Whether selecting the HUD-suggested objectives or their own, **PHAs ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing **With the decrease in FMR's which went into effect October, 2004, many private sector landlords in Laurel County cannot afford to rent through Section 8 as they can realize a greater income by renting to mainstream tenants. The agency plans to develop a homeownership program that will help us attain this goal.**

Objectives:

- Apply for additional rental vouchers: **If the opportunity arises, the agency plans to apply for additional vouchers.**
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:

- PHA Goal: Increase assisted housing choices
Objectives:
 - Provide voucher mobility counseling:
 - Conduct outreach efforts to potential voucher landlords

 - Implement voucher homeownership program: **The agency intends to develop a plan for a homeownership program. We are working on a list of contacts and resources for development of the plan. There have been five new apartment complexes and two low income subdivisions built in the county within the last five years which has greatly expanded the housing opportunities for low income families.**
 - Implement public housing or other homeownership programs:
 - Implement public housing site-based waiting lists:
 - Convert public housing to vouchers:
 - Other: (list below)

HUD Strategic Goal: Improve community quality of life and economic vitality

 - Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
 - Implement public housing security improvements:
 - Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
 - Other: (list below) **The agency attempts to discourage voucher holders from renting sub-standard dwellings by providing a listing of landlords that have a record of keeping their rental properties well kept and in good repair. Voucher holders are informed that it is ultimately their decision where they choose to live if the unit will pass HQS inspection and the landlord agrees to abide by the regulations and the HAP contract.**

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

- PHA Goal: Promote self-sufficiency and asset development of assisted households
Objectives:

Objectives:
 - Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability: **It is the policy of the agency to make accommodation for disabled individuals as much as possible. Every effort is made to ensure non-discrimination in all instances.**
 - Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:
 - Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required: **Due to a shortage of handicapped accessible units, we are actively encouraging landlords to build or retro-fit existing units for handicap accessibility.**

Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Laurel County Section 8 Housing Agency plans to implement a Homeownership Program but will not have accomplished this in the current plan year. The program requirements are not fully defined so are not included in this annual report. The agency plans to meet or exceed the HUD income-targeting requirement. The payment standards for the agency have been set at 110% of FMR's in order to enable families to rent throughout the jurisdiction. We have set a waiting list preference for Homeless and Spousal Abuse Sheltered families and victims of natural disasters. The agency has actively sought to increase our supply of available handicapped units by encouraging landlords to renovate existing units or build accessible units. If a NOFA is announced offering additional units, the agency plans to apply.

B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Families on the waiting list will be offered a voucher based on date and time of their application. It is the policy of the agency to give preference to families residing in a homeless or spouse abuse shelter or displaced by a natural disaster at the time of application. In view of the recent change in funding and the reduction of FMR's, the agency plans to monitor carefully the per unit costs but at this time there has been no necessity to implement a minimum rent. A minimum rent would place an undue burden on a large portion of the families served.

(1) Strategies

SECTION I. INTRODUCTION:

1. Mission Statement: Our goal is to provide decent, safe, and sanitary rental housing for eligible families and to provide opportunities and promote self-sufficiency and economic independence for Section 8 participants.

- ☞ In order to achieve this mission, we will:
- ☞ Recognize residents as our ultimate customer
- ☞ Improve Public Housing Authority (HA) management and service delivery efforts through effective and efficient management of HA staff
- ☞ Seek problem-solving partnerships with residents, landlords, community, and government leadership
- ☞ Apply limited HA resources to the effective and efficient management and operation of Section 8 programs.

2. Purpose of Policy: The purpose of this plan is to establish guidelines for the HA staff to follow in determining eligibility for the Section 8 programs. The basic guidelines for this plan, is governed by requirements of The Department of Housing and Urban Development (HUD), with latitude for local policies and procedures. The Policies and Procedures governing admissions and continued occupancy are outlined in this plan and these requirements are binding upon applicants, residents, landlords and this HA alike. Notwithstanding the above, changes in applicable federal law or regulations shall supersede provisions in conflict with this policy.

Federal Regulations shall mean those found in Section 24 CFR (Code of Federal Regulations)

3. Primary Responsibilities of the HA:

- ☞ Informing eligible families of the availability of Section 8 assistance;
- ☞ Encouraging owners to make their units available for lease by Section 8 participants;
- ☞ Determining the maximum amount of housing assistance payments that can be used for family-paid utilities; and posting the utility allowances annually;
- ☞ Receiving applications from families and determining their eligibility for assistance;
- ☞ Inspecting Section 8 units to determine that they meet or exceed Section 8 Housing Quality Standards;
- ☞ Approving leases;
- ☞ Making Housing Assistance Payments to owners;
- ☞ Perform annual and periodic re-examinations of income, family composition and re-determination of rent;

4. Objectives: The objectives of this plan are to:

- A. Promote the overall goal of decent, safe and sanitary housing by using the Section 8 program to house eligible families in private rental housing; therefore, increasing

the housing stock for very low-income families.

- B. Improve the County's housing stock by requiring participating landlords to meet Section 8 Housing Quality Standards for their rental property.
- C. Facilitate the efficient management of the HA and compliance with Federal Regulations by establishing policies for the efficient and effective management of the Section 8 program and staff.
- D. Comply in letter and spirit with Title VI of the Civil Rights Act of 1964, and all other applicable Federal laws and regulations to insure that occupancy in assisted housing is administered without regard to race, color, religion, sex, handicap, familial status and national origin.
- E. The Housing and Community Development Act of 1974 reflects Congress's intent that, where possible, the nation's existing housing stock should be preserved. The Section 8 Program will allow the HA to utilize existing housing stock and allow a family who qualifies for Section 8 Assistance and lives in substandard housing to remain, if the owner brings the house up to HQS standards and the Section 8 participant decides to remain in that unit.

5. Outreach:

- A. Outreach to Owners: The HA will encourage participation by owners of suitable units located outside areas of low income or minority concentration by distributing and communicating information concerning property owners leasing units under the Section 8 programs through the local media (newspaper, radio, television, etc.).
- B. Outreach to Potential Clients: The HA may make known to the public, through publications in a newspaper of general circulation as well as through minority media and other suitable means, the availability and nature of housing assistance for lower-income families. The notice shall inform such families where they may apply for Section 8 rental assistance. The HA shall take affirmative actions to provide opportunities to participate in the program to persons who, because of such factors as race, ethnicity, sex of household head, age, or source of income, are less likely to apply for Section 8 rental assistance. The HA may hold meetings concerning the Section 8 programs with local social community agencies.

SECTION II. FAIR HOUSING POLICY AND EQUAL OPPORTUNITY HOUSING PLAN

- 1. Fair Housing Policy: The Fair Housing Policy of the HA to comply fully with all Federal, State, and local nondiscrimination laws and in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment and with the Americans with Disabilities Act.

Specifically, the HA shall not on the basis of race, color, religion, sex, handicap, familial status, and national origin, deny any family or individual the opportunity to apply for or receive assistance under HUD's Section 8 Programs, within the requirements and regulations of HUD and other regulatory authorities. To further its commitment to full compliance with applicable Civil Rights laws, the HA will provide access to information to Section 8 participants regarding "discrimination". Also, this subject will be discussed during the briefing session and any complaints will be documented and made part of the applicants/participants file.

For families and/or individuals who report apparent discrimination in obtaining assisted housing, the HA shall assist them by providing the family/individual with a HUD Housing Discrimination Complaint Form, HUD - 903. The individual can complete this form and report apparent discrimination to the Birmingham HUD Office of Fair Housing and Equal Opportunity. For example, a resident may be trying to obtain other rental housing and/or is attempting to purchase a home and experiences apparent discrimination.

2. Equal Opportunity Housing Plan: The HA is a participant in the tenant-based program and is required to comply with equal opportunity requirements imposed by contract or federal law (Ref: 24 CFR 982.54). This includes applicable requirements under:
 - A. The fair housing act, 42 U. S. C. 3610-3619 (implementing regulations at 24 CFR parts 100, et seq.);
 - B. Title VI of the Civil Rights Act of 1964, 42 U. S. C. 2000d (implementing regulations at 24 CFR part1);
 - C. The age discrimination act of 1975, 42 U. S. C. 6101-6107 (implementing regulations at 24 CFR, part 146);

 - E. Section 504 of the Rehabilitation Act of 1973, 29 U. S. C. 794 (implementing regulations at 24 CFR, part 8; and
 - F. Title II of the Americans with Disabilities Act, 42 U. S. C.12101, et seq.

3. Equal Opportunity Posting Requirements:

- A. Statement of Policies and Procedures Governing the Section 8 Administrative Plan.
- B. Open Occupancy Notice (Applications being Accepted and/or Not Accepted)
- C. Income Limits for Admission.
- D. Utility Allowances.
- E. Informal Review and Hearing Procedure.

- F. Fair Housing Poster.

The reasonable amount of charges is determined by the HA, by conducting surveys of local child care providers. The results are posted in the HA office(s).

Note:

An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or other assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

 - C. Interest, dividends and other net income of any kind from real or personal property. (For this purpose, expenditures for amortization of capital indebtedness and an allowance for depreciation of capital assets shall not be deducted to determine the net income from real or personal property). All allowance for depreciation is permitted only as authorized in Paragraph “B” of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has Net Family Assets in excess of \$5,000.00, Annual Income shall include the greater of the actual income derived from all Net Family Assets or a percentage of the value of such assets based on the current passbook savings rate as determined by HUD;

 - D. The full amount of periodic payments received from social security, annuities, insurance policies, retirement funds, pensions, disability or death benefit and other similar types of periodic receipts, including a lump sum payment for the delayed start of a periodic payment;

- J. Veterans Administration compensation (Service Connected Disability or Death Benefits).

Note:

If it is not feasible to anticipate a level of income over a 12-month period, the income anticipated for a shorter period may be annualized, subject to a re-determination at the end of the shorter period.

Participants that receive lump-sum payments that are included as income and fall in the categories listed above, must report the income to the Section 8 Agency as soon as possible but no later than ten (10) calendar days after receipt of the funds and the applicable portion of the payment that is due as subsidy to the HA is due fourteen (14) days after the HA notifies the family of the amount due.

