants and program participants must provide true and complete information to the PITTSBURG PUBLIC HOUSING AGENCY whenever information is requested. PITTSBURG PUBLIC HOUSING AGENCY's verification requirements are designed to maintain program integrity. This Chapter explains PITTSBURG PUBLIC HOUSING AGENCY's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in family composition. PITTSBURG PUBLIC HOUSING AGENCY will obtain proper authorization from the family before requesting information from independent sources.

PITTSBURG PUBLIC HOUSING AGENCY staff will obtain written verification from independent sources whenever possible and will document tenant files whenever third party verifications are not possible as to why third party verification was not obtained as well as the manner in which the eligibility factors were verified.

B. METHODS OF VERIFICATION AND TIME ALLOWED [24 CFR 982.516]

PITTSBURG PUBLIC HOUSING AGENCY will verify information through five methods of verification according to the hierarchy listed below:

1. Up Front Income Verification (UIV)
2. Third-Party Written Verification
3. Third-Party Oral Verification
4. Review of Documents
5. Certification/Self-Declaration

PITTSBURG PUBLIC HOUSING AGENCY will allow up to two (2) weeks for return of third-party verifications and up to one (1) additional week to obtain other types of verifications before going to the next method. PITTSBURG PUBLIC HOUSING AGENCY will document the file as to how the information was verified

including an explanation for the method utilized if other than a written third party verification.

For applicants, verifications must be received 60 days prior to the issuance of a voucher. For participants, they will be valid for 60 consecutive days from date of receipt.

1. Up-Front Income Verification

PITTSBURG PUBLIC HOUSING AGENCY will utilize up-front income verification methods, including TASS and the Work Number, whenever possible as well as any other UIV that might become available to PUBLIC HOUSING AGENCY. When HUD announces the availability of the UIV system for PITTSBURG PUBLIC HOUSING AGENCY, additional UIV tools will be used. (, including a centralized computer matching system.)

Third-party verification may continue to be used to complement up-front income verification.

UIV may be used in lieu of 3rd party verifications when there is not a substantial difference between UIV and tenant-reported income. HUD defines substantial difference as \$200 or more per month.

- If the income reflected on the UIV verification is less than that reflected on the tenant-provided documentation, the PITTSBURG PUBLIC HOUSING AGENCY will use tenant-provided documents to calculate anticipated annual income as long as the difference is within the aforementioned \$200 threshold. The income reflected on the UIV verification must not be more than 60 days old.
- If the income reflected on the UIV verification is greater than current tenant-provided documentation, PITTSBURG PUBLIC HOUSING AGENCY will use UIV income data to calculate anticipated annual income as long as the difference is within the above mentioned \$200 threshold; unless the tenant provides documentation of a change in circumstances (i.e. change in employment, reduction in hours, etc.) The tenant supplied documents must not be more than 60 days old.

In cases where UIV data is substantially different than tenant-reported income, the PITTSBURG PUBLIC HOUSING AGENCY will follow the following guidelines:

- the PITTSBURG PUBLIC HOUSING AGENCY will utilize written third party verification to verify the information
- When the PITTSBURG PUBLIC HOUSING AGENCY cannot readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud, the PITTSBURG PUBLIC HOUSING AGENCY will review historical income data for patterns of employment, paid benefits, and/or receipt of other income to anticipate income.

- the PITTSBURG PUBLIC HOUSING AGENCY will analyze all data (UIV data, third party verification and other documents; information provided by the family) and attempt to resolve the income discrepancy.
- the PITTSBURG PUBLIC HOUSING AGENCY will use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.

If the PITTSBURG PUBLIC HOUSING AGENCY is unable to anticipate annual income using current information due to historical fluctuations in income, the PITTSBURG PUBLIC HOUSING AGENCY may average amounts received/earned to anticipate annual income.

If the tenant disputes UIV SS/SSI benefit data, the PITTSBURG PUBLIC HOUSING AGENCY will request the tenant to provide a current original SSA notice or benefit letter within 10 business days of being notified of the dispute.

2. Third-Party Written Verification

Third-party verification is used to verify information directly with the income source. Third-party written verification forms will be sent and returned via first class mail. The family will be required to sign an authorization for the information source to release the specified information.

Verifications received electronically directly from the income source are considered third party written verifications. Verifications hand carried by clients will not be considered third party verifications unless the verification is from a government agency.

The PITTSBURG PUBLIC HOUSING AGENCY will accept verifications in the form of computerized printouts delivered by the family from the following agencies:

- Social Security Administration
- Veterans Administration
- Welfare Assistance
- Unemployment Compensation Board
- City or County Courts

3. Third-Party Verbal Verification

Verbal third-party verification will be used when written third-party verification is delayed or not possible. When third-party verbal verification is used, staff will be required to complete the Verbal Verification Log, noting with whom they spoke, the date of the conversation, and the facts provided. If verbal verification is utilized the PITTSBURG PUBLIC HOUSING AGENCY must originate the call.

4. Review of Documents

In the event that third-party written or verbal verification is unavailable, or the information has not been verified by the third party within two (2) weeks, the PITTSBURG PUBLIC HOUSING AGENCY will annotate the file accordingly and utilize documents provided by the family as the primary source if the documents provide complete information.

All such documents, excluding government checks, will be photocopied and retained in the applicant file. In cases where documents are viewed which cannot be photocopied, staff viewing the document(s) will complete a Certification of Document Viewed.

The PITTSBURG PUBLIC HOUSING AGENCY will accept the following documents from the family provided that the document is an original and does not appear to be tampered or altered.

- Printed wage stubs
- Computer print-outs from the employer
- Letters signed by the employer or other appropriate party (provided that the information is confirmed by phone)
- Other documents noted in this Chapter as acceptable verification

The PITTSBURG PUBLIC HOUSING AGENCY will accept faxed and photocopied documents when received directly from the generating source.

If third-party written verification is received after documents have been accepted as provisional verification, and there is a discrepancy, the PITTSBURG PUBLIC HOUSING AGENCY will utilize the third party verification.

The PITTSBURG PUBLIC HOUSING AGENCY will not delay the processing of an application beyond **two (2) weeks** because a third party information provider does not return the verification in a timely manner.

5. Self-Certification/Self-Declaration

When verification cannot be made by third-party verification or review of documents, families will be required to submit a self-certification. Self-certification requires a notarized and witnessed statement/affidavit/certification/statement under penalty of perjury.

C. RELEASE OF INFORMATION [24 CFR 5.230]

Adult family members will be required to sign the form HUD 9886 Release of Information/Privacy Act form. In addition, all adult family members will be required to sign specific authorization forms when information is needed that is not covered by the HUD form 9886, Authorization for Release of

Information/Privacy Act Notice. Each member requested to consent to the release of specific information will be provided with a copy of the appropriate forms for their review and signature.

Refusal to cooperate with the prescribed verification system will result in denial of admission or termination of assistance because it is a family obligation to supply any information and to sign consent forms requested by the PITTSBURG PUBLIC HOUSING AGENCY or HUD.

D. ITEMS TO BE VERIFIED [24 CFR 982.516]

All income not specifically excluded by the regulations.

Zero-income status of household.

Full-time student status including High School students who are 18 or over.

Current assets including assets disposed of for less than fair market value in the preceding two years.

Social Security Numbers for all family members 6 years of age or older who have been issued a social security number.

"Preference" status, as applicable.

Verification of Reduction in Benefits for Noncompliance:

Before granting a family's request for rent reduction because of a decrease in benefits, the PITTSBURG PUBLIC HOUSING AGENCY will obtain written verification from the Welfare agency stating that the family's benefits were not reduced because of fraud or non-compliance with an economic self-sufficiency requirement.

E. VERIFICATION OF INCOME [24 CFR 982.516]

This section defines the methods the PITTSBURG PUBLIC HOUSING AGENCY will use to verify various types of income.

1. Employment Income

Verification forms request the employer to specify the:

Child care expenses are deducted only to the extent that they are not reimbursed and reflect a reasonable charge; and are paid for the care of children under the age of 13.

As stated elsewhere in this document, child care is allowable for the following reasons:

➤ Child-Care to Work

The maximum child-care allowed will be based on the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

➤ Child-Care for School

The HA will compare the number of hours the family member is attending school relative to the number of child care hours to determine the number of child care hours that will be included in the rent calculation.

➤ Rate of Expense

The HA will survey the local day care providers in the area/community to determine a reasonableness standard. The determination will be made only on a reasonable HOURLY rate. The reasonable rate will be determined based upon the type of care chosen by the family, i.e., center-based or in-home care; State provided care or private care.

➤ Actively Seek Employment

The HA will obtain evidence that the individual is fulfilling welfare-to-work requirements or the requirements for receiving unemployment compensation; or is otherwise actively seeking employment. Written verification from a local or state government agency that oversees work-related activities will be accepted.

If third party verification is not possible, the PITTSBURG PUBLIC HOUSING AGENCY will review documents provided by the family and/or a notarized statement from the family member attesting to his or her efforts to find employment.

2. Medical Expenses

Families, who claim medical expenses will be required to submit a certification as to whether or not any expense payments have been, or will be, reimbursed by an outside source. One or more of the methods listed below will verify all expense claims:

- Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and (b) extent to which those expenses will be reimbursed by insurance or a government agency.
- Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.
- Written confirmation from the Social Security Administration of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.

- For attendant care:

Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

- Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.
- Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.
- Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. The PITTSBURG PUBLIC HOUSING AGENCY may use this approach for "general medical expenses" such as non-prescription drugs and

regular visits to doctors or dentists, but not for one time, nonrecurring expenses from the previous year.

- The PITTSBURG PUBLIC HOUSING AGENCY will use mileage at the IRS rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

- Attendant Care:

Attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided.

Certification of family and attendant and/or copies of canceled checks family used to make payments.

- Auxiliary Apparatus:

Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

VOUCHER ISSUANCE AND BRIEFINGS

[24 CFR 982.301, 982.302]

INTRODUCTION

The PHA's goals and objectives are designed to assure that families selected to participate are equipped with the tools necessary to locate an acceptable housing unit. Families are provided sufficient knowledge and information regarding the program and how to achieve maximum benefit while complying with program requirements. When eligibility has been determined, the PHA will conduct a mandatory briefing to ensure that families know how the program works. The briefing will provide a broad description of owner and family responsibilities, PHA procedures, and how to lease a unit. The family will also receive a briefing packet that provides more detailed information about the program including the benefits of moving outside areas of poverty and minority concentration. This Chapter describes how briefings will be conducted, the information that will be provided to families, and the policies for how changes in the family composition will be handled.

A. ISSUANCE OF VOUCHERS [24 CFR 982.204(d), 982.54(d)(2)]

When funding is available, the PHA will issue Vouchers to applicants whose eligibility has been determined. The number of Vouchers issued must ensure that the PHA stays as close as possible to 100 percent lease-up. The PHA performs a monthly calculation **electronically /manually** to determine whether applications can be processed, the number of Vouchers that can be issued, and to what extent the PHA can over-issue (issue more Vouchers than the budget allows to achieve lease up).

The PHA may over-issue Vouchers only to the extent necessary to meet leasing goals. All Vouchers that are over-issued must be honored. If the PHA finds it is over-leased, it must adjust future issuance of Vouchers in order not to exceed the ACC budget limitations over the fiscal year.

B. BRIEFING TYPES AND REQUIRED ATTENDANCE [24 CFR 982.301]

Initial Applicant Briefing

A full HUD-required briefing will be conducted for applicant families who are determined to be eligible for assistance. The briefings will be conducted in **groups and/or individual meetings**. Families who attend group briefings and still have the need for individual assistance will be referred to the **Housing Coordinator**.

Briefings will be conducted in English. **Special accommodations will be made available to non-English speaking applicants.**

The purpose of the briefing is to explain how the program works and the documents in the Voucher holder's packet to families so that they are fully informed about the program. This will enable them to utilize the program to their advantage, and it will prepare them to discuss it with potential owners and property managers.

The PHA will not issue a Voucher to a family unless the household representative has attended a briefing and signed the Voucher. Applicants who provide prior notice of inability to attend a briefing will automatically be scheduled for the next briefing. Applicants who fail to attend **one** scheduled briefings, without prior notification and approval of the PHA, may be denied admission based on failure to supply information needed for certification. The PHA will conduct individual briefings for families with disabilities at their home, upon request by the family, if required for reasonable accommodation.

Briefing Packet [24 CFR 982.301(b)]

The documents and information provided in the briefing packet for the Voucher program will comply with all HUD requirements. **The PHA also includes other information and/or materials that are not required by HUD.**

Pamphlet on “A Good Place to Live”.

If the family includes a person with disabilities, the PHA will ensure compliance with CFR 8.6 to ensure effective communication.

Move Briefing

A move briefing will be held for participants who will be reissued a Voucher to move, and who have been recertified within the last 120 days, and have given notice of intent to vacate to their landlord. This briefing includes incoming and outgoing portable families.

Owner Briefing

Briefings are held for owners as necessary. All new owners receive a personal invitation and current owners are notified by mail. Prospective owners are also welcome. The purpose of the briefing is to assure successful owner participation in the program. The briefing covers the responsibilities and roles of the three parties.

C. ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW INCOME OR MINORITY CONCENTRATION

SEMAP requires the PHA to adopt and implement a written policy to encourage participation by owners of units located outside areas of poverty or minority concentration. PHAs must inform voucher holders of the full range of areas where they may lease units both inside and outside the PHA’s jurisdiction and supply a list of landlords or other parties who are willing to lease units or help families find units, including units outside areas of poverty or minority concentrations.

At the briefing, families are encouraged to search for housing in non-impacted areas and the PHA will provide assistance to families who wish to do so.

The assistance provided to such families may include:

Providing families with a search record form to gather and record info.

Direct contact with landlords.

Counseling with the family.

D. ASSISTANCE TO FAMILIES WHO CLAIM DISCRIMINATION

The PHA will give participants a copy of HUD form 903 to file a complaint.

E. SECURITY DEPOSIT REQUIREMENTS [24 CFR 982.313]

The owner is not required to but may collect a security deposit from the tenant.

Security deposits charged to families may be any amount the owner wishes to charge, **subject to State or local law.**

Security deposits charged by owners may not exceed those charged to unassisted tenants (nor the maximum prescribed by State or local law.)

For lease-in-place families, responsibility for first and last month's rent is not considered a security deposit issue. In these cases, the owner should settle the issue with the tenant prior to the beginning of assistance.

F. TERM OF VOUCHER [24 CFR 982.303, 982.54(d)(11)]

During the briefing session, each household will be issued a Voucher which represents a contractual agreement between the PHA and the Family specifying the rights and responsibilities of each party. It does not constitute admission to the program that occurs when the lease and contract become effective.

Expirations

The Voucher is valid for a period of at least sixty calendar days from the date of issuance. The family must submit a Request for Approval of the Tenancy and Lease within the sixty-day period unless the PHA has granted an extension.

If the Voucher has expired, and has not been extended by the PHA or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

Suspensions

When a Request for Approval of Tenancy is received, the PHA **will not** deduct the number of days required to process the request from the 60-day term of the voucher.

Extensions

The final merger rule, published in the Federal Register on 10/22/99, revised 24 CFR 982.303 to allow PHAs discretion to extend the cumulative voucher term beyond the prior 120-day limit, whether for reasonable accommodation or other good cause as determined by the PHA.

The PHA will extend the term up to 120 days from the beginning of the initial term if the family needs and request an extension as a reasonable accommodation to make the program accessible to and usable by a family member with a disability. If as a reasonable accommodation, the family needs an extension in excess of 120 days, the PHA will request such approval from the HUD field office.

A family may request an extension of the Voucher time period. All requests for extensions must be received prior to the expiration date of the Voucher and must be in writing.

Extensions are permissible at the discretion of the PHA up to a maximum of an additional 30 days primarily for these reasons:

Extenuating circumstances such as hospitalization or a family emergency for an extended period of time that has affected the family's ability to find a unit within the initial sixty-day period. Verification is required.

The PHA is satisfied that the family has made a reasonable effort to locate a unit, including seeking the assistance of the PHA, throughout the initial sixty-day period.

Assistance to Voucher Holders

Families who require additional assistance during their search may call the PHA Office to request assistance. Voucher holders will be notified at their briefing session that the PHA periodically updates the listing of landlords and how the updated list may be obtained.

The PHA will assist families with negotiations with owners and provide other assistance related to the families search for housing.

G. VOUCHER ISSUANCE DETERMINATION FOR SPLIT HOUSEHOLDS

[24 CFR 982.315]

In those instances when a family assisted under the Housing Choice Voucher program becomes divided into two otherwise eligible families due to divorce, legal separation, or the division of the family, and the new families cannot agree as to which new family unit should continue to receive the assistance, and there is no determination by a court, the Executive Director shall consider the following factors to determine which of the families will continue to be assisted:

Which of the two new family units has custody of dependent children.

Which family member was the head of household when the Voucher was initially issued (listed on the initial application).

Whether domestic violence was involved in the breakup.

Documentation of these factors will be the responsibility of the requesting parties.

If documentation is not provided, the PHA will terminate assistance on the basis of failure to provide information necessary for a recertification.

H. REMAINING MEMBER OF TENANT FAMILY - RETENTION OF VOUCHER
[24 CFR 982.315]

To be considered the remaining member of the tenant family, the person must have been previously approved by the PHA to be living in the unit.

A live-in attendant, by definition, is not a member of the family and will not be considered a remaining member of the Family.

In order for a minor child to continue to receive assistance as a remaining family member:

The court has to have awarded emancipated minor status to the minor, or

The PHA has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the assisted unit to care for the (children) for an indefinite period.

A reduction in family size may require a reduction in the voucher family unit size.