- 10. Applicant: (applicant family) A family that has applied for admission to a program, but is not yet a participant in the program.

11. Budget Authority: An amount authorized and appropriated by the Congress for payment to HAs under the program. For each funding increment in an HA program, budget authority is the maximum amount that may be paid by HUD to the HA over the ACC term of the funding increment.
12. Child - A member of the family, other than the family head or spouse, who is under 18 years of age.
13. Child Care Expenses: Child Care Expenses are amounts anticipated to be paid by the family for the care of children under thirteen (13) years of age during the period for which Annual Income is computed, but only where such care is necessary to enable a family member to *actively seek employment*, be gainfully employed or to further his/her education and only to the extent such amounts are not reimbursed. In the case of child care necessary to permit employment, the amount deducted must be verified and reflect reasonable charges and shall not exceed the amount of income received from such employment. The HA will not normally determine child, care expenses as necessary when the household contains an additional unemployed adult who is physically capable of caring for the children. The head of household must document the disability/handicap that prevents the adult from providing child, care.

 - A. The applicant/participant must have primary custody of the child.

21. Dependent: A member of the family (except foster children *and foster adults*), other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. An unborn child shall not be considered a dependent.
22. Disabled Person: (See “Handicapped Person”)
23. Displaced Family: A person, or family, displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.

27. Elderly Person: A person who is at least sixty-two (62) years of age.
28. Evidence of Citizenship or Eligible Immigration Status - The documents which must be submitted to evidence citizenship or eligible immigration status (Reference CFR 5.508(b)).
29. Extremely Low Income Family: A family, whose Annual Income does not exceed 30 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families. (Section 982.201(b) describes when a low-income family is income-eligible for admission to housing choice voucher program).
30. Fair Market Rent (FMR): The rent, including the cost of utilities (except telephone and or cable TV), that would be required to be paid in the housing market area to obtain privately owned, existing, decent, safe and sanitary rental housing of modest (non-luxury) nature with suitable amenities. FMRs for existing housing are established by HUD for housing units of varying sizes (number of bedrooms), and are published in the Federal Register in accordance with 24 CFR, part 888.

31. Familial Status - A single pregnant woman and individuals in the process of obtaining custody of any individual who has not attained the age of 18 years are processed for occupancy the same as single persons (Reference Federal Register published February 13, 1996, pages 5,662 and 5,663). In Section II "Reinventing Parts 812 and 912 of the Federal Register states:

"The April 10, 1992 proposed revisions to parts 812 and 912, which concern section 5(b) of the Fair Housing Amendments Act of 1988 (FHAA) and the treatment of single, pregnant women obtaining custody, are not included in this final rule. The statutory prohibition against housing discrimination towards such persons is sufficiently clear and enforceable. Since the percentage limit for occupancy by single persons (which could have been used to mask instances of discrimination against persons in these protected classes) has been eliminated, it is no longer necessary to distinguish persons in the FHAA-protected classes from other single persons."

Therefore, a single pregnant woman and individuals in the process of obtaining custody of any individual who has not attained the age of 18 years are processed for occupancy the same as single persons and only entitled subsidy for a zero or one-bedroom family unit size.

32. Family - (See Below) The term "family" as used in this policy means:

- A. Two or more persons with or without children (the temporary absence of a child from the home due to placement in foster care shall not be considered in determining family composition and family size); who live regularly together as a single household in the dwelling unit. By definition, a family must contain a competent adult of at least 18 years of age to enter into a contract and capable of functioning as the head of the household. If a second adult lives in the household they must be a party to the lease.
- B. An elderly family;
- C. A near-elderly family;
- D. A disabled family;
- E. A displaced family;
- F. The remaining member of a tenant family (Refer Definition No. 101); and
- G. A single person who is not elderly, displaced or a person with disabilities, or the remaining member of a tenant family.

Note:

Housing assistance limitation for single persons. A single person who is not an elderly or

displaced person, or a person with disabilities, or the remaining member of a tenant family may not be provided (for tenant-based assistance) housing assistance for which the family unit size exceeds the one bedroom level (Ref. 982.207 Housing assistance limitation for single persons, published in the Federal Register on 2/13/96).

The rule requires a single person to reside in either a zero or one bedroom subsidy size.

33. Family Self-Sufficiency (FSS) Program: The program established by an HA to promote self-sufficiency of assisted families, including the provision of supportive services (42 U. S. C. 1437u). Reference 24 CFR, part 984.

Note: Maximum Initial Rent Burden: On or after the merger date (10/01/99), a family must not pay more than 40% of adjusted annual income for rent when the family first receives assistance for occupancy of a particular unit. This requirement is applicable each time a participant moves to a new unit. However, it is not applicable if the family stays in the same unit where the family initially received voucher assistance for occupancy of the unit before the merger date.
35. Family Unit Size: The appropriate number of bedrooms for a family. Family unit size is determined by the HA under the HA subsidy standards.
36. FMR: The Section 8 Existing Housing fair market rent published by HUD Headquarters. For a tenancy in the voucher program the HA may adopt a payment standard up to 110% the FMR.
37. Foster Children: With the prior written consent of the HA, a foster child may be added as a Section 8 participant. The factors considered by the HA in determining whether or not consent is granted may include:
 - A. Whether the addition of a new occupant may require the issuance of a new Housing Choice Voucher with a larger subsidy standard.
 - B. The Section 8 landlord's obligation to allow reasonable accommodation for handicapped persons.
38. Full-Time Student: A member of a family (other than the head of household or spouse) who is carrying a subject load which is considered full-time for day students under the standards and practices of the educational institution attended. An educational institution includes a vocational school with diploma, as well as an institution offering a college degree. Verification will be supplied by the attended educational institution.

- D. Section 223 of the Social Security Act defines disability as:
 - (1) "inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve (12) months; or
 - (2) in the case of any individual who has attained the age of fifty-five (55) and is blind (within the meaning of "blindness" as defined in Section 416(I)1 of this title), inability by reason of such blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time."
- E. Section 102(5) of the Development Disabilities Services and Facilities Construction Amendments of 1970 defines, disability as:

"A disability attributable to mental retardation, cerebral palsy, epilepsy or another neurological condition of an individual found by the Secretary (of Health and Human Resources) to be closely related to mental retardation or to require treatment similar to that required for mentally retarded individuals, which disability originates before such individual attains age eighteen (18), which has continued or can be expected to continue indefinitely, and which constitutes a substantial

 - (2) An institution that provides a temporary residence for individuals intended to be institutionalized; or
 - C. A homeless family does not include:
 - (1) Any individual imprisoned or otherwise detained pursuant to an Act of the Congress or a State Law; or
 - (2) Any individual who is a Single Room Occupant that is not considered substandard housing as defined in 83 below.
 - (3) Any individual who is currently living or residing with another individual or family.
47. Housing Agency (HA): Housing Agency (formerly Public Housing Agency (PHA), PHA and HA are the same thing) A State, county, municipality or other governmental entity or public body (or agency or instrumentality thereof) authorized to engage in or assist in the development or operation of low-income housing.
48. Housing Assistance Payment (HAP): The monthly assistance payment by the HA. The total assistance payment consists of:
 - A. A payment to the owner for rent to owner under the family's lease.
 - B. An additional payment to the family if the total assistance payment exceeds the rent to owner. This is referred to as the Utility Assistance Payment in the Housing Choice Voucher Program. The HA may elect to pay the appropriate amount directly to the utility provider.

- A. **Equal Opportunity:** The Fair Housing Act makes it illegal to discriminate on the basis of race, color, religion, sex, handicap, familial status and national origin. This HA shall not deny any family the opportunity of applying for a Housing Choice Voucher.
- B. **Types of Selection:** The HA may admit an applicant for participation in the program either:
- (1) as a special admission (see definition below), or
 - (2) as a waiting list admission. Also, a Section 8 Participant is responsible for finding an existing housing unit suitable to the holder's needs and desires (Reference 24 CFR 982.353, Where family can lease a unit).
 - (3) As a port-in from another Housing Choice Voucher Program.
- C. **Special Admissions:** If HUD awards the HA program funding that is targeted for families living in specified units:

3. Order of Selection from the Waiting List:

A. When a Housing Choice Voucher is available, the HA will select the family at the top of the waiting list in accordance with Section XII., 2. above. The order of admission from the waiting list MAY NOT be based on family size, or on the family unit size for which the family qualifies under the HA occupancy guidelines.

If the HA does not have sufficient funds to subsidize the family unit size of the family at the top the waiting list, the HA MAY NOT skip the top family to admit an applicant with a smaller family unit size. Instead, the family at the top of the waiting list will be admitted when sufficient funds are available.

The HA'S system of removing applicants names from the waiting list WILL NOT violate the rights of a disabled person(s). If an applicant's failure to respond to a request from a HA for information or updates was caused by the applicant's disability, the HA will provide reasonable accommodations and give the applicant an opportunity to respond. An example of a reasonable accommodation would be to allow an applicant to be reinstated on the waiting list based on the original date and time of their application, if the applicant provides proof that they did not respond due to a disability. If the disability is not apparent, the HA may request the applicant to have a doctor submit a written statement indicating that the applicant did not respond due to their disability.
 6. Purging the Waiting List: To ensure that the HA's waiting list reflects the most current applicant information the waiting list will be updated and purged annually.
 7. Verification of Preference (timing), if applicable: At the time of application, initial determinations of an applicant's entitlement to a Preference may be made on the basis of an applicant's certification of their qualification for that preference. Preference must be verified by a written statement from the Homeless or Spousal Abuse Shelter within 24 hours of the application or the Preference will not be given to the applicant. *Preference for a victim of a Natural Disaster will be verified thru the REAC system.*

3. Format of the Briefing: When a Family initially receives its Housing Choice Voucher, a full explanation (oral) of the following shall be provided to assist the Family in finding a suitable unit and to apprise the Family of its responsibilities and the responsibilities of the Owner (this may be done either in group or individual sessions depending on the circumstances).  - (8) The form of request for lease approval, and an explanation of how to request HA approval to lease a unit;

4. Approval of Lease and Execution of Related Documents: Reference: 24 CFR 982.302 and 982.305.

When a family finds a unit, and the owner is willing to lease the unit under the program, the family may request the HA to approve the lease and unit.

Note:

Property Owners cannot participate in the program if they are disapproved by the HA as outlined in Section XIV below.

- B. After receiving notification from the HA, the Owner and HA representative shall schedule a meeting and execute and sign the Contract. After the contract is executed, the Owner and Family shall execute and sign the Lease and provide a copy to the HA.
- C. The HA shall retain the following in its files:

This certification will be maintained for three years to comply with HUD regulations and HUD inspections; and,
 - (5) Executed Contract.

SECTION XIV. HA DISAPPROVAL OF OWNER

- 1. Owner Debarred: The HA shall not approve a unit if the HA has been informed by HUD or otherwise, that the owner is debarred, suspended, or subject to a limited denial of participation. Also, when directed by HUD, the HA shall not approve a unit if:
 - A. The Federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other Federal equal opportunity requirements and the action is pending, or
 - B. A court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements.
- 2. HA Administrative Discretion: The HA may deny, on a case by case basis, approval to lease a unit from an owner for any one (1) of the following:

- (i) Threatens the right to peaceful enjoyment of the premises by other residents:
- (ii) Threatens the health or safety of other residents, of employees of the HA, or of owner employees or other persons engaged in management of the housing:
- (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or
- (iv) Is engaged in drug-related criminal activity or violent criminal activity.

Note:

After May 18, 1998, if the owner is a parent, child, grandparent, grandchild, sister, or brother of any member of the participant family, the HA shall not approve the unit. However, if the HA determines that approval of the unit would provide reasonable accommodation for a family member who is a disabled person, the unit may be approved.

SECTION XV. OWNER RESPONSIBILITY FOR SCREENING TENANTS

1. Suitability for Tenancy: The HA does not apply its option of screening family behavior or suitability for tenancy. The HA will inform the owner that the HA has not screened the family's behavior or suitability for tenancy and that such screening is the owner's own responsibility.
2. Family's Background: An owner may consider a family's background with respect to such factors as:
 - A. Payment of rent and utility bills.
 - B. Caring for a unit and premises.
 - C. Respecting the rights of others to the peaceful enjoyment of their housing.
 - D. Drug-related criminal activity or other criminal activity that is a threat to the life, safety or property of others and compliance with other essential conditions of tenancy.
3. Information Provided Owner Concerning Tenancy: The HA must give the owner the family's current address (as shown in the HA records) and the name and address of the landlord at the family's current and prior addresses, if known to the HA. The HA will provide information to an owner for all participants when the HA possesses the following:
 - A. The tenancy history of family members, or
 - B. Drug-trafficking by family members.

Information Provided Owner Concerning Criminal/Sex Offender Activity:

A. Owner access to criminal records.

(1) General.

The PHA must not disclose the household member's criminal conviction record or the content of that record to the owner.

SECTION XVI. WHERE A FAMILY CAN LEASE A UNIT WITH TENANT-BASED ASSISTANCE AND PORTABILITY PROCEDURES

1. Assistance in the Initial HA'S Jurisdiction: The family may receive tenant-based assistance to lease a unit located anywhere in the jurisdiction of the initial HA.
2. Portability - Assistance Outside the Initial HA Jurisdiction: Families living in the jurisdiction of the initial HA may receive tenant-based assistance to lease a unit in the jurisdiction of an HA anywhere in the United States that is administering a tenant-based program as long as the Payment Standard for the family in the receiving jurisdiction does not exceed this agency's Payment Standard by 5% or more.

Note:

Nonresident applicants (applicants that do not live in the legal jurisdiction of the initial HA) that apply for tenant-based assistance do not have any right to lease a unit outside the initial HA'S jurisdiction during the twelve (12) month period from the time the family is admitted to the program.

3. Income Eligibility:

- A. For admission to the housing choice voucher program, a family must be income eligible in the area where the family initially leases a unit with assistance in the housing choice voucher program.
- B. A portable family transferring must be income eligible for the new program in the area where the family leases an assisted unit. This requirement applies if the family is transferring from the initial HA'S voucher program to the receiving HA'S housing choice voucher program.

4. Leasing in Place: If the dwelling unit is approvable, a family may select the dwelling unit occupied by the family before selection for participation in the program.

5. Freedom of Choice: When the family selects eligible housing that meets all program requirements the HA may not directly or indirectly reduce the family's opportunity to select among available units.

6. Portability - Administration by the Receiving HA:

- A. When a family moves under portability to an area outside the initial HA jurisdiction, another HA (the receiving HA) must administer assistance for the family. When this

situation exists, the receiving HA must inform the initial HA whether the family is being absorbed into the Receiving HA's program or if the initial HA will be billed for the assistance paid on behalf of the family. If there is more than one tenant-based HA in the area to which the family wants to port, the initial HA may choose the receiving HA. If the receiving HA absorbs the family into their program, the initial HA has no further responsibility in administering the family's voucher and the initial HA may then re-issue said voucher per program requirements.

B. If the receiving HA is unable or unwilling to absorb the family but decides to bill the initial HA, then the family remains in the program of the initial HA and retains the initial HA voucher. The initial HA has the same responsibilities for administration of assistance for the family living outside the HA'S jurisdiction as for other families assisted by the HA within the HA'S jurisdiction.

8. Portability Procedures: An applicant must have lived in the initial HA jurisdiction for the immediate prior twelve month period for the HA to consider a request for Portability. The initial HA must determine whether the family is income-eligible in the area where the family wants to lease a unit. The initial HA must advise the family how to contact and request assistance from the receiving HA. The initial HA must promptly notify the receiving HA to expect the family. The family must promptly contact the receiving HA, and comply with receiving HA procedures for incoming portable families. The initial HA must give the receiving HA the most recent HUD Form 50058 for the family, and related verification information. If the receiving HA opts to conduct a new reexamination, the receiving HA may not delay issuing the family a housing choice voucher or otherwise delay approval of a unit unless the re-certification is necessary to determine income eligibility. When the portable family requests assistance from the receiving HA, the receiving HA must promptly inform the initial HA whether the receiving HA will bill the initial HA for assistance on behalf of the portable family, or will absorb the family into its own program. The receiving HA must determine whether to extend the housing choice voucher term. The family must submit a request for lease approval to the receiving HA during the term of the receiving HA housing choice voucher. The receiving HA must determine the family unit size for the portable family. The family unit size is determined in accordance with the subsidy standards of the receiving HA. The receiving HA must promptly notify the initial HA if the family has leased an eligible unit under the program, or if the family fails to submit a request for lease approval for an eligible unit within the term of the housing choice voucher. To provide tenant-based assistance for portable families, the receiving HA must perform all HA functions, such as reexamination of family income and composition, HQS inspections, etc.

9. Absorption by the Receiving HA: If funding is available for the receiving HA, when a certificate or voucher is received, the receiving HA may absorb the family into the receiving HA'S housing choice voucher program.

Note:

HUD may require a receiving HA to absorb all or a portion of the portable families.

10. Portability Billing: The receiving HA may bill the initial HA for housing assistance payment and administrative fees. The initial HA must promptly reimburse the receiving HA for the full amount of the housing assistance payments (HAP) made by the receiving

HA for the portable family. The amount of the HAP for a portable family in the receiving HA'S program is determined in the same manner as for other families in the receiving HA program. The initial HA must promptly reimburse the receiving HA for 80 percent of the initial HA'S on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs from the receiving HA. HUD may reduce the administrative fee to an initial HA, if the HA does not promptly reimburse the receiving HA for housing assistance payments or fees on behalf of portable families.

NOTE:

Portability procedures and payments must be followed as set out in HUD Notice 2005-1

SECTION XVII. ABSENCE FROM THE ASSISTED UNIT

Absence means that no member of the family is residing in the unit. Families participating in the program may be absence for a period of 14 calendar days without notifying the HA. If the family anticipates being absence for more than 14 consecutive calendar days, the Head of Household must request written permission from the HA prior to leaving the assisted unit. The written request must be submitted 30 calendar days in advance of the anticipated absence. The HA may approve absences in excess of 14 consecutive calendar days for vacation, hospitalization or other good cause as presented to the HA by head of household. The HA will respond in writing within 10 calendar days of the receipt of the request for approved absence. The HA will not approve any request for absence for a period of more than 180 consecutive calendar days in any circumstance, or for any reason.

Note:

If an emergency situations exist, such as hospitalization, the head of household must notify the HA by telephone as soon as possible and request a determination via the telephone. Verbal request for determination may only be made in emergency situations. The HA will respond verbally and follow-up its verbal determination in writing within ten calendar days of the verbal request.

SECTION XVIII. CONTINUED ASSISTANCE AFTER FAMILY BREAK-UP

The HA shall determine which family members will continue to receive assistance after a family break-up. The head of household, spouse or any adult member of the household must notify the HA that there has been a family break-up and continued assistance is being requested. The assisted family member making the request must submit the request in writing to the HA and request a determination. The request must be made with 10 calendar days of the break-up. The HA will consider the following factors in making this determination:

1. Assisted Unit: Whether the assistance should remain with family members remaining in the original assisted unit.
2. Interest of Family Members: The interest of minor children or of ill, elderly or disabled family members.

3. Physical Violence: Whether family members are forced to leave the unit as a result or actual or threatened physical violence against family members by a spouse or other member of the household.

The HA will issue a determination within 10 calendar days of receipt of the request for a determination. The person requesting the determination may request an Informal Hearing in accordance with the HA established procedures if they disagree with the determination of the HA.

Note:

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement or judicial decree, the HA is bound by the court's determination of which family members continue to receive assistance in the program.