Chapter 9

REQUEST FOR TENANCY APPROVAL AND CONTRACT EXECUTION

[24 CFR 982.302]

INSTRUCTION

Effective October 21, 1998 the Quality Housing and Work Responsibility Act of 1998 (QHWRA) made permanent the 90 day owner termination and endless lease requirements. PHAs are no longer limited to the use of the endless lease, exclusively. Owners can now choose from the following options, but the initial term must still be at least 12 months:

They can elect to have an indefinite extension of the initial term (the endless lease). This option allows that the owner can only terminate tenancy during the term of the lease by instituting a court action, or

They can elect fixed, definite extensions of the initial term, such as month-to-month or year-to-year. This option allows that the owner can terminate tenancy without cause at the end of the initial term or any subsequent term.

However, the new legislation permits the HA to approve a shorter initial lease term, if the HA determines that:

Such shorter term would improve housing opportunities for the tenant, and

Such shorter term is the prevailing local market practice

INTRODUCTION [24 CFR 982.305(a)]

The PHA's program operations are designed to utilize available resources in a manner that is efficient and provides eligible families timely assistance based on the number of units that have been budgeted. The PHA's objectives include maximizing HUD funds by providing assistance to as many eligible families and for as many eligible units as the budget will allow.

After families are issued a voucher, they may search for a unit anywhere within the jurisdiction of the PHA, or outside of the PHA's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, with an owner/landlord who is willing to enter into a Housing Assistance Payments Contract with the PHA. This Chapter defines the types of eligible housing, the PHA's policies that pertain to initial inspections, lease requirements, owner disapproval, and the processing of Requests For Tenancy Approval (RFTA).

A. REQUEST FOR TENANCY APPROVAL [24 CFR 982.302, 982.305(b)]

The Request for Tenancy Approval (RFTA) and a copy of the proposed Lease, including the HUD prescribed tenancy addendum, must be submitted by the family during the term of the voucher. The family must submit the Request for Tenancy Approval in the form and manner required by the PHA.

The Request for Tenancy Approval must be signed by both the owner and Voucher holder.

The PHA will not permit the family to submit more than one RFTA at a time.

The PHA will review the proposed lease and the Request for Tenancy Approval documents to determine whether or not they are approvable. The Request will be approved if:

The unit is an eligible type of housing

The unit meets HUD's Housing Quality Standards (and any additional criteria as identified in this Administrative Plan)

The rent is reasonable

The Security Deposit is approvable in accordance with any limitations in this plan.

The proposed lease complies with HUD and PHA requirements (See "Lease Review" section below).

The owner is approvable, and there are no conflicts of interest (See "Owner Disapproval" section below).

In addition to the above, at the time a family initially receives assistance in a unit (new admissions and moves), if the gross rent for the unit exceeds the applicable payment standard for the family, the family share of rent may not exceed 40 percent of the family monthly adjusted income (See "Owner Rents, Rent Reasonableness and Payment Standards" chapter of this Administrative Plan).

Disapproval of RFTA

If the PHA determines that the Request cannot be approved for any reason, the landlord and the family will be notified in writing. The PHA will instruct the owner and family of the steps that are necessary to approve the request.

The owner will be given **thirty (30)** calendar days to submit an approvable RFAT from the date of disapproval.

When, for any reason, an RFTA is not approved, the PHA will furnish another RFTA form to the family along with the notice of disapproval so that the family can continue to search for eligible housing.

B. ELIGIBLE TYPES OF HOUSING [24 CFR 982.353]

The PHA will approve any of the following types of housing in the Voucher program:

All structure types can be utilized.

Manufactured homes where the tenant leases the mobile home and the pad.

Independent Group Residences

A family can own a rental unit but cannot reside in it while being assisted, except in the case when the tenant owns the mobile home and leases the pad. A family may lease in and have an interest in a cooperative housing development.

The PHA may not permit a Voucher holder to lease a unit which is receiving Project-Based Section 8 assistance or any duplicative rental subsidies.

C. LEASE REVIEW [24 CFR 982.308]

The PHA will review the lease, particularly noting the approvability of optional charges and compliance with regulations and State and local law. The tenant also must have legal capacity to enter a lease under State and local law. Responsibility for utilities, appliances and optional services must correspond to those provided on the on the Request For Tenancy Approval.

The family and owner must submit a standard form of lease used in the locality by the owner and that is generally used for other unassisted tenants in the premises. The terms and conditions of the lease must be consistent with State and local law.

The lease must specify:

The names of the owner and tenant

The address of the unit rented (including apartment number, if any)

The amount of the monthly rent to owner

The utilities and appliances to be supplied by the owner

The utilities and appliances to be supplied by the family

The HUD prescribed tenancy addendum must be included in the lease word-for-word before the lease is executed.

Effective September 15, 2000, the owner's lease must include the Lead Warning Statement and disclosure information required by 24 CFR 35.92(b).

The lease must provide that drug-related criminal activity engaged in by the tenant, any household member, or any guest on or near the premises, or any person under the tenant's control on the premises is grounds to terminate tenancy.

The lease must also provide that owner may evict family when the owner determines that:

Any household member is illegally using a drug; or

A pattern of illegal use of drug by any household member interferes with the health, safety or right to peaceful enjoyment of the premises by other residents.

The lease must provide that the following types of criminal activity by a "covered person" are grounds to terminate tenancy:

Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents (including property management staff residing on the premises);

Any criminal activity that threatens the health, safety or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises; or

Any violent criminal activity on or near the premises by a tenant, household member, or guest; or

Any violent criminal activity on the premises by any other person under the tenant's control.

The lease must provide that the owner may terminate tenancy if a tenant is:

Fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees (high misdemeanor in NJ); or

Violating a condition of probation or parole imposed under Federal or State law.

House Rules of the owner may be attached to the lease as an addendum, provided they are approved by the PHA to ensure they do not violate any fair housing provisions and do not conflict with the tenancy addendum.

Actions Before Lease Term

All of the following must always be completed before the beginning of the initial term of the lease for a unit:

The PHA has inspected the unit and has determined that the unit satisfies the HQS;

The PHA has determined that the rent charged by the owner is reasonable; (See Chapter 11)

The landlord and the tenant have executed the lease, including the HUD-prescribed tenancy addendum;

The PHA has approved leasing of the unit in accordance with program requirements; When the gross rent exceeds the applicable payment standard for the family, the PHA must determine that the family share (total family contribution) will not be more than 40% of the family's monthly adjusted income.

D. SEPARATE AGREEMENTS

Separate agreements are not necessarily illegal side agreements. Families and owners will be advised of the prohibition of illegal side payments for additional rent, or for items normally included in the rent of unassisted families, or for items not shown on the approved lease.

The family is not liable under the lease for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

Owners and families may execute separate agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease if the agreement is in writing and approved by the PHA.

Any appliances, services or other items, which are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by the PHA. If agreements are entered into at a later date, they must be approved by the PHA and attached to the lease.

The PHA will not approve separate agreements for modifications to the unit for persons with disabilities. The modifications are usually within the dwelling and are critical to the use of the dwelling.

E. INITIAL INSPECTIONS [24 CFR 982.305(a) & (b)]

See "Housing Quality Standards and Inspections" Chapter 10 of this Administrative Plan.

F. RENT LIMITATIONS [24 CFR 982.507]

The PHA will make a determination as to the reasonableness (See Chapter 11 on instructions for Rent Reasonableness) of the proposed rent in relation to comparable units available for lease on the private unassisted market, and the rent charged by the owner for a comparable unassisted unit in the building or premises. By accepting each monthly housing assistance payment from the PHA, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises. The owner is required to provide the PHA with information requested on rents charged by the owner on the premises or elsewhere.

G. DISAPPROVAL OF PROPOSED RENT [24 CFR 982.502]

In any of the programs, if the proposed Gross Rent is not reasonable, at the family's request, the PHA will negotiate with the owner to reduce the rent to a reasonable rent. If the rent is not affordable because the family share would be more than 40% of the family's monthly adjusted income, the PHA will negotiate with the owner to reduce the rent to an affordable rent for the family.

At the family's request, the PHA will negotiate with the owner to reduce the rent or include some or all of the utilities in the rent to owner.

If the rent can be approved after negotiations with the owner, the PHA will continue processing the Request for Tenancy Approval and Lease. If the revised rent involves a change in the provision of utilities, the owner must submit a new Tenancy Request for Approval.

If the owner does not agree on the Rent to Owner after the PHA has tried and failed to negotiate a revised rent, the PHA will inform the family and owner that the lease is disapproved.

H. INFORMATION TO OWNERS [24 CFR 982.307(b), 982.54(d)(7)]

In accordance with HUD requirements, the PHA will furnish prospective owners with the family's current address as shown in the PHA's records and, if known to the PHA, the name and address of the landlord at the family's current and prior address.

The PHA will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection.

The PHA will inform owners that it is the responsibility of the landlord to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, payment of utility bills, eviction history, respecting the rights of other residents, damage to units, drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

A statement of the PHA's policy on release of information to prospective landlords will be included in the briefing packet, which is provided to the family.

Upon request, the PHA will provide the following documented information regarding tenancy history for the past 12 months to prospective landlords:

Eviction history

Damage to rental units

Any monies owed to a Housing Authority

Any violation of family obligations

Drug Trafficking by family members

The information will be provided **orally or in writing**.

Only the members of staff may provide this information. The PHA's policy on providing information to owners is included in the briefing packet and will apply uniformly to all families and owners.

I. OWNER DISAPPROVAL [24 CFR 982.306]

See Chapter 16 on "Owner Disapproval and Restriction".

J. CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP EFFECTIVE DATE

When the family reports changes that will affect the Total Family Share prior to the effective date of the HAP contract at admission, the information will be verified and the Total Family Share will be recalculated. If the family does not report any change, the PHA need not obtain new verifications before signing the HAP Contract, even if verifications are more than 60 days old.

K. CONTRACT EXECUTION PROCESS [24 CFR 982.305(c)]

The PHA prepares the Housing Assistance Contract and lease for execution. The family and the owner will execute the Lease agreement, and the owner and the PHA will execute the HAP Contract. Copies of the documents will be furnished to the parties who signed the respective documents. The PHA will retain a copy of all signed documents.

The PHA makes every effort to execute the HAP Contract before the commencement of the lease term. The HAP Contract may not be executed more than 60 days after commencement of the lease term and no payments will be made until the contract is executed.

The following PHA representative(s) is/are authorized to execute a contract on behalf of the PHA:
Executive Director

Owners must provide the current address of their residence. The owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security Number

The PHA staff may request owners to submit proof of ownership of the property, such as a Grant Deed, Tax Bill, or a copy of the Management Agreement if an agent manages the property.

The owner must provide a home telephone number and business number if applicable.

Unless their lease was effective prior to June 17, 1998, a family may not lease properties owned by a parent, child, grandparent, grandchild, sister or brother of any family member. The PHA will waive this restriction as a reasonable accommodation for a family member who is a person with a disability.

L. CHANGE IN OWNERSHIP

See "Owner Disapproval and Restriction" Chapter 16.

Chapter 10

HOUSING QUALITY STANDARDS AND INSPECTIONS

[24 CFR 982.401]

INTRODUCTION

Housing Quality Standards (HQS) are the HUD minimum quality standards for tenant-based programs. HQS standards are required both at initial occupancy and during the term of the lease. HQS standards apply to the building and premises, as well as the unit. Newly leased units must pass the HQS inspection before the beginning date of the assisted lease and HAP contract.

The PHA will inspect each unit under contract at least annually. The PHA will also have an inspection supervisor perform quality control inspections on the number of files required for file sampling by SEMAP annually to maintain the PHA's required standards and to assure consistency in the PHA's program. This Chapter describes the PHA's procedures for performing HQS and other types of inspections, and PHA standards for the timeliness of repairs. It also explains the responsibilities of the owner and family, and the consequences of non-compliance with HQS requirements for both families and owners. The use of the term "HQS" in this Administrative Plan refers to the combination of both HUD and PHA requirements. (See the additions to HQS listed under Acceptability Criteria and Exceptions to HQS later in this chapter.)

FOR FURTHER CLARIFICATION: SEE ADDENDUM VII-HQS

A. GUIDELINES/TYPES OF INSPECTIONS [24 CFR 982.401(a), 982.405]

The PHA has adopted local requirements of acceptability in addition to those mandated by the HUD Regulations.

All units must meet the minimum standards set forth in the City of Pittsburg's Housing Code. (See addendum IX.) In cases of inconsistency between the Code and these HQS, the stricter of the two shall prevail.

Efforts will be made at all times to encourage owners to provide housing above HQS minimum standards. The PHA will not promote any additional acceptability criteria, which is likely to adversely affect the health or safety of participant families, or severely restrict housing choice.

All utilities must be in service prior to the effective date of the HAP contract. If the utilities are not in service at the time of inspection, the Inspector will notify the tenant or owner (whomever is responsible for the utilities according to the RFTA) to have the utilities turned on. The Inspector will schedule a reinspection when the owner or tenant certifies that the utilities are on.

If the tenant is responsible for supplying the stove and/or the refrigerator, the PHA will allow the stove and refrigerator to be placed in the unit after the unit has passed all other HQS. The family must then certify that the appliances are in the unit and working. The PHA will not conduct a re-inspection.

There are five types of inspections the PHA will perform:

1. Initial/Move-in: Conducted upon receipt of Request for Tenancy Approval.
2. Annual: Must be conducted within twelve months of the last annual inspection.
3. Move-Out/Vacate (for pre 10/2/95 contracts where there could be damage claims)
4. Special/Complaint: At request of owner, family or an agency or third party.
5. Quality Control

B. INITIAL HQS INSPECTION [24 CFR 982.401(a), 982.305(b)(2)]

Timely Initial HQS Inspection

The PHA will inspect the unit, determine whether the unit satisfies the HQS and notify the family and owner of the determination within **15** (fifteen) days after the family and the owner have submitted a request for tenancy approval.

The same **15** (fifteen) day clock will be suspended during any period when the unit is not available for inspection.

The PHA will include "date unit available for inspection" on the RFTA form. This date will determine whether the PHA will be required to meet the same **15** (fifteen) day requirement or whether the PHA will suspend the same **15** (fifteen) day period because the unit is not available for inspection until after the same **15** (fifteen) day period.

The PHA will make every reasonable effort to conduct initial HQS inspections for the family and owner in a manner that is time efficient and indicative of good customer service.

The Initial Inspection will be conducted to:

Determine if the unit and property meet the HQS defined in this Plan.

Document the current condition of the unit as to assist in future evaluations whether the condition of the unit exceeds normal wear and tear.

Document the information to be used for determination of rent-reasonableness.

If the unit fails the initial Housing Quality Standards inspection, the **family and/or** owner will be advised to notify the PHA once repairs are completed.

On an initial inspection, the owner will be given up to **thirty (30)** days to correct the items noted as Fail, at the Inspector's discretion, depending on the amount and complexity of work to be done.

The owner will be allowed up to **three (3)** re-inspections for repair work to be completed.

If the time period given by the Inspector to correct the repairs has elapsed, or the maximum number of failed re-inspections has occurred, the family must select another unit.

C. ANNUAL HQS INSPECTIONS [24 CFR 982.405(a)]

The PHA conducts an inspection in accordance with Housing Quality Standards annually, as required by SEMAP. Special inspections may be scheduled between anniversary dates.

The landlord must correct HQS deficiencies that cause a unit to fail unless it is a fail for which the tenant is responsible.

The family must allow the PHA to inspect the unit at reasonable times with reasonable notice. [24 CFR 982.551 (d)]

Inspections will be conducted on business days only.

Reasonable hours to conduct an inspection are between 8:00 a.m. and 5:00 p.m.

The PHA will notify the family in writing or by phone at least seven days prior to the inspection.

Inspection: The family is notified of the date and time of the inspection appointment by mail. If the family is unable to be present, they must reschedule the appointment so that the inspection is completed within **thirty (30)** days.

If the family does not contact the PHA to reschedule the inspection, or if the family misses one (1) inspection appointment, the PHA will consider the family to have violated a Family Obligation and their assistance will be terminated in accordance with the termination procedures in the Plan.

The family is also notified that it is a Family Obligation to allow the PHA to inspect the unit.

Time Standards for Repairs

Emergency items which endanger the family's health or safety must be corrected by the owner within 24 hours of notification. (See Emergency Repair Items section.)

For non-emergency items, repairs must be made within 30 days.

For major repairs, the **Executive Director** may approve an extension beyond 30 days.

Rent Increases

Rent to owner increases may not be approved if the unit is in a failed condition.

D. SPECIAL/COMPLAINT INSPECTIONS [24 CFR 982.405(c)]

If at any time the family or owner notifies the PHA that the unit does not meet Housing Quality Standards, the PHA will conduct an inspection.

Notification must be in the form of a written letter with all items of concern listed and a reasonable amount of time for repairs to be made. A copy of letter must be given to the PHA. Emergency repair items must be corrected with 24 hours. (SEE "G")

The PHA may also conduct a special inspection based on information from third parties such as neighbors or public officials.

The PHA will inspect only the items which were reported, but if the Inspector notices additional deficiencies that would cause the unit to fail HQS, the responsible party will be required to make the necessary repairs.

If the annual inspection date is within 120 days of a special inspection, and as long as all items are inspected that are included in an annual inspection, the special inspection will be categorized, as annual and all annual procedures will be followed.

E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b)]

Quality Control inspections will be performed by the **Executive Director** on the number of files required by SEMAP. The purpose of Quality Control inspections is to ascertain that each inspector is conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in application of the HQS.

The sampling of files will include recently completed inspections (within the prior 3 months), a cross-section of neighborhoods, and a cross-section of inspectors.