SECTION XIX. SUBSIDY STANDARDS

The following subsidy standards shall determine the number of bedrooms required to accommodate each family without overcrowding or over-housing:

Subsidy Standard Chart

| Number of Bedrooms | Number of Persons | |
|--------------------|-------------------|---------|
| | Minimum | Maximum |
| 1 | 1 | 2 |
| 2 | 2 | 4 |
| 3 | 3 | 6 |
| 4 | 4 | 8 |
| 5 | 5 | 10 |

Section 8 participants shall be issued a Housing Choice Voucher based on the subsidy standard listed above. In determining family unit size for a particular family, the HA may grant an exception to the above subsidy standard if the HA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances. The family unit size for any family consisting of a single person must be either a zero or one-bedroom unit, unless a live in aide resides with the family. Any live in aide must be approved by the HA, in advance, and reside in the unit to care for a family member who is disabled or is at least 50 years of age. A live in aide must be counted in determining the family unit size.

A family that consists of a pregnant woman (with no other persons) must be treated as a one-person family.

A child who is temporarily away from the home because of placement in foster care is considered

a member of the family in determining the family unit size.

Note:

This agency follows the HUD regulation of allowing no more than two persons per sleeping room. However, when a child reaches the age of six (6) years, he/she will not be required to share a sleeping room with an older child of the opposite sex. Upon attaining the age of twelve, no child will be required to share a sleeping room with the Head of Household.

SECTION XX. INSPECTIONS OF PRIVATE LANDLORD'S PROPERTY:

When the HA receives a Request for Lease approval the HA shall inspect the unit for compliance with its housing quality standards (HQS). The HA will conduct the initial HQS inspection within 15 days after receipt of the inspection request from the family and owner. If there are defects or deficiencies which must be corrected in order for the unit to comply with HQS standards, the Owner shall be advised, in writing by the HA, of the work required to be done before a Contract can be executed. The unit will be re-inspected to ascertain that the necessary work has been performed and the unit meets HQS standards for occupancy.

Note:

It is the policy of the HA to perform an initial inspection and one (1) re-inspection at no cost to the Owner. If the Owner fails to correct the identified deficiencies and an additional re-inspection is required, the Owner may be charged \$25 for each additional re-inspection that is required because the Owner has not corrected the identified deficiencies outside the City limits and \$15 will be charged for each additional re-inspection within the city limits of London.

Note:

The HA shall not be required to perform an HQS inspection if the housing conditions are such that its inspector may be exposed to an unreasonable risk of harm.

The HA will maintain a copy of every inspection and re-inspection report for three years, with one exception. If the unit inspected requires testing for Lead Based Paint and/or the unit requires treatment of chewable surfaces based on the testing, the HA shall keep indefinitely the test results and, if applicable, the Owner certification of the treatment. The inspection reports will specify the defects or deficiencies, which must be corrected in order for the unit to be corrected for the unit to meet HQS standards. The inspection report will also reflect any other defects or deficiencies, that do not cause the unit to fail, in the event of a subsequent claim by the Owner that they were caused during the period of occupancy by the Family.

SECTION XXI. INSPECTION STANDARDS:

Before a unit can be approved for Occupancy under the Section 8 program, the unit must meet the performance requirements set forth in 24 CFR 982.401, which are the Housing Quality Standards (HQS) adopted by the HA. The HA does not elect to substitute, any state or local housing codes, for HQS. Further the HA does not elect to enforce any state or local codes in conjunction with HQS.

1. HQS Inspection Areas: The following areas are included in HQS inspections:

- ☞ Sanitary facilities;
- ☞ Food preparation and refuse disposal;
- ☞ Space and security;
- ☞ Thermal environment;
- ☞ Illumination and electricity;
- ☞ Structure and materials;
- ☞ Interior air quality;
- ☞ Water supply;
- ☞ Lead based paint;
- ☞ Access;
- ☞ Site and neighborhood;
- ☞ Sanitary condition; and
- ☞ Smoke Detectors.

Note:

The HA's inspection only certifies that the unit meets HQS federal regulations and the HA is not responsible for items not included in the HQS inspection. The HA will use HUD approved inspection forms to perform Section 8 Inspections.

2. Types of HQS Inspections:

- A. Initial Inspections: Performed by the HA staff **within 15 days** after receiving the Request for Lease Approval from the applicant.
- B. Yearly inspections (annual inspections) as required by HQS for tenants continuing to receive assistance and remaining in the same unit.
- C. Re-Inspections: Inspections that are performed by HA staff for the purpose of verifying that deficiencies noted in the previous inspection have been corrected and meet HQS.
- D. Quality Control Inspections: The management staff will re-inspect the required HUD percentage (based on a random sample) of the total number of Section 8 units under HAP contract to insure that inspections are being performed in compliance with HQS standards. The Executive Director may perform some or all of the re-inspections, as necessary.
- E. Special Inspections: These types of inspections may be necessary when a Federal Official visits the HA to perform a compliance review of the HA and/or the Owner may request a special inspection be performed to document the condition to the unit.
- F. Move-out Inspections: These inspections are performed after the tenant moves out of the unit and the Owner and/or the Owner's representative will be required to attend the move-out inspection. If the tenant plans to remain in the unit and the HAP contract is going to be canceled, the inspection can be performed with the tenant in place. Move-out inspections substantiate possible damage

claim/violation of family obligations. The Owner may write the HA and indicate that there are damages and request a move-out inspection. If an Owner requests a move out inspection to substantiate a damage claim/violation of family obligation the inspection must be completed prior to the work being done that will correct the damage. The Owner must request an inspection within 5 business days of the move-out. The HA may use this evidence to terminate the continuing assistance to the participant because of a family violation.

Note:

The HA is not responsible for any damage claim for HAP contracts. The tenant is liable for any damages above and beyond reasonable wear and tear on the unit.

SECTION XXII. DETERMINATION OF PARTICIPANT RENT AND RE-EXAMINATION OF INCOME AND FAMILY CIRCUMSTANCES

Rent as initially determined or at annual reexamination will remain in effect for the period between regular reexamination of family income and composition unless the following changes in family circumstances occur. Also, Section 8 participant agrees to report, in writing, and provide certification following any change in annual income within ten (10) calendar days of the occurrence.

- A. Change in family composition by loss or addition of any family member through birth, death, divorce, removal or other continuing circumstances and the amount, if any, of family member's income;
- B. Employment, unemployment, or changes in employment of a permanent nature of the family head, spouse, or other wage earner that is at least 18 years of age; or
- C. To correct errors made when determining eligibility or at reexamination.

Note:

If an error results in a retroactive rent payment due to the participant not providing correct information concerning annual income, the Section 8 participant may request the HA representative to approve a repayment schedule. The Section 8 participant must make the request, in writing, to the HA representative. The amount of the repayment will be the higher of \$10.00 per month or 10 percent of the monthly adjusted income. The HA representative will provide the Section 8 participant with a written response to their request and if approved the written notification will include the amount of the monthly repayment plus the due date of the first payment.

The final estimate of Family Income will be made by the HA on the basis of verified information regarding income.

There is no minimum income requirement to receive a voucher, but the staff should use good interviewing skills to determine whether there is income (as defined in Section IV) that is not being reported.

Families may not be required to apply for public assistance, but it may be suggested to them.

If the family reports zero income, the HA will have the family sign a verification form to verify that no income is being received. No participant will be allowed to claim zero income for more than 90 days. If at the end of 90 days, the family shows no income from wages, TANF, child support, SSI, etc. they will be required to fill out an imputed income form which will be annualized and used to determine the families TTP.

Families will be required to report any changes in their income status within **ten (10) calendar days** of the occurrence of employment/unemployment and/or any other type of income received. Families with zero income may be requested to re-certify monthly.

1. Annual Re-examination:

- A. Once each year, or as required by this HA, the HA must reexamine the income and family composition of all families participating the Section 8 Program in accordance with 24 CFR 5.617. Verifications acceptable to the HA shall be obtained and determinations made. In the event of failure or refusal of the family to report the necessary information, the HA may terminate the assistance.
- B. Records shall be maintained by the HA to insure that every participant's income and family composition has been reexamined within a twelve month period.
- C. Upon completion of reexamination and verification, the participant shall be notified, in writing, no later than thirty (30) days prior to the effective date of the following: (A copy of such notification is to be retained in the participant's file.)
 - (1) Any change in rent and the date on which it becomes effective.
 - (2) Any change required because of a change in the composition of the family.

2. Interim Re-determination of Rent: Rent as set at admission or Annual Re-examination will remain in effect for the period between regular rent determinations unless changes in family circumstances occur. The participant is required and agrees to report, in writing, the following specified changes in family income and composition within ten (10) calendar days of occurrence.

- A. Loss or addition to family composition of any kind through birth, death, marriage, divorce, removal or other continuing circumstance and the amount, if any, of such family member's income. Any such additions, other than birth, must be approved by the HA in advance, and must qualify, the same as an applicant or any prospective new participant.
- B. Employment, unemployment or changes in income for employment of a permanent nature of the family head, spouse, or other wage earner eighteen (18) years of age or older.
- C. The starting of or stopping of, or an increase or decrease of any benefits or payments received by any member of the family or household from Old Age Pension, Aid for Dependent Children, Black Lung, Railroad Retirement, Private Pension Fund, Disability Compensation, Veterans Administration, Child Support,

Alimony, Regular Contributions or Gifts. Lump sum payments or retroactive payments of benefits from any of the above sources, which constitute the sum of monthly payments for a preceding period paid in a lump-sum must be reported and rent adjusted retroactively on such income to date of eligibility for any family member residing in the household for that period of time.

- D. Cost of living increases in Social Security or public assistance grants need not be reported until next re-examination and re-determination of rent.
- E. Errors of omission made at admission or re-examination shall be corrected by the HA. Retroactive payments will be made to the participant if the error is in his/her favor.
- F. A participant who has had a rent reduction/increase after initial occupancy or after annual re-examination must report all changes in income within ten (10) calendar days regardless of the amount or source.

3. The Effective Dates of Interim Re-determination of Rent:

- A. Any decrease in rent resulting from any decreases in family income will be made effective the first of the month following the date the decrease in family income was reported and verified in writing.
- B. The participant agrees to pay any increase in rent resulting from an increase in family income the first of the second month following the date in which such increase in family income occurred, and to pay any back rent due because of failure to report such increase in family income.
 - (1) Any interim change in rent will require re-verification of all family income that has not been verified within ninety (90) calendar days of the previous rent determination.
 - (2) Participant agrees to pay any increase in rent resulting from the implementation of changes in rent computation or increases due to changes in regulations, policies or procedures requiring implementation by the United States Department of Housing and Urban Development.
 - (3) Temporary employment/unemployment or increases and decreases in wages "for any reason" of less than 30 days will not constitute a rent adjustment.
 - (4) If it is found that a participant has misrepresented or failed to report facts upon which rent is based so that the participant is paying less than they should be paying, the increase in rent shall be made retroactive to the date the increase would have taken effect. The participant will be required to pay the difference between the rent paid and the amount that should have been paid. In addition, the participant may be subject to civil and criminal penalties. Misrepresentation is a serious program violation, which may result in termination.

4. Reduction of Welfare Benefits: If the Section 8 participant requests an income re-examination and the rent reduction is predicated on a reduction in tenant income from welfare, the request will be denied, but only after obtaining written verification from the

welfare agency that the participant's family benefits, have been reduced because of:

- A. Noncompliance with economic self-sufficiency program or;
 - B. Work activities requirements or;
 - C. Because of fraud.
5. Exception to Rent Reductions: Families whose welfare assistance is reduced specifically because of fraud or failure to participate in an economic self-sufficiency program or comply with a work activities requirement will not affect their Section 8 tenant-based assistance.

SECTION XXIII. ADJUSTMENT TO UTILITY ALLOWANCES, CONTRACT RENTS, MONTHLY HOUSING ASSISTANCE PAYMENTS AND FAMILY SHARE

1. Utility Allowance Schedule.

- A. Maintaining schedule.
 - (1) The HA must maintain a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).
 - (2) The HA must give HUD a copy of the utility allowance schedule. At HUD's request, the HA also must provide any information or procedures used in preparation of the schedule.
- B. Revisions of utility allowance schedule. The Utility Allowance schedules are reviewed and, if necessary, revised effective October 1 of each year.
 - (1) An HA must review its schedule of utility allowances each year, and must revise its allowance for a utility category if there has been a change of 10 percent or more in the utility rate since the last time the utility allowance schedule was revised. The HA must maintain information supporting its annual review of utility allowances and any revisions made in its utility allowance schedule.
 - (2) At HUD's direction, the HA must revise the utility allowance schedule to correct any errors, or as necessary to update the schedule.
- C. Use of utility allowance schedule.
 - (1) The HA must use the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the HA subsidy standards).
 - (2) At reexamination, the HA must use the HA current utility allowance schedule.
- D. Higher utility allowance as reasonable accommodation for a person with

disabilities. On request from a family that includes a person with disabilities, the HA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation in accordance with 24 CFR part 8 to make the program accessible to and usable by the family member with a disability.

Note:

The HA, at its discretion, has the option of paying the UAP to the program participant or the utility company. The participant's consent is **NOT** needed for this action.

2. Contract Rents: Contract Rents may be adjusted as provided below:

- A. The rent to owner may not be increased during the first term of the lease.
- B. The owner may increase the family's rent at any time after the initial term of the lease, subject to the HA's approval based on rent reasonableness, with a 60 days written notice to the family and the HA.

Overall Limitation of Adjustments: Notwithstanding any other provisions of this part, adjustments as provided for in this section shall not result in material differences between the rents charged for assisted and comparable unassisted units.

2. Monthly Housing Assistance Payment (HAP) Payments: Monthly payments will be made to an owner on behalf of a family participating in the Section 8 Program. Payments will be issued in accordance with the Housing Assistance Payment Contract. The checks will be issued on a monthly basis and mailed directly to the participating owner (due on the fifth (5) day of each month for the current month.) A copy of the check stub will be kept and serve as a record of payment.

If the housing assistance payment exceeds the rent to owner, the HA may pay the balance of the housing assistance payment either to the family or directly to the utility supplier to assist in paying utilities on behalf of the family.

3. Family Share: (Family responsibility).

- A. The family share is calculated by subtracting the amount of the housing assistance payment from the gross rent.

Note: Maximum Initial Rent Burden: A family must not pay more than 40% of adjusted income for rent when the family first receives assistance for occupancy of a particular unit. This requirement is applicable each time a participant moves to a new unit. However, it is not applicable if the family stays in the same unit where the family initially received housing choice voucher assistance for occupancy of the unit before the merger date.

- B. The HA may not use housing assistance payments or other program funds (including any administrative fee reserve) to pay any part of the family share. Payment of the family share is the responsibility of the family.

SECTION XXIV. FAIR MARKET RENT (FMR), PAYMENT STANDARD FOR VOUCHERS AND RENT REASONABLENESS LIMITATION

1. Negotiating Rent to Owner. The owner and the family negotiate the rent to owner. At the family's request, the HA must help the family negotiate the rent to owner.

2. Rent to Owner: Reasonable Rent:
 - A. HA determination.
 - (1) The HA may not approve a lease until the HA determines that the initial rent to owner is a reasonable rent.
 - (2) The HA must re-determine the reasonable rent:
 - (3) Before any increase in the rent to owner;
 - (4) If there is a five percent decrease in the published FMR in effect 60 days before the contract anniversary (for the unit size rented by the family) as compared with the FMR in effect one year before the contract anniversary; or
 - (5) If directed by HUD.
 - (6) The HA may also re-determine the reasonable rent at any other time.
 - (7) At all times during the assisted tenancy, the rent to owner may not exceed the reasonable rent as most recently determined or redetermined by the HA.

 - B. Comparability. The HA must determine whether the rent to owner is a reasonable rent in comparison to rent for other comparable unassisted units.

| |
|---|
| Note: The rent reasonableness methodology used by this HA is attached to this document as Appendix "A" |
|---|

- C. Owner certification of rents charged for other units. By accepting each monthly housing assistance payment from the HA, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises. The owner must give the HA information requested by the HA on rents charged by the owner for other units in the premises or elsewhere.
3. Maximum Subsidy: FMR/Exception Rent Limit.
 - A. Purpose.
 - (1) Fair market rents (FMRs) are published by HUD. In the voucher program, the FMR/exception rent limit is used to determine the payment standards.

 - (2) The payment standard must be between 90% and 110% of the FMR/exception rent limit and is the maximum subsidy for a family. **This agency uses 110% of the FMR.**

 - B. Determining exception rent.

- (1) Area exception rent: HUD approval.
 - (a) At HUD's sole discretion, HUD may approve an area exception rent for all units, or all units of a given size (number of bedrooms), leased by program families in a part of the fair market rent area that is designated as an "exception rent area." A HUD-approved area exception rent applies to all HAS with jurisdiction of the exception rent area.
 - (b) An area exception rent may not exceed 120% of the FMR.
 - (c) HUD will determine the area exception rent by either of the two following methods:
 - (i) Median rent method. In the median rent method, HUD determines the area exception rent by multiplying the FMR times a fraction of which the numerator is the median gross rent of the exception rent area and the denominator is the median gross rent of the entire FMR area. In this method, HUD uses median gross rent data from the most recent decennial United States census, and the exception rent area may be any geographic entity within the FMR area (or any combination of such entities) for which median gross rent data is provided in decennial census data products.
 - (ii) 40th percentile rent method. In this method, HUD determines that the area exception rent equals the 40th percentile of rents to lease standard quality rental housing in the exception rent area. HUD determines the 40th percentile rent in accordance with the methodology described in 24 CFR 888.113 for determining fair market rents. An HA that asks HUD to approve an area exception rent determined by the 40th percentile rent method must present statistically representative rental housing survey data that justify exception rent approval by HUD.
 - (d) An area exception rent will not be approved unless HUD determines that an exception rent is needed either:
 - (i) To help families find housing outside areas of high poverty; or
 - (ii) Because voucher holders have trouble finding housing for lease under the program within the term of the voucher.
 - (e) The total populations of exception rent areas in an FMR area may not include more than 50 percent of the population of the fair market rent area.
 - (f) At any time, HUD may withdraw or modify any approved area exception rent.
- (2) Exception payment standard rent as reasonable accommodation for person with disabilities: HA approval. On request from a family that includes a person with disabilities, the HA may approve an exception payment standard of up to 110% of the fair market rent if the exception rent is needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR part 8. Also, HUD may approve an exception payment standard from 110% to 120% of the published FMR for a reasonable accommodation.

4. Voucher Tenancy (How to calculate housing assistance payment).

- A. Payment Standard. A payment standard is used to calculate the monthly housing assistance payment for a family. The payment standard is the maximum monthly subsidy payment for a family. **This agency uses 110% of the FMR as the payment standard.**
- B. Amount of assistance.
- (1) Voucher payment standard: Maximum and Minimum.
 - (a) The HA must adopt a payment standard schedule that establishes payment standards for the HA voucher program. For each FMR area and for each exception rent area, the HA must establish voucher payment standard amounts by unit size (zero-bedroom, one-bedroom, and so on).
 - (b) For a voucher tenancy, the payment standard for each unit size may not be:
 - (i) More than 110% of the current FMR/exception rent limit; or
 - (ii) Less than 90 percent of the current FMR/exception rent limit, unless a lower percent is approved by HUD.
 - (2) Formula.
 - (a) The housing assistance payment for a family equals the lesser of:
 - (i) The applicable payment standard minus 30 percent of monthly adjusted income; or
 - (ii) The monthly gross rent minus the minimum rent.
 - (b) The minimum rent is the higher of:
 - (i) 10 percent of monthly income (gross income); or
 - (ii) The HA's established minimum rent.
 - (3) Voucher payment standard schedule.
 - (a) The voucher payment standard schedule establishes a single payment standard for each unit size in an FMR area and, if applicable, in a HUD-approved exception rent area within an FMR area.
 - (b) Payment standard amounts on the payment standard schedule must be within the maximum and minimum limits stated in paragraph 1(b) of this section. Within these limits, payment standard amounts on the schedule may be adjusted annually, at the discretion of the HA, if necessary to assure continued affordability of units in the HA jurisdiction.
 - (c) To calculate the housing assistance payment for a family, the HA must use the applicable payment standard from the HA payment standard schedule for the fair market rent area (including the applicable payment standard for any HUD-approved exception rent area) where the unit rented by the family is located.
- C. Payment standard for family.
- (1) The payment standard for a family is the lower of:
 - (a) The payment standard for the family unit size; or
 - (b) The payment standard for the unit size rented by the family; or
 - (c) The gross rent for the unit.
 - (2) If the unit rented by a family is located in an exception rent area, the HA must use the appropriate payment standard for the exception rent area.
 - (3) During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:

- (a) The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or
 - (b) The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
 - (4) If there is a change in family size or composition during the HAP contract term, paragraph (d)(4)(i) of this section does not apply at the next regular reexamination following such change, or thereafter during the term.
5. Rent to Owner: (Effect of rent control).