F. ACCEPTABILITY CRITERIA AND EXCEPTIONS TO HQS [24 CFR 982.401 (a)]

The PHA adheres to the acceptability criteria in the program regulations **and local codes with the additions described below.**

Local Housing, electrical, plumbing, mechanical Codes [24 CFR 982.401(a)(4)]

G. EMERGENCY REPAIR ITEMS [24 CFR 982.404(a)]

The following items are considered of an emergency nature and must be corrected by the owner or tenant (whoever is responsible) within 24 hours of notice by the Inspector:

Major plumbing leaks or flooding

Natural gas leak or fumes

Electrical problem which could result in shock or fire

No heat when outside temperature is below 32 degrees Fahrenheit and temperature inside unit is below 50 degrees Fahrenheit.

Lack of functioning toilet

In those cases where there is leaking gas or potential of fire or other threat to public safety, and the responsible party cannot be notified or it is impossible to make the repair, proper authorities will be notified by the PHA.

If the emergency repair item(s) are not corrected in the time period required by the PHA, and the owner is responsible, the housing assistance payment will be abated and the HAP contract will be terminated.

If the emergency repair item(s) are not corrected in the time period required by the PHA, and it is an HQS breach, which is a family obligation, the PHA will terminate the assistance to the family.

H. CONSEQUENCES IF OWNER IS RESPONSIBLE (NON-EMERGENCY ITEMS)

[24 CFR 982.405, 982.453]

When it has been determined that a unit on the program fails to meet Housing Quality Standards, and the owner is responsible for completing the necessary repair(s) in the time period specified by the PHA, the assistance payment to the owner will be **abated**.

Abatement

A Notice of Abatement will be sent to the owner, and the abatement will be effective from the day after the date of the failed inspection. The notice is generally for **thirty (30)** days, depending on the nature of the repair(s) needed.

The PHA will inspect abated units within **two (2)** days of the owner's notification that the work has been completed.

If the owner makes repairs during the abatement period, payment will resume on the day the unit passes inspection.

The family or owner will be responsible for notifying the PHA to schedule an inspection.

No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS. **The notice of abatement states that the tenant is not responsible for the PHA's portion of rent that is abated.**

Reduction of Payments

The PHA will grant an extension in lieu of abatement in the following cases:

The owner has a good history of HQS compliance.

The failed items are minor in nature.

There is an unavoidable delay in completing repairs due to difficulties in obtaining parts or contracting for services.

The owner makes a good faith effort to make the repairs.

The repairs must be delayed due to climate conditions.

The extension will be made for a period of time not to exceed thirty (30) days. At the end of that time, at the PHA's discretion, if the work is not completed or substantially completed, the PHA will begin the abatement and/or termination of assistance.

Termination of Contract

If the owner is responsible for repairs, and fails to correct all the deficiencies cited prior to the end of the abatement period, the owner will be sent a HAP Contract Proposed Termination Notice. Prior to the effective date of the termination, the abatement will remain in effect.

If repairs are completed before the effective termination date, the PHA may rescind the termination if the tenant chooses to remain in the unit. **Only two** Housing Quality Standards inspections will be conducted after the termination notice is issued.

I. DETERMINATION OF RESPONSIBILITY [24 CFR 982.404, 982.54(d)(14)]

Certain HQS deficiencies are considered the responsibility of the family:

Tenant-paid utilities not in service

Failure to provide or maintain family-supplied appliances

Damage to the unit or premises caused by a household member or guest beyond normal wear and tear

"Normal wear and tear" is defined as items, which could not be charged against the tenant's security deposit under state law or court practice.

The owner is responsible for all other HQS violations.

The owner is responsible for vermin infestation even if caused by the family's living habits. However, if such infestation is serious and repeated, it may be considered a lease violation and the owner may evict for serious or repeated violation of the lease. The PHA may terminate the family's assistance on that basis.

The inspector will make a determination of owner or family responsibility during the inspection. The owner or tenant may appeal this determination to a mediator within ten (10) days of the inspection.

If the family is responsible but the owner carries out the repairs, the owner will be encouraged to bill the family for the cost of the repairs and the family's file will be noted.

The inspector will make a determination of owner or family responsibility during the inspection. * The owner or tenant may appeal this determination to a mediator within ten (10) days of the inspection.

If the family is responsible but the owner carries out the repairs, the owner will be encouraged to bill the family for the cost of the repairs and the family's file will be noted.

J. CONSEQUENCES IF FAMILY IS RESPONSIBLE [24 CFR 982.404(b)]

If emergency or non-emergency violations of HQS are determined to be the responsibility of the family, the PHA will require the family make any repair(s) or corrections within **thirty (30)** days. If the repair(s) or correction(s) are not made in this time period, the PHA will terminate assistance to the family, after providing an opportunity for an informal hearing. Extensions in these cases must be approved by The Executive Director. The owner's rent will not be abated for items, which are the family's responsibility.

If the tenant is responsible and corrections are not made, the HAP Contract will terminate when assistance is terminated.

Chapter 11

OWNER RENTS, RENT REASONABLENESS, AND PAYMENT STANDARDS

[24 CFR 982.502, 982.503, 982.504, 982.505, 982.507]]

INTRODUCTION

The policies in this chapter reflect the amendments to the HUD regulations, which were implemented by the Quality Housing and Work Responsibility Act of 1998 for the Section 8 Tenant-Based Assistance Program. These amendments became effective on October 1, 1999, which is referred to as the merger date. These amendments complete the merging of the Section 8 Certificate and Voucher Programs into one program, called the Housing Choice Voucher Program.

All Section 8 participant families have been transitioned to the Housing Choice Voucher Program on or before October 1, 2001. Rent calculation methods for the Housing Choice Voucher Program are described at [24 CFR 982.505]. The rent calculation formula is specific and is not subject to interpretation.

The PHA will determine rent reasonableness in accordance with [24 CFR 982.507(a)]. It is the PHA's responsibility to ensure that the rents charged by owners are reasonable based upon unassisted comparables in the rental market, using the criteria specified in [24 CFR 982.507(b)].

This Chapter explains the PHA's procedures for determination of rent-reasonableness, payments to owners, adjustments to the Payment Standards, and rent adjustments.

A. RENT TO OWNER IN THE HOUSING CHOICE VOUCHER PROGRAM

The Rent to Owner is limited only by rent reasonableness. The PHA must demonstrate that the Rent to Owner is reasonable in comparison to rent for other comparable unassisted units.

The only other limitation on rent to owner is the maximum rent standard at initial occupancy [24 CFR 982.508]. At the time a family initially receives tenant-based assistance for occupancy of a dwelling unit, whether it is a new admission or a move to a different unit, if the gross rent for the unit exceeds the applicable payment standard for the family, the family share may not exceed 40 percent of the family's monthly adjusted income.

During the initial term of the lease, the owner may not raise the rent to owner.

B. MAKING PAYMENTS TO OWNERS [24 CFR 982.451]

Once the HAP Contract is executed, the PHA begins processing payments to the landlord. A HAP Register will be used as a basis for monitoring the accuracy and timeliness of payments. Changes are made **manually** to the HAP Register for the following month. Checks are disbursed by **City of Pittsburg Finance Dept.** to the owner each month. Checks **may** be picked up by

owner at the PHA. **Checks will only be disbursed by the 10th of the month. Exceptions may be made with the approval of Executive Director in cases of hardship.**

Checks that are not received will not be replaced until a written request has been received from the payee and a stop payment has been put on the check.

Excess Payments

The total of rent paid by the tenant plus the PHA housing assistance payment to the owner may not be more than the rent to owner. The owner must immediately return any excess payment to the PHA.

Owners who do not return excess payments will be subject to penalties as outlined in the "Owner or Family Debts to the PHA" chapter of this Administrative Plan.

The PHA will not be obligated to pay any late payment penalty if HUD determines that late payment is due to factors beyond the PHA's control, such as a delay in the receipt of program funds from HUD. The PHA will use administrative fee income or the administrative fee reserve as its only source for late payment penalty.

The PHA will not use any program funds for the payment of late fee penalties to the owner.

C. RENT REASONABLENESS DETERMINATIONS [24 CFR 982.507]

Current SEMAP guidelines require PHAs to have a reasonable written methodology for determining rent reasonableness in its Administrative Plan.

The PHA will determine and document on a case-by-case basis that the approved rent is reasonable in comparison to rent for other comparable unassisted units in the market. This applies to all programs.

The PHA will not approve a lease until the PHA determines that the initial rent to owner is a reasonable rent. The PHA must redetermine the reasonable rent before any increase in the rent to owner, and if there is a five percent decrease in the published FMR in effect 60 days before the contract anniversary (for the unit size rented by the family) as compared with the FMR in effect one year before the contract anniversary.

The PHA must redetermine rent reasonableness if directed by HUD and based on a need identified by the PHA's auditing system. The PHA may elect to redetermine rent reasonableness at any other time. At all times during the assisted tenancy, the rent to owner may not exceed the reasonable rent as most recently determined or redetermined by the PHA.

The owner will be advised that by accepting each monthly housing assistance payment s/he will be certifying that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises.

If requested, the owner must give the PHA information on rents charged by the owner for other units in the premises or elsewhere. **The PHA will only request information on the owner's units elsewhere if the PHA has cause to demonstrate that the owner has a tendency to charge higher rents to program participants or if needed for rent reasonableness comparables.**

The data for other unassisted units will be gathered from **newspapers, Realtors, professional associations, inquiries of owners, market surveys, and other available sources.**

The market areas for rent reasonableness are **zip codes/subdivisions/census tracts/neighborhoods** within the PHA's jurisdiction. Subject units within a defined housing market area will be compared to similar units within the same area.

The following items will be used for rent reasonableness documentation:

- Size (number of Bedrooms/square footage)
- Location
- Quality
- Amenities (bathrooms, dishwasher, air conditioning, etc.)
- Housing Services
- Age of unit
- Unit Type
- Maintenance
- Utilities

Rent Reasonableness Methodology

Information is gathered on rental units in the City of Pittsburg's market area, using the PHA's rent reasonableness system. Using an automated method, the average rents are identified for units of like size and type within the same market area. Each defined factor of the items listed above on the unit to be assisted will be compared, using a point adjustment system, to those factors of comparable unassisted units in the database. The average will be adjusted up or down based on the dollar value of all HUD required comparable items in comparison with the total database.

The PHA maintains **an automated database** which includes data on unassisted units for use by staff in making rent reasonableness determinations. The data is updated on an ongoing basis and purged when it is more than **twelve (12)** months old.

D. PAYMENT STANDARDS FOR THE VOUCHER PROGRAM [24 CFR 982.503]

Copyright 1999 by Nan McKay & Associates

06/18/01 Admin Plan

To be reprinted only with permission of Nan McKay & Associates

Unlimited copies may be made for internal use

The Payment Standard is used to calculate the housing assistance payment for a family. In accordance with HUD regulation and at the PHA's discretion, the Voucher Payment Standard amount is set by the PHA between 90 percent and 110 percent of the HUD published FMR. This is considered the basic range. The PHA reviews the appropriateness of the Payment Standard annually when the FMR is published. In determining whether a change is needed, the PHA will ensure that the Payment Standard is always within the range of 90 percent to 110 percent of the new FMR, unless an exception payment standard has been approved by HUD.

The PHA will establish a single voucher payment standard amount for each FMR area in the PHA jurisdiction. For each FMR area, the PHA will establish payment standard amounts for each unit size. The PHA may have a higher payment standard within the PHA's jurisdiction if needed to expand housing opportunities outside areas of minority or poverty concentration, as long as the payment standard is within the 90-110% of FMR range.

The PHA may approve a higher payment standard within the basic range, if required as a reasonable accommodation for a family that includes a person with disabilities.

After the annual FMR's are published, the PHA will establish new payment standards. The new payment standards will not become effective until three months after they are adopted by the PHA Board. All calculations for rents will be completed at the reexamination time for each tenant.

E. ADJUSTMENTS TO PAYMENT STANDARDS [24 CFR 982.503]

Payment Standards may be adjusted, within HUD regulatory limitations, to increase Housing Assistance Payments in order to keep families' rents affordable. The PHA will not raise Payment Standards solely to make "high end" units available to Voucher holders. The PHA may use some or all of the measures below in making its determination whether an adjustment should be made to the Payment Standards.

Assisted Families' Rent Burdens

The PHA will review its voucher payment standard amounts at least annually to determine whether more than 40 percent of families in a particular unit size are paying more than 30% of their annual adjusted income for rent.

If it is determined that particular unit sizes in the PHA's jurisdiction have payment standard amounts that are creating rent burdens for families, the PHA will modify its payment standards for those particular unit sizes.

Quality of Units Selected

The PHA will review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that Payment Standard increases are only made when needed to reach the mid-range of the market.

PHA Decision Point

The PHA will review the average percent of income that families on the program are paying for rent. If more than **50%** of families are paying more than 30% of monthly adjusted income for a particular unit size, the PHA will determine whether families are renting units larger than their voucher size, and whether families are renting units which exceed HUD's HQS and any additional standards added by the PHA in this Administrative Plan.

If families are paying more than 30% of their income for rent due to the selection of larger bedroom size units or luxury units, the PHA may decline to increase the payment standard.

Rent to Owner Increases

The PHA may review a sample of the units to determine how often owners are increasing rents and the average percent of increase by bedroom size.

Time to Locate Housing

The PHA may consider the average time period for families to lease up under the Voucher program. If more than **25%** of Voucher holders are unable to locate suitable housing within the term of the voucher and the PHA determines that this is due to **25%** of rents in the jurisdiction being unaffordable for families even with the presence of a voucher the Payment Standard may be adjusted.

Lowering of the Payment Standard

Lowering of the FMR may require an adjustment of the Payment Standard. Additionally, statistical analysis may reveal that the Payment Standard should be lowered. In any case, the Payment Standard will not be set below 90 percent of the FMR without authorization from HUD.

Financial Feasibility

Before increasing the Payment Standard, the PHA may review the budget to determine the impact projected subsidy increases would have on funding available for the program and number of families served.

For this purpose, the PHA will compare the number of families who could be served under a higher Payment Standard with the number assisted under current Payment Standards.

File Documentation

A file will be retained by the PHA for at least three years to document the analysis and findings to justify whether or not the Payment Standard was changed.

F. EXCEPTION PAYMENT STANDARDS

If the dwelling unit is located in an exception area, the PHA must use the appropriate payment standard amount established by the PHA for the exception area in accordance with regulation [24 CFR 982.503 (c)]. **Not applicable to this PHA**

G. OWNER PAYMENT IN THE PREMERGER REGULAR CERTIFICATE PROGRAM [24 CFR 982. 308(g)]

The owner is required to notify the PHA, in writing, at least sixty days before any change in the amount of rent to owner is scheduled to go into effect. Any requested change in rent to owner will be subject to rent reasonableness requirements. See [24 CFR 982.503].

NOTE: Changes made 12/2004

Chapter 12

RECERTIFICATIONS

[24 CFR 982.516]

INTRODUCTION

In accordance with HUD requirements, the PHA will reexamine the income and household composition of all families at least annually. Families will be provided accurate annual and interim rent adjustments. Recertifications and interim examinations will be processed in a manner that ensures families are given reasonable notice of rent increases. All annual activities will be coordinated in accordance with HUD regulation. It is a HUD requirement that families report all changes in household composition. This Chapter defines the PHA's policy for conducting annual recertifications and coordinating annual activities. It also explains the interim reporting requirements for families, and the standards for timely reporting.

A. ANNUAL ACTIVITIES [24 CFR 982.516, 982.405]

There are two activities the PHA must conduct on an annual basis.

Recertification of Income and Family Composition

HQS Inspection

The PHA produces a monthly listing of units under contract to ensure that timely reviews of housing quality and factors related to Total Tenant Payment/Family Share can be made.

Reexamination of the family's income and composition must be conducted at least annually.

Annual inspections: See "Housing Quality Standards and Inspections" chapter.

Rent Adjustments: See "Owner Rents, Rent Reasonableness and Payment Standards" chapter.

B. ANNUAL RECERTIFICATION/REEXAMINATION [24 CFR 982.516]

Families are required to be recertified at least annually.

Moves Between Reexaminations

When families move to another dwelling unit:

A recertification will be scheduled unless recertification has occurred in the last 120 days. The anniversary date will not be changed.

Income limits are not used as a test for continued eligibility at recertification.

Reexamination Notice to the Family

The PHA will maintain a reexamination tracking system and the household will be notified by mail of the date and time for their interview at least **90** days in advance of the anniversary date. If requested as an accommodation by a person with a disability, the PHA will provide the notice in an accessible format. The PHA will also mail the notice to a third party, if requested as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

Procedure

The PHA's procedure for conducting annual recertifications will be:

Schedule the date and time of appointments and mail a notification to the family.

Completion of Annual Recertification

The PHA will have all recertifications for families completed before the anniversary date. This includes notifying the family of any changes in rent at least 30 days before the scheduled date of the change in family rent.

Persons with Disabilities

Persons with disabilities who are unable to come to the PHA's office will be granted an accommodation by conducting the interview **at the person's home**, upon verification that the accommodation requested meets the need presented by the disability.

Collection of Information [24 CFR 982.516(f)]

PHAs utilize two basic methods of data collection: 1) PHA allows the family to complete a recertification form, then reviews the form with the family; or 2) The housing interviewer interviews the family, asks the questions and records the answers on the recertification forms. This system utilizes the Personal Declaration Form so that the PHA has information in the family representative's own handwriting.

The PHA has established appropriate recertification procedures necessary to ensure that the income data provided by families is complete and accurate.

The PHA will require the family to complete a Personal Declaration Form prior to all recertification interviews.

Requirements to Attend

The following family members will be required to attend the recertification interview:

The head of household only

If the head of household is unable to attend the interview:

The appointment will be rescheduled, or

The spouse/co-head may recertify for the family, provided that the head comes in within seven days to recertify and sign necessary paperwork.

Failure to Respond to Notification to Recertify

The written notification must state which family members are required to attend the interview. The family may call to request another appointment date up to **two (2)** days prior to the interview.