In addition to the rent reasonableness limit under this subpart, the amount of rent to owner also may be subject to rent control limits under State or local law.

6. Other Fees and Charges.

- A. The cost of meals or supportive services may not be included in the rent to owner, and the value of meals or supportive services may not be included in the calculation of reasonable rent.
- B. The lease may not require the participant or family members to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.
- C. The owner may not charge the participant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

7. Distribution of Housing Assistance Payment.

The monthly housing assistance payment is distributed as follows:

- A. The HA pays the owner the lesser of the housing assistance payment or the rent to owner.
- B. If the housing assistance payment exceeds the rent to owner, the HA may pay the balance of the housing assistance payment either to the family or directly to the utility supplier to pay the utility bill on behalf of the family.

8. Family Share: (Family responsibility).

- A. The family share is calculated by subtracting the amount of the housing assistance payment from the gross rent.
- B. The HA may not use housing assistance payments or other program funds (including any administrative fee reserve) to pay any part of the family share. Payment of the family share is the responsibility of the family.

9. Family Income and Composition: (Regular and interim examinations).

A. HA responsibility for reexamination and verification.

- (1) The HA's responsibilities for reexamining family income and composition are specified in 24 CFR part 5, subpart F.
- (2) The HA must obtain and document in the participant file third party verification of the following factors, or must document in the participant file why third party verification was not available:
 - (a) Reported family annual income;
 - (b) The value of assets;
 - (c) Expenses related to deductions from annual income; and
 - (d) Other factors that affect the determination of adjusted income.

B. When HA conducts interim reexamination.

- (1) At any time, the HA may conduct an interim reexamination of family income and composition.
- (2) At any time, the family may request an interim determination of family income or composition because of any changes since the last determination. The HA must make the interim determination within a reasonable time after the family request.
- (3) Interim examinations must be conducted in accordance with policies in the HA administrative plan.

C. Family members income. Family income must include income of all family members, including family members not related by blood or marriage. If any new family member is added, family income must include any income of the additional family member. The HA must conduct a reexamination to determine such additional income, and must make appropriate adjustments in the housing assistance payment and family unit size.

SECTION XXV. AFFORDABILITY ADJUSTMENTS AND RENT PROVISIONS-VOUCHERS & HOUSING CHOICE VOUCHER ONLY

1. Annual Increases of Payment Standards. The HA, in its discretion, may adopt annual increases of payment standards amounts (up to 110% of the HUD published FMR's) on the payment standard schedule so that families can continue to afford to lease units with assistance under the Housing Voucher Program (Reference 24 CFR 982.617). In determining when an adjustment to the payment is necessary the HA will consider,

- A. Rent burden (number of families paying more than 30% of income for rent)
- B. Success rate in leasing, and
- C. Percentage of FMR

2. Rent Negotiation. Under the Housing Voucher Program and Housing Choice Voucher Program, the rent to the owner is a matter of negotiation between the owner and the family. The rent must be within the guidelines of "rent reasonableness", and this rental amount must be certified by the HA as falling within the guidelines of "rent reasonableness". If

requested by the family, the HA must also assist the family in negotiating a reasonable rent with the owner. (Reference 24 CFR 982.309)

3. Rent Increase: The rent to owner may not be increased during the first year of the lease. The lease may provide that the owner may increase the rent at any time after the first anniversary of the lease, but the owner must give the tenant and the HA 60 days written notice of any increase before it takes effect. (Reference 982.309)
4. HA Disapproval of Lease: The HA may disapprove a lease for a rent that is not reasonable, based on rents charged for comparable rental units. HAs may exercise this authority in communities where the market is not functioning normally or where some families are not able to negotiate reasonable rent on their own. For example, where there is a concentration of ownership by a small number of landlords, or where rents charged to voucher holders are greater than rents charged to certificate holders living in comparable units. A HA must document each case in which it disapproves a lease because the rent is not reasonable. (Reference 982.309)

SECTION XXVI. SECURITY DEPOSIT

The owner establishes the amount of the security deposit to be charged. The security deposit should be consistent with private market practice, or security deposits for the owner's unassisted units. When the tenant moves out of the dwelling unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease. The owner must give the tenant a written list of all charges against the security deposit, and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

Note:

IF THE SECURITY DEPOSIT IS NOT SUFFICIENT TO COVER AMOUNTS THE TENANT OWES UNDER THE LEASE, THE OWNER MAY SEEK TO COLLECT THE BALANCE FROM THE TENANT.

Note:

The HA is not responsible for any damages to the unit and will not process any damage claims for HAP contracts signed after October 2, 1995.

SECTION XXVII. TERMINATION OF TENANCY BY OWNER

1. Reasons for Termination: The Owner shall not terminate the tenancy of the Family except for:

- A. Serious or repeated violation of the terms and conditions of the Lease;
 - B. Criminal Activity by the tenant, any member of the household, a guest or another person under the tenant's control shall be cause for termination of tenancy. Criminal activity is defined as, criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or by persons residing in the immediate vicinity of the premises.
 - C. Violation of Federal , State or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises; or
 - D. Other good cause, which may include, but not be limited to: failure by the family to accept the offer of a new lease or revision; a family history of disturbance of neighbors or destruction of property, or of living or housekeeping habits resulting in damage to the unit or premises; the owner's desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit; or a business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, desire to lease the unit at a higher rental).
2. Eviction by Court Action: The Owner may evict the Family from the Contract unit only by instituting a court action. The Owner must notify the HA, in writing, of the commencement of procedures for termination of tenancy, at the same time that the Owner gives notice to the Family under State law.
 3. Written Notice: Owners must provide written notice of not less than 1 year before termination of a project-based certificate or moderate rehabilitation HAP contract because of an owner opt-out or expiration of the HAP contract. Copies of these notices must be provide to the HA. (Reference HUD Notice PIH 93-54, issued October 19, 1993 and 24 CFR 982.455).
 4. Termination During First Year: During the first year of the lease term, the owner may not terminate the tenancy for "other good cause", unless the owner is terminating the tenancy because of something the family did or failed to do. For example, during this period, the owner may not terminate the tenancy for "other good cause", based on any of the following grounds: failure by the family to accept the offer of a new lease or revision; the owner's desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit; or a business or economic reason for termination of tenancy (See 1 D above).

SECTION XXVIII. TERMINATION OF HOUSING ASSISTANCE PAYMENT (HAP) CONTRACT

1. Termination of HAP Contract When the Unit is to Big or Too Small: If the HA determines that a unit does not meet the HQS space standards because of an increase in family size or a change in family composition, the HA must issue the family a new certificate or voucher, and the family and HA must try to find an acceptable unit as soon as possible. When the subsidy is too big for the family size, for the tenant-based certificate program only, the HA

must issue the family a new certificate, and the family and the HA must try to find and acceptable unit as soon as possible. If the family is residing in a dwelling unit with a larger number of bedrooms than appropriate for the family unit size under the HA subsidy standard and the gross rent for the unit(sum of the contract rent plus any utility allowance for the unit size leased) exceeds the FMR or exception rent, the HA must notify the family that exceptions to the subsidy standard may be granted, and the circumstances in which the HA may grant and exception. If an acceptable unit is available for rental by the family within the FMR/exception rent limit, the HA must terminate the HAP contract in accordance with its terms.

2. Breach of Contract: Termination of HAP contract for owner breach of contract. Breaches of the contract of outlined in the contract.
3. Automatic Termination of HAP Contract: The HAP contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.

**SECTION XXIX. PROGRAM MANAGEMENT PLAN - Organization Plan
(See attached Exhibit “C”)**

1. Executive Director: Responsible for all aspects of the Section 8 Programs.
2. Housing Coordinator: Performs certifications and re-certifications, prepares housing assistance payments, and assists in application and issuing process.
3. Assistant Coordinator: Performs same duties as the Housing Coordinator.
4. Receptionist/Secretary: Performs receptionist and Secretarial duties.

**SECTION XXX. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
REVIEW OF CONTRACT COMPLIANCE**

HUD will review program operations at such intervals as it deems necessary to insure that the owner and the HA are in full compliance with the terms and conditions of the contract and the ACC. Equal opportunity review may be conducted with the scheduled HUD review or at any time deemed appropriate by HUD.

SECTION XXXI. ADMINISTRATIVE FEE RESERVE EXPENDITURES

Expenditures from the administrative fee reserve of the Section 8 programs in excess of \$2,500.00 will be approved by the board of the Laurel County Fiscal Court.

SECTION XXXII. SPECIAL HOUSING TYPES

1. Overview

- A. Special housing types. This subpart describes program requirements for special housing types. The following are the special housing types:

- (1) Single room occupancy (SRO) housing;
 - (2) Congregate housing;
 - (3) Group home;
 - (4) Shared housing;
 - (5) Cooperative (including mutual housing);
 - (6) Manufactured home.
- B. HA choice to offer special housing type.
- (1) The HA may permit a family to use any of the following special housing types in accordance with requirements of the program: single room occupancy housing, congregate housing, group home, shared housing or cooperative housing.
 - (2) In general, the HA is not required to permit use of any of these special housing types in its program.
 - (3) The HA must permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR part 8.
 - (4) For occupancy of a manufactured home, see Sec. 982.620(a).
- C. Family choice of housing and housing type. The HA may not set aside program funding for special housing types, or for a specific special housing type. The family chooses whether to rent housing that qualifies as a special housing type under this subpart, or as any specific special housing type, or to rent other eligible housing in accordance with requirements of the program. The HA may not restrict the family's freedom to choose among available units in accordance with Sec. 982.353.
- D. Applicability of requirements. Except as modified by this subpart, requirements in the other subparts of this part apply to the special housing types. Provisions in this subpart only apply to a specific special housing type. The housing type is noted in the title of each section.

2. Single Room Occupancy (SRO)

- A. SRO: General. Sec. 982.602
- (1) Who may reside in an SRO? A single person may reside in an SRO housing unit.
 - (2) When may a person rent an SRO housing unit? A single person may rent a unit in SRO housing only if:
 - (a) HUD determines there is significant demand for SRO units in the area;
 - (b) The HA and the unit of general local government approve providing assistance for SRO housing under the program; and
 - (3) The unit of general local government and the HA certify to HUD that the property meets applicable local health and safety standards for SRO housing.

- B. SRO: Lease and HAP contract. Sec. 982.603

For SRO housing, there is a separate lease and HAP contract for each assisted person.

- C. SRO: Rent and housing assistance payment. Sec. 982.604

- (1) Payment standard. The HA must adopt a payment standard for persons who occupy SRO housing with assistance under the voucher program. The SRO payment standard may not exceed the FMR/exception rent limit for SRO housing. While an assisted person resides in SRO housing, the SRO payment standard must be used to calculate the housing assistance payment.
 - (2) Utility allowance. The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.
- D. SRO: Housing quality standards. Sec. 982.605
- (1) (a) HQS standards for SRO. The HQS in Sec. 982.401 apply to SRO housing. However, the standards in this section apply in place of Sec. 982.401
 - (b) (sanitary facilities), Sec. 982.401(c) (food preparation and refuse disposal), and Sec. 982.401(d) (space and security). Since the SRO units will not house children, the housing quality standards in Sec. 982.401(j), concerning lead-based paint, do not apply to SRO housing.
 - (2) Performance requirements.
 - (a) SRO housing is subject to the additional performance requirements in this paragraph (b).
 - (b) Sanitary facilities, and space and security characteristics must meet local code standards for SRO housing. In the absence of applicable local code standards for SRO housing, the following standards apply:
 - (i) Sanitary facilities.
 - (A) At least one flush toilet that can be used in privacy, lavatory basin, and bathtub or shower, in proper operating condition, must be supplied for each six persons or fewer residing in the SRO housing.
 - (B) If SRO units are leased only to males, flush urinals may be substituted for not more than one-half the required number of flush toilets. However, there must be at least one flush toilet in the building.
 - (C) Every lavatory basin and bathtub or shower must be supplied at all times with an adequate quantity of hot and cold running water.
 - (D) All of these facilities must be in proper operating condition, and must be adequate for personal cleanliness and the disposal of human waste. The facilities must utilize an approvable public or private disposal system.
 - (E) Sanitary facilities must be reasonably accessible from a common hall or passageway to all persons sharing them. These facilities may not be located more than one floor above or below the SRO unit. Sanitary facilities may not be located below grade unless the SRO units are located on that level.
 - (ii) Space and security.
 - (A) No more than one person may reside in-an SRO unit.
 - (B) An SRO unit must contain at least one hundred ten square feet of floor space.
 - (C) An SRO unit must contain at least four square feet of closet space for each resident (with an unobstructed height of at least

five feet). If there is less closet space, space equal to the amount of the deficiency must be subtracted from the area of the habitable room space when determining the amount of floor space [[Page 23866]] in the SRO unit. The SRO unit must contain at least one hundred ten square feet of remaining floor space after subtracting the amount of the deficiency in minimum closet space.

(D) Exterior doors and windows accessible from outside an SRO unit must be lockable.

3) Access.

(a) Access doors to an SRO unit must have locks for privacy in proper operating condition.

(b) An SRO unit must have immediate access to two or more approved means of exit, appropriately marked, leading to safe and open space at ground level, and any means of exit required by State and local law.

(c) The resident must be able to access an SRO unit without passing through any other unit.

(4) Sprinkler system. A sprinkler system that protects all major spaces, hard wired smoke detectors, and such other fire and safety improvements as State or local law may require must be installed in each building. The term "major spaces" means hallways, large common areas, and other areas specified in local fire, building, or safety codes.

3. Congregate Housing

A. Who may reside in congregate housing. Sec. 982.606

(1) An elderly person or a person with disabilities may reside in a congregate housing unit.

(a) If approved by the HA, a family member or live-in aide may reside with the elderly person or person with disabilities.

(b) The HA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR part 8. See Sec. 982.316 concerning occupancy by a live-in aide.

B. Lease and HAP contract. Sec. 982.607

For congregate housing, there is a separate lease and HAP contract for each assisted family.

C. Rent and housing assistance payment; FMR/exception rent limit. Sec. 982.608

(1) Unless there is a live-in aide:

(a) The FMR/exception rent limit for a family that resides in a congregate housing unit is the zero-bedroom FMR/exception rent limit.

(b) However, if there are two or more rooms in the unit (not including kitchen or sanitary facilities), the FMR/exception rent limit for a family that resides in a congregate housing unit is the one-bedroom FMR/exception rent limit.

(2) If there is a live-in aide, the live-in aide must be counted in determining the family unit size.

- D. Housing quality standards. Sec. 982.609
- (1) HQS standards for congregate housing. The HQS in Sec. 982.401 apply to congregate housing. However, the standards in this section apply in place of Sec. 982.401(c) (food preparation and refuse disposal). Congregate housing is not subject to the HQS acceptability requirement in Sec. 982.401(d)(2)(i) that the dwelling unit must have a kitchen area.
 - (2) Food preparation and refuse disposal: Additional performance requirements. The following additional performance requirements apply to congregate housing:
 - (a) The unit must contain a refrigerator of appropriate size.
 - (b) There must be central kitchen and dining facilities on the premises. These facilities:
 - (i) Must be located within the premises, and accessible to the residents;
 - (ii) Must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner;
 - (iii) Must be used to provide a food service that is provided for the residents, and that is not provided by the residents; and (iv) Must be for the primary use of residents of the congregate units and be sufficient in size to accommodate the residents.
 - (c) There must be adequate facilities and services for the sanitary disposal of food waste and refuse, including facilities for temporary storage where necessary.

4. Group Home

- A. Who may reside in a group home. Sec. 982.610
- (1) An elderly person or a person with disabilities may reside in a State-approved group home.
 - (2)
 - (a) If approved by the HA, a live-in aide may reside with a person with disabilities.
 - (b) The HA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR part 8. See Sec. 982.316 concerning occupancy by a live-in aide.
 - (3) Except for a live-in aide, all residents of a group home, whether assisted or unassisted, must be elderly persons or persons with disabilities.
 - (4) Persons residing in a group home must not require continual medical or nursing care.
 - (5) Persons who are not assisted under the tenant-based program may reside in a group home.
 - (6) No more than 12 persons may reside in a group home. This limit covers all persons who reside in the unit, including assisted and unassisted residents and any live-in aide.
- B. Lease and HAP contract. Sec. 982.611

For assistance in a group home, there is a separate HAP contract and lease for each assisted person.

C. State approval of group home. Sec. 982.612

A group home must be licensed, certified, or otherwise approved in writing by the State (e.g., Department of Human Resources, Mental Health, Retardation, or Social Services) as a group home for elderly persons or persons with disabilities.

D. Rent and housing assistance payment. Sec. 982.613

(1) Meaning of pro-rata portion. For a group home, the term “pro-rata portion,” means the ratio derived by dividing the number of persons in the assisted household by the total number of residents (assisted and unassisted) residing in the group home. The number of persons in the assisted household equals one assisted person plus any HA-approved live-in aide.

(2) Rent to owner: Reasonable rent limit.

(a) The rent to owner for an assisted person may not exceed the pro-rata portion of the reasonable rent for the group home.

(b) The reasonable rent for a group home is determined in accordance with Sec. 982.503. In determining reasonable rent for the group home, the HA must consider whether sanitary facilities, and facilities for food preparation and service, are common facilities or private facilities.

(3) Maximum subsidy.

(a) Family unit size.

(i) Unless there is alive-in aide, the family unit size is zero or one bedroom.

(ii) If there is a live-in aide, the live-in aide must be counted in determining the family unit size.

(b) Voucher tenancy: The payment standard for a person who resides in a group home is the lower of:

(i) The payment standard for the family unit size; or

(ii) The pro-rata portion of the payment standard for the group home size.

(c) Over-FMR tenancy: Payment standard. For an over-FMR tenancy, the payment standard for a person who resides in a group home is the lower of:

(i) The FMR/exception rent limit for the family unit size; (ii) The pro-rata portion of the FMR/exception rent limit for the group home size.

E. Utility allowance. The utility allowance for each assisted person residing in a group home is the pro-rata portion of the utility allowance for the group home unit size.

F. Housing quality standards. Sec. 982.614

(1) Compliance with HQS. The HA may not give approval to reside in a group home unless the unit, including the portion of the unit available for use by the assisted person under the lease, meets the housing quality standards.

(2) Applicable HQS standards.

(a) The HQS in Sec. 982.401 apply to assistance in a group home. However, the standards in this section apply in place of Sec. 982.401(b) (sanitary facilities), Sec. 982.401(c) (food preparation and refuse disposal), Sec.

982.401(d)(space and security), Sec. 982.401(g) (structure and materials) and Sec. 982.401(l) (site and neighborhood).

(b) The entire unit must comply with the HQS.

(3) Additional performance requirements. The following additional performance requirements apply to a group home:

(a) Sanitary facilities.