If the family does not appear for the recertification interview, and has not rescheduled or made prior arrangements with the PHA, the PHA **will not reschedule** a second appointment.

The PHA will send family notice of termination and offer them an informal hearing

Exceptions to these policies may be made by the Executive Director if the family is able to document an emergency situation that prevented them from canceling or attending the appointment or if requested as a reasonable accommodation for a person with a disability.

Documents Required From the Family

A Document listing will be provided to the family the date of recertification allowing an additional seven days to provide documents. At that time, family will be asked to provide the following:

- **Personal Declaration Form completed by head of household day of recertification.**
- **Driver's License**
- **Social Security Cards**
- **Birth Certificates**
- **Other documents depending on the family situation to be determined by PHA**

Verification of Information

The PHA will follow the verification procedures and guidelines described in this Plan. Verifications for reexaminations must be less than **120** days old.

Tenant Rent Increase

If tenant rent increases, a thirty-day notice is mailed to the family prior to the scheduled effective date of the annual recertification.

If less than thirty days are remaining before the scheduled effective date of the annual recertification, the tenant rent increase will be effective on the first of the month following the thirty-day notice.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the reexamination processing, there will be a retroactive increase in rent to the scheduled effective date of the annual recertification.

Tenant Rent Decreases

If tenant rent decreases, it will be effective on the anniversary date.

If the family causes a delay so that the processing of the reexamination is not complete by the anniversary date, rent change will be effective on the first day of the month following completion of the reexamination processing by the PHA.

C. REPORTING INTERIM CHANGES- HOUSEHOLD AND INCOME [24 CFR 982.516]

Program participants must report all changes in household composition to the PHA between annual reexaminations. This includes additions due to birth, adoption and court-awarded custody. The family must obtain PHA approval prior to all other additions to the household.

If any new family member is added, family income must include any income of the new family member. The PHA will conduct a reexamination to determine such additional income and will make the appropriate adjustments in the housing assistance payment and family unit size.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular recertification after moving into the unit.

Refer to Chapter 15 “Denial or Termination of Assistance” ; One Strike Policy under Proposed Additions to the Family and when a Family member moves out to further determine policy on adding family members.

Increases in Income

HUD permits PHAs to decide if increases in income and assets must be reported by the family, when increases must be reported, and whether or not interim adjustments will be done when there is an increase in income. Even if the PHA does not do interim adjustments when families have an increase in income, the PHA can still require families to report any increases.

Interim Reexamination Policy

The PHA **will not** conduct interim reexaminations when families have an increase in income.

Families will be required to report all increases in income/assets within thirty (30) days of the increase between regular reexams with no interim reexam being conducted until the next annual reexam.

Decreases in Income

Participants may report a decrease in income and other changes which would reduce the amount of tenant rent, such as an increase in allowances or deductions. The PHA must calculate the change if a decrease in income is reported. See D for Zero income reporting.

PHA Errors

If the PHA makes a calculation error at admission to the program or at an annual reexamination, an interim reexamination will be conducted, if necessary, to correct the error, but the family will not be charged retroactively. Families will be given decreases, when applicable; retroactive to when the decrease for the change would have been effective if calculated correctly.

D. OTHER INTERIM REPORTING ISSUES

An interim reexamination does not affect the date of the annual recertification.

An interim reexamination will be scheduled for families with **zero/unstable** income every **30** days.

Any written changes reported by participants other than those listed in this section **will be noted in the file staff person but** will not be processed between regularly scheduled annual recertifications.

E. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS [24 CFR 5.615]

The QHWRA establishes new requirements for the treatment of income changes resulting from welfare program requirements.

The PHA will not reduce the family share of rent for families whose welfare assistance is reduced due to a “specified welfare benefit reduction”, which is a reduction in benefits by the welfare agency specifically because of:

Fraud in connection with the welfare program; or

Noncompliance with a welfare agency requirement to participate in an economic self – sufficiency program

However, the PHA will reduce the rent if the welfare assistance reduction is a result of:

The expiration of a lifetime time limit on receiving benefits; or

A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, or

A situation where a family member has not complied with other welfare agency requirements.

Definition of Covered Family

A household that receives benefits for welfare or public assistance from a State or public agency program which requires, as a condition of eligibility to receive assistance, the participation of a family member in an economic self-sufficiency program.

Definition of “Imputed Welfare Income”

The amount of annual income, not actually received by a family, as a result of a specified welfare benefit reduction, that is included in the family’s income for purposes of determining rent.

The amount of imputed welfare income is determined by the PHA, based on written information supplied to the PHA by the welfare agency, including:

The amount of the benefit reduction

The term of the benefit reduction

The reason for the reduction

Subsequent changes in the term or amount of the benefit reduction

The family’s annual income will include the imputed welfare income, as determined at the family’s annual or interim reexamination, during the term of the welfare benefits reduction (as specified by the welfare agency).

The amount of imputed welfare income will be offset by the amount of additional income the family receives that commences after the sanction was imposed. When additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income will be reduced to zero.

If the family was not an assisted resident when the welfare sanction began, imputed welfare income will not be included in annual income.

If the family claims the amount of imputed welfare income has been calculated incorrectly, the **Executive Director** will review the calculation for accuracy. If the imputed welfare income amount is correct, the PHA will provide a written notice to the family that includes:

A brief explanation of how the amount of imputed welfare income was determined;

A statement that the family may request an informal hearing if they do not agree with the PHA determination.

Verification Before Denying a Request to Reduce Rent

The PHA will obtain written verification from the welfare agency stating that the family's benefits have been reduced due to fraud or noncompliance with welfare agency economic self-sufficiency or work activities requirements before denying the family's request for rent reduction.

The PHA will rely on welfare agency's written notice to the PHA regarding welfare sanctions.

Cooperation Agreements [24 CFR 5.613]

The PHA has a rapport with the local welfare agency under which the verifications are timely.

To provide written verification to the PHA concerning welfare benefits for applicant and participant families, and specified reduction in welfare benefits for a family member, listing: amount of reduction; reason for reduction; term of reduction, and subsequent re-determination.

The PHA will rely on the welfare agency's written notice regarding the amount of specified benefit reduction.

Family Dispute of Amount of Imputed Welfare Income

If the family disputes the amount of imputed income and the PHA denies the family's request to modify the amount, the PHA will provide the tenant with a notice of denial, which will include:

An explanation for the PHA's determination of the amount of imputed welfare income

A statement that the tenant may request an informal hearing.

G. NOTIFICATION OF RESULTS OF RECERTIFICATIONS [HUD Notice PIH 98-6]

The HUD form 50058 will be completed and transmitted as required by HUD.

The Notice of Rent Change is mailed to the owner and the tenant. Signatures **are not** required by the PHA. If the family disagrees with the rent adjustment, they may request an informal hearing.

H. CHANGES IN VOUCHER SIZE AS A RESULT OF FAMILY COMPOSITION CHANGES [24 CFR 982.516(c)]

(See "Subsidy Standards" chapter.)

I. CONTINUANCE OF ASSISTANCE FOR "MIXED" FAMILIES [24 CFR 5.518]

If the PHA implemented the Noncitizens Rule on or after November 29, 1996, mixed families may receive prorated assistance only

Under the Noncitizens Rule, "Mixed" families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

The Noncitizens Rule was implemented on or after November 29, 1996, and mixed families may receive prorated assistance only.

The head of household or spouse is a U.S. citizen or has eligible immigrant status;

AND

All members of the family other than the head, the spouse, parents of the head or the spouse, and children of the head or spouse are citizens or eligible immigrants. The family may change the head of household to qualify under this provision.

J. MISREPRESENTATION OF FAMILY CIRCUMSTANCES

If any participant deliberately misrepresents the information on which eligibility or tenant rent is established, the PHA may terminate assistance and may refer the family file/record to the proper authorities for appropriate disposition. (See Program Integrity Addendum.)

Chapter 13

MOVES WITH CONTINUED ASSISTANCE/PORTABILITY

[24 CFR 982.314, 982.353, 982.355(a)]

INTRODUCTION

HUD regulations permit families to move with continued assistance to another unit within the PHA's jurisdiction, or to a unit outside of the PHA's jurisdiction under Portability procedures. The regulations also allow the PHA the discretion to develop policies, which define any limitations or restrictions on moves. This Chapter defines the procedures for moves, both within and outside of, the PHA's jurisdiction, and the policies for restriction and limitations on moves.

A. ALLOWABLE MOVES

A family may move to a new unit with continued assistance if:

The assisted lease for the old unit has terminated because the PHA has terminated the HAP contract for owner breach, or the lease was terminated by mutual agreement of the owner and the family.

The owner has given the family a notice to vacate, or has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the family (unless assistance to the family will be terminated).

The family has given proper notice of lease termination (and if the family has a right to terminate the lease on notice to owner).

The family has no lease or family obligation violations and remains in good standing with the Landlord. (This must be verified with the landlord.)

B. RESTRICTIONS ON MOVES [24 CFR 982.314, 982.552(a)]

Families will not be permitted to move within the PHA's jurisdiction during the initial year of assisted occupancy.

Families will not be permitted to move outside the PHA's jurisdiction under portability procedures during the initial year of assisted occupancy.

Families will not be permitted to move more than once in a 12-month period.

The PHA will deny permission to move if there is insufficient funding for continued assistance.

Requests to move will be accepted during the annual recertification process.

The PHA may deny permission to move if:

The family has violated a Family Obligation.

The family is not in good standing with the Landlord; owes money to the Landlord for unpaid rents or leaves the home in poor condition. (both must be verified by the Landlord)

The family has moved or a Voucher has been issued within the last twelve months.

The Executive Director may make exceptions to these restrictions if there is an emergency reason for the move over which the participant has no control.

C. PROCEDURE FOR MOVES [24 CFR 982.314]

Issuance of Voucher

Subject to the restrictions on moves, if the family has not been recertified within the last **120** days, the PHA will issue the voucher to move **after conducting the recertification/as soon as the family requests the move.**

If the family does not locate a new unit, they may remain in the current unit so long as the owner permits.

Notice Requirements

Briefing sessions emphasize the family's responsibility to give the owner and the PHA proper written notice of any intent to move.

The family must give the owner the required number of days written notice of intent to vacate specified in the lease and must give a copy to the PHA simultaneously.

Time of Contract Change

A move within the same building or project, or between buildings owned by the same owner, will be processed like any other move **except that there will be no overlapping assistance.**

In a move, assistance stops at the old unit at the end of the month in which the tenant ceased to occupy, unless proper notice was given to end a lease midmonth. Assistance will start on the new unit on the effective date of the lease and contract. Assistance payments may overlap for the month in which the family moves.

D. PORTABILITY [24 CFR 982.353]

Portability applies to families moving out of or into the PHA's jurisdiction within the United States and its territories.

E. OUTGOING PORTABILITY [24 CFR 982.353, 982.355]

Within the limitations of the regulations and this policy, a participant family has the right to receive tenant-based voucher assistance to lease a unit outside the PHA's jurisdiction, anywhere in the United States, in the jurisdiction of a PHA with a tenant-based program. When a family requests to move outside of the PHA's jurisdiction, the request must specify the area to which the family wants to move.

If there is more than one PHA in the area in which the family has selected a unit, the initial PHA will choose the receiving PHA.

Restrictions on Portability

Applicants

If neither the head or spouse had a domicile (legal residence) in the PHA's jurisdiction at the date of their initial application for assistance, the family **will not** be permitted to exercise portability upon initial issuance of a voucher, unless the PHA approves such move. [NOTE: legal domicile is defined by local government.]

For a portable family that was not already receiving assistance in the PHA's based program, the PHA must determine whether the family is eligible for admission under the receiving PHA's program.

Participants

After an applicant has leased-up in the jurisdiction of the initial housing agency, they cannot exercise portability during the first year of assisted occupancy, except in the following circumstances.

The receiving and initial PHA agree to allow the move.

The family's move relates to an opportunity for education, job training or employment.

The PHA will not permit families to exercise portability:

If the family is in violation of a family obligation.

If the family owes money to the Landlord for unpaid rent and has not entered into a repayment agreement.

If the family has moved out of its assisted unit in violation of the lease.

Receiving PHA's will be required to submit hearing determinations to the PHA within **ninety 90** days.

F. INCOMING PORTABILITY [24 CFR 982.354, 982.355]

Absorption or Administration

The PHA will accept a family with a valid Voucher from another jurisdiction and administer or absorb the Voucher. If administering, the family will be issued a "Portable" Voucher by the PHA. The term of the voucher will not expire before the expiration date of any initial PHA voucher. The family must submit a request for approval of tenancy for an eligible unit to the receiving PHA during the term of the receiving PHA voucher. The receiving PHA may grant extensions in accordance with this Administrative Plan. However, if the Family decides not to lease-up in the PHA's jurisdiction, they must contact the initial PHA to request an extension.

The PHA may absorb Vouchers if such absorption does not exceed **Fifteen (15)%** of households assisted.

The PHA will absorb all incoming portable families provided that there is funding available.

When the PHA does not absorb the incoming Voucher, it will administer the Initial PHA's Voucher and the receiving PHA's policies will prevail.

For admission to the program a family must be income eligible in the area where the family initially leases a unit with assistance under the program.

The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA Section 8 tenant-based program.

The PHA will issue a "Portability Voucher" according to its own Subsidy Standards. If the Family has a change in family composition which would change the Voucher size, the receiving PHA will change to the proper size based on its own Subsidy Standards.

Income and Total Tenant Payment of Incoming Portables [982.353(d)]

As receiving PHA, the PHA will conduct a recertification interview but only verify the information provided if the documents are missing or over 120 days old, whichever is applicable, or there has been a change in the family's circumstances.

If the PHA conducts a recertification of the family it will not cause a delay in the issuance of a voucher.

If the family's income is such that a \$0 subsidy amount is determined prior to lease-up in the PHA's jurisdiction, the PHA will refuse to enter into a contract on behalf of the family at \$0 assistance.

Requests for Tenancy Approval

A briefing will be conducted for all portability families.

When the Family submits a Request for Tenancy Approval, it will be processed using the PHA's policies. If the Family does not submit a Request for Tenancy Approval or does not execute a lease, the initial PHA will be notified within **thirty (30)** days of the expiration date of the voucher by the receiving PHA.

If the Family leases up successfully, the PHA will notify the Initial PHA within **thirty (30)** days, and the billing process will commence.

The PHA will notify the initial PHA if the family fails to submit a request for approval of tenancy for an eligible unit within the term of the voucher.

If the PHA denies assistance to the family, the PHA will notify the Initial PHA within **thirty (30)** days and the family will be offered a review or hearing.

The PHA will notify the Family of its responsibility to contact the Initial PHA if the Family wishes to move outside the PHA's jurisdiction under continued portability.

Regular Program Functions

The PHA will perform all program functions applicable the tenant-based assistance program, such as:

Annual reexaminations of family income and composition;

Annual inspection of the unit; and

Interim Examinations when requested or deemed necessary by the PHA

Terminations

The PHA will notify the Initial PHA in writing of any termination of assistance within **thirty (30)** days of the termination. If an Informal Hearing is required and requested by the Family, the hearing will be conducted by the PHA, using the regular hearing procedures included in this Plan. A copy of the hearing decision will be furnished to the Initial PHA.

The Initial PHA will be responsible for collecting amounts owed by the Family for claims paid and for monitoring repayment. If the Initial PHA notifies the PHA that the Family is in arrears or the Family has refused to sign a Payment Agreement, the PHA will terminate assistance to the family.

Required Documents

As Receiving PHA, the PHA will require the documents listed on the HUD Portability Billing Form from the Initial PHA.

Billing Procedures

As Receiving PHA, the PHA will bill the Initial PHA **monthly** for Housing Assistance Payments. The billing cycle for other amounts, including Administrative Fees and Special Claims will be **monthly** unless requested otherwise by the Initial PHA.

The PHA will bill 100% of the Housing Assistance Payment, 100% of Special Claims and 80% of the Administrative Fee (at the Initial PHA's rate) for each "Portability" Voucher leased as of the first day of the month.

The PHA will notify the Initial PHA of changes in subsidy amounts and will expect the Initial PHA to notify the PHA of changes in the Administrative Fee amount to be billed.

NOTE: Changes highlighted were adopted 12/2004

Chapter 14

CONTRACT TERMINATIONS

[24 CFR 982.311, 982.314]

INTRODUCTION

The Housing Assistance Payments (HAP) Contract is the contract between the owner and the PHA which defines the responsibilities of both parties. This Chapter describes the circumstances under which the contract can be terminated by the PHA and the owner, and the policies and procedures for such terminations.

A. CONTRACT TERMINATION [24 CFR 982.311]

The term of the HAP Contract is the same as the term of the lease. The Contract between the owner and the PHA may be terminated by the PHA, or by the owner or tenant terminating the lease.

No future subsidy payments on behalf of the family will be made by the PHA to the owner after the month in which the Contract is terminated. The owner must reimburse the PHA for any subsidies paid by the PHA for any period after the contract termination date.

If the family continues to occupy the unit after the Section 8 contract is terminated, the family is responsible for the total amount of rent due to the owner. The owner will have no right to claim compensation from the PHA for vacancy loss under the provisions of Certificate HAP contracts effective before October 2, 1995.

After a contract termination, if the family meets the criteria for a move with continued assistance, the family may lease-up in another unit. The contract for the new unit may begin during the month in which the family moved from the old unit.

B. TERMINATION BY THE FAMILY: MOVES [24 CFR 982.314(c)(2)]

Family termination of the lease must be in accordance with the terms of the lease.

C. TERMINATION OF TENANCY BY THE OWNER: EVICTIONS

[24 CFR 982.310, 982.455]

If the owner wishes to terminate the lease, the owner must provide proper notice as stated in the lease.

During the term of the lease, the owner may not terminate the tenancy except for the grounds stated in the HUD regulations.

During the term of the lease the owner may only evict for:

Serious or repeated violations of the lease, including but not limited to failure to pay rent or other amounts due under the lease, or repeated violation of the terms and conditions of the lease;

Violations of federal, state or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises; or Criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other residents, or persons residing in the immediate vicinity of the premises or any drug-related criminal activity on or near the premises.

Other good cause.

During the initial term of the lease, the owner may not terminate the tenancy for other good cause unless the owner is terminating the tenancy because of something the family did or failed to do (see 982.310)

Evidence of Criminal Activity

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines they have engaged in the criminal activity

Regardless of arrest or conviction

Without satisfying the standard of proof used for a criminal conviction

Termination of Tenancy Decisions

If the law and regulation permit the owner to take an action but don't require action to be taken, the owner can decide whether to take the action. Relevant circumstances for consideration include:

The seriousness of the offense

The effect on the community

The extent of participation by household members

The effect on uninvolved household members

The demand for assisted housing by families who will adhere to responsibilities

The extent to which leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action

Exclusion of culpable household member

The owner may require a tenant to exclude a household member in order to continue to reside in the assisted unit.

Consideration of Rehabilitation

When determining whether to terminate the tenancy for illegal drug use or alcohol abuse, the owner may consider whether the member:

In no longer participating

Has successfully completed a supervised drug or alcohol rehab program

Has otherwise been successfully rehabilitated

The owner may require the tenant to submit evidence of any of the three (above).

Actions of termination by the owner must be consistent with the fair housing and equal opportunities as stated in 24 CFR 5.105.

The owner must provide the tenant a written notice specifying the grounds for termination of tenancy, at or before the commencement of the eviction action. The notice may be included in , or may be combined with, any owner eviction notice to the tenant.'

The owner eviction notice means a notice to vacate, or a complaint, or other initial pleading used under State or local law to commence an eviction action.

Housing assistance payments are paid to the owner under the terms of the HAP contract. If the owner has begun eviction and the family continues to reside n the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

The PHA must continue making housing assistance payments to the owner in accordance with the contract as long as the tenant continues to occupy the unit and the contract is not violated. By endorsing the monthly check from the PHA, the owner certifies that the tenant is still in the unit, the rent is reasonable and s/he is in compliance with the contract.

If and eviction is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance.

D. TERMINATION OF THE CONTRACT BY PHA [24 CFR 982.404(a), 982.453, 982.454, 982.552(a)(3)]

The term of the HAP contract terminates when the lease terminates, when the PHA terminates program assistance for the family, and when the owner has breached the HAP contract. (See "Owner Disapproval and Restriction" chapter)

The PHA may also terminate the contract if:

The PHA terminates assistance to the family.

The family is required to move from a unit when the unit does not meet the HQS space standards because of an increase in family size or a change in family composition.

Funding is no longer available under the ACC.

The contract will terminate automatically if 180 days have passed since the last housing assistance payment to the owner.

Notice of Termination

When the PHA terminates the HAP contract under the violation of HQS space standards, the PHA will provide the owner and family written notice of termination of the contract, and the HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives such notice to the owner.

Chapter 15

DENIAL OR TERMINATION OF ASSISTANCE

[24 CFR 5.902, 5.902, 5.903, 5.905, 982.4, 982.54, 982.552, 982.553]

INTRODUCTION

The PHA may deny or terminate assistance for a family because of the family's action or failure to act. The PHA will provide families with a written description of the Family Obligations under the program, the grounds under which the PHA can deny or terminate assistance, and the PHA's informal hearing procedures. This Chapter describes when the PHA is required to deny or terminate assistance, and the PHA's policies for the denial of a new commitment of assistance and the grounds for termination of assistance under an outstanding HAP contract.

A. GROUNDS FOR DENIAL/TERMINATION [24 CFR 982.54, 982.552, 982.553]

If denial or termination is based upon behavior resulting from a disability, the PHA will delay the denial or termination in order to determine if there is an accommodation that would negate the behavior resulting from the disability.

Form of Denial/Termination

Denial of assistance for an **applicant** may include any or all of the following:

- Denial for placement on the PHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a tenancy
- Refusing to process or provide assistance under portability procedures

Termination of assistance for a **participant** may include any or all of the following:

- Refusing to enter into a HAP contract or approve a tenancy
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

Mandatory Denial and Termination [24 CFR 982.54 (d), 982.552(b), 982.553(a), 982.553(b)]

The PHA **must** permanently deny assistance to applicants, and terminate the assistance of persons convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing.

The PHA **must** deny admission to the program for applicants, and terminate assistance for program participants if the PHA determines that any household member is currently engaging in illegal use of a drug. **See Section B of this chapter for the PHA's established standards.**

The PHA **must** deny admission to the program for an applicant or terminate program assistance for a participant if any member of the family fails to sign and submit consent forms for obtaining information.

The PHA **must** deny admission or terminate assistance when required under the regulations to establish citizenship or eligible immigration status.

The PHA **must** deny admission to an applicant if the PHA determines that any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. **See section B of this chapter for the PHA's established standards** regarding criminal background investigation and determining whether a member of the household is subject to a lifetime registration requirement under a State sex offender registration program.

The PHA **must** terminate assistance for participants if the family is under contract and 180 day (or 12 months, depending on the HAP contract used) have elapsed since the PHA's last housing assistance payment was made. (See "Contract Termination: chapter.):

The PHA **must** terminate program assistance for a family evicted from housing assisted under the program for serious violation of the lease.

Grounds for Denial or Termination of Assistance [24 CFR 982.552(c)]

The PHA will deny program assistance for an applicant, or terminate program assistance for a participant, for any of the following reasons:

The family violates any family obligation under the program as listed in 24 CFR 982.551.

If any family member has violated the family obligation under 24 CFR 982.551 not to engage in any drug-related criminal activity.

If any family member has violated the family obligation under 24 CFR 682.551 not to engage in any violent criminal activity.

Any member of the family has ever been evicted from federally assisted housing in the last five years.

If any PHA has ever terminated assistance under the program for any member of the family.

If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.

The family currently owes rent or other amounts to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.

The family breaches an agreement with a PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA. The PHA at its discretion may offer the family the opportunity to enter into a repayment agreement. The PHA will prescribe the terms of the agreement. (See "Repayment Agreements" Chapter 18 "Owner or Family Debts to the PHA".)

The family has engaged in or threatened abusive or violent behavior toward PHA personnel.

"Abusive or violent behavior towards PHA personnel" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination or denial.

"Threatening" refers to oral or written threats or physical gestures that communicate an intent to abuse or commit violence.

Actual physical abuse or violence will always be cause for termination.

If any member of the family engages in, or has engaged in drug or alcohol abuse that interferes with the health, safety or peaceful enjoyment of other residents. **See section B** of this chapter.

If any member of the family commits drug-related criminal activity, or violent criminal activity. **(See Section B of this chapter and 982.553 of the regulations)**

Refer to "Eligibility for Admission" chapter, Other Criteria for Admission section for further information.

B. SCREENING/DENIAL OF ASSISTANCE AND TERMINATION FOR DRUG ABUSE AND OTHER CRIMINAL ACTIVITY

Purpose

All federally assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of **Pittsburg Public Housing Agency (PPHA)** to fully endorse and implement a policy designed to:

Help create and maintain a safe and drug-free community

Keep our program participants free from threats to their personal and family safety

Support parental efforts to instill values of personal responsibility and hard work

Help maintain an environment where children can live safely, learn and grow up to be productive citizens

Assist families in their vocational/educational goals in the pursuit of self-sufficiency

Administration

All screening and termination of assistance procedures shall be administered fairly and in such a way as not to violate rights to privacy or discriminate on the basis of race, color, nationality, religion, familial status, disability, **sex** or other legally protected groups.

To the maximum extent possible, the PHA will involve other community and governmental entities in the promotion and enforcement of this policy.

Standard for Violation

The PHA will deny participation in the program to applicants and terminate assistance to participants in cases where the PHA determines there is reasonable cause to believe that a household member is illegally using a drug or if the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents, including cases where the PHA determines that there is a pattern of illegal use of a drug or a pattern of alcohol abuse.

The PHA will consider the use of a controlled substance or alcohol to be a pattern if there is more than one incident during the previous twelve months.

Engaged in or engaging in violent criminal activity means any act within the past **three** years by an applicant or participant, household member which involved criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage, which did or did not result in the arrest and/or conviction of the applicant, participant, or household member.

Any family member is engaging in the activity.

The existence of the above-referenced behavior by any household member, regardless of the applicant or participant's knowledge of the behavior, shall be grounds for denial or termination of assistance.

In evaluating evidence of negative past behavior, the PHA will give fair consideration to the seriousness of the activity with respect to how it would affect other residents, and/or likelihood of favorable conduct in the future which could be supported by evidence of rehabilitation.

SCREENING OF APPLICANTS

The owner is responsible for screening the tenant.

The PPHA has no liability or responsibility to the owner or other persons for the family's behavior or conduct while in tenancy.

In an effort to prevent future drug related and other criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or right to peaceful enjoyment of the premises by other residents, and as required by 24 CFR 982, Subpart L and CFR Part 5, Subpart J, the PHA will endeavor to screen applicants as thoroughly and fairly as possible **for drug-related and criminal behavior..**

Screening will apply to any member of the household who is 18 years of age or older.

A signed criminal release form will be sent to the local police department for criminal activity screening.

Ineligibility for admission if evicted from federally assisted housing because of:

Drug-Related Activity:

Persons **evicted from federally assisted housing** because of drug-related criminal activity are ineligible for admission to the Section 8 program for a **three-year period** beginning on the date of such eviction.

Violent Criminal Activity

Arrested/Convicted/Evicted from **Federally assisted housing for violent criminal activity within the last three (3) years prior to the date of the certification interview.**

HUD regulations at 982.553(a)(1)(I) allow the PHA to admit a household in less than 3 years following **eviction for drug-related criminal activity under the conditions below. The PHA is not required to adopt the exceptions below, but may choose to do so. If the PHA does adopt a policy containing all or part of the provisions below, the PHA will still have discretion in determining whether to waive denial in individual cases.*

The household may be admitted if the PHA determines that:

The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the PHA.

The circumstances leading to eviction no longer exist because:

- *The criminal household member has completed a diversion program**
- *The criminal household member has documentation that charges were dropped**
- *The criminal household member has died.**
- *The criminal household member is imprisoned.**

Denial of Assistance for Sex Offenders

The PHA will deny admission if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. In screening applicants, the PHA will perform criminal history background checks to determine whether any household member is subject to a lifetime sex offender registration requirement.

Denial of Assistance for drug/alcohol abuse and other criminal activity (cfr 982.553(a)(2)(ii))

The PPHA **may** prohibit admission of a household if the PPHA determines that any household member is currently engaged in or has engaged in criminal activity during a **36 month** period before admission that:

- Is drug related
- Is violent
- May threaten the health, safety or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity
- May threaten the health or safety of the owner, property management staff or persons performing work on behalf of the PPHA

For an admission decision based on illegal use of drugs or alcohol abuse by a family member who no longer engages in such behavior, the PPHA may consider whether the member:

- Has successfully completed a rehabilitation program
- Is currently participating in a rehabilitation program
- Has otherwise been successfully rehabilitated
- Has completed a diversion program
- Has documentation that charges were dropped

The PPHA will require the family member to submit documentation of any of the above considerations.

For an admission decision based on criminal activity by a family member who no longer engages in such behavior, the PPHA may consider whether:

- The criminal household member has documentation that charges were dropped
- The criminal household member has completed all conditions of probation and is no longer subject to probation
- The criminal household member has died
- The criminal household member is imprisoned

Denial decisions for a family that includes a disabled person are subject to consideration of reasonable accommodations (in accordance with CFR Part 8).

Denial decisions will be consistent with fair housing and equal opportunity provisions (CFR 5.101).

When deciding to deny admission because of action or failure to act by members of the family, the PPHA has the discretion of considering circumstances including:

- The seriousness of the case
- The extent of participation or culpability of family members
- Mitigation circumstances relating to the disability of a family member
- The effect that denial of admission would have on other members of the family who were not involved in the action or failure to act

If the PPHA previously denied admission to a household due to criminal activity, the PPHA may reconsider the applicant if there is “sufficient evidence” that members of the household:

- Are not currently engaging in such criminal activity
- Have not engaged in such criminal activity during a **12 month** period prior to admission

“Sufficient evidence” might consist of a certification by a household member with supporting documentation from one of the following sources:

- Probation officer
- Landlord
- Neighbors
- Social service agency workers
- Criminal records

The term “currently engaging in” for PPHA denial decisions refers to behavior occurring recently enough to justify a reasonable belief that the behavior is current.

Confidentiality of Criminal Records

The PPHA will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose for which it was requested is accomplished.

If the family is determined not to be eligible for assistance, the criminal report shall be shredded as soon as the information is no longer needed for eligibility determination and the review procedure and final decision have been made.

The PPHA will document in the family’s file the circumstances of the criminal report and the date the report was destroyed.

Notice of assistance denial

In any case where the PPHA decides to deny assistance to a family, the PPHA must give the family written notice which states:

- The reason(s) for denial of assistance
- The effective date the application is being placed inactive
- The family’s right, if they disagree, to request an informal review
- The date by which a request for an informal review must be received by the PPHA

TERMINATION OF ASSISTANCE FOR PARTICIPANTS

Termination of Assistance for Drug-related Criminal Activity or Violent Criminal Activity:

Under the family obligations listed at 24 CFR 982.551, the members of the household must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. HUD regulations at 24 CFR 982.553(b) requires the PHA to establish standards for termination of assistance when this family obligation is violated. The Pittsburg Public Housing Agency has established the following standards for termination of assistance for the family when a household member has violated the family obligation to refrain from participating in drug-related or violent criminal activity.

Assistance will be terminated for participants who have been:

Arrested/convicted/evicted from a unit assisted under any Federally assisted housing program for drug-related or violent criminal activity during participation in the program, and within the last 12 months prior to the date of the notice to terminate assistance.

If any member of the household violates the family obligations by engaging in drug-related or violent criminal activity, the PHA will terminate assistance.

In appropriate cases, the PHA may permit the family to continue receiving assistance provided that family members determined to have engaged in the activities will not reside in the unit. If the violating member is a minor, the PHA may consider individual circumstances with the advice of Juvenile Court officials.

The PHA may waive the requirement regarding drug-related criminal activity if:

The criminal household member demonstrates successful completion of a credible rehabilitation program approved by the PHA.

The criminal household member has documentation that charges were dropped

The criminal household member has completed a diversion program

The criminal household member has died

The criminal household member is imprisoned

Terminating Assistance for Alcohol Abuse by Household Members

Under the family obligations listed at 24 CFR 982.551, the members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other

residents and persons residing in the immediate vicinity of the premises. Assistance will be terminated due to violation of a family obligation if the PHA determines that a member of the household has demonstrated a pattern of alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

Assistance will be terminated if a household member is arrested/convicted/incarcerated for any alcohol-related criminal activity on or near the premises within a 12-month period.

After considering the individual circumstances of the household, the PHA may permit the family to continue receiving assistance if the PHA determines that:

The household member has successfully completed a credible rehabilitation program approved by the PHA.

The household member has completed a diversion program

The household member will not reside in the unit

If the violating member is a minor, the PHA may consider individual circumstances with the advice of Juvenile Court officials.

Notice of Termination of Assistance

In any case where the PHA decides to terminate assistance to the family, the PHA must give the family written notice that states:

The reason(s) for the proposed termination,

The effective date of the proposed termination,

The family's right, if they disagree, to request an Informal Hearing to be held before termination of assistance.

The date by which a request for an informal hearing must be received by the PHA.

If the PHA proposes to terminate assistance for criminal activity as shown by a criminal record, the PHA will provide the subject of the record and the tenant with a copy of the criminal record.

The PHA will simultaneously provide written notice of the contract termination to the owner so that it will coincide with the Termination of Assistance. The Notice to the owner will not include any details regarding the reason for termination of assistance.

Required Evidence

Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Credible evidence may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

The PPHA will check the local newspaper or police department reports to determine if any local arrests have been made. Evidence showing any *violent criminal activity gathered from the documents will result in termination of assistance.

***Violent criminal activity shall be any activity charges which uses the term battery, assault or abuse.**

The PHA will pursue fact-finding efforts as needed to obtain credible evidence.

The PHA may terminate assistance for criminal activity by a household member under this section if the PHA has determined that the household member has engaged in the criminal activity, regardless of whether the household member has been arrested or convicted for such activity. **The household member will be given a period of ninety (90) days to supply evidence of the activity's outcome to reverse the PHA's decision to terminate; e.i., charges dropped.**

Confidentiality of Criminal Records

The PHA will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose for which it was requested is accomplished.

If the family is determined eligible for continued assistance, the criminal report shall be shredded as soon as the information is no longer needed for eligibility or continued assistance determination.

If the family's assistance is terminated, the criminal record information shall be shredded immediately upon completion of the review or hearing procedures and a final decision has been made.

The PHA will document in the family's file the circumstances of the criminal report and the date the report was destroyed.

C. FAMILY OBLIGATIONS [24 CFR 982.551]

The family must supply any information that the PHA or HUD determines is necessary in the administration of the program, including submission of required evidence of citizenship or eligible immigration status (as provided by 24 CFR 982.551). "Information" includes any requested certification, release or other documentation.

The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition in accordance with HUD requirements.

The family must disclose and verify Social Security Numbers (as provided by 24 CFR 5.216) and must sign and submit consent forms for obtaining information in accordance with 24 CFR 5.230.

All information supplied by the family must be true and complete.

The family is responsible for an HQS breach caused by the family as described in 982.404(b).

The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice.

The family may not commit any serious or repeated violations of the lease.

The family must notify the owner and, at the same time, notify the PHA before the family moves out of the unit or terminates the lease upon notice to the owner.

The family must promptly give the PHA a copy of any owner eviction notice.

The family must use the assisted unit for residence by the family. The unit must be the family's only residence.

The PHA must approve the composition of the assisted family residing in the unit. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

The family must promptly notify the PHA if any family member no longer resides in the unit.

If the PHA has given approval, a foster child or a live-in aide may reside in the unit. If the family does not request approval or PHA approval is denied, the family may not allow a foster child or live-in aide to reside with the assisted family.

Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family.

The family must not sublease or let the unit.

The family must not assign the lease or transfer the unit.

The family must supply any information or certification requested by the PHA to verify that the family is living in the unit, or relating to family absence from the unit, including any PHA-requested information or certification on the purposes of family absences. The family must cooperate with the PHA for this purpose. The family must promptly notify the PHA of absence from the unit.

The family must not own or have any interest in the unit.

The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with any Federal Housing Program.

The household members may not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. The members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. An assisted family, or members of the family, may not receive Section 8 tenant-bases assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) federal, State or local housing assistance program.

Housing Authority Discretion [24 CFR 982.552(c)]

In deciding whether to terminate assistance because of action or failure to act by members of the family, the PHA has discretion to consider all of the circumstances in each case, including the seriousness of the case. The PHA will use its discretion in reviewing the extent of participation or culpability of individual family members and the length of time since the violation occurred. The PHA may also review the family's more recent history and record of compliance and the effects that denial or termination of assistance may have on other family members who were not involved in the action or failure to act.

The PHA may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in, or were culpable for the action or failure to act, will not reside in the unit. The PHA may permit the other members of a family to continue in the program.

Enforcing Family Obligations

Explanations and Terms

The term "Promptly" when used with the Family Obligations always means "within **thirty (30)** days." Termination of assistance is always optional except where this Plan or the regulations state otherwise.

HQS Breach

The **inspector and/or supervisor** will determine if an HQS breach as identified in 24 CFR 982.404 (b) is the responsibility of the family. Families may be given extensions to cure HQS breaches by **Executive Director**.

Lease Violations

The following criteria will be used to decide if a serious or repeated violation of the lease will result in termination of assistance:

If the owner terminates tenancy through court action for serious or repeated violation of the lease.

If the owner notifies the family of termination of tenancy assistance for serious or repeated lease violations, and the family moves from the unit prior to the completion of court action, and the PHA determines that the cause is a serious or repeated violation of the lease based on available evidence.

If the owner notifies the family of termination of tenancy assistance for serious or repeated lease violations, and the family moves from the unit prior to the completion of court action, and

If there are police reports, neighborhood complaints or other third party information, that has been verified by the PHA.

Nonpayment of rent is considered a serious violation of the lease.

Notification of Eviction

If the family requests assistance to move and they did not notify the PHA of an eviction within **seven (7)** days of receiving the Notice of Lease Termination, the move will be denied.

Proposed Additions to the Family

The PHA will deny a family's request to add additional family members who are:

Persons who have been evicted from public housing.

Persons who have previously violated a family obligation listed in 24CFR 982.551 of the HUD regulations.

Persons who have been part of a family whose assistance has been terminated under the Certificate or Voucher program.

Persons who commit drug-related criminal activity or violent criminal activity.

Persons who do not meet the PHA's definition of family.

Persons who commit fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.

Persons who currently owe rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Persons who have engaged in or threatened abusive or violent behavior toward PHA personnel.

Family Member Moves Out

Families are required to notify the PHA if any family member leaves the assisted household. When the family notifies the PHA, they must furnish the following information:

The date the family member moved out.

The new address, if known, of the family member.

A statement as to whether the family member is temporarily or permanently absent.

Limitation on Profit-making Activity in Unit

If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom utilized for a business which is not available for sleeping, it will be considered a violation.

If the PHA determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a program violation.

If the PHA determines the business is not legal, it will be considered a program violation.

Interest in Unit

The owner may not reside in the assisted unit regardless of whether (s)he is a member of the assisted family, unless the family owns the mobile home and rents the pad.

Fraud

In each case, the PHA will consider which family members were involved, the circumstances, and any hardship that might be caused to innocent members.

In the event of false citizenship claims: (See section below)

D. PROCEDURES FOR NON-CITIZENS [24 CFR 5.514, 5.516, 5.518]

Denial or Termination due to Ineligible Immigrant Status

Applicant or participant families in which all members are neither U.S. citizens nor eligible immigrants are not eligible for assistance and must have their assistance terminated. The PHA must offer the family an opportunity for a hearing. (See "Eligibility for Admission" chapter, section on Citizenship/Eligible Immigration Status.)

Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

False or Incomplete Information

When the PHA has clear, concrete, or substantial documentation (such as a permanent resident card or information from another agency) that contradicts the declaration of citizenship made by an applicant or participant, an investigation will be conducted and the individual will be given an opportunity to present relevant information.

If the individual is unable to verify their citizenship, the PHA will give him/her an opportunity to provide a new declaration as an eligible immigrant or an opportunity to elect not to contend their status.

The PHA will then verify eligible status, deny, terminate, or prorate as applicable.

The PHA will deny or terminate assistance based on the submission of false information or misrepresentation.

Procedure for Denial or Termination

If the family (or any member) claimed eligible immigrant status and the INS primary and secondary verifications failed to document the status, the family may make an appeal to the INS and request a hearing with the PHA either after the INS appeal or in lieu of the INS appeal.

After the PHA has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for prorated assistance (if applicable).

E. ZERO (\$0) HAP TENANCIES [24 CFR 982.455 (a)]

The family may remain in the unit at \$0 assistance for up to 180 days after the last HAP payment. If the family is still in the unit after 180 days, the assistance will be terminated. If, within the 180 day timeframe, an owner rent increase or a decrease in the Total Tenant Payment

causes the family to be eligible for a housing assistance payment, the PHA will resume assistance payments for the family.

In order for a family to move to another unit during the 180 days, the rent for the new unit would have to be high enough to necessitate a housing assistance payment.

F. OPTION NOT TO TERMINATE FOR MISREPRESENTATION [24 CFR 982.551, 982.552(c)]

If the family has misrepresented any facts that caused the PHA to overpay assistance, the PHA may choose not to terminate and may offer to continue assistance provided that the family **executes a Repayment Agreement and makes payments in accordance with the agreement or reimburses the PHA in full within 120 calendar days.**

G. MISREPRESENTATION IN COLLUSION WITH OWNER [24 CFR 982.551, 982.552 (c)]

If the family intentionally, willingly, and knowingly commits fraud or is involved in any other illegal scheme with the owner, the PHA will deny or terminate assistance.

In making this determination, the PHA will carefully consider the possibility of overt or implied intimidation of the family by the owner and the family's understanding of the events.

H. MISSED APPOINTMENTS AND DEADLINES [24 CFR 982.551, 982.552 (c)]

It is a Family Obligation to supply information, documentation, and certification as needed for the PHA to fulfill its responsibilities. The PHA schedules appointments and sets deadlines in order to obtain the required information. The Obligations also require that the family allow the PHA to inspect the unit, and appointments are made for this purpose.

An applicant or participant who fails to keep an appointment, or to supply information required by a deadline without notifying the PHA, may be sent a Notice of Denial or Termination of Assistance for failure to provide required information, or for failure to allow the PHA to inspect the unit.

The family will be given information about the requirement to keep appointments and the number of times appointments will be rescheduled, as specified in this Plan.

Appointments will be scheduled and time requirements will be imposed for the following events and circumstances:

Eligibility for Admissions

Verification Procedures

Voucher Issuance and Briefings

Housing Quality Standards and Inspections

Recertifications

Appeals

Acceptable reasons for missing appointments or failing to provide information by deadlines are:

Medical emergency

Family emergency

Procedure when Appointments are missed or Information not provided

For most purposes in this Plan, the family will be given **two (2)** opportunities before being issued a notice of termination or denial for breach of a family obligation.

After issuance of the termination notice, if the family offers to correct the breach within the time allowed to request a hearing:

The termination will be rescinded after the family cures the breach.

The notice will be rescinded if the family offers to cure and the family does not have a history of non-compliance.

OWNER DISAPPROVAL AND RESTRICTION

[24 CFR 982.54, 982.306, 982.453]

INTRODUCTION

It is the policy of the PHA to recruit owners to participate in the Voucher program. The PHA will provide owners with prompt and professional service in order to maintain an adequate supply of available housing throughout the jurisdiction of the PHA. The regulations define when the PHA must disallow an owner participation in the program, and they provide the PHA discretion to disapprove or otherwise restrict the participation of owners in certain categories. This Chapter describes the criteria for owner disapproval, and the various penalties for owner violations.

A. DISAPPROVAL OF OWNER [24 CFR 982.306, 982.54(d)(8)]

The owner does not have a right to participate in the program. For purposes of this section, "owner" includes a principal or other interested party.

The PHA will disapprove the owner for the following reasons:

HUD has informed the PHA that the owner has been disbarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

HUD has informed the PHA that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending.

HUD has informed the PHA that a court or administrative agency has determined that the owner has violated the Fair Housing Act or other federal equal opportunity requirements.

Unless their lease was effective prior to June 17, 1998, the owner may not be a parent, child, grandparent, grandchild, sister or brother of any family member. The PHA will waive this restriction as a reasonable accommodation for a family member who is a person with a disability.

In cases where the owner and tenant bear the same last name, the PHA may, at its discretion, require the family and or owner to certify whether they are related to each other in any way.

The owner has violated obligations under a housing assistance payments contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).

The owner has committed fraud, bribery or any other corrupt act in connection

with any federal housing program.

The owner has engaged in drug-related criminal activity or any violent criminal activity.

The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program.

The owner has a history or practice of renting units that fail to meet State or local housing codes.

The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity by the tenant, any member of the household, a guest or another person under the control of any member of the household that:

Threatens the right to peaceful enjoyment of the premises by other residents;

Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing.

Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or

Is drug-related criminal activity or violent criminal activity;

The owner has not paid State or local real estate taxes, fines or assessments.

The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD.

B. OWNER RESTRICTIONS AND PENALTIES [24 CFR 982.453]

If an owner has committed fraud or abuse or is guilty of frequent or serious contract violations, the PHA will restrict the owner from future participation in the program for a period of time commensurate with the seriousness of the offense. The PHA may also terminate some or all contracts with the owner.

Before imposing any penalty against an owner the PHA will review all relevant factors pertaining to the case, and will consider such factors as the owner's record of compliance and the number of violations.

See Program Integrity Addendum for guidance as to how owner fraud will be handled.

C. CHANGE IN OWNERSHIP

A change in ownership **does** require execution of a new contract **and lease**.

The PHA will process a change of ownership only upon the written request of the new owner and only if accompanied by a copy of the escrow statement or other document showing the transfer of title, recorded deed and the Employee Identification Number or Social Security number of the new owner.

If the new owner does not want an assignment of the contract, the PHA will terminate the HAP contract with the old owner, since they are no longer the owner. The new owner may offer the family a new assisted lease. The family may elect to enter into the new lease or move to another unit.

Chapter 17

CLAIMS, MOVE-OUT AND CLOSE-OUT INSPECTIONS

(For HAP Contracts Effective Before October 2, 1995)

INFORMATION

This chapter has been removed.

The Quality Housing and Work Responsibility Act of 1998 provided that families assisted under the pre-merger certificate program would be transferred to the Housing Choice Voucher Program no later than the second annual reexamination on or after the merger date (October 1, 1999). Families assisted under the pre-merger voucher program were transferred to the Housing Choice Voucher Program as of October 1, 1999. Under pre-merger voucher contracts, owner claims against the PHA were limited to the amount the owner was allowed to collect as the family's security deposit. This meant that the amount the owner could collect from the PHA was zero.

Under the Housing Choice Voucher Program, the PHA is not responsible for owner claims against the family. If the security deposit is not sufficient to cover amounts the family owes under the lease, the owner may collect the balance from the family.

Chapter 18

OWNER OR FAMILY DEBTS TO THE PHA

[24 CFR 982.552]

INTRODUCTION

This Chapter describes the PHA's policies for the recovery of monies, which have been overpaid for families, and to owners. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. It is the PHA's policy to meet the informational needs of owners and families, and to communicate the program rules in order to avoid owner and family debts. Before a debt is assessed against a family or owner, the file must contain documentation to support the PHA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner, the family or other interested parties.

When families or owners owe money to the PHA, the PHA will make every effort to collect it. The PHA will use a variety of collection tools to recover debts including, but not limited to:

Payment agreements

Abatements

Reductions in HAP to owner

A. PAYMENT AGREEMENT FOR FAMILIES [24 CFR 982.552 (c)(v-vii)]

The use of payment agreements for PHAs is optional.

A Payment Agreement as used in this Plan is a document entered into between the PHA and a person who owes a debt to the PHA. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of payment, any special provisions of the agreement, and the remedies available to the PHA upon default of the agreement.

There are some circumstances in which the PHA will not enter into a payment agreement. They are:

If the family already has a Payment Agreement in place.

If the PHA determines that the family committed program fraud.

The minimum monthly amount of monthly payment for any payment agreement is \$10.00

B. DEBTS OWED FOR CLAIMS [24 CFR 792.103, 982.552 (c)(v-vii)]

If a family owes money to the PHA for claims paid to an owner:

The PHA will review the circumstances resulting in the overpayment and decide whether the family must pay the full amount.

The PHA will enter into a Payment Agreement.

Late Payments

A payment will be considered to be in arrears if:

The payment is not received by the close of the business day seven (7) days after the due date.

If the family's payment agreement is in arrears, and the family has not contacted or made arrangements with the PHA, the PHA will:

Require the family to pay the balance in full

Terminate the housing assistance

If the family requests a move to another unit and has a payment agreement in place for the payment of an owner claim, and the payment agreement is not in arrears:

The family will be required to pay the balance in full prior to the issuance of a voucher.

If the family requests a move to another unit and is in arrears on a payment agreement for the payment of an owner claim:

If the family pays the past due amount, they will be permitted to move.

C. DEBTS DUE TO MISREPRESENTATIONS/NON-REPORTING OF INFORMATION [24 CFR 982.163]

HUD's definition of program fraud and abuse is a single act or pattern of actions that:

Constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Section 8 program funds in violation of Section 8 program requirements.

Family Error/Late Reporting

Families who owe money to the PHA due to the family's failure to report increases in income will be required to repay in accordance with the guidelines in the Payment Agreement Section of this Chapter.

Program Fraud

Families who owe money to the PHA due to program fraud will be required to repay in accordance with the guidelines in the Payment Agreement Section of this Chapter.

If a family owes an amount, which equals or exceeds **\$2,500** as a result of program fraud, the case will be referred to the Inspector General. Where appropriate, the PHA will refer the case for criminal prosecution.

Payment Procedures for Program Fraud

Families who commit program fraud or untimely reporting of increases in income will be subject to the following procedures:

The maximum time period for a Payment Agreement will be twelve (12) months.

The family will be required to pre-pay \$10.00 of the amount owed prior to or upon execution of the Payment Agreement.

The minimum monthly payment will be \$ 10.00

The amount of the monthly payment will be determined in accordance with the family's current income.

D. DEBTS DUE TO MINIMUM RENT TEMPORARY HARDSHIP

If the family owes the PHA money for rent arrears incurred during the minimum rent period, the PHA will calculate the total amount owed and divide it by 12 to arrive at a reasonable payback amount that the family will be required to pay to the PHA monthly in addition to the family's regular monthly rent payment to the owner. The family will be required to pay the increased amount until the arrears are paid in full to the PHA.

If the family goes into default on the repayment agreement for back rent incurred during a minimum rent period, the PHA will reevaluate the family's financial situation and determine whether the family has the ability to pay the increased rent amount and if not, restructure the existing repayment agreement.

E. GUIDELINES FOR PAYMENT AGREEMENTS [24 CFR 982.552(c)(v-vii)]

Payment Agreements will be executed between the PHA and the head of household.

The agreement will be in default when a payment is delinquent by the end of month it was due.

Monthly payments may be decreased in cases of family hardship and if requested with reasonable notice from the family, verification of the hardship, and the approval of the Executive Director.

No move will be approved until the debt is paid in full unless the move is the result of the following causes, and the Payment Agreement is current:

Additional Monies Owed: If the family already has a Payment Agreement in place and incurs an additional debt to the PHA:

The PHA will not enter into more than one Payment Agreement with the family.

F. OWNER DEBTS TO THE PHA [24 CFR 982.453(b)]

If the PHA determines that the owner has retained Housing Assistance or Claim Payments the owner is not entitled to, the PHA may reclaim the amounts from future Housing Assistance or Claim Payments owed the owner for any units under contract.

If future Housing Assistance or Claim Payments are insufficient to reclaim the amounts owed, the PHA will:

Require the owner to pay the amount in full within thirty (30) days.

Restrict the owner from future participation.

G. WRITING OFF DEBTS

Debts will be written off if:

The debtor's whereabouts are unknown and the debt is more than three (3) years old.

The debtor is deceased.

COMPLAINTS AND APPEALS

INTRODUCTION

The informal hearing requirements defined in HUD regulation are applicable to participating families who disagree with an action, decision, or inaction of the PHA. This Chapter describes the policies, procedures and standards to be used when families disagree with a PHA decision. The procedures and requirements are explained for preference denial meetings, informal reviews and hearings. It is the policy of the PHA to ensure that all families have the benefit of all protections due to them under the law.

In addition to complaints from families, PHAs also receive complaints from owners, employees, and the public.

A. COMPLAINTS TO THE PHA

The PHA will respond promptly to complaints from families, owners, employees, and members of the public. All complaints will be documented. The PHA **does not** require that complaints other than HQS violations be put in writing. HQS complaints may be reported by telephone.

The PHA hearing procedures will be provided to families in the briefing packet.

Categories of Complaints

Complaints from families: If a family disagrees with an action or inaction of the PHA or owner.

Complaints from families will be referred to the Executive Director or the Housing Coordinator.

Complaints from owners: If an owner disagrees with an action or inaction of the PHA or a family.

Complaints from owners will be referred to Executive Director or the Housing Coordinator.

Complaints from staff: If a staff person reports an owner or family either violating or not complying with program rules, the complaint will be referred to the **Executive Director**.

Complaints from the general public: Complaints or referrals from persons in the community in regard to the PHA, a family or an owner.

Complaints from the general public will be referred to the Executive Director.

B. PREFERENCE DENIALS [24 CFR 5.415]

This section does not apply to this PHA. All preferences have been repealed.

C. INFORMAL REVIEW PROCEDURES FOR APPLICANTS [24 CFR 982.54(d)(12), 982.554]

Reviews are provided for applicants who are denied assistance before the effective date of the HAP Contract. The exception is that when an applicant is denied assistance for citizenship or eligible immigrant status, the applicant is entitled to an informal hearing.

When the PHA determines that an applicant is ineligible for the program, the family must be notified of their ineligibility in writing. The notice must contain:

The reason(s) they are ineligible,

The procedure for requesting a review if the applicant does not agree with the decision and

The time limit for requesting a review.

When denying admission for criminal activity as shown by a criminal record, the PHA will provide the subject of the record and the applicant with a copy of the criminal record upon which the decision to deny was based.

The PHA must provide applicants with the opportunity for an Informal Review of decisions denying:

Listing on the PHA's waiting list

Issuance of a Voucher

Participation in the program

Assistance under portability procedures

Informal Reviews are not required for established policies and procedures and PHA determinations such as:

Discretionary administrative determinations by the PHA

General policy issues or class grievances

A determination of the family unit size under the PHA subsidy standards

Refusal to extend or suspend a Voucher

A PHA determination not to grant approval of the tenancy

Determination that unit is not in compliance with HQS

Determination that unit is not in accordance with HQS due to family size or composition

Procedure for Review

A request for an Informal Review must be received **in writing** by the close of the business day, no later than **ten (10)** days from the date of the PHA's notification of denial of assistance. The informal review will be scheduled within **thirty (30)** days from the date the request is received.

The Informal Review may not be conducted by the person who made or approved the decision under review, nor a subordinate of such person.

The Review may be conducted by:

An individual from outside the PHA

The applicant will be given the option of presenting oral or written objections to the decision. Both the PHA and the family may present evidence and witnesses. The family may use an attorney or other representative to assist them at their own expense.

A Notice of the Review findings will be provided in writing to the applicant within **fifteen (15)** days after the review. It shall include the decision of the review officer, and an explanation of the reasons for the decision.

All requests for a review, supporting documentation and a copy of the final decision will be retained in the family's file.

D. INFORMAL HEARING PROCEDURES [24 CFR 982.555(a-f), 982.54(d)(13)]

When the PHA makes a decision regarding the eligibility and/or the amount of assistance, applicants and participants must be notified in writing. The PHA will give the family prompt notice of such determinations which will include:

The proposed action or decision of the PHA;

The date the proposed action or decision will take place;

The family's right to an explanation of the basis for the PHA's decision.

The procedures for requesting a hearing if the family disputes the action or decision;

The time limit for requesting the hearing.

To whom the hearing request should be addressed

A copy of the PHA's hearing procedures

When terminating assistance for criminal activity as shown by a criminal record, the PHA will provide the subject of the record and the tenant/participant with a copy of the criminal record upon which the decision to terminate was based.

The PHA must provide participants with the opportunity for an Informal Hearing for decisions related to any of the following PHA determinations:

- Determination of the family's annual or adjusted income and the computation of the housing assistance payment

- Appropriate utility allowance used from schedule

- Family unit size determination under PHA subsidy standards

- Determination to terminate assistance for any reason

- Determination to terminate a family's FSS contract, withhold supportive services, or propose forfeiture of the family's escrow account.

The PHA must always provide the opportunity for an informal hearing before termination of assistance.

Informal Hearings are not required for established policies and procedures and PHA determinations such as:

- Discretionary administrative determinations by the PHA

- General policy issues or class grievances

- Establishment of the PHA schedule of utility allowances for families in the program

- A PHA determination not to approve an extension or suspension of a voucher term

- A PHA determination not to approve a unit or lease

- A PHA determination that an assisted unit is not in compliance with HQS (PHA must provide hearing for family breach of HQS because that is a family obligation determination)

- A PHA determination that the unit is not in accordance with HQS because of the family size

- A PHA determination to exercise or not exercise any right or remedy against the owner

under a HAP contract

Notification of Hearing

It is the PHA's objective to resolve disputes at the lowest level possible, and to make every effort to avoid the most severe remedies. However, if this is not possible, the PHA will ensure that applicants and participants will receive all of the protections and rights afforded by the law and the regulations.

When the PHA receives a request for an informal hearing, a hearing shall be scheduled within **thirty (30) days**. The notification of hearing will contain:

The date and time of the hearing

The location where the hearing will be held

The family's right to bring evidence, witnesses, legal or other representation at the family's expense

The right to view any documents or evidence in the possession of the PHA upon which the PHA based the proposed action and, at the family's expense, to obtain a copy of such documents prior to the hearing. **Requests for such documents or evidence must be received no later than seven (7) days before the hearing date.**

A notice to the family that the PHA will request a copy of any documents or evidence the family will use at the hearing. **Requests for such documents or evidence must be received no later than seven (7) days before the hearing date.**

The PHA's Hearing Procedures

After a hearing date is agreed to, the family may request to reschedule only upon showing "good cause," which is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

Families have the right to:

Present written or oral objections to the PHA's determination.

Examine the documents in the file, which are the basis for the PHA's action, and all documents submitted to the Hearing Officer;

Copy any relevant documents at their expense;

Present any information or witnesses pertinent to the issue of the hearing;

Request that PHA staff be available or present at the hearing to answer questions pertinent to the case; and

Be represented by legal counsel, advocate, or other designated representative at their own expense.

If the family requests copies of documents relevant to the hearing, the PHA will make the copies for the family and assess a charge of \$.15 per copy. In no case will the family be allowed to remove the file from the PHA's office.

In addition to other rights contained in this Chapter, the PHA has a right to:

Present evidence and any information pertinent to the issue of the hearing;

Be notified if the family intends to be represented by legal counsel, advocate, or another party;

Examine and copy any documents to be used by the family prior to the hearing;

Have its attorney present; and

Have staff persons and other witnesses familiar with the case present.

The Informal Hearing shall be conducted by the Hearing Officer appointed by the PHA who is neither the person who made or approved the decision, nor a subordinate of that person. The PHA appoints hearing officers who:

Are managers from other departments in the government of the jurisdiction

Are a private citizen.

The hearing shall concern only the issues for which the family has received the opportunity for hearing. Evidence presented at the hearing may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

No documents may be presented which have not been provided to the other party before the hearing if requested by the other party. "Documents" includes records and regulations.

The Hearing Officer may ask the family for additional information and/or might adjourn the Hearing in order to reconvene at a later date, before reaching a decision.

If the family misses an appointment or deadline ordered by the Hearing Officer, the action of the PHA shall take effect and another hearing will not be granted.

The Hearing Officer will determine whether the action, inaction or decision of the PHA is legal in accordance with HUD regulations and this Administrative Plan based upon the evidence and testimony provided at the hearing. Factual determinations relating to the individual circumstances of the family will be based on a preponderance of the evidence presented at the hearing.

A notice of the Hearing Findings shall be provided in writing to the PHA and the family within **fifteen (15)** days and shall include:

A clear summary of the decision and reasons for the decision;

If the decision involves money owed, the amount owed **and documentation of the calculation of monies owed;**

The date the decision goes into effect.

The PHA is not bound by hearing decisions:

Which concern matters in which the PHA is not required to provide an opportunity for a hearing

Which conflict with or contradict to HUD regulations or requirements;

Which conflict with or contradict Federal, State or local laws; or

Which exceed the authority of the person conducting the hearing.

The PHA shall send a letter to the participant if it determines the PHA is not bound by the Hearing Officer's determination within **fifteen (15)** days. The letter shall include the PHA's reasons for the decision.

All requests for a hearing, supporting documentation, and a copy of the final decision will be retained in the family's file.

E. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS" [24 CFR Part 5, Subpart E]

Assistance to the family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a family may not be terminated or denied while the PHA hearing is pending but assistance to an applicant may be delayed pending the PHA hearing.

INS Determination of Ineligibility

If a family member claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, the PHA notifies the applicant or participant within ten days of their right to appeal to the INS within thirty days or to request an informal hearing with the PHA either in lieu of or subsequent to the INS appeal.

If the family appeals to the INS, they must give the PHA a copy of the appeal and proof of mailing or the PHA may proceed to deny or terminate. The time period to request an appeal may be extended by the PHA for good cause.

The request for a PHA hearing must be made within fourteen days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within fourteen days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in this chapter for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members the PHA will:

Deny the applicant family

Defer termination if the family is a participant and qualifies for deferral

Terminate the participant if the family does not qualify for deferral

If there are eligible members in the family, the PHA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied or terminated for failure to provide.

Participants whose termination is carried out after temporary deferral may not request a hearing since they had an opportunity for a hearing prior to the termination.

Participants whose assistance is pro-rated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of tenant rent and Total Tenant Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

F. MITIGATING CIRCUMSTANCES FOR APPLICANTS/PARTICIPANTS WITH DISABILITIES [24 CFR 982.204, 982.552(c)]

When applicants are denied placement on the waiting list, or the PHA is terminating assistance, the family will be informed that presence of a disability may be considered as a mitigating circumstance during the informal review process.

Examples of mitigating circumstances are: a) A person with a cognitive disorder may not have understood the requirement to report increases in income, b) A person may not understand the need to make regular repayments on a promissory note, c) Minor criminal records for public drunkenness may be due to medication; prior incarcerations for being disorderly may be emotional disorder.

Chapter 20

SPECIAL HOUSING TYPES

[24 CFR 982.601]

INTRODUCTION

With one exception, HUD does not require PHA's to use any of the Special Housing Types. However, the PHA must permit use of any Special Housing Type if it is needed as a reasonable accommodation to make the program readily accessible to and usable by persons with disabilities.

VERIFICATION OF NEED FOR REASONABLE ACCOMMODATION

The PHA will request verification from a knowledgeable professional as to how the special housing type requested provides the accommodation that the person needs. A copy of the PHA's response to the request, along with supporting documentation, will be maintained in the applicant/participant's file. The requested housing type must be approvable by all other HUD standards and HQS requirements in accordance with [CFR Part, 982 Subpart M - Special Housing Types].

The PHA will not set aside any program funding for special housing types.

A. SINGLE ROOM OCCUPANCY [24 CFR 982.602]

There are no SRO's in the PHA's program.

B. CONGREGATE HOUSING [24 CFR 982.606]

Not applicable to this PHA. Except as needed as a reasonable accommodation to make the program readily accessible to and usable by persons with disabilities.

CONGREGATE HOUSING [CFR 982.607, 982.608(a)(1), 982.608(a)(2), 982.608(b)]

The unit must contain a refrigerator of appropriate size. There must be a central kitchen and dining facilities on the premises that are located within the premises and accessible to the residents. Must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner. Food services must be provided **for** the residents and **not by** the residents. The unit must be in compliance with all Housing Quality Standards (HQS) [CFR 982.609].

CONGREGATE HOUSING RESIDENCY

An elderly person or a person with disabilities may reside in a congregate housing unit.

The PHA will approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. See Chapter 2, page

2.3.

CONGREGATE HOUSING LEASE AND HAP CONTRACT

A separate lease and HAP contract is needed for each assisted family.

CONGREGATE HOUSING RENT AND HAP

Unless there is a live-in aide, for a family that resides in a congregate housing unit the payment standard is the 0 (zero) bedroom payment standard amount on the PHA payment standard schedule.

If there are 2 (two) or more rooms in the unit (not including kitchen or sanitary facilities), the payment standard for a family that resides in a congregate housing unit is the 1 (one) bedroom payment standard amount.

If there is an approved live-in aide, the live-in aide will be counted in determining the family unit size.

C. GROUP HOMES [24 CFR 982.610, 982.612]

Not applicable to this PHA. Except as needed as a reasonable accommodation to make the program readily accessible to and usable by persons with disabilities.

GROUP HOMES [CFR 982.610]

The unit must be located in a residential setting. The group home must be accessible to and usable by a resident with disabilities. A group home must be licensed, certified, or otherwise approved in writing by the State (e.g., Department of Human Resources, Mental Health, Retardation, or Social Services) as a group home for the elderly or persons with disabilities. The unit must be in compliance with all Housing Quality Standards (HQS) [CFR. 982.614].

GROUP HOME RESIDENCY

An elderly person or a person with disabilities may reside in a State approved group home. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. See Chapter 2, page 2.3. Except for a live-in aide, all residents of a group home must be elderly persons or persons with disabilities. The PHA will not approve assistance if file documentation indicates that the person is in need of continual medical or nursing care. No more than 12 persons may reside in a group home. This limit covers all persons who reside in the unit, including assisted and unassisted residents and any live-in aide.

GROUP HOME LEASE AND HAP CONTRACT

There will be a separate HAP contract and lease for each assisted person living in a group home.

GROUP HOME RENT AND HAP

The rent to owner for an assisted person may not exceed the pro-rata portion (that which is derived by dividing the number of persons in the assisted household by the total number of residents (assisted and unassisted) residing in the group home) of the reasonable rent for the group home. The number of persons in the assisted household equals one assisted person plus any PHA approved live-in aide.

The reasonable rent for a group home is determined in accordance with CFR 982.503. In determining reasonable rent, the PHA will consider whether sanitary facilities, and facilities for food preparation and service, are common facilities or private.

Maximum Subsidy

Unless there is a live-in aide, the family unit size is zero or one (1) bedroom. If there is a live-in aide, the live-in aide must be counted in determining the family unit size. The PHA must approve any live-in aide. See Chapter 2, page 2.3.

The payment standard for a person who resides in a group home is the lower of:

- The payment standard amount on the PHA payment standard schedule for the family unit size: or
- The pro-rata portion of the payment standard amount on the PHA payment standard schedule for the group home size.

Utility Allowance

The utility allowance for each assisted person residing in a group home is the pro-rata portion of the utility allowance for the group home unit size.

D. SHARED HOUSING [24 CFR 982.615]

Not applicable to this PHA Except as needed as a reasonable accommodation to make the program readily accessible to and usable by persons with disabilities.

SHARED HOUSING [CFR 982.615]

The assisted family shares a unit with the other resident or residents of the unit. The unit may be a house or an apartment. The entire unit must provide adequate space and security for all its residents whether assisted or unassisted. Each unit must contain private space for each assisted family, plus common space for shared use by the residents of the unit. Common space must be appropriate for shared use by the residents. The private space for each assisted family must contain at least one (1) bedroom for each two persons in the family. A zero (0) or one (1) bedroom unit may not be used for shared housing. The unit must be in compliance with all Housing Quality Standards (HQS) [CFR 982.618].

SHARED HOUSING RESIDENCY

Assisted and unassisted families may reside in a shared housing unit. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. See Chapter 2, page 2.3. The owner of a shared housing unit may reside in the unit.

SHARED HOUSING LEASE AND HAP CONTRACT

There will be a separate housing assistance payment contract and lease for each assisted family residing in a shared housing unit. The resident owner may enter into a HAP contract with the PHA. However, housing assistance may not be paid on behalf of an owner. The PHA will not approve assistance for a person or family that is related by blood or marriage to a resident owner.

SHARED HOUSING RENT AND HAP

For shared housing, the term "pro-rata portion" means the ratio derived by dividing the number of bedrooms in the private space available for occupancy by a family by the total number of bedrooms in the unit.

For a family entitled to occupy three bedrooms in a five bedroom unit, the ration would be 3/5.

The rent to owner for the family may not exceed the pro-rata portion of the reasonable rent for the shared housing dwelling unit.

Maximum Subsidy

The payment standard for a family that resides in a shared housing unit is the lower of:

- The payment standard amount on the PHA payment standard schedule for the family unit size: or
- The pro-rata portion of the payment standard amount on the PHA payment standard schedule for the shared housing unit size.

If there is a live-in aide, the live-in aide must be counted in determining the family unit size. The PHA must approve any live-in aide. See chapter 2, 2.3.

Utility Allowance

The utility allowance for an assisted family living in shared housing is the pro-rata portion of the utility allowance for the shared housing unit size.

E.MANUFACTURED HOMES[24 CFR 982.620]*

The PHA will permit a family to lease a manufactured home and space with assistance under the program. The PHA **will not** provide assistance for a family that owns the manufactured home and leases only the space.

Housing Quality Standards [24 CFR 982.621]

A manufactured home must meet all the HQS requirements outlined in the "Housing Quality Standards and Inspections" chapter and regulated by 24 CFR 982.401. In addition the manufactured home also must meet the following requirements:

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage.

A manufactured home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist wind overturning and sliding.

The PHA will be in HQS compliance, where applicable, for any of the Special Housing Types

F. COOPERATIVE HOUSING [24 CFR 982.619]

Not applicable to this PHA.

G. HOME OWNERSHIP (24 CFR 982.625)

Not applicable to this PHA.

 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the participant from the program for failure to report income; or

ADDENDUM VI

VERIFICATIONS

The Pittsburgh Public Housing Agency will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full-time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

I. ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Pittsburgh Public Housing Agency or automatically by another government agency, i.e., the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e., name date of contact, amount received, etc.

When third party verification cannot be obtained, the Pittsburgh Public Housing Agency will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the Pittsburgh Public Housing Agency has been unable to obtain third party verification in a four week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Pittsburgh Public Housing Agency will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

II. TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Pittsburgh Public Housing Agency will send a request form to the source along with a release form signed by the applicant/participant via first class mail.

III. VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as birth certificate, military ID or military DD 214 Form.)

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Pittsburg Public Housing Agency will make a copy of the individual's INS documentation and place the copy in the file. The Pittsburg Public Housing Agency also will verify their status through the INS

SAVE system. If the INS SAVE system cannot confirm eligibility, the Pittsburgh Public Housing Agency will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible noncitizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Pittsburgh Public Housing Agency determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.

- d. The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable.
- e. Elevators must be working and safe.

G. Interior Air Quality

1. Definitions

- a. Chewable surface: Protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age; for example, protruding corners, window sills and frames, doors and frames, and other protruding woodwork.
- b. Component: An element of a residential structure identified by type and location, such as a bedroom wall, an exterior window sill, a baseboard in a living room, a kitchen floor, an interior window sill in a bathroom, a porch floor, stair treads in a common stairwell, or an exterior wall.
- c. Defective paint surface: A surface on which the paint is cracking, scaling, chipping, peeling, or loose.
- d. Elevated blood level (EBL): Excessive absorption of lead. Excessive absorption is a confirmed concentration of lead in whole blood of 20 ug/dl (micrograms of lead per deciliter) for a single test or of 15-19 ug/dl in two consecutive tests 3-4 months apart.
- e. HEPA: A high efficiency particle accumulator as used in lead abatement vacuum cleaners.

- f. Lead-based paint: A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1 milligram per centimeter squared (mg/cm^2), or 0.5 % by weight or 5000 parts per million (PPM).

2. Performance Requirements

- a. The purpose of this paragraph of this Section is to implement Section 302 of the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead-based paint poisoning for units assisted under this part. This paragraph is issued under 24 CFR 35.24(b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.
- b. The requirements of this paragraph of this Section do not apply to 0-bedroom units, units that are certified by a qualified inspector to be free of lead-based paint, or units designated exclusively for the elderly. The requirements of subpart A of 24 CFR part 35 apply to all units constructed prior to 1978 covered by a HAP contract under part 982.
- c. If a dwelling unit constructed before 1978 is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part) must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph k of this Section.
- d. The Housing Authority may exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-based paint, as defined in paragraph 1(f) of this Section. For purposes of this Section, a qualified lead-based paint inspector is a State or local health or housing agency, a lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.
- e. Treatment of defective paint surfaces required under this Section must be completed within 30 calendar days of Housing Authority notification to the owner. When weather conditions prevent treatment of the defective paint conditions

on exterior surfaces within the 30-day period, treatment as required by paragraph k of this Section may be delayed for a reasonable time.

- f. The requirements in this paragraph apply to:
 - i. All painted interior surfaces within the unit (including ceilings but excluding furniture);
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- g. In addition to the requirements of paragraph c of this Section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
- h. Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the paint surface in accordance with paragraph k of this Section is required, and treatment shall be completed within the time limits in paragraph c of this Section.
- i. The requirements in paragraph g of this Section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
 - i. Within the unit;

- ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- j. In lieu of the procedures set forth in paragraph g of this Section, the Housing Authority may, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior chewable surfaces in accordance with the methods set out in paragraph k of this Section.
- k. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
- i. A defective paint surface shall be treated if the total area of defective paint on a component is:
 - (1) More than 10 square feet on an exterior wall;
 - (2) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls;
 - (3) More than 10% of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, windowsills, baseboards and trim.
 - ii. Acceptable methods of treatment are the following: removal by wet scraping, wet sanding, chemical stripping on or off site, replacing painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasive sandblasting with HEPA vacuum. Surfaces must be covered with durable materials with joint edges sealed and caulked as needed to prevent the escape of lead contaminated dust.

- iii. Prohibited methods of removal are the following: open flame burning or torching, machine sanding or grinding without a HEPA exhaust, uncontained hydroblasting or high pressure wash, and dry scraping except around electrical outlets or except when treating defective paint spots no more than two square feet in any one interior room or space (hallway, pantry, etc.) or totaling no more than twenty square feet on exterior surfaces.
- iv. During exterior treatment soil and playground equipment must be protected from contamination.
- v. All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
- vi. Waste and debris must be disposed of in accordance with all applicable Federal, State, and local laws.
- I. The owner must take appropriate action to protect residents and their belongings from hazards associated with treatment procedures. Residents must not enter spaces undergoing treatment until cleanup is completed. Personal belongings that are in work areas must be relocated or otherwise protected from contamination.
- m. Prior to execution of the HAP contract, the owner must inform the Housing Authority and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
- n. The Housing Authority must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names and addresses of participants under this part. If a match occurs, the Housing Authority must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint, the Housing Authority must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this Section, the family must be issued a voucher to move.

- o. The Housing Authority must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the Housing Authority must keep the test results indefinitely and, if applicable, the owner certification and treatment. The records must indicate which chewable surfaces in the dwelling units have been tested and which chewable surfaces were tested or tested and treated in accordance with the standards prescribed in this Section, such chewable surfaces do not have to be tested or treated at any subsequent time.
- p. The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

J. Access

1. Performance Requirement

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirement

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

L. Sanitary Condition

1. Performance Requirement

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

- a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).

- b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992 (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

EXCEPTIONS TO THE HQS ACCEPTABILITY CRITERIA

The XYZ Housing Authority will utilize the acceptability criteria as outlined above with applicable State and local codes. Additionally, the XYZ Housing Authority has received HUD approval to require the following additional criteria:

- A. In each room, there will be at least one exterior window that can be opened and that contains a screen.

- B. Owners will be required to scrape peeling paint and repaint all surfaces cited for peeling paint with 2 coats of non-lead paint. An extension may be granted as a severe weather related item as defined below.
- C. Adequate heat shall be considered to be 68 degrees.
- D. In units where the tenant must pay for utilities, each unit must have separate metering device(s) for measuring utility consumption.
- E. A $\frac{3}{4}$ " overflow pipe must be present on the hot water heater safety valves and installed down to within 6 inches of the floor.

INTRODUCTION

The U.S. Department of Housing and Urban Development (HUD) conservatively estimates that 600 million dollars is paid annually to program participants who falsify or omit material facts in order to gain more rental assistance than they are entitled to under the law. HUD further estimates that 12% of all HUD-assisted families either are totally ineligible or are receiving benefits that exceed their legal entitlement.

The PHA is committed to assuring that the proper level of benefits is paid to all participating families and that housing resources reach only income-eligible families so that program integrity can be maintained.

The PHA will take all steps necessary to prevent fraud, waste, and mismanagement so that program resources are utilized judiciously.

This chapter outlines the PHA's policies for the prevention, detection, and investigation of program abuse and fraud.

A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

Under no circumstances will the PHA undertake an inquiry or an audit of a participating family arbitrarily. The PHA's expectation is that participating families will comply with HUD requirements, provisions of the voucher, and other program rules. The PHA staff will make every effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the PHA has a responsibility to HUD, the community, and eligible families in need of housing assistance to monitor participants and owners for compliance and, when indicators of possible abuse come to the PHA's attention, to investigate such claims.

The PHA will initiate an investigation of a participating family only in the event of one or more of the following circumstances:

Referrals, Complaints, or Tips. The PHA will follow up on referrals received by mail, by telephone, or in person from other agencies, companies or persons alleging that a family is in noncompliance with or otherwise violating the family obligations or any other program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the family's file.

Internal File Review. A follow-up will be made if PHA staff discovers (as a function of a certification or recertification, an interim redetermination, or a quality control review) information or facts which conflict with previous file data, the PHA's knowledge of the family, or statements made by the family.

Verification of Documentation. A follow-up will be made if the PHA receives independent verification or documentation that conflicts with representations in the family's file (such as public record information or reports from credit bureaus or other agencies).

B. STEPS THE PHA WILL TAKE TO PREVENT PROGRAM ABUSE AND FRAUD

The PHA management and staff will utilize various methods and practices (listed below) to prevent program abuse, noncompliance, and willful violations of program rules by applicants and participating families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by families.

Things You Should Know (HUD-1140-OIG). This program integrity bulletin (created by HUD's inspector general) will be furnished and explained to all applicants to promote understanding of program rules and to clarify the PHA's expectations for cooperation and compliance.

Program Orientation Session. Mandatory orientation sessions will be conducted by the PHA staff for all prospective program participants, either prior to or upon issuance of a voucher. At the conclusion of all program orientation sessions, the family representative will be required to sign a program briefing certificate to confirm that all rules and pertinent regulations were explained to them.

Resident Counseling. The PHA will routinely provide participant counseling as a part of every recertification interview in order to clarify any confusion pertaining to program rules and requirements.

Review and Explanation of Forms. Staff will explain all required forms and review the contents of all (re)certification documents prior to signature.

Use of Instructive Signs and Warnings. Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse

Participant Certification. All family representatives will be required to sign a participant certification form.

C. STEPS THE PHA WILL TAKE TO DETECT PROGRAM ABUSE AND FRAUD

The PHA Staff will maintain a high level of alertness to indicators of possible abuse and fraud by assisted families.

Quality Control File Reviews. Prior to initial certification and at the completion of all subsequent recertifications, **5 % of files** will be reviewed. At a minimum, such reviews shall examine:

Verification of all income and deductions

Authenticity of file documents

Ratio between reported income and expenditures

Dates and signatures on all forms

Observation. The PHA management and occupancy staff (to include inspection personnel) will maintain high awareness of circumstances which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income.

Observations will be documented in the family's computer file (F8 Screen).

Public Record Bulletins. These bulletins may be reviewed by management and staff.

State Wage Data Record Keepers. Inquiries to state wage and employment record keeping agencies, as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits

Credit Bureau Inquiries. Credit bureau inquiries may be made (with proper authorization by the participant) in the following circumstances:

When an allegation is received by the PHA wherein unreported income sources are disclosed

When a participant's expenditures exceed his/her reported income, and no plausible explanation is given

D. THE PHA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

The PHA staff will encourage all participating families to report suspected abuse to the Executive Director. All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented and placed in the participant's file. All allegations, complaints and tips will be carefully evaluated to determine whether they warrant follow-up. The **Executive Director** will not follow up on allegations that are vague or otherwise nonspecific. They will only review allegations that contain one or more independently verifiable facts.

File Review. An internal file review will be conducted to determine whether the subject of the allegation is a client of the PHA and, if so, whether or not the information reported has been previously disclosed by the family.

The PHA will then determine whether it is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

Conclusion of Preliminary Review. If at the conclusion of the preliminary file review there are facts contained in the allegation that conflict with file data and that are independently verifiable, the **Executive Director** will initiate an investigation to determine if the allegation is true or false.

E. OVERPAYMENTS TO OWNERS

The PHA will make every effort to recover any overpayments made as a result of landlord fraud or abuse. Payments otherwise due to the owner may be debited in order to repay the PHA or the tenant, as applicable.

F. HOW THE PHA WILL INVESTIGATE ALLEGATIONS OF ABUSE AND FRAUD

If the PHA determines that an allegation or referral warrants follow-up, either the staff person who is responsible for the file or a person designated by the executive director to monitor program compliance will conduct the investigation. The steps taken will depend upon the nature of the allegation and may include the items listed below. In all cases, the PHA will secure the written authorization from the program participant for the release of information.

Credit Bureau Inquiries. In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity that conflicts with the family's reported income.

Employers and Ex-Employers. Employers or ex-employers may be contacted to verify wages that may have been previously undisclosed or misreported.

Neighbors/Witnesses. Neighbors and/or other witnesses who are believed to have direct or indirect knowledge of facts pertaining to the PHA's review may be interviewed.

Other Agencies. Investigators, caseworkers or representatives of other benefit agencies may be contacted.

Public Records. The PHA will review any relevant public records kept in any jurisdictional courthouse. Examples of public records which may be checked are real estate records, marriage or divorce records, uniform commercial code financing statements, voter registration rolls, judgments, court or police records, state wage records, utility records, and postal records.

Interviews with Head of Household or Family Members. The PHA will discuss the allegation (or details thereof) with the head of household or family member by scheduling an appointment at the appropriate PHA office. A high standard of courtesy and professionalism will be maintained by the PHA staff person who conducts such interviews. Under no circumstances will inflammatory language, accusation, or any unprofessional conduct or language be tolerated by the management. If possible, an additional staff person will attend such interviews.

G. PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE PHA

Documents and other evidence obtained by the PHA during the course of an investigation will be considered "work product" and will be kept either in the participant's file or in a separate "work file." In either case, the participant's file or work file will be kept in a locked file cabinet. Such cases under review will not be discussed only among PHA Staff who are involved in the process or have information that may assist in the investigation.

H. CONCLUSION OF THE PHA'S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will report the findings to the executive director or designee. It will then be determined whether the facts are inconclusive and, if so, whether a violation has or has not occurred.

I. EVALUATION OF THE FINDINGS

If it is determined that a program violation has occurred, the PHA will review the facts to determine:

What type of violation has occurred (procedural noncompliance or fraud)

Whether the violation was intentional or unintentional

What amount of money (if any) is owed by the family

Whether the family is eligible for continued occupancy

J. ACTION PROCEDURES FOR VIOLATIONS THAT HAVE BEEN DOCUMENTED

Once a program violation has been documented, the PHA will propose the most appropriate remedy based upon the type and severity of the violation.

- 1. Procedural Noncompliance.** This category applies when the family "fails to" observe a procedure or requirement of the PHA but does not misrepresent a material fact and there are no retroactive assistance payments owed by the family.

Examples of noncompliance violations are:

Failure to appear at a prescheduled appointment

Failure to return verification in the time period specified by the PHA

(a) **Warning Notice to the Family.** In such cases a notice containing the following will be sent to the family:

A description of the noncompliance and the procedure, policy or obligation that was violated

The date by which the violation must be corrected or the procedure complied with

The action that will be taken by the PHA if the procedure or obligation is not complied with by the date specified by the PHA

The consequences of repeated (similar) violations

2. **Procedural Noncompliance - Overpaid Assistance.** When the family owes money to the PHA for failure to report changes in income or assets, the PHA will issue a notice of overpayment of assistance. This Notice will contain the following:

A description of the violation and the date(s)

Any amounts owed to the PHA

The number of days within which a response must be received

Acknowledgment of the family's right to disagree and to request an informal hearing along with instructions for the request of such hearing

- (a) Participant Fails to Comply with PHA's Notice. If the Participant fails to comply with the PHA's notice and a family obligation has been violated, the PHA will initiate termination of assistance.
- (b) Participant Complies with PHA's Notice. When a family complies the PHA's notice, the staff person responsible will meet with him/her to discuss and explain the family obligation or program rule that was violated. The staff person will complete a participant counseling report, give one copy to the family and retain a copy in the family's file.

3. Intentional Misrepresentations. When a participant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an overpayment of housing assistance by the PHA, the PHA will evaluate whether or not:

The participant had knowledge that his/her actions were wrong

The participant willfully violated the family obligations or the law

Knowledge. This will be evaluated by determining if the participant was made aware of program requirements and prohibitions. The participant's signature on various certifications, the briefing certificate, and the personal declaration are adequate to establish knowledge of wrongdoing.

Willful Intent. Any of the following circumstances will be considered adequate to demonstrate willful intent:

- (a) An admission by the participant of the misrepresentation
- (b) Repetition of the misrepresentation
- (c) Use of a false name or Social Security number
- (d) Admissions of the illegal action or omission by the participant to others
- (e) Omission of material facts known to participant (e.g., employment of the participant or other household member)
- (f) Falsification, forgery or altering documents
- (g) Uttering and certifying to statements at a interim (re)determination that are later independently verified to be false

4. Dispositions of Cases Involving Misrepresentations. In all cases of misrepresentations involving efforts to recover monies owed, the PHA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

- (a) Criminal Prosecution: If the PHA has established criminal intent and the case meets the criteria for prosecution, the PHA will:

Refer the case to the local state or district attorney, notify HUD's regional inspector general for investigation (RIGI), and terminate rental assistance.

- (b) Administrative Remedies: The PHA will:

Terminate assistance and demand restitution in full

Terminate assistance and execute an administrative repayment agreement in accordance with the PHA's repayment policy

Terminate assistance and pursue restitution through civil litigation

Permit continued assistance at the correct level and execute an administrative repayment agreement in accordance with the PHA's repayment policy.

5. The Case Conference for Serious Violations and Misrepresentations. When the PHA has established that material misrepresentation has occurred, a case conference will be scheduled with the family representative and the PHA staff person who is most knowledgeable about the circumstances of the case.

This conference will take place prior to any proposed action by the PHA. The purpose of such conference is to review the information and evidence obtained by the PHA with the participant and to provide the participant an opportunity to explain any document findings which conflict with representations in the family's file. Any documents or mitigating circumstances presented by the family will be taken into consideration by the PHA . The family will be given 10 (ten) days to furnish any mitigating evidence.

A secondary purpose of the case conference is to assist the PHA in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the PHA will consider:

The duration of the violation

Number of false statements

The family's ability to understand the rules

The family's willingness to cooperate and to accept responsibility for the family's actions

The amount of money involved

The family's history

The presence or absence of criminal intent

- 6. Notification to Participant of Proposed Action.** The PHA will notify the family of the proposed action no later than **Fifteen (15)** days after the case conference by certified mail.

The value of necessary items of personal property such as furniture and automobiles shall be excluded.
- b. In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income.

- c. In determining net family assets, housing authorities or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.
- d. For purposes of determining annual income under Section 8 Homeownership, the term “net family assets” does not include the value of a home currently being purchased with assistance under the Section 8 Homeownership Program. This exclusion is limited to the first 10 years after the purchase date of the home.