- (i) There must be a bathroom in the unit. The unit must contain, and an assisted resident must have ready access to:
 - (A) A flush toilet that can be used in privacy;
 - (B) A fixed basin with hot and cold running water; and
 - (C) A shower or bathtub with hot and cold running water.
 - (ii) All of these facilities must be in proper operating condition, and must be adequate for personal cleanliness and the disposal of human waste. The facilities must utilize an approvable public or private disposal system.
 - (iii) The unit may contain private or common sanitary facilities. However, the facilities must be sufficient in number so that they need not be shared by more than four residents of the group home.
 - (iv) Sanitary facilities in the group home must be readily accessible to and usable by residents, including persons with disabilities.
- (b) Food preparation and service.
- (i) The unit must contain a kitchen and a dining area. There must be adequate space to store, prepare, and serve foods in a sanitary manner.
 - (ii) Food preparation and service equipment must be in proper operating condition. The equipment must be adequate for the number of residents in the group home. The unit must contain the following equipment:
 - (A) A stove or range, and oven;
 - (B) A refrigerator; and
 - (C) A kitchen sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.
 - (iii) There must be adequate facilities and services for the sanitary disposal of food waste and refuse, including facilities for temporary storage where necessary.
 - (iv) The unit may contain private or common facilities for food preparation and service.
- (c) Space and security.
- (i) The unit must provide adequate space and security for the assisted person.
 - (ii) The unit must contain a living room, kitchen, dining area, bathroom, and other appropriate social, recreational or community space. The unit must contain at least one bedroom of appropriate size for each two persons.
 - (iii) Doors and windows that are accessible from outside the unit must be lockable.
- (d) Structure and material.

significant damage. The roof structure must be firm, and the roof must be watertight. The exterior or wall structure and exterior wall surface may not have any serious defects such as serious leaning, buckling, sagging, cracks or large holes, loose siding, or other serious damage. 5. Shared Housing

A. Shared housing: Occupancy. Sec. 982.615

- (1) Sharing a unit. An assisted family may reside in shared housing. In shared housing, an assisted family shares a unit with the other resident or residents of the unit. The unit may be a house or an apartment.
- (2) Who may share a dwelling unit with assisted family?
 - (a) If approved by the HA, a live-in aide may reside with the family to care for a person with disabilities. The HA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR part 8. See Sec. 982.316 concerning occupancy by a live-in-aide.
 - (b) Other persons who are assisted under the tenant-based program, or other persons who are not assisted under the tenant-based program, may reside in a shared housing unit.
 - (c) The owner of a shared housing unit may reside in the unit. A resident owner may enter into a HAP contract with the HA. However, housing assistance may not be paid on behalf of an owner. An assisted person may not be related by blood or marriage to a resident owner.

B. Lease and HAP contract. Sec. 982.616

For assistance in a shared housing unit, there is a separate HAP contract and lease for each assisted family.

C. Rent and housing assistance payment. Sec. 982.617

- (1) Meaning of pro-rata portion. For shared housing, the term “pro-rata portion,” means the ratio derived by dividing the number of bedrooms in the private space available for occupancy by a family by the total number of bedrooms in the unit.

For example, for a family entitled to occupy three bedrooms in a five bedroom unit, the ratio would be 3/5.

- (2) Rent to owner: Reasonable rent.
 - (a) The rent to owner for the family may not exceed the pro-rata portion of the reasonable rent for the shared housing dwelling unit.
 - (b) The reasonable rent is determined in accordance with Sec. 982.503.

 - (b) Voucher Tenancy: The payment standard is the lower of:
 - (i) The payment standard for the family unit size; or
 - (ii) The pro-rata portion of the payment standard for the shared housing unit size.
 - (c) Live-in aide. If there is a live-in aide, the live-in aide must be counted in determining the family unit size.
 - (3) Utility allowance. The utility allowance for an assisted family residing in shared housing is the pro-rata portion of the utility allowance for the shared housing unit.
- D. Housing quality standards. Sec. 982.618
- (1) Compliance with HQS. The HA may not give approval to reside in shared housing unless the entire unit, including the portion of the unit available for use by the assisted family under its lease, meets the housing quality standards.
 - (2) Applicable HQS standards. The HQS in Sec. 982.401 apply to assistance in shared housing. However, the HQS standards in this section apply in place of Sec. 982.401(d) (space and security).
 - (3) Facilities available for family. The facilities available for the use of an assisted family in shared housing under the family's lease must include (whether in the family's private space or in the common space) a living room, sanitary facilities in accordance with Sec. 982.401(b), and food preparation and refuse disposal facilities in accordance with Sec. 982.401(c).
 - (4) Space and security: Performance requirements.
 - (a) The entire unit must provide adequate space and security for all its residents(whether assisted or unassisted).
 - (b) Each unit must contain private space for each assisted family, plus common space for shared use by the residents of the unit. Common space must be appropriate for shared use by the residents.
 - (ii) The private space for each assisted family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family may not be less than the family unit size.
 - (iii) A zero or one bedroom unit may not be used for shared housing.

6. Cooperative Housing. Sec. 982.619

- (1) When cooperative housing may be used. A family may reside in cooperative housing if the HA determines that:

- (2) Rent to owner.
 - (a) The reasonable rent for a cooperative unit is determined in accordance with Sec. 982.503. For cooperative housing, the rent to owner is the monthly carrying charge under the occupancy agreement/lease between the member and the cooperative.
 - (b) The carrying charge consists of the amount assessed to the member by the cooperative for occupancy of the housing. The carrying charge includes the member's share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. However, the carrying charge does not include down-payments or other payments to purchase the cooperative unit, or to amortize a loan to the family for this purpose.
 - (c) Gross rent is the carrying charge plus any utility allowance.
 - (d) The occupancy agreement/lease and other appropriate documents must provide that the monthly carrying charge is subject to Section 8 limitations on rent to owner.
- (3) Housing assistance payment. The amount of the housing assistance payment is determined in accordance with subpart K of this part.
- (4) Live-in aide.
 - (a) If approved by the HA, a live-in aide may reside with the family to care for a person with disabilities. The HA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR part 8. See Sec. 982.316 concerning occupancy by a live-in aide.
 - (b) If there is a live-in aide, the live-in aide must be counted in determining the family unit size.

Note:

This Housing Agency has elected not to permit use of any SRO's, Congregate Housing, Group homes, Shared housing or Cooperative housing types in its program *unless* a special housing type is needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR part 8.

SECTION XXXIII. FAMILY SELF-SUFFICIENCY PROGRAMS:

The purpose of the family self-sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of public housing assistance and assistance under the Section 8 rental certificate program with public and private resources, to enable families eligible to receive assistance under these programs, and to achieve economic independence and self sufficiency.

NOTE:

This agency is not funded for and does not administer a FSS program.

SECTION XXXIV. DECONCENTRATION RULE

The objective of the deconcentration rule for Section 8 tenant-based assistance is to admit no less than 75% of its new admissions to the program to families that have income at or below 30% of the area median income. The HA will track the status of all new admissions monthly by utilizing income reports generated by the HA's computer system. The goal will be tracked monthly and if the HA is not reaching its goal, families will be skipped on the waiting list to admit a family that has income that is at or below 30% of area median income. The practice will continue until the HA achieves its goal. The HA's section 8 applicant selection process, which is contained in the Section 8 administrative plan provides for the skipping of families on the waiting list to accomplish this goal.

SECTION XXXV. CLOSING OF FILES AND/ PURGING INACTIVE FILES

This HA will purge inactive files, after they have been closed for a period of three years, with the exception of troubled cases, or cases involving a household containing a minor with a reported elevated blood-lead level.

During the term of each assisted lease and for three years thereafter the HA will keep the lease, HAP Contract and the application from the family. In addition, the HA must keep for at least three years the following records:

- ☞ Records with racial, ethnic, gender and disability status data for applicants and participants.
- ☞ The application from each ineligible family and the notice that the applicant is ineligible.
- ☞ HUD required reports and other HUD required files.
- ☞ Lead based paint inspection reports as required.
- ☞ Unit inspection reports.
- ☞ Accounts and other records supporting the HA and financial statements.
- ☞ Other records that may be specified by HUD.

The HA shall retain all data for current participants for audit purposes. No information shall be removed which may affect an accurate audit.

RENT REASONABLENESS METHODOLOGY

Upon passing HQS inspection, the unit is compared in age, upkeep, amenities, neighborhood conditions, etc. with other similar unassisted units to determine if the rent being charged is reasonable. Most comparisons are made to units pictured in the “Rent Comparable Book”.

1. One section in the book for apartments and duplexes.
2. A section for manufactured homes.
3. A section for houses.

Each page within the book has a picture of an unassisted unit, the address of the unit, the Landlords name, the available utilities, the monthly rent, and any other data pertinent to the unit.

In complexes where some of the units are assisted and others are not, the comparison is made to the unassisted units.

Decisions regarding termination or denial of assistance for “Drug and/or Alcohol Charges” will be based on “*Preponderance of Evidence*”.  - B. The Circuit and District Court Dockets for Laurel and all surrounding counties are checked daily for the listing of current or pending tenants. If the name and social security matches, we then request a copy of the incident report from the law enforcement agency.
 - C. Local newspapers are also used as a source of information for drug/alcohol arrests, charges, etc.

ADDENDUM TO THE
ADMINISTRATIVE PLAN
EFFECTIVE September 6, 2005

In keeping with the goal of HUD and this agency to “provide decent, safe and sanitary housing” to those families whose economic situation is insufficient to allow them access to affordable housing, this agency has deemed it necessary to amend its’ current Administrative Plan to allow preference for “displaced families”.

Due to the catastrophic events precipitated by “Hurricane Katrina” which have taken place in the Gulf (the states of Louisiana, Mississippi, and Alabama in particular), this agency recognizes a need to expand the section of our Admin Plan that addresses Preferences given to applicants under extraordinary circumstances. Our current provision for preferences consists of “homeless and spousal abuse victims” and we wish to expand this to include “displaced persons”. Therefore, we submit the attached change to the current Plan:
